Gordy Grenier hugs the ball to retain possession under the Tech boards. Jim Perkins (23) and George Bardsley (32) watch the play. Photo by Oregon Journal.

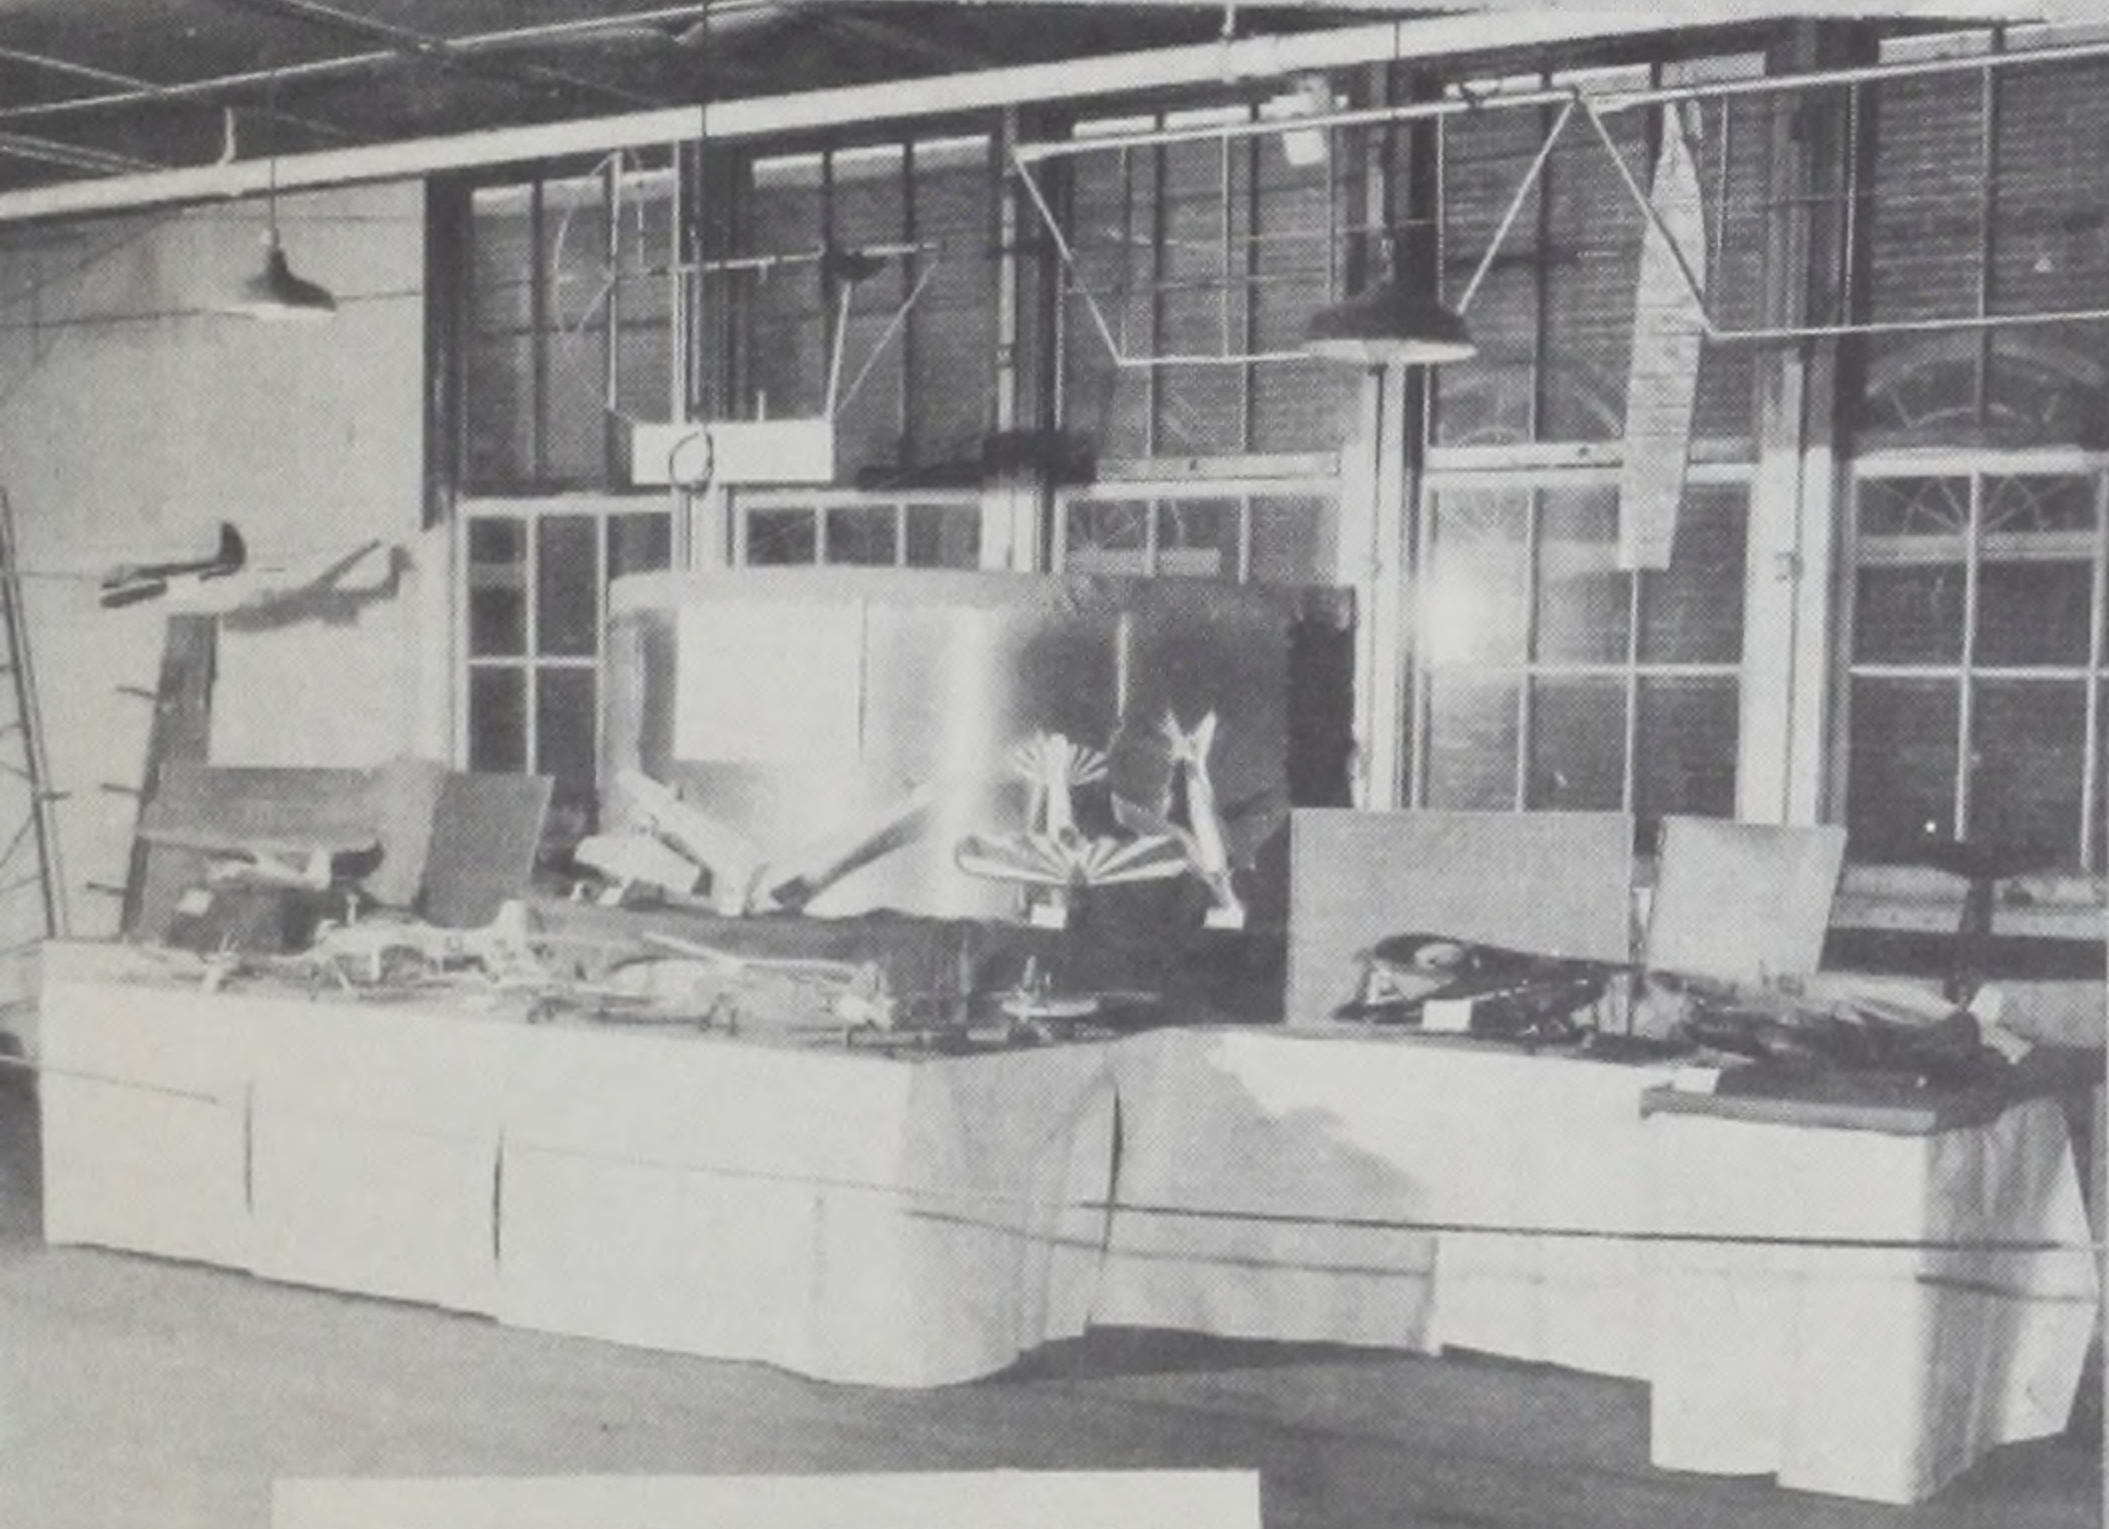

Every year Benson opens its doors so everyone can have an opportunity to see our school in action. All shops have displays showing work done by students. There is also an auditorium show, with school talent, and a movie. **The Tech Show** is one of the big events of the school year.

# DRAMA

In its first year of actual classwork, the Benson Drama Department accomplished many worth-while activities, establishing Benson as having one of the leading high school drama departments in Portland.

On Friday, November 14, 1952, the Drama Classes presented an Assembly program of two One-Act Plays, under the direction of May L. Heitkemper. The first of these was IF MEN PLAYED CARDS AS WOMEN DO, a comedy in one act by George S. Kaufman, with Paul Pattee and Keith Lyons as student directors and the following cast: Carl Schnoor, Don Osborn, Dwight Campbell, Bill Rutherford. The second play, A NIGHT AT AN INN, by Lord Dunsany, had Willard Cripps as student director, Darrell Erickson in charge of lights, and Clifford Bunday in charge of properties, with the following cast: Roger Kuchinka, Lowell Powell, Ralph Simmons, Bill Troyer, Wayne Morris, Tommy Robbins, Cliff Bundy, and Laurence Colvill.

At a matinee performance on January 29, 1953, two more one-act plays were presented by the Benson Drama Department, AFRAID OF THE DARK, by William E. Callahan, and SUBMERGED, by Cottman and Shaw. Two very interesting sets were developed by Mr. Sieforth and the Stage Crew: The cells of Death Row in a penitentiary for the first play, and a forward compartment in a wrecked and submerged submarine for the second show. Cast in AFRAID OF THE DARK were the following student:

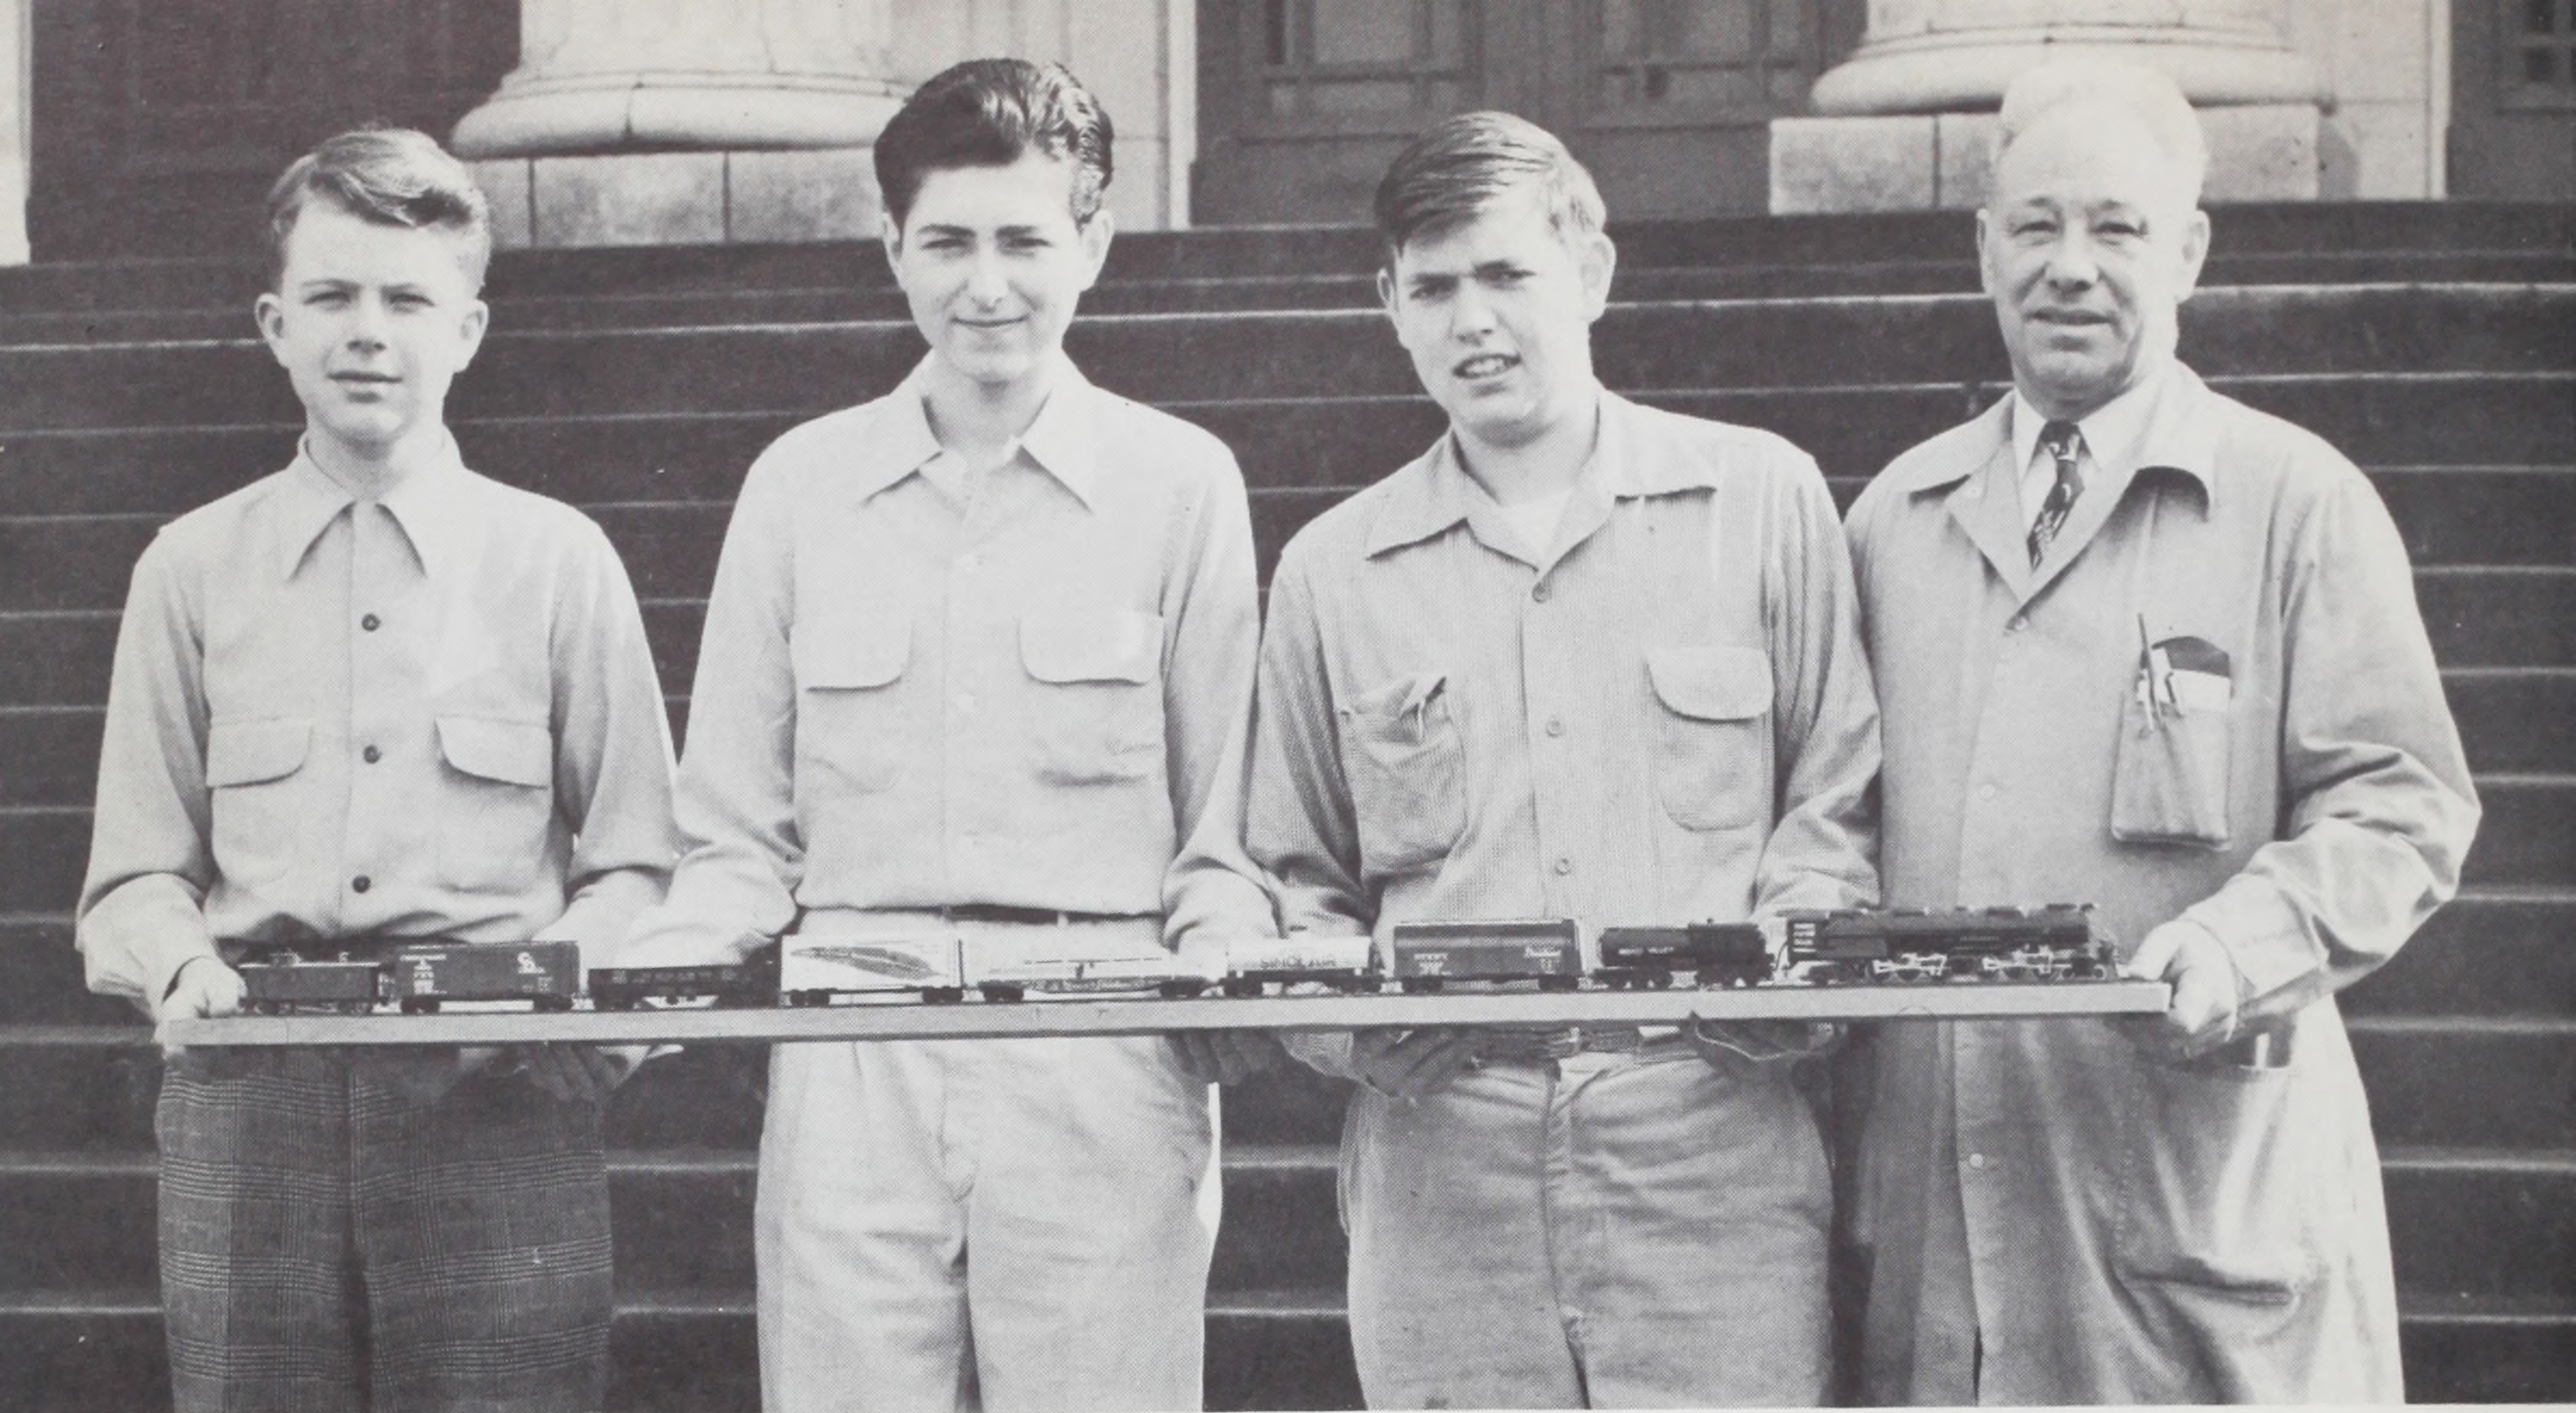

<b>Willie Gulick</b>	Tom Christopherson
<b>Juan</b>	Gerald Perala
<b>The Captain</b>	Bernard Wennermark
<b>The Chaplain</b>	Kenneth Waldo
<b>Guards</b>	Tom Turner, Bob Lane, Keith Lyons

SUBMERGED was chosen to represent Benson in the Portland Public Schools High School Drama Festival, on Wednesday, February 18, 1953, for which Benson Polytechnic School was host to the Drama Departments of Roosevelt, Lincoln, and Grant on that date, and Jefferson, Girls Polytechnic, Washington, Cleveland, and Franklin High Schools on Wednesday, February 25, from 1:00 to 4:00 p.m. Appearing in both performances of SUBMERGED were the following students:

<b>Dunn</b>	Bob Styles
<b>Shaw</b>	Richard Schultz
<b>Brice</b>	Don Worth
<b>MacAndrews</b> (Commander)	Darrell Erickson
<b>Nab</b>	Wayne Morris
<b>Jorgson</b>	Jim Simpson

With the best-equipped high school auditorium in Portland, the expert technical direction of Mr. Sieforth, the professional work of the well-trained stage crew, and the vitality of Benson students, the Benson Drama Department achieved an excellent season's work in 1952-1953.

