

THE
BLUEPRINT

1956

BENSON POLYTECHNIC SCHOOL
PORTLAND, OREGON

Dedication

We wish to dedicate this year book to not one but many different people. We feel that all these people deserve recognition. This printing of the year book is therefore dedicated to them.

There are four teachers retiring from Benson whom next year's students will miss. Miss Patterson, our typing instructor; Mr. Messing, our machine shop instructor; Mr. Jensen, one of our electric shop instructors; and Mr. Karg, well remembered for his instruction in leather work, are all retiring faculty members. We wish to dedicate this year's Blueprint to these teachers who have spent so much of their time instructing Benson students.

This year for the first time Benson has been host to two foreign exchange students. Nicholas Gardner from England, and Gerhard Reisse from Germany, both attended classes at Benson. These two boys were well liked by the Benson students. We feel sure that the idea of having foreign exchange students has become established at Benson and we wish to dedicate this year's Blueprint to both boys, the first foreign exchange students to attend Benson.

Finally, we wish to dedicate this year's Blueprint to Jim Elliott, an ex-Benson student body president who, as a missionary, was killed on a trip to South America, and to Kent Klopfenstein, who recently met an accidental death. For their classmates, their loss was a great one.

Acknowledgments

In the production of a book as comprehensive and all-inclusive as the 1956 "Blueprint" is intended to be, it is manifestly impossible to individually identify all the people who have helped to make it a success. To do so adequately would be to expand the size of our annual.

However, the help of a number of people has been important: Naturally, the staff of the "Blueprint" has worked long hours, before and after school, and on their holidays. Our thanks also must go to Mr. and Mrs. C. L. Woodle, Mrs. Elaine Greene, Miss Bette Masters, Miss Jacqueline Morgan, and Miss Dorothy Allen, for their assistance in a project not directly their own. To the following Benson students who worked to aid the staff, we acknowledge our thanks: Bill Beeber, Bob Brauckmiller, and Frank Olson.

The cover design was a joint effort on the part of Gerald Parker and Don Roberts. They were guided and counseled by Mr. Arnold Grant of the Radio Department.

Lastly, but by no means least, our thanks must go to the Benson faculty who cooperated so graciously by excusing students, checking names, and genially ignoring the confusion caused by this production.

BLUEPRINT STAFF

As Editor of the 1956 Blueprint I would like to give my thanks to the many people who made this book possible. To the yearbook staff, fellow students who came to our aid, and the many firms with which we did business.

Also the help of Mr. George Hysmith and Mr. Bill Kline, our advisor and photographer, could not have been done without.

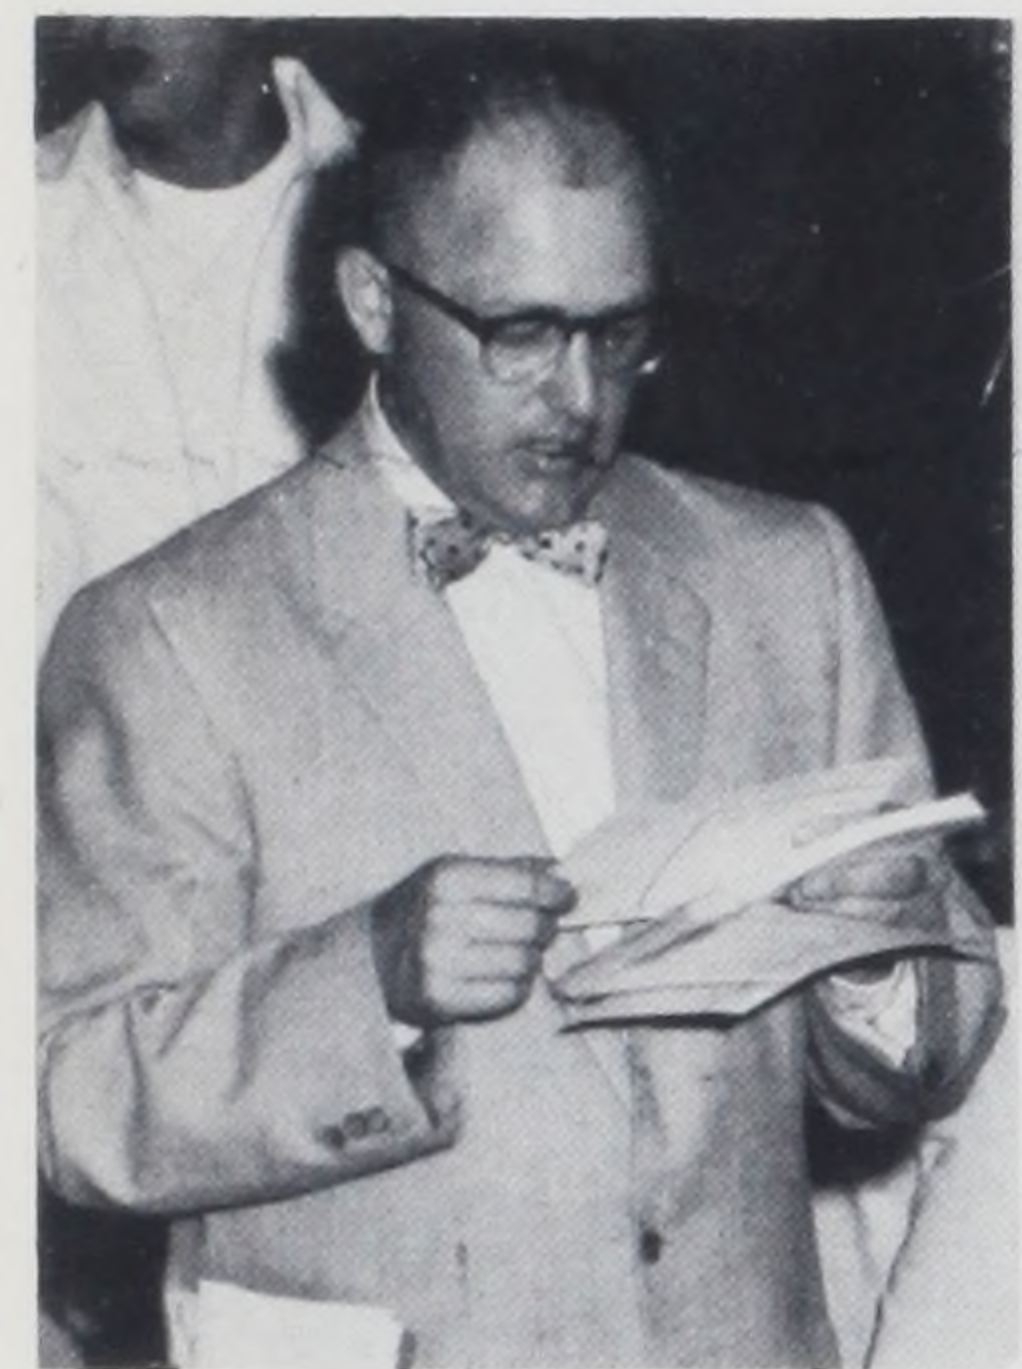

We sincerely hope that this year's year-book will meet the standards set up by you, the students.

