MAJORS

Architecture

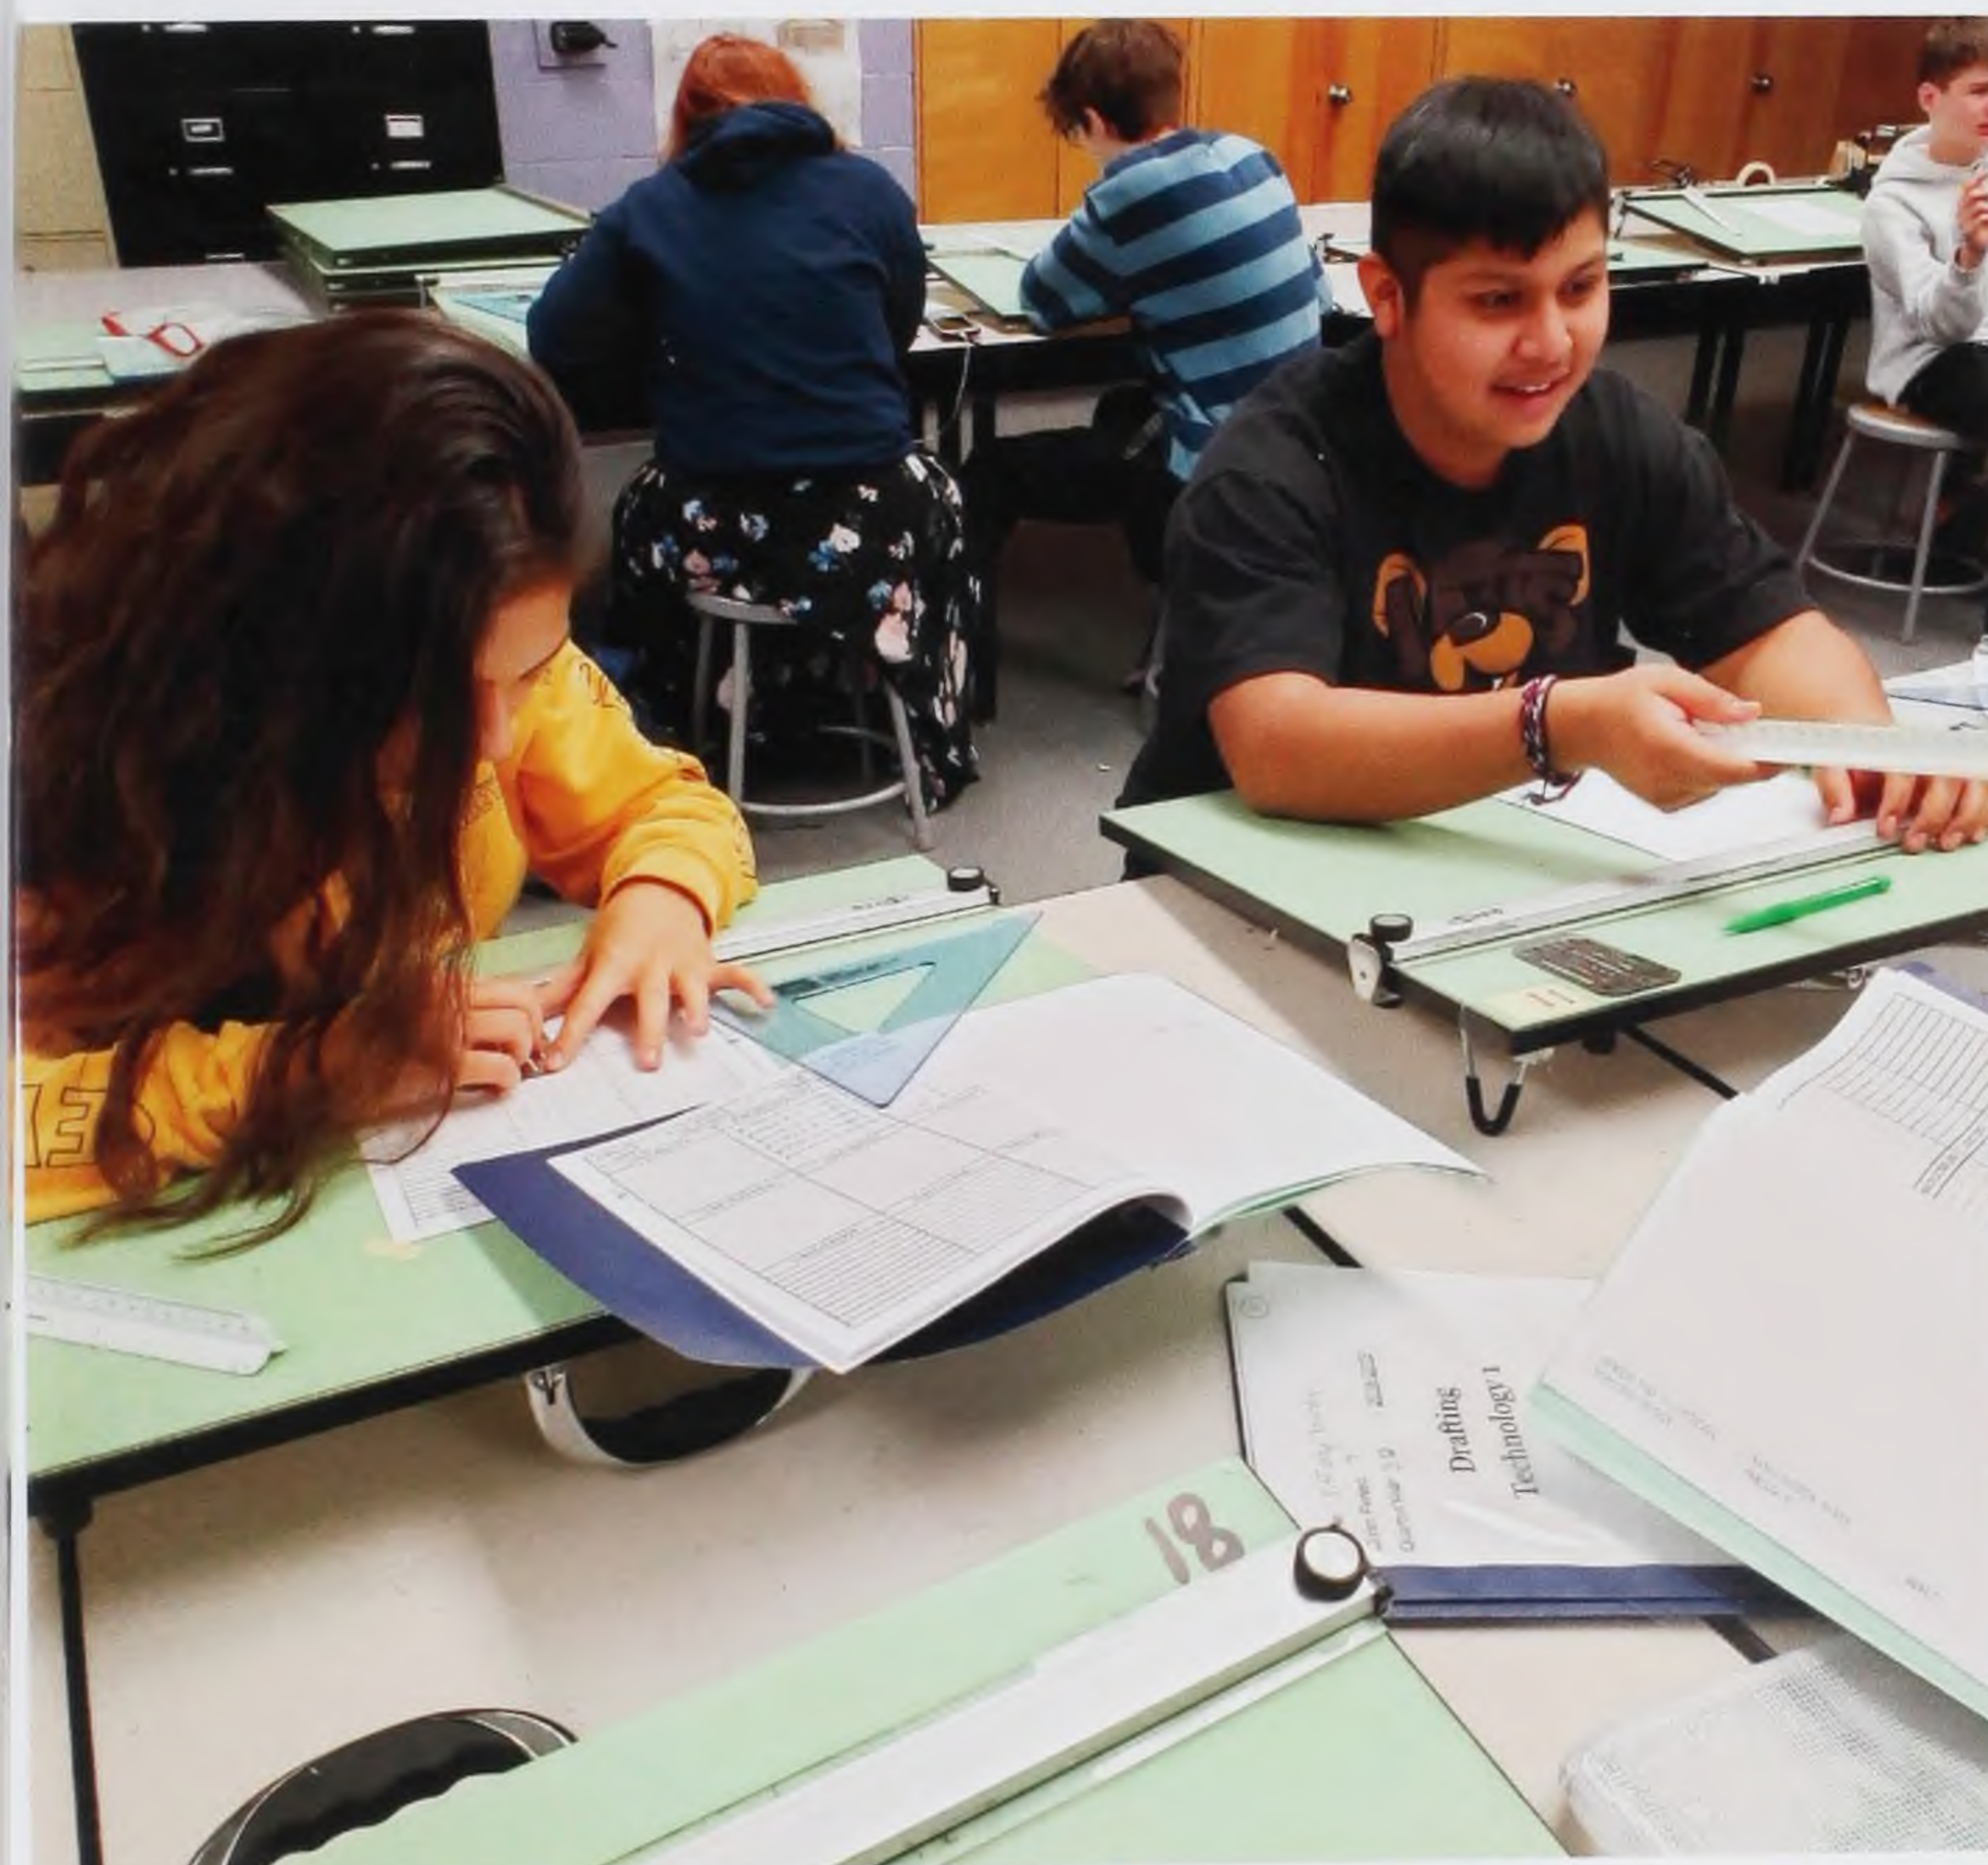

Benson Architecture students visited Bassetti Architects to explore the working world of architects. The crew enjoyed checking out Bassetti's latest project blueprints & getting an inside view of this career path.

"Architecture is all about the details, teamwork and problem solving. Sure, it can be tough, but that feeling of designing or creating something and seeing the whole thing come together really makes it all worth it. I love it all."

-Zach Hughes

Automotive Repair

"I Should have had a V8!" Students get real experience working with automotive systems and parts to both understand how they work and maintain them. Mr. Railey and Mr. Anderson create a fun environment, offering their expertise and on occasion, a ride in the Model T Ford.

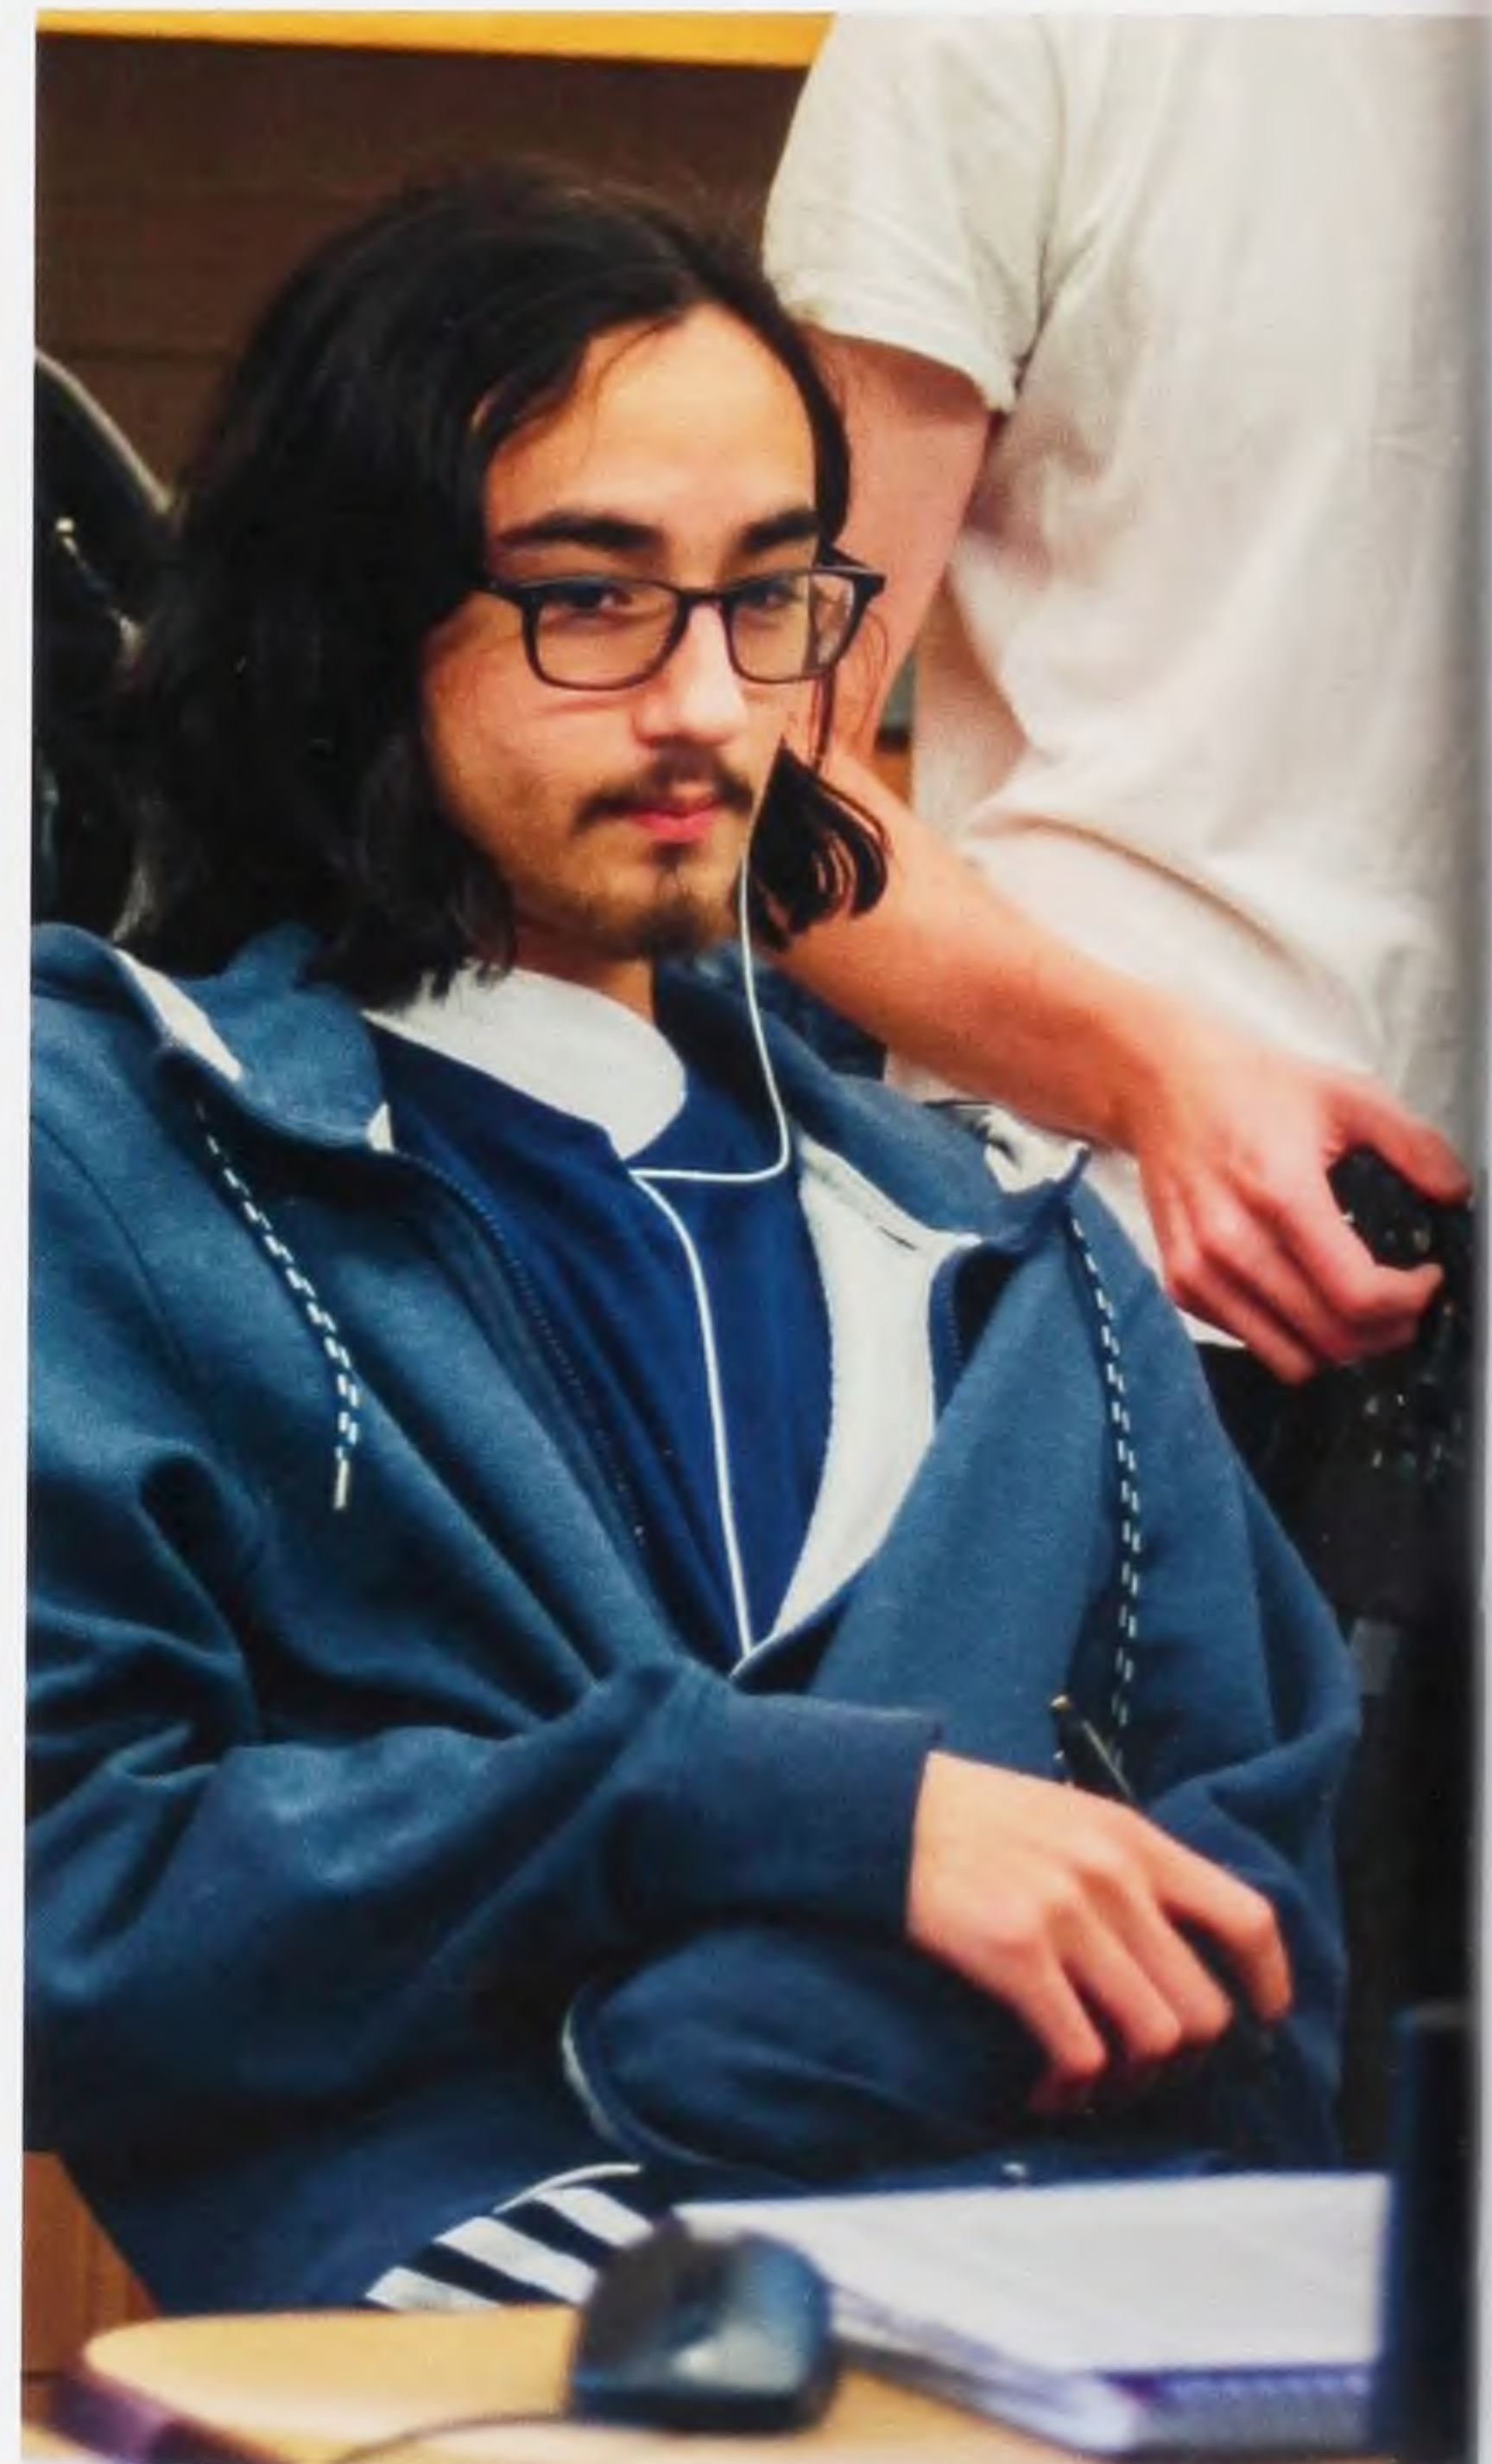

Auto majors are free to fix up their personal cars, as well as practice on a wide range of engines. They get hands on experience working on helicopters, plane turbines, giant diesel engines and even go-cart motors.