## KEY CLUB

The Benson Key Club was organized in 1952 for the sole purpose of serving Benson High School and the general community.

The Key Club is sponsored by the Holladay Park Kiwanis which offers the members good advice as to how Benson may be served both socially and physically.

The Key Club's prime interest is in arranging assemblies that are educational and interesting. This year, the Key Club presented four assemblies.

The Benson Key Club has published the Pacific-Northwest District bulletin, which brought added prestige to the club and Benson High School. Also the President, Hugh Six, brought additional acknowledgement to Benson in his office of Lieutenant Governor of Division Number 12.

# SENIOR CLASS PLAY

## Annie Get Your Gun

On March 6 and 7, 1953, the Senior Class of Benson presented its annual Senior Class Play, *Annie Get Your Gun*, directed by May L. Heitkemper. Originally written as a musical play, with the book by Dorothy and Herbert Fields and the music and lyrics by Irving Berlin, and produced on Broadway by Richard Rodgers and Oscar Hammerstein, as a straight play without music *Annie Get Your Gun* proved to be a buoyant and exciting play, filled with lively action and amusing comedy.

The nine main male parts in the play were headed by the character of Frank Butler, an expert sharpshooter appearing in Buffalo Bill's Wild West Show, portrayed on Friday night's show by Carl Schnoor and on Saturday night by Donald Scott. Buffalo Bill Cody, the enterprising and genial showman, was enacted by Pete Cohn, while Foster Wilson, the irritable hotel proprietor, was played by Charles Brown. Jim Simpson appeared as Buffalo Bill's rival, Pawnee Bill, and Gene Baker played the comedy lead, Chief Sitting Bull, while the important role of Charlie Davenport, Buffalo Bill's manager, was ably filled by Roger Gill. Vincent Kralej played Tommy; Clyde Sparks, Little Jake; Bob Styles, Mac; Willie Sorg, the conductor; Richard Schultz, an Indian dancer, and Joe Sullivan, a boy.

The title role, played on Broadway by Ethel Merman and Mary Martin, and in the movie version by Betty Hutton, was double cast with two leading ladies from Girls Polytechnic High School. On Friday night Connie Meyers appeared as Annie and Pat Patrick on Saturday night. Each of them gave a sharply individualized portrayal of the shy, gawky, and backwards girl whose skill as a sharpshooter brought her fame as a rival to Frank Butler, the man she loved.

Appearing as Dolly Tate were Carol Hurring and Marilyn Morris on the two nights, and Jacqueline McKinley as Winnie Tate, the ingenue lead, while Arlene Roberts and Maureen Corbin, from Junior Civic Theatre played Annies' little sisters, Jessie and Minnie. Barbara Martin portrayed a society leader, Mrs. Sylvia Porter, Mary Tharp enacted a little girl and Laura Jane Kralej, Amelia Graham, Janet Ever, Pat Stevens and Betty Lou Johnson also appeared in the play.

Among the extras also were Valgene Goertzen, Ed Caldwell, Bill Patton, Bruce Wadsworth, Merle Thornton, Henry Burchard, Russell Kyes, Bob Rector, Dennis O'Drane, Eugene Borice, and Glenn Hartel.

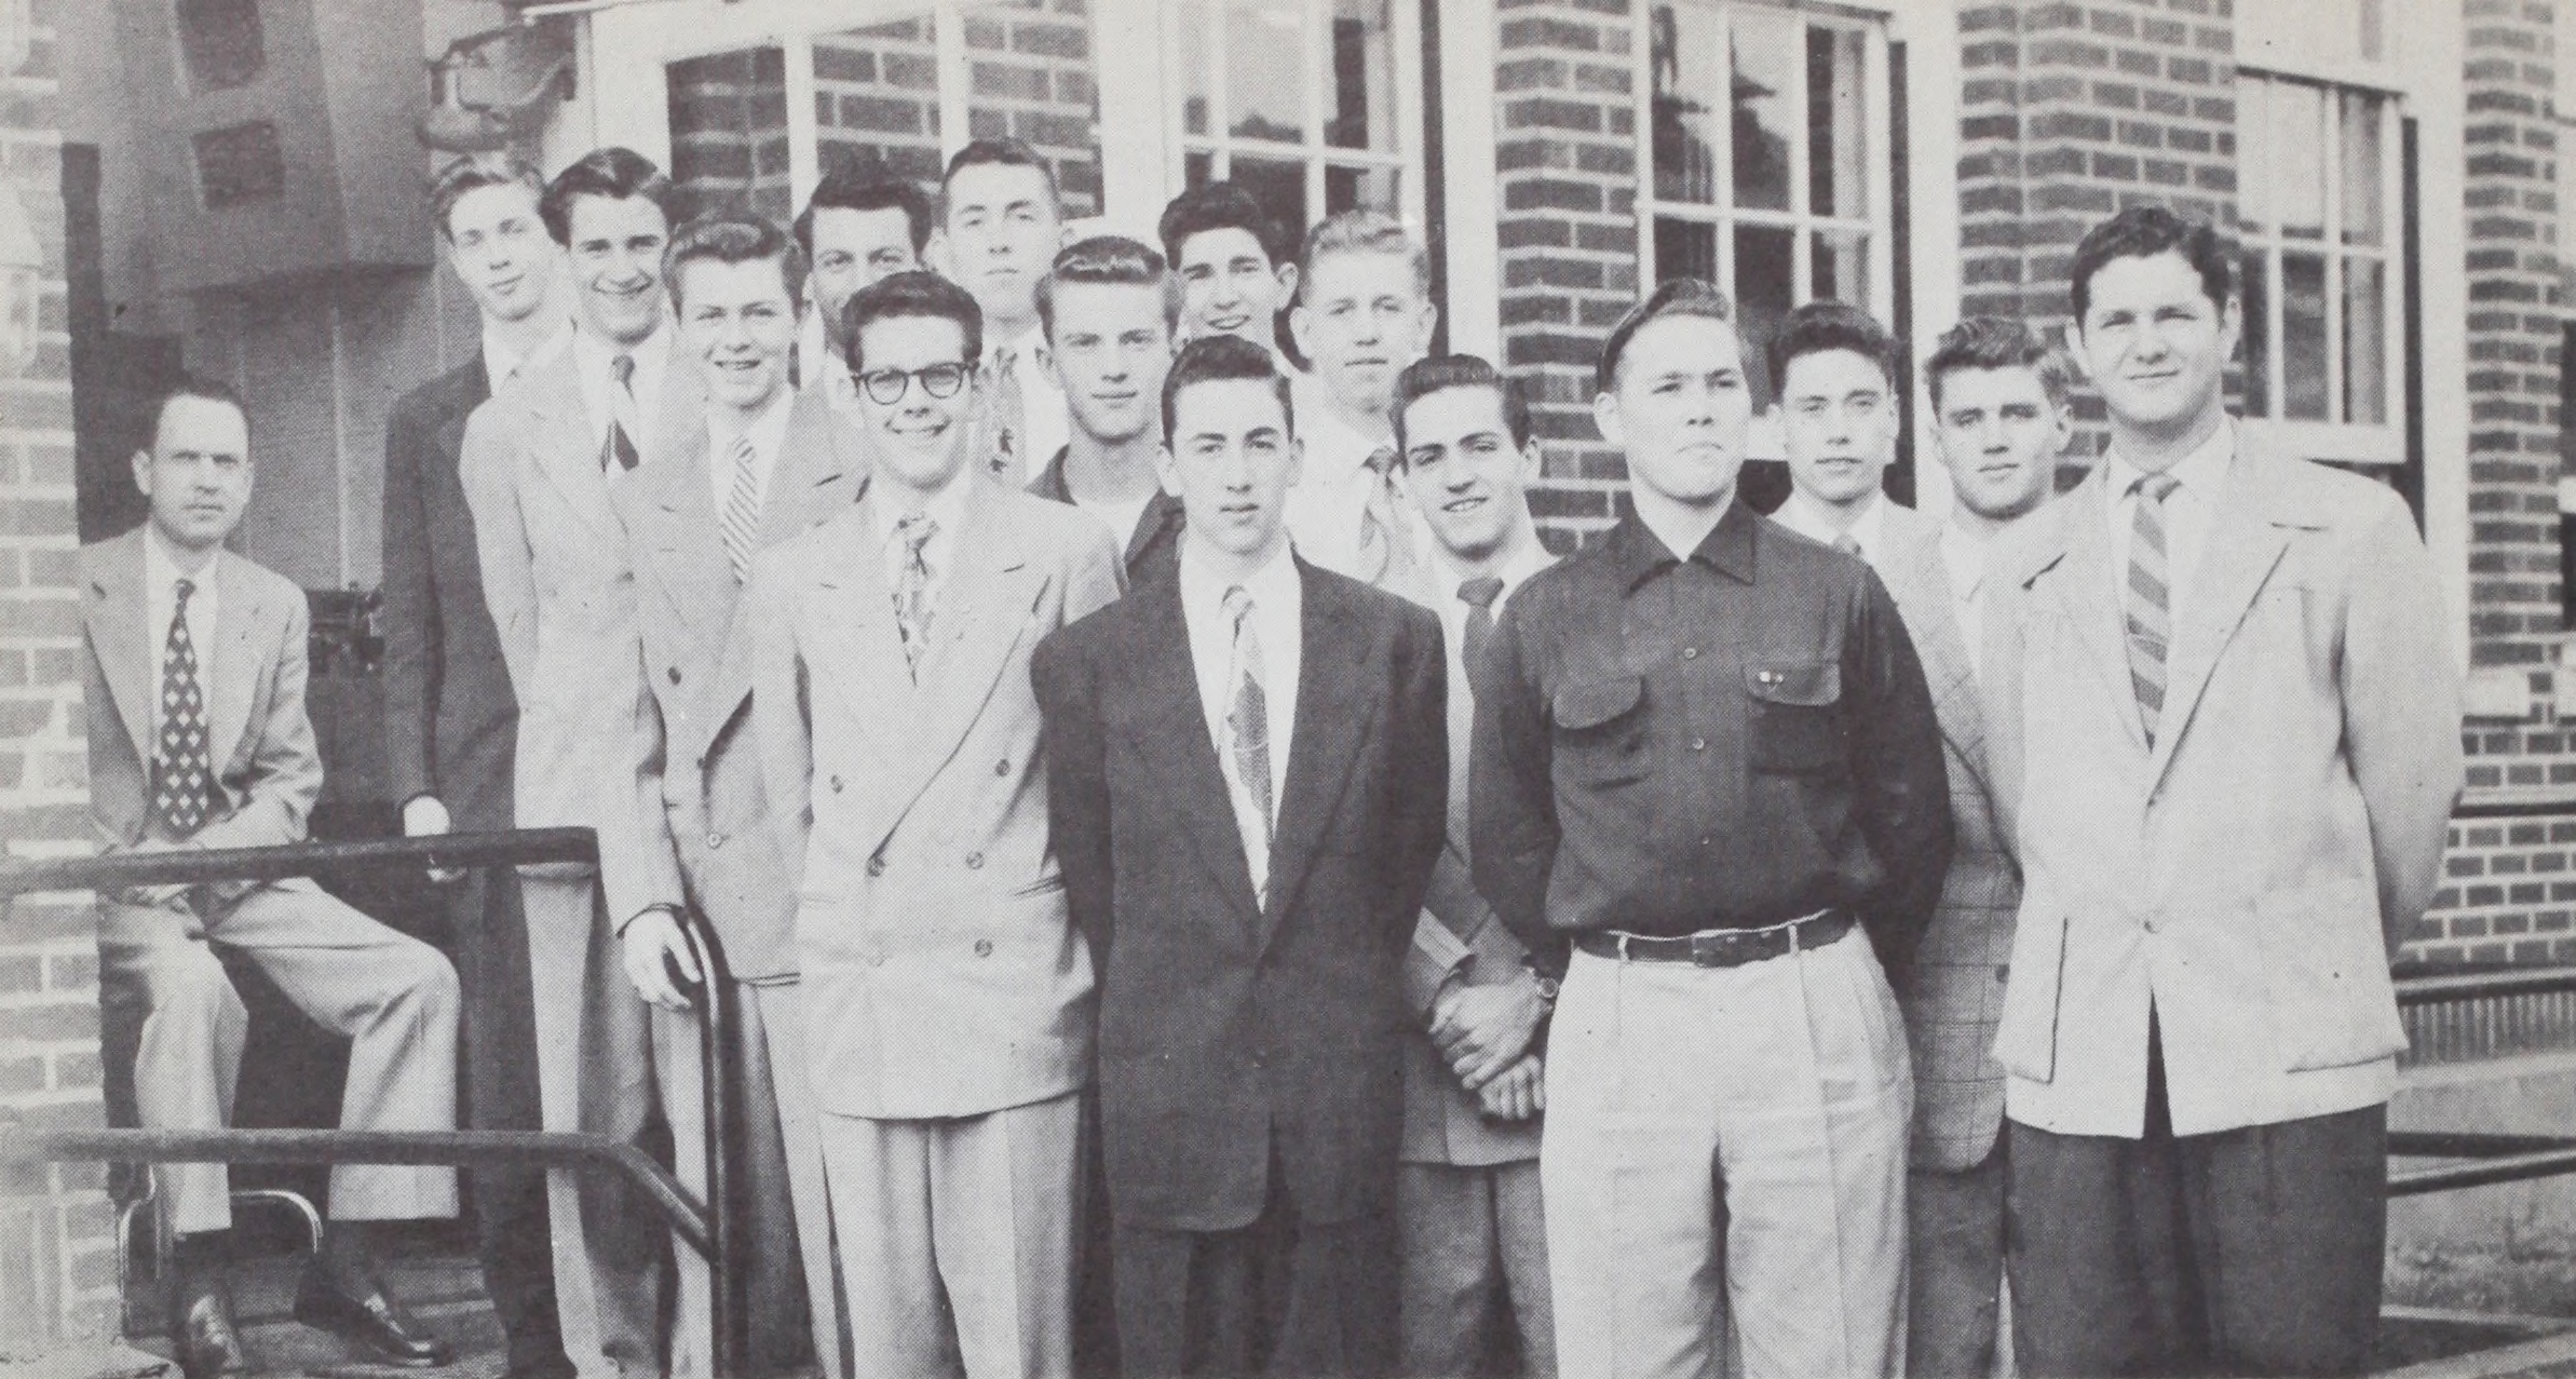

Mr. Sieforth and the stage crew met the challenge of the many set changes with a variety of colorful stage settings, ranging from the exterior of a small summer hotel, to a coach car of a train, the fair grounds of Minneapolis, the deck of a cattle boat and the lawn of a Long Island home.

As entr'acte entertainment, songs from Irving Berlin's score for *Annie Get Your Gun* were sung by cast members, including Connie Meyers on "Doin' What Comes Naturally," Roger Gill on "The Girl I Marry," Marilyn Morris and Jim Simpson on "They Say That Falling In Love Is Wonderful," and the whole cast on "There's No Business Like Show Business."

ROW 2: F. Corson, J. Singleton, L. Bass, B. Morang, J. Warner, A. Postmoth, L. Williams, C. Schnor

# KBPS

On March 23, 1953, Radio Station KBPS, the Voice of the Portland Public Schools, celebrated its 30th birthday. Its call letter, KBPS, show that the station is located in Benson. Those who know the story of its 30 years of educational broadcasting know that it was purchased by the Benson Student Body and operated by Benson faculty members until 1939, when the School District assumed its support and employed a station manager. Miss Patricia L. Green is the third manager of KBPS and in addition supervises radio in all of Portland schools. The station now also employs a Program Coordinator in charge of high school and adult program production.

KBPS is unique in that it is the only high school student-operated, school-district-owned, standard wave length broadcast station in existence. KBPS is the second oldest radio station in Portland. Original call letters were KFIF. At the time of its purchase, all stations in Portland operated on a wave length of 360 meters. Each station would take an allotment of time, be on the air for 13 minutes and then shut down for 2 minutes to listen for distress signals from ships at sea. Stations in those days had many changes in wave lengths and time on-the-air. KBPS has shared its spot on the dial with almost every station in Portland. It stopped sharing its wave length with station KXL in 1941 and went to 1450 on the dial, where it is now. Of the three men who pioneered the building and plans for KBPS only Mr. R. T. Stephens is still at Benson as a Physics instructor. Mr. Stephens now handles all legal matters for KBPS which concern the Federal Communications Commission.

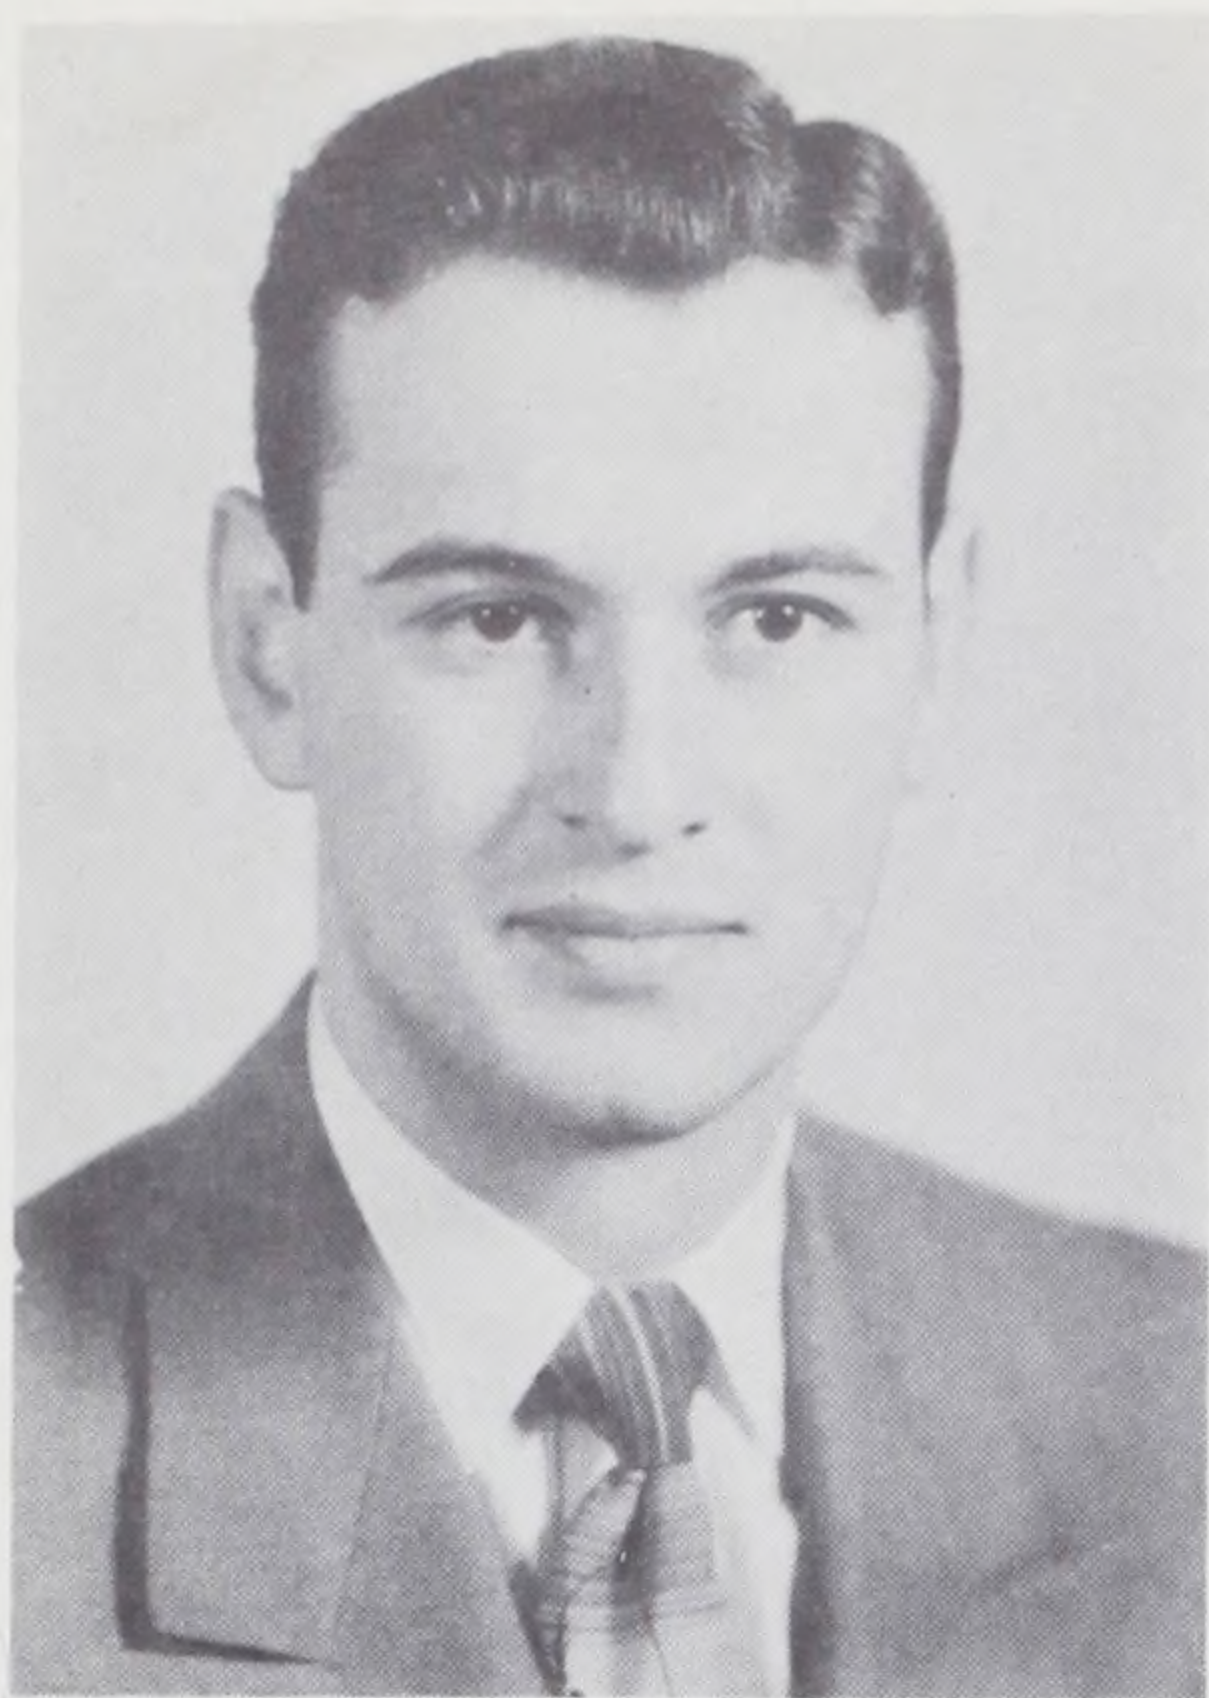

KBPS is now licensed by the FCC to broadcast twelve hours a day. Programs are broadcast which supplement the work of the classroom, which give high school students opportunity to produce original radio programs, and the evening hours are filled with programs beamed to adults in the community.