STUDENT BODY OFFICERS

PRESIDENT

FALL

STUDENT BODY OFFICERS

The job done by President Phil Devin, and the members of his Executive Board for the fall term, was truly a great one. The Region III Conference of High School Student Body Officers was executed by our Executive Board with superb accuracy.

Our fall student body officers were the pioneers of a new voting system at Benson. A system of precincts and voting booths was incorporated into our method of voting. This system took the voting entirely out of the class room. We feel that the members of the Fall Executive Board are to be congratulated for their wonderful job as representatives of our student body.

Not only did this group do an excellent job on the projects mentioned above, but they also made many other great improvements in our student body. Among these is the new constitution that we of the student body are now following. On behalf of all the students at Benson Polytechnic School, we of the Blueprint Staff would like to congratulate the fall student body officers.

SPRING

STUDENT BODY OFFICERS

The officers of our student body during the spring term of the school year did a truly magnificent job of running our student body. Bob Selby as president, and the members of his executive board, started something which has now spread over practically the entire city. "Safe Teens," an organization which Benson was the first in the city to have, was set up and completely organized by the Spring Ex. Board. This organization, started by our spring student body officers, is one which we are proud to have at our institution.

We feel that the Spring Ex. Board is to be congratulated for its wonderful job in running our student body. "Safe Teens" is not the only thing that was accomplished by the members of the Spring Ex. Board, this group has done an excellent job on everything that it has set out to do. Congratulations, from the whole student body, to a wonderful group of student body officers.

FALL REP-COUNCIL

FALL REP COUNCIL

First row, left to right: C. Heil, P. Devin, F. Olson, K. Bajaema, T. Dixon, H. Singer, R. Walker, T. Brauckmiller, B. Duncan, O. Darr, P. Hastie, J. McKee, D. Edgington, G. Blakely, C. Porterfield, F. Andrianoff, L. Brown, Yer-Bun-ye, J. Bloodgood.

The Fall Rep-Council under the very able leadership of Phil Devin and the other members of the Ex-Board did a job that has been greatly needed throughout the years. Many meetings were held and many great agreements arose but they managed to completely revise the Benson Constitution. During this job they installed a new means of voting which reduced the wasted time in class usually taken up by the job of voting.

Also they were in charge of the plans for hosting the Region III Conference. They planned guided trips through the school and held conference meetings of school problems.

All in all the Fall Rep-Council did a fine job to make the work of future councils much easier.

SPRING REP-COUNCIL

First row: John Galbraith, Bob Selby, Ray Walker, Yeu-Bun Yee. **Second row:** Fred Tanory, Paul Benninghoff, Roger Unis, Phil Corsen, Bob Brauckmiller, Bob Duncan, Phil Kniss, Frank Olson. **Third row:** Bill Beeber, Ken Bajema, Frank Sites, Chuck Porterfield, Fred Andrianoff, Larry Tappenan, Al Biggerstaff, Jerry Lindsay.

The big job of the Spring Rep-Council was the introduction of Safe-Teens to Benson and to the Portland Public High Schools. Many meetings were held at Beaverton to set up the framework for this very worthwhile project.

The project of having a Cinema-Scope screen installed in our Auditorium for the use of noon movies was also brought up for discussion. Nothing has been decided as of now.

So as the school year 1955-1956 draws to a close Benson has been the scene of many new changes, and most of these were brought about by two of the busiest Rep-Councils in our history.

ADMINISTRATION

PRINCIPAL

DR. LEON MINEAR

Under the direction of Dr. Leon Minear, our principal, Benson Polytechnic School has grown into an outstanding technical institution. Without the leadership of Dr. Leon Minear, the new era at Benson would not have come about. We at Benson are proud of our principal, and see where his leadership will bring about great strides into the future, when Benson will continue to be the leader among technical schools.

VICE PRINCIPAL

MR. ROBERT E. KEUSCHER

One of the main reasons for the sudden up-rise in the popularity, and the raising of standards at Benson, is because of the work of Mr. Keuscher. Today there are many more students who attend college from Benson than ever before. Because of the fine work of Mr. Keuscher, many more Benson students are obtaining scholarships to help them through college. The wise counseling and guidance of Mr. Keuscher has benefited all of us. Mr. Keuscher has truly contributed a great amount to the vast improvement in Benson's reputation.