Computer Sciences

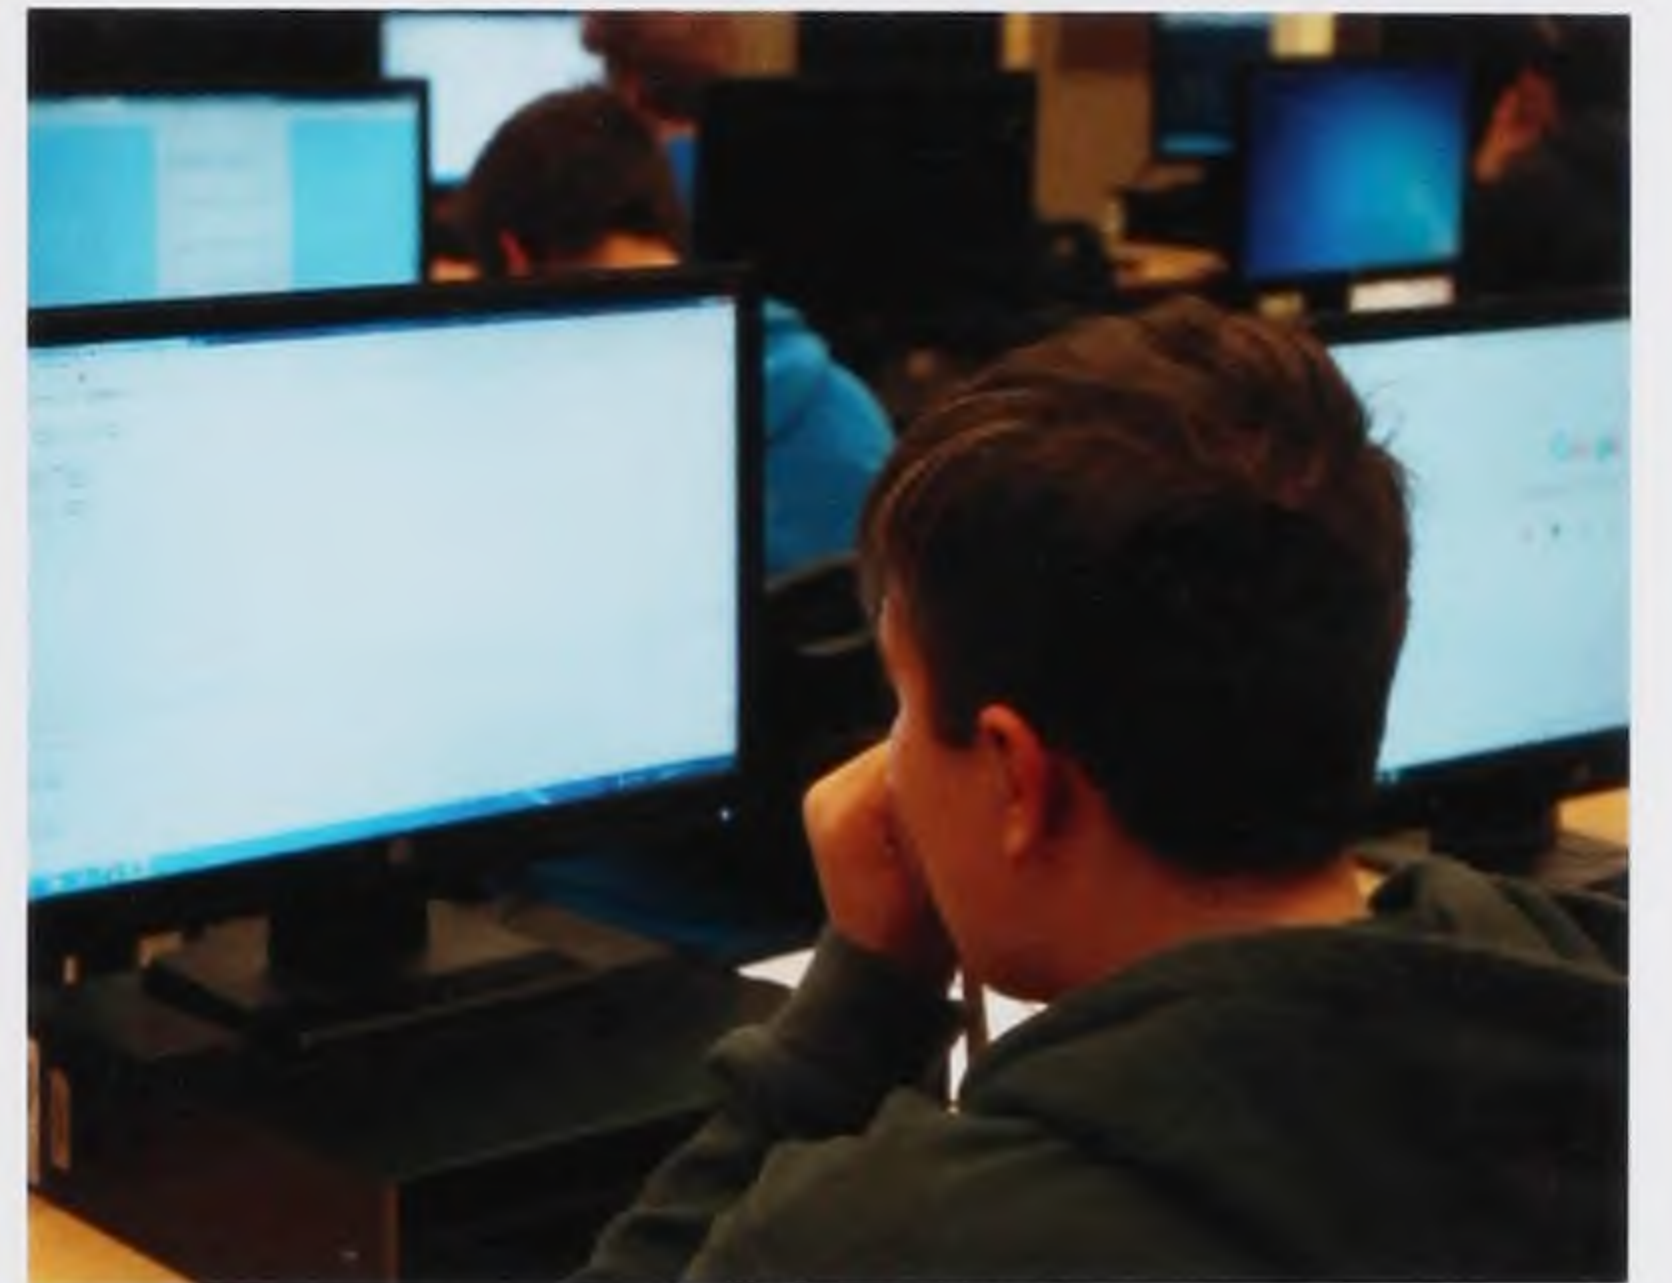

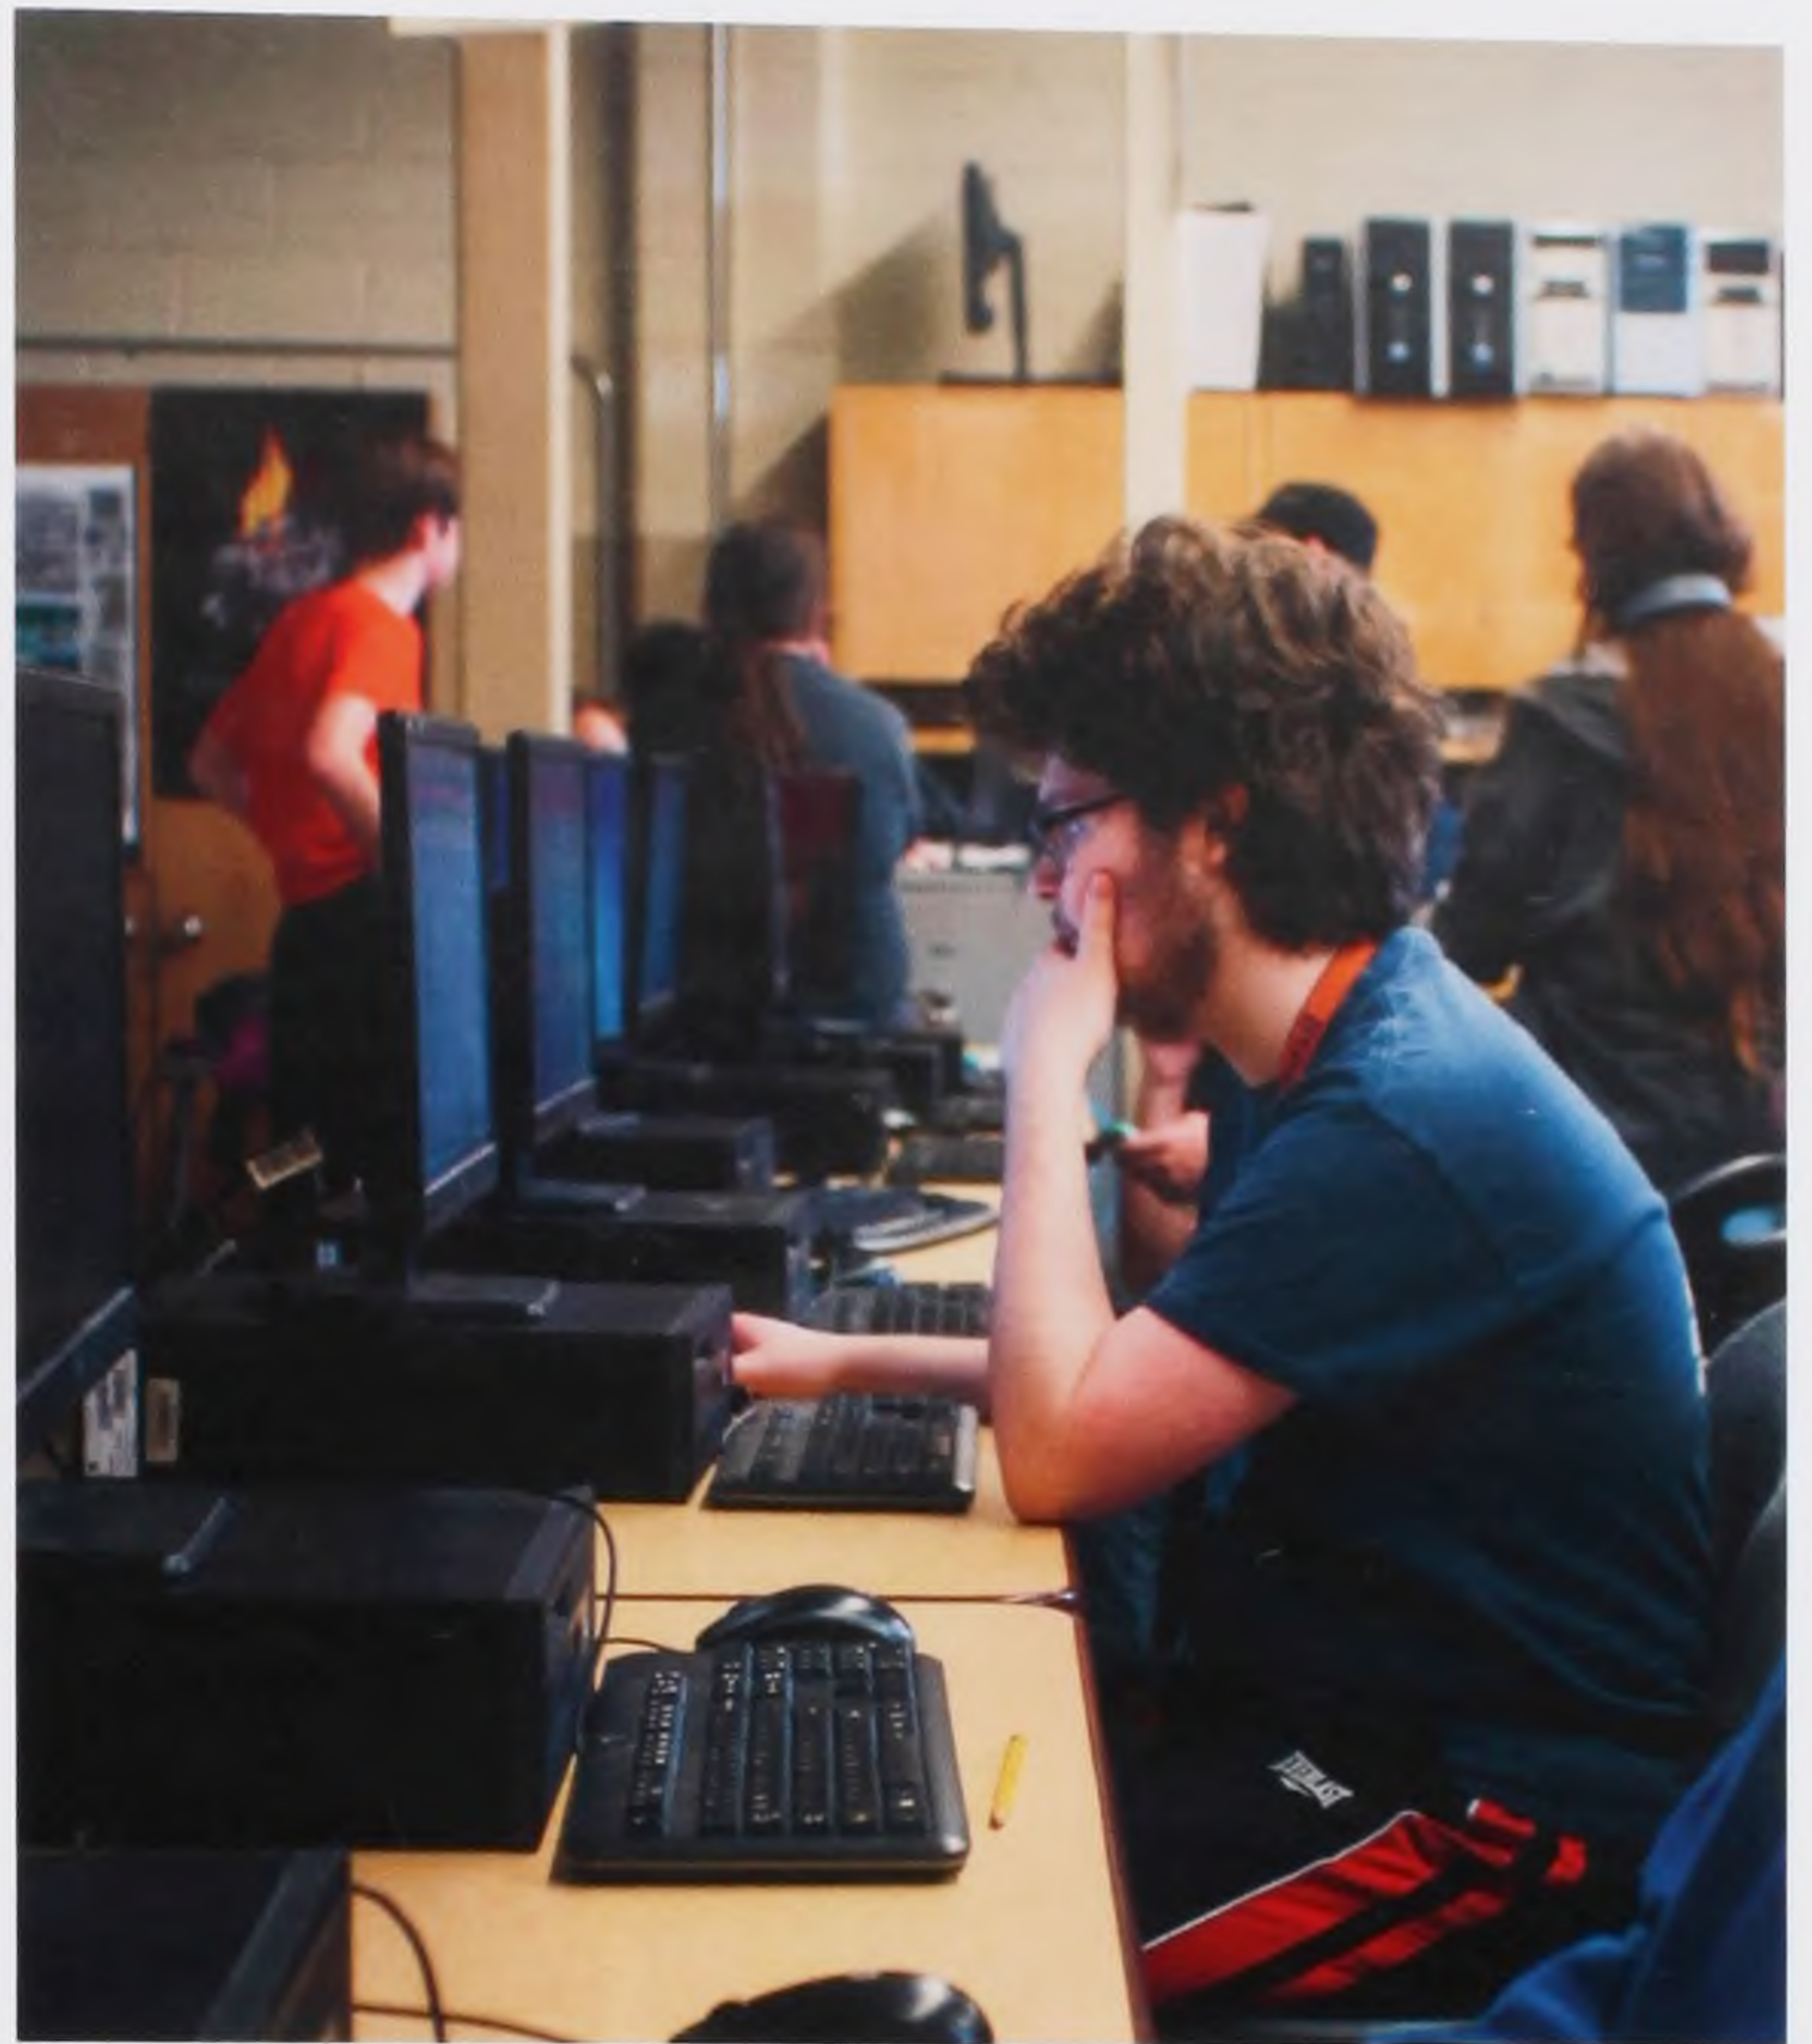

"Computer science class is a great lesson in creative problem solving and being a real gamer." -Liz Jones

"Spaghetti code is not as delicious as it sounds."
-Nathaly Jimenez

Construction

"Your imagination is a weapon of mass construction. Use it" -Evan Nelson

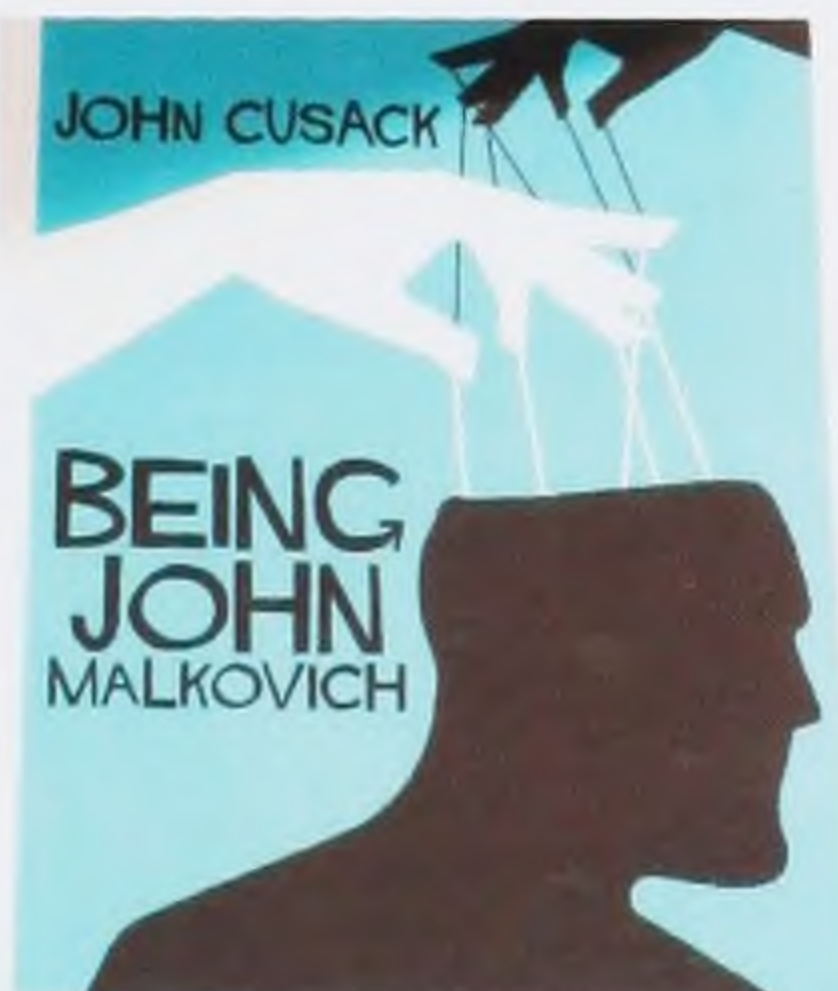

This year, construction major students built an accessory dwelling unit (ADU) and finished a mini trailer home that was started last year. Instructor Dave Ketah joined the major and brought with him new ideas and industry standards. Ketah & Luke Hotchkiss are inspiring students to create innovative projects, while getting exceptional experience on the job.

Digital Media

Digital Media Production helps people express their creativity through different platforms using cutting edge media tools and industry software. The teachers help you and push you to do your best work. The majors rotate through different fields in digital media, including photography, graphic design, video production and web design.

Digital Media Design Students sold their original art work posters at the Tech Show.

"In DMP, I was able to learn about what I love and create an amazing family. Even if I do not pursue this as a career, I will still have all the skills to capture important life moments." -Else Lucia

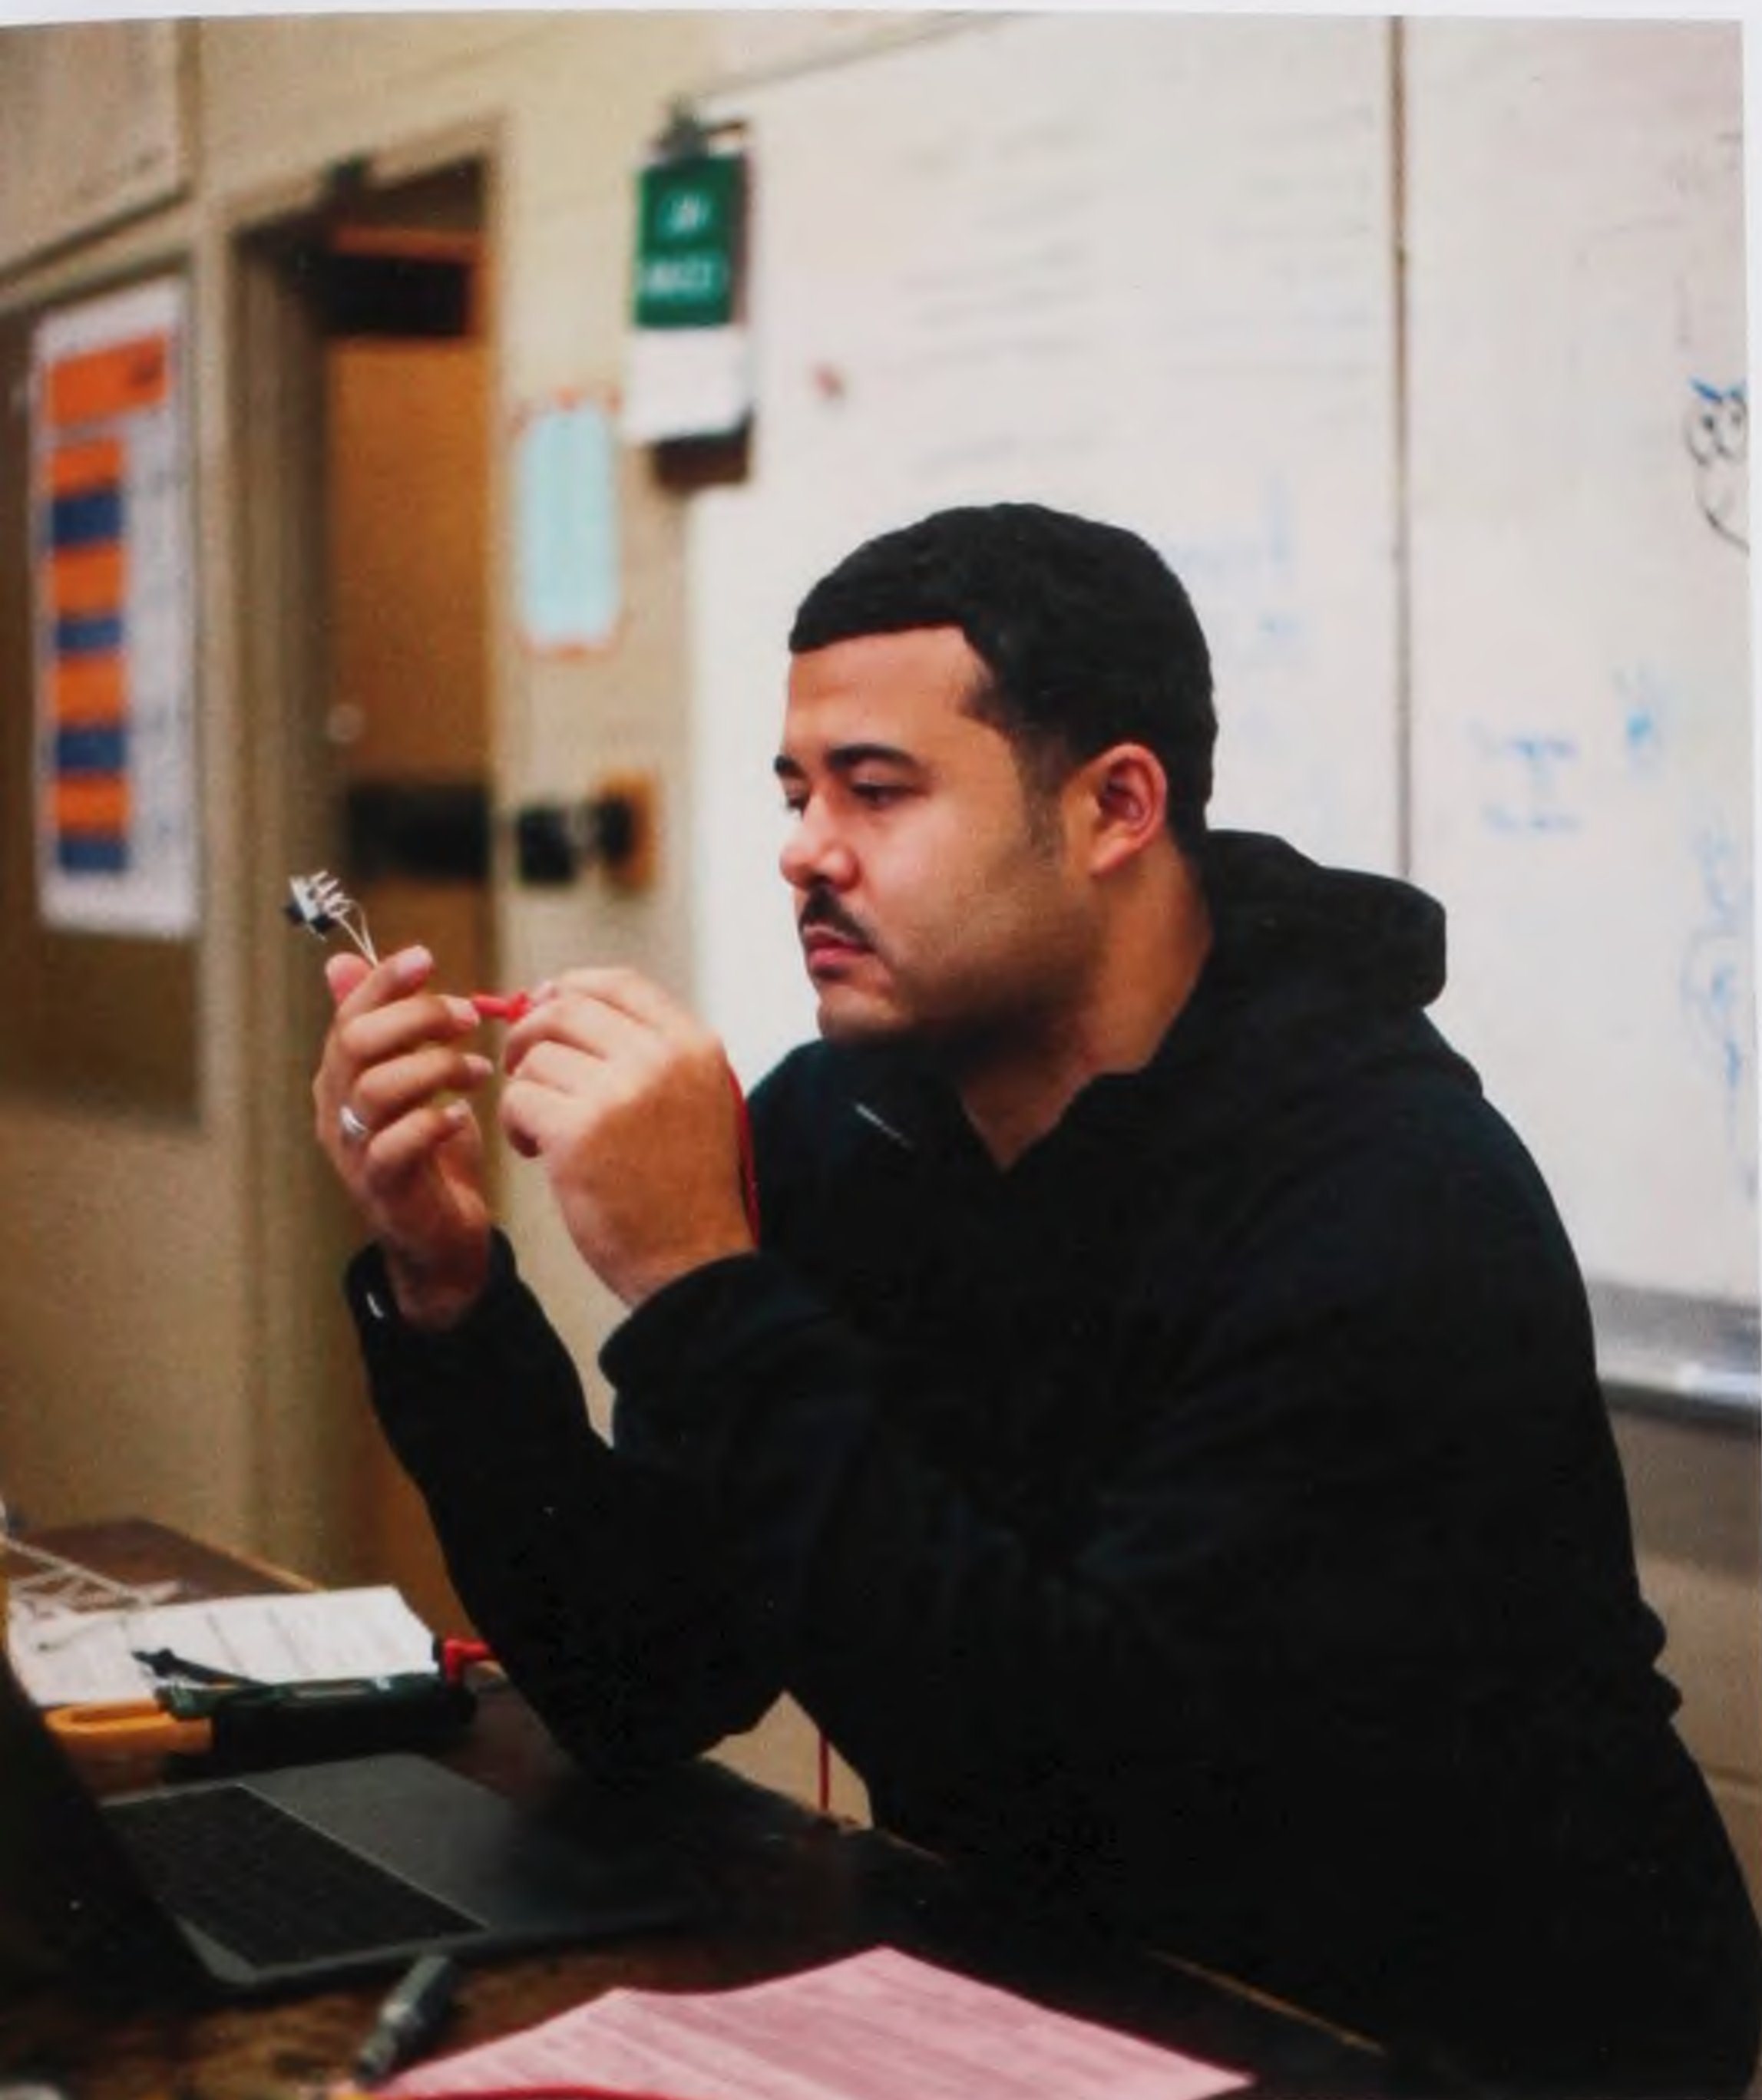

Electrical Engineering

In Electric 3, students are given booths to wire like miniature houses. This prepares them for wiring real houses and gives them a taste of what a career in the electrical engineering field would be like.

