DEDICATION

We, the graduating class of June, 1941, dedicate this book to the Industry of the Pacific Northwest, upon which the Preparedness Program of the nation is basically dependent; to shipyards, aluminum plants, iron and steel works, airplane and chemical factories, which hold key positions in the assurance of safety for a nation of freeborn men and a government of equality and justice toward all.

A Tribute

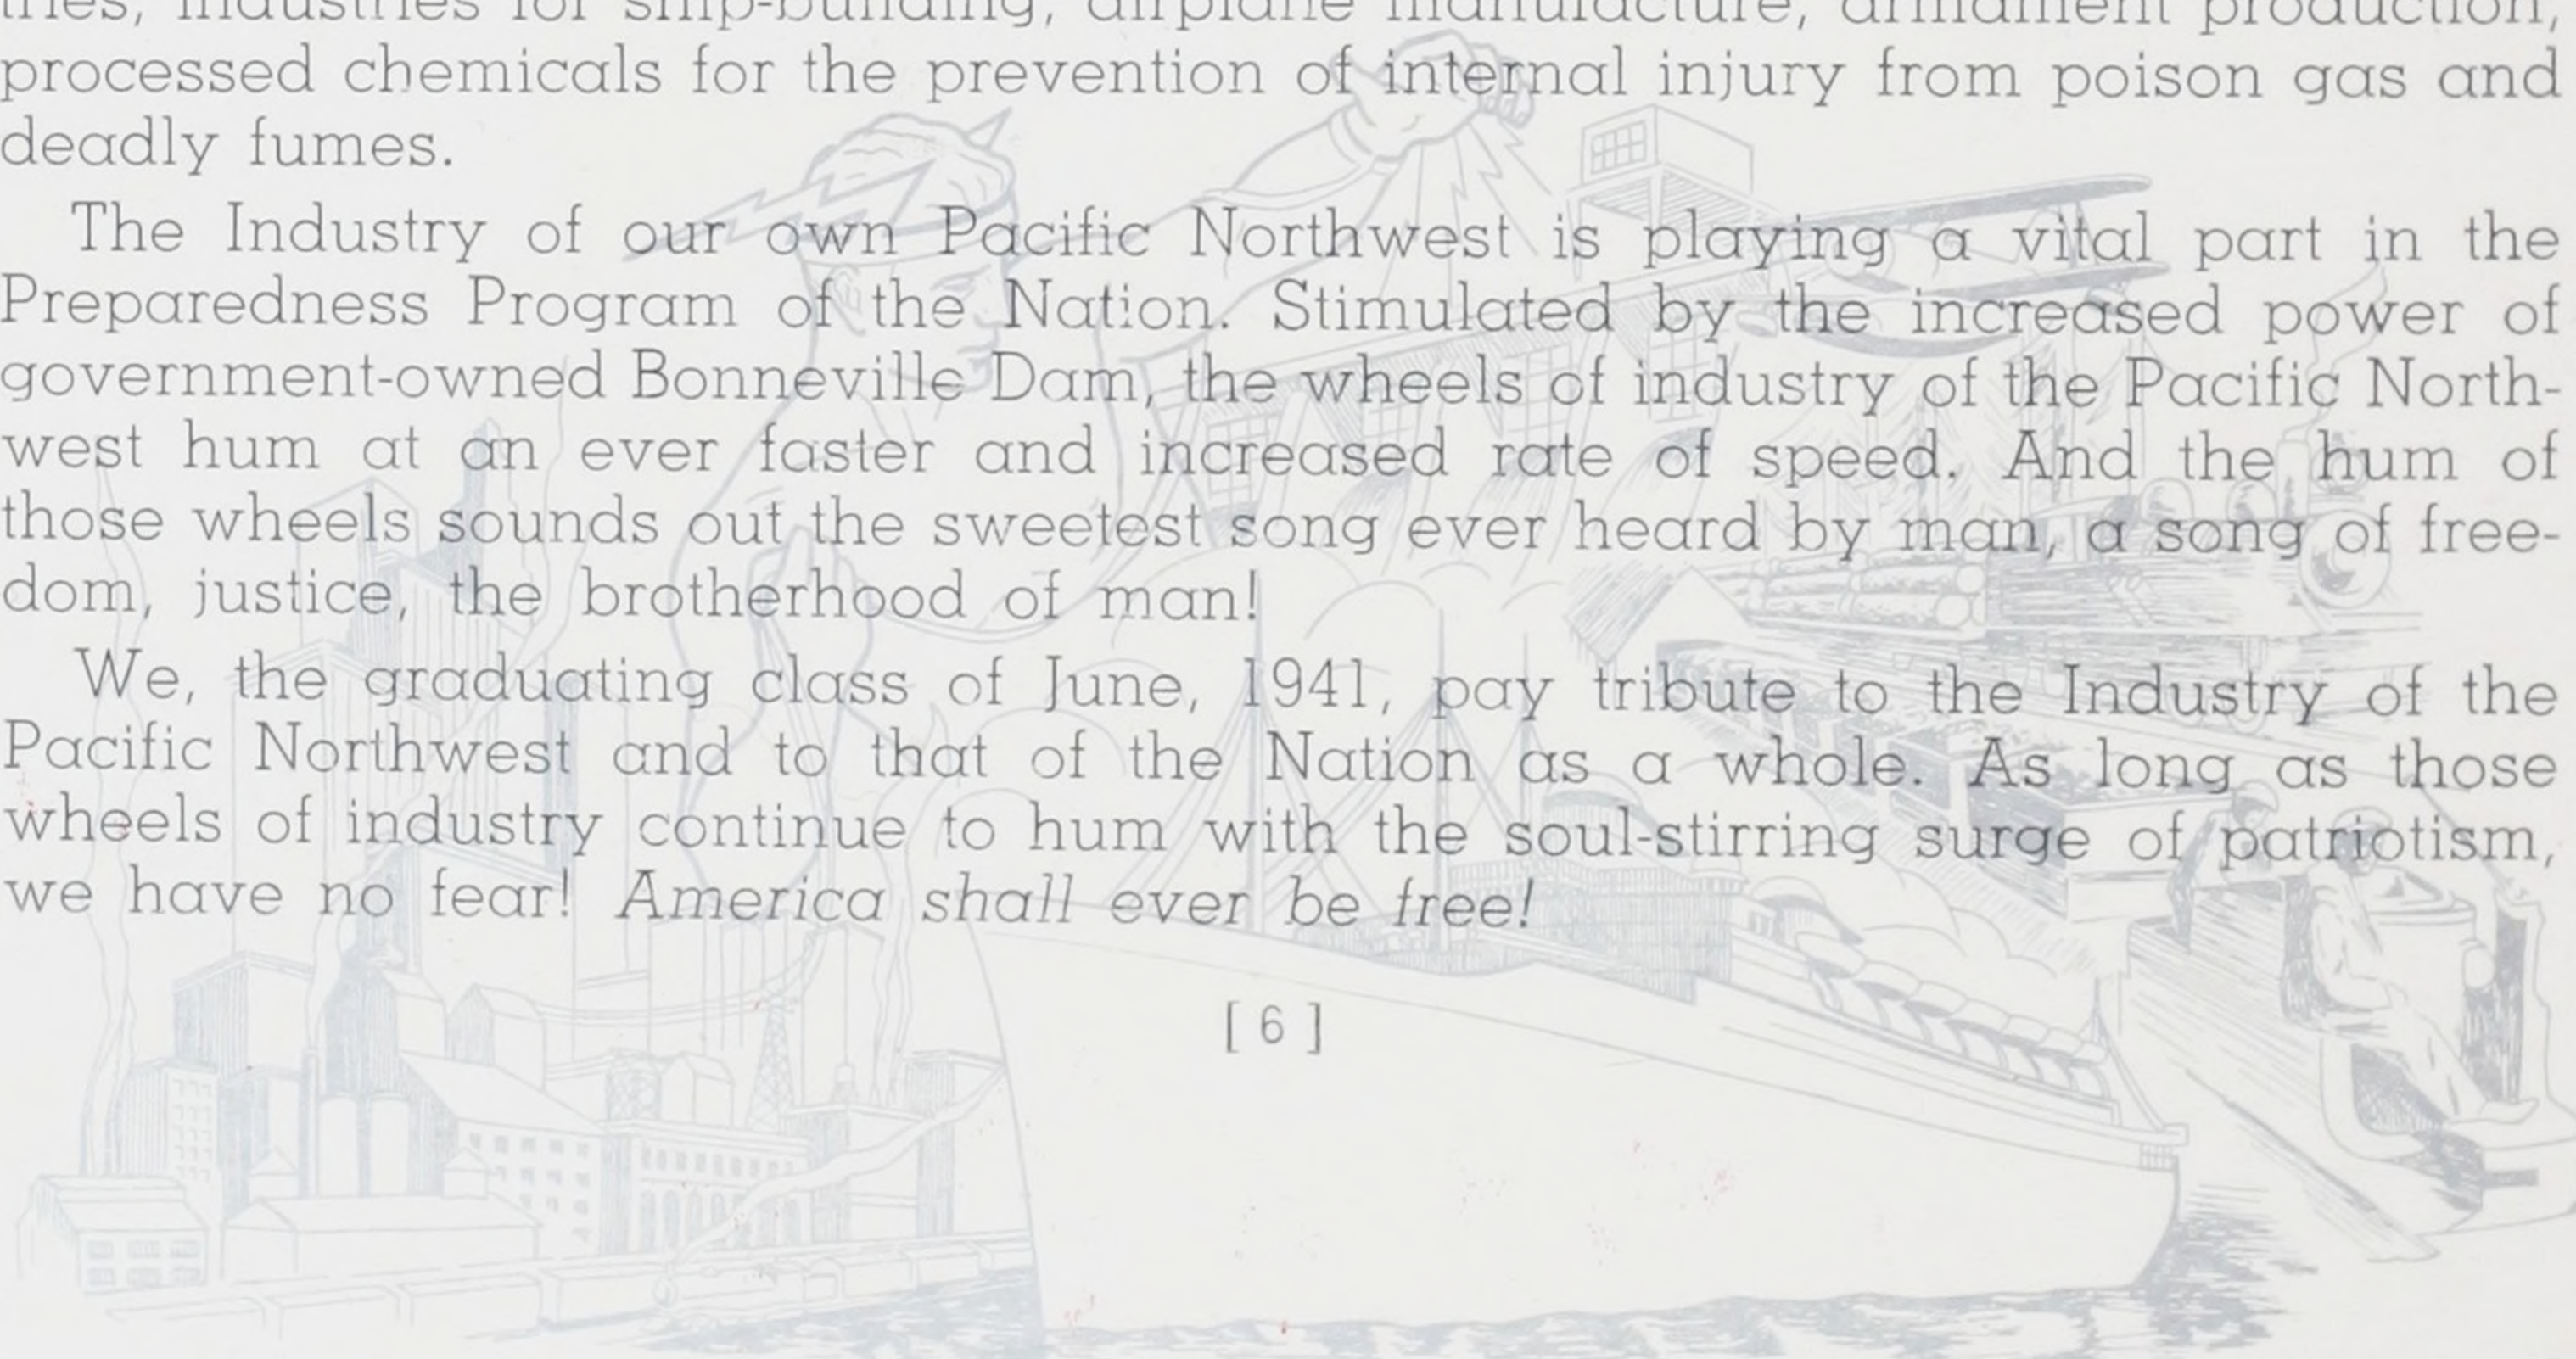

That time arises in the history of every great nation when it must take up arms and stand ready to defend that which it holds most dear. The liberty and freedom of our freeborn citizens is perhaps the greatest envy of those peoples of other lands who are denied that blessing by the dictators. The democracy of the American people has long been the ideal of all who value individual freedom.

And now, in this time of world crisis, when wars and rumors of wars envelop the earth, America is called upon to awaken the spirit of patriotism in the hearts and minds of her people; to strengthen her armed forces for defense; to protect the liberty, the freedom, the democracy of 130 million American citizens.

At no other time in the history of the American people, except perhaps during the four-year period of the first World War, has the United States been so basically dependent upon the increased production of her defense industries, industries for ship-building, airplane manufacture, armament production, processed chemicals for the prevention of internal injury from poison gas and deadly fumes.

The Industry of our own Pacific Northwest is playing a vital part in the Preparedness Program of the Nation. Stimulated by the increased power of government-owned Bonneville Dam, the wheels of industry of the Pacific Northwest hum at an ever faster and increased rate of speed. And the hum of those wheels sounds out the sweetest song ever heard by man, a song of freedom, justice, the brotherhood of man!