VICE PRINCIPAL

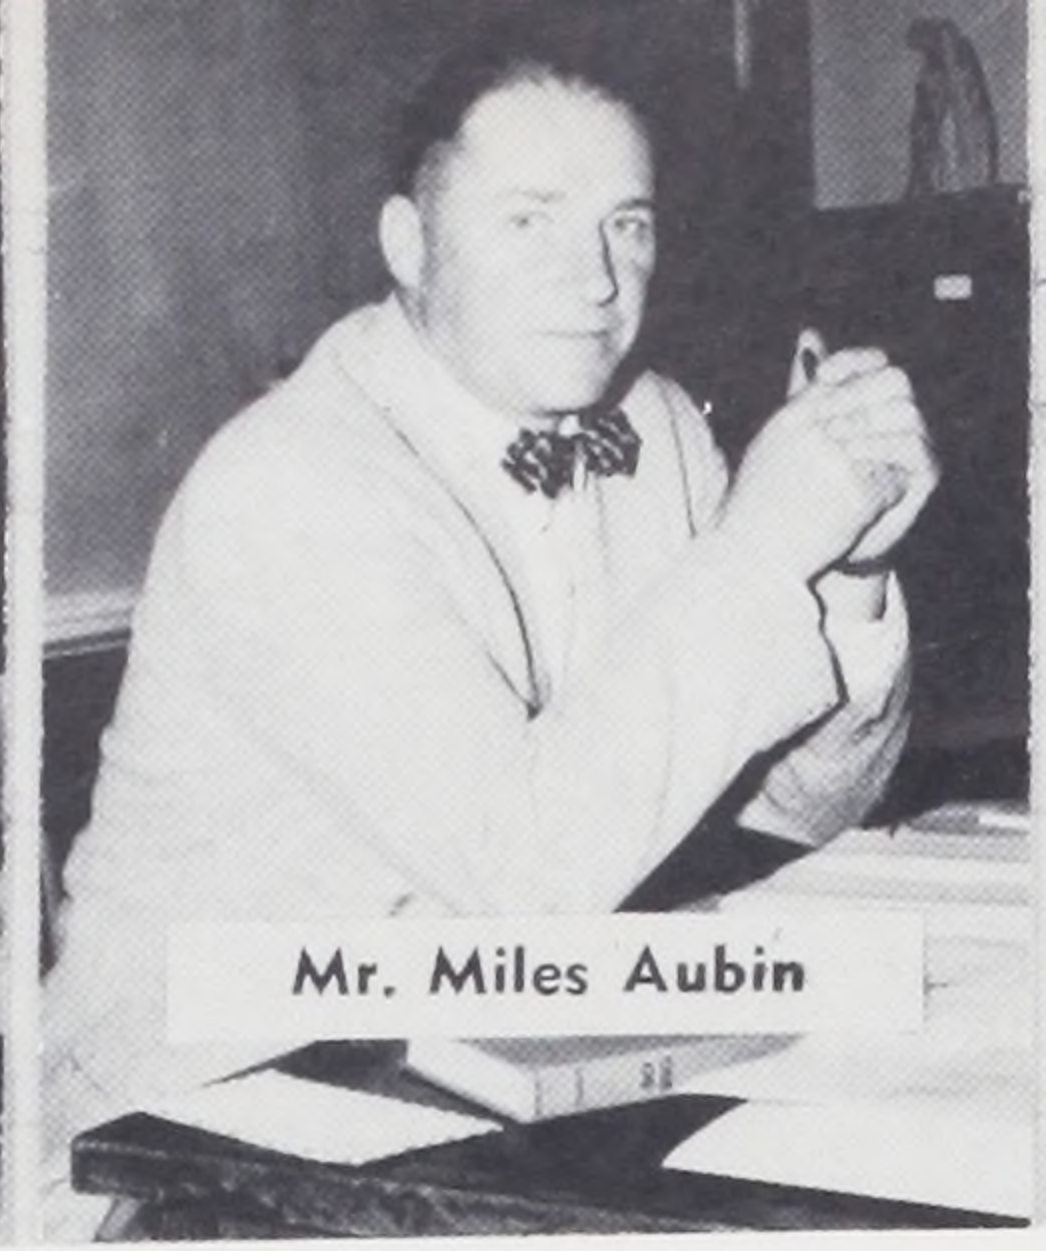

MR. GEORGE W. BROWN

Mr. Brown, vice principal in charge of discipline and attendance, is one of the most important men in the structure of Benson's faculty. The problems that confront Mr. Brown are sometimes quite complicated ones, but they are always handled with the greatest of thought and consideration. Because of his understanding and consideration Mr. Brown remains one of the most popular figures around the school.

Mr. Nels V. Jensen

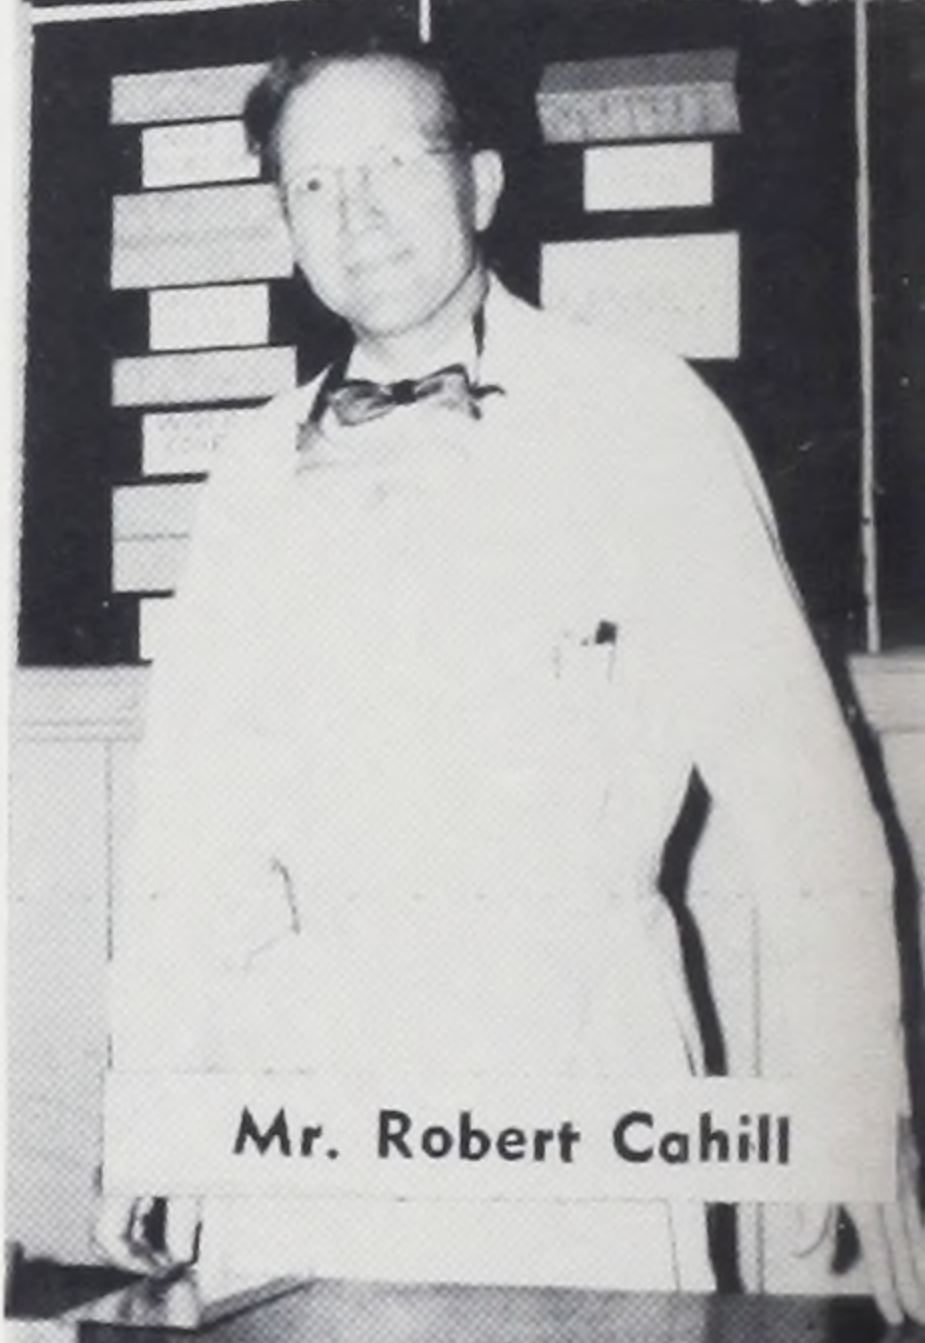

Basic Electric shop students in the future will miss the kind, patient technical instruction of Mr. Nels Jensen, one of the four Benson instructors to retire this year.