Benson students learn the varied techniques of radio work through producing, announcing, sportscasting, and through the setting up and recording of all types of programs in their daily operation of a real broadcast station. Students become efficient combo-men from operating the KBPS control board, and many have earned their first class broadcast "ticket" which enabled them to join the staffs of commercial radio stations. Stations throughout the Northwest have former Benson, KBPS students on their staff.

Charles Weagant, KBPS Engineer, supervises the technical operation of KBPS and instructs staff members in transmitter operation. In 1950 KBPS erected a new 200 foot tower and installed a new transmitter, partly student-built under Mr. Weagant's direction, which boosted the station's power to 250 watts.

**RAY MEYER**  
Co-editor

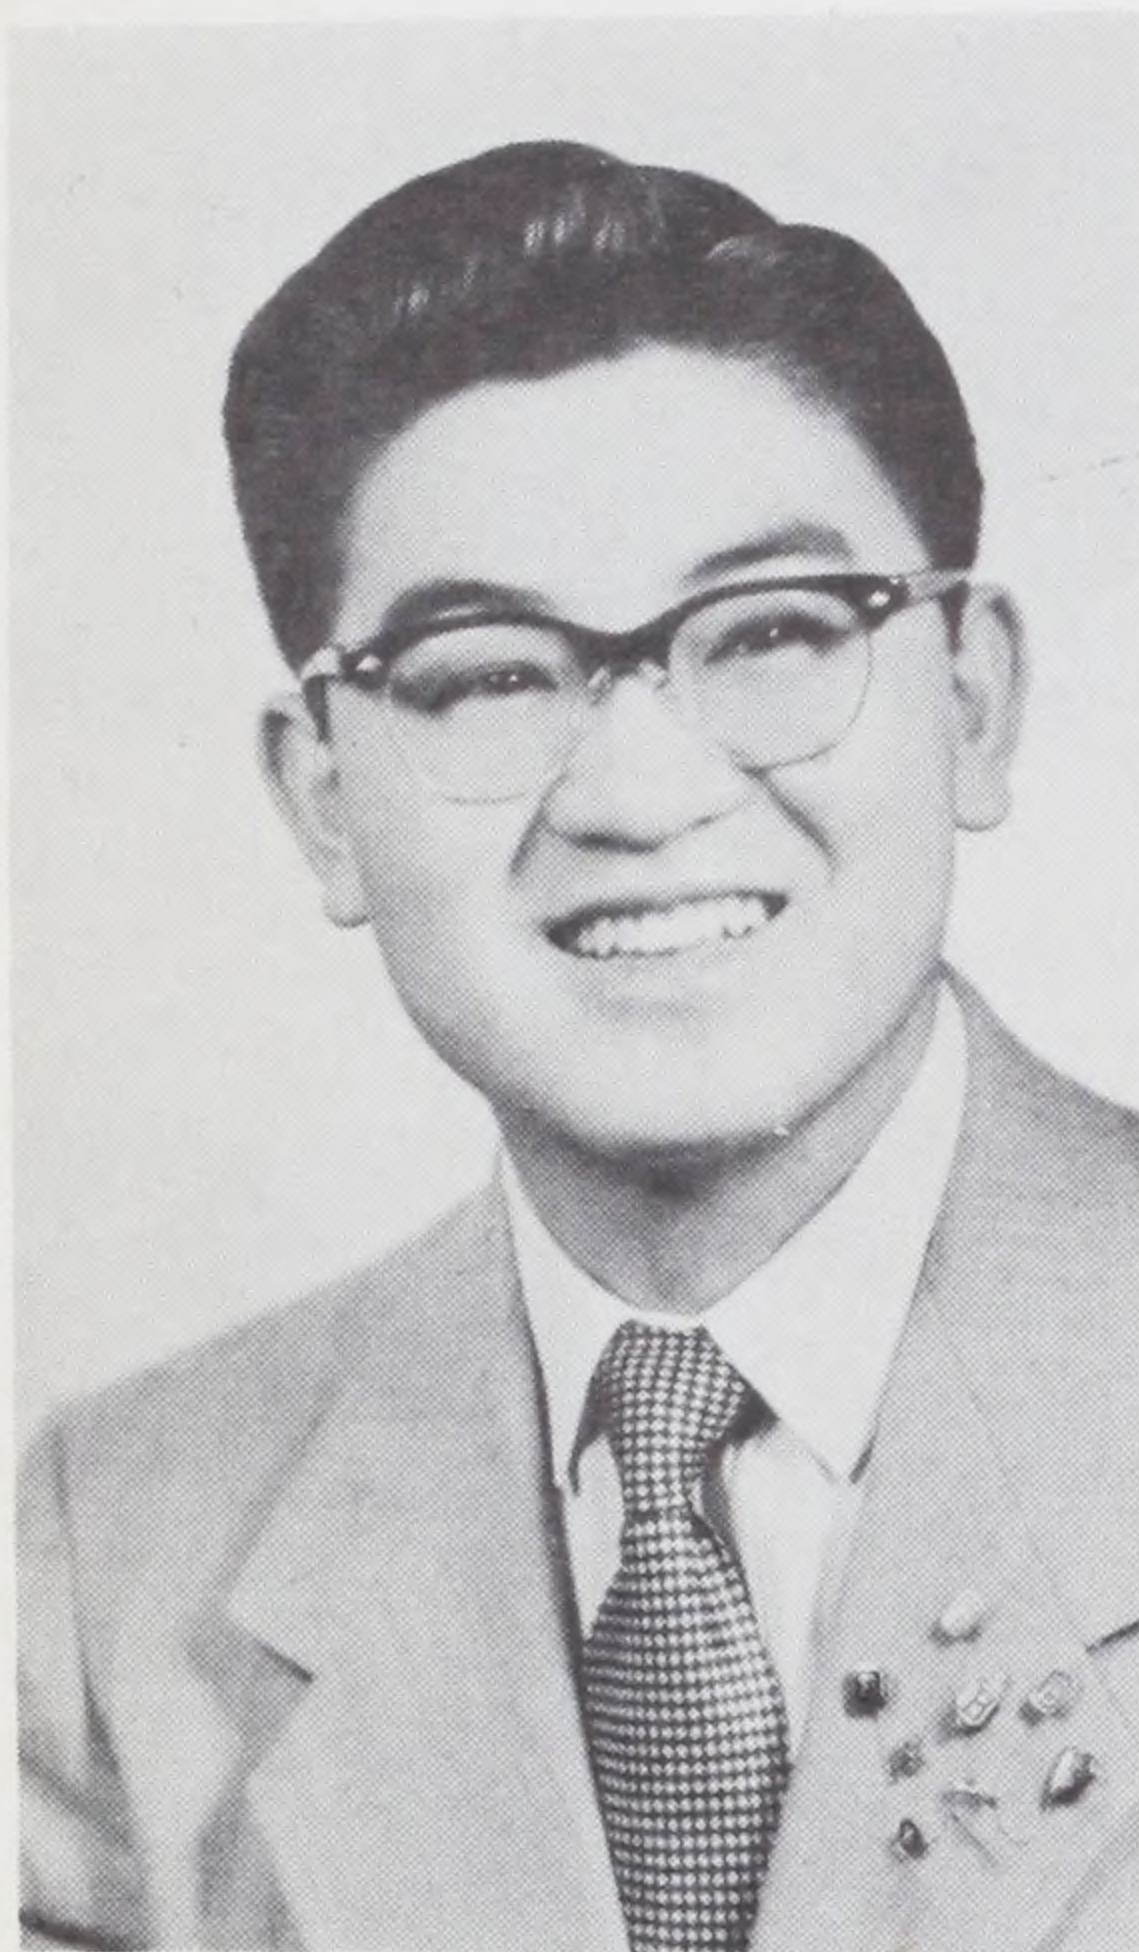

Your Poly Tech was edited by Philip Carrell and Ray Meyer, who were assisted by a small but active staff. The sports section was edited by Darrell Erickson, who also helped a great deal on the remainder of the book. Art work, including the smart looking separation pages, was done by Sam Lee. Franklin Quan did a fine job selling advertising and by doing so greatly reduced the price of your yearbook.

The large amount of photography was ably handled by Philip Carrell, Jack Wetzel, Myrton Nelson, Dennis Johnson and Kris Jensen. The Poly Tech sales were cared for by Darrell Erickson and Ray Meyer. Jim Kamphouse and Richard Betts also helped sell advertising and took care of the financial dealings of the book.

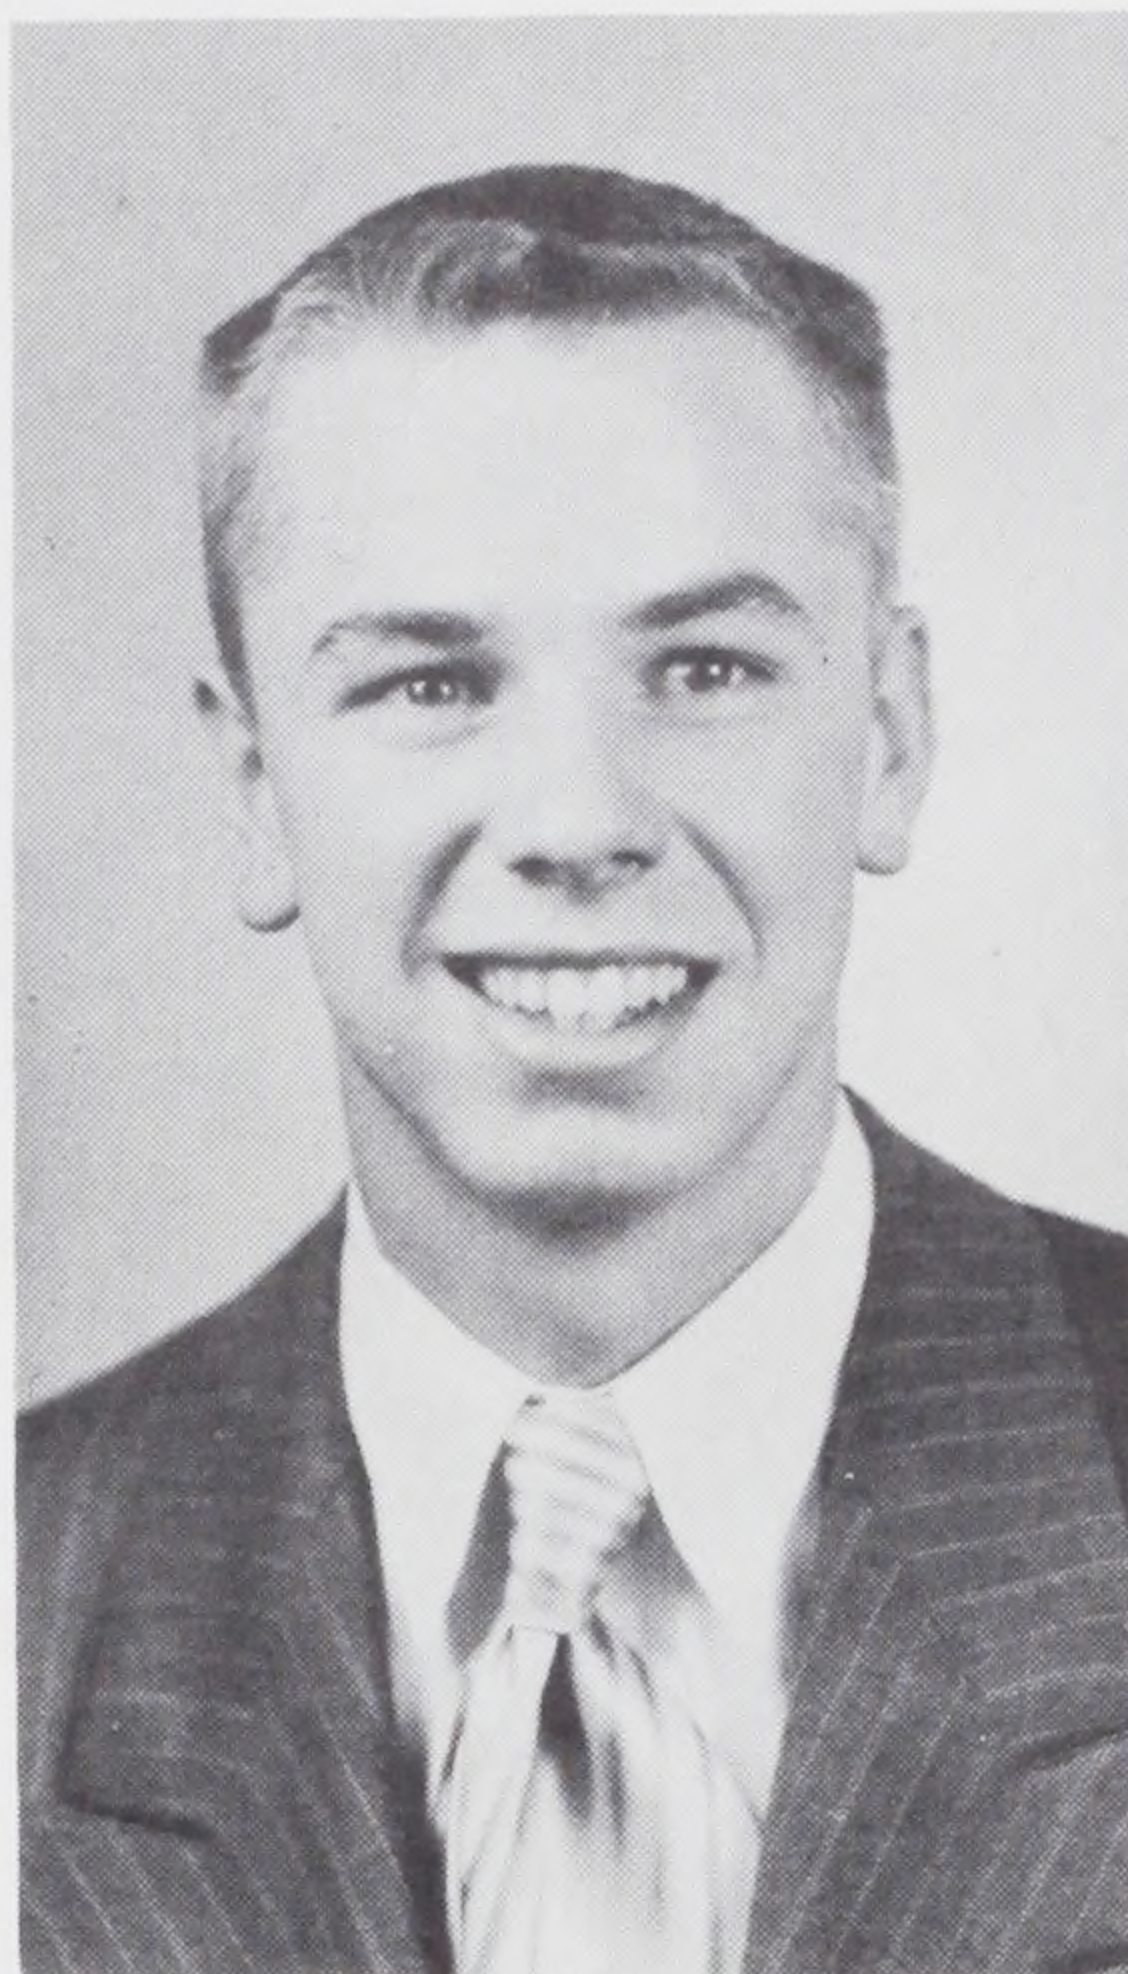

We greatly appreciate the fine assistance given to us by Mr. George Hysmith, our advisor, and Mr. Donald Wilkinson, the print shop instructor. To Ryder Printing Company, Mr. Howard Corning, your layout artist, and Gladys Gilbert Studio, our senior class photographer we extend our thanks for their wonderful cooperation in making this year's Poly Tech a success.

- ROW 4: B. Lane, J. Simpson, G. Sheasley, G. Burnett, K. Brown, B. Edwards, R. Heddle, J. Russell, R. Gill, R. Hotopp, P. Ruhl, B. Melrose

The Gleemen had their busiest year in 1952-53. Performances for school assemblies, P.T.A.'s, service clubs, lodges, and other schools and colleges were all listed among their accomplishments. All in all, a total of almost thirty appearances were made, highlighted by the annual All-City Choral Festival at the Civic Auditorium. More than 50,000 people will have been audience to our outstanding "Ambassadors of Goodwill" by the close of school this year.

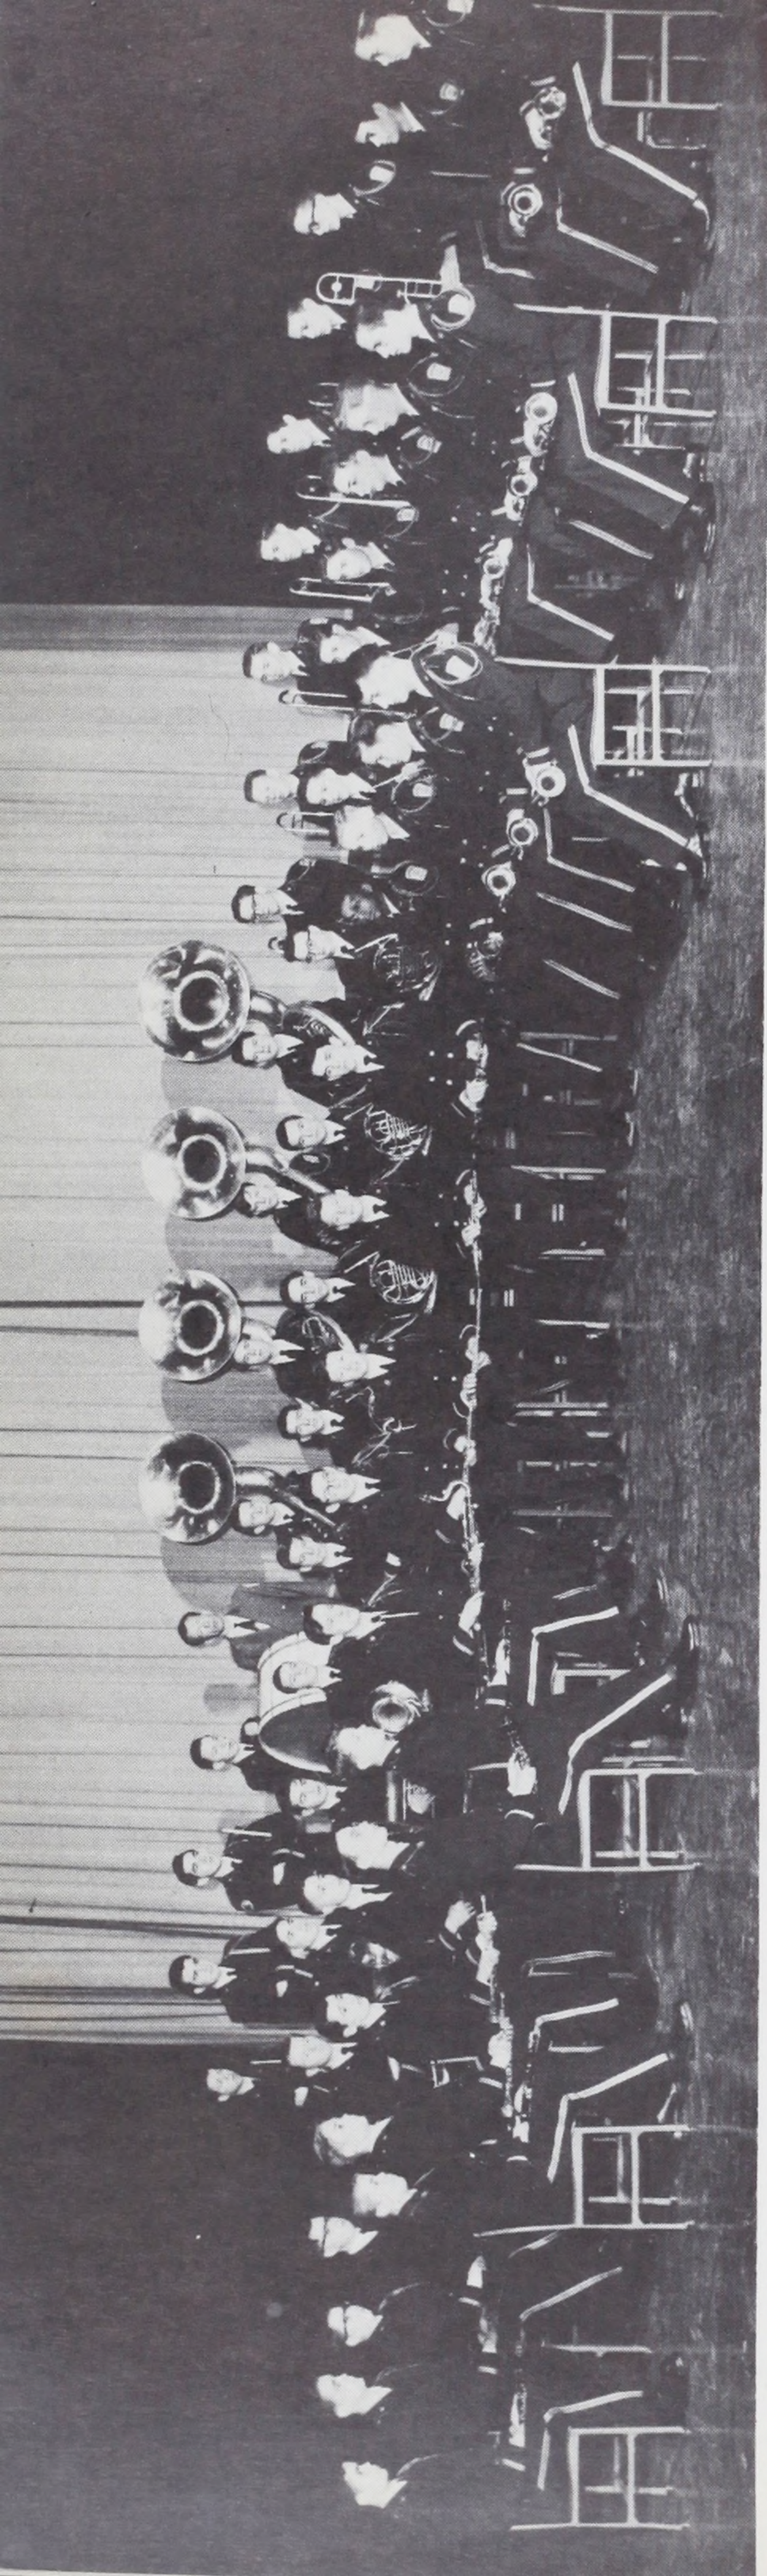

"The "Men of Note," our double quartet, have made an excellent name for Benson and themselves during the year by giving their services to entertain throughout the city.

Below are listed some of the appearances made by the Gleemen this year:

Assemblies  
KEX "High Time"  
KOIN "Spotlight on Youth"

# BAND

This year, the Benson Band highlighted its school year with more programs and personal appearances than ever before. Starting the year with the football season marching performances and climaxing with the Rose Festival Parade, the Band was busy almost continuously with more than thirty appearances to 1,500,000 people.