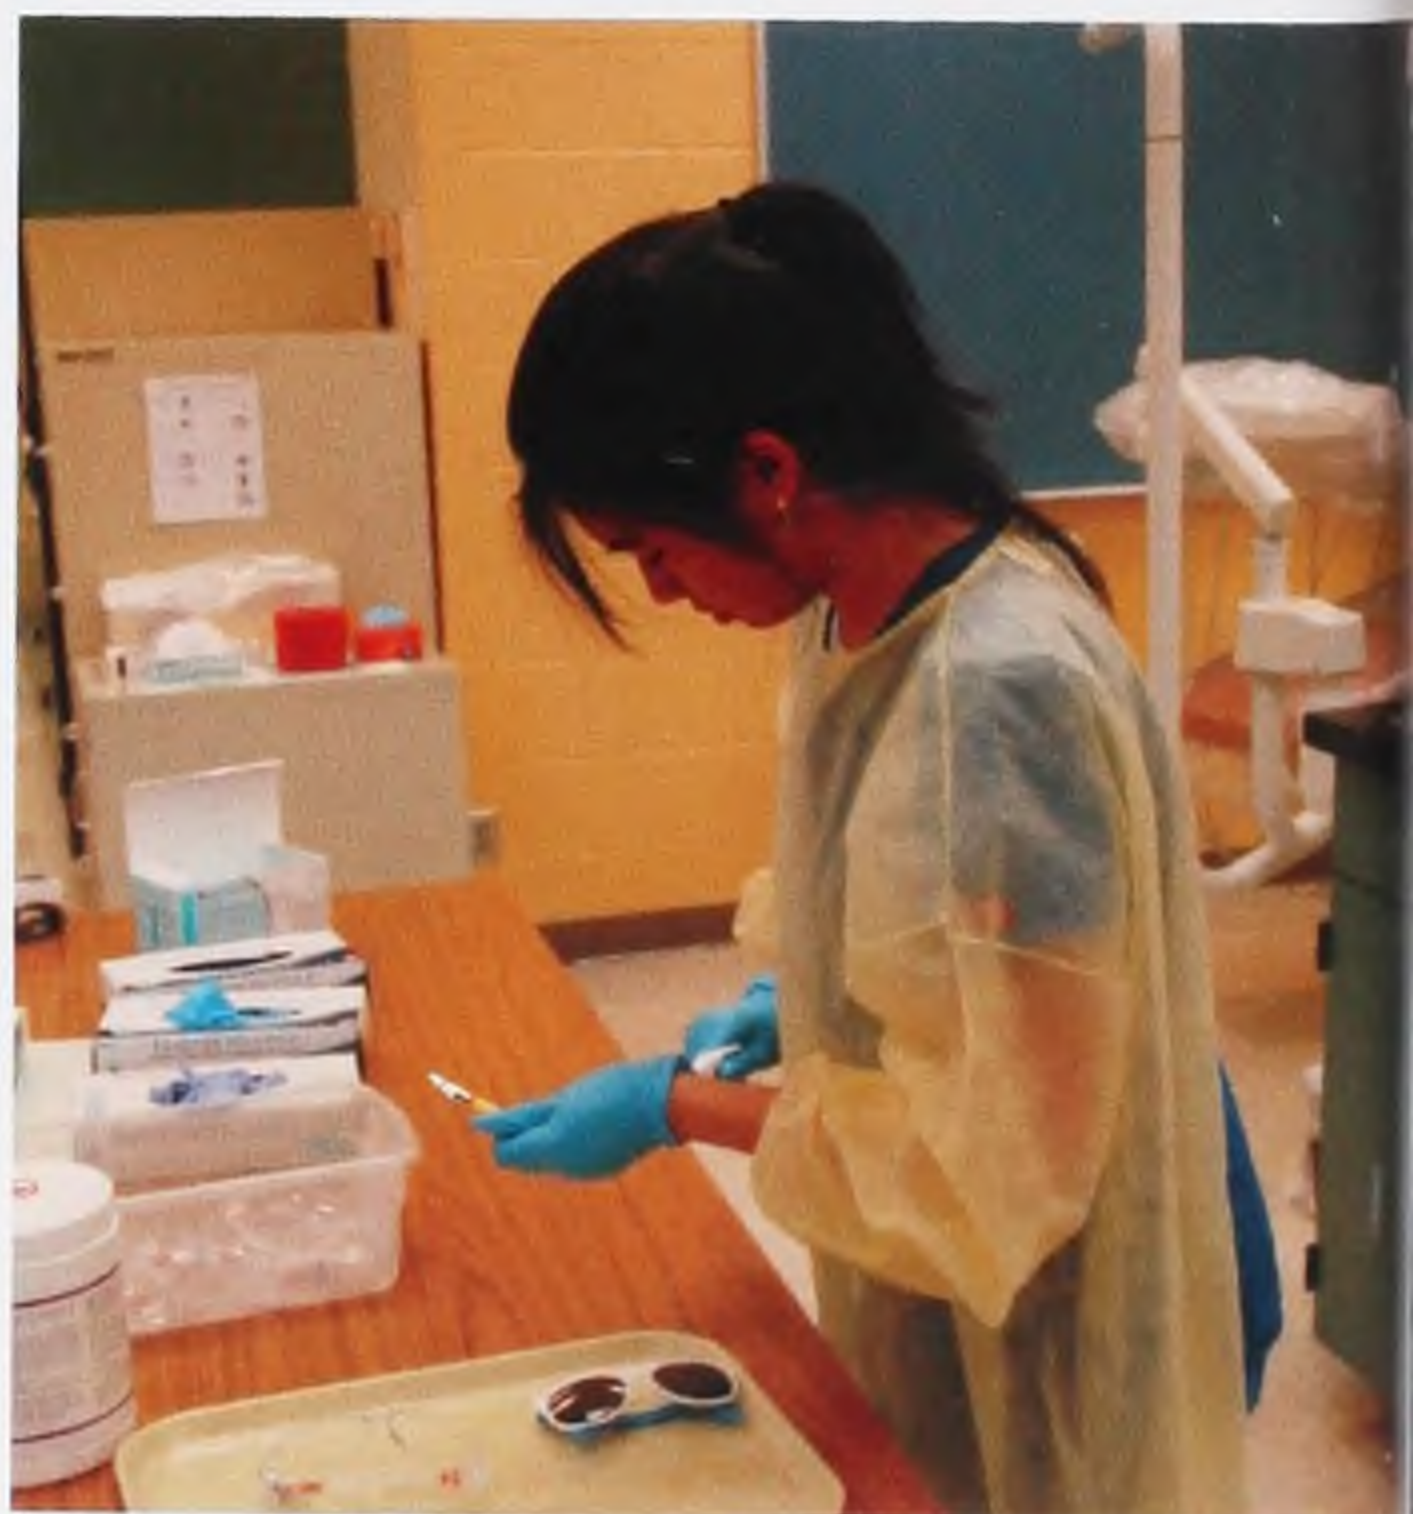

"I love this class. Every time I walk in, I'm ec-STATIC."
-Jonathan Nguyen

Health Occupations

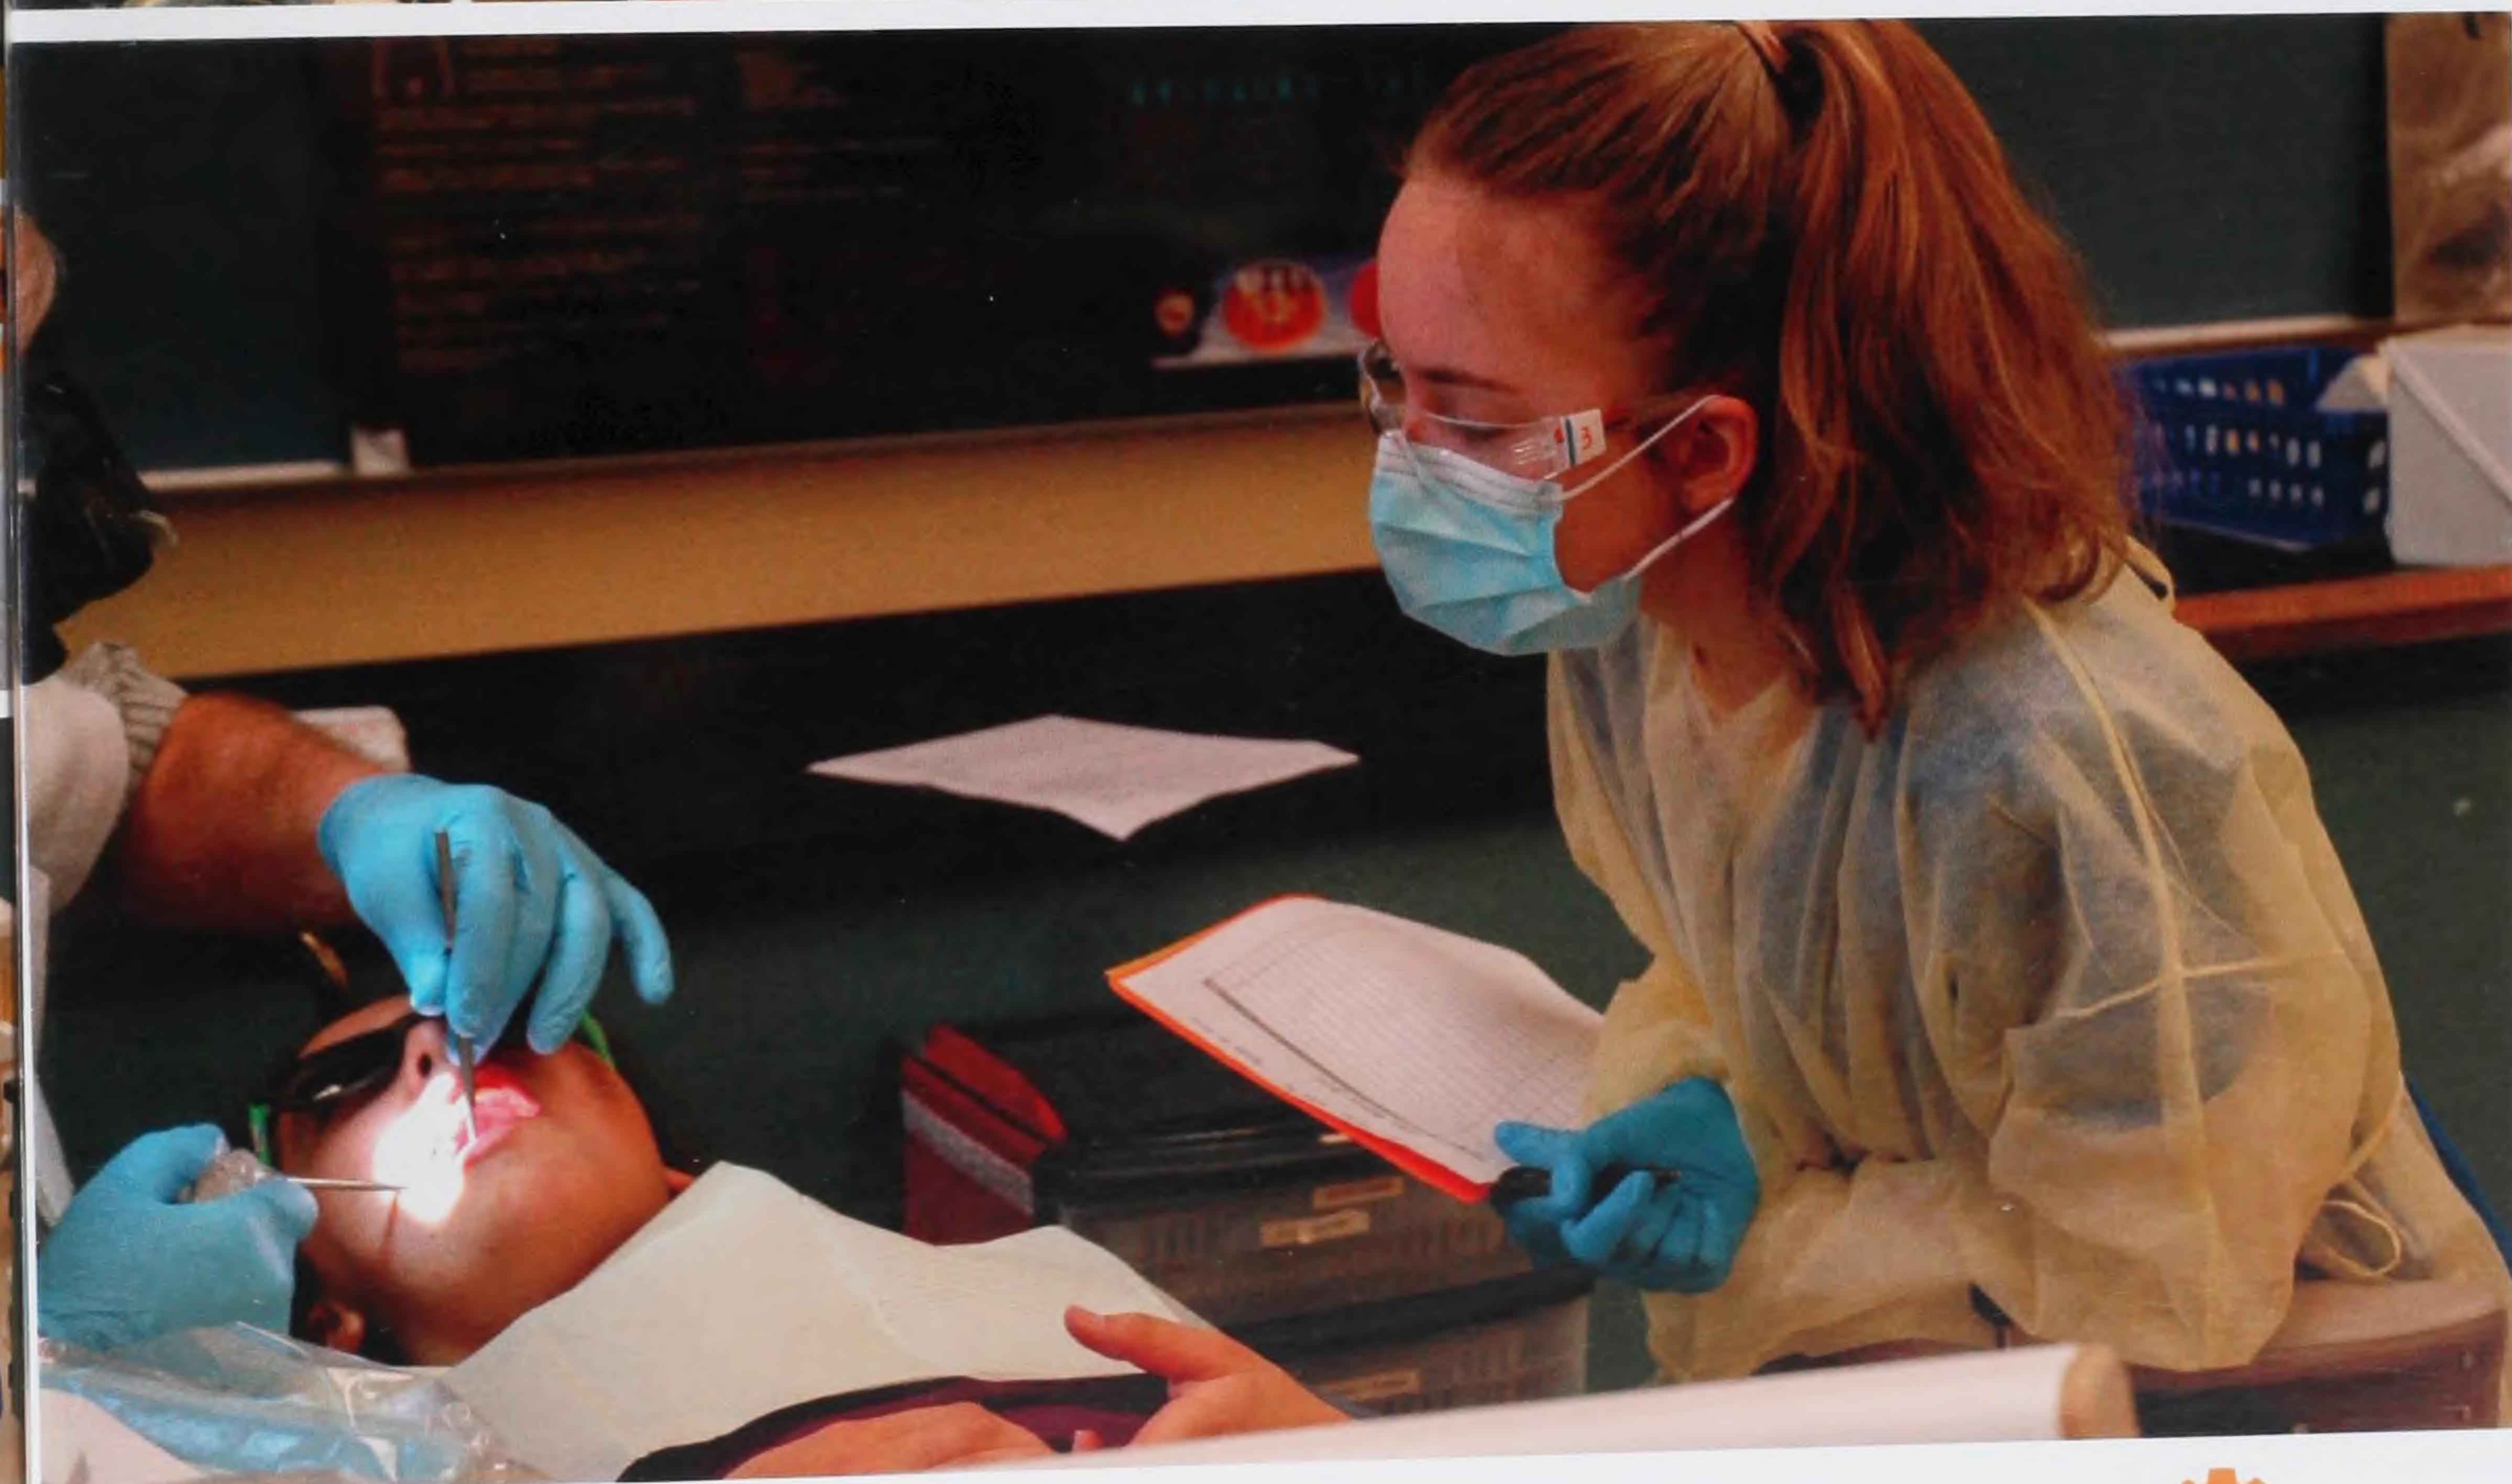

"Nursing and health occupations has given me an abundance of opportunities and unique experiences inside and outside of school. It's exciting to learn real life skills in class and have the ability to apply them out in the field during clinicals. We have a strong community within the nursing and health occupations and I am excited to see what everyone achieves in the future!" -Abby Key

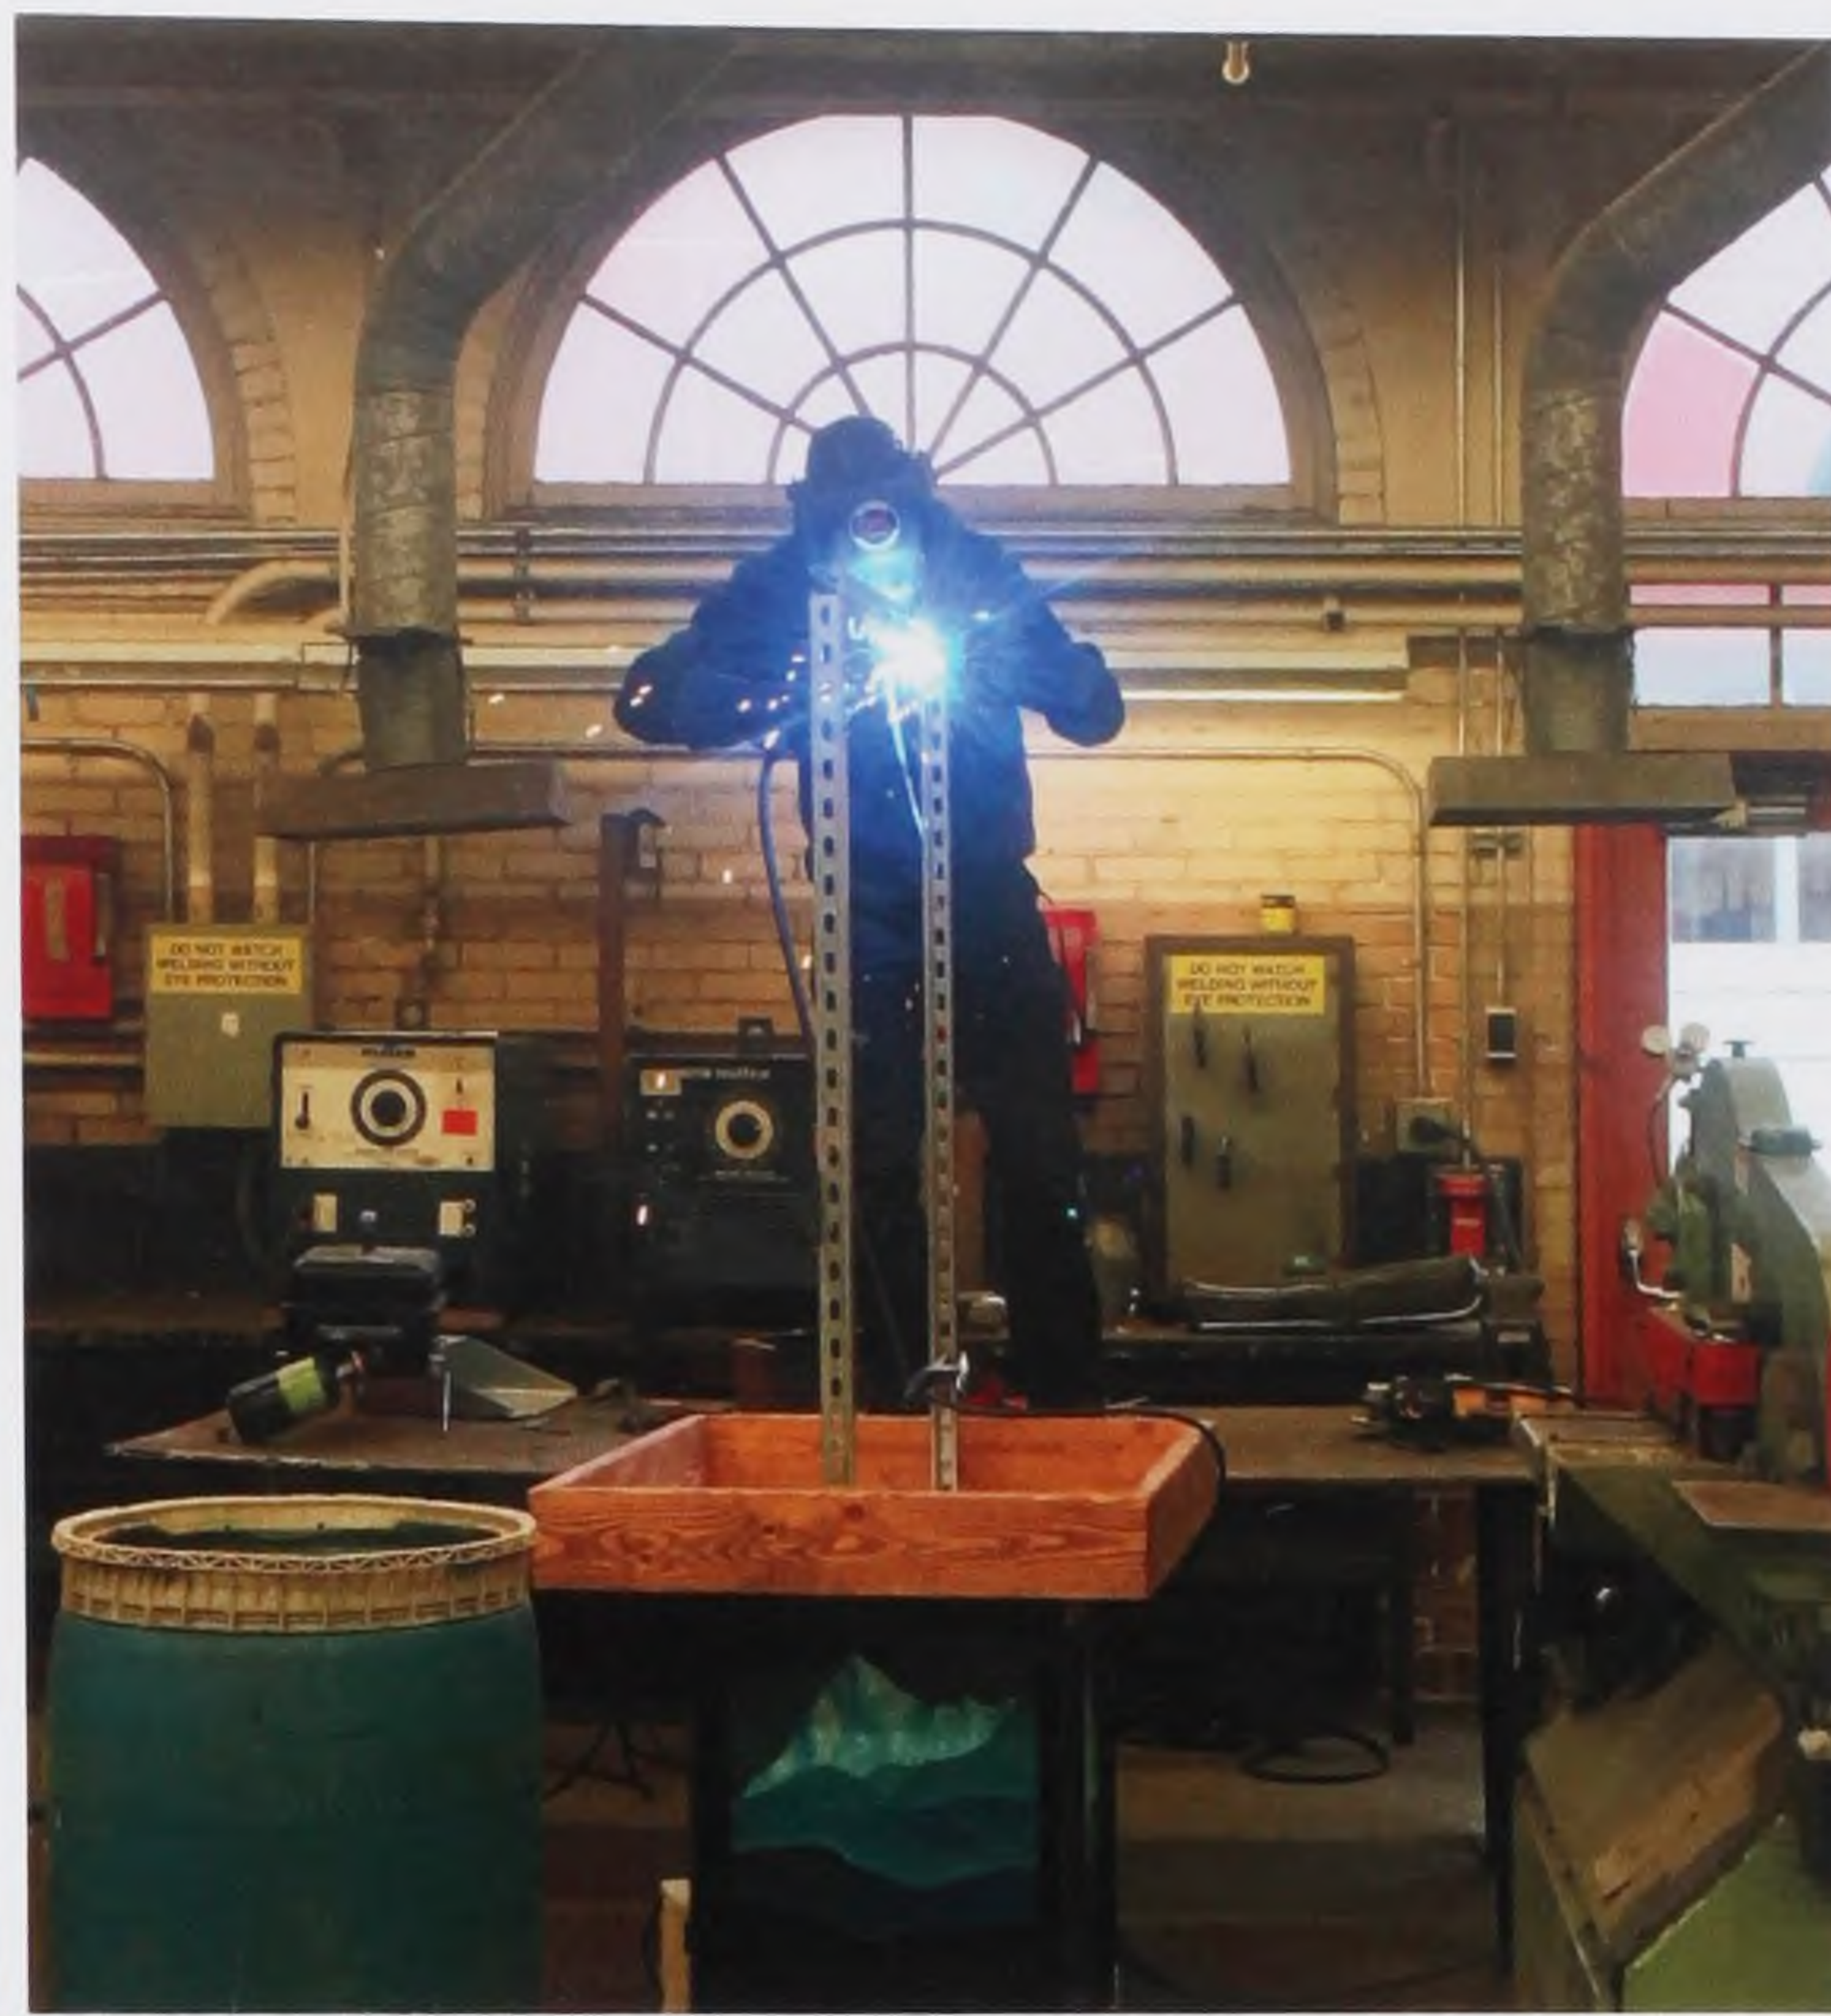

"Helping people isn't about fixing them, it's about giving them a better outlook on life." -Sarah Furness

Manufacturing

Manufacturing teaches you a variety of skills you will need in the field, like forging, CAD design basics, and practice with industry standard machines.