A native of Copenhagen, Denmark, Mr. Jensen attended Portland schools and Oregon State College. He started teaching at Benson in 1922, but spent some years at the old Edison high school and at Franklin. He returned to Benson in 1952.

We join the faculty and students of Benson in wishing Mr. Jensen many years of pleasant and enjoyable retirement.

Mr. Henry Karg, one of Benson's retiring teachers, for the past year has really not been a member in the usual sense of the word. In his years here at Benson in the leather shop, Mr. Karg earned the reputation of being an excellent teacher. As a result, he was promoted to a special position with the Department of Special Education.

But in the affections of many Benson students as well as the faculty, Mr. Karg will always be one of us.

Born in Germany, Mr. Karg came to the U. S. at an early age and lived and worked in Portland all his life. Every leather worker in the city seemingly knows him.

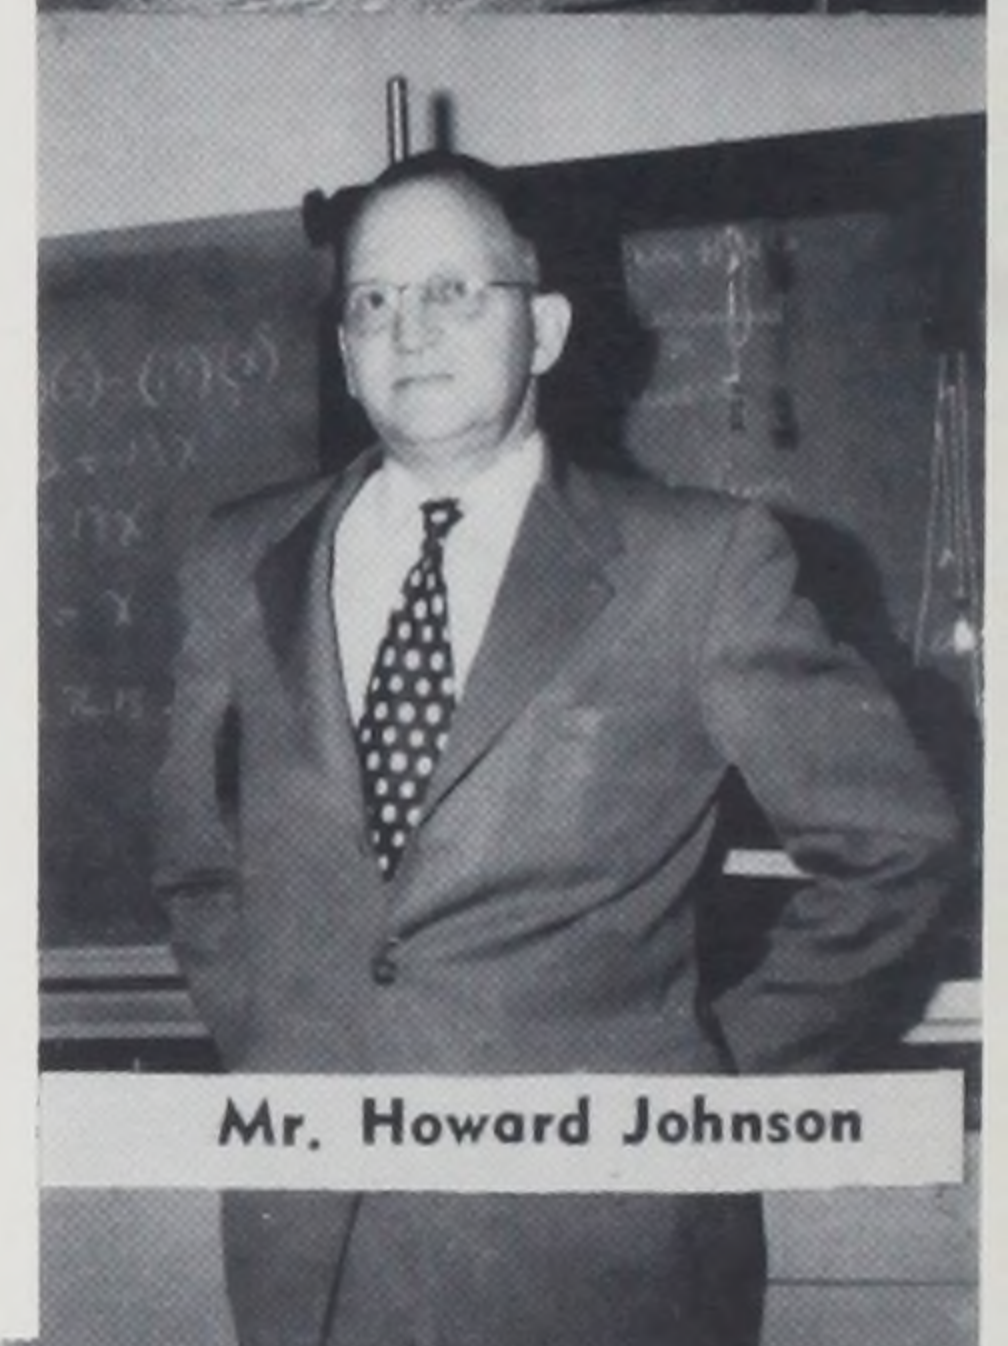

We wish many years of happy retirement for Mr. Karg.