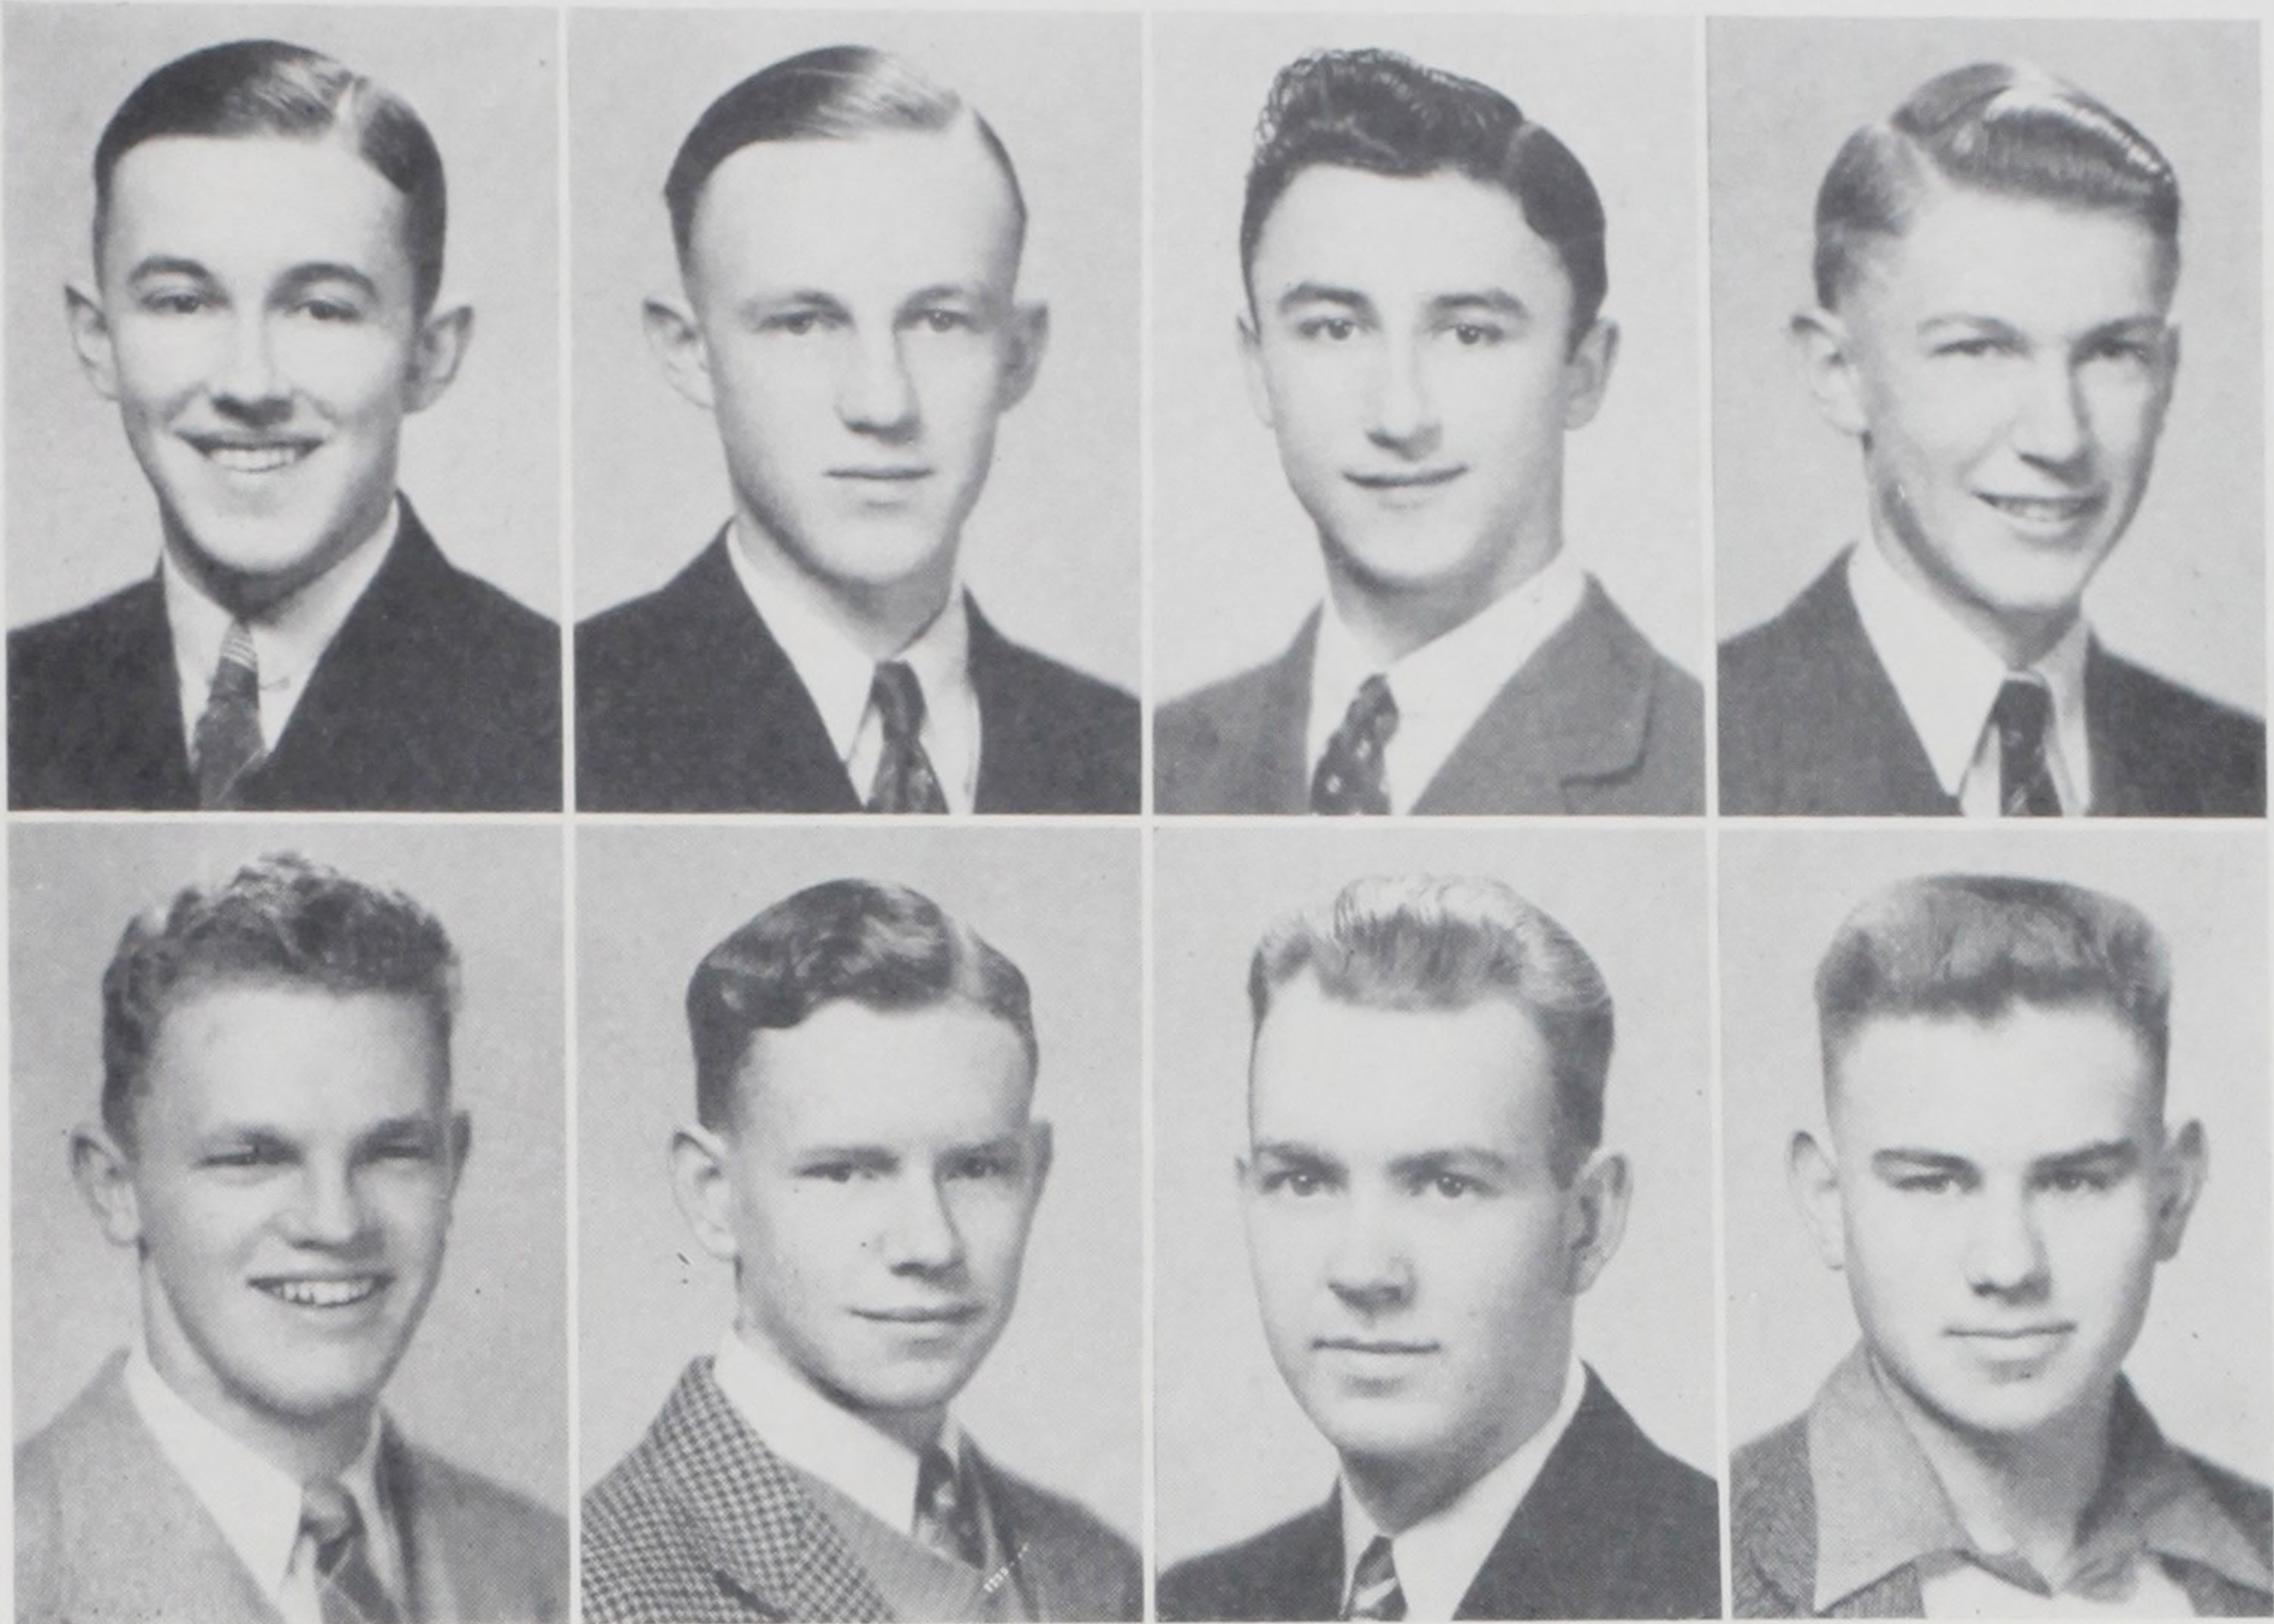

We, the graduating class of June, 1941, pay tribute to the Industry of the Pacific Northwest and to that of the Nation as a whole. As long as those wheels of industry continue to hum with the soul-stirring surge of patriotism, we have no fear! *America shall ever be free!*

Class History

Not all the members of this graduating class started their high school careers in Benson during the same term. There are four-year seniors, three-year seniors, and several ninth and tenth termers, but now organized as we are, we share the notoriety and privileges of seniors as a unified class. We organized into the June 1941 class at our first meeting, held November 13, 1940, and introduced to the class advisers, Mrs. Anderson and Mr. Miller, by Mr. Bittner, dean of boys.

At the second meeting of the class, the election of officers was held with the following results:

Stanley Olsen, president; George Beil, vice-president; Bill Zimmerman, secretary; Jack Nomi, treasurer; Bob Browning, sergeant-at-arms; Jack Edwards, Poly Tech editor.

Selection of the class motto, flower, and colors took place during the third meeting, held February 19, 1941. The results were announced as follows:

Class Motto: "The higher you rise, the broader the view."