Radio

Students get hands on experience with the latest sound recording media tools and software in digital radio broadcasting.

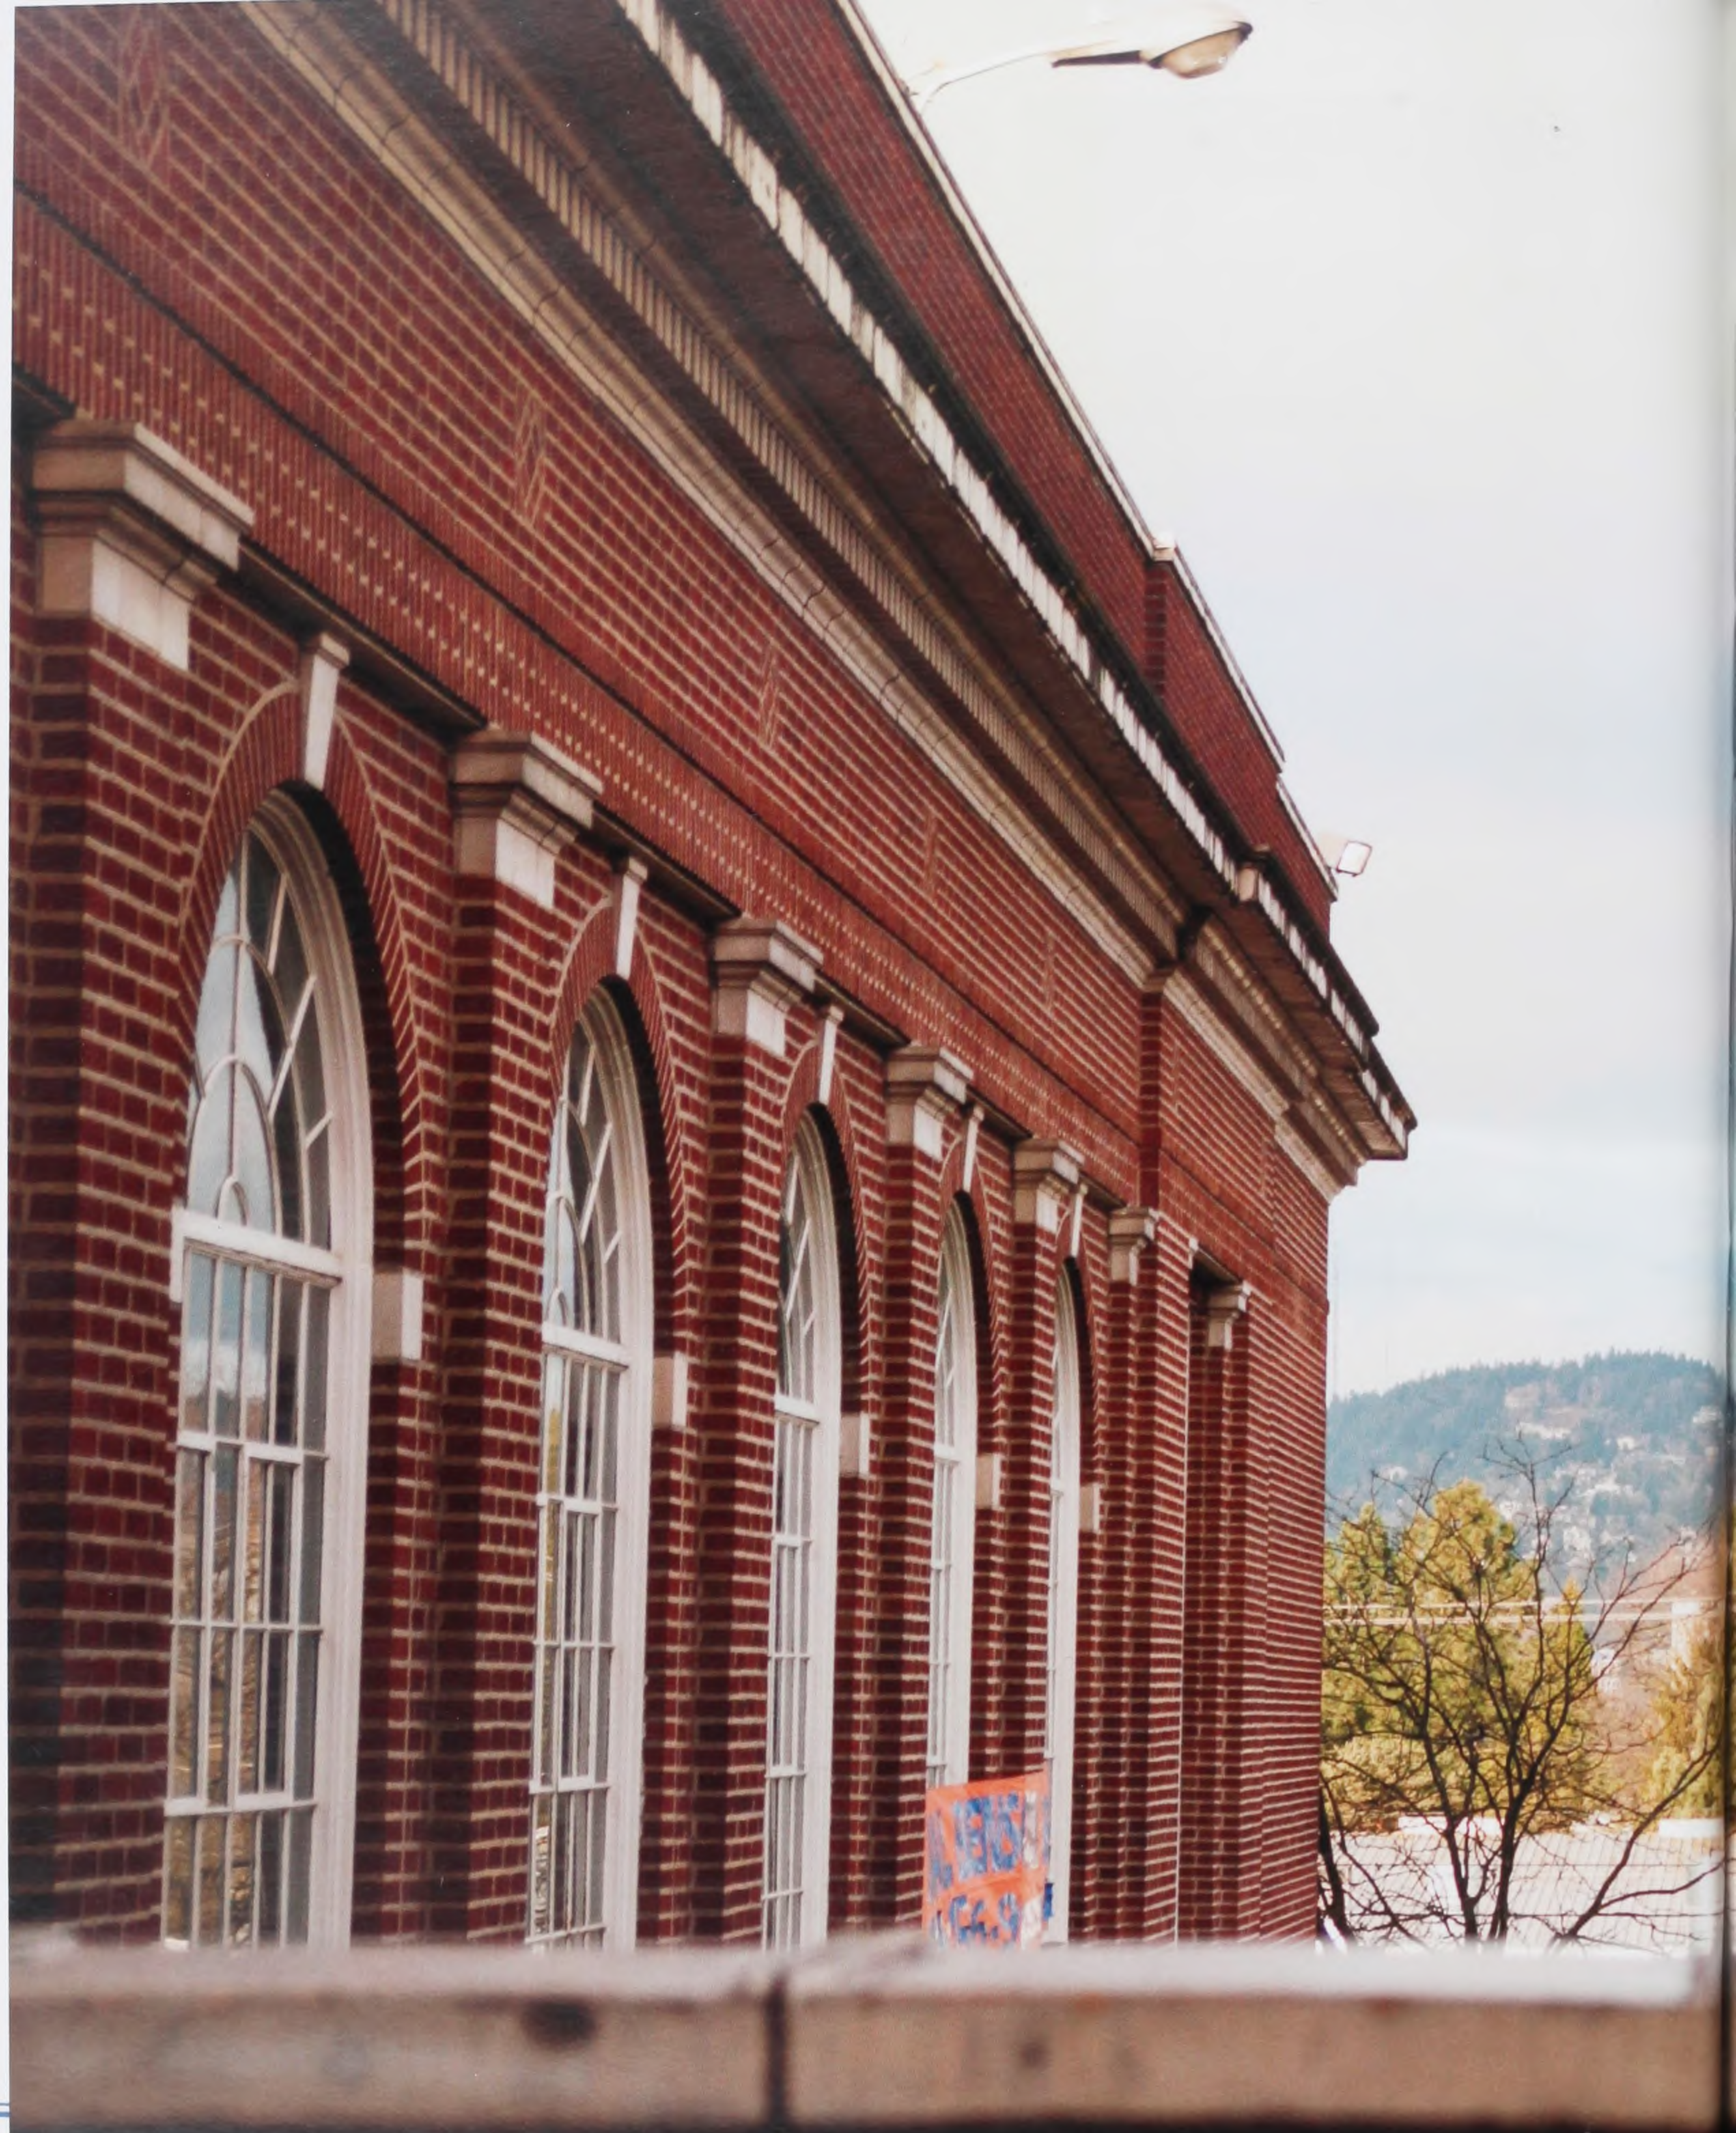

The Radio Department runs their own station. KBPS is one of the oldest stations in Portland Oregon. It was licensed in 1923 and the public listens in on AM 1450.

Students get practical, real world experience as live DJ's in the Radio Department. Led by Steve Naganuma with years of radio broadcast experience, students are learning tips from the pros.

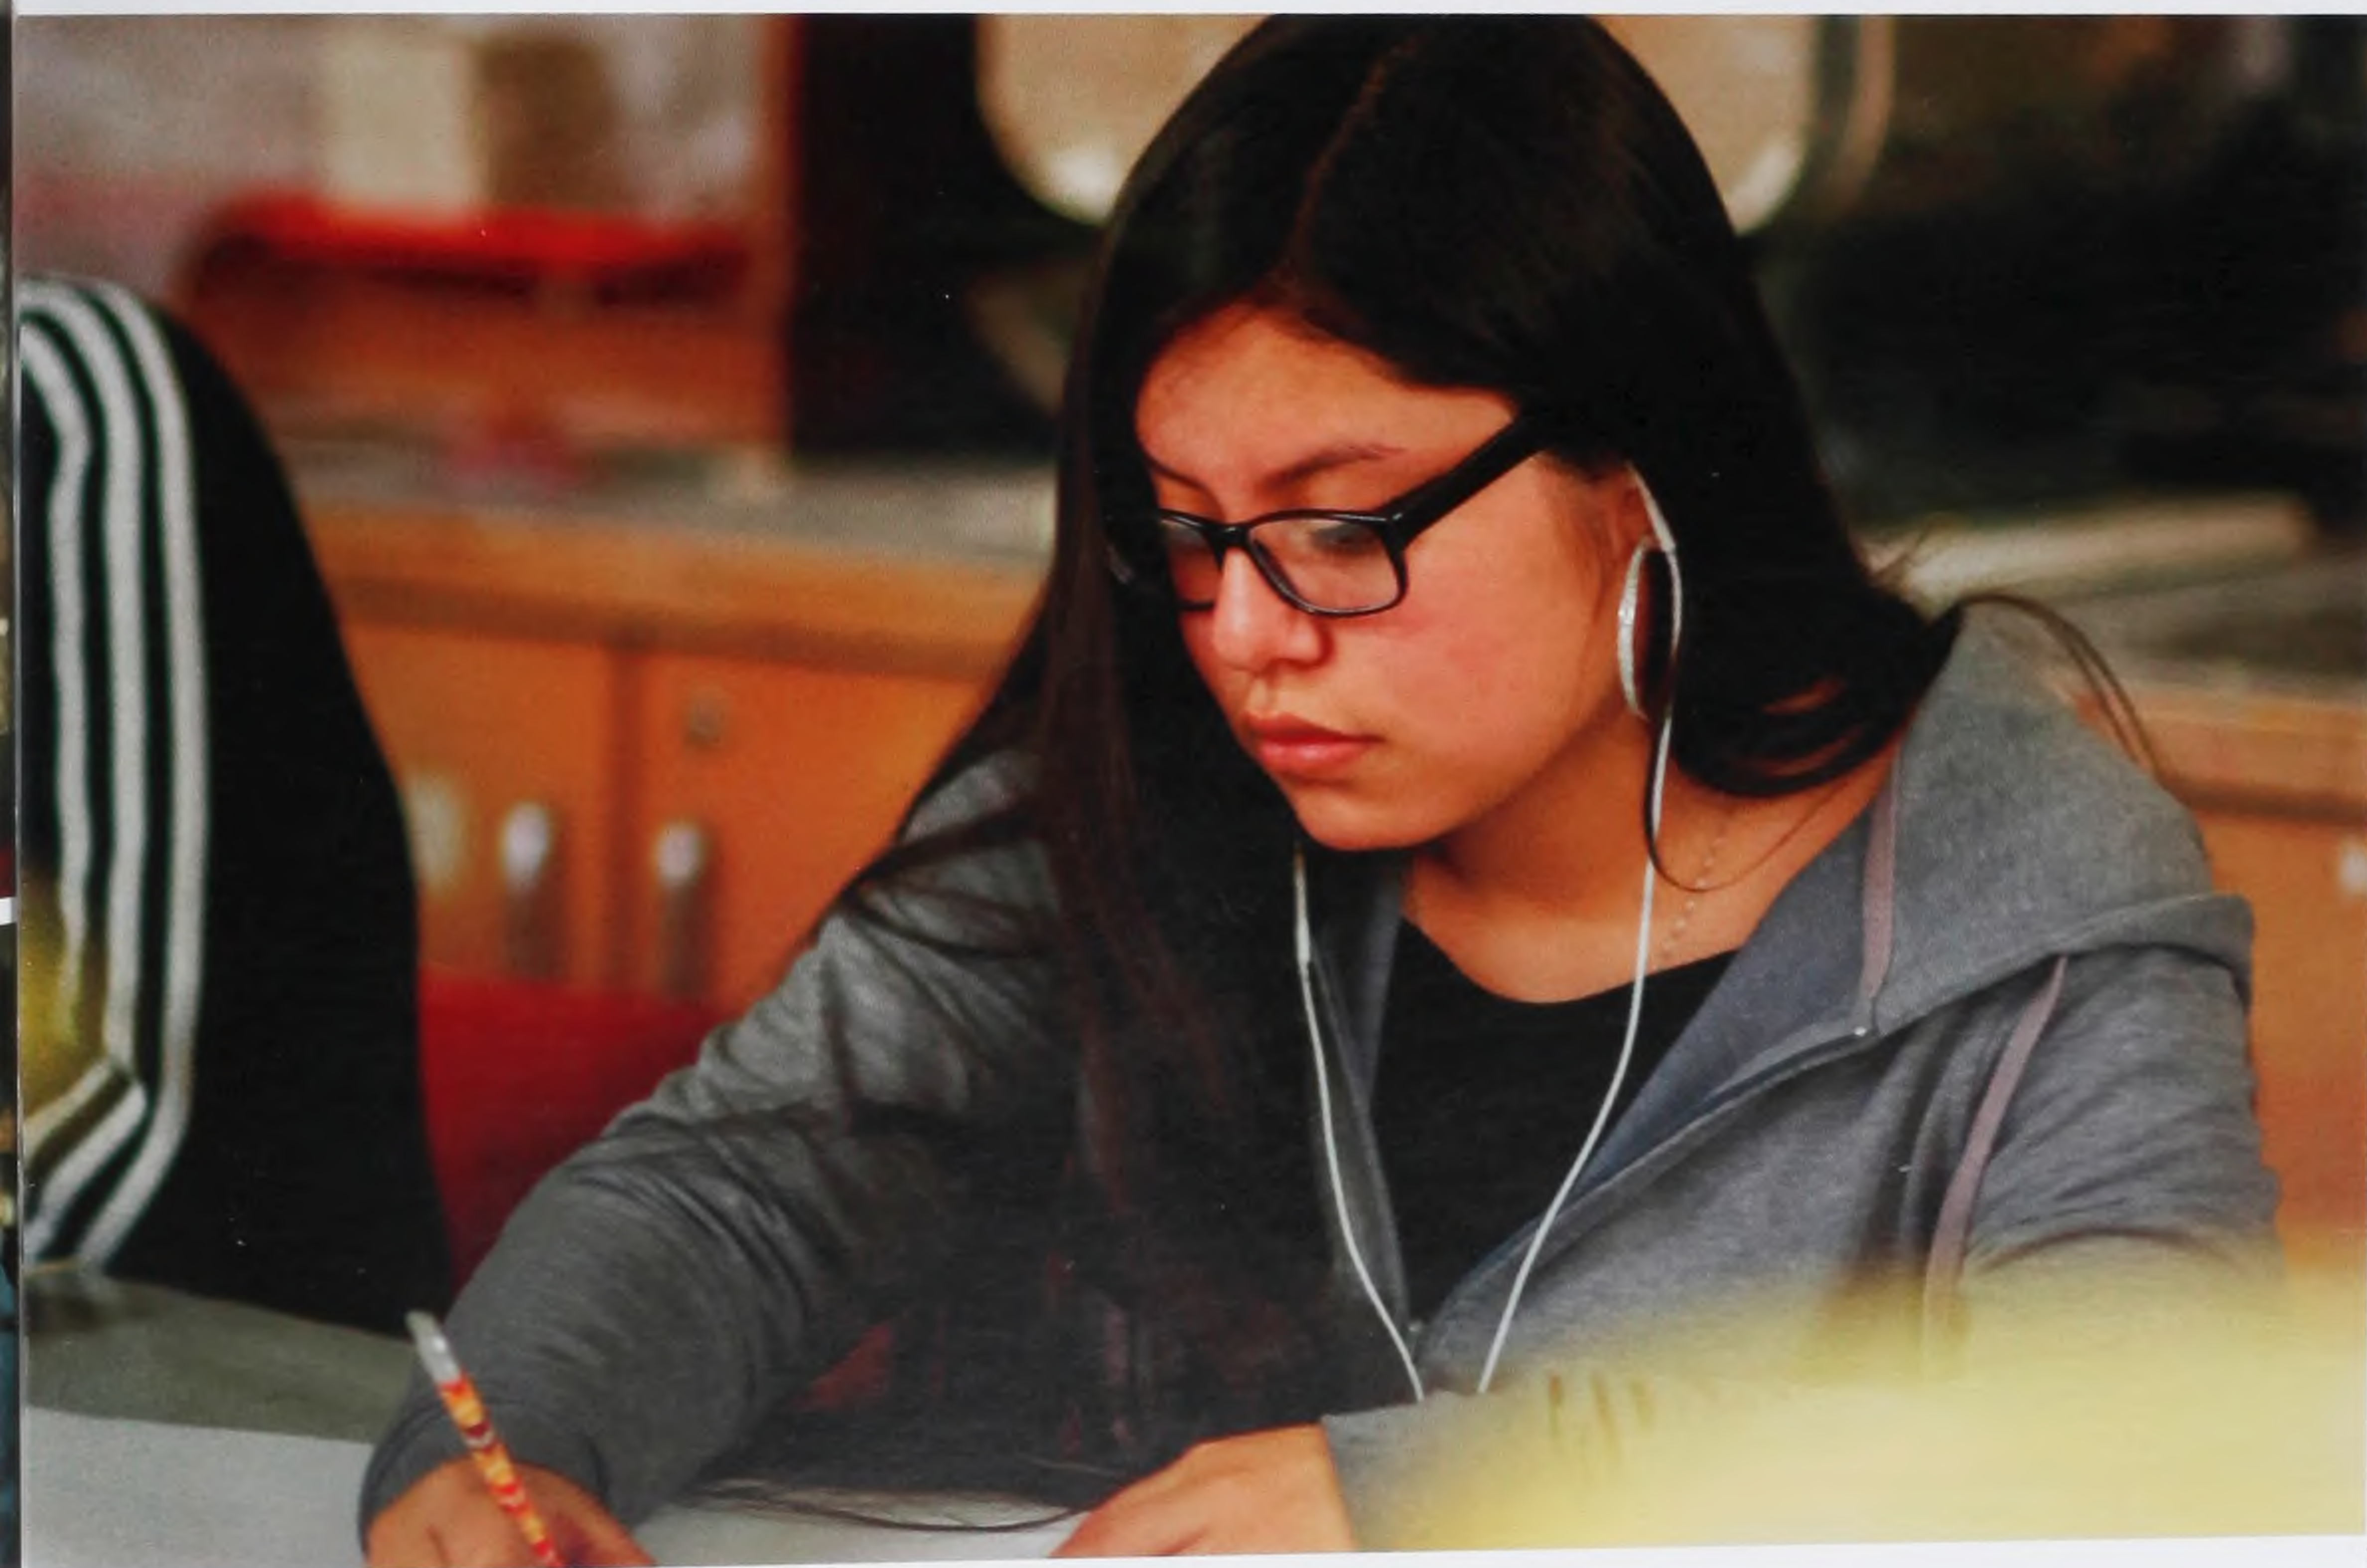

ACADEMICS & ELECTIVES

Art

Mr. Rozewski teaches his students how to express themselves through paintings, drawings, sculptures, and other mediums. "It's a nice class to wind down from my AP classes." -Miles Berry

Humanities

English, History and Social Sciences

Students took a trip with the English Department to experience the Oregon Shakespeare Festival in Ashland, Oregon. They enjoyed watching these historic plays and soaking in the atmosphere of sunny Ashland.

History gives students a chance to explore the past and learn about diverse cultures. Here, Mr. Dittmer's class engages in a moment of Zen, working on a group exercise exploring interesting Chinese traditions & philosophies.

"At Broadway Books, it was nice to come together and share our work! There was laughter and tears and cookies." -Hazel Curly

Spanish

Miss Benaziz creates a fun, supportive learning environment in her Spanish classroom. Students enjoy learning lingual and cultural elements about several Spanish speaking countries. Where else can you learn to dance the Flamenco at Benson?