Mr. Klaus Messing

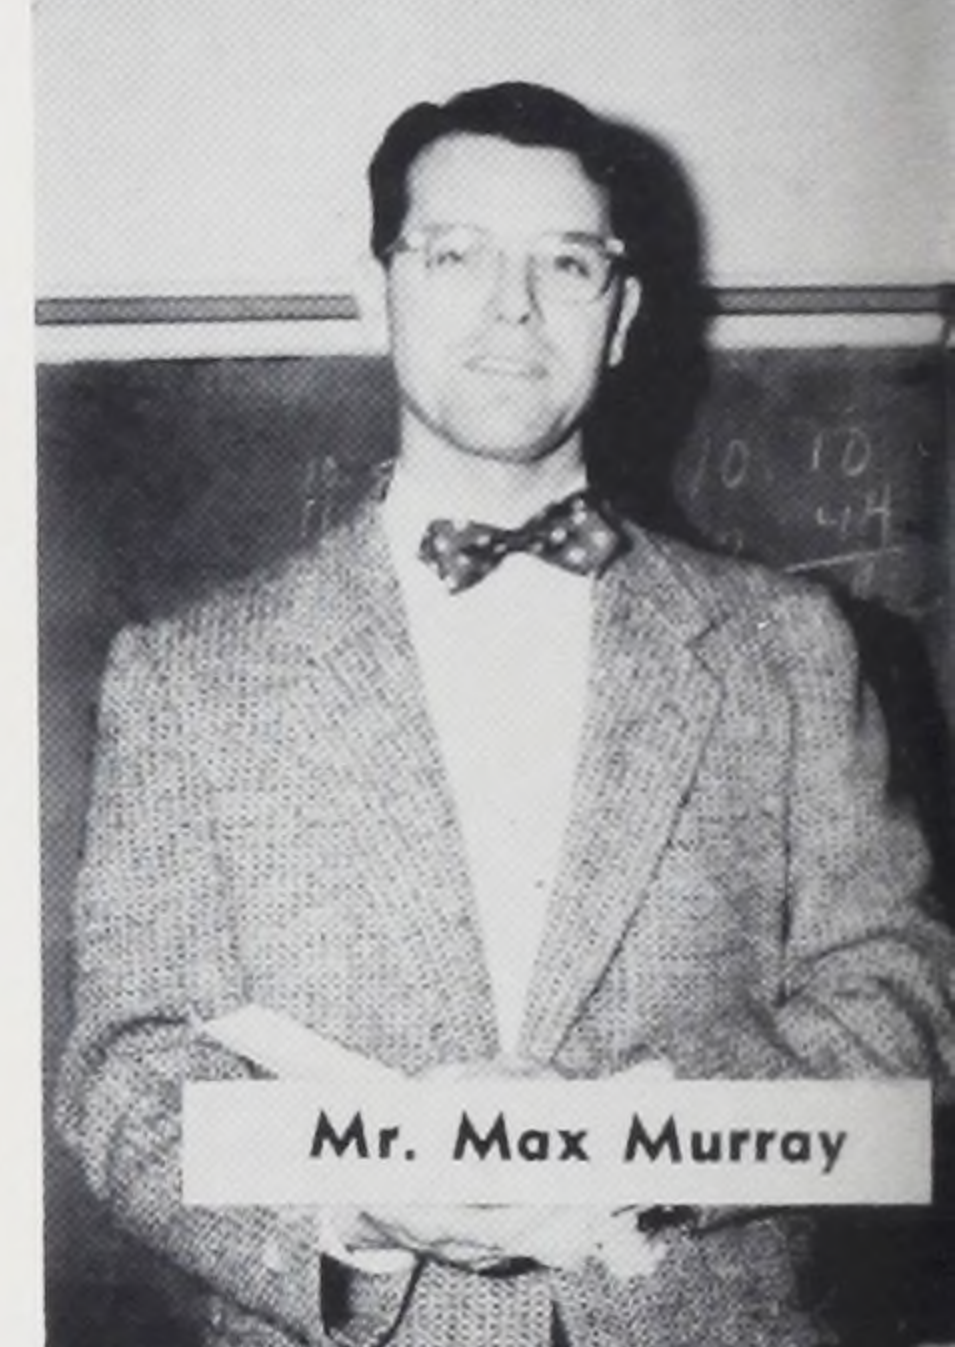

A native Oregonian, Mr. Claus Messing completed his high school in Portland at the Portland Trade School, the forerunner of Benson. After school, Mr. Messing spent some years working for the Ford and Packard Motor companies.

In 1920 Mr. Messing began his long service at Benson. His 36 years here have included 18 as Machine Shop foreman. A complete generation of Benson machine graduates have known him for his skill in the basic procedures of the machine shop.

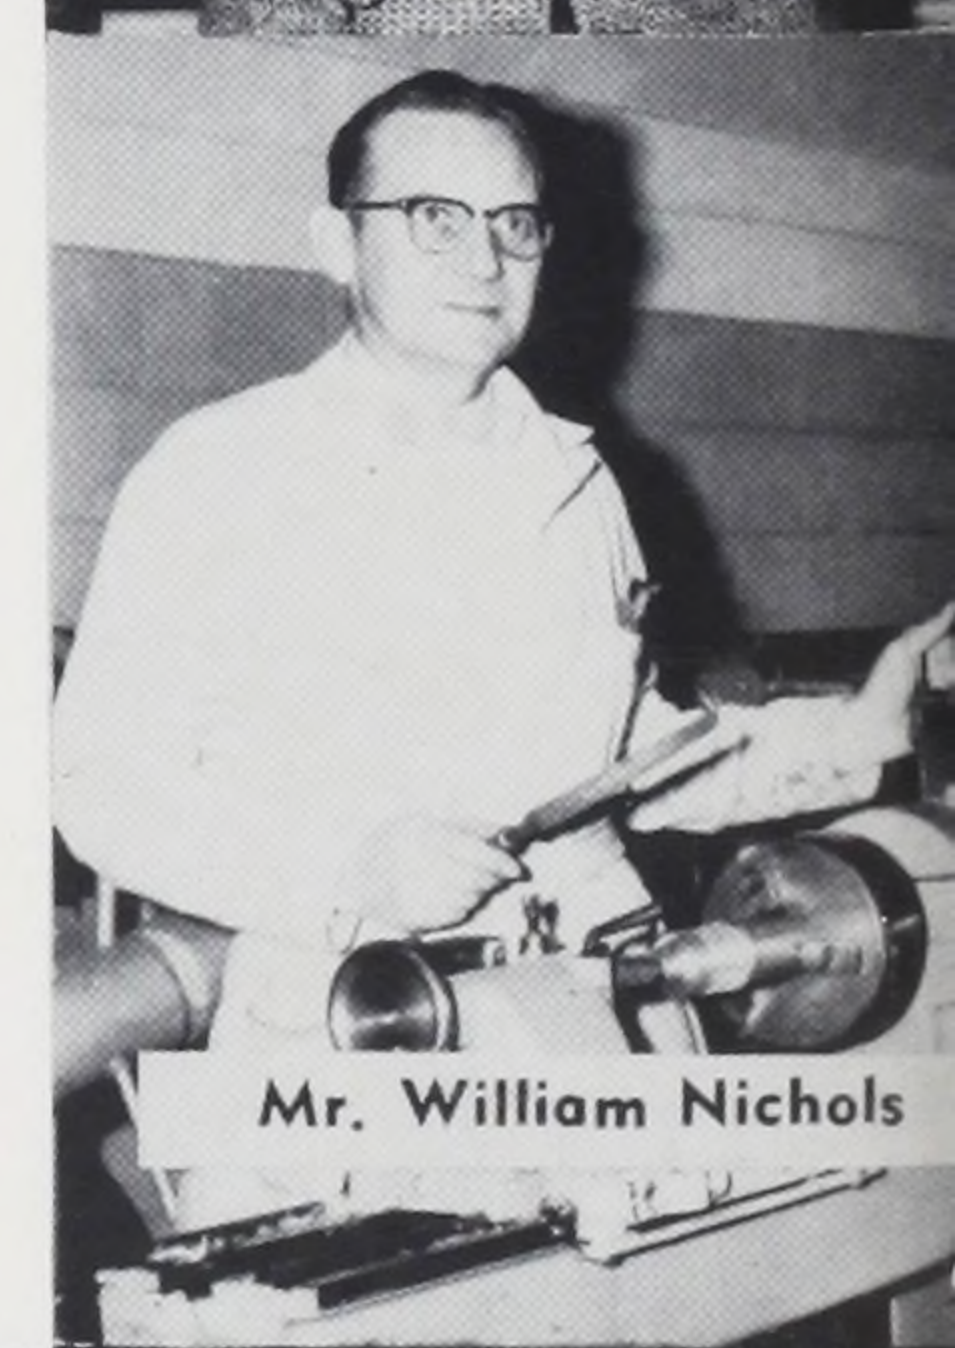

We know that Mr. Messing will continue to improve his golf game during the years of his retirement. And we hope that he breaks par on every round!