Permanent possession of the Rose Festival trophy for outstanding Portland band is now one of our accomplishments. Benson gained possession by winning the cup for the third time in the past 4 years.

The Pep Band was under the student leadership of Don Worth and this year performed at all home basketball games, many pep assemblies, and on several other occasions of importance.

Listed as entertainment units of the Music Department are the "Hungry Five" German Band, the Trombone Trio, Brass Sextet, Clarinet Trio, and numerous other ensembles. All these groups performed throughout the year.

Listed below are some of the appearances:

- Football Jamboree
- 7 League Football Games
- The Dalles-Benson "State Quarter-Final"
- Marshfield-Benson "State Semi-Final"
- Central Catholic-Benson State Championship
- O.S.C.-Michigan State Game
- Pacific U. vs. College Puget Sound Game
- U. S. Air Force Dress Parade.
- Fairy Tale Parade
- KEX "High Time" Radio Show
- KOIN "Spotlight on Youth" Radio Show
- Christmas Concert
- Spring Concert
- Tech Show
- P.T.A. Programs
- Armistice Day Parade
- Armed Forces Day Parade
- All-City Band Festival
- Rose Festival Parade

## **MR. NORMAN STREET**

### **MUSIC DIRECTOR**

Mr. Norman Street has been at Benson for the last seven years, as head of the Band and Gleemen and is in charge of the music department.

He majored in music at Washington State College before going into teaching. Besides being a fine instrumental and vocal teacher he is an excellent flutist.

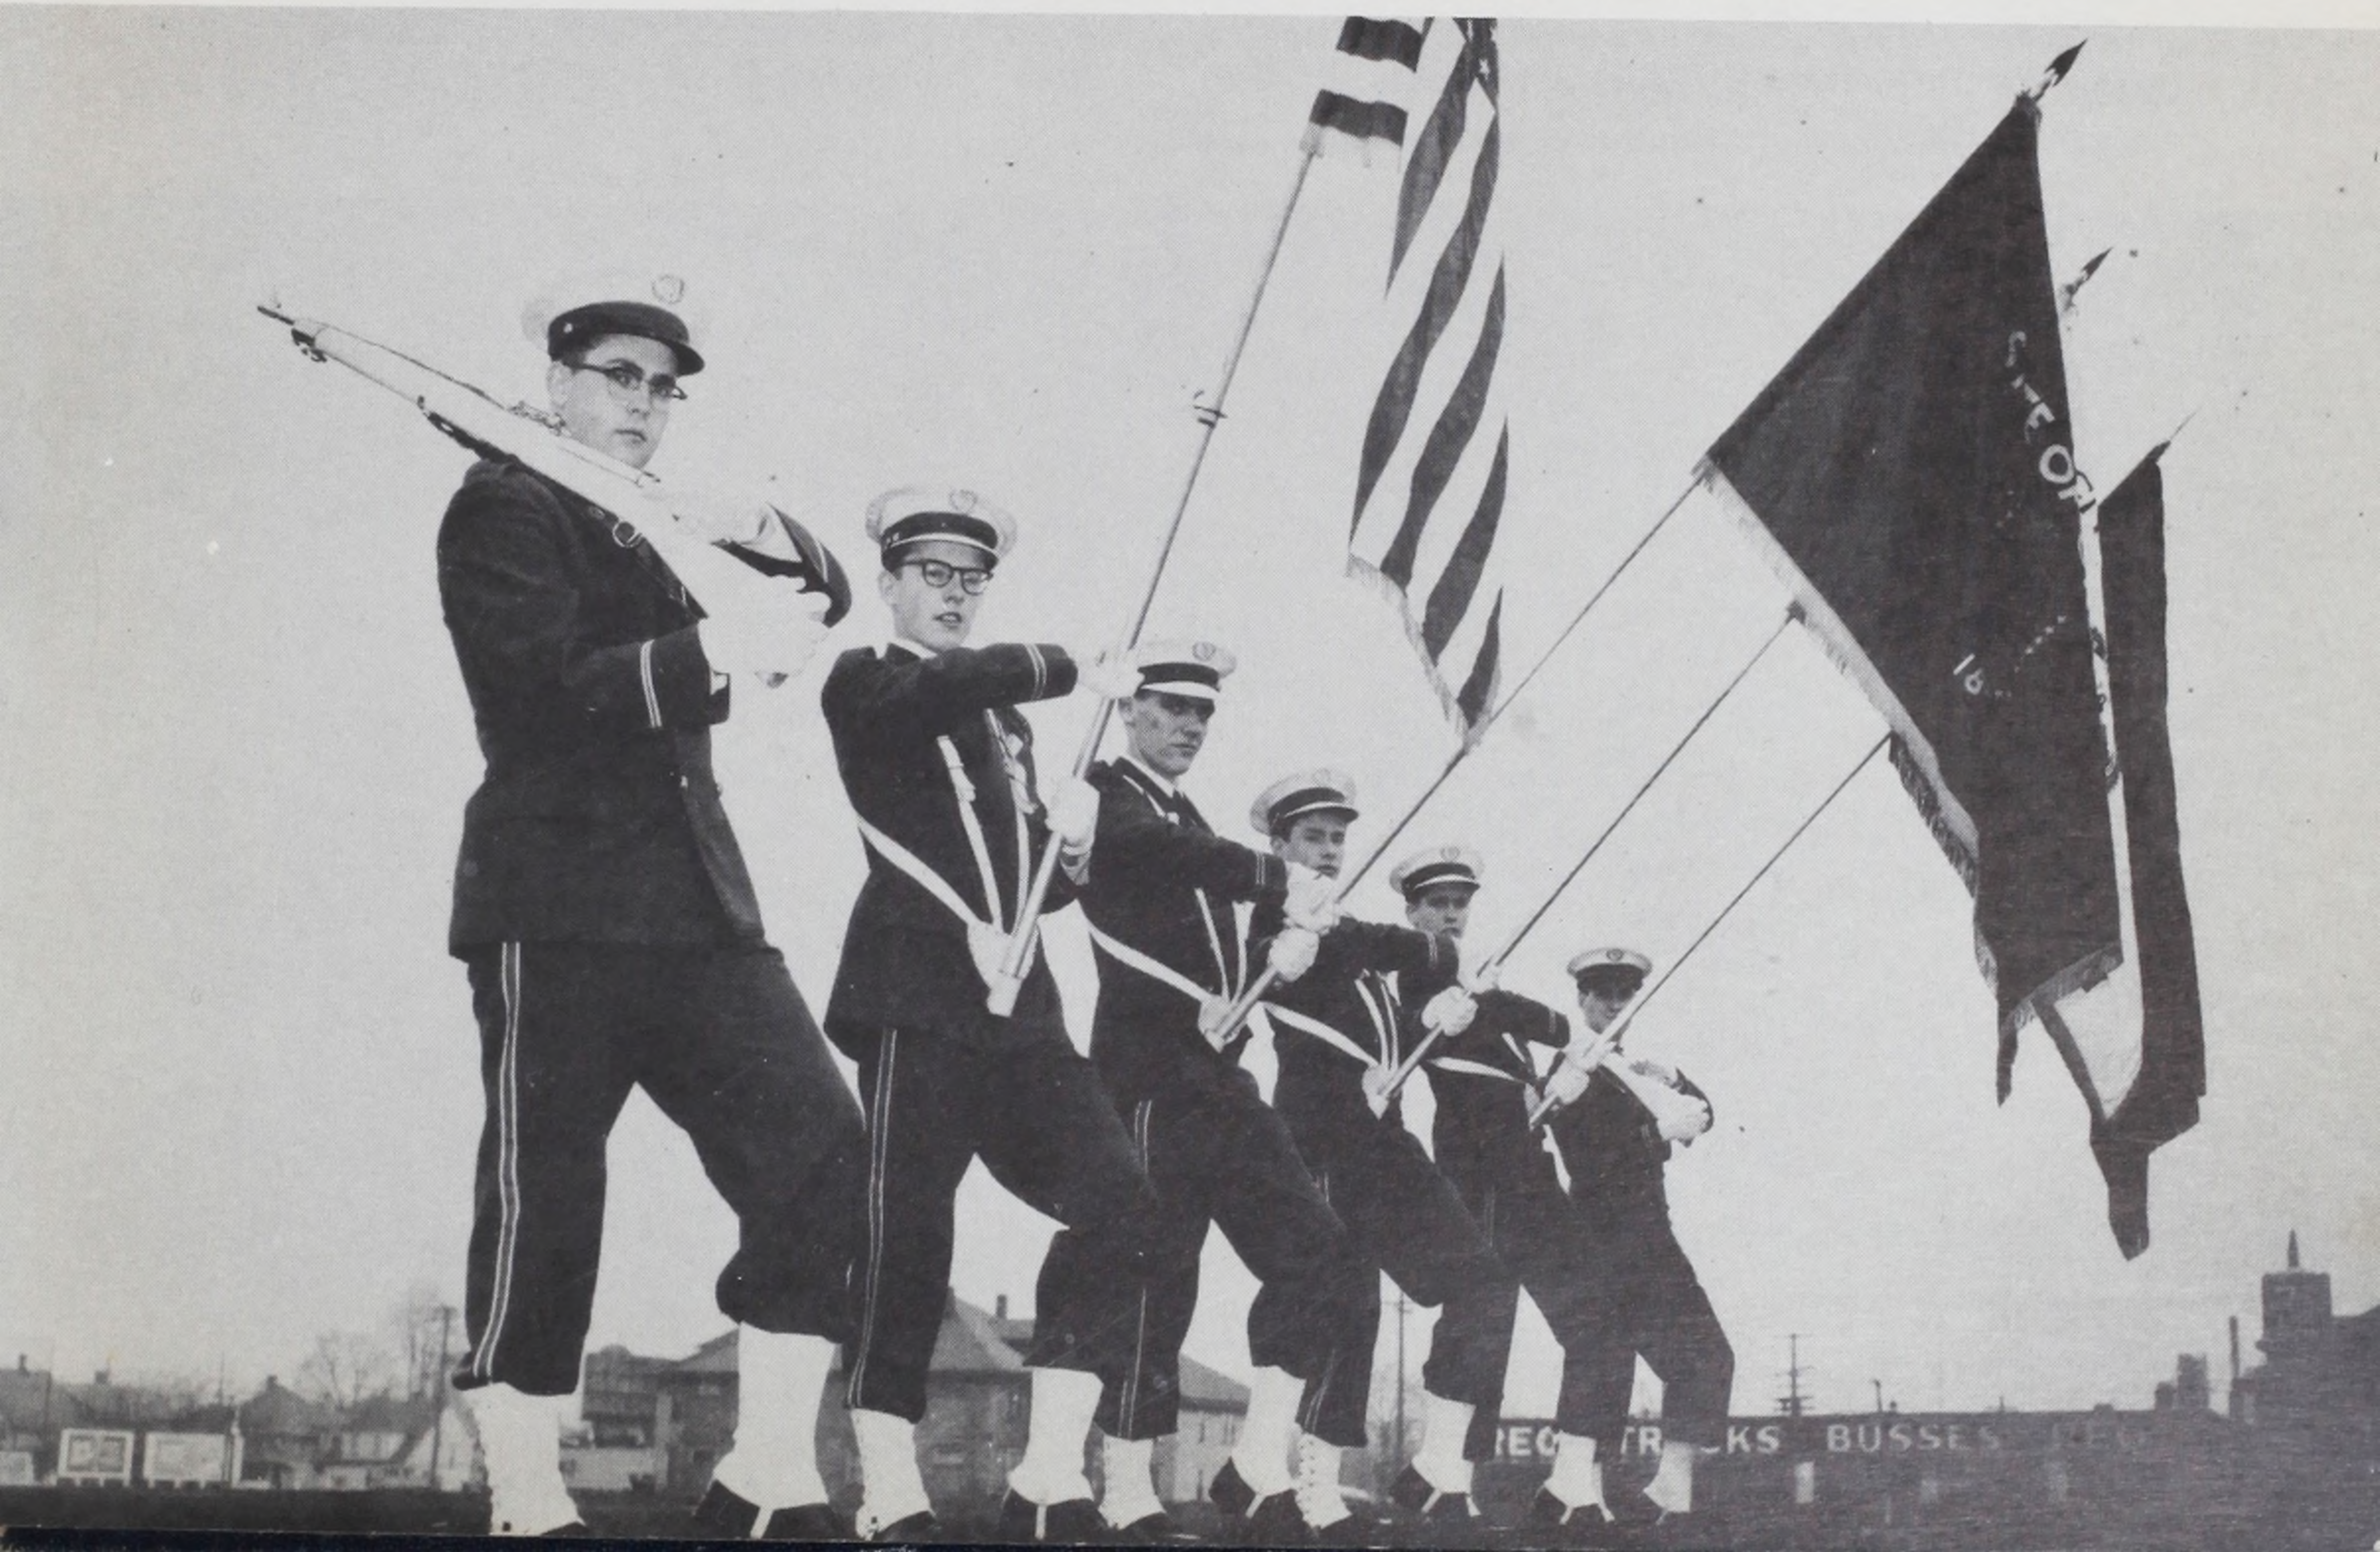

His skill and knowledge of music has been an asset and a guide to the music department and his leadership has enabled us to make an excellent representation of Benson Polytechnic School on many occasions both in and out of the state and in the Rose Festival Parades.

We, the graduating members of the music department salute NORMAN STREET for his showmanship, ability, determination of purpose, and keen leadership of young men.

## **COLOR GUARDS**

Jack Hall dunks two points against Jefferson in the playoff tilt, while Martin Turner vainly tries to check the shot.

— Photos by Ed Lee, Oregon Journal

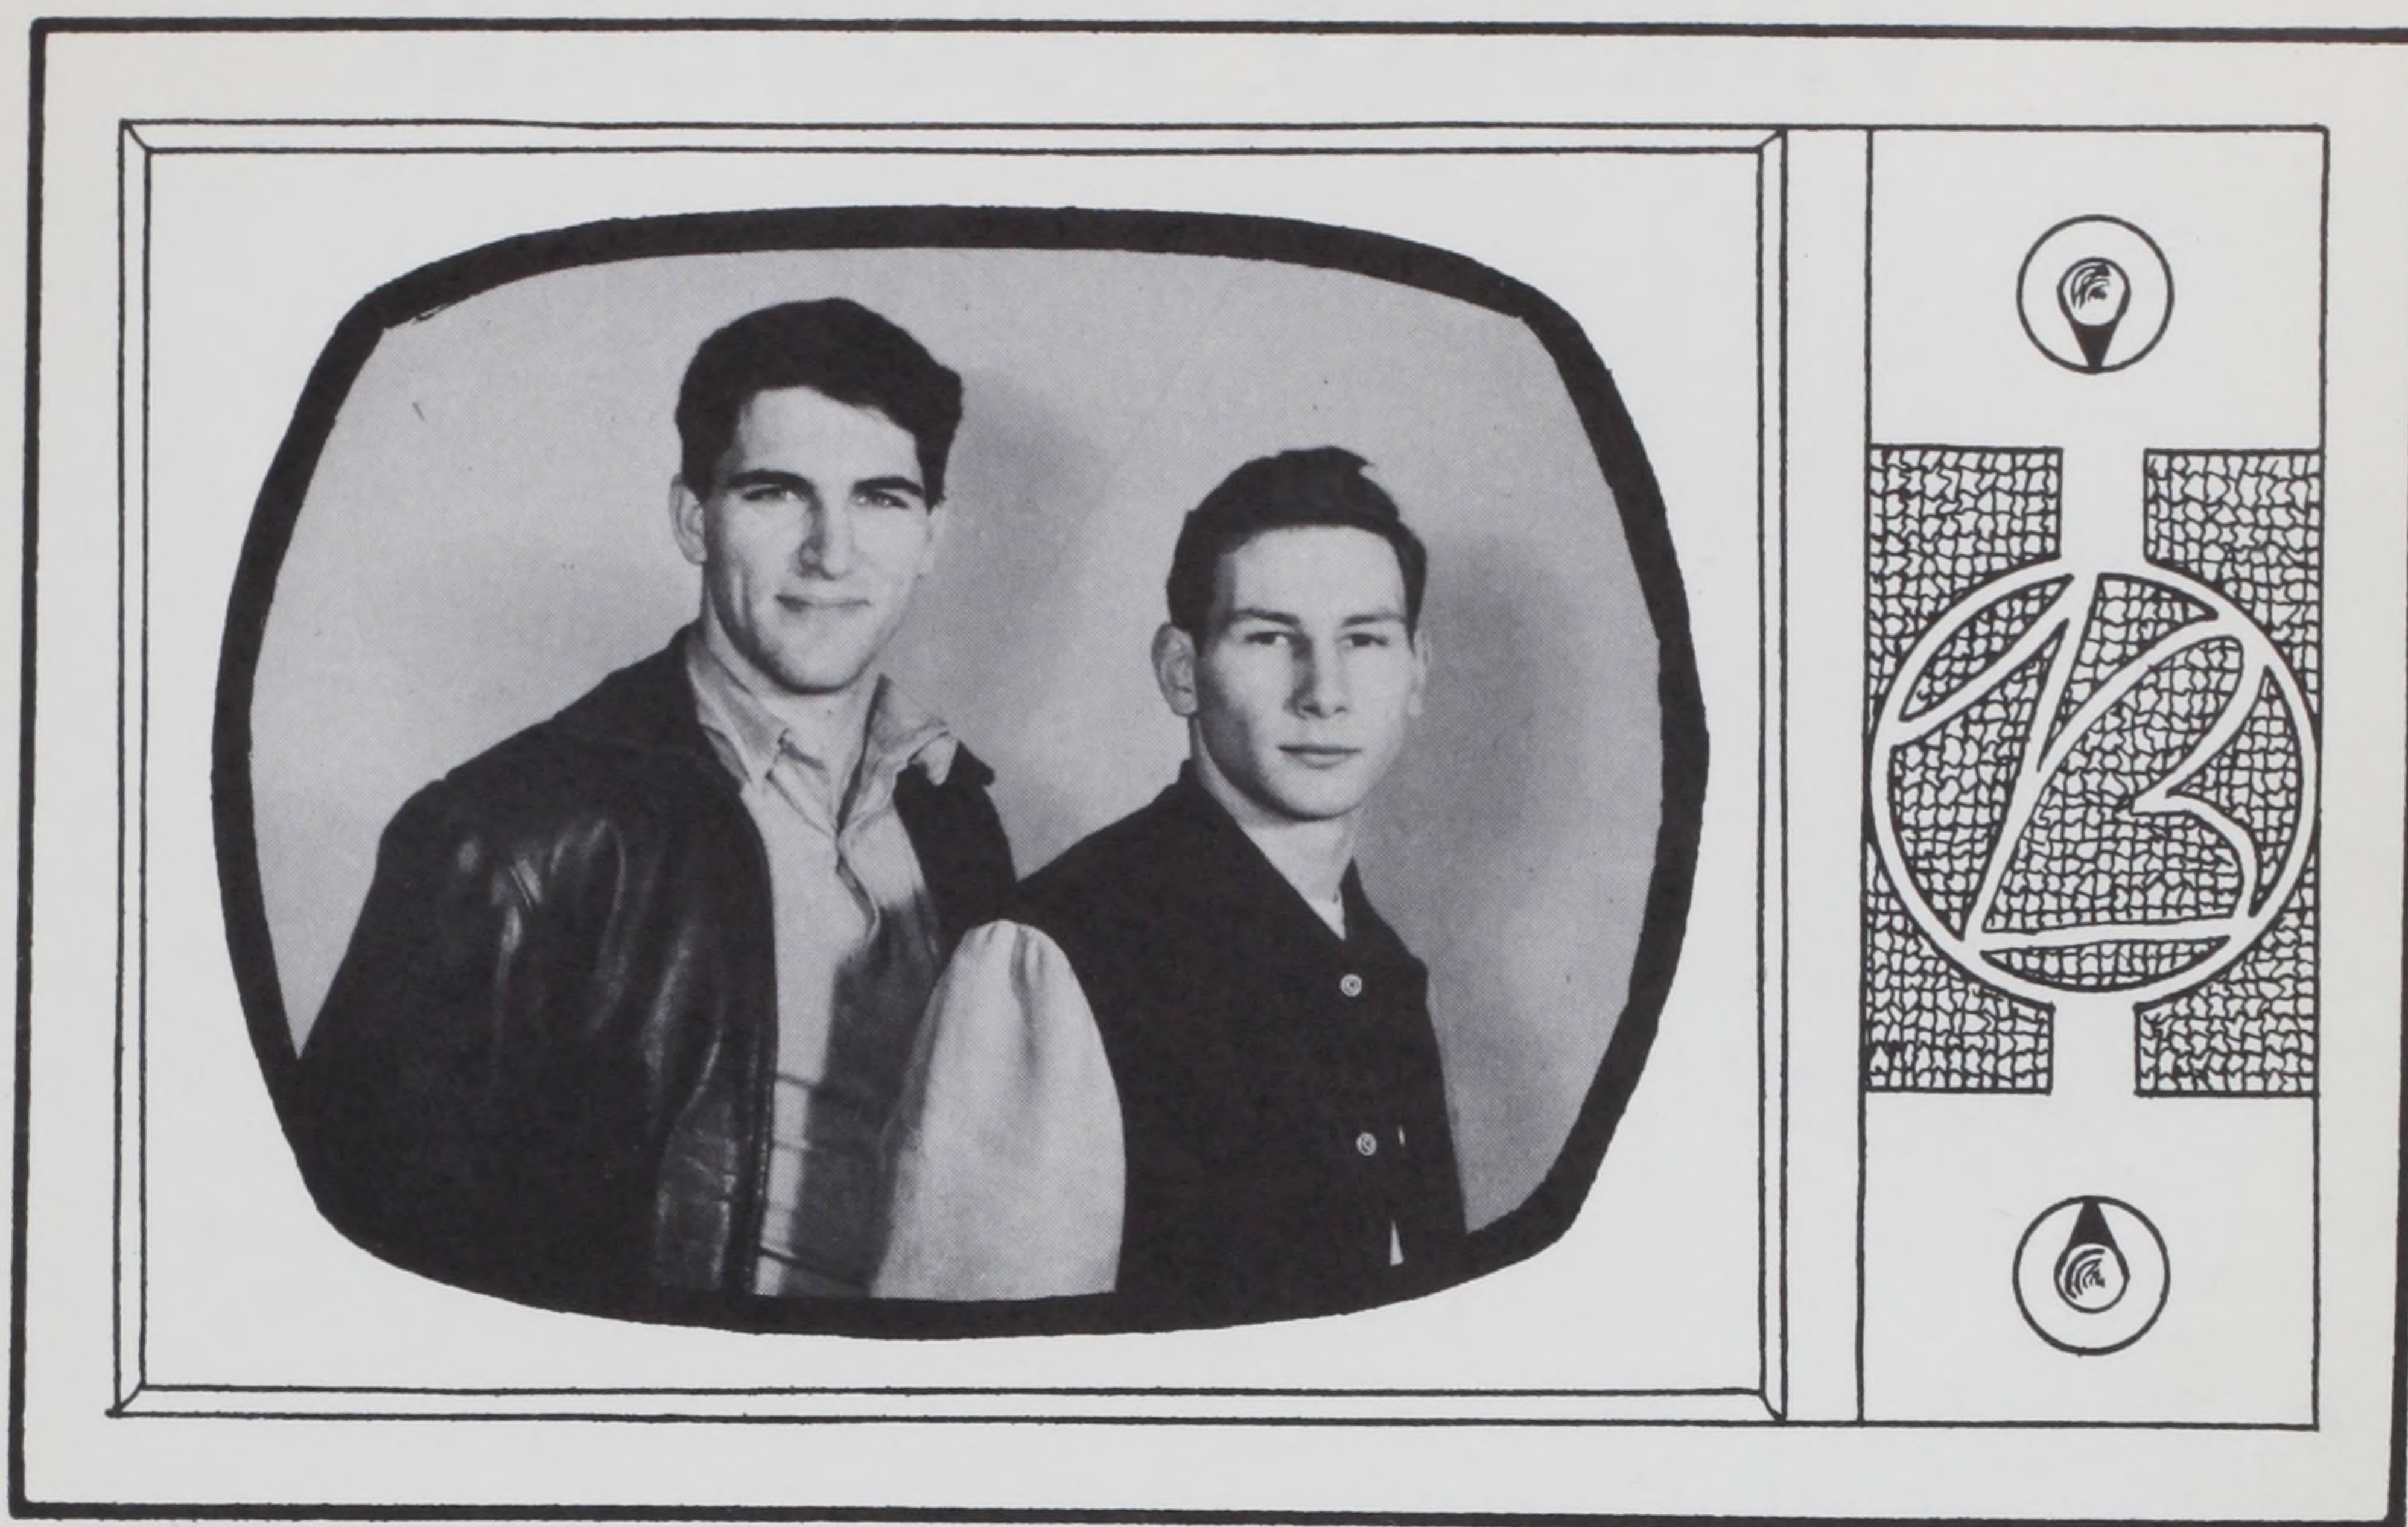

Cleveland's 6 foot 5-inch Ron Nenow clears the boards in the rough-and-tumble affair played on the Indian court. Mechanics are Bob Clark and Ed Grenier.