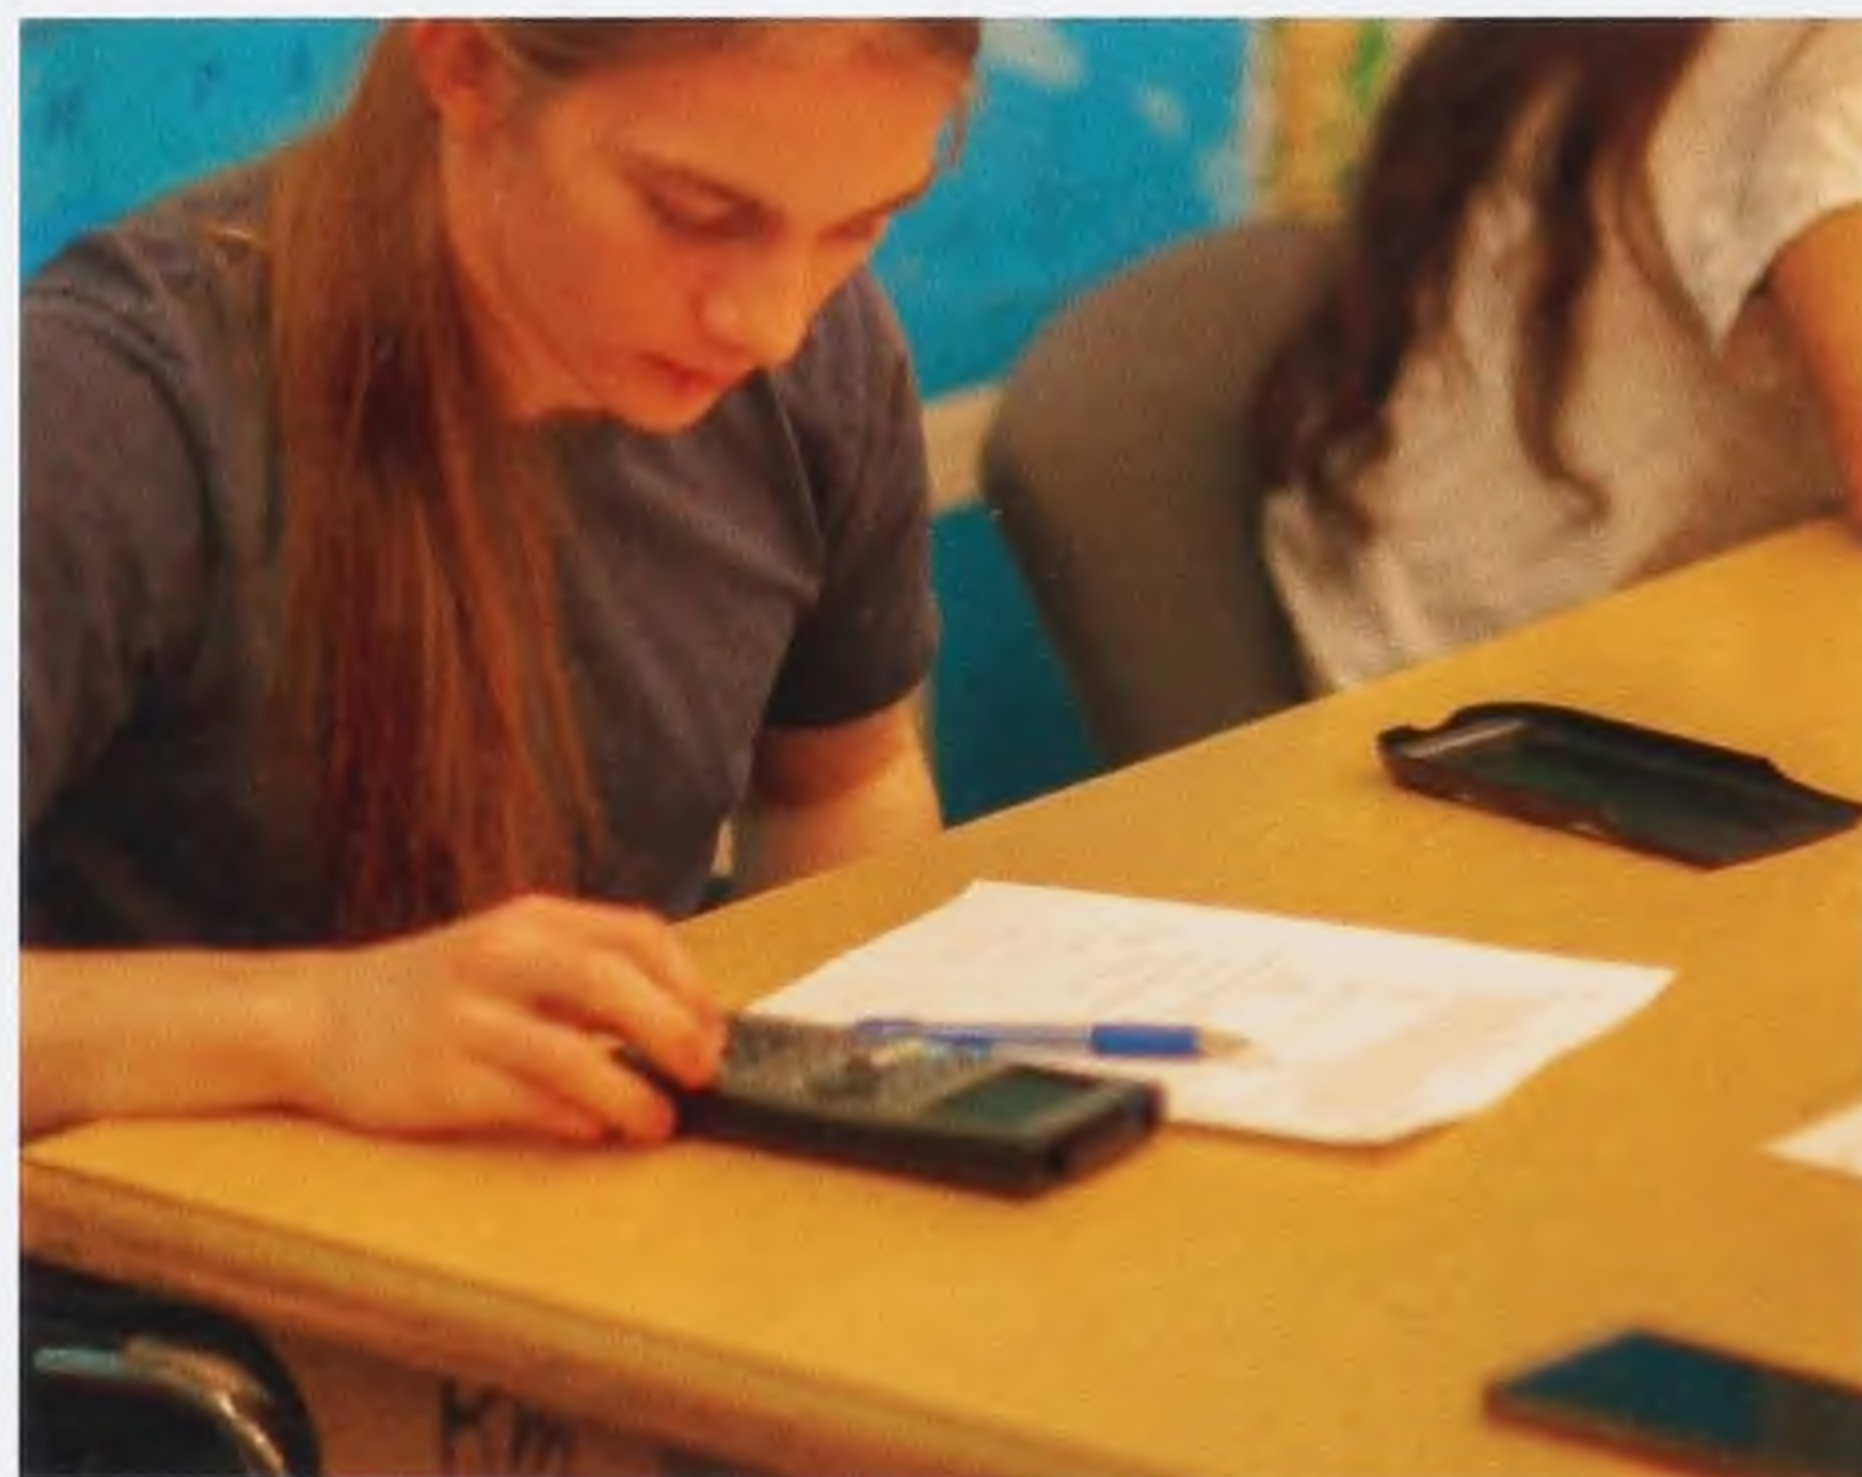

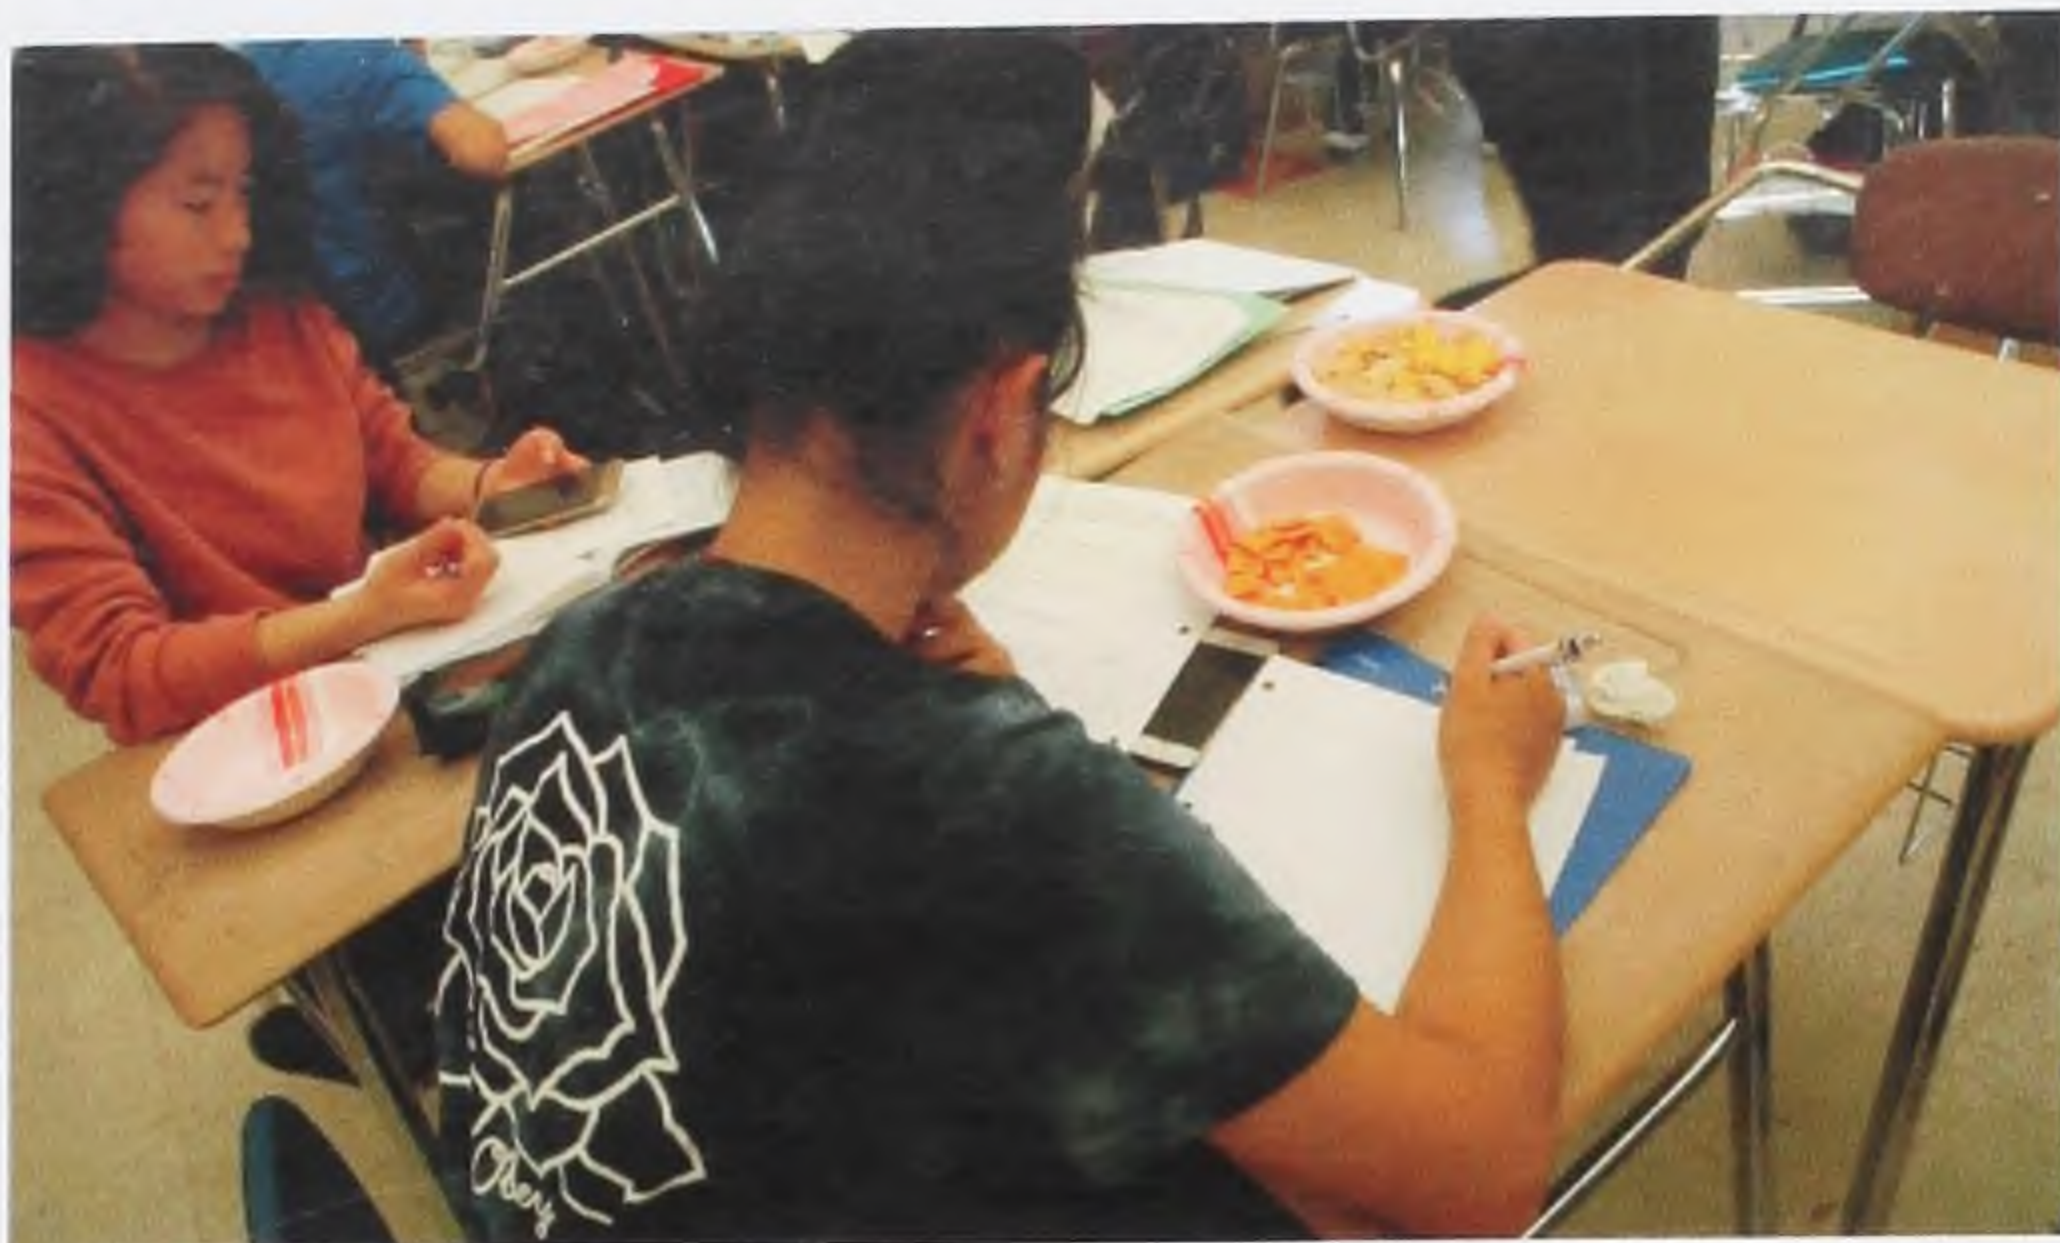

Tech Geo

Tech Geometry is Benson Polytechnic High School's innovative geometry class. This hands-on learning model helps students put mathematics into practice, applying theoretical concepts to construction projects. In this fun, interactive learning environment, students enjoy picking up a hammer and nailing it!

Math

From basic Algebra to AP Calculus, students have more fun learning math skills with friends through interactive projects. Study halls and snacks are a bonus!

Science

With a focus on labs and hands on activities, science teachers are making learning the building blocks of life and the earth fun.

Physical Education

P.E. gives freshman a helpful break from the stressful freshman year, while teaching life skills such as responsibility, hard work, fitness and teamwork. It also gives them a chance to work in the community to make it a better and healthier place.

Leadership

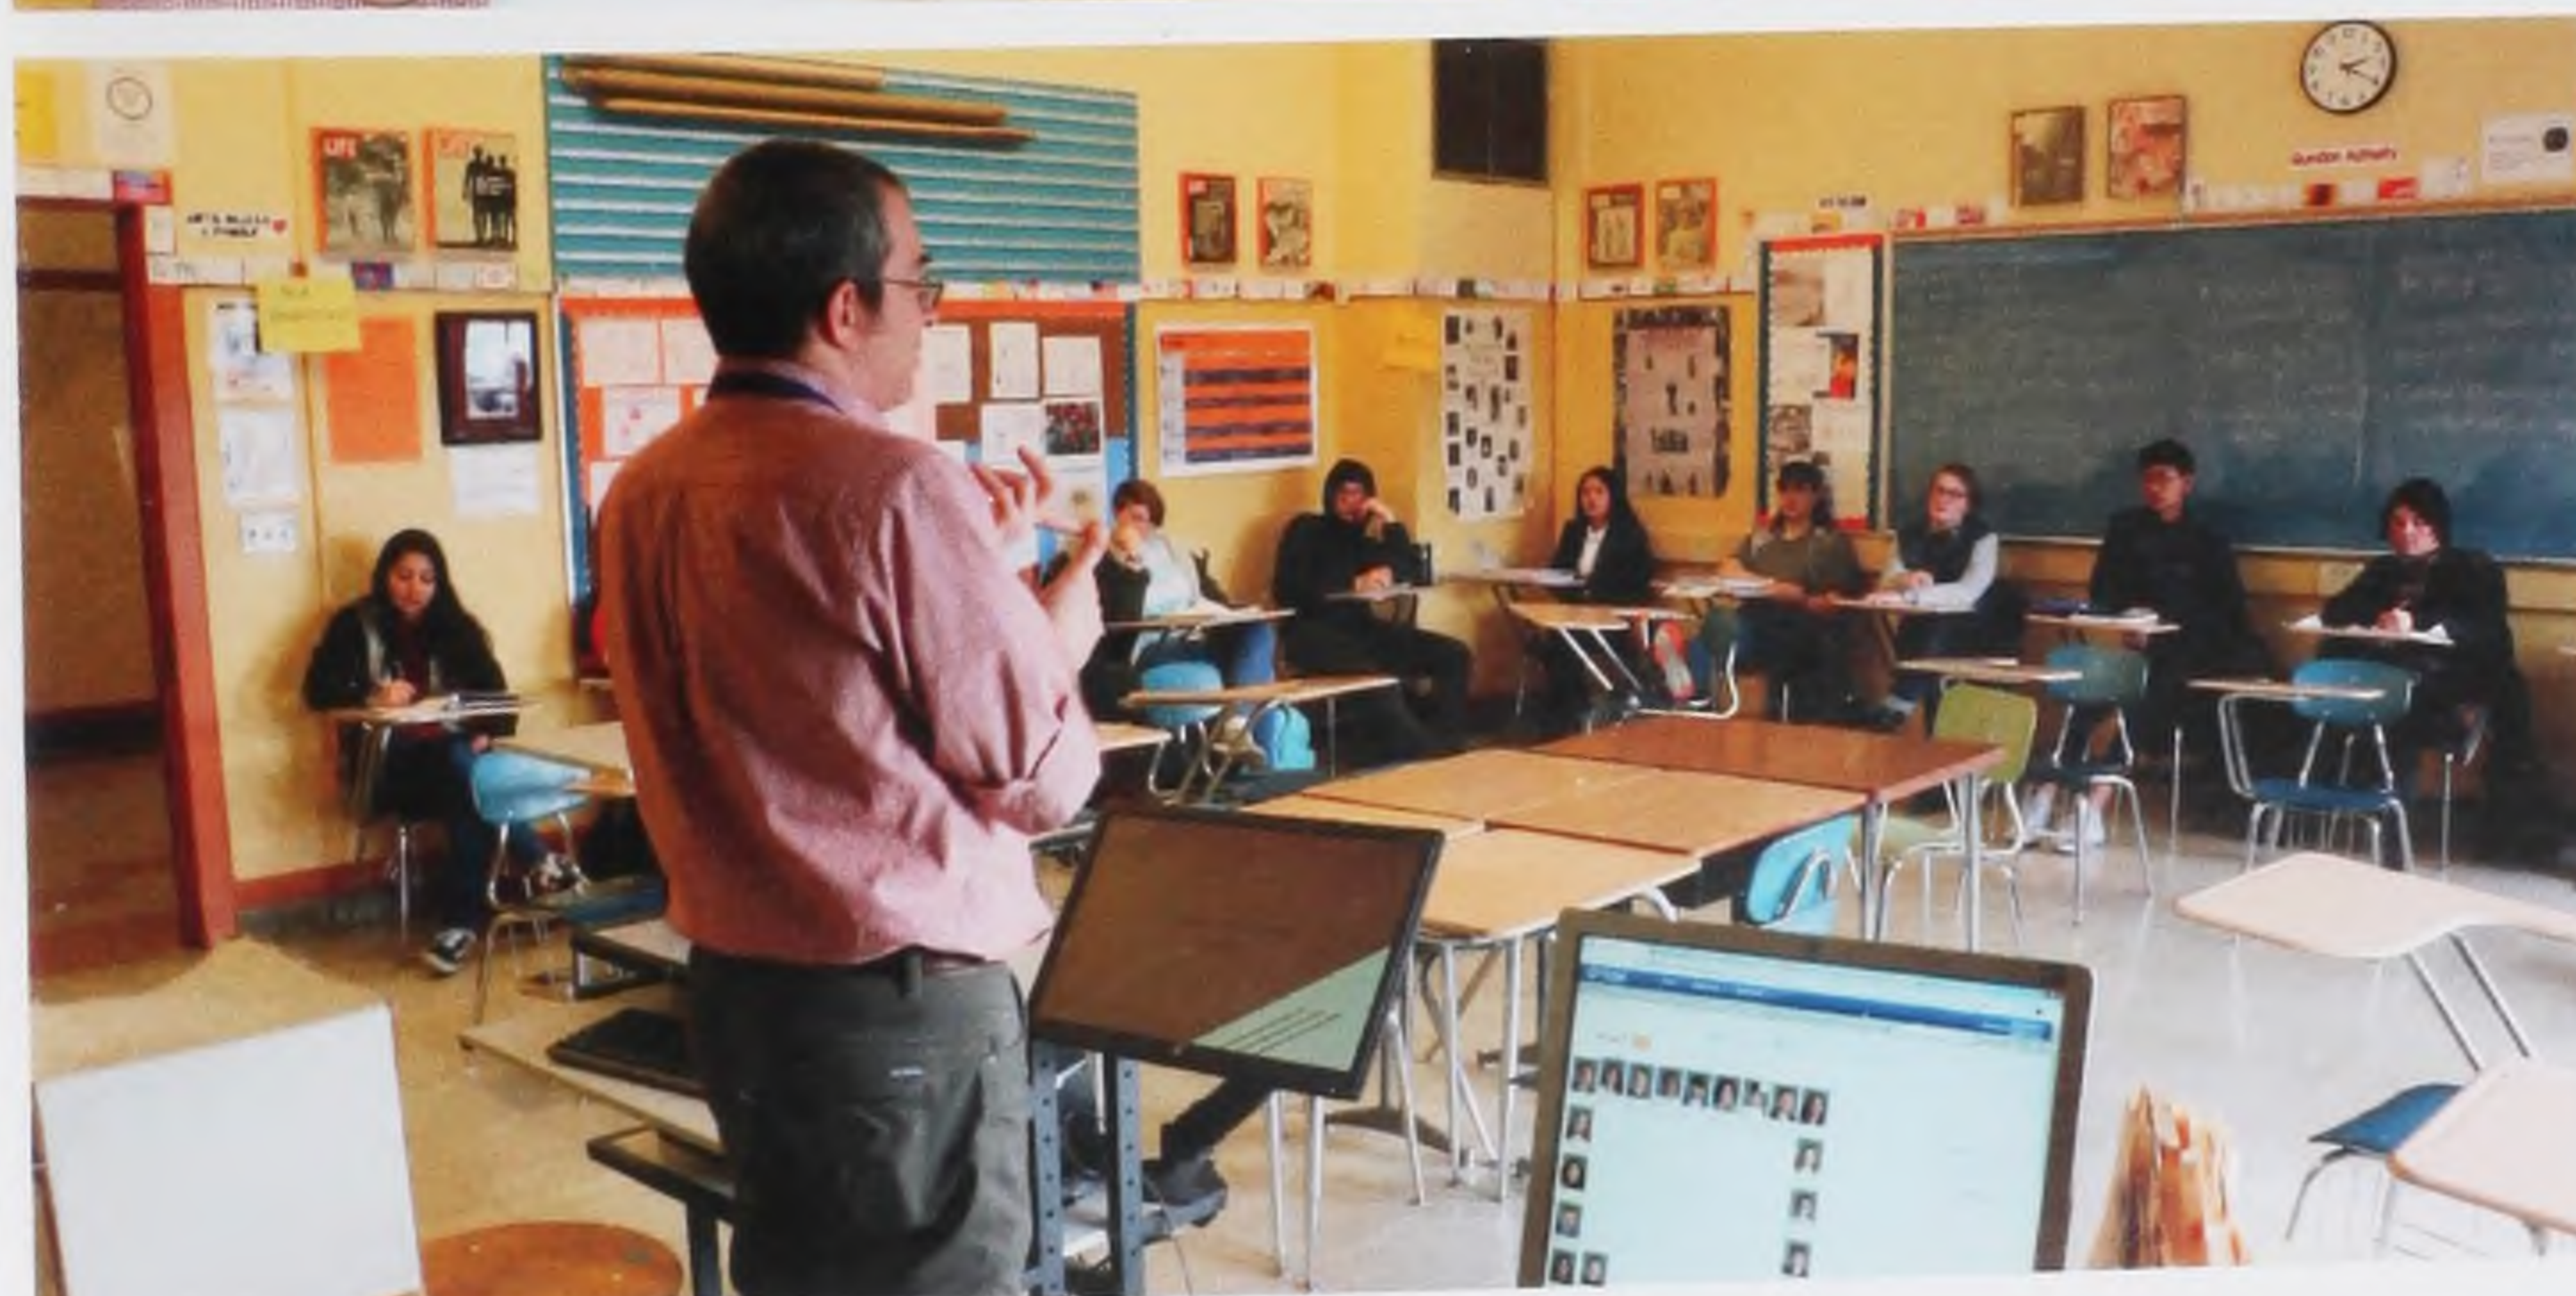

Leadership Students freshened up the Winter Assembly acting out skits reflecting our FRESH principles. Leadership brightened our halls with vibrant decorations, hosted Benson Bucks events, organized assemblies & dances. Great Teamwork Leadership!

Students enjoying the Leadership convention in Seaside.

Psychology

Mr. Weiner introduced psychology to the school this year, adding another fun elective. Lots of students enjoyed this class, studying human behavior and the mind. They learned why humans are the way we are and explored issues in areas like cognition, motivation and wellness.

COMMUNITY & CLUBS

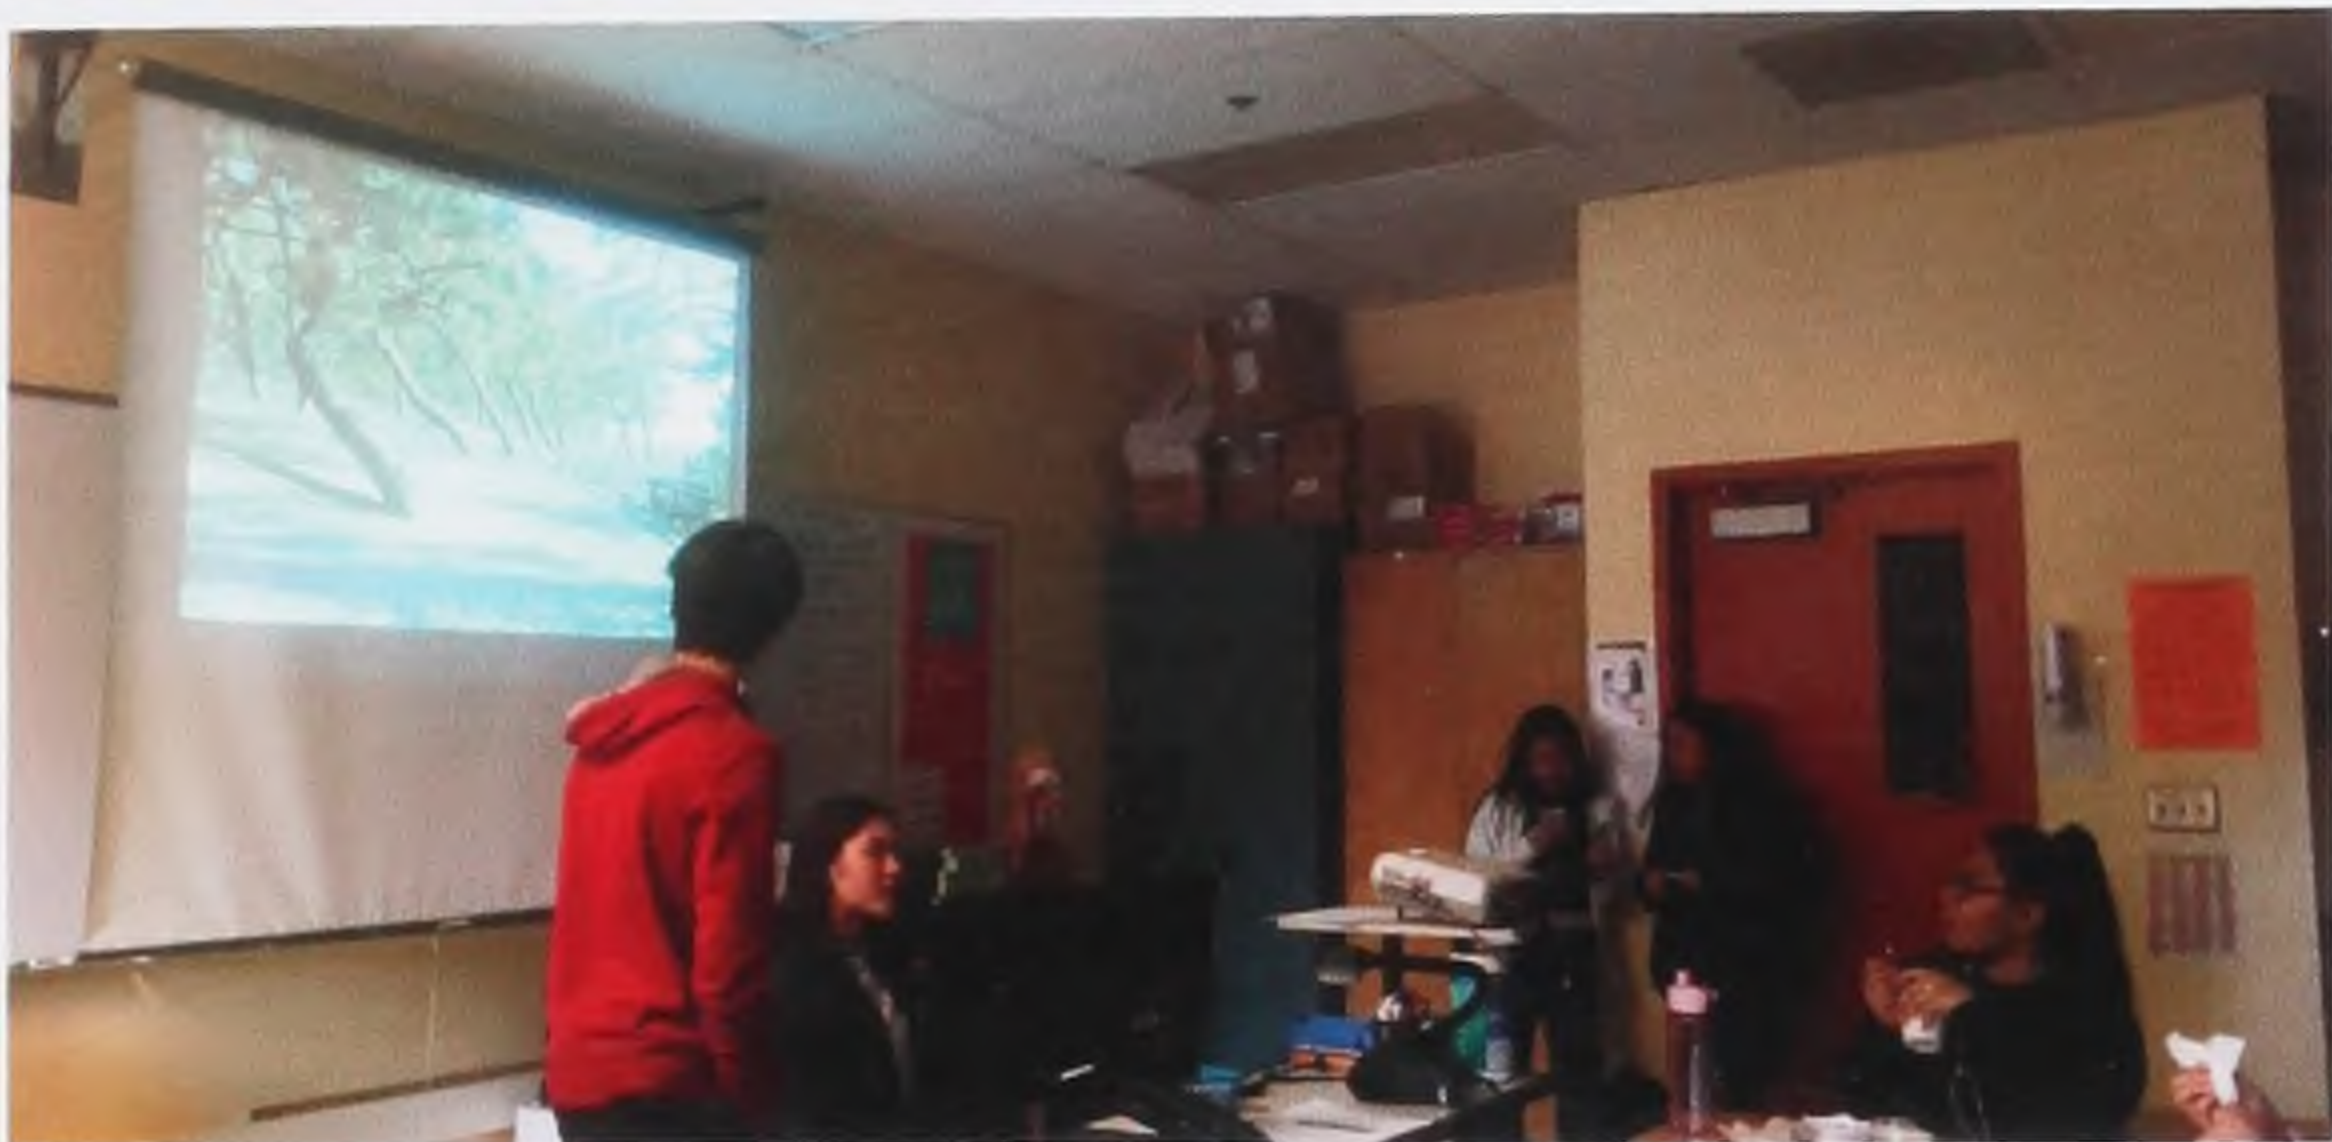

Benson's 99th Annual Tech Show

Benson's 99th Annual Tech Show had a great turnout, renewing community interest & Benson support for the future remodel. It was also a successful fundraising event for the majors and clubs! The Freshmen did an outstanding job transforming the gym into a fun center. Go Tech!