Miss Vina Patterson

Always after that "perfect copy," Miss Vina Patterson has taught many Benson boys the mysteries of typing. And often fingers used to hammer and wrench fitted poorly on a typewriter.

Miss Patterson is a native Portlander, having attended Failing grade school and Lincoln high school. She received her college degree from the University of Oregon. After some years of working in an office, she began teaching at Cleveland (then called Commerce) in 1933. In addition to her years at Cleveland she has taught at the old Jane Addams and since 1947 has been here at Benson.

An avid camera fan, Miss Patterson's many friends expect her to spend many pleasant years traveling and taking pictures. We wish her every happiness.

MUSIC

Music

During the past ten years Benson has been very fortunate in having as a music teacher, Mr. Norman N. Street. When Mr. Street came to our school, the music department was small and undeveloped. Under his close supervision and constant guidance the department has grown in stature and has attained state-wide recognition.

Mr. Street graduated from Washington State College where he majored in music. He is truly an inspiration to all young musicians.

THE CONCERT BAND

The band began its very successful season by performing at the annual high school football jamboree. During the year they performed in assemblies, at football games, parades, and for many organizations throughout the city. They were also featured on the KEX Hi-Time show twice this year. To conclude the 1955-56 seasons, the band was featured at the Rose Festival coronation ceremonies and in the Rose Festival parade.

The Benson Gleemen under the careful supervision of Mr. Norman N. Street, have enjoyed another highly successful year. The Gleemen represented Benson at a great variety of clubs, schools, and associations. They have been featured in school assemblies, on TV, and in the all city pageant "Land of the Empire Builders." To bring to a close a most successful season, the Gleemen were featured in the Queen's Coronation program of the annual Rose Festival.