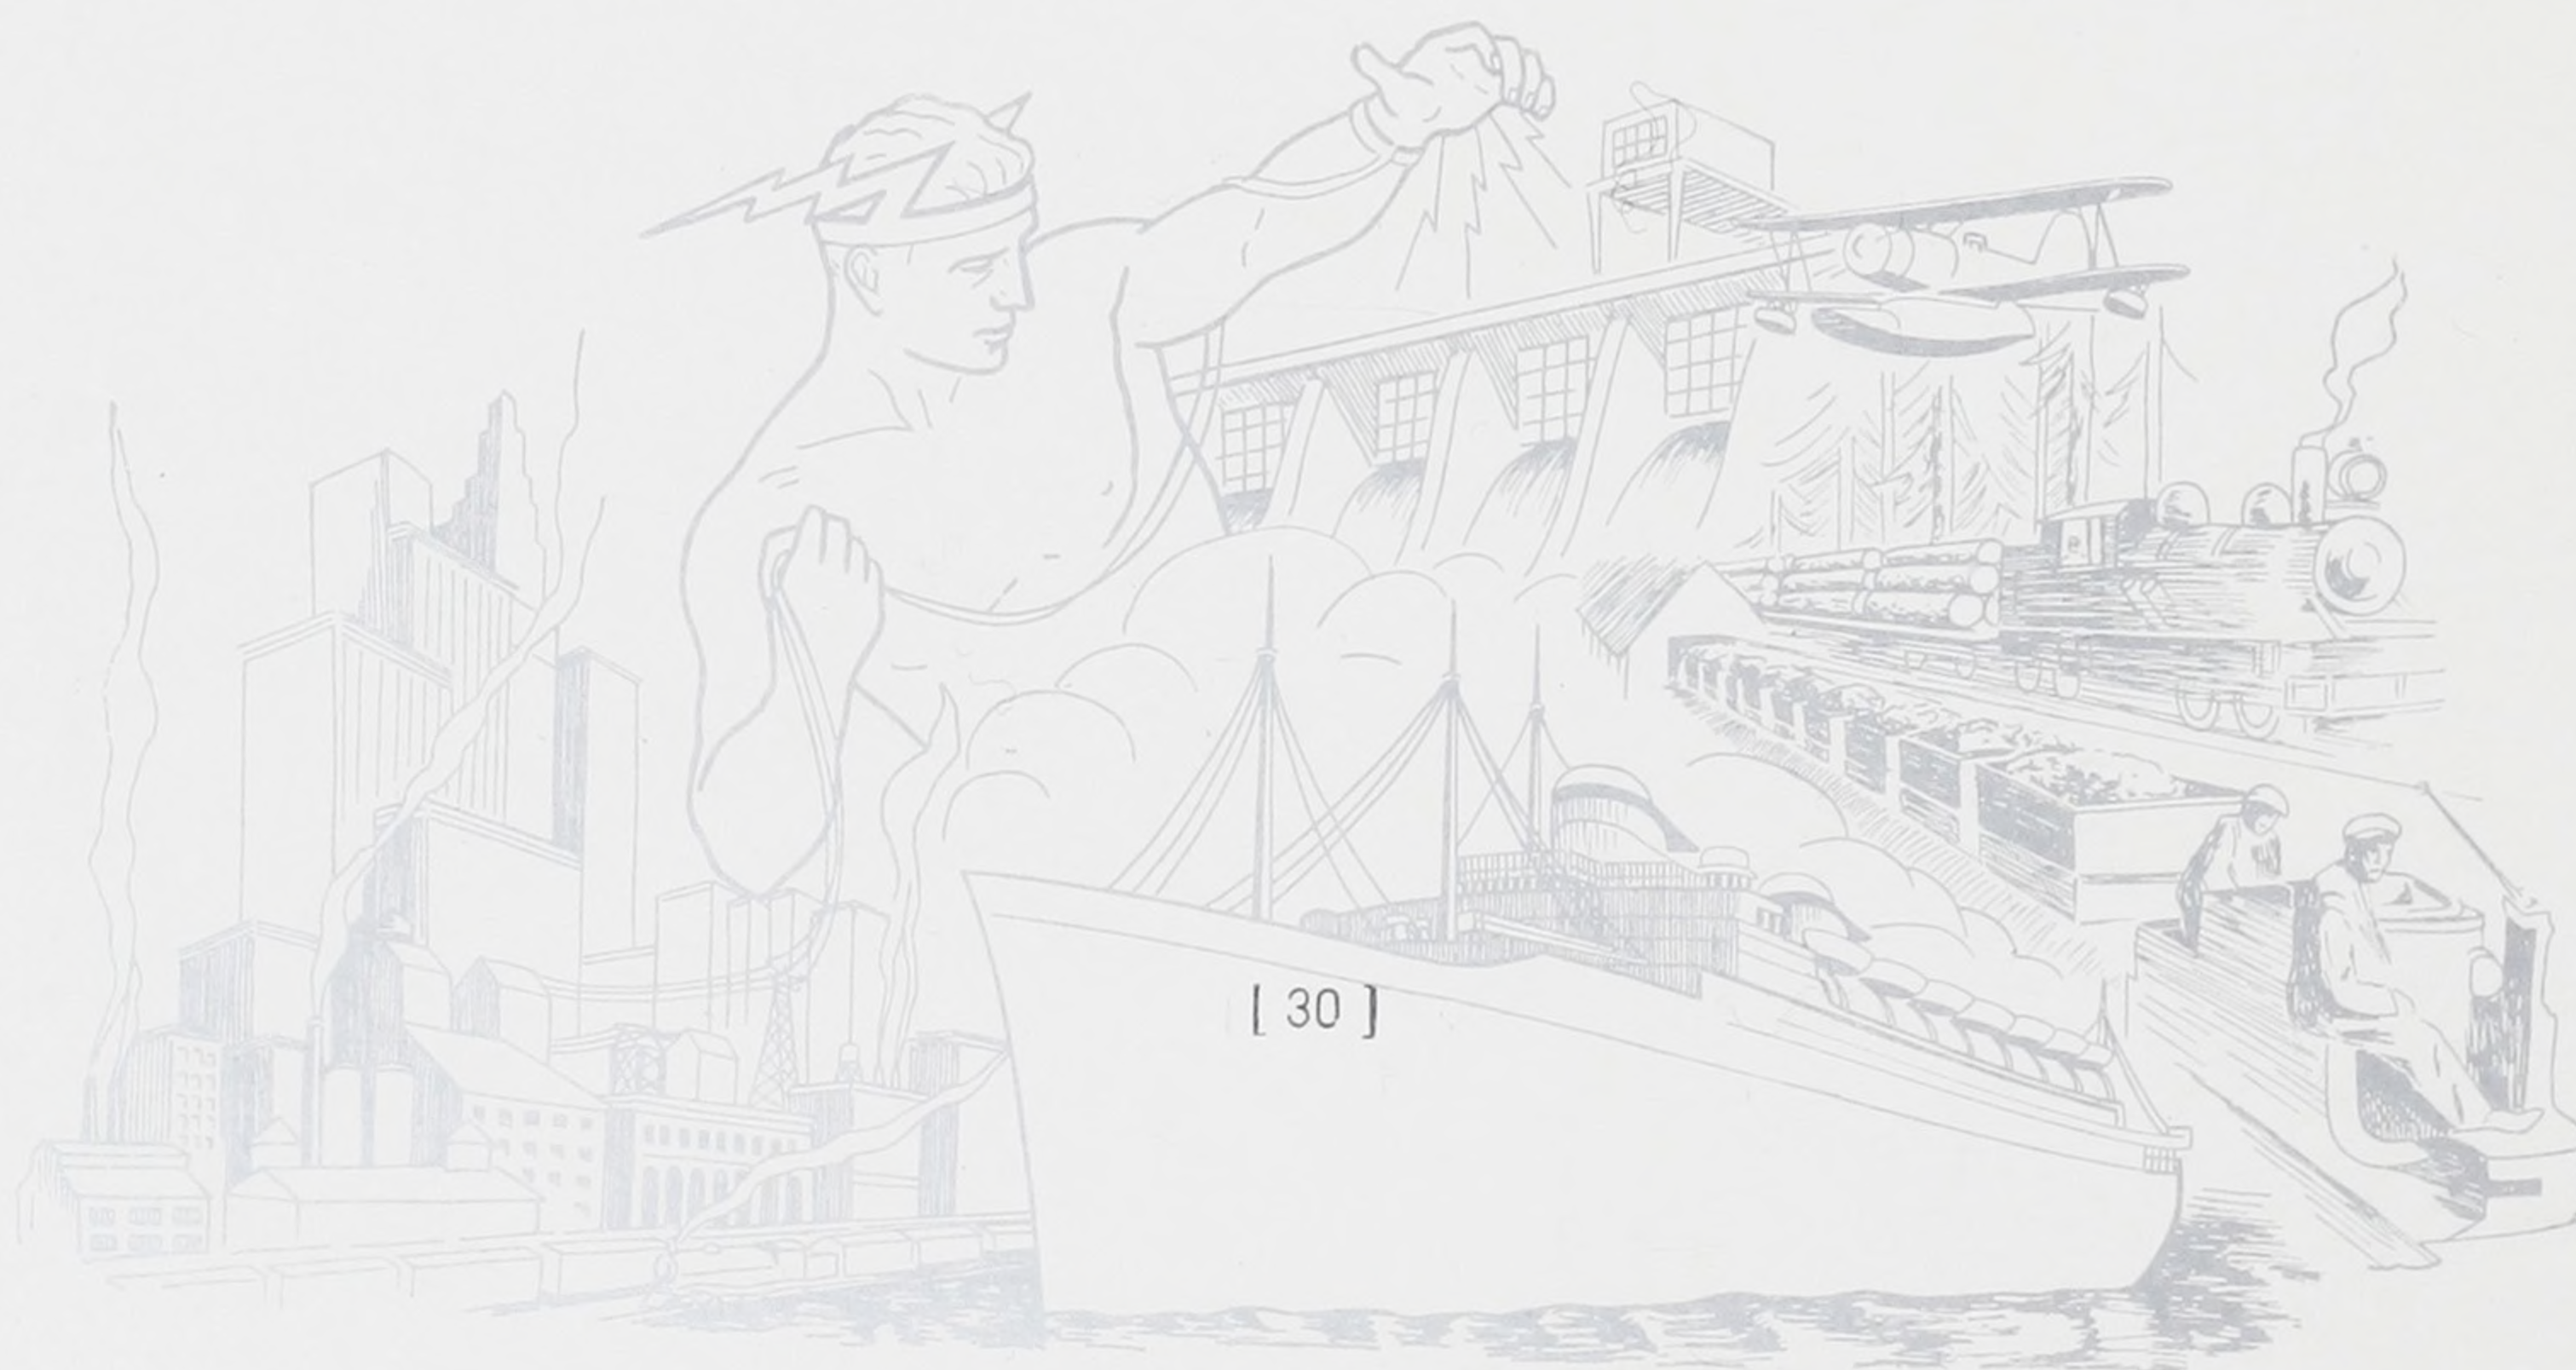

Class Flower: Maroon Carnation.

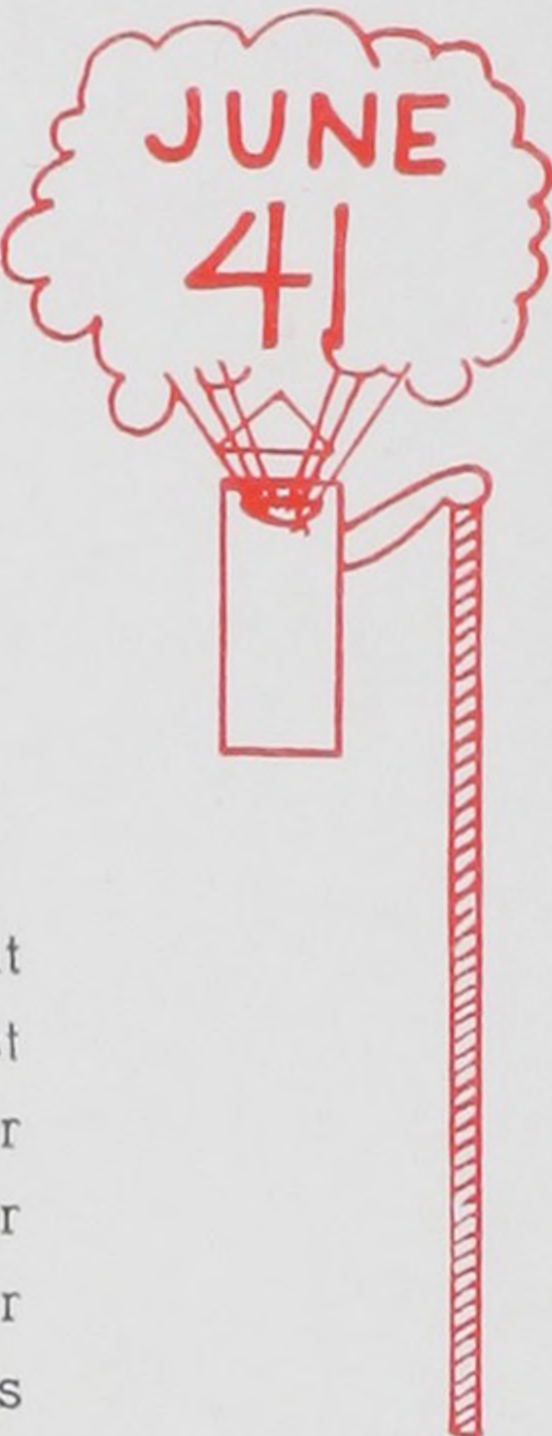

Class Colors: Purple and Orchid.

The Class Play, "Life Begins at Sixteen," was presented before a capacity audience of over 1300 on the evening of Friday, April 25, and was very well received.

The party given for the June '41 graduating class by the class of January '42, held on Wednesday night, June 4, from 8:00 p. m. to 12:00 p. m., was a tremendous success.