Asian Pacific Islander Club

API is a place where Asians and Pacific Islanders celebrate their cultural heritage together. Members enjoyed sharing traditional Asian cuisine with people at the Tech Show.

B.A.T.S Benson Auditorium Technical Staff

You may not see them, but they are there. The BATS crew makes assemblies and events run smoothly operating lighting and sound equipment. BATS is the oldest club at Benson, running since the 1930's. "It's helped me get a better understanding of what it's like to work with others towards getting things done."

-Axel Dole

Black Student Union

The highlight of the year for the Black Student Union students was the annual heritage college tour. Students visited Dillard & Xavier Universities in New Orleans, Louisiana. Through out the year, BSU students engaged in community events & outreach, raising awareness about cultural issues impacting our African American community.

C-Teen Jewish Student Club

Benson C-Teens is a Jewish youth group that focuses on education and supporting group members through cultural awareness. Speakers were invited to celebrate the holiday Chanukkah with members.

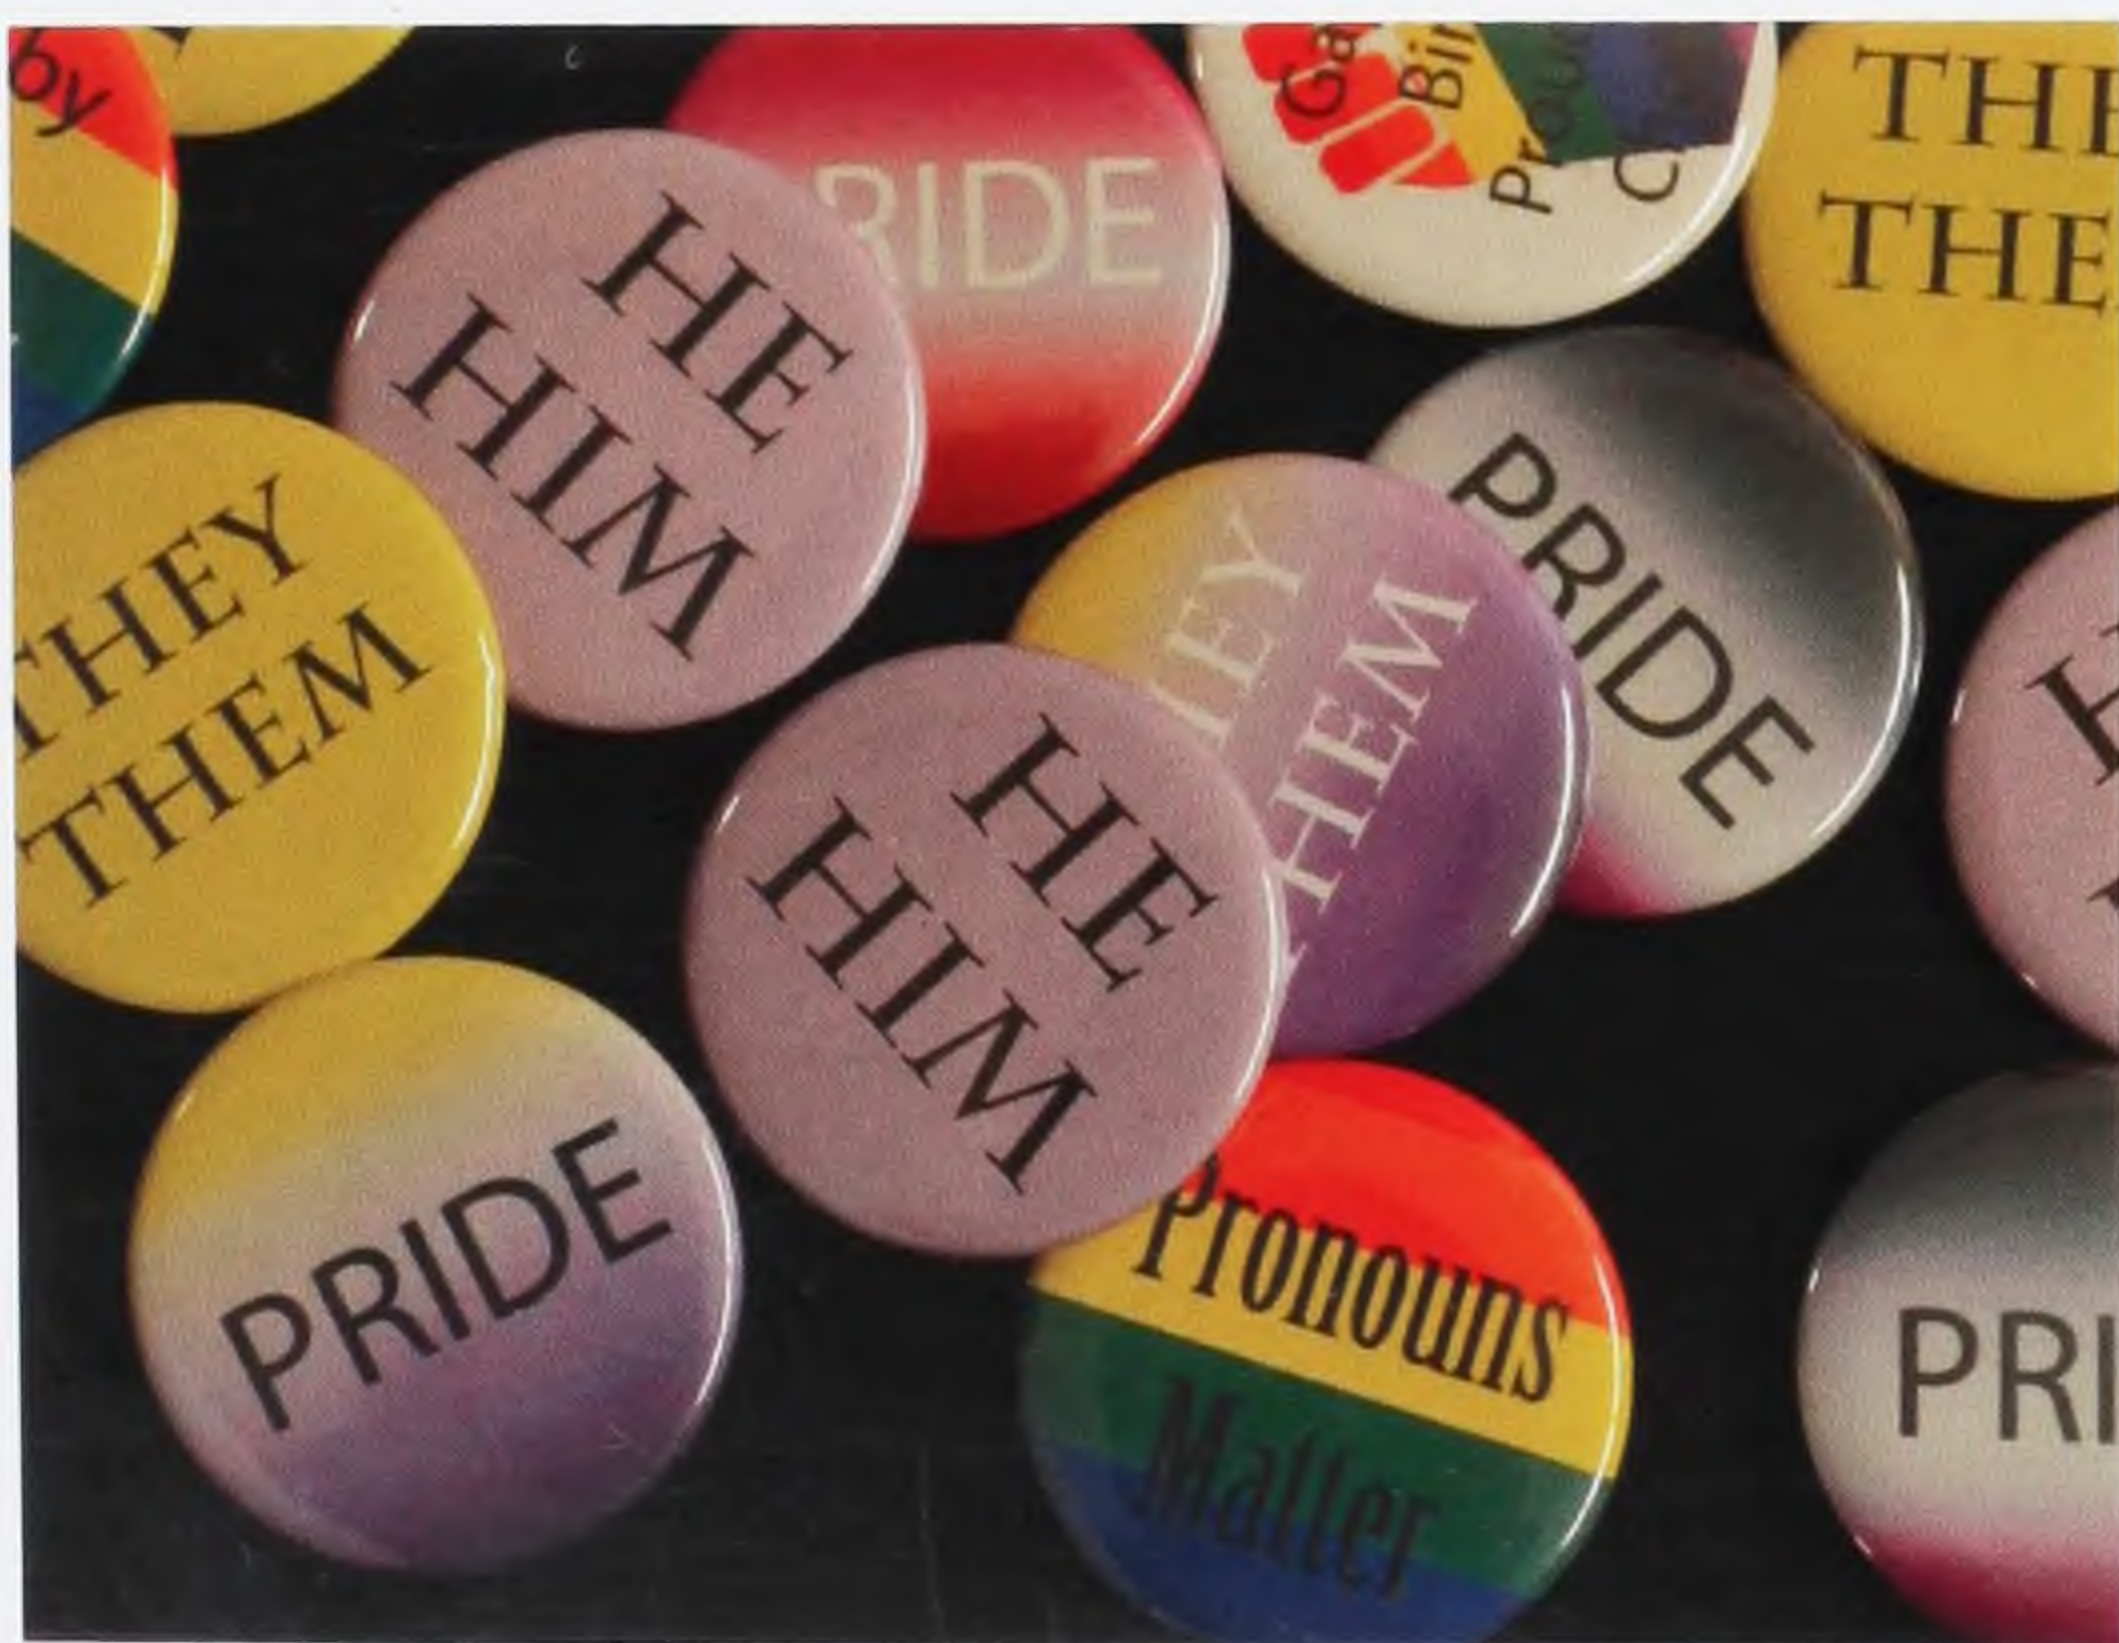

Eco Club

Eco Club has brought together a big group of environmentally conscious students with the common goal of bringing more green to the Benson campus. You can see their work in the courtyard between C wing and the forge building.

GSA

This year, the GSA focused on fundraising for local and national organizations that support LGBTQ+ issues. They sold hoodies and pins at Tech Show and have created a safe and caring community for students at Benson. GSA membership and support is growing fast, with dozens of members attending meetings and participating in events.

Key Club

"As a Key Club member, I have been able to grow not only as a leader, but as an individual. I had the opportunity to volunteer with my friends, meet new people, and go to a district convention in Seattle to meet other key clubs in the Pacific Northwest. The memories I have made in Key Club will always hold special place in my heart."

-Sophia Pham

MeCha

M.E.Ch.A. is an organization that seeks to promote Chicano unity and empowerment through political action. The acronym of the organization's name is the Chicano word mecha, which is the Chicano pronunciation of the English word match and therefore symbolic of a fire or spark; mecha in Spanish means fuse or wick.

Photo Club

Red Cross

Benson's Red Cross Club raises awareness about the importance of medical emergency preparedness in our community. This year, members were active making a difference volunteering in our community.

"I have grown so much as a leader and the members around me have put in hard work ensuring our community is taken care of."

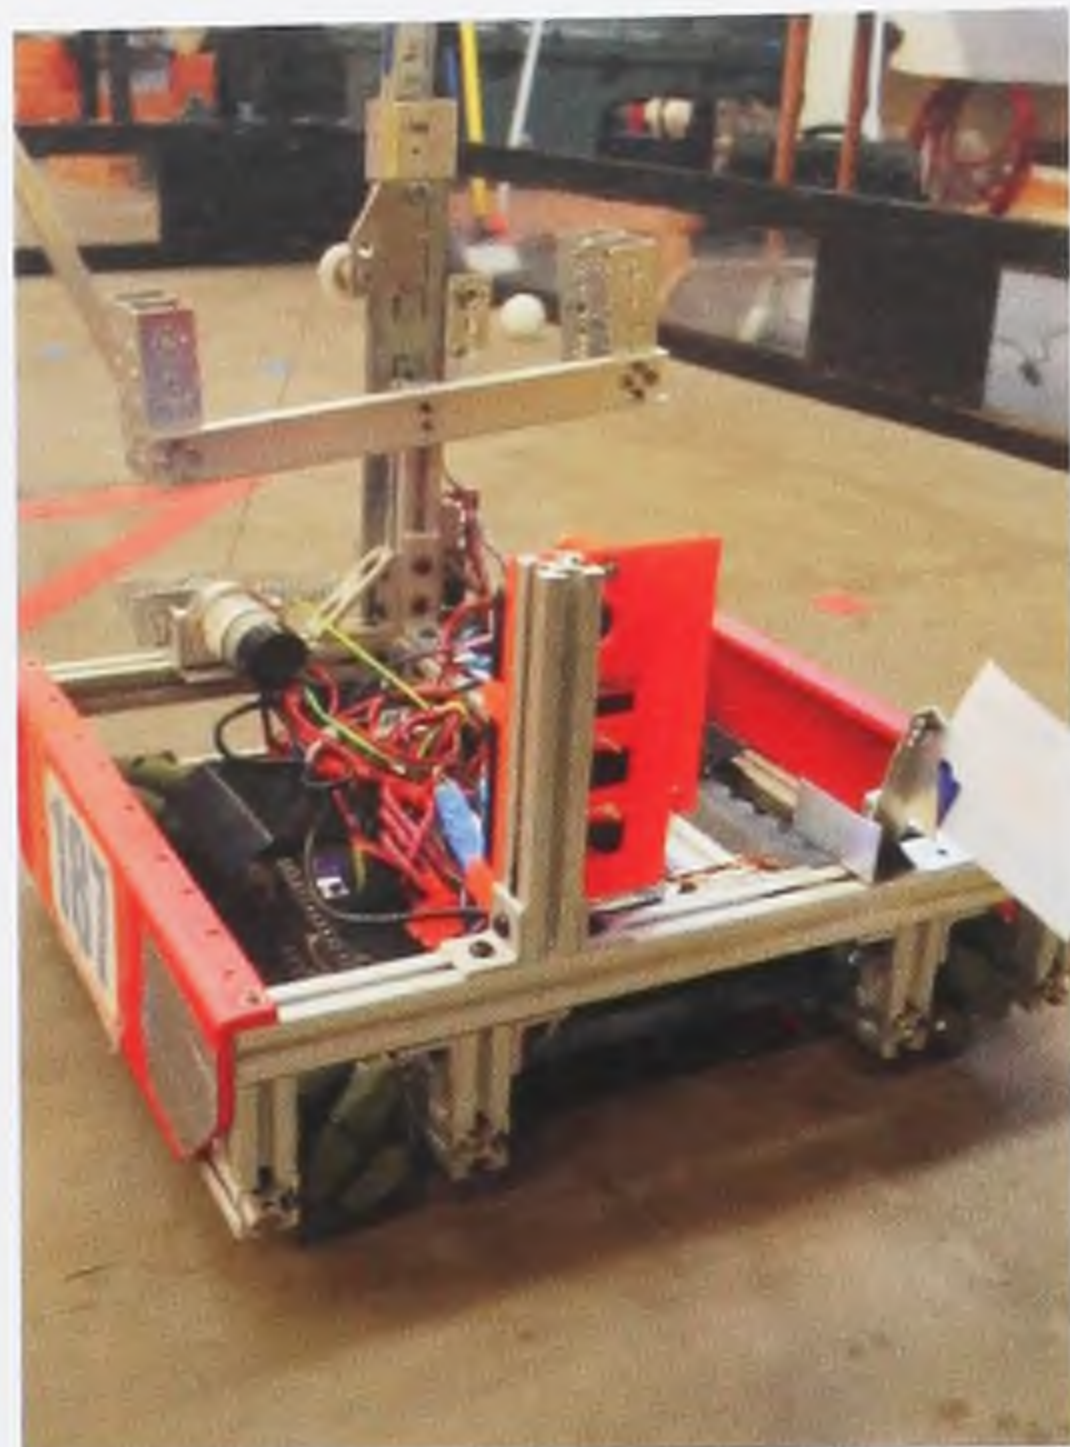

-Henry Nguyen (Red Cross President)

Skills USA

Several Benson students competed in the Oregon Skills USA State Championships. They participated in Carpentry, Photography, Architectural Drafting and Digital Cinema, demonstrating their expertise in their majors. Hali Tran & Conan Vu won gold in Digital Cinema & Cleda Hodes won gold in Photography. Ethan McMahan placed Bronze in Architectural Drafting. David Dihn and James Littrell also scored silver wins in Residential Wiring.

Robotics

Students took remote control getting hands on experience building robots & competing in tournaments. They demonstrated their latest creations at Benson's 99th annual Tech Show.

Tech News

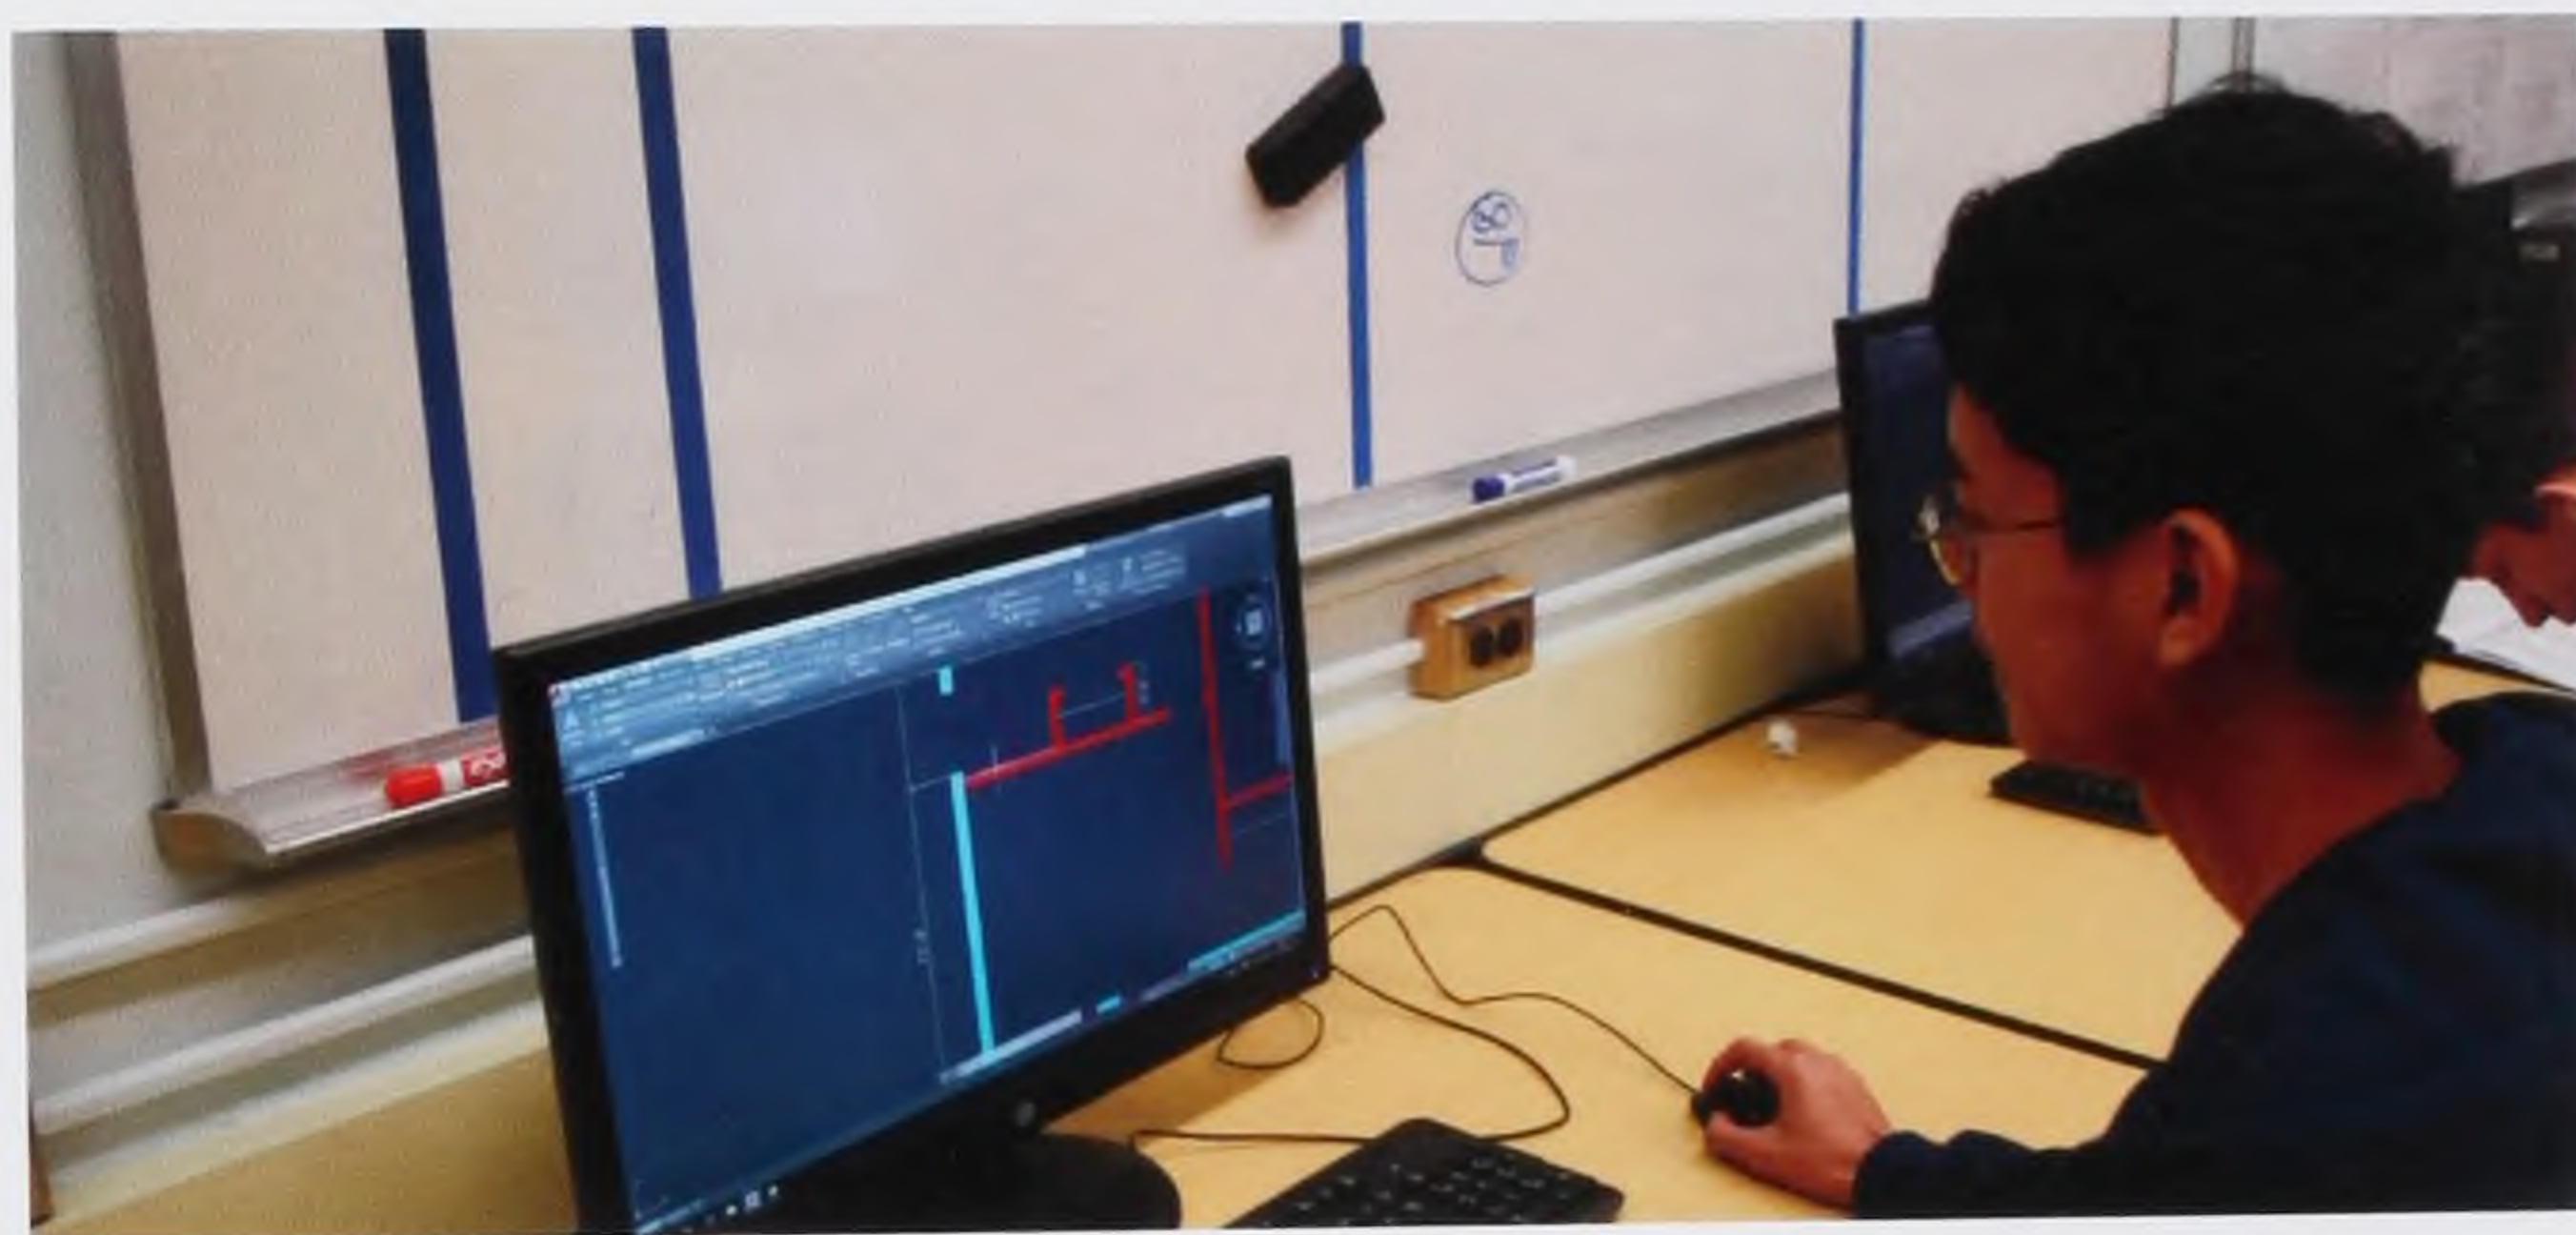

Tech News students covered school events, producing news stories reflecting Benson's Tech Pride. Students got a chance to get behind the lens learning about video production, reporting and editing for the program posted on Benson's Website.