A scramble for the ball under the Roosevelt basket on the Mechanic home floor. Techmen are Gordy Grenier, Jack Hall, Bob Clark and John James.

### **Ed Grenier**

Ed was the kind of football player coaches dream about. He had all the qualities a great linemen needed and he knew how to use all of them. First, he was big and rough, and played every minute of every game. Opposing teams just couldn't seem to find any way to stop Ed's 6 foot 4 inch, 215 pound frame. Ed played both offense and defense, called defensive charging signals, kicked conversions, and was co-captain of this year's fine football squad. It would be hard to pick a particular game in which he was outstanding because Ed was so outstanding in every game. He will be long remembered for his outstanding play this year and Ed Grenier certainly deserved his All-City selection. Later he also had the honor of being selected on the second All-American high school squad.

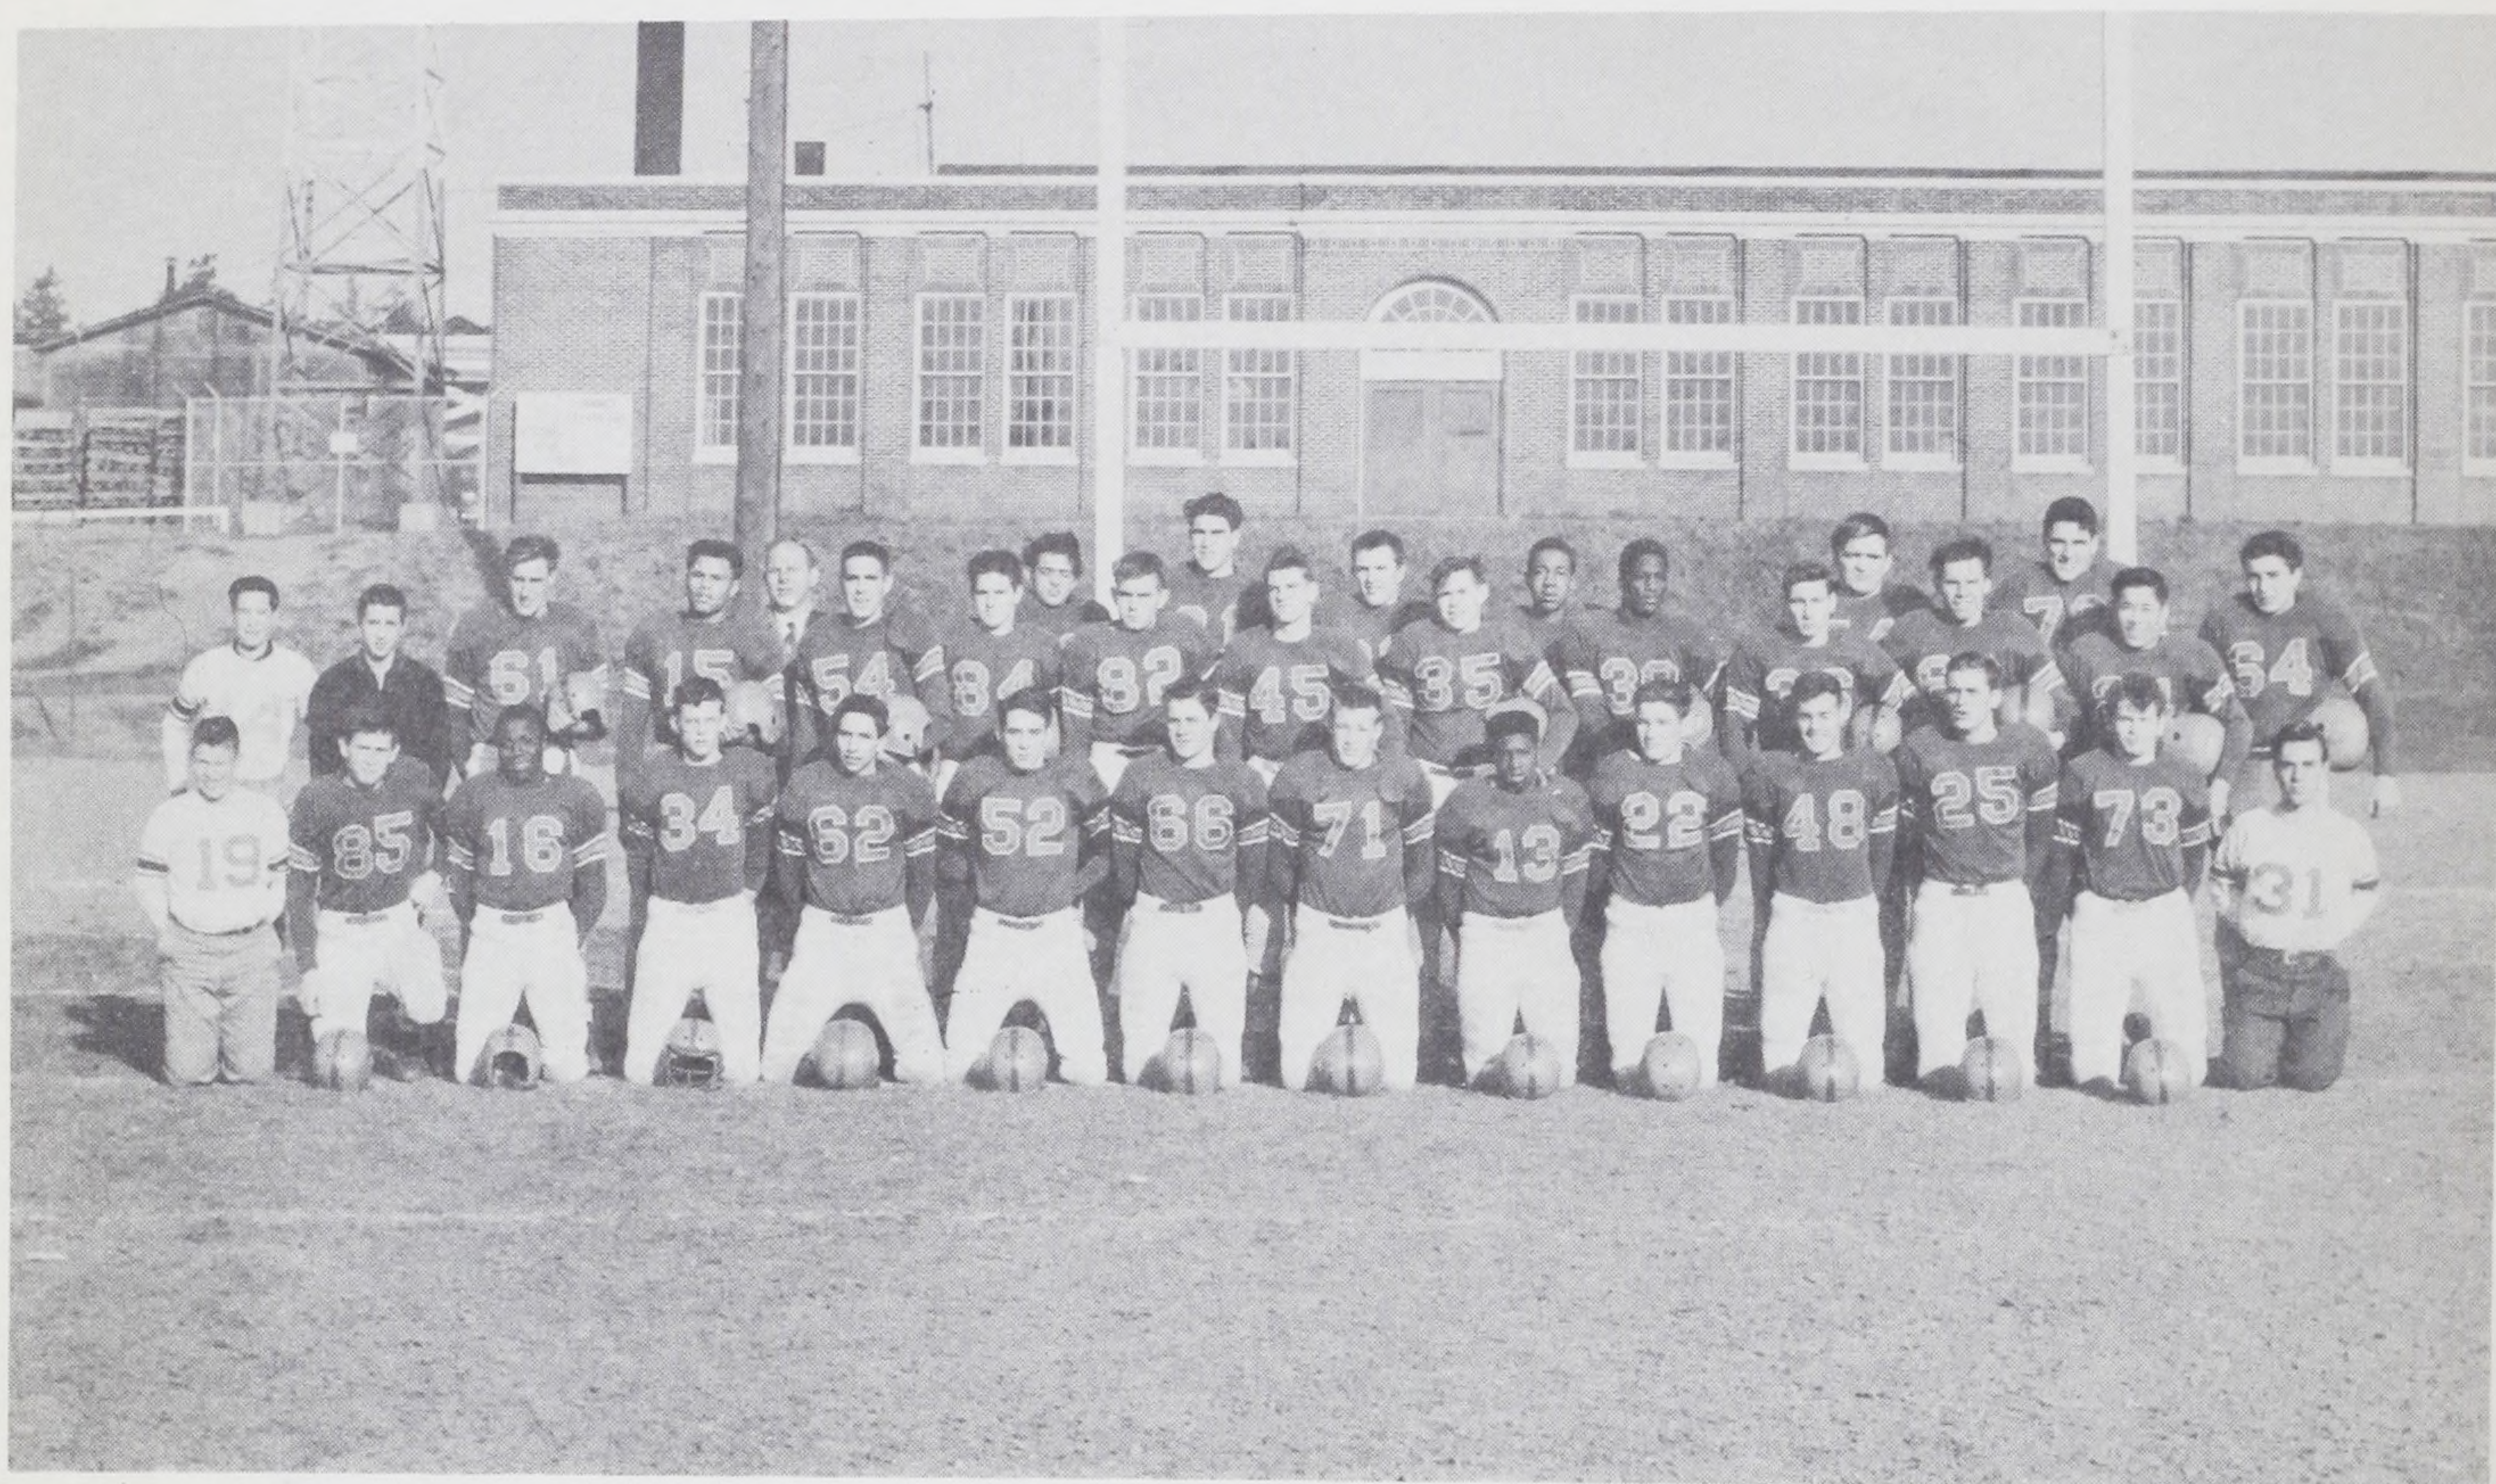

### **George Bardsley**

Benson's other All-City player was smashing fullback George Bardsley. George played rough, tough, fast football every game, and was by far the most outstanding fullback in the city. Besides playing fullback on offense he was a terrific line-backer on defense. Often opposing backfield men would break through the line and expect to be in the clear, only to have every bone in his body jolted by a slashing tackle. The fellow who sounds like a huge, 200 pounder is really very small for a fullback. George is 5 feet 9 inches tall and weighs only 165 pounds, but he didn't need to be a giant to be good. George certainly had a great high school football career, climaxed by being All-City fullback, and honorable mention All-American.

- ROW 1: R. Jacobson, Mgr.; B. Gruenhagen; W. Smith; J. Perkin; B. Rosenthal; J. Mayer; J. Clark; G. Sheasley; J. Williams; J. Davis; J. Simpson; B. Clark; G. Woodle; B. Frieley, Mgr.
- ROW 2: E. Hughes, Mgr.; D. Prink; B. Melrose; S. Whitney; C. Osborne; G. Jefferson; G. Schwartz; E. Downing; R. Lindsley; G. Goren; G. Bardsley; D. Borst; G. Hing; R. Bjur.
- ROW 3: Mr. Harper, Coach; D. Krivanek; G. Grenier; A. Sovereign; A. King; L. Griffiths; E. Grenier.

## Coach Harper

Coach Ralph Harper did a wonderful job guiding the Mechanics to the State Finals this year. Even getting off to a slow start, the Techmen made opponents shudder by playing the hard, fast football Mr. Harper had taught them. The coach was the kind of a man football players love to play for. Mr. Harper deserves everyone's vote of thanks for his hard work and ability in guiding the great Tech football squad this season.

## Kelso 21 . . . Benson 0

The Mechanics couldn't get a good offensive drive going until the final minutes of the game. Meanwhile, the Highlanders were grinding out yardage through the Tech defense. The home squad showed none of the polish they were to pick up as the season progressed. The Techmen found a lot of mistakes in their play and were able to correct them in time for the prep jamboree.

## **Jefferson 12 . . . Benson 12**

The Techmen showed a great improvement over their previous play in this game. The first quarter of the game was played in the prep jamboree. The Democrats were a preseason favorite before this game. The Mechanics could have made a win out of this game with a little more time at either the close of the first half or the end of the game. The big Tech line bewildered the Jefferson backs the whole second half by time and again smashing through for hard tackles.