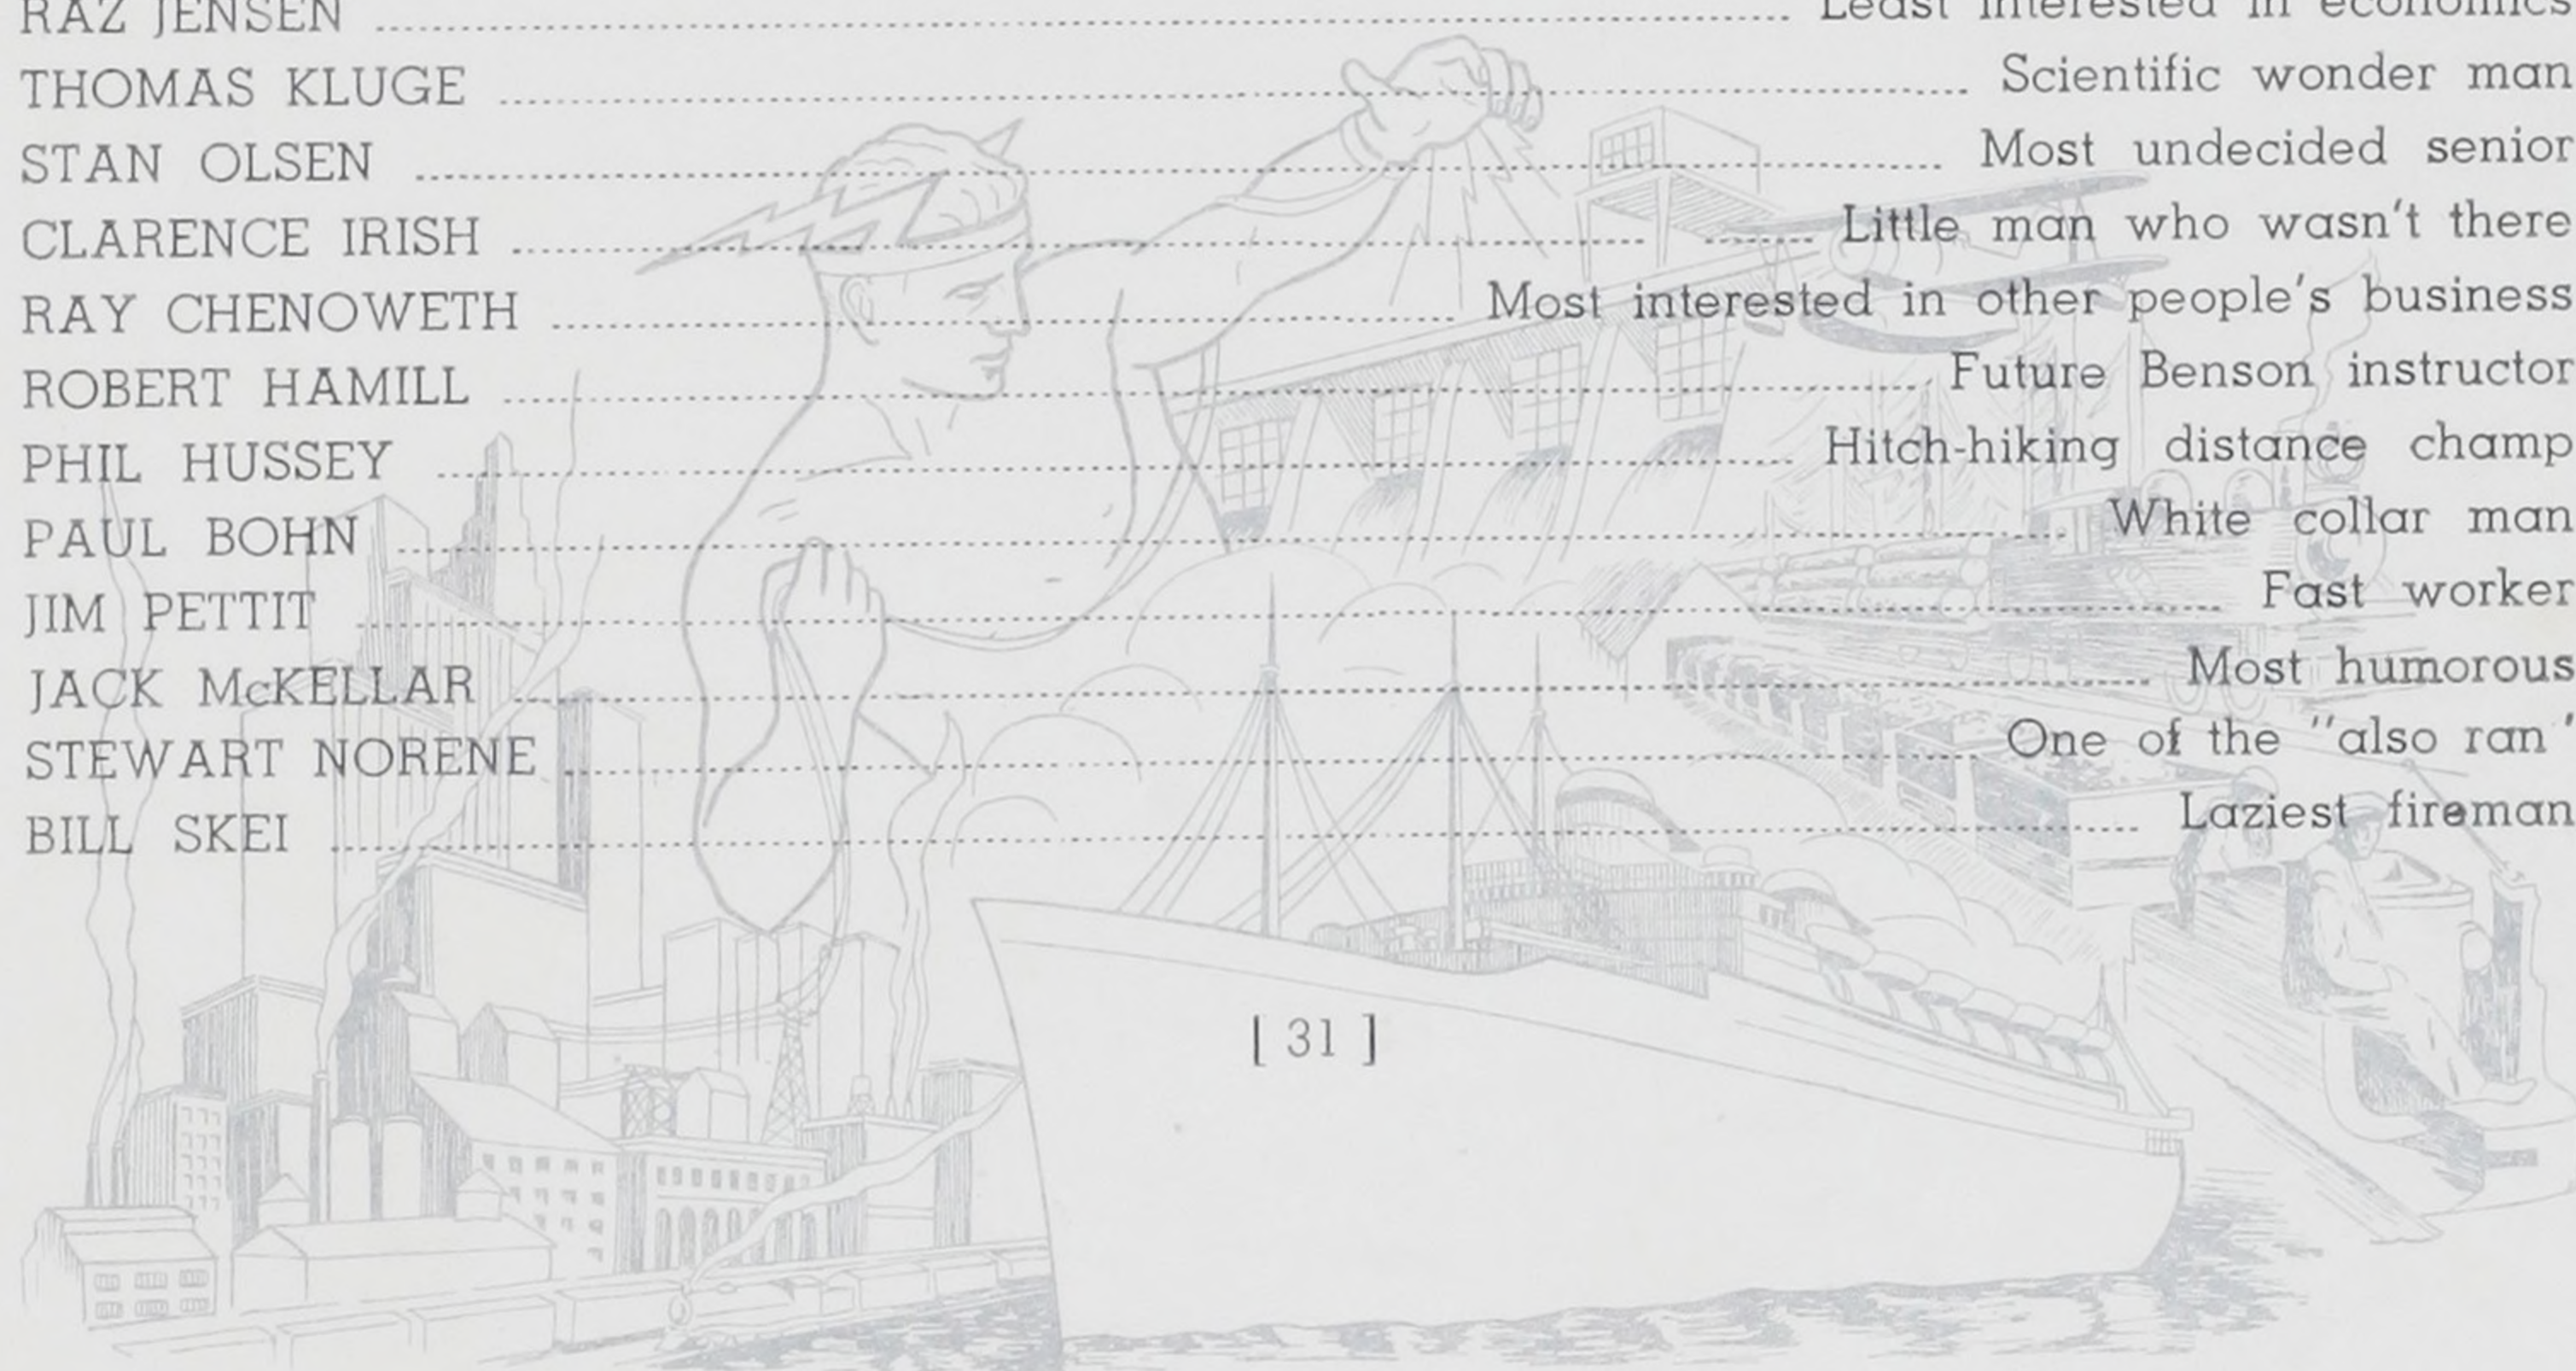

The June '41 graduating class of Benson Polytechnic School held its graduation exercises on the evening of Thursday, June 5, with relatives and friends in attendance. The exercises were held in the school auditorium.

"Life Begins at Sixteen"

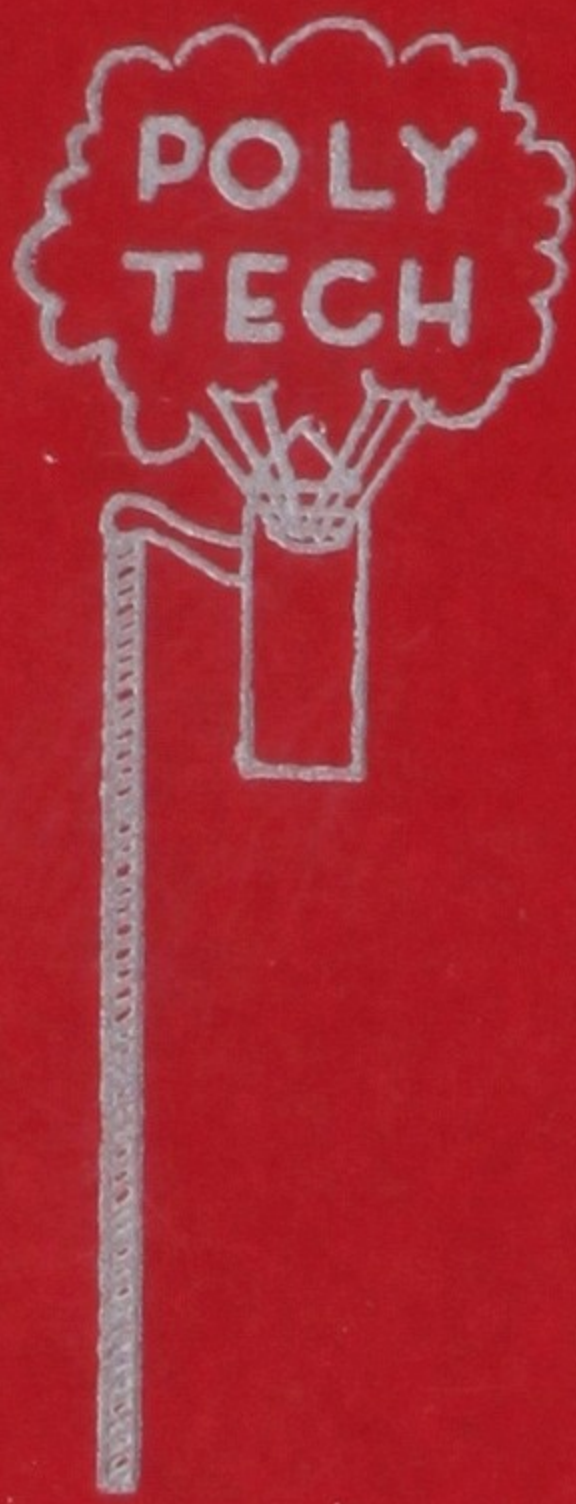

The dramatic efforts of the June '41 class resulted in the very satisfactory presentation of "Life Begins at Sixteen" on the night of Friday, April 25, before an enthusiastic audience of capacity proportion.

Central characters of the play are two sixteen-year old twins, who were born into the Hollis family as the younger brother and sister of Marjorie, portrayed by Margaret Robinson. Marjorie has two ardent admirers, George Gordon, played by Eugene McClain, and Crandall Smythe, played by Lyndon Watson. Paul, portrayed by Herbert Wiseman, has just received the meaning of *ideals*. Frannie, his twin sister, portrayed by Patricia Ostroot, is more realistic than Paul, and expectant of all the good things of life. As the play opens, Mrs. Hollis, portrayed by Doris Davidson, has just won a radio contest and she and Mr. Hollis, portrayed by Jack Day, are utilizing the reward money on a vacation trip to Havana. Paul, thereby becomes temporary head of the family. His first venture in that capacity is to modernize his father's shoe concern. After many laughable circumstances his interest wanes and he then makes the private life of his older sister, Marjorie, his business. Suspecting her boy friend, Crandall Smythe, of racketeering, he forms a "Secret Seven" vigilante club of sixteen-year-olds to pin the evidence on Smythe. A ball given by the club to celebrate the success of the plans for ensnaring Smythe is brought to an abrupt halt by the return home of Mr. and Mrs. Hollis. All wrongs are righted by such a turn of events, and "Oh, Boy!" Marjorie gets her man "George Gordon."

"Life Begins at Sixteen" was a very well received dramatic production and all persons connected with it are to be complimented on its success.

Other characters include:

Snookie Hollis, a younger sister	Audrey Chamberlain
Hilda, the maid	Sue Berst
Theo Arbuckle	Robert Webb
Pidgie Miller	Frances Barta
Fattie Zimmer	James Cook
Daisie Jenkins	Marge Christopher
Boots Bennett	Mary Lou Kenney
Elsie Taggart, the bank clerk	Edith Newton

In the spring a young man's fancy lightly turns to thoughts of—baseball. Benson this year has a new baseball coach, "Chuck" Mucha, who really showed the boys some new tactics and some fine spirit. Returning lettermen from last year's team, which placed second in the city, were in the minority, so Coach Mucha had to work hard to fill the vacant spots. One of the foremost among the returning lettermen is Ross Dappen, who was chosen all-city pitcher last year. Other returning lettermen include catcher, Tony Katrina; pitchers, Andy Frahier and Bob Serven; infielders, Dick Bisenius and Harry Schulz; and outfielder, Norman Emery, who is one of the best in the city. The majority of the team is made up of last year's reserves, who were all good players last year and have improved exceedingly. This group includes Henry Mako, Tom Onishi, Jack Pickthorn, Joe Fazzolari, Don Bear, Dale Souders, Dick Bartle, George Reznick, Elbert Snider, Ambrose Scorcica, S. Mako, and Glen Morioko.

Because this publication went to press before the season was completed, only a few of the scores can be given. The opening game of the season saw Benson defeat the Washington Colonials by a score of 9 to 4. Scores for the other games played include:

Benson 3	Sabin 0
Benson 2	Roosevelt 3
Benson 1	Franklin 6
Benson 3	Commerce 4

Flying feet, cinders, spikes, and fine spring weather combine to indicate the word *track*. This year's track squad has a new coach in "Lefty" Marineau, who has taken the reins of the team and has produced a great squad. Jim Pettit, Benson's sensational "Tech Tornado", is back again this year to do even better than previously. Other returning lettermen are Stewart Norene, Ross Eaton, Gordon Smith, Sheldon Stubbs, and Bob Harper.

In the City Relays the varsity has captured three first places, which gave the boys a second place in the meet. The 440 and 880 relay teams took first places and were composed of G. Smith, Norene, Eaton, and Pettit. The distance medley also took a first place and had Lind, Stubbs, Nasler, and Norene running for it. The following are the events in which the varsity members participated:

100 yard dash, Pettit, G. Smith, and Billings; 220 yard dash, Pettit, G. Smith, and Billings; 440 yard dash, Lind and Macias; 880 yard dash, Stubbs; Mile, Norene and Nasler; High jump, Eaton, Sempert, and Kendall; Broad jump, G. Smith and Billings; 200 yard low hurdles, Eaton and Harper; 110 yard high hurdles, Eaton and Shink; Pole Vault, Stitt, Moler, and Harbour; Shot put, Kellar, Dubay, and Elliot; Discus, Kellar, Dubay and Elliot; Relay team, G. Smith, Norene, Eaton, and Pettit. The boys in the Junior division, coached by Mr. Drynan, did very well this year. In the City Relays their 440 yard relay team barely missed setting a new record. The relay team was composed of Billings, Martell, Nakata, and Petrie.

JUNIOR AND "C" BASKETBALL

1st Row: Bear, Yost, Forsgren, Bell, Boucher, Mako, Casciato.

2nd Row: Mako, Meier, Linn, Arnold, Lebsack, Condit, Glenn.