THREE NUTS AND A BOLT

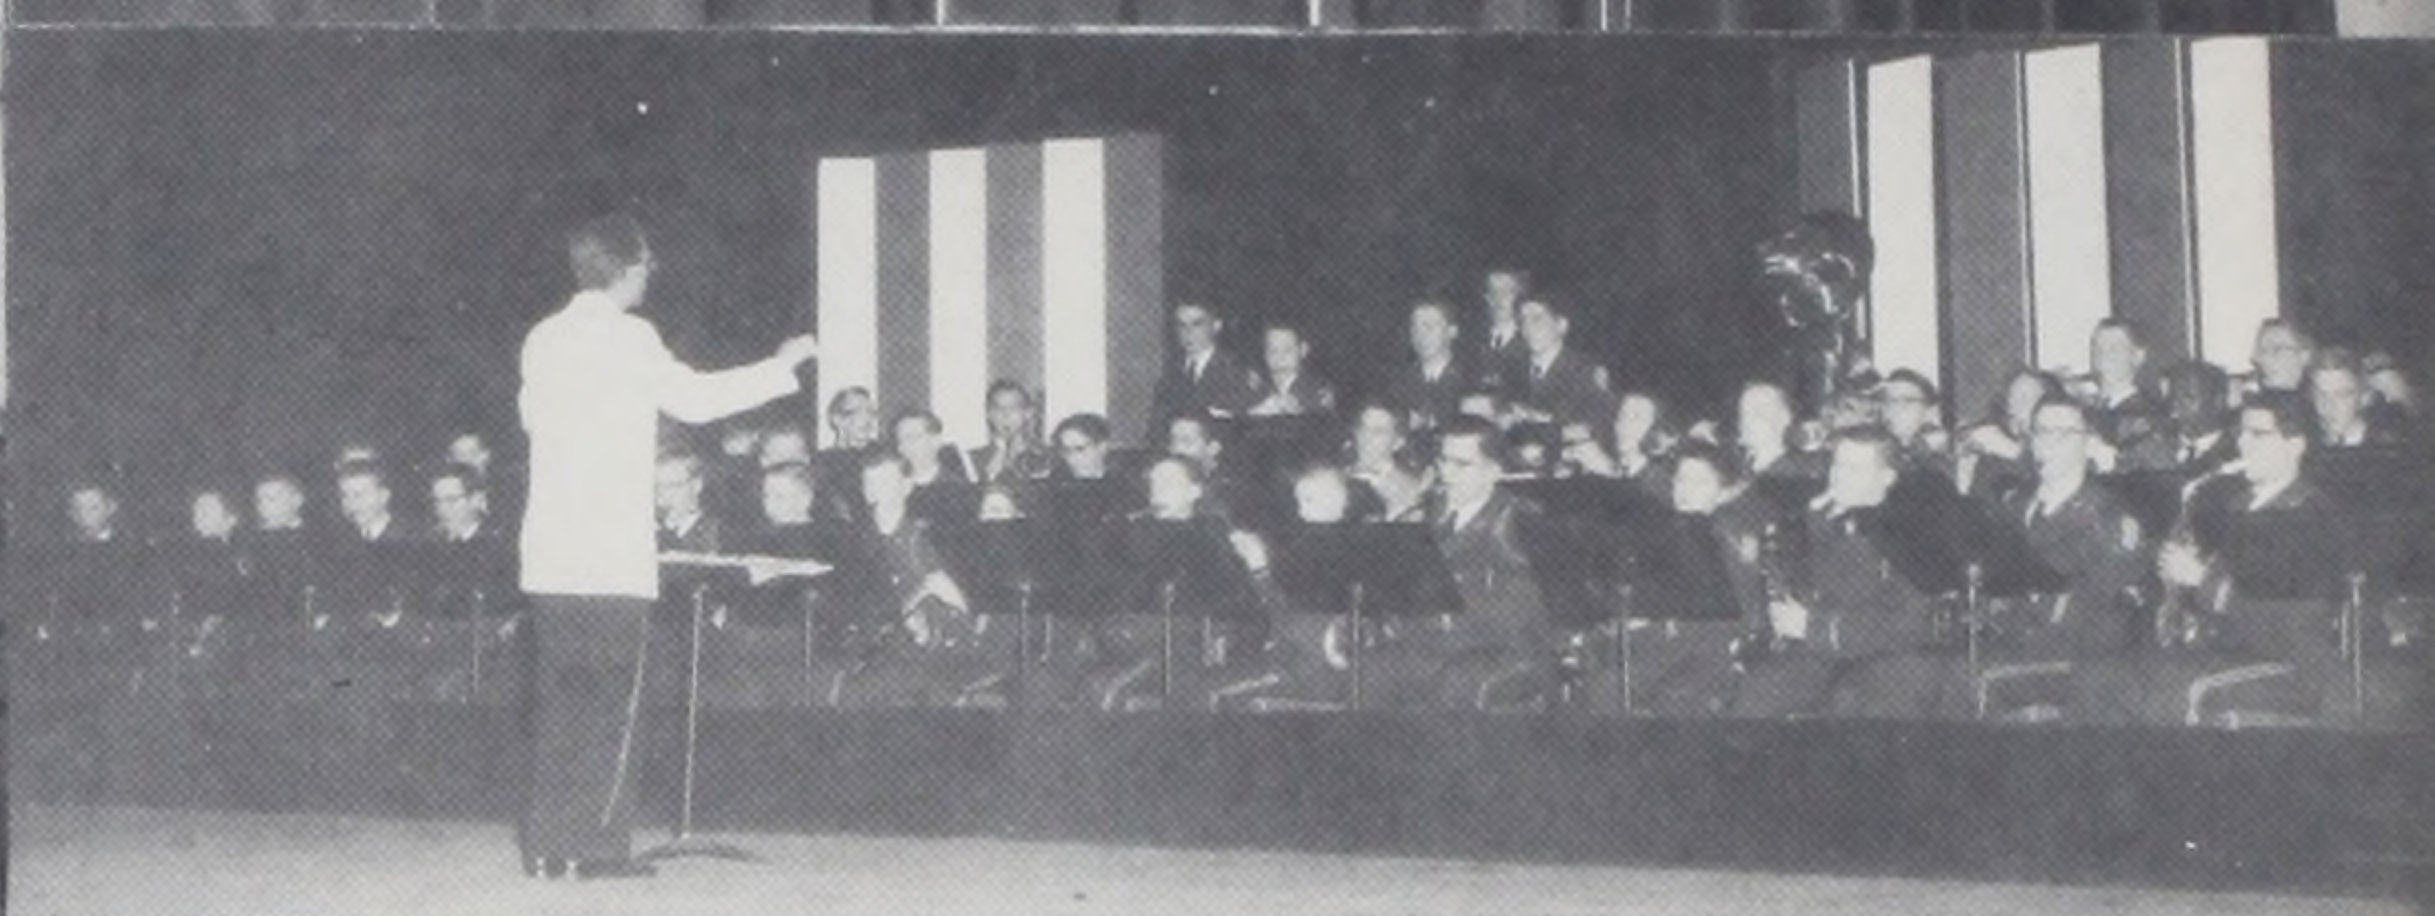

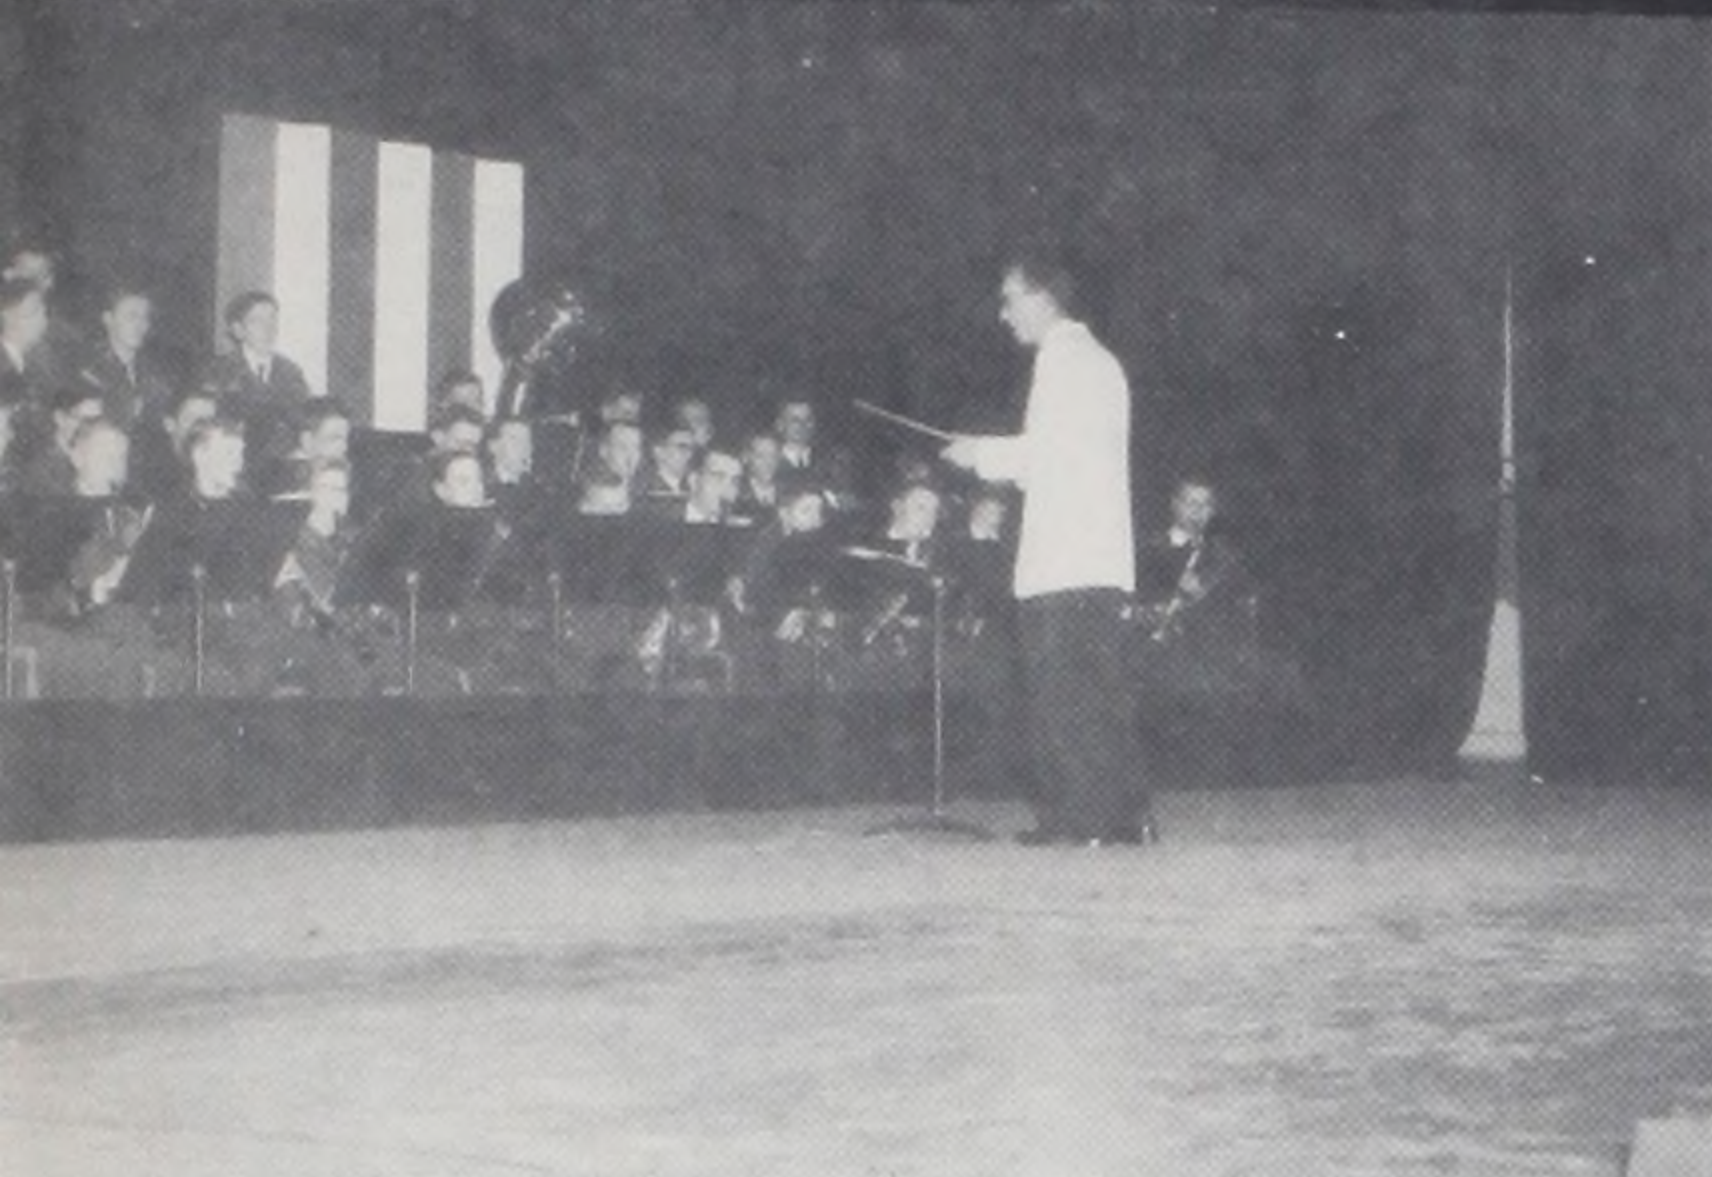

The four members of the quartet have done an outstanding job representing Benson in their many appearances at clubs, P.T.A.'s, and programs throughout the Portland area.

ALL SCHOOL PLAY ROOM SERVICE"

DRAMA ACTIVITIES

ROBERT E. BONNIWELL

Three years ago Benson was fortunate to acquire the services of one of the city's outstanding drama teachers and since his coming has produced many outstanding productions such as "On Borrowed Time," "Stalag 17," and "The Hasty Heart."

The National Thespian Society has been very active during the school year in the line of production of plays. Their activities included producing two full length plays and a one-act play. The two full length plays were "Room Service," and "The Hasty Heart." The one-act was a collection of scenes from the well-known play "Peer Gynt" and was produced at Cleveland High School for the annual One-act Play Festival.

Other activities included the induction of seven new members into the society. The new members are Kells Barrett, Nicholas Gardner, Darris Seibold, Gary Griffin, Fred Ford, Michael Williams and Henry Raz.

The story of the play centers around a nimble-witted producer, living on credit with several actors in a Broadway hotel and is desperately in need of a good script. He finds one, and by great good luck finds an angel with \$15,000 to back the play. The play shows how, during a hectic few days, the producer plays hide-and-seek with the angel who wants to withdraw his financial support, manages to outwit creditors, and, at the very last moment, puts over his play in spite of the most ludicrous and unexpected obstacles.

Mass confusion reigns in the hotel room upon the arrival of Darris Seibold, Nicholas Gardner, and Kells Barrett who demand their money but Frank Olson, Fred Ford, Dolores Tweedy, and LeRoy Eggers pay no attention to them.

Left: Ken Wright looks very bewildered as the three starved men, Frank Olson, Fred Ford, and Gary Howard, dig into a long awaited meal that they have swiped. Center: Two cool cats after a rat wearing blue suede shoes. Right: Fred Ford has become "sick," he doesn't know about it, and his friends, Gary Howard, LeRoy Eggers, and Frank Olson are "gently" putting him to bed.