**Pazeotopoulus being tackled after a short gain in opener played at Kelso.**

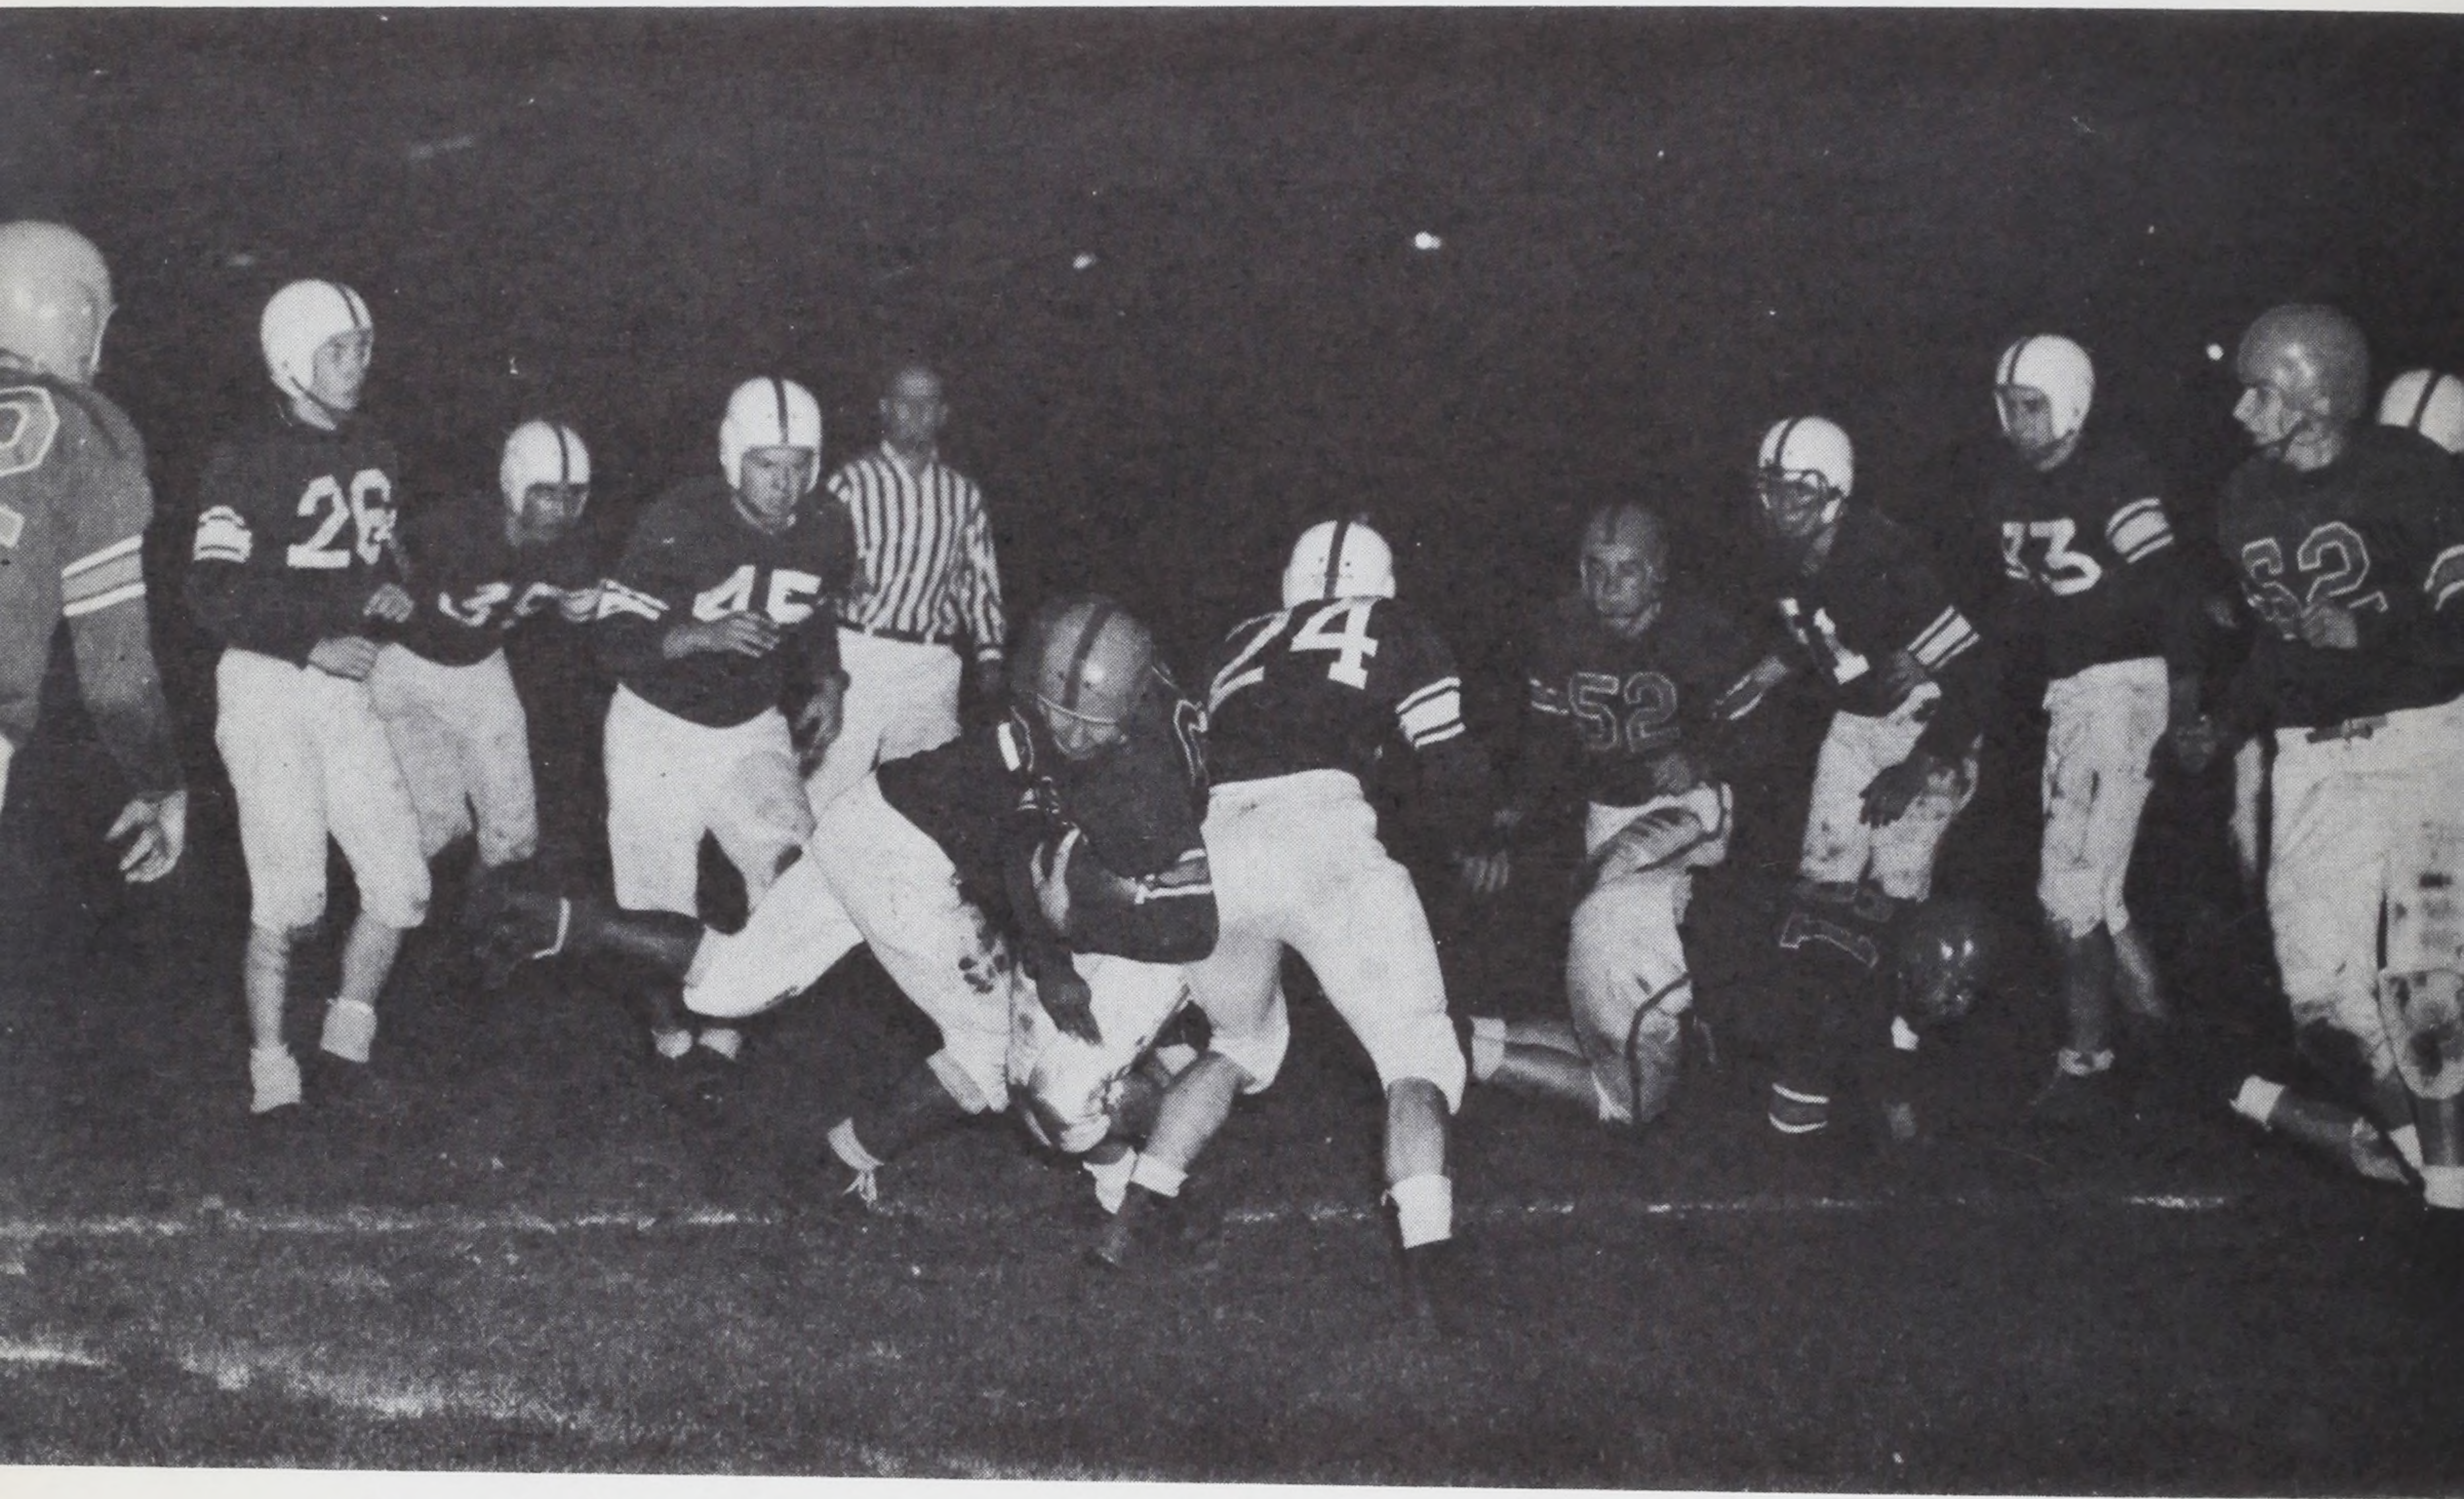

## **Grant 14 . . . Benson 0**

The Generals of Grant handed the Mechanics their first setback of the young season in the second league game. The fast G-Men grabbed an early lead and the Techmen were unable to overcome the fourteen point lead. Even by playing hard, fast football the Mechanics couldn't score. Benson later was awarded this game by forfeiture when it was discovered that Grant used an ineligible player in the tilt.

## **Washington 12 . . . Benson 6**

This game was undoubtedly the poorest exhibition of Tech football throughout the entire season. The Colonials scored on a pass interference play and a blocked kick. The Techmen capitalized on a long run to chalk up their six points. The Colonials were fired up for this game and caught the confident Techmen off balance.

**George Bardsley driving over for a touchdown against Lincoln in Benson's first win.**

## **Benson 20 . . . Lincoln 0**

The Techmen came back in this game to show they were not asleep by unveiling a stunning ground and aerial attack. The big, tough Benson line smashed through the Lincoln defense to smother Cardinal ball carriers throughout the game. Meanwhile, Tech backs were romping for large gains through the smaller Lincoln defense. This game proved Benson's offensive power.

## **Benson 21 . . . Roosevelt 6**

Benson's hard running backs and charging line again proved to be the difference in this game. The Techmen had their own way as they drove for a touchdown on the first series of downs. The rest of the game was more of the same as the Mechanics completely dominated the scoring. Benson's two All-City players, Ed Grenier and George Bardsley, both proved their worth by playing a terrific ball game. This tilt proved to be an easy one for the high-riding Techmen.

**Jimmy "Precious" Williams eats up yardage through the Cleveland defense.**

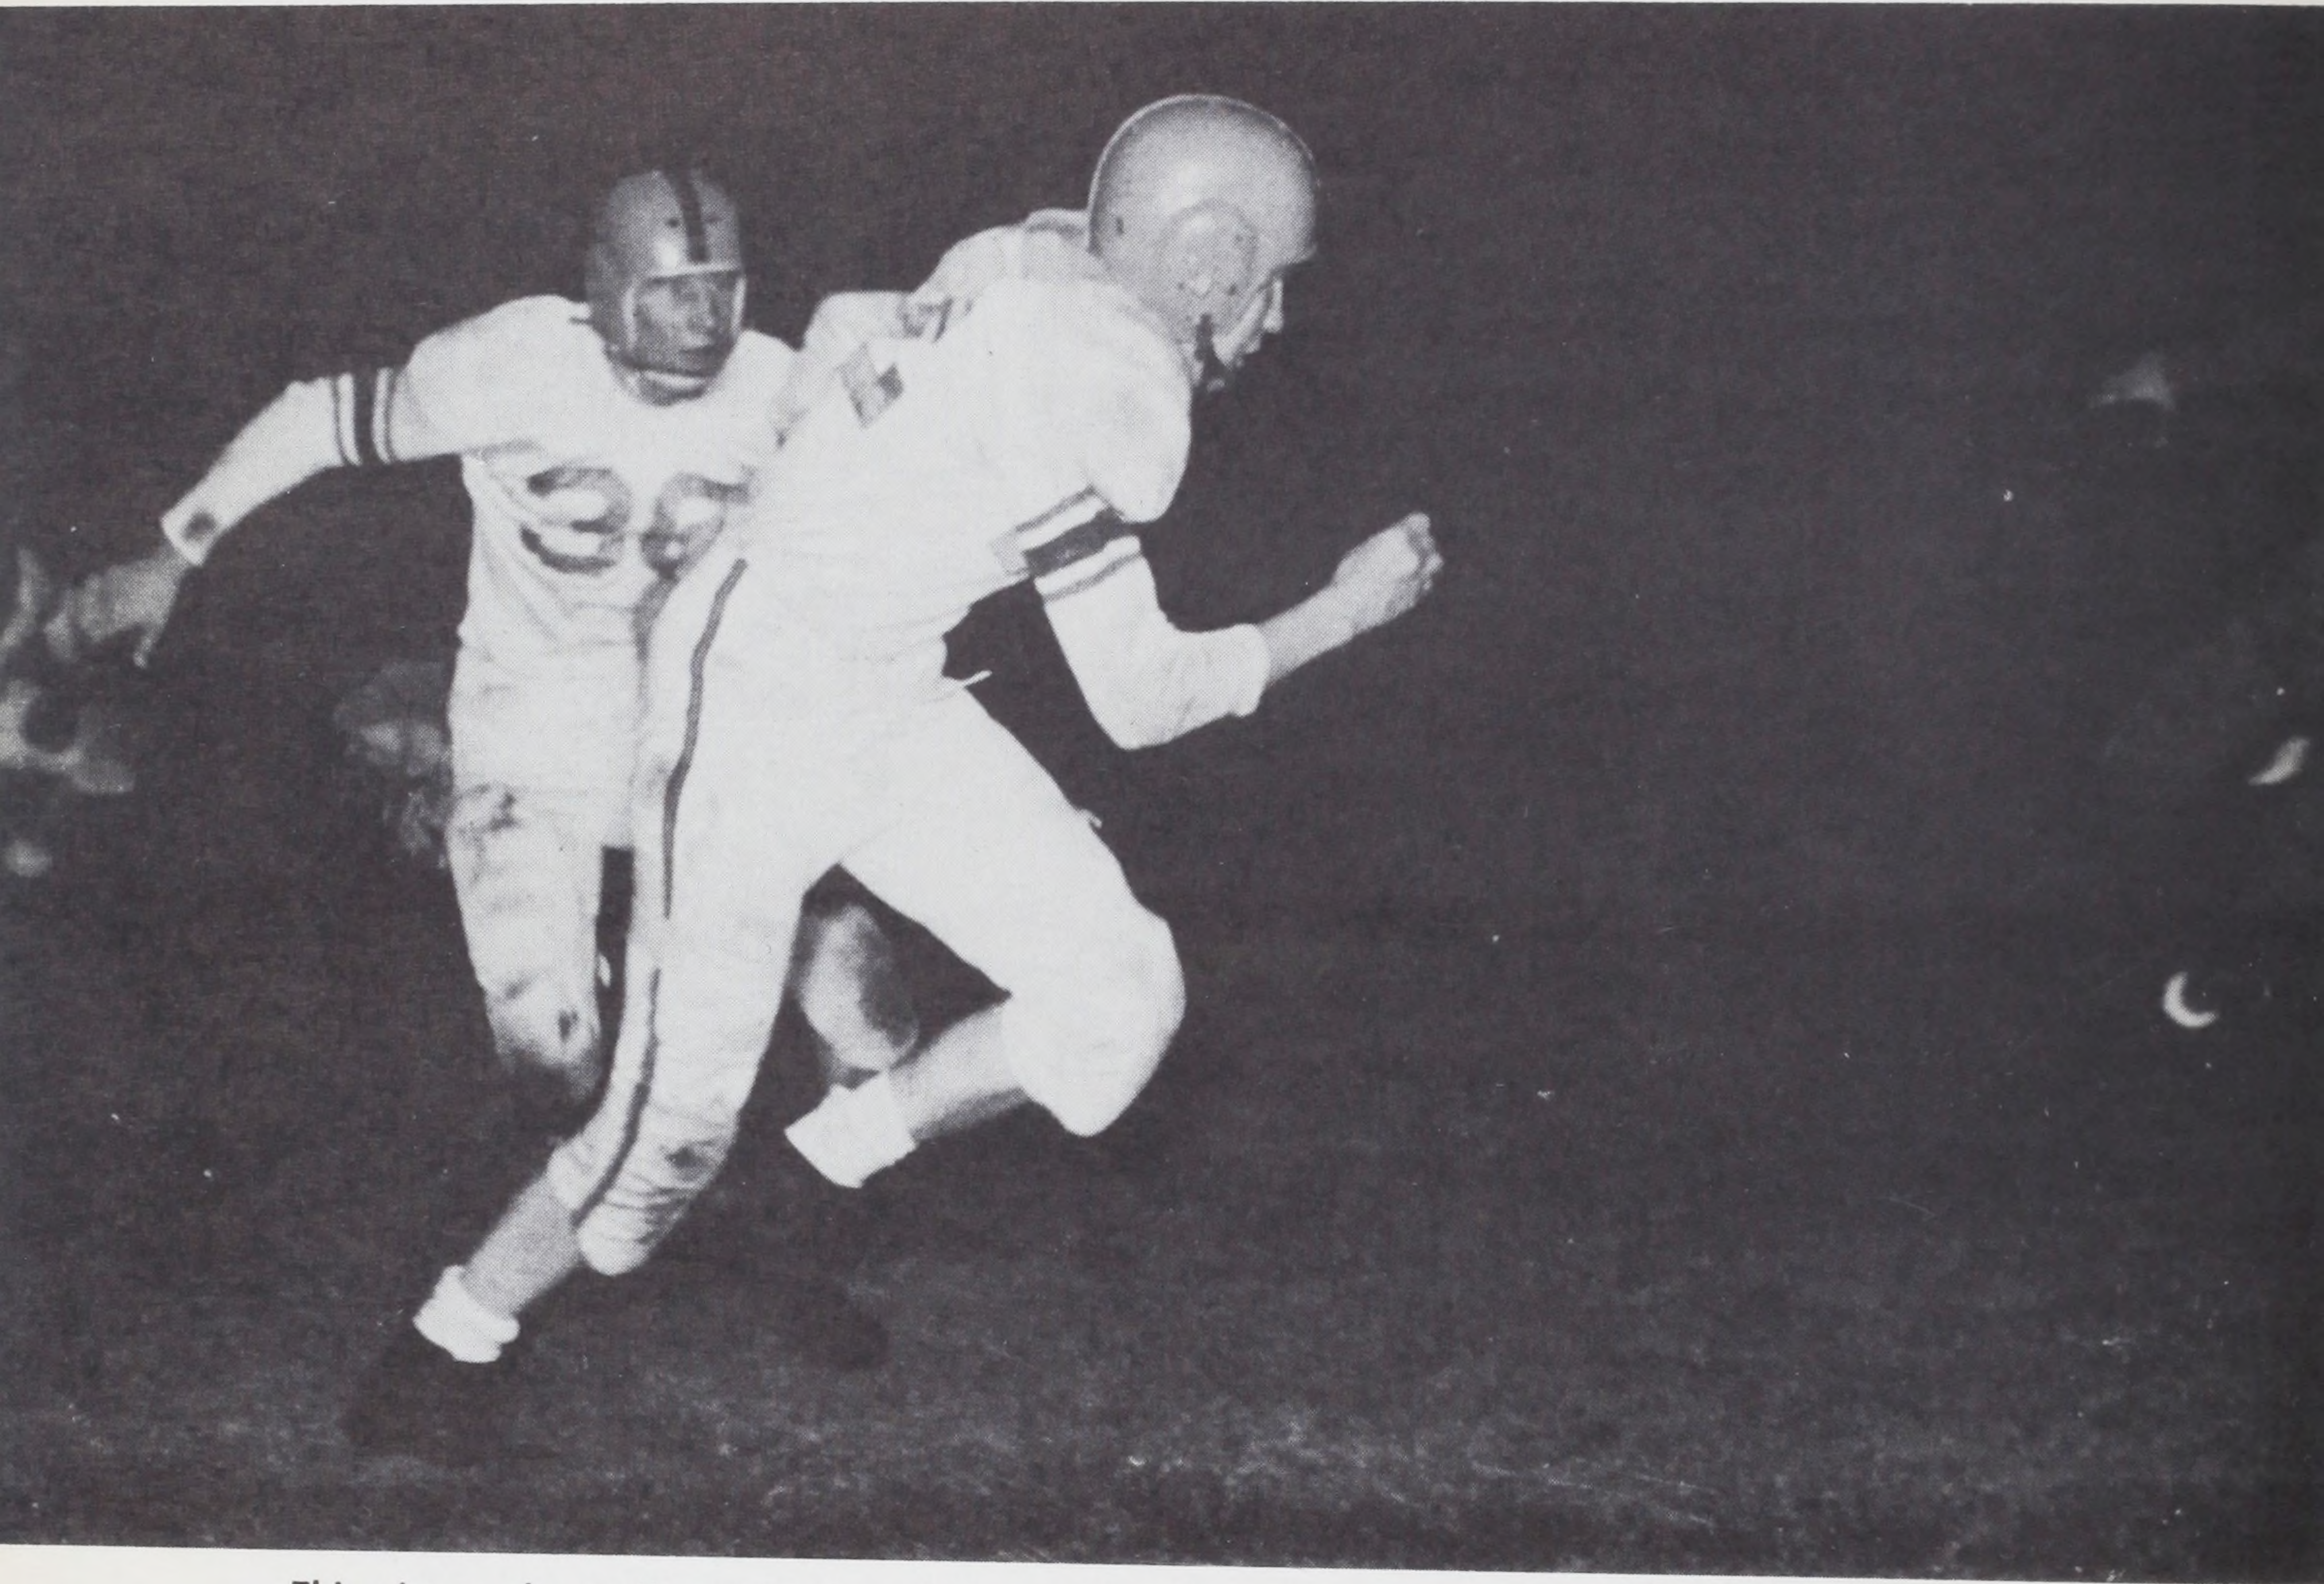

## **Cleveland 24 . . . Benson 13**

The Indians surprised the Tech squad by scoring twenty-four points in the first half. The Indians displayed a determined ground and air attack, but it was stalled in the second half as the Techmen came to life and scored thirteen points. After the Mechanics got rolling they outplayed the Indians, but time was too short for the Techmen to surpass the point bulge Cleveland had built up.

## **Benson 20 . . . Franklin 7**

The Mechanic-Quaker tilt, the final game of the regular season, decided the runner-up spot in the city league chase. Benson, maddened after the loss to Cleveland the week before, was out to win the second place contest. The aroused Techmen proceeded to soundly whip the Quakers in surprisingly easy fashion. Again and again the tough Mechanic defense swarmed over and smothered the battered Franklin offense. Benson played wide-awake ball to beat the Quakers.

This picture shows Jimmy Davis and George Bardsley playing their usual speedy game.

## **STATE QUARTERFINAL GAME**

### **Benson 40 . . . The Dalles 20**

The quarterfinal game proved to be a wide-open, high scoring affair. The Techmen ran wild, and big gains seemed to be the order of the day. Both teams were offensive minded, and the scorekeepers were kept pretty busy. The burly Benson line ripped huge holes in the Indian defense, while Tech backs were eating up the yardage. Bob Clark thrilled the crowd by intercepting a pass in the end zone and scampering 101 yards for a touchdown. After winning this game the Mechanics were ready to play a tough Marshfield club.

Jimmy Williams, one of Tech's best leather-luggers picks up a few yards before being hauled down by Marshfield defensive men. On the ground behind Williams is Gorge Bardsley (36). Jimmy Davis (22) is in the background.