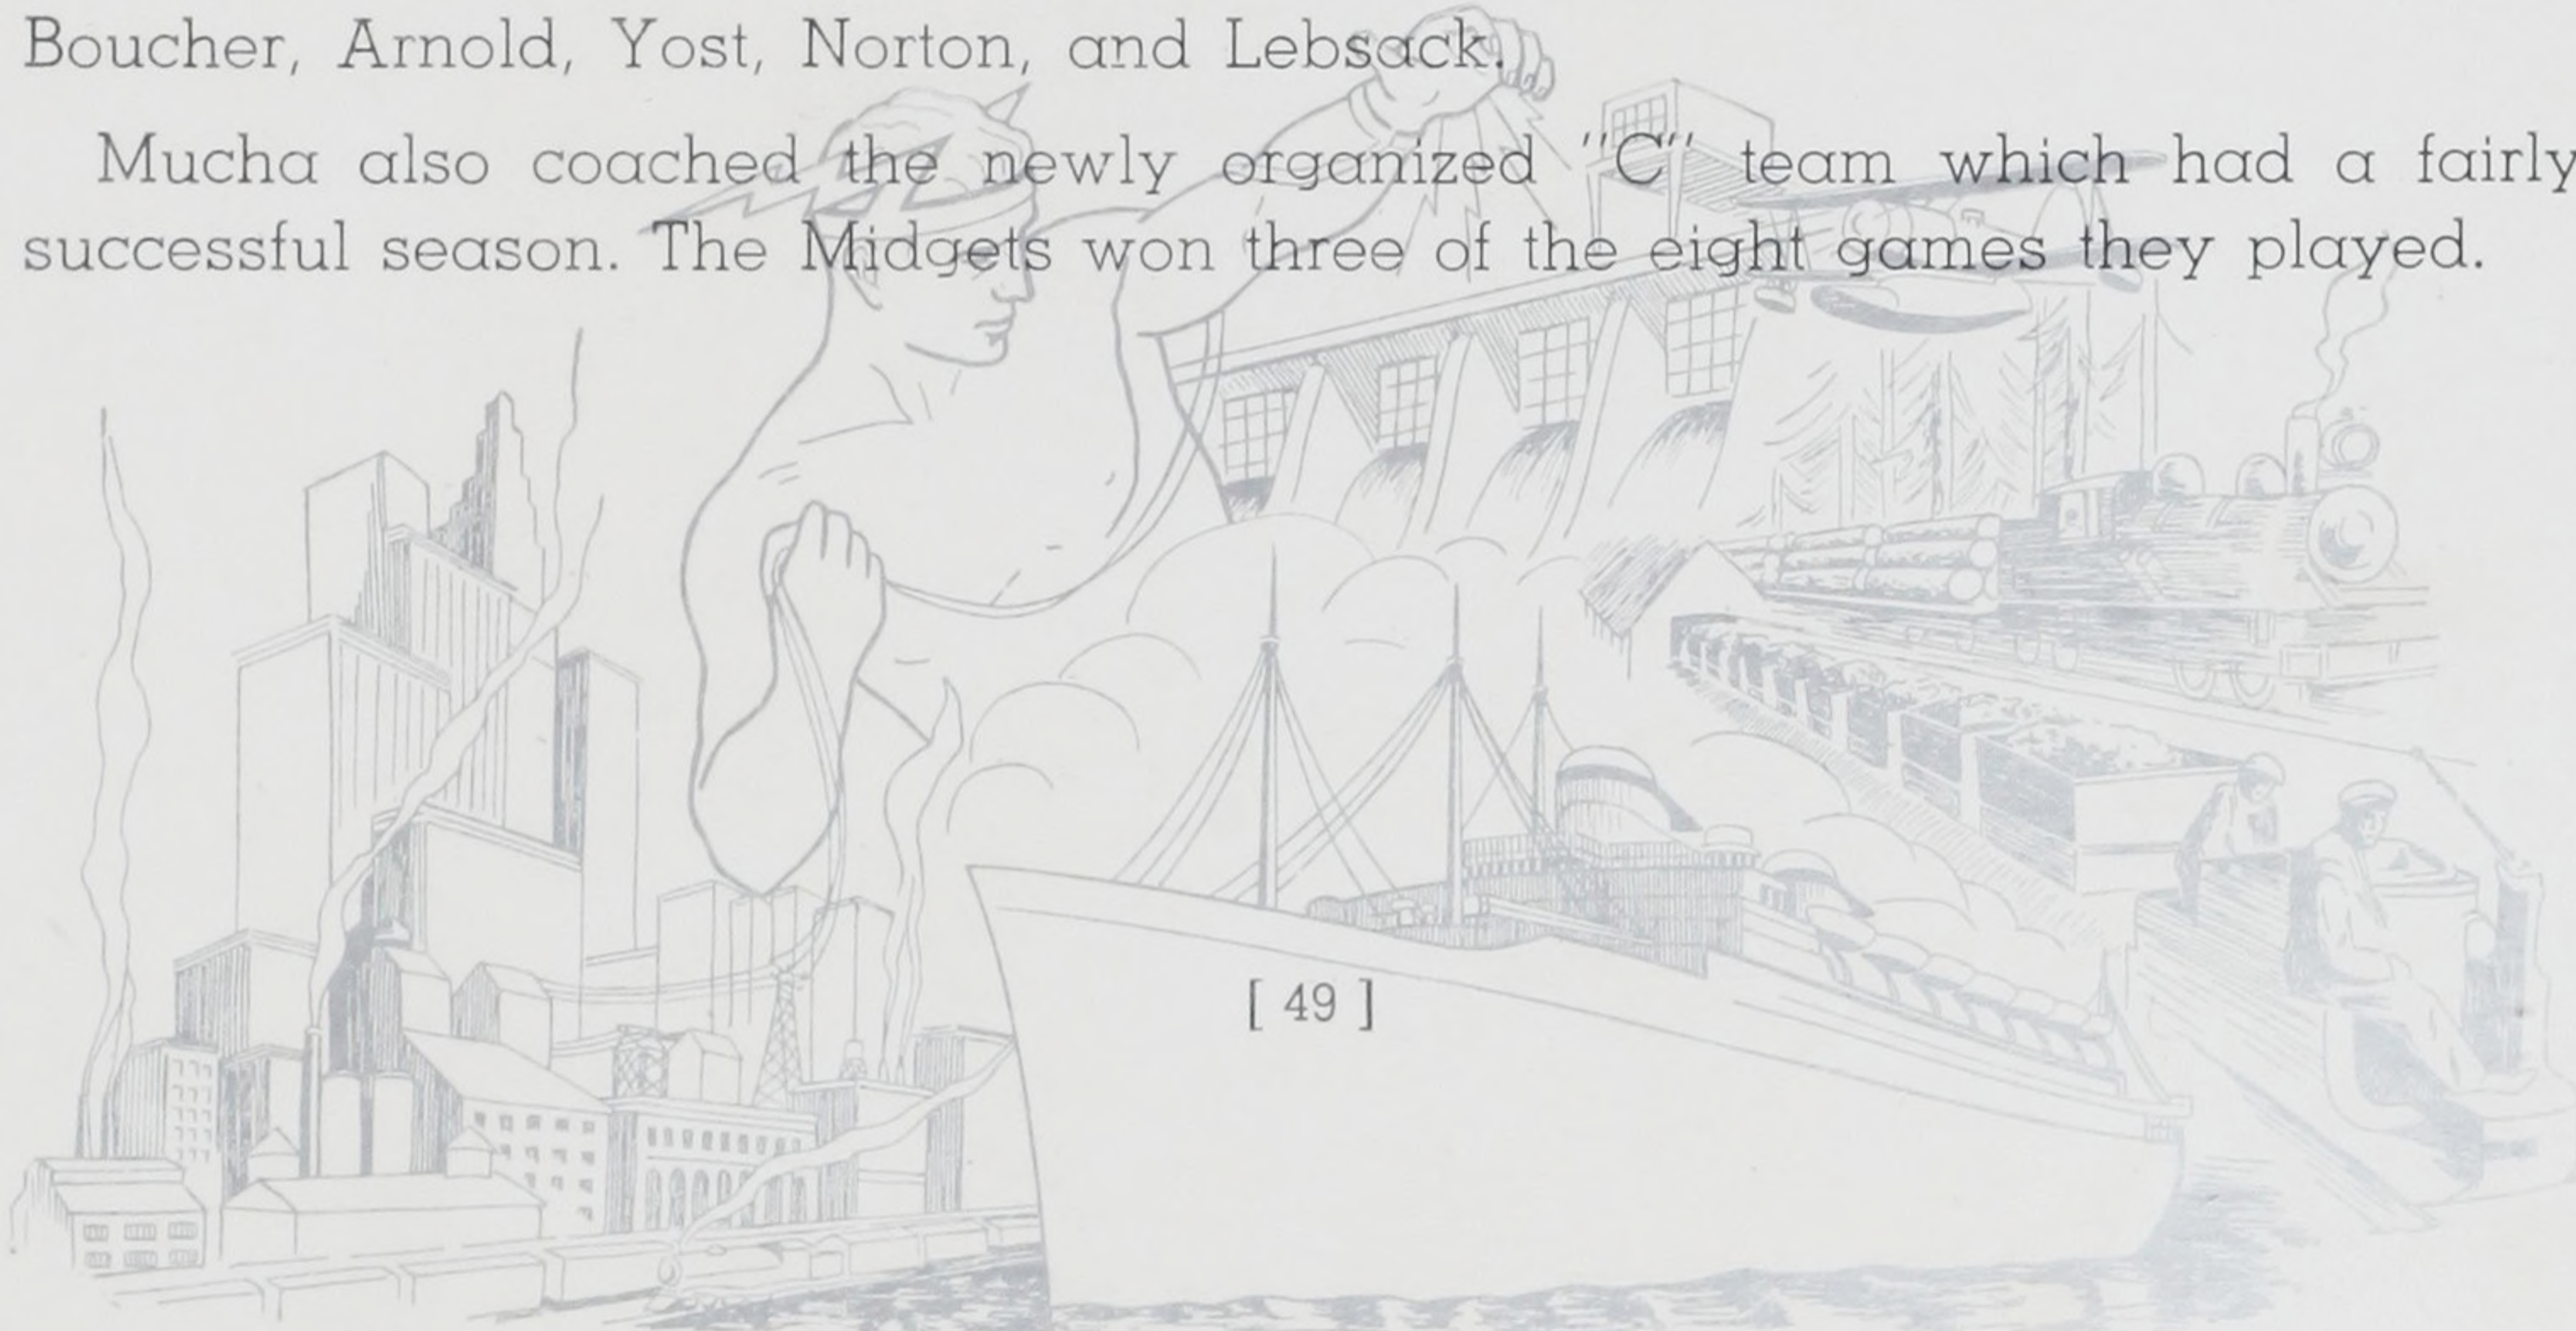

3rd Row: Rankin, Coach "Chuck" Mucha, A. Norton, D. Murphy.

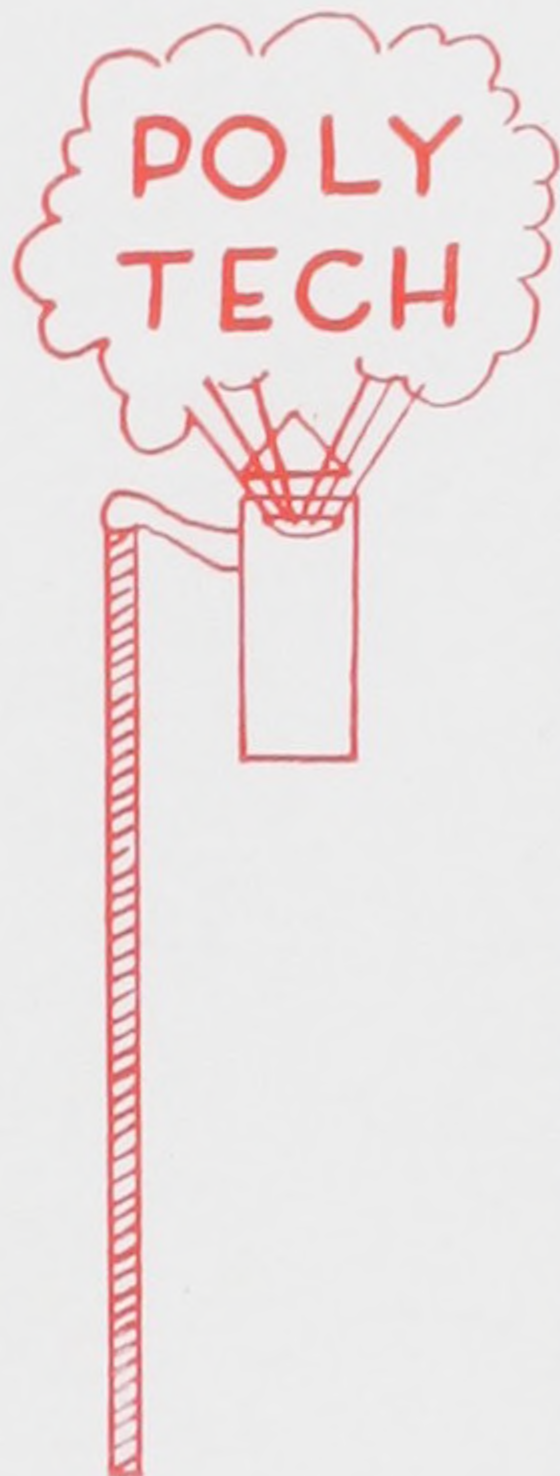

Weyer, Bisenius, White, Coach "Chuck" Mucha, LaMear, E. Dailey, J. Frahler.

This year's Junior team did very well under the guidance of the new coach, "Chuck" Mucha. The Junior team won seven and lost nine of their games. The Juniors defeated Commerce twice, Franklin once, Jefferson once, Washington once, and Sabin twice.

Players who earned their letters include Rankin, H. Mako, Meier, Linn, Bear, Boucher, Arnold, Yost, Norton, and Lebsack.

Mucha also coached the newly organized "C" team which had a fairly successful season. The Midgets won three of the eight games they played.

VARSITY BASKETBALL

1st Row: Otness, Pistoresi, Bennett, Kennedy, Paperini.

2nd Row: Detour, Weiss, Oliverio, Bisenious.

3rd Row: Todd, Sempert, Caldweil, Matthews, "Lefty" Marineau, Coach.