Foreign Exchange Students

"Now I finally have an excuse when someone asks me why I carry a screwdriver around." -Emma Hentschel

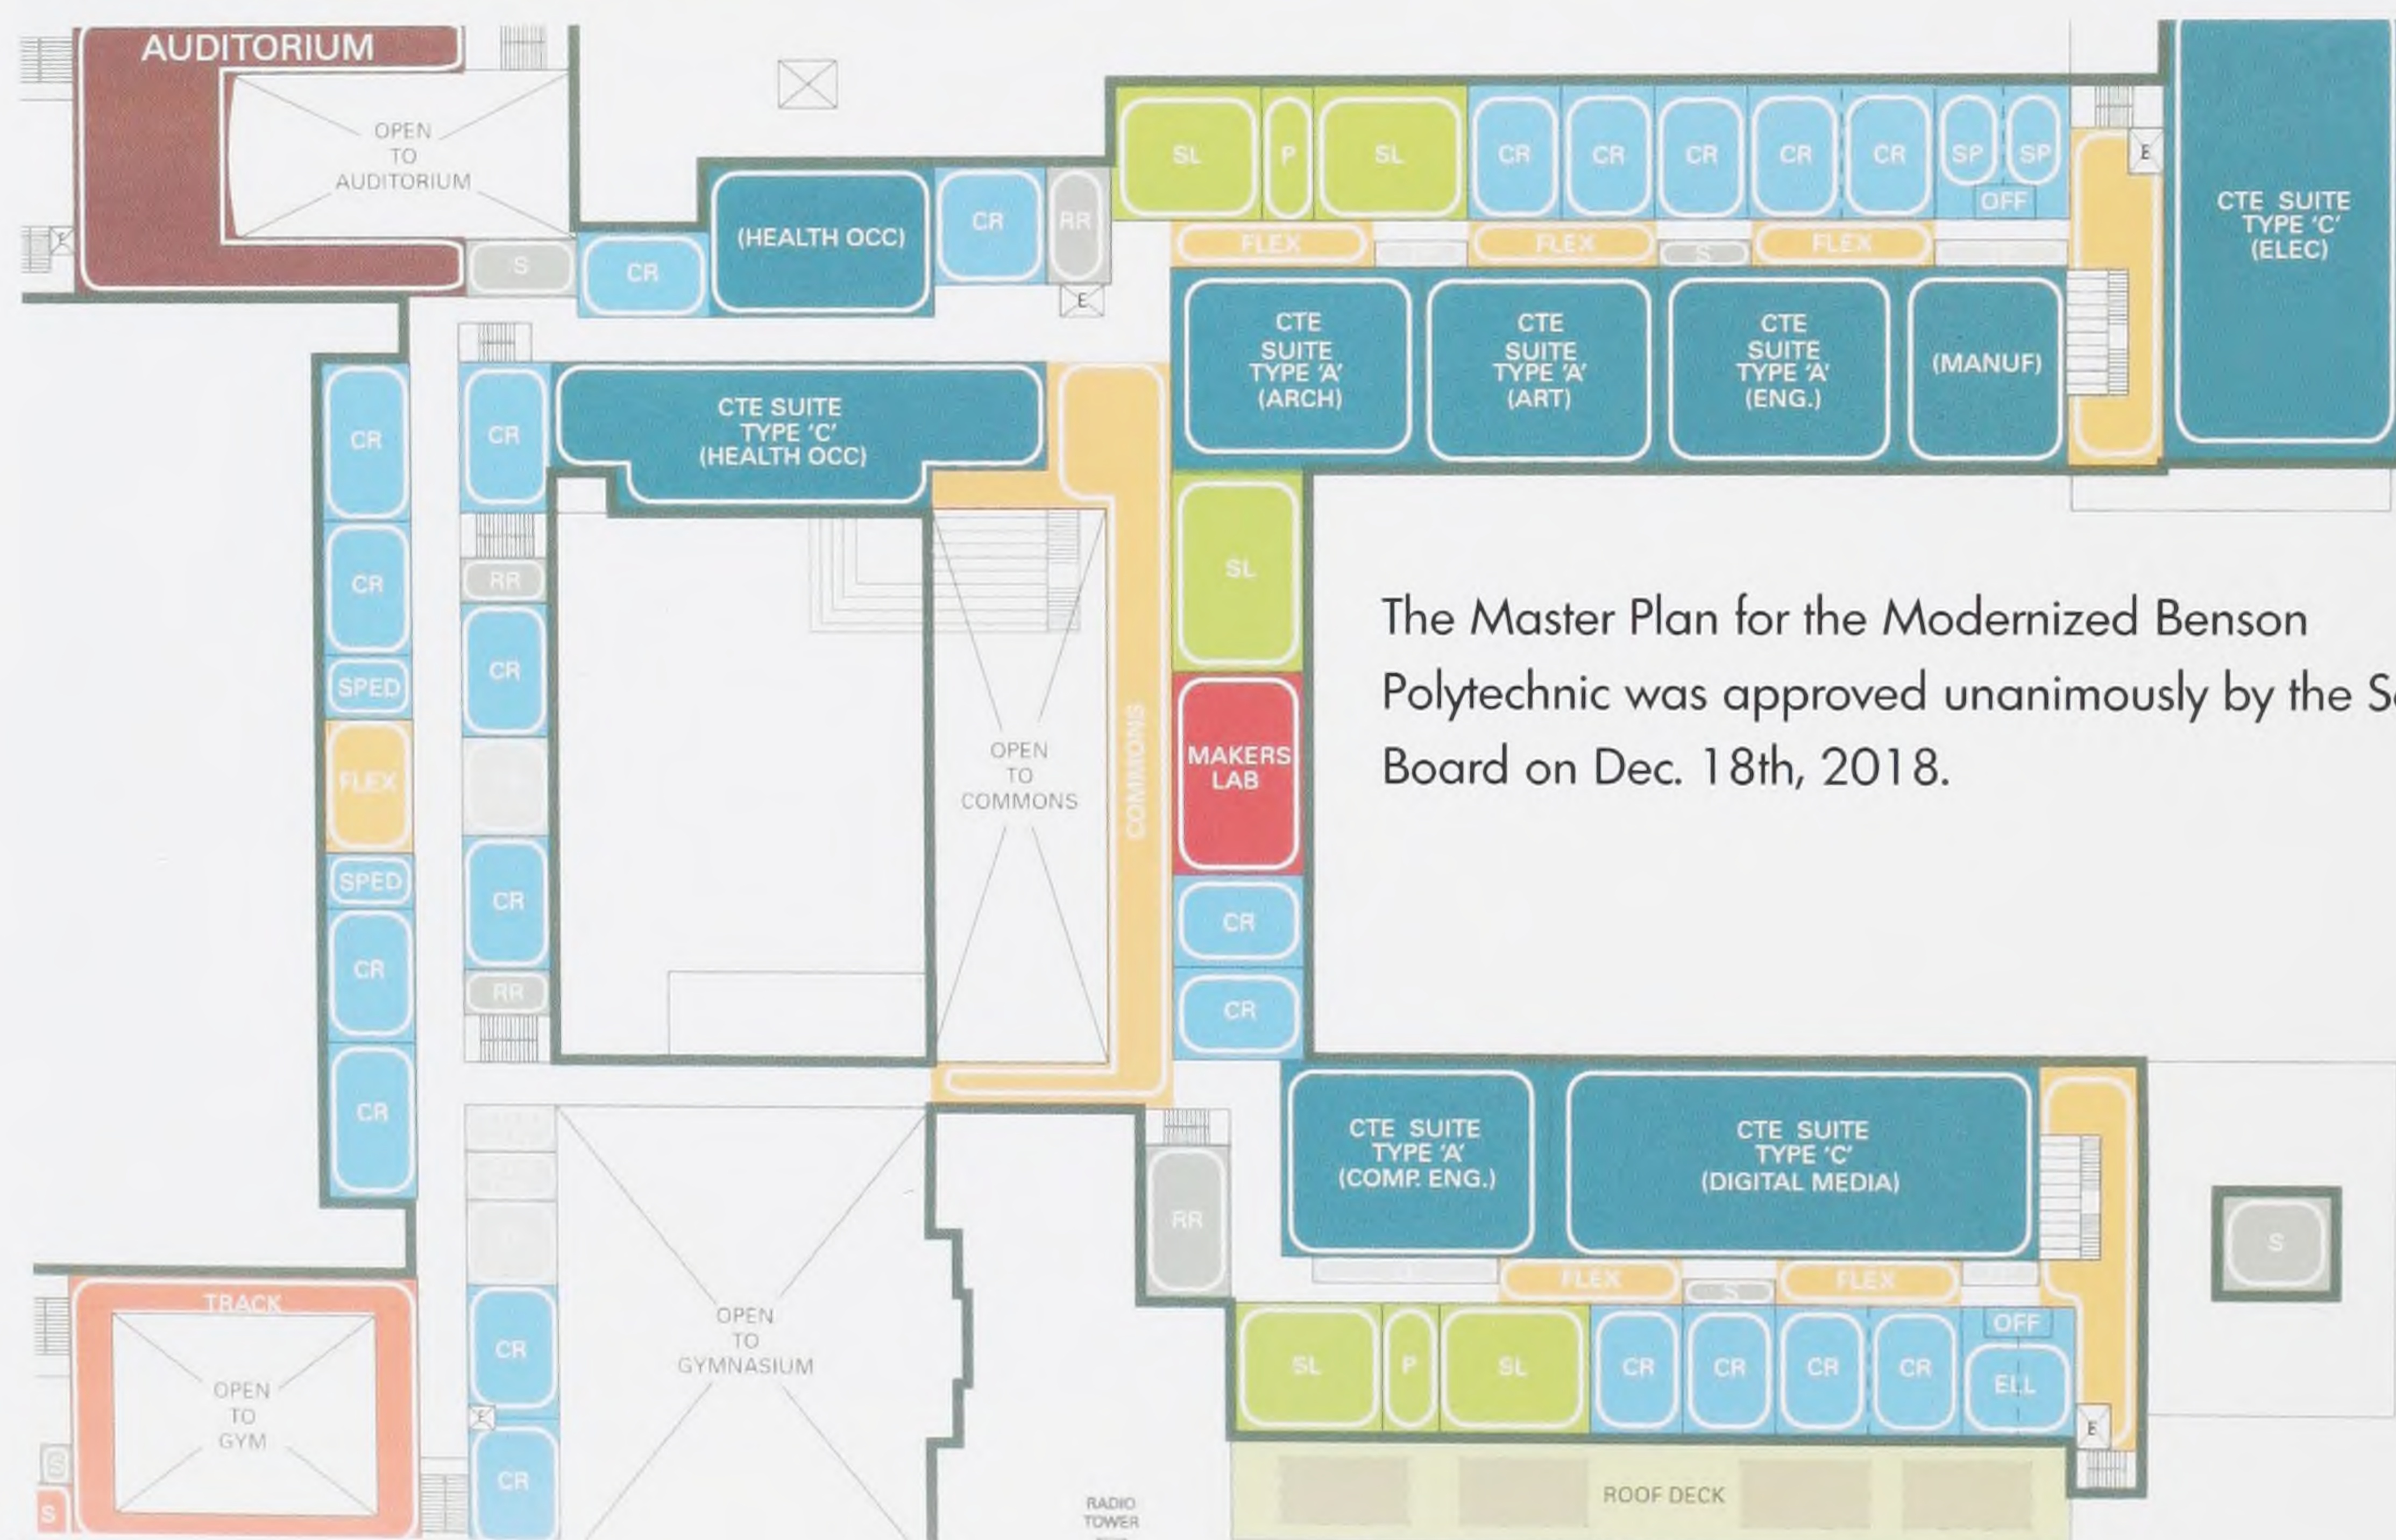

"My new life starts here." -James Boonjim

From the left: Jakob Sørvik (Norway), Luis Drewes (Germany), Eva Gaebel (Germany), Emma Hentschel (Germany), James Boonjim (Thailand), Make Sanphetch (Thailand), Koichiro (Japan)

Benson Remodel and Design Advisory Group

The Master Plan for the Modernized Benson Polytechnic was approved unanimously by the School Board on Dec. 18th, 2018.

The Design Advisory Group was a collective of Benson students, staff, alumni and community members that gave input on design elements for our future remodel. The group was led by Jen Sohm and Joe Echeverri of Bassetti Architects.

SPORTS

Benson Football

"With hard work, dedication, and positivity anything is possible. Being a Benson alum, the class of 06, Benson is my home. My goal as a coach is to give the student athletes the same great experience I received playing sports at Benson. GO TECH!" -Benson Football Head Coach Mychal Gann

"From my first catch to my last, football taught me to never stop pushing for something greater." -Seven Antoine

"They had us in the first half, not gonna lie." -Andrew Ketah

Volleyball

"These girls are the family I've always wanted, the sisters everyone would want, and the friends everybody deserves. I don't know a better team." -Jamie Nguyen

On the left, Sophia Miller has just made a game-winning point. Benson's volleyball team is lucky to have her.

Women's Soccer

"Playing soccer has always been a constant in my life. Soccer is a language I've grown up speaking. It's truly an international sport, and a fantastic way to find connections," Junior Hazel Curley O'Malley

Men's Soccer

"It's an honor coming back to BHS and coach the younger generation. Its amazing to see that the school spirit has not changed," Eduardo A. Perez, Benson Soccer Coach and Benson Alumni 2015

Cross Country

"For a sprinter the thrill is going fast, but for a distance runner it is the journey in between the start and the end." -Unknown

"We are basically a family and the energy on the team is always crazy and positive. I am by no means one of the fastest people, but everyone always supports me and cheers me on, which motivates me, especially when I am not feeling great." -Sophie Chin

Men's Basketball

Momentum and team synergy propelled the Men's basketball team into the first round of the state finals. Led by coach Earl Clark, the team showed off their skills, offensive game and competitive spirit though out the season. Thanks for playing great basketball Techmen!

Women's Basketball

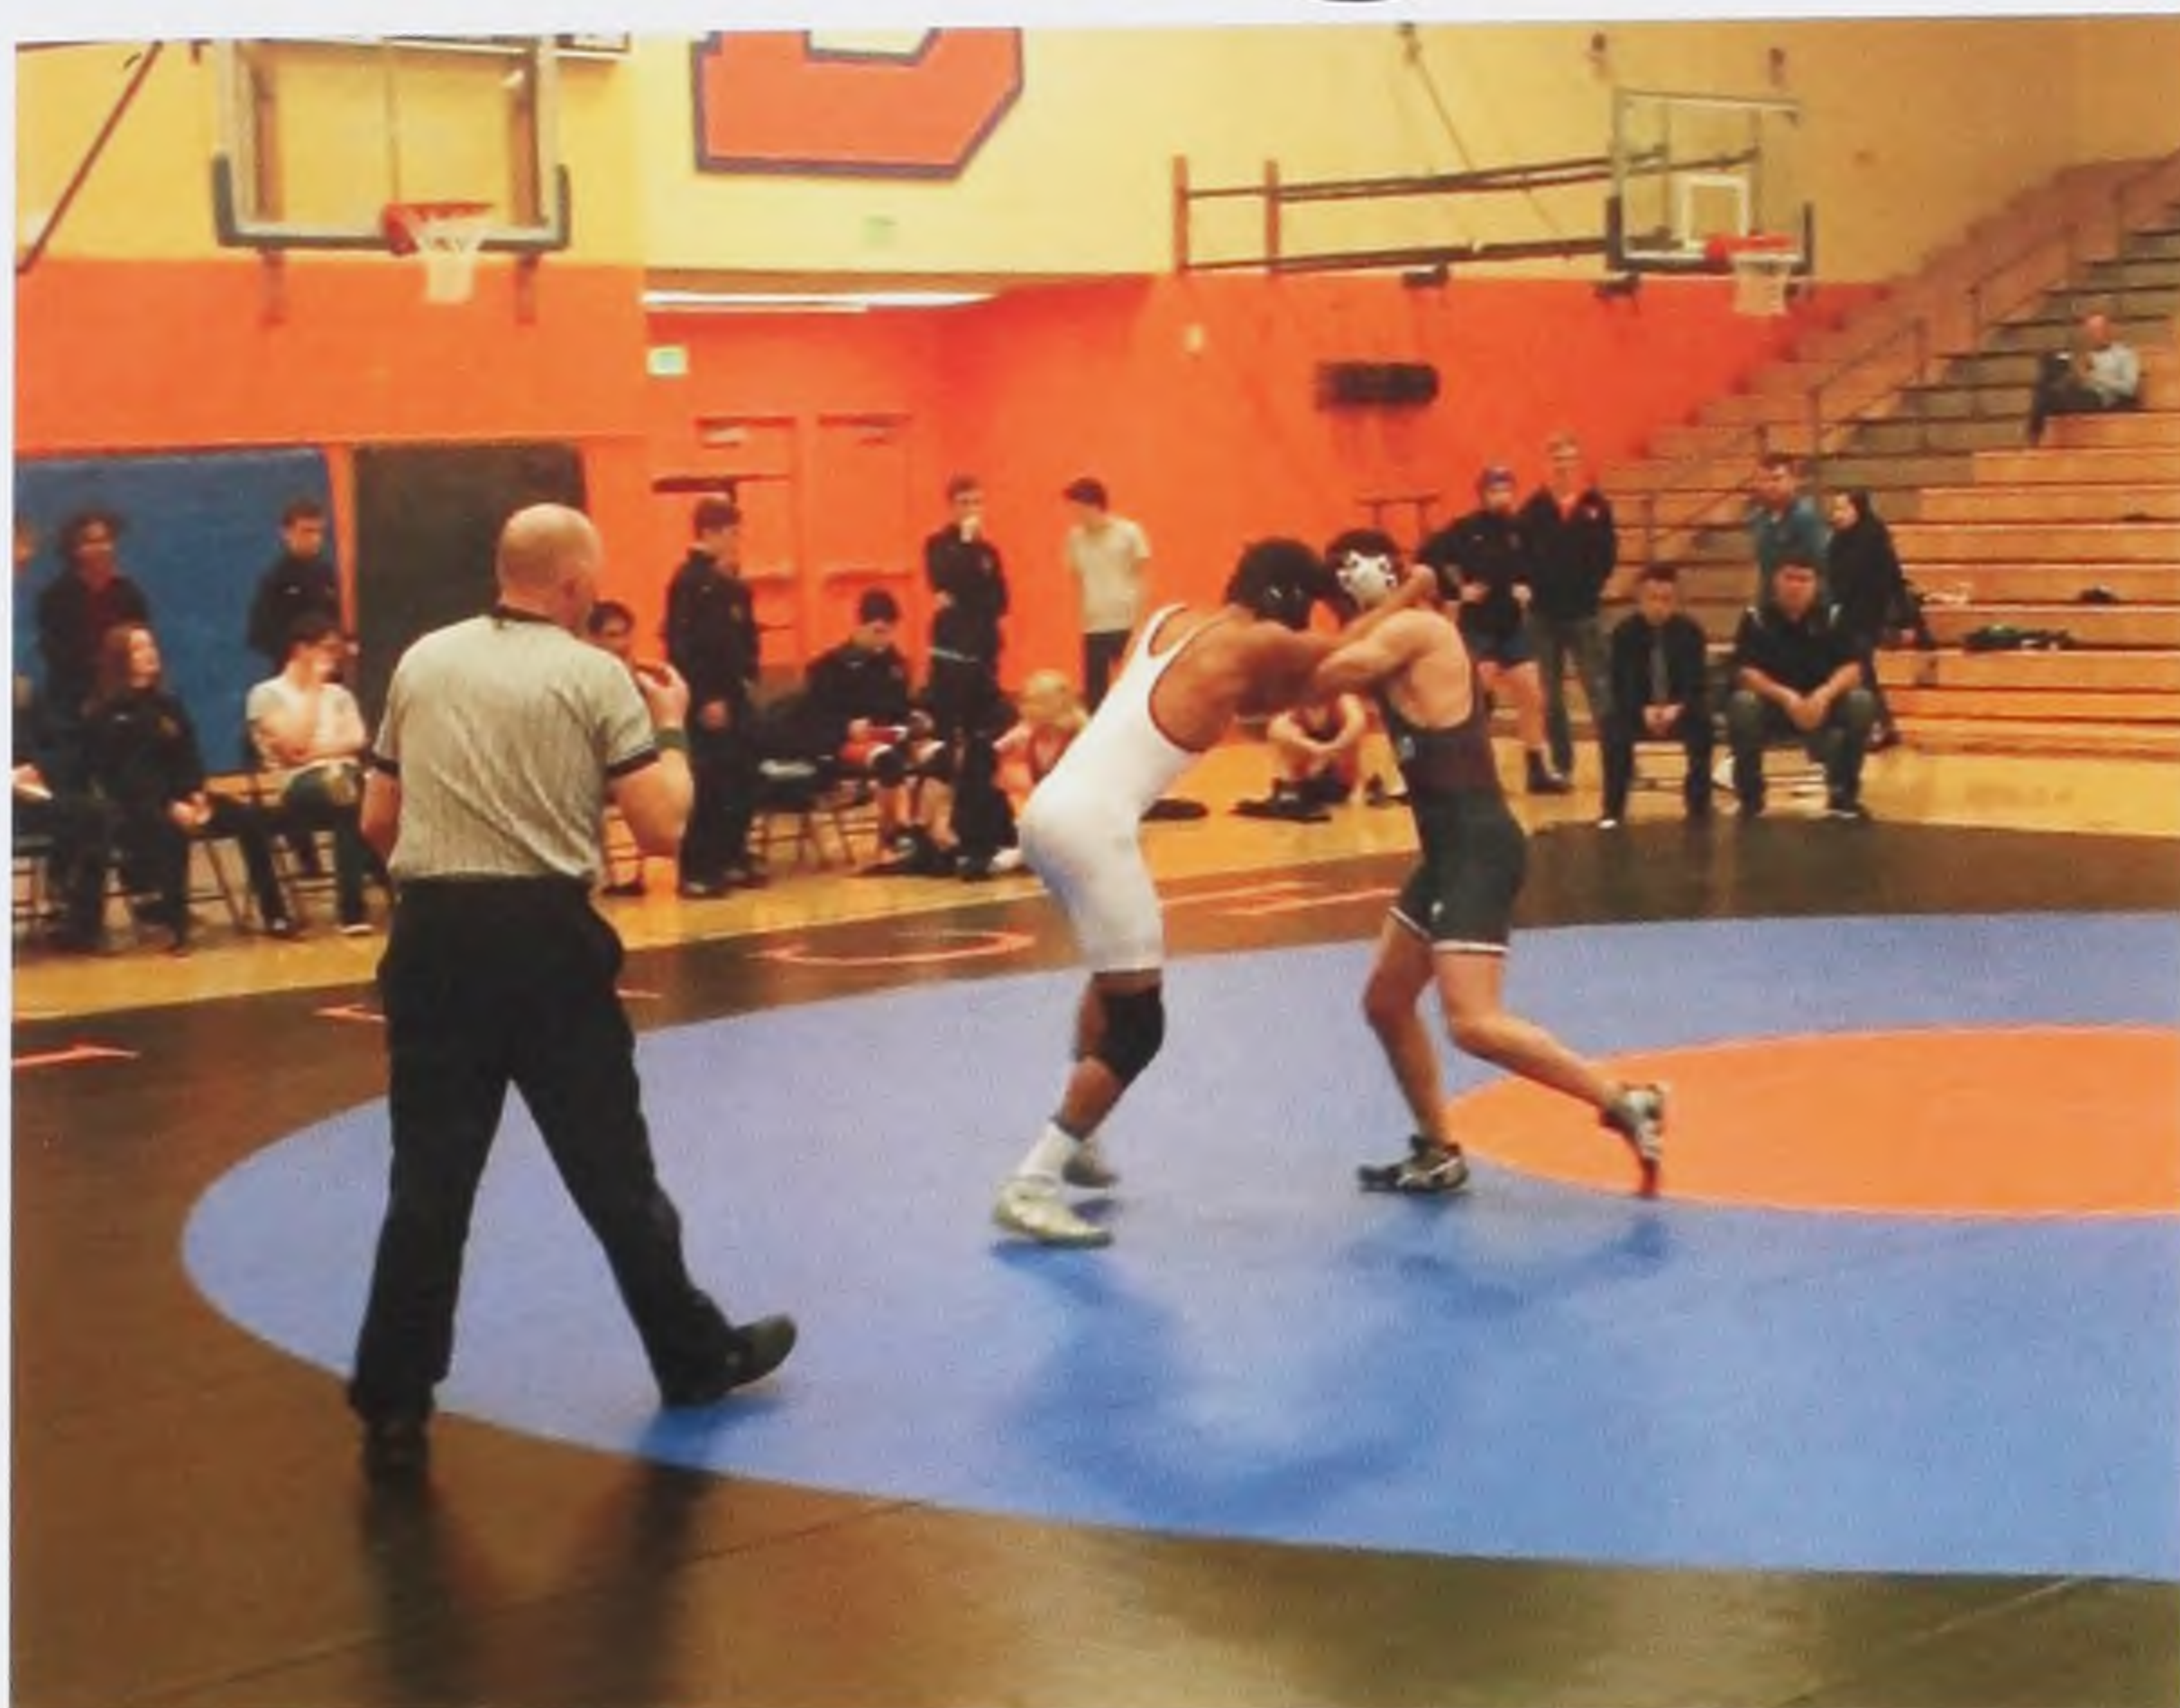

The Benson Techsters made history winning the 6A Basketball State Championships. The team perfected their offensive and defensive game this season delivering an exhilarating winning performance every game. It all came down to the final game victory over Southridge 66-42. Congratulations to Benson's Basketball Champions! Benson celebrated the Championship win honoring the team in a special assembly. (For more on Champions-pg. 74-75)

"Basketball is an escape from life, and your team is like a family outside of family."