## STATE SEMI-FINAL

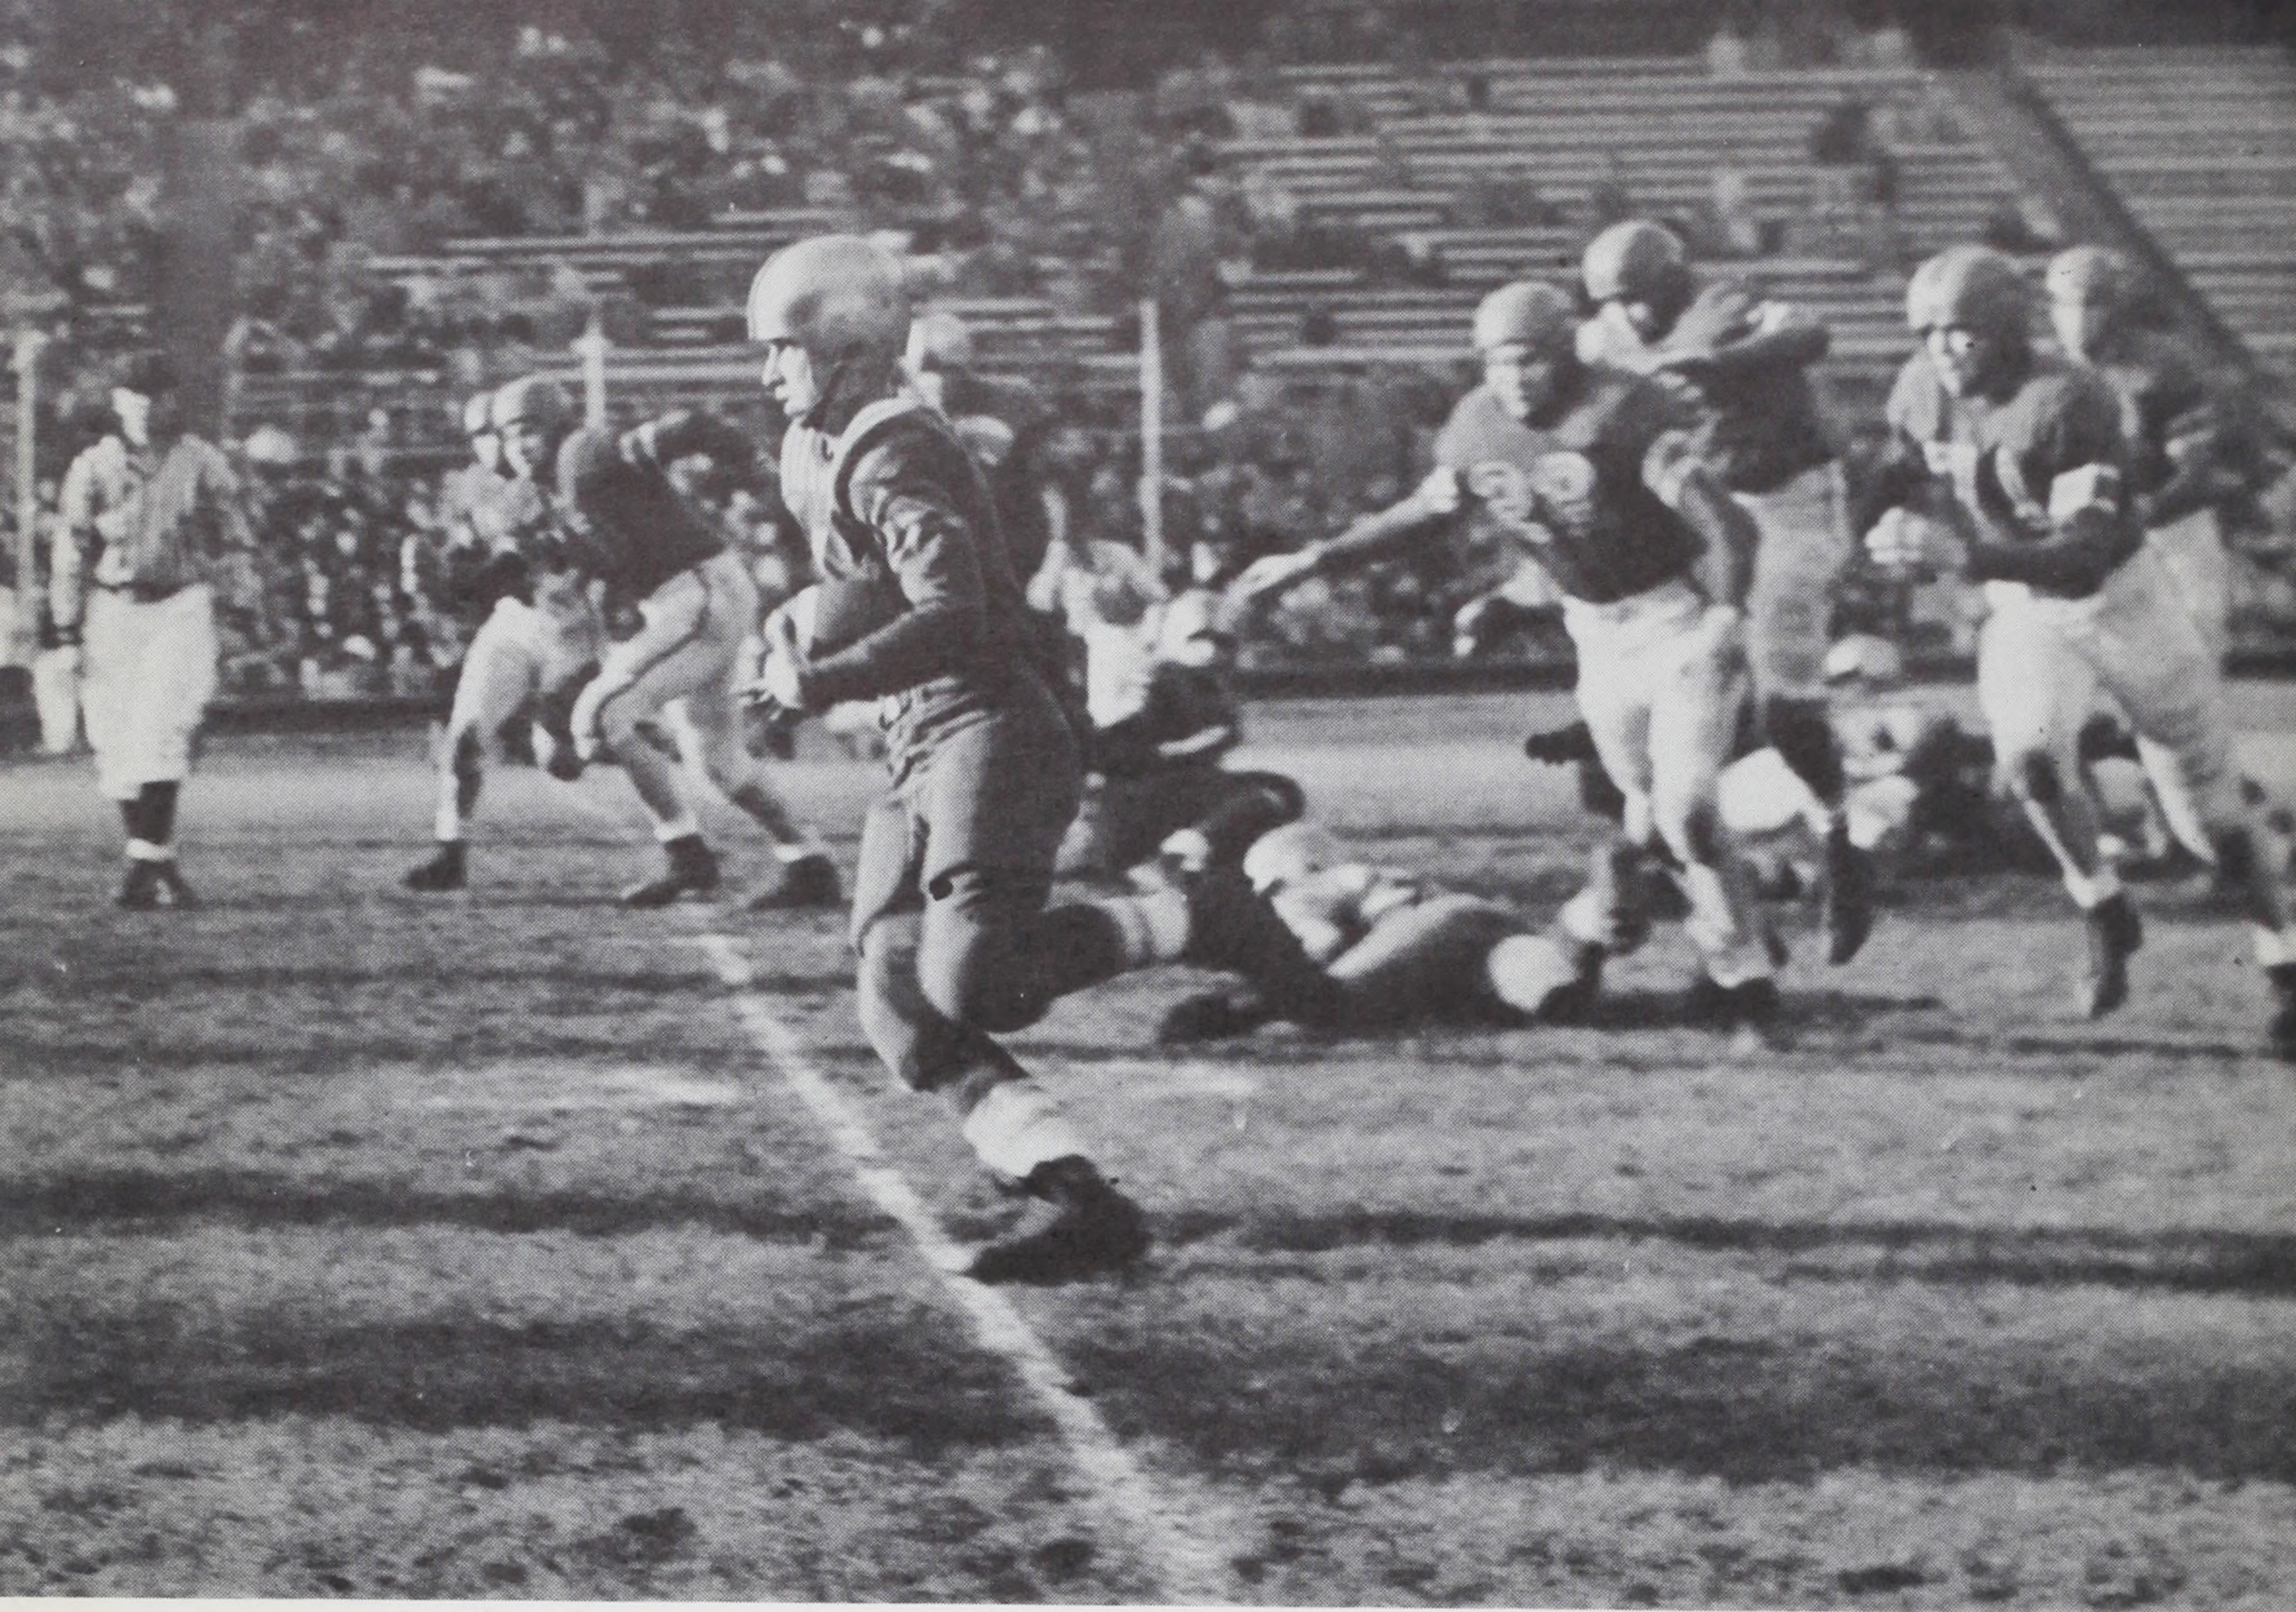

**Benson 13 . . . Marshfield 6**

The fired up Mechanics traveled to Coos Bay to play the highly favored Marshfield eleven in the semi-finals and upset them 13 to 6. The Techmen, fresh from their overwhelming victory over The Dalles, went on the field to completely outplay the over-confident Pirates.

The Techmen were sparked in this game by little George Bardsley who played a great game on both offense and defense. Bob Clark scored the first Tech touchdown on a quarterback sneak from the 8 yard line, late in the first quarter. Ed Grenier calmly split the uprights with the conversion kick. George Bardsley scored the other T.D. on an end run from the Pirate 22 yard line. Grenier failed to kick the extra point.

In the second half with less than 4 minutes played, Tom Crabtree, Marshfield's All-State nominee, scored the Pirates' only touchdown. The Mechanics were looking better with every game in the playoffs.

Central's star fullback Phil McHugh rambles past the Mechanic defense in the state finale. Chasing McHugh are Donn Heacock (90), Jimmy Davis (22), George Sheasley (71), and Ed Grenier (behind Sheasley).

## STATE FINAL GAME

**Central 7 . . . Benson 6**

The best prep football game of the 1952 season was the state final game played in Multnomah Stadium in view of 10,300 cheering fans. Even though the Mechanics came out on the short end of the score the game was a nip and tuck affair all the way. The big Tech line was more outstanding in this game than they had been in any game this season. The game was a see-saw battle throughout the first half, with clean, hard tackling and blocking. Early in the final quarter the Techmen broke the game wide open by scoring the first touchdown of the game. Bob Clark climaxed the 60 yard drive by scoring on a quarterback sneak from the 15 yard line. Ed Grenier's conversion kick was just a hair wide of the uprights. It appeared as though this might be all the scoring in the game, until late in the final quarter. Phil McHugh plunged over from the two yard line to cap off a long push sparked by Ram quarterback, Vince Altenhofen. The kick was good, to put Central ahead, with little time to play. Bob Clark took to the air, but time was against the Techmen. George Bardsley, Ed Grenier, Bob Clark, and the entire Tech football squad played great football in the finale as they did the whole season long.

The Mechanics narrowly missed a state tournament berth this year by getting edged by a tough Jefferson club, 44 to 43, in a second place playoff tilt. The white-hot Portland prep chase ended with three teams, Benson, Jefferson, and Roosevelt deadlocked for second place. A playoff resulted, to decide Portland's district 16 representative. Benson was nipped out of the playoff in the first game.

The Techmen had many good ballplayers this year, such as: Bob Clark, All-City forward; Gordy Grenier, a terrific rebounder; Jim Perkin, honorable mention, All-City guard; Jack Hall, good rebounder and one of the scrappiest players in the city; George Bardsley, aggressive guard and fine ball handler; Johnny James, who hit the hoop at a rapid pace toward the end of the season; and others such as Al Sovereign, Jimmy Davis, Dick Fiske, Clyde Genz, George Bailey, and Paul Lehmer.

The Mechanics, except for a slow start, could have won the top notch in the race. Sparked by Bob Clark, Gordy Grenier, and Jim Perkin, The Tech squad won six out of their last seven games.

Coach Dick Gray did a wonderful job guiding the local squad through a rough, high scoring league.

## Bob Clark

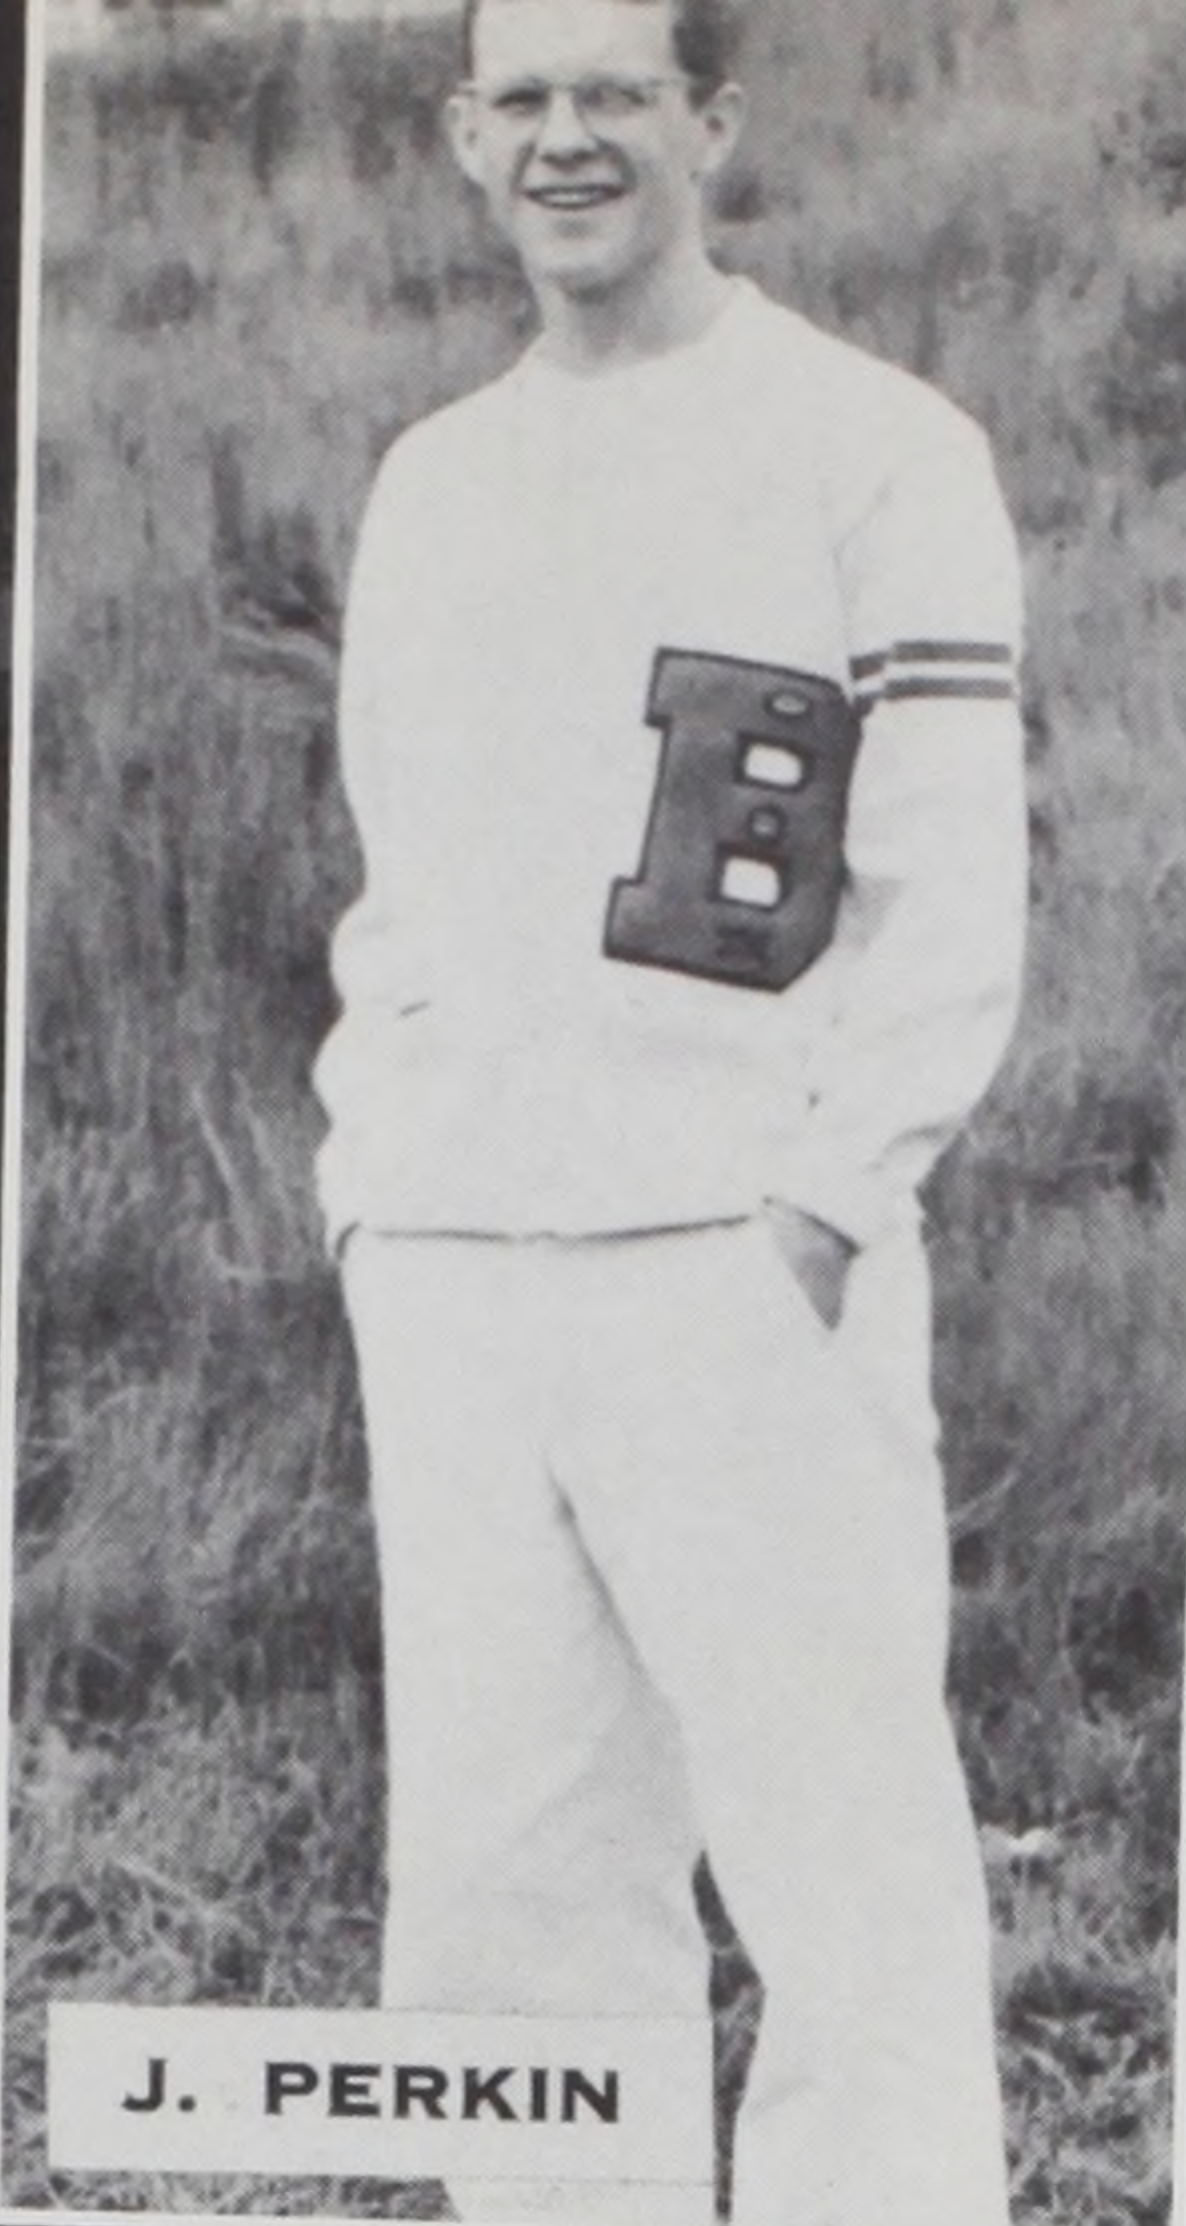

Bob Clark was picked as a forward on the All-City squad not because he piled up huge scoring records, not because he was six and a half or seven feet tall, but because when it came to hard-playing, board-clearing men there just weren't any better than Bob. He scored a total of 166 points in the regular season, and was one of the best, and most consistent rebounders in the city. Bob is 6 feet 2 inches tall, not exceptionally tall for a forward, but tall enough for a forward like Clark. He made a lot of his points on jump shots from the key, although it was not unusual to see him drive in for a layup. Bob was certainly not a slouch in the ball-handling department either. When the team was a few points behind, often it was Bob who pulled the game out of the fire with his will to win. Bob Clark was one of the reasons for Benson's second place finish this year and he well deserved his selection on the 1953 All-City team.

**Mr. Mucha reaches for a pass, as Jimmy Davis (22) closes in. Others are Dick Fiska (28), George Bardsley (32) and Mr. Gray (on floor).**

The Varsity pounded the Faculty, 54 to 39, in the annual pre-season contest. The Varsity grabbed an early lead and never had it seriously threatened, as the Faculty had trouble getting the ball. "Sharky" Nelson, now teaching at Portland State, came back to assist the Faculty.