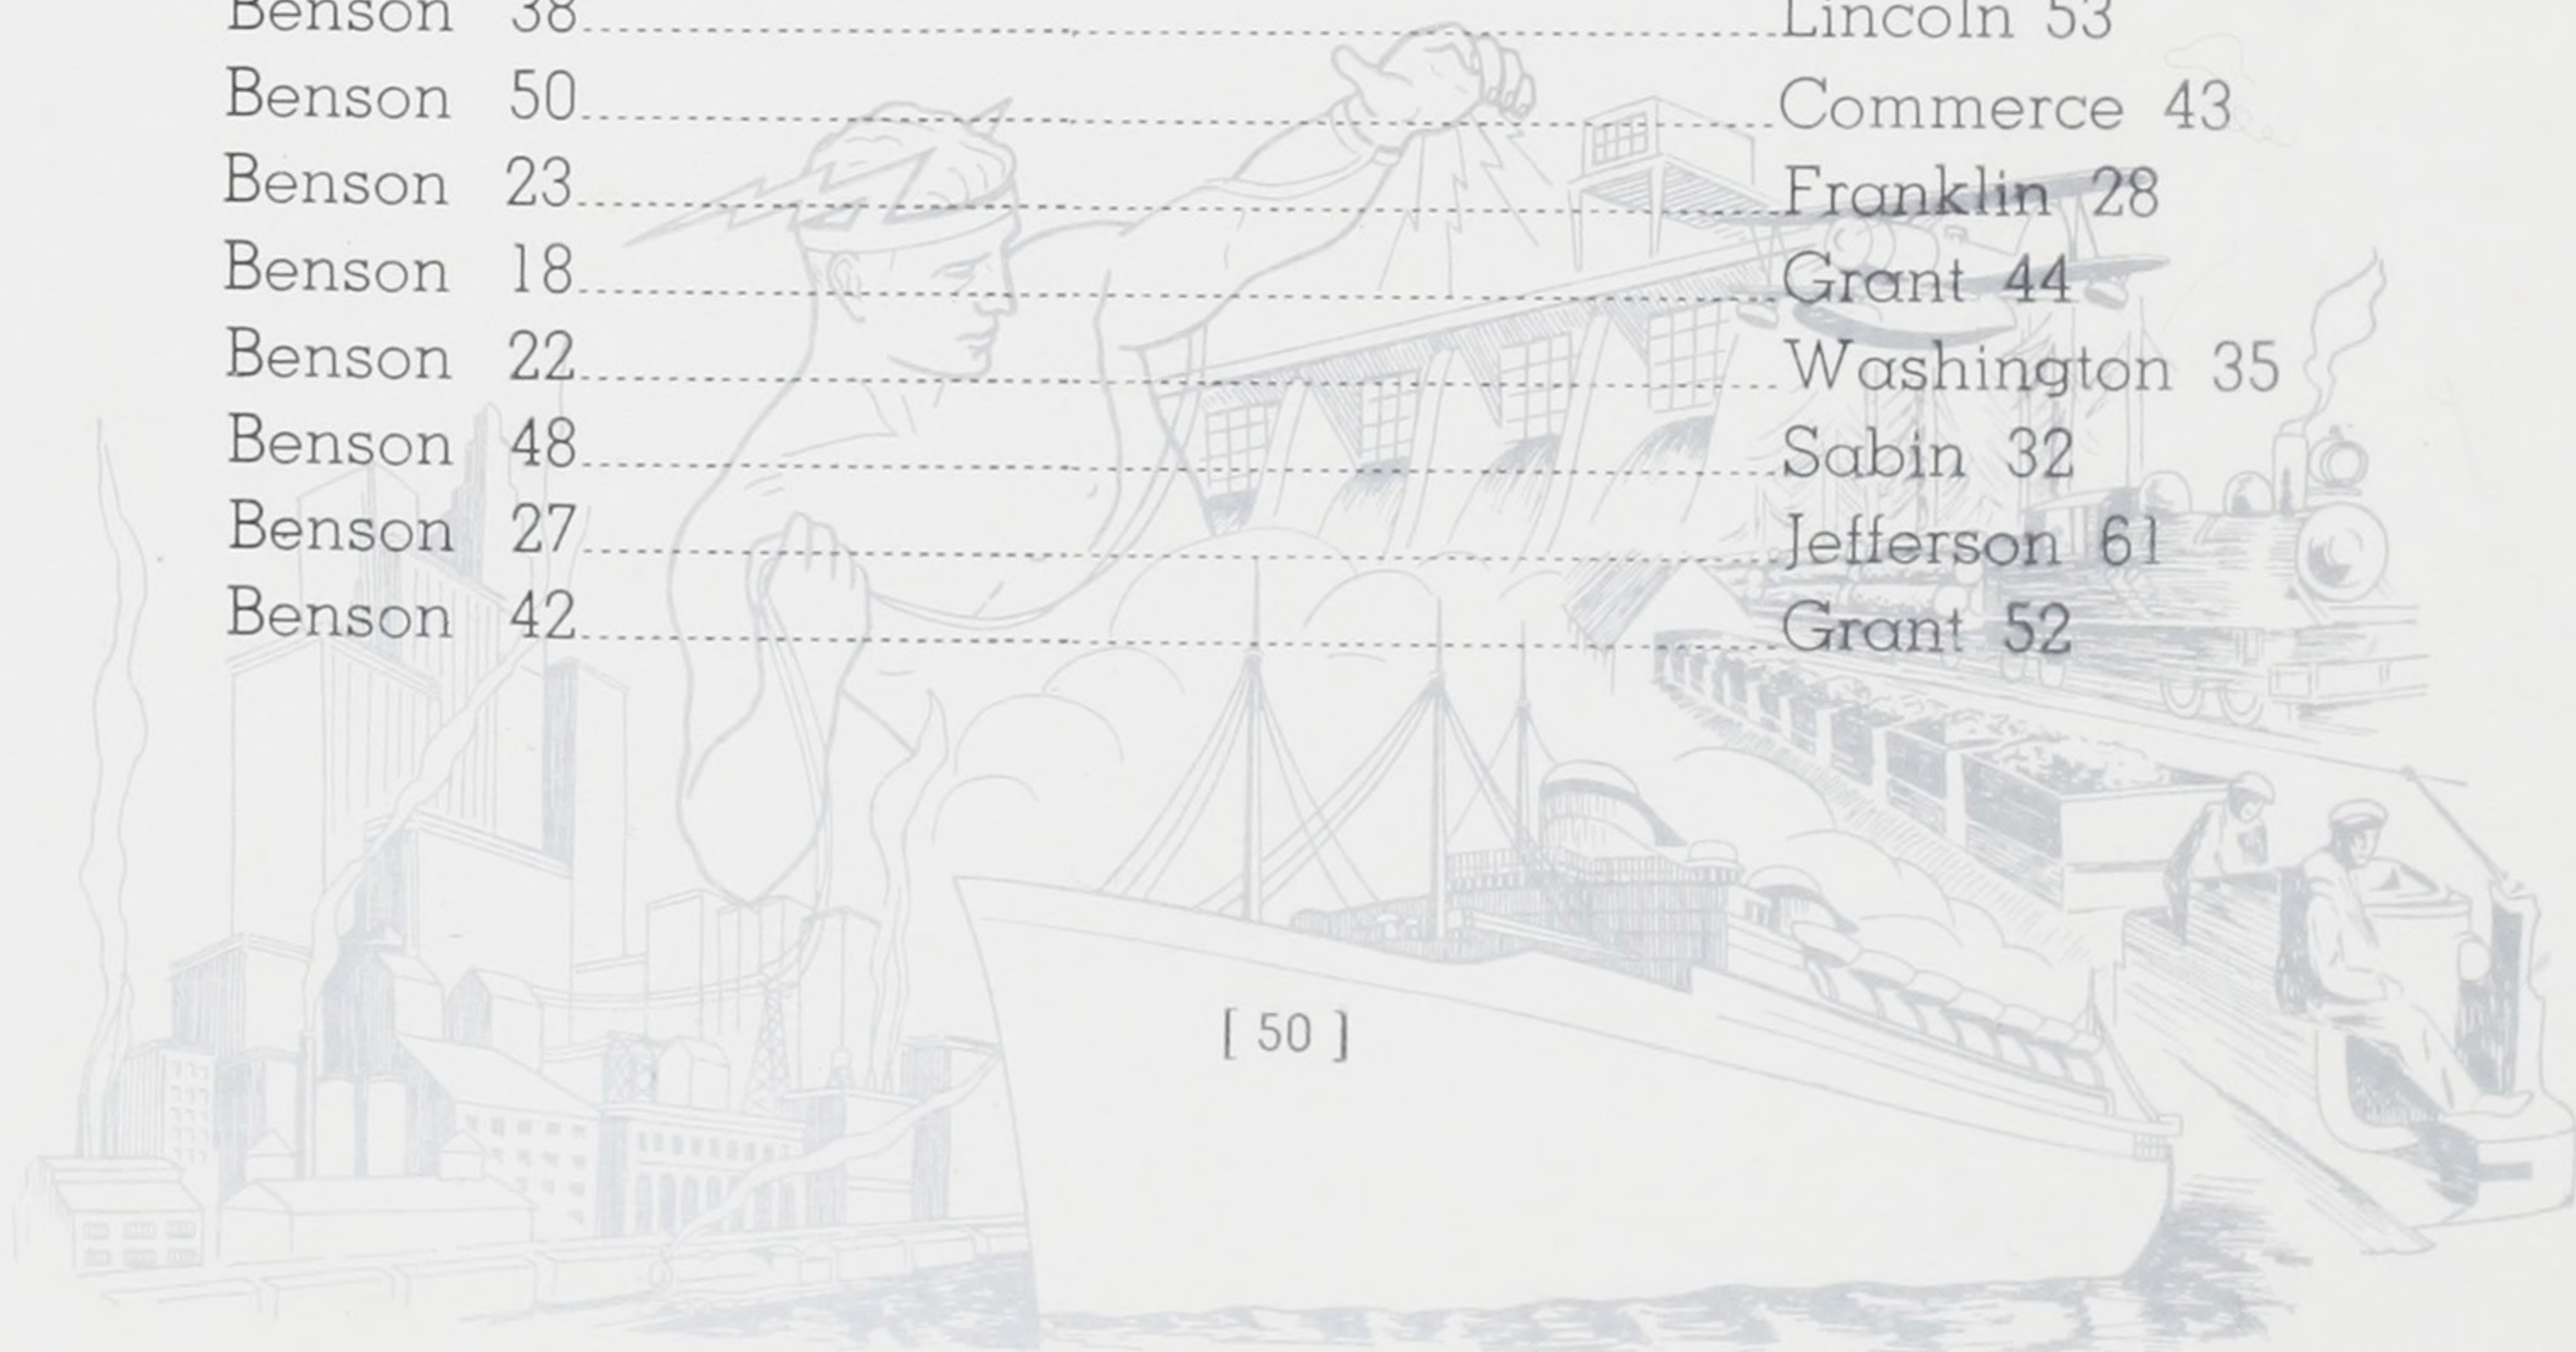

Yell leader: Don Meeker.

Coach Marineau's Varsity team showed great fighting spirit this year as it has in the past. The team placed seventh in the league standings by their five wins and eleven losses.

Benson's upset of the highly-favored Lincoln team was the hoopsters' greatest achievement. They outplayed the Lincoln team from start to finish, and when the final gun sounded, Benson was in the lead 53 to 46.