-Kelaiah Castillo

Wrestling

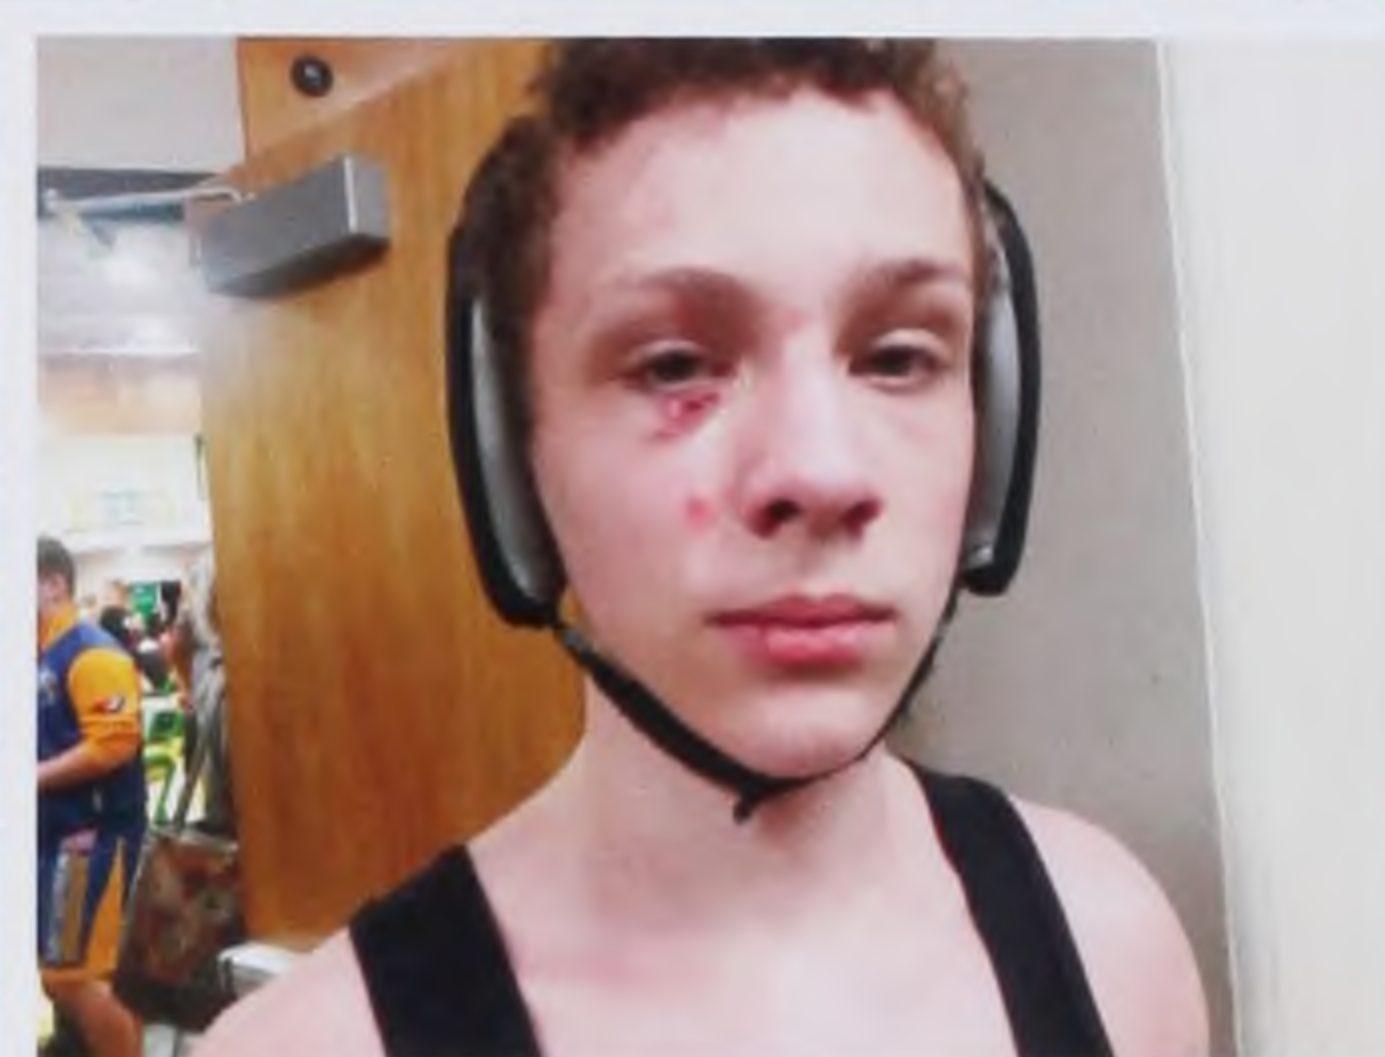

Benson's Wrestling team had a stellar season. Team members Brennon Feters along with brothers Albert & Henry Rice made an impressive showing in the PIL competition. Go Tech!

"Wrestling has helped me both mentally and physically. My teammates and coaches have, and will always have my back. I can always trust them to help me through rough times. Wrestling has made me a better person overall."
Jordan Tran

Track & Field

Benson's Micah Williams broke the all-time Oregon High School record in the 200 meters at the Arcadia Invitational in California clocking in at 21:03 seconds. Another standout moment this year for Williams was producing the best 60-meter performance in meet history in Idaho. He continues to impress audiences back home in Portland representing Benson Tech

Benson's Track & Field Team is like a family, supporting each other behind the scenes at practice and meet performances. It was great to witness a sea of Benson's orange & blue crossing the finish line first at track meets & shining in field events.

Women's Tennis

Rain or shine, Benson's tennis team came out in droves this year to represent Benson on the court. Members played with heart, enjoying the team's spirit, enthusiasm and energy with every serve. "Your karate's weak." -Marcy Nguyen

Men's Tennis

Cheer Team

The Cheer team continues to rally the crowd and be the driving force behind Benson's Tech Pride at school events. "The cheer team has grown stronger than ever before in this past year, with 3 trophies and some great memories with the crowds during playoffs," - Cheer Team member Lorasias Tooson

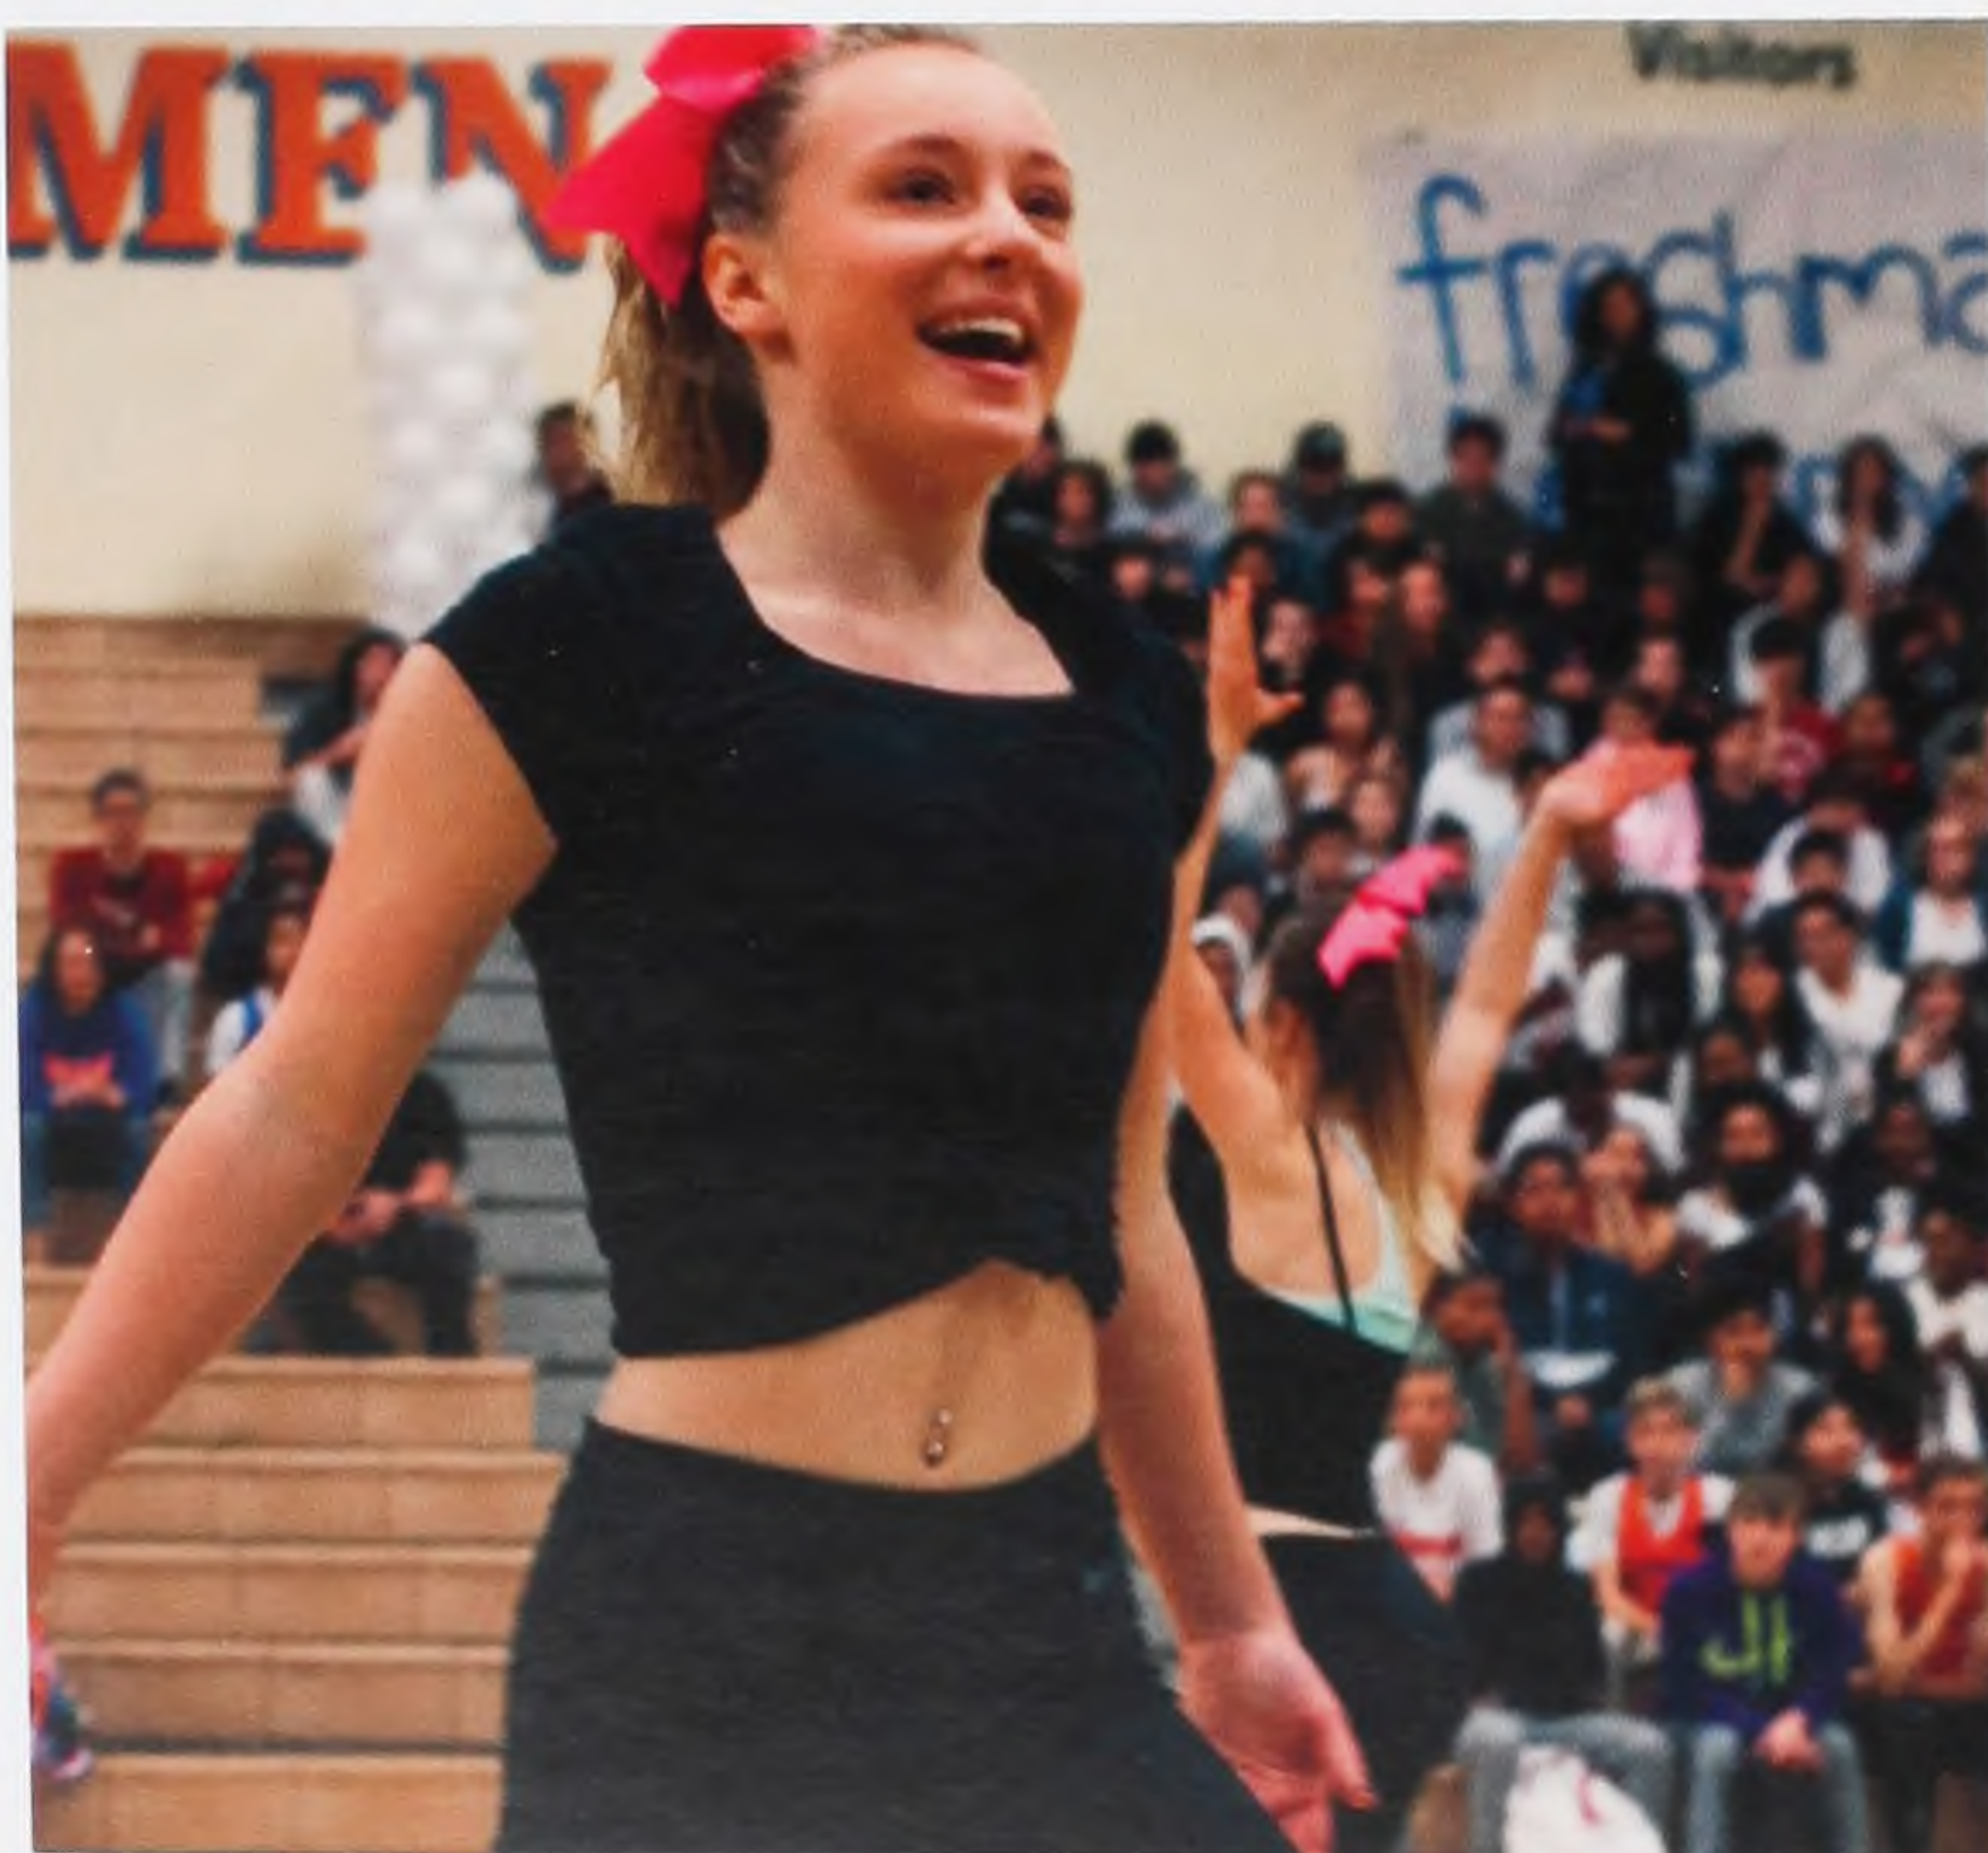

Benson Dance Team

"Dance by far has been my favorite part of high school. I'm so thankful for the opportunities it's provided me and for all the people I have met!" (Andrea Darke, Co-captain)

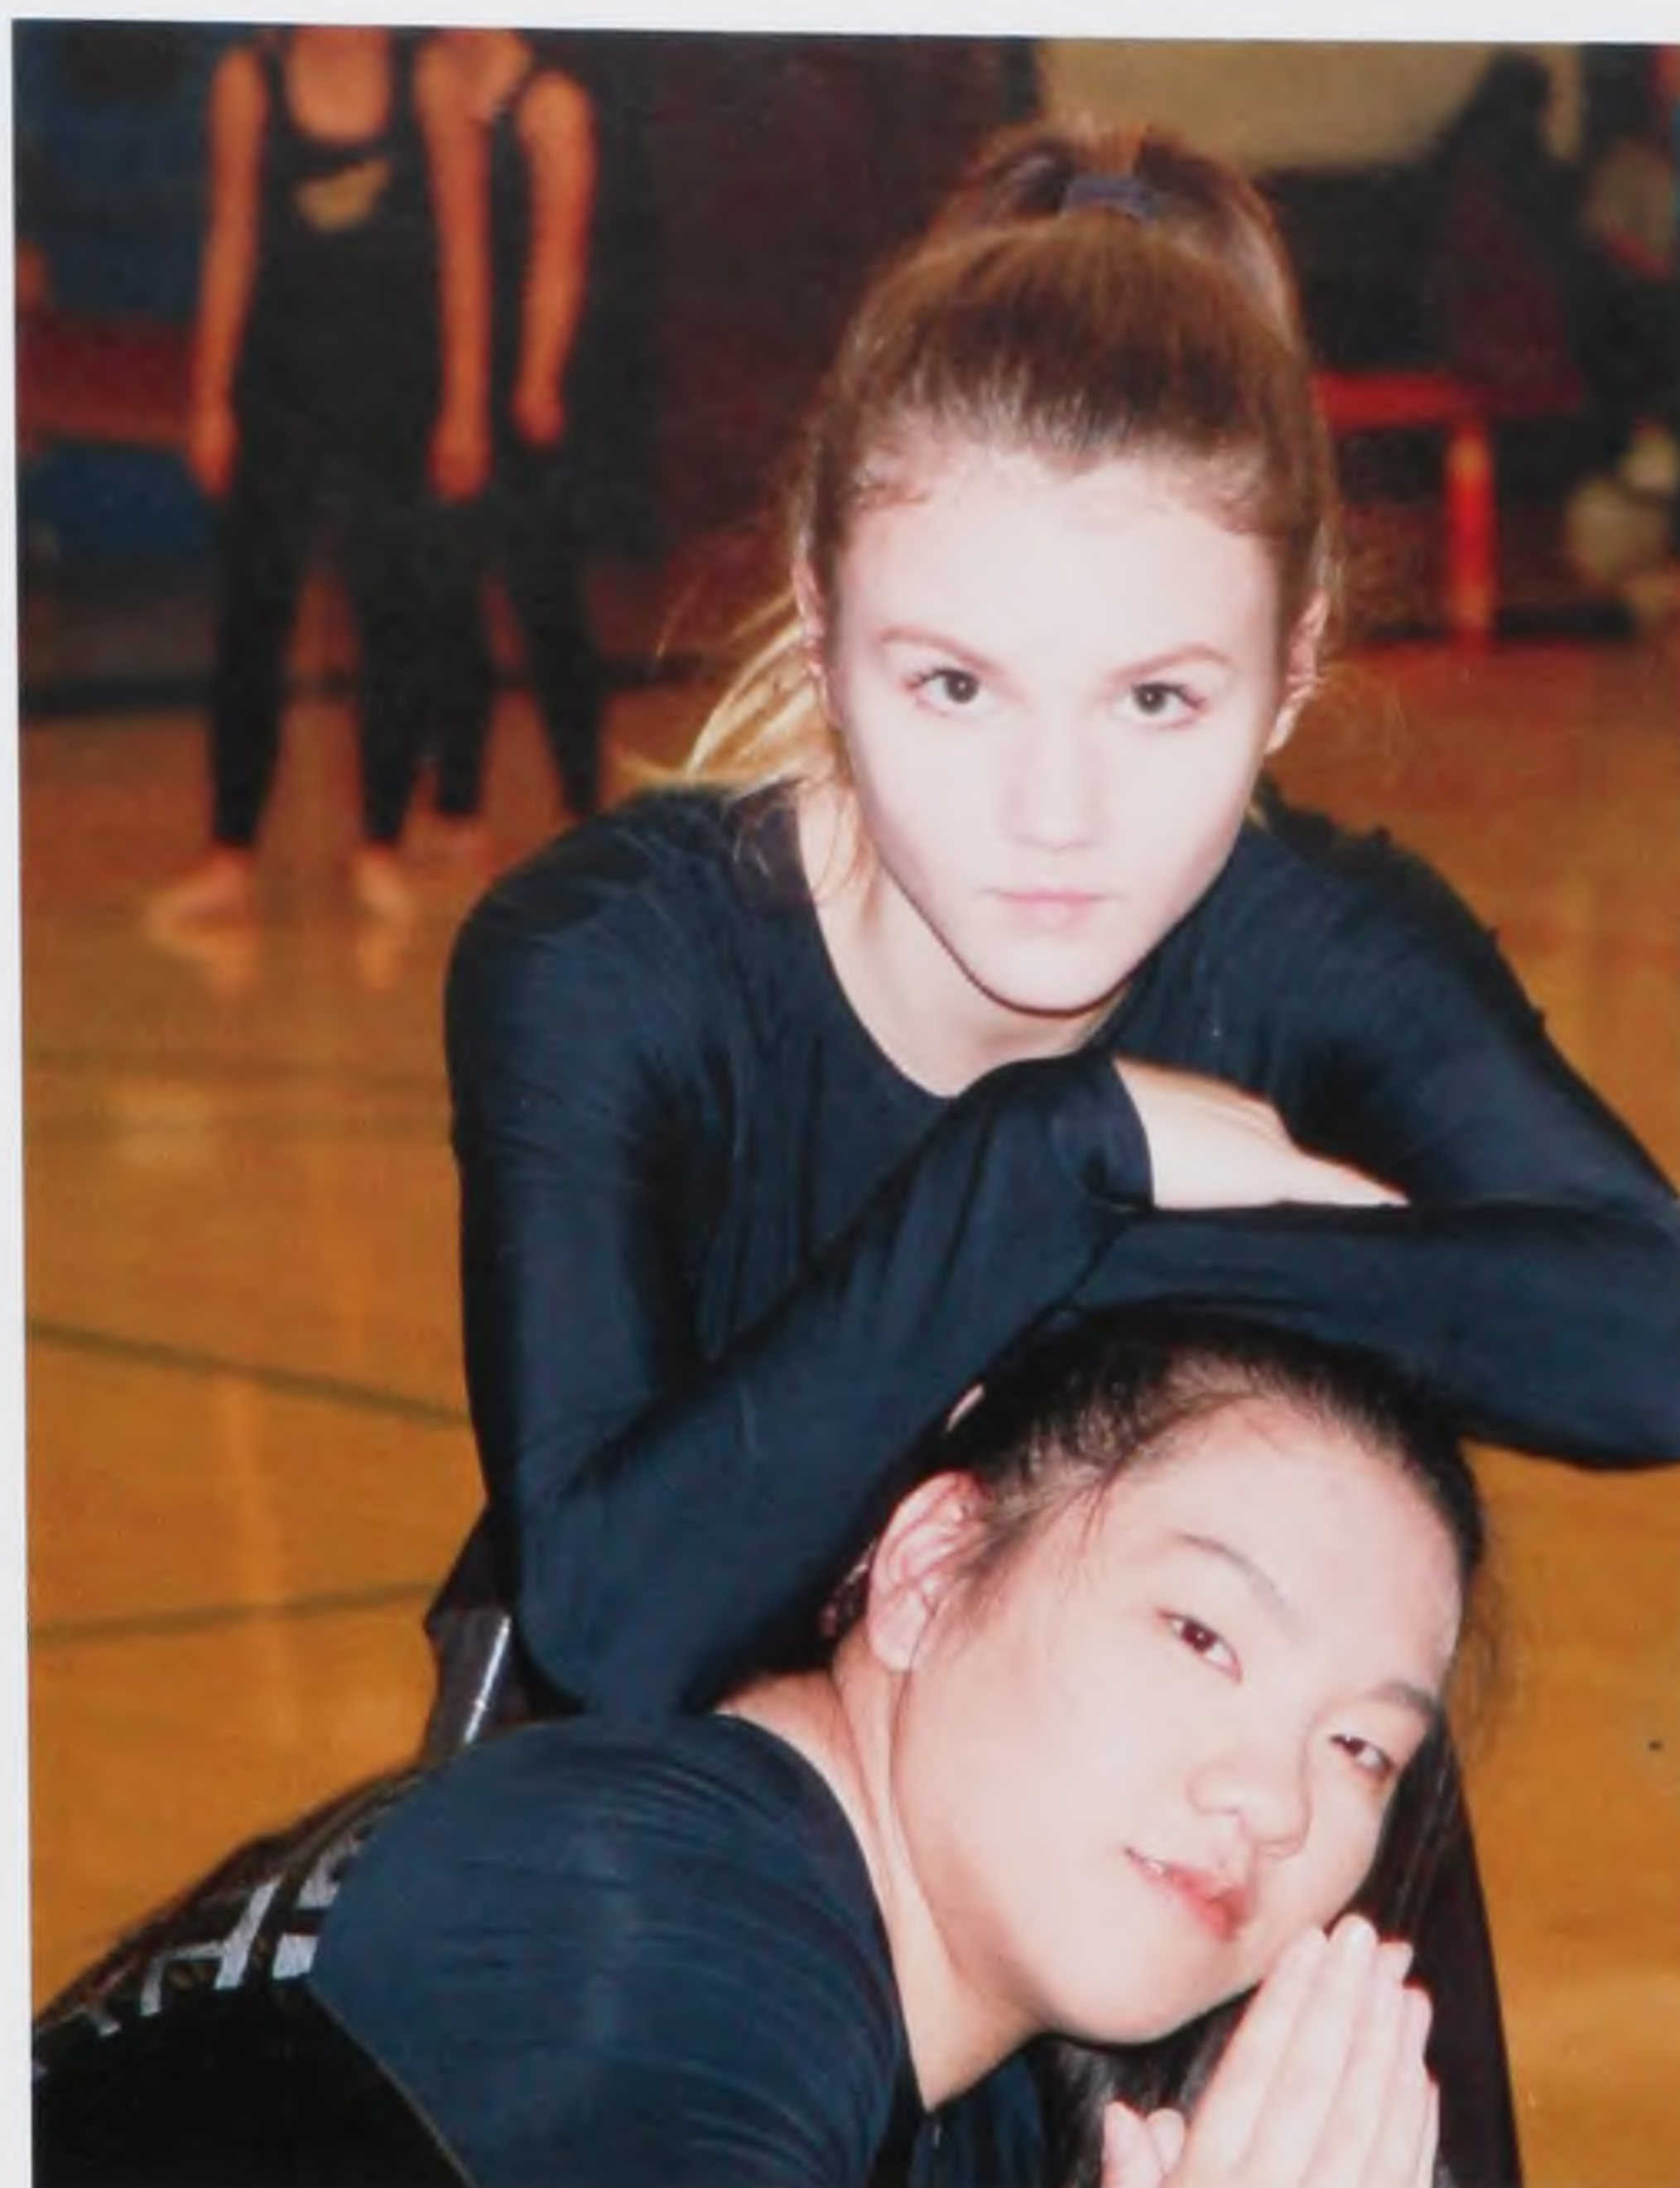

Andrea Darke, co-captain

"Whenever I dance, I am transferred to another world, a beautiful one. Dance makes me feel happy. It makes me forget about all my worries and stressors. Dance has made me realize how much potential I have within myself.

(Abigail Hernandez)

Tory Norton and Cheyenne Thao

"Being apart of dance team has taught me discipline, time management and how to take constructive criticism- skills that makes you a better dancer and a better person. I am so happy, that I joined my freshman year, because I met some of my best friends."

(Magda Angulo Galicia)

Benson 2019 Seniors

STATE CHAMPIONS!

Benson Techsters win the 6A girls basketball State Title!

The Benson Techsters played like champions all season, captivating audiences with every basket and their powerful defense. The team was victorious in the phenomenal final 6A OSAA game win versus Southridge.-66-42. Endless practices and hard work paid off for the Techsters historic win led by coach Eric Knox.

"This is bigger than us. This is bigger than just bringing it home to Benson, to the PIL. It means a lot to us because we're role models to a lot of black & brown girls in the city. We want to tell them that you can achieve anything."