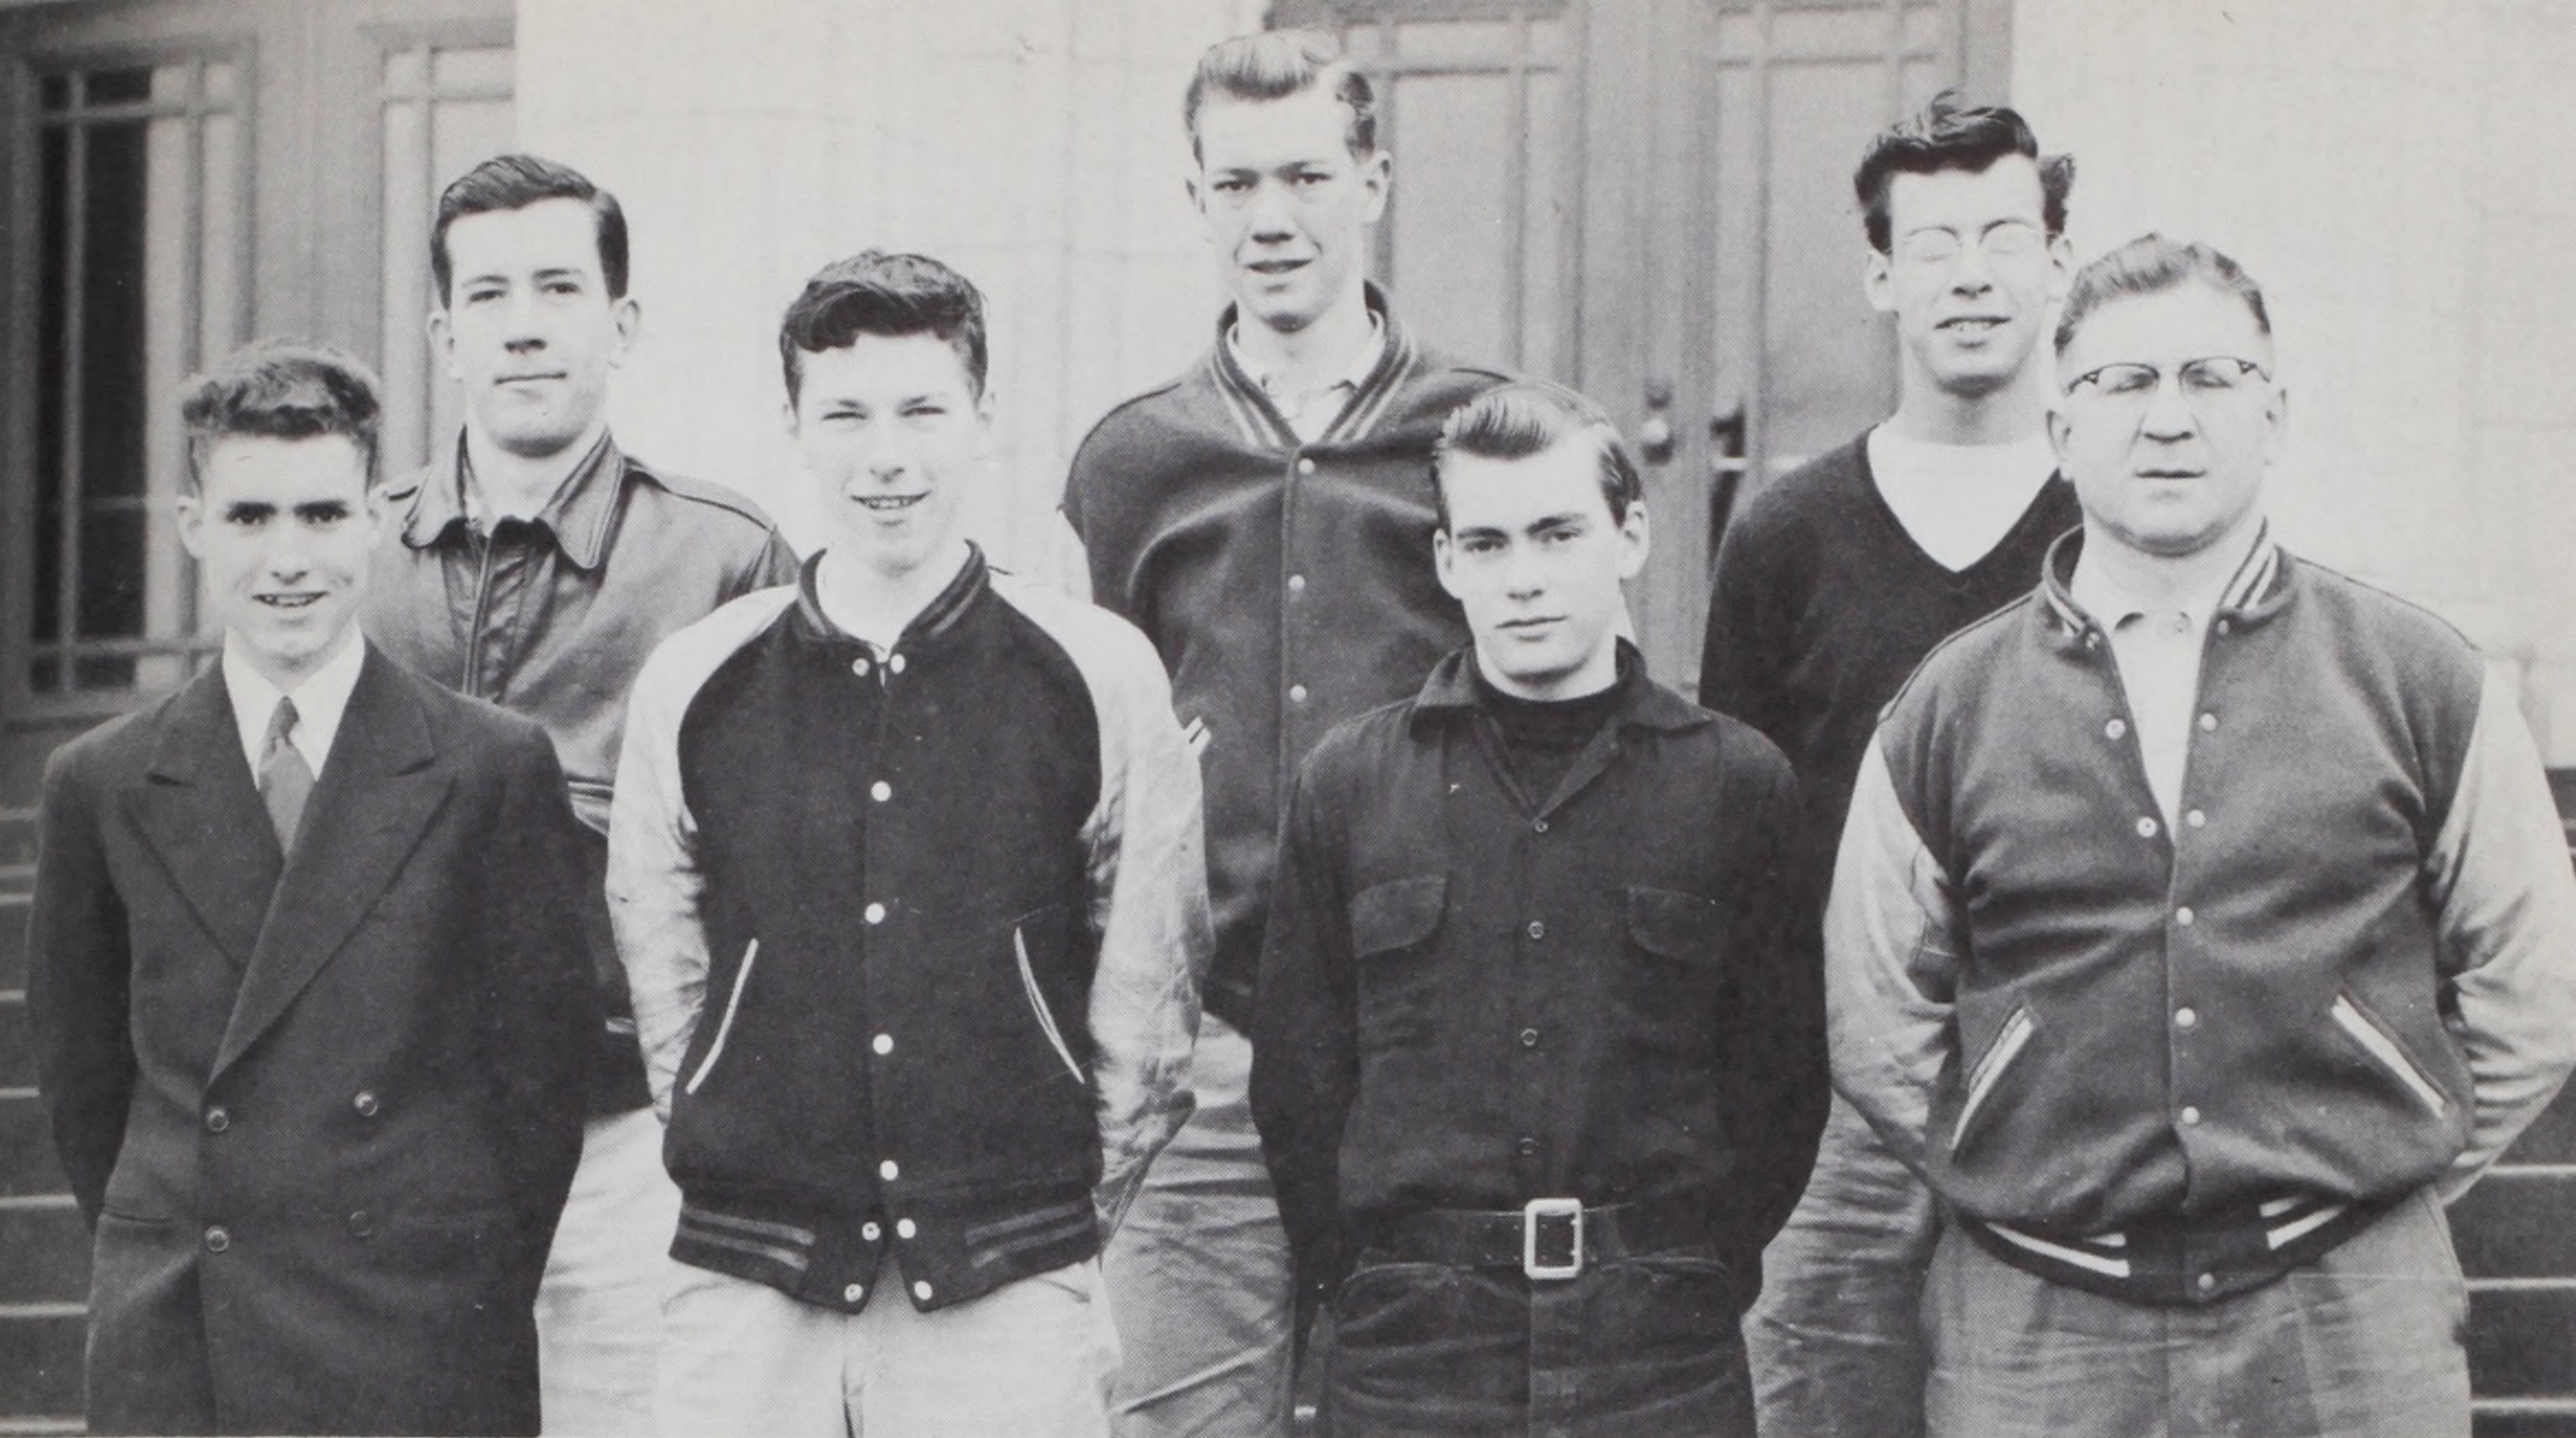

Pacing the scorers was Mr. Wise, who collected 16 points. Leading the Varsity was Wally Hale with 12 counters.

Bob Clark, not yet recovered from a football injury, coached the Varsity.

**Wally Hale hovers over the ball as Bardsley and Mr. Wise scramble for the ball.**

# VARSITY BASEBALL

ROW 1: D. Brug; D. McCauley; D. Wolfe; T. Low; B. Hill; G. Keels; J. Hall; J. Mayer; J. Perkin  
 ROW 2: Mr. Wise, coach; R. Meyer; D. Roberts; K. Johnson; J. James; D. McQueen; D. Fiske;  
 D. Cope; G. Johnson

This year the Mechanics may come up with their best baseball team in quite a few years. There are some good ball players returning from last year's squad. Cliff Wise, our baseball coach, has a good defensive infield, but they aren't too hefty with the bat.

George Keels looks like he may hit the long ball this year. He is a very good first baseman along with his ability to hit. Ray Meyer, at second is a good hitter and Jim Perkin, shortstop, who hit over .300 last year appears as though he might repeat his record. Third base is ably handled by Jack Hall when he isn't pitching. Jack hustles all the time along with Donald Cope who is one of the best catchers in the league and also pokes the long ball consistently. Other infielders are Billy "Bullet" Hill; Ken Johnson, a transfer; John James, first baseman; and Bob Jacobson.

Benson's pitching staff could be a league winner if the Mechanics can hold up the hitting department. Pitchers are Jack Hall, Dick Fiske, Dennis McCauley, Dick Brug, and two sophomores, Gary Johnson and Dick McQueen. Dick Fiske and Jack Hall are the probable starters. The rest of the staff will see action in relief roles.

The outfield is the darkest picture for the coach. So far they haven't been hitting up to expectations. They probably will improve as the season progresses. Jack Mayer, Dick Wolfe, Don Roberts, Al Sovereign and Tom Low make up the outfield.

The Techmen may prove to be a darkhorse in this year's title chase. If they do come through in all departments as they should, our Mechanics could be the team to beat in the race this year.

## SWIM TEAM

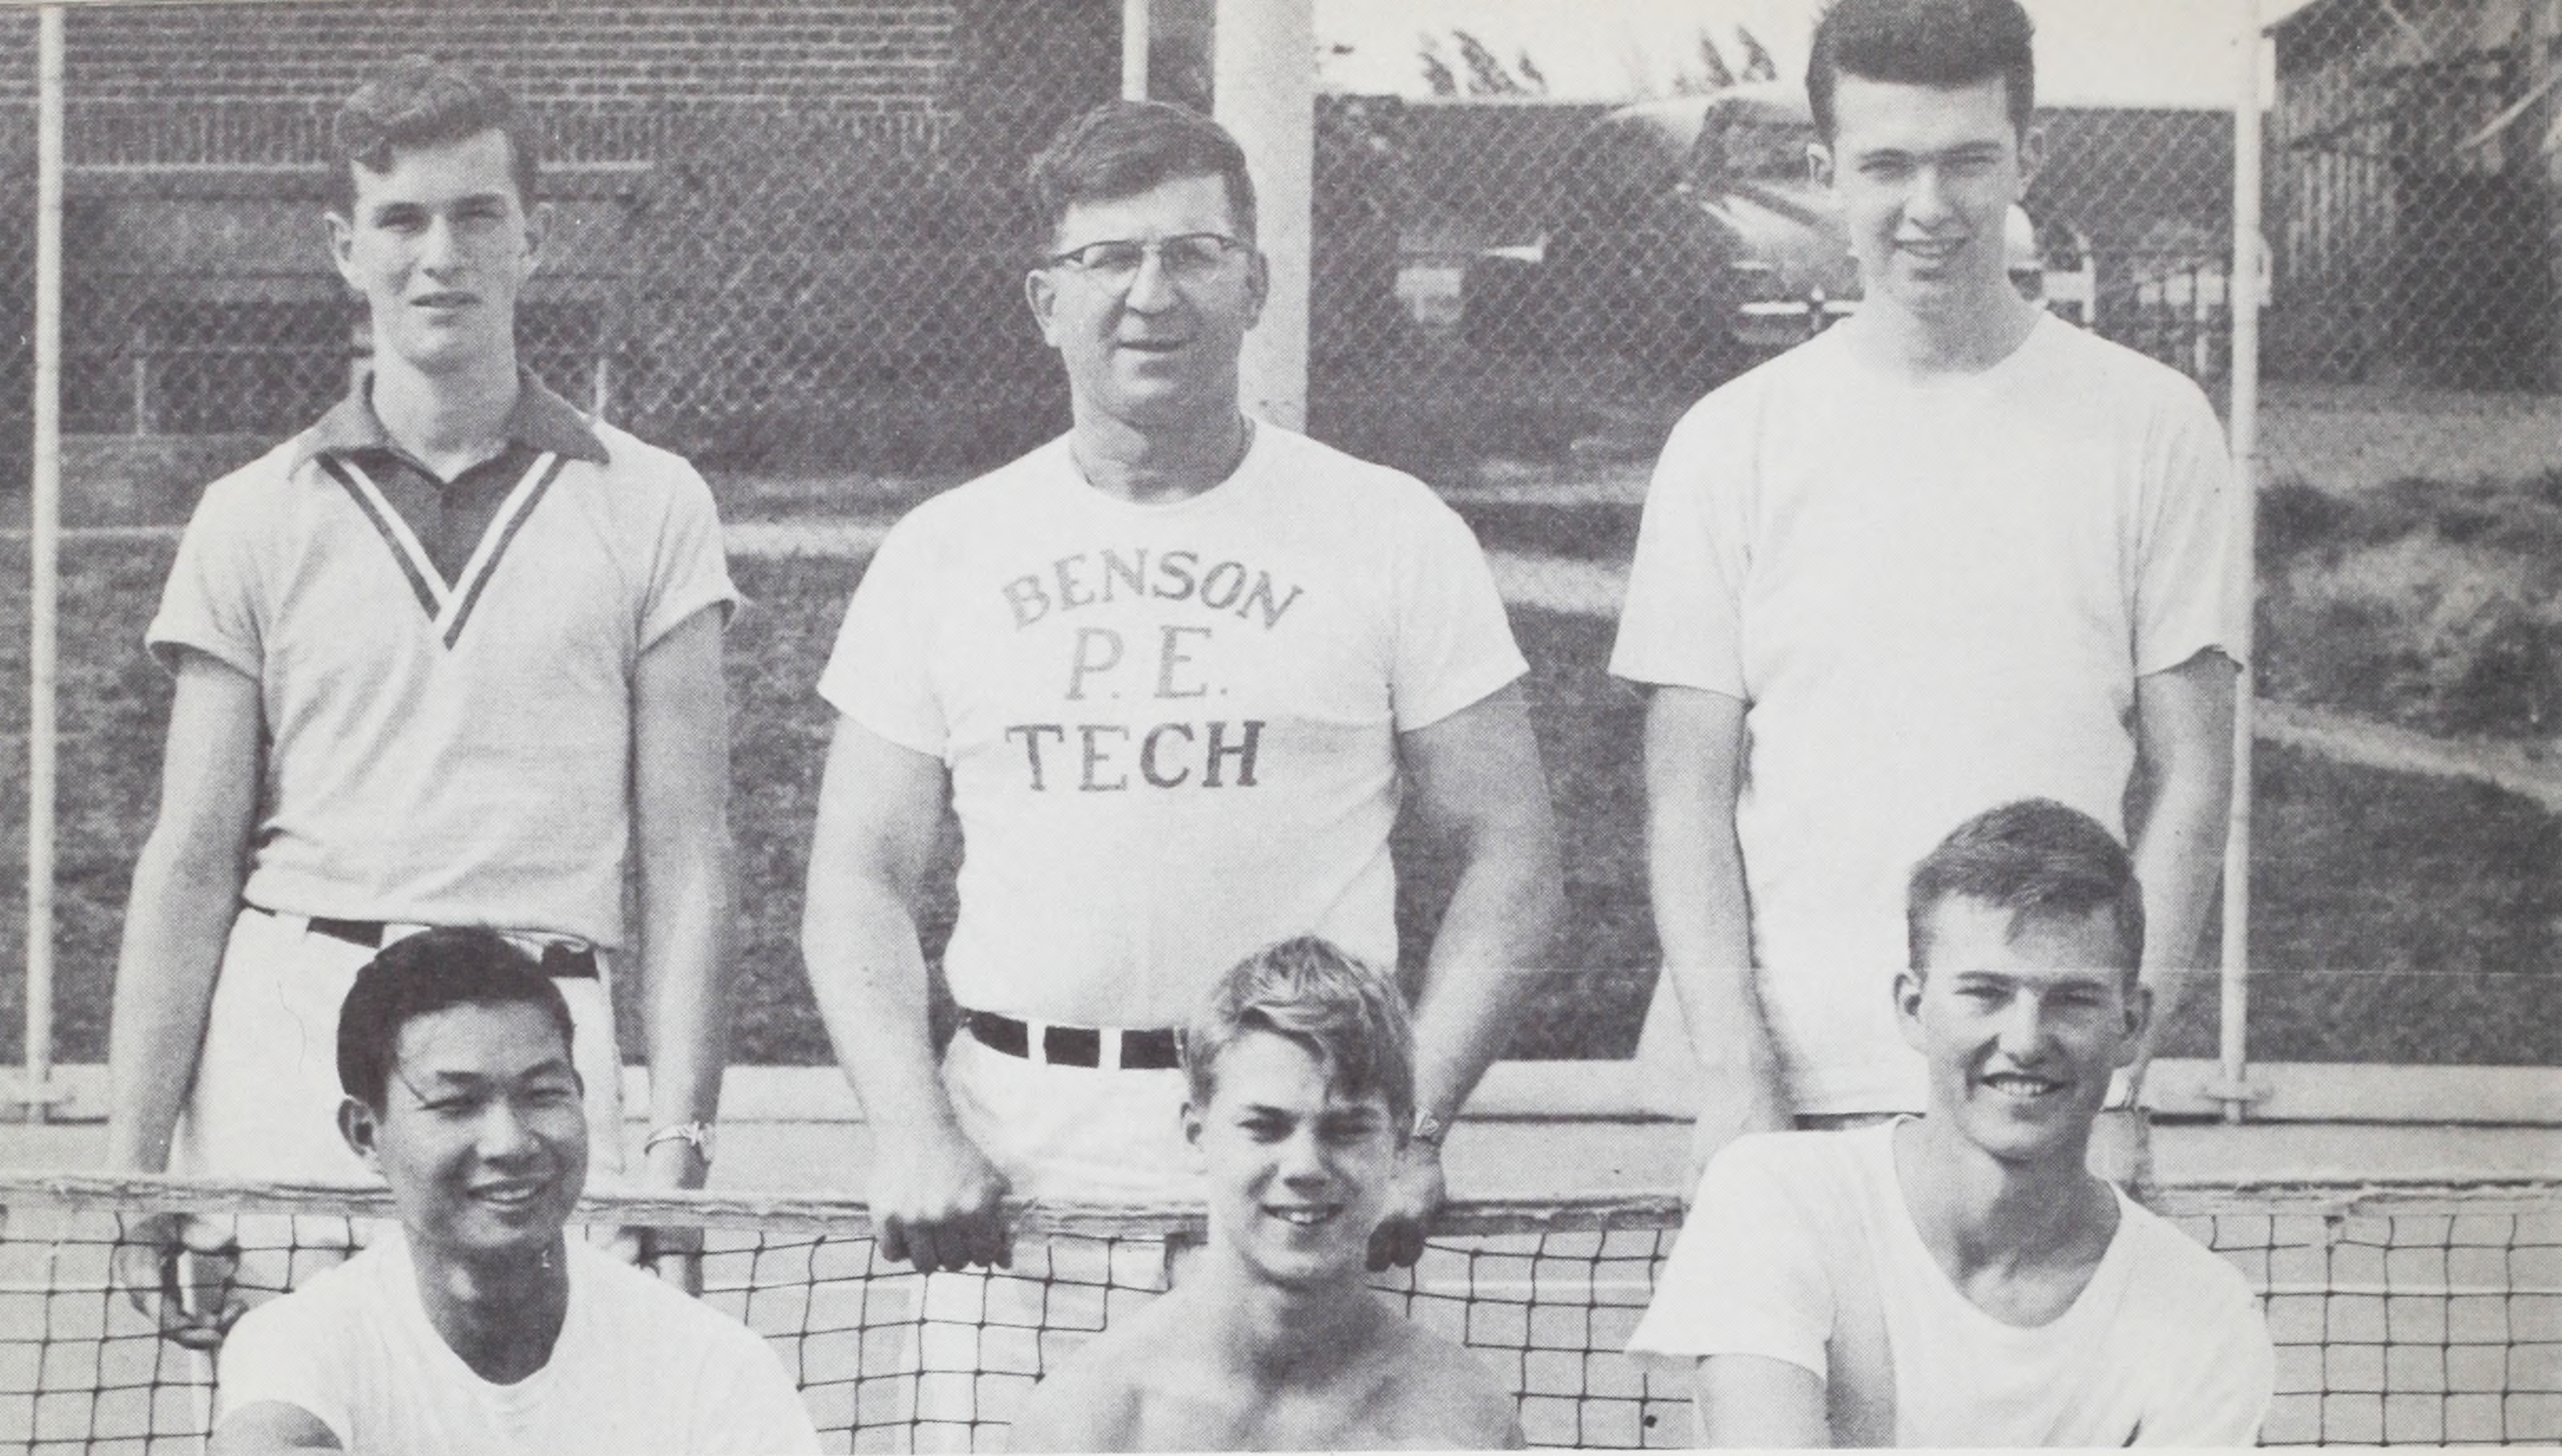

The Benson splashers came through for Tech with only 1 defeat in the city high school dual meets. Their only defeat was at the hands of the Grant Generals.

Competitive swimming has been a high school sport for only six years in Portland. In this time they have made dual meets, at which each high school challenges another until every school has competed with each other. There also is a city meet for the individual honors. The boys and girls receive ribbons for this meet. Then on to state, at which all the high schools that wish to, may compete. Medals are given as individual honors and trophies for 1, 2 and 3 teams.

Graduating members of the team are: Larry Anthony, Breaststroker; Grant Fuller, Backstroker. Other team members are: Walt Wilks, team captain, Backstroker, Breaststroker, and Freestyler; Dick Fisher, Freestyler; Ed Huston, Freestyler, Backstroker, and Breaststroker; Don Grace, Freestyler; Don Thorneycroft, Freestyler and Diver; John Anderson, Freestyler; Dick Vebreese, Freestyler; Kenny Croal, Backstroker; and Bruce Wadsworth, Breaststroker.

Chuck Mucha, coach for Techs' swimmers has coached swimming in high school since it has started. He is one of the best coaches there is. At this time the whole team wishes to express their appreciation for the help and guidance that was received during the swimming season.

## a world famous symbol from Oregon

*Seen Everywhere On*

**HYSTER INDUSTRIAL LIFT TRUCKS**—the world's most complete line (2,000 lbs.—30,000 lbs.).

**HYSTER TRACTOR EQUIPMENT**—Logging Equipment and Winches that are used with famed Caterpillar-Built Tractors.

**I**N a brief 24 years, Hyster has grown from a Portland plant employing 200 persons to a world-wide company of four plants employing more than 2000 persons. Today Hyster is a recognized leader in the materials handling field—and world's largest manufacturer of tractor winches.

*Sold and Serviced Through More than 750 Dealers at Home and Abroad*

**HYSTER** FOUNDED IN 1929