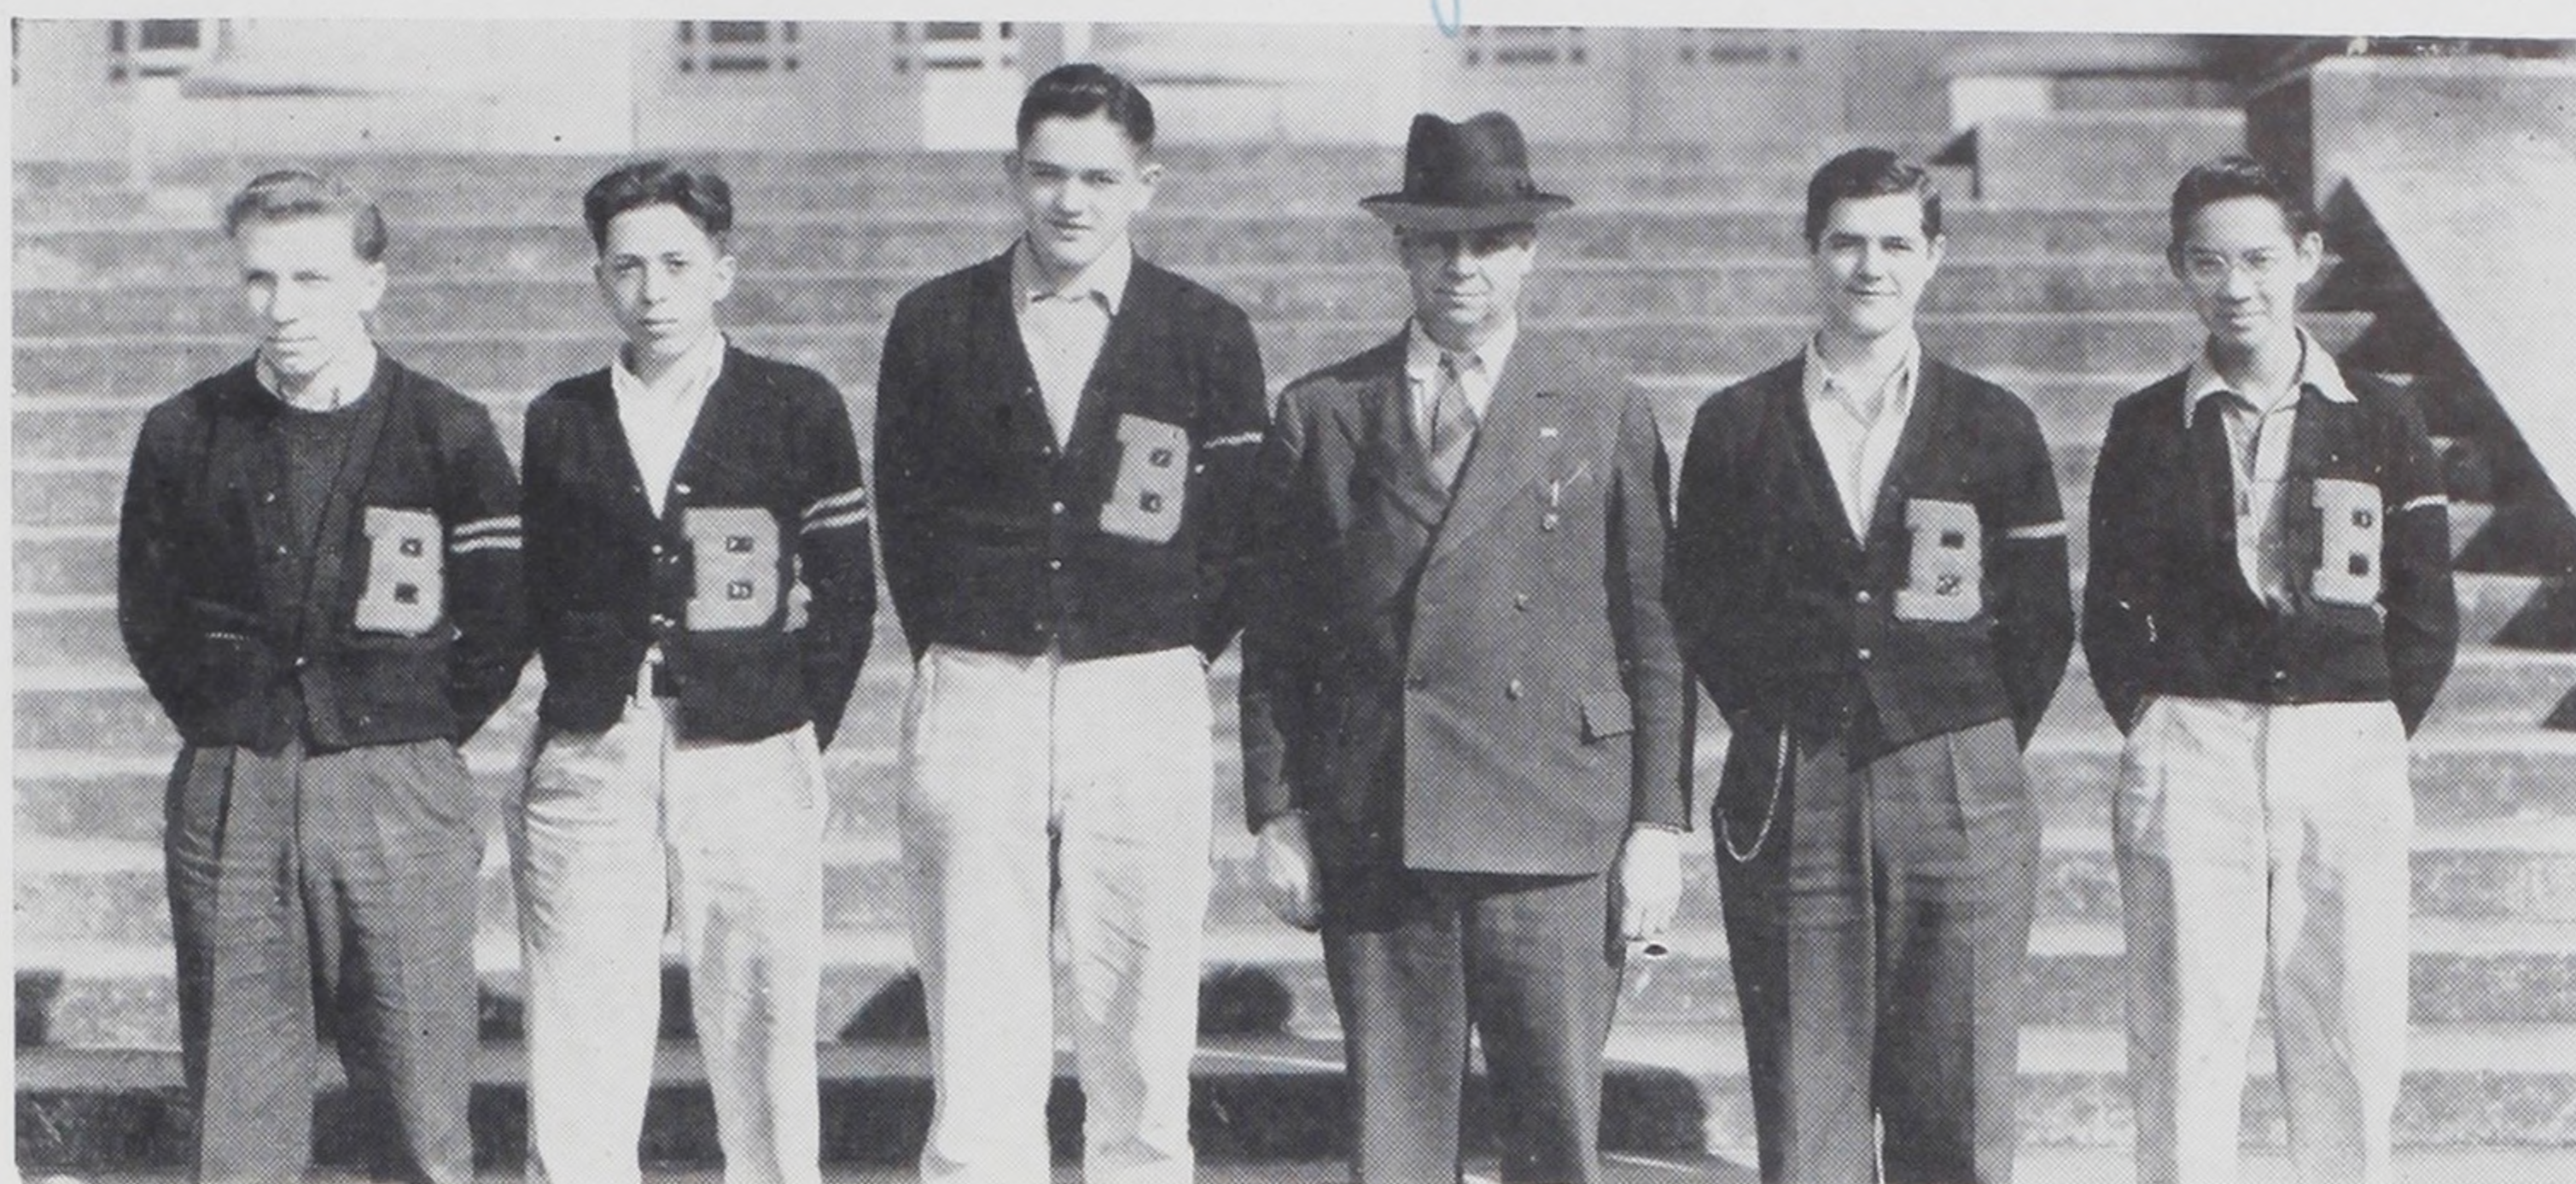

High point man for the team and third highest in the city was "Slim" Sempert, who looped in a total of 160 points. Four members of the team will graduate this term and ten will return.

TENNIS

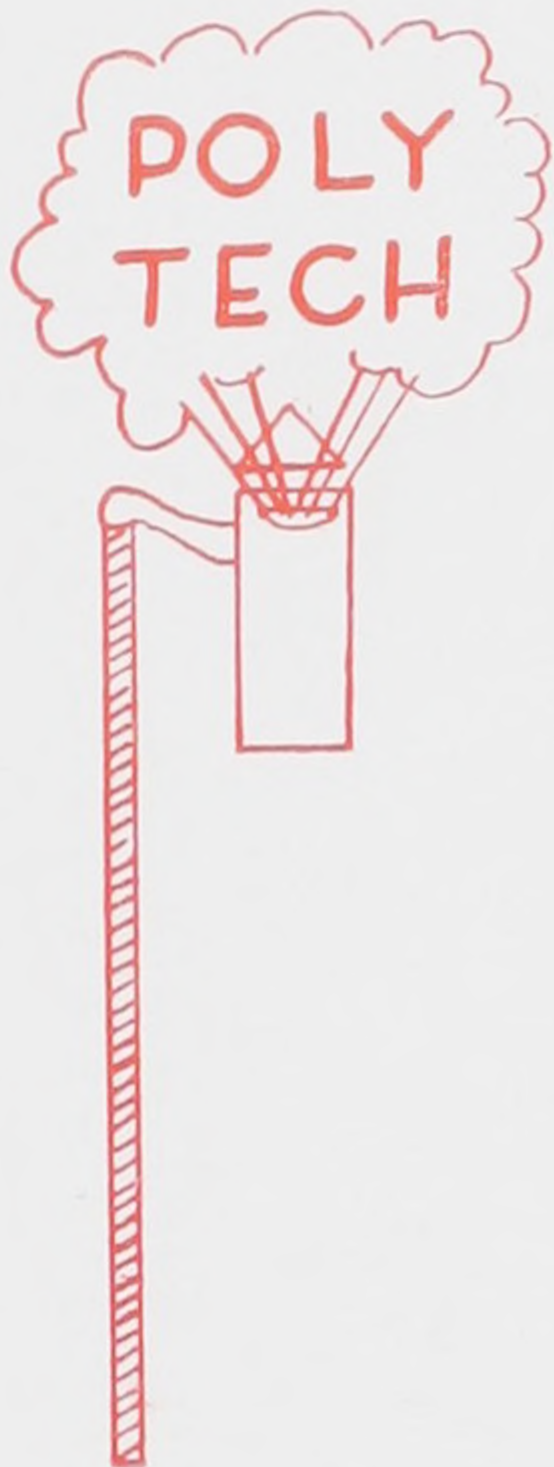

Werth, Sergeant, McKinnon, Mr. Oldright, Coach, Wentworth, Chin.

This year's tennis team is again coached by L. L. Oldright and will be headed by five returning lettermen. Werth, Chin, Wentworth, McKinnon, and Sergeant. are the returning lettermen who will make up the team. Trostal Worth, who has already played for two years, will probably be this year's star player. Because this book went to press before any of the matches were played, it is impossible to record in it any game results; but from the looks of everything, the team should end up near the top.

In times past Benson has felt the support of many tennis players who have risen to national fame after graduation from high school. Benson is proud of the fact that perhaps these great "racketeers" received their inspiration and ambition to go to the top from their training obtained at Benson Tech.

Among those tennis stars who have won fame in national and international tennis circles, the names of Elwood Cooke and Wayne Sabin stand out as significant of the heights which some Benson graduates have attained. Cooke and Sabin both as a team and individually have captured many crowns and honors through their victories in nationally and internationally prominent tennis matches. Benson is indeed proud of these title-holders and it is a reflection on the excellent coaching offered by Mr. Oldright.

SOCCER

1st Row: Beil, Low, Colahan, Pounder, Gray, Cole, Copper, Danna, Anderson, Talerico.
2nd Row: Mr. Drynan, Coach, McCammon, Lee, Paul, Vogelpohl, Jones, Swank, Aoki, Akiyama.
3rd Row: Nagle, McClure, Sparrow, Austin, Behrman, Olson, Williams, Dardano.

The Benson Ballbooters, under the expert coaching of Mr. Drynan, this year captured the soccer title, eleventh in the school's history. They ended the season with five wins and three ties.

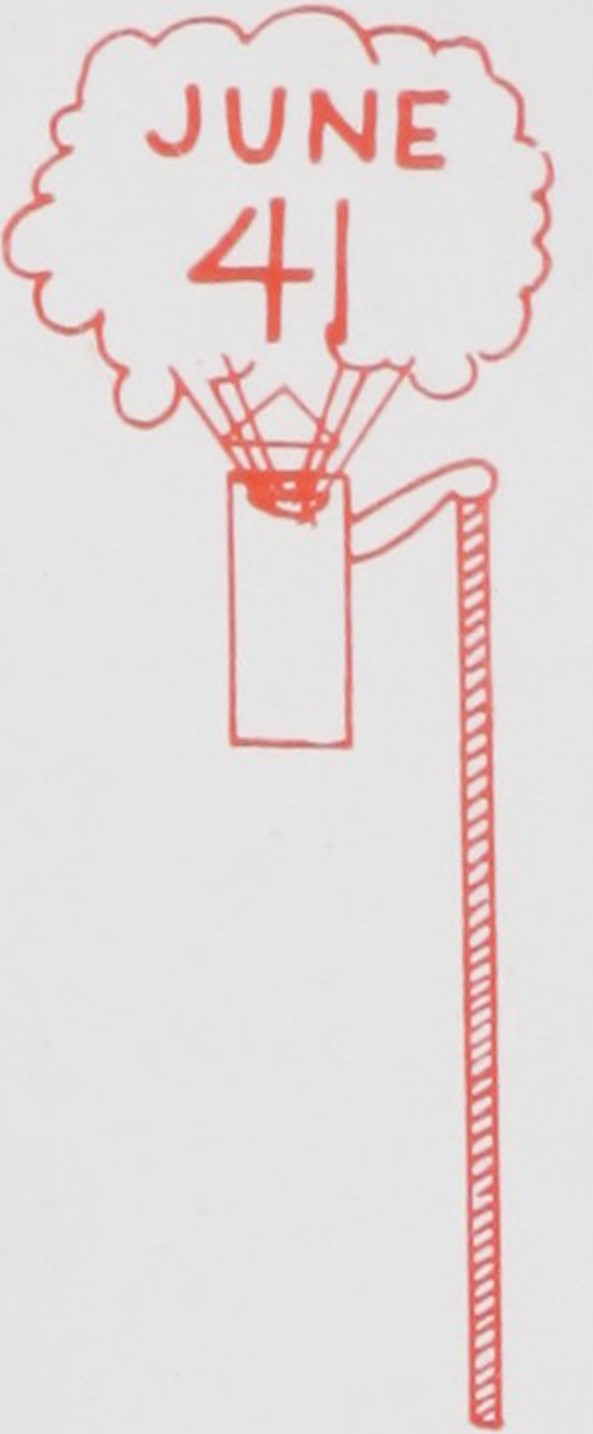

At the beginning of the season the team got off to a bad start by tying the first two games. In the second game, which was played against Franklin, Bud Kavanaugh, a Benson player, kicked the ball accidentally through his own goal, tying up the game at one-all. Perhaps the hardest fought and most important game was with Grant, who was last year co-champion with Jefferson. This game ended in a scoreless tie. In the next-to-the-last game, which was also with Grant, the soccer championship was decided, Benson winning by a score of 3-0.

Louis Talerico, the smallest man on the team, was high point man, and such stars as Bill Gray, George Beil, Don Colahan, and Kenny Anderson helped make up the winning aggregation. Coach Drynan's boys did a wonderful job this year as did his teams of other years, and all Benson students should be proud of the team and of Mr. Drynan. Most of the team will graduate this year, but Coach Drynan looks forward to equally successful teams in the future.

GAME RESULTS

HOCKEY

1st Row: Nolen, Denney, Adams, Huskey, Brown, Lindsay, Childs.
2nd Row: Katrina, Morrison, Goodman, Pearce, Whitfield, McCary.

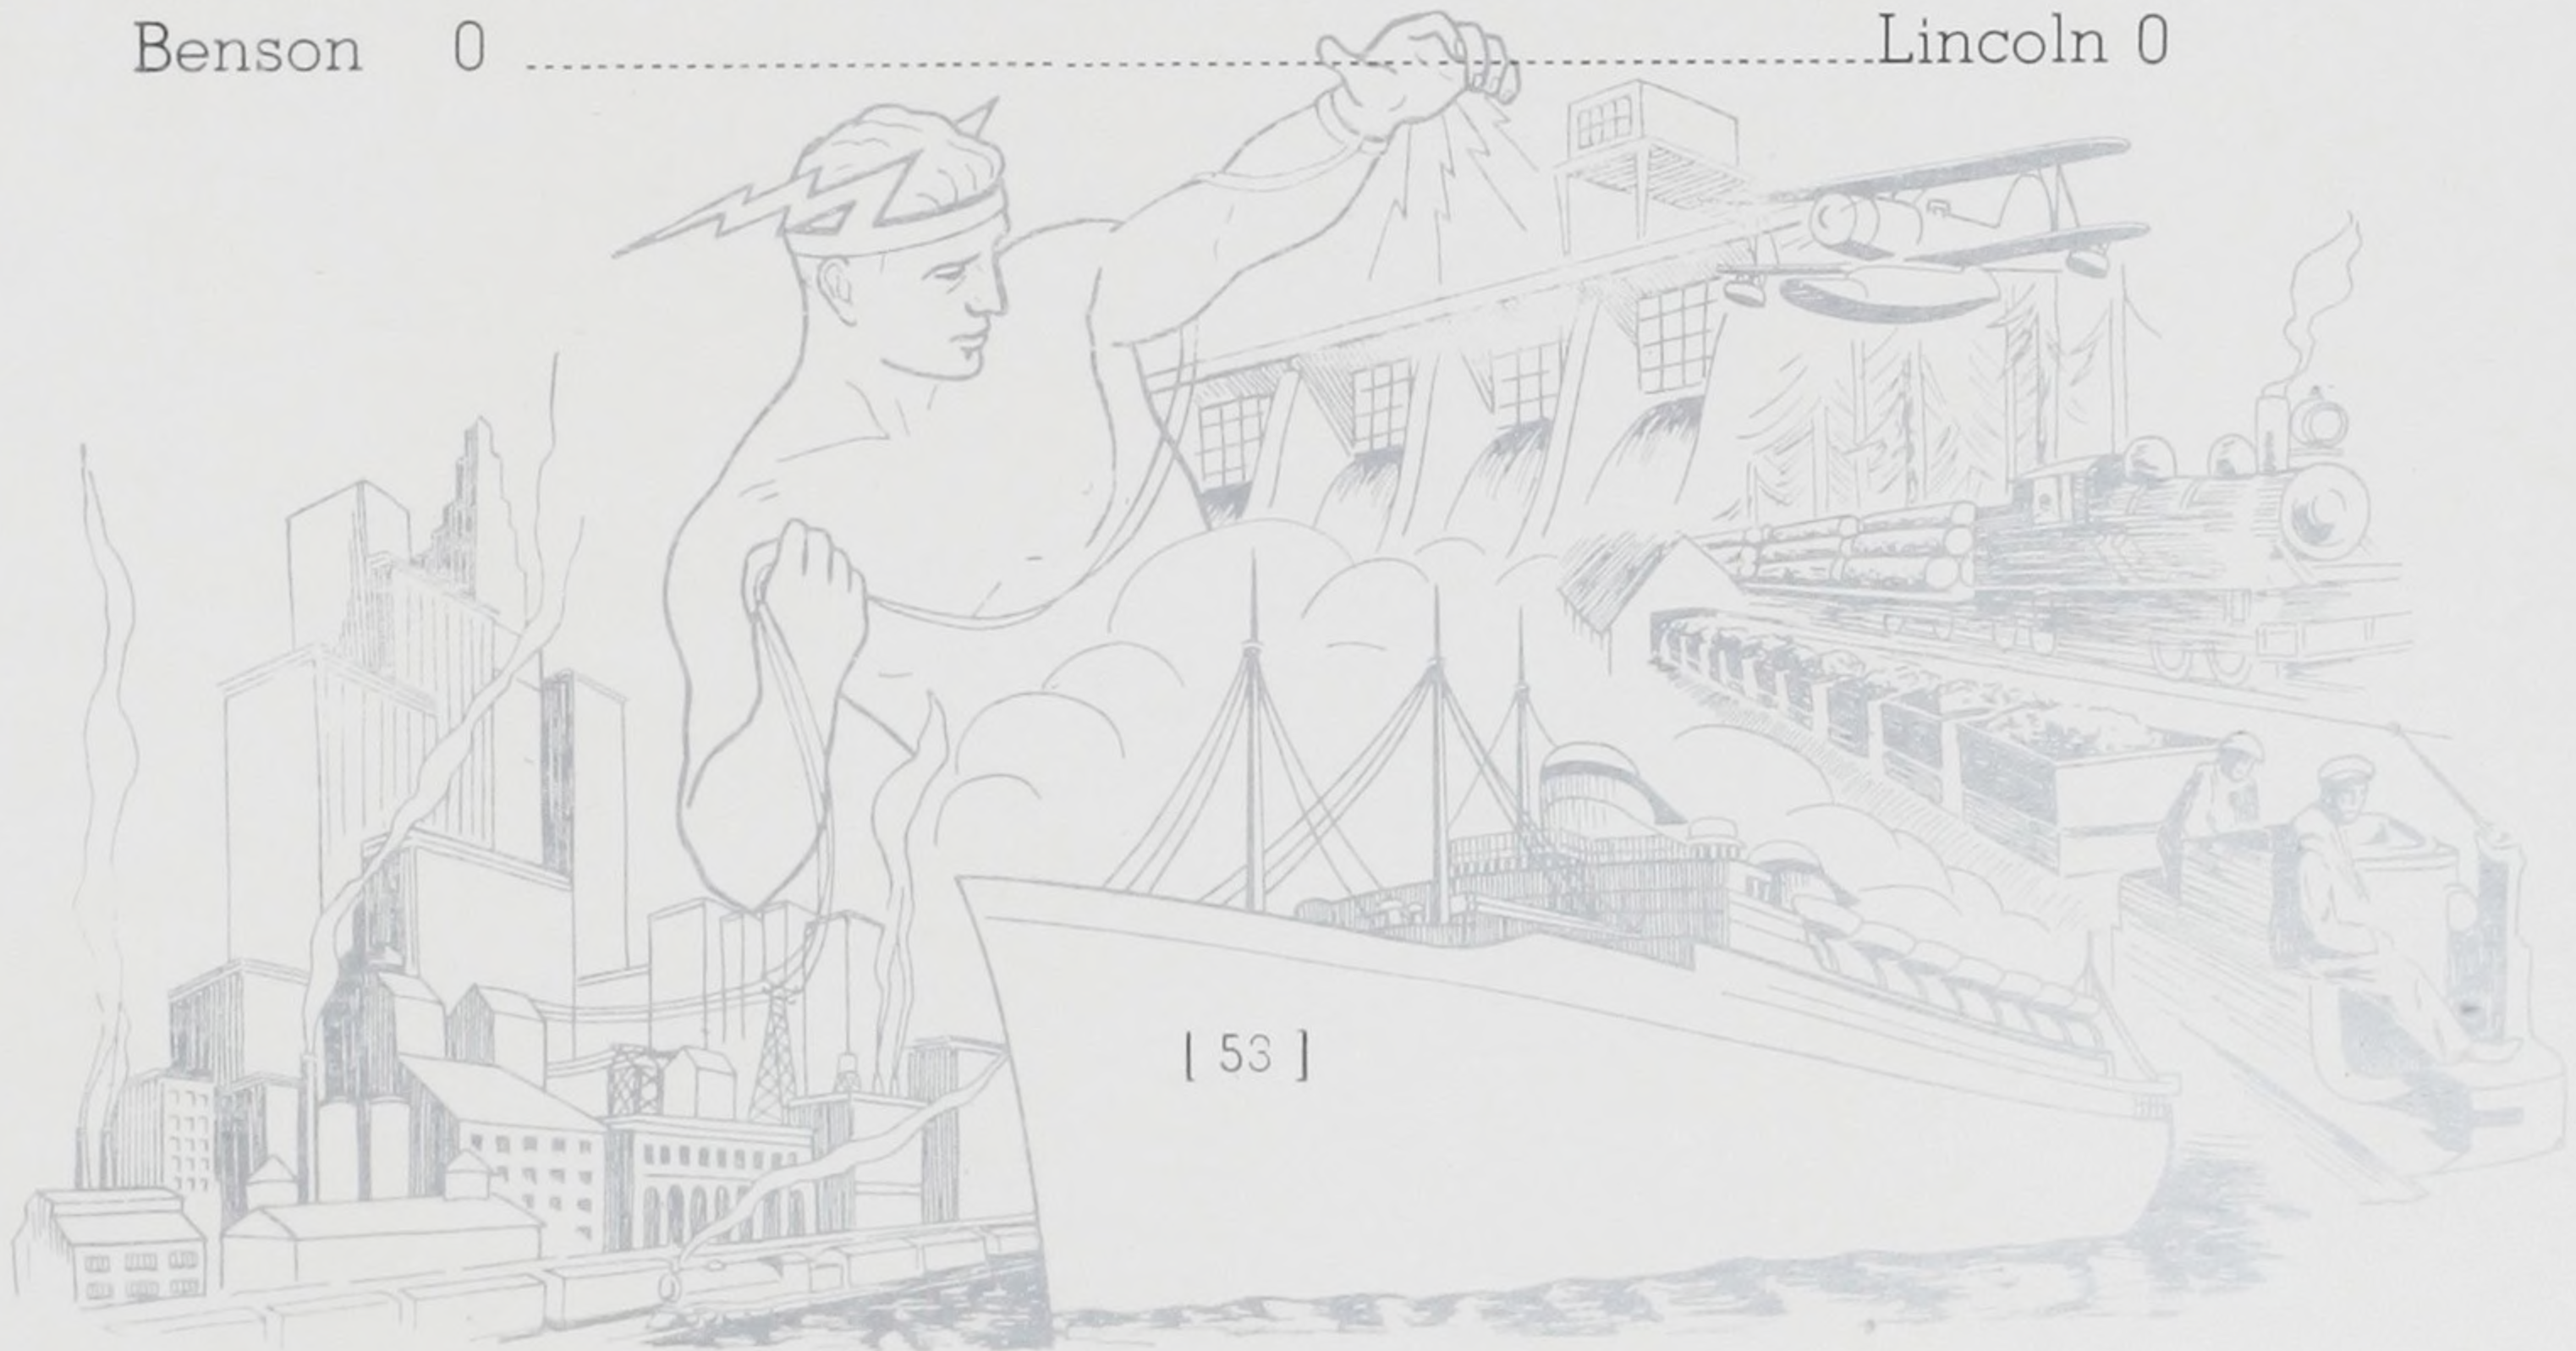

Benson this year produced a great hockey team which ended up as co-champions with Lincoln. Throughout the season the team was under the able guidance of Mr. Henriksen, adviser, and Coach "Vic" Ripley.

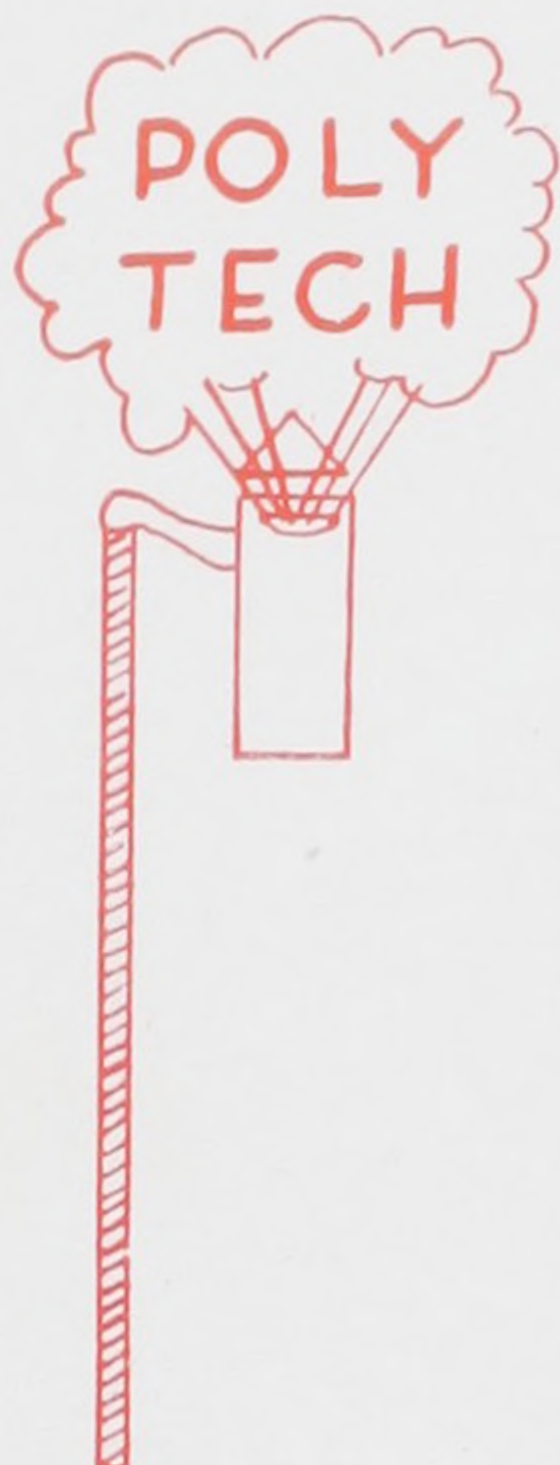

With the exception of Lincoln, the team had little trouble in bettering the competitive teams. The game with Lincoln was the last and most important of the season and ended in a scoreless tie. In an exhibition game with Lincoln, however, Benson won by a score of two to one.

Three Benson players gained the All-Star team, while one gained honorable mention. Those on the All-Star team include Williamson, Katrina, and Childs, while Goodman placed on the honorable-mention squad.

Game Results:

Benson	4	Grant	0
Benson	7	Franklin	0
Benson	3	Washington	0
Benson	9	Sabin	2
Benson	17	Roosevelt	0
Benson	2	Jefferson	0
Benson	0	Lincoln	0

GOLF

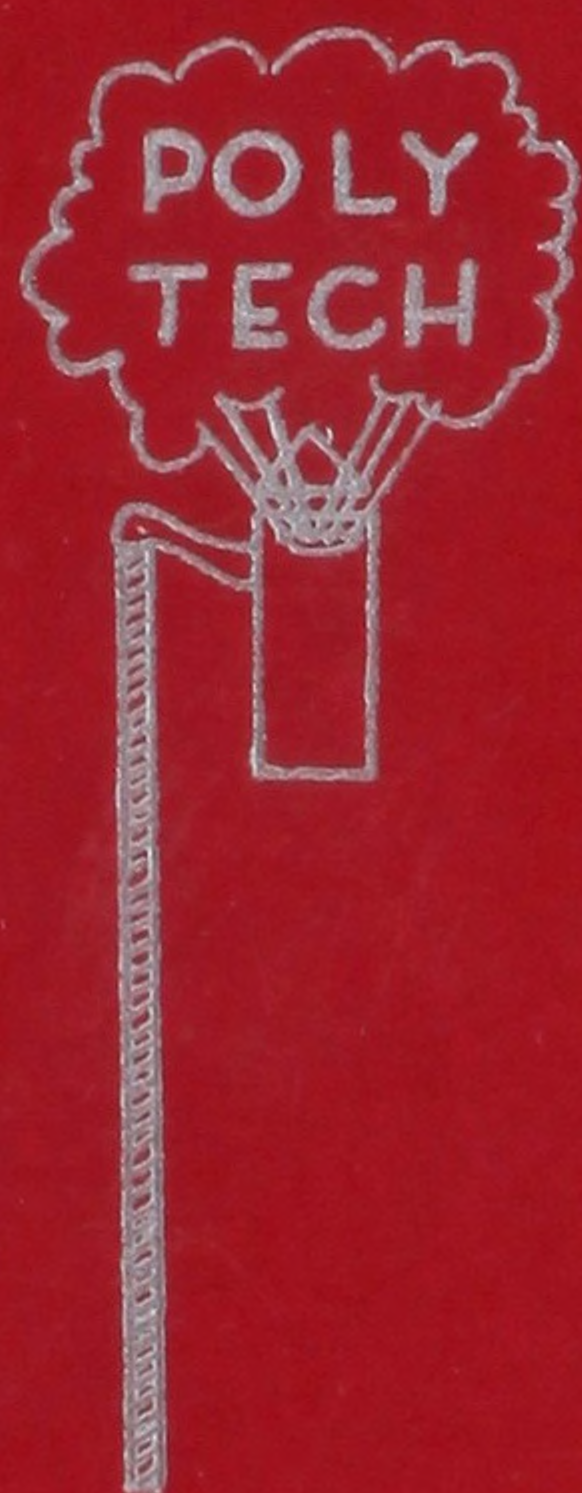

1st Row: A. Fisher, Carter, Piplovich, Aoki, McKendrick, Stricker.
2nd Row: Mr. Messing, Coach, Hams, Sorenson.

With the return of Spring the Tech divot-diggers dug their golf bags, numerous irons, mashies, spoons, niblicks, putters, and mid-irons out of winter storage and began to prepare to wage war with the other high school golfers of Portland and vicinity. Because all but two players graduated from last year's team, Coach Messing found it necessary to build practically a new team. The Tech Golfers are building this year's team on the foundation of "Buck" MacKendrick and John Piplovich, the two returning lettermen, with Bob Roberts and Douglas Skinner forming the remaining half of the team. Roberts and Skinner have not previously played for Benson but show signs of great ability as golfers. This year's golfers show signs of remarkable advancement, and, according to Mr. Messing, the Techmen should end the season very near the top, if not occupying the top rung. Grant and Jefferson are the two greatest rivals of the Benson Golfers in the drive for the city championship.

In the years past Benson has produced outstanding golfers who have walked away with many titles since their graduation from high school. Many state and sectional championships have fallen under the onslaught of former Bensonites. Benson well remembers the activity of the brothers Al and Emery Zimmerman who are now well known Portland "Pros." Harold Salvador and Norman Parsons are two more of the many outstanding golfers who started their careers while in attendance at Benson Tech.

Since none of the matches have been played as this publication goes to press, we are unable to furnish you with the results of the season's challenges, but it seems that success is inevitable.