Gary Howard is having a tremendous "Brain Storm" in less than modest attire as Kells Barrett, Nicholas Gardner, Frank Olson, LeRoy Eggers, and Darris Seibold show varied emotions toward his dress and actions.

The story tells of a wounded Scotch soldier who has had one kidney removed and the other destined to collapse within six weeks. He is sent to a convalescent ward of an English hospital in the Burma Junge where it is hoped he will be happy. But due to his extreme independence of spirit, he will not make friends with the men in the ward. Hard feelings grow among the men which are soothed only by the kind understanding of the ward nurse. The Scot nearly wrecks the good intentions of those who want to make him happy, but at last—particularly after he falls in love with the nurse—he learns the great lesson of love for his neighbor and spends the rest of his time content with his bagpipes and kilt.

A heavy bet is being made by Ken Wright and Gary Griffin concerning the "Obese" on-looker, Frank Olson. Looks of love are exchanged by Jefferson's own Carol Ann Lantry and Nicholas Gardner

Strange Noises are heard from behind the screen as Nicholas Gardner starts to play his bagpipe. With pained looks Frank Olson, Gary Griffin, Hasten Payne, Fred Ford, and Ken Wright.

CENTRAL STAGING

The arena staging of "The Hasty Heart" was Benson's first attempt at this style of theater. Arena or central staging is by no means a new production technique. We have only to read about the classic Greek, Oriental, or Elizabethan theaters to realize it is actually "Old Hat." Its popularity has increased steadily over the past fifteen years, not only in community, college, and the high school theater but in the professional theater. One of the most widely known theaters in the northwest is of this type—the Penthouse at the University of Washington. In Portland we have the Blue Room of the Portland Civic Theater and the Magic Ring Theater which produce arena productions entirely.

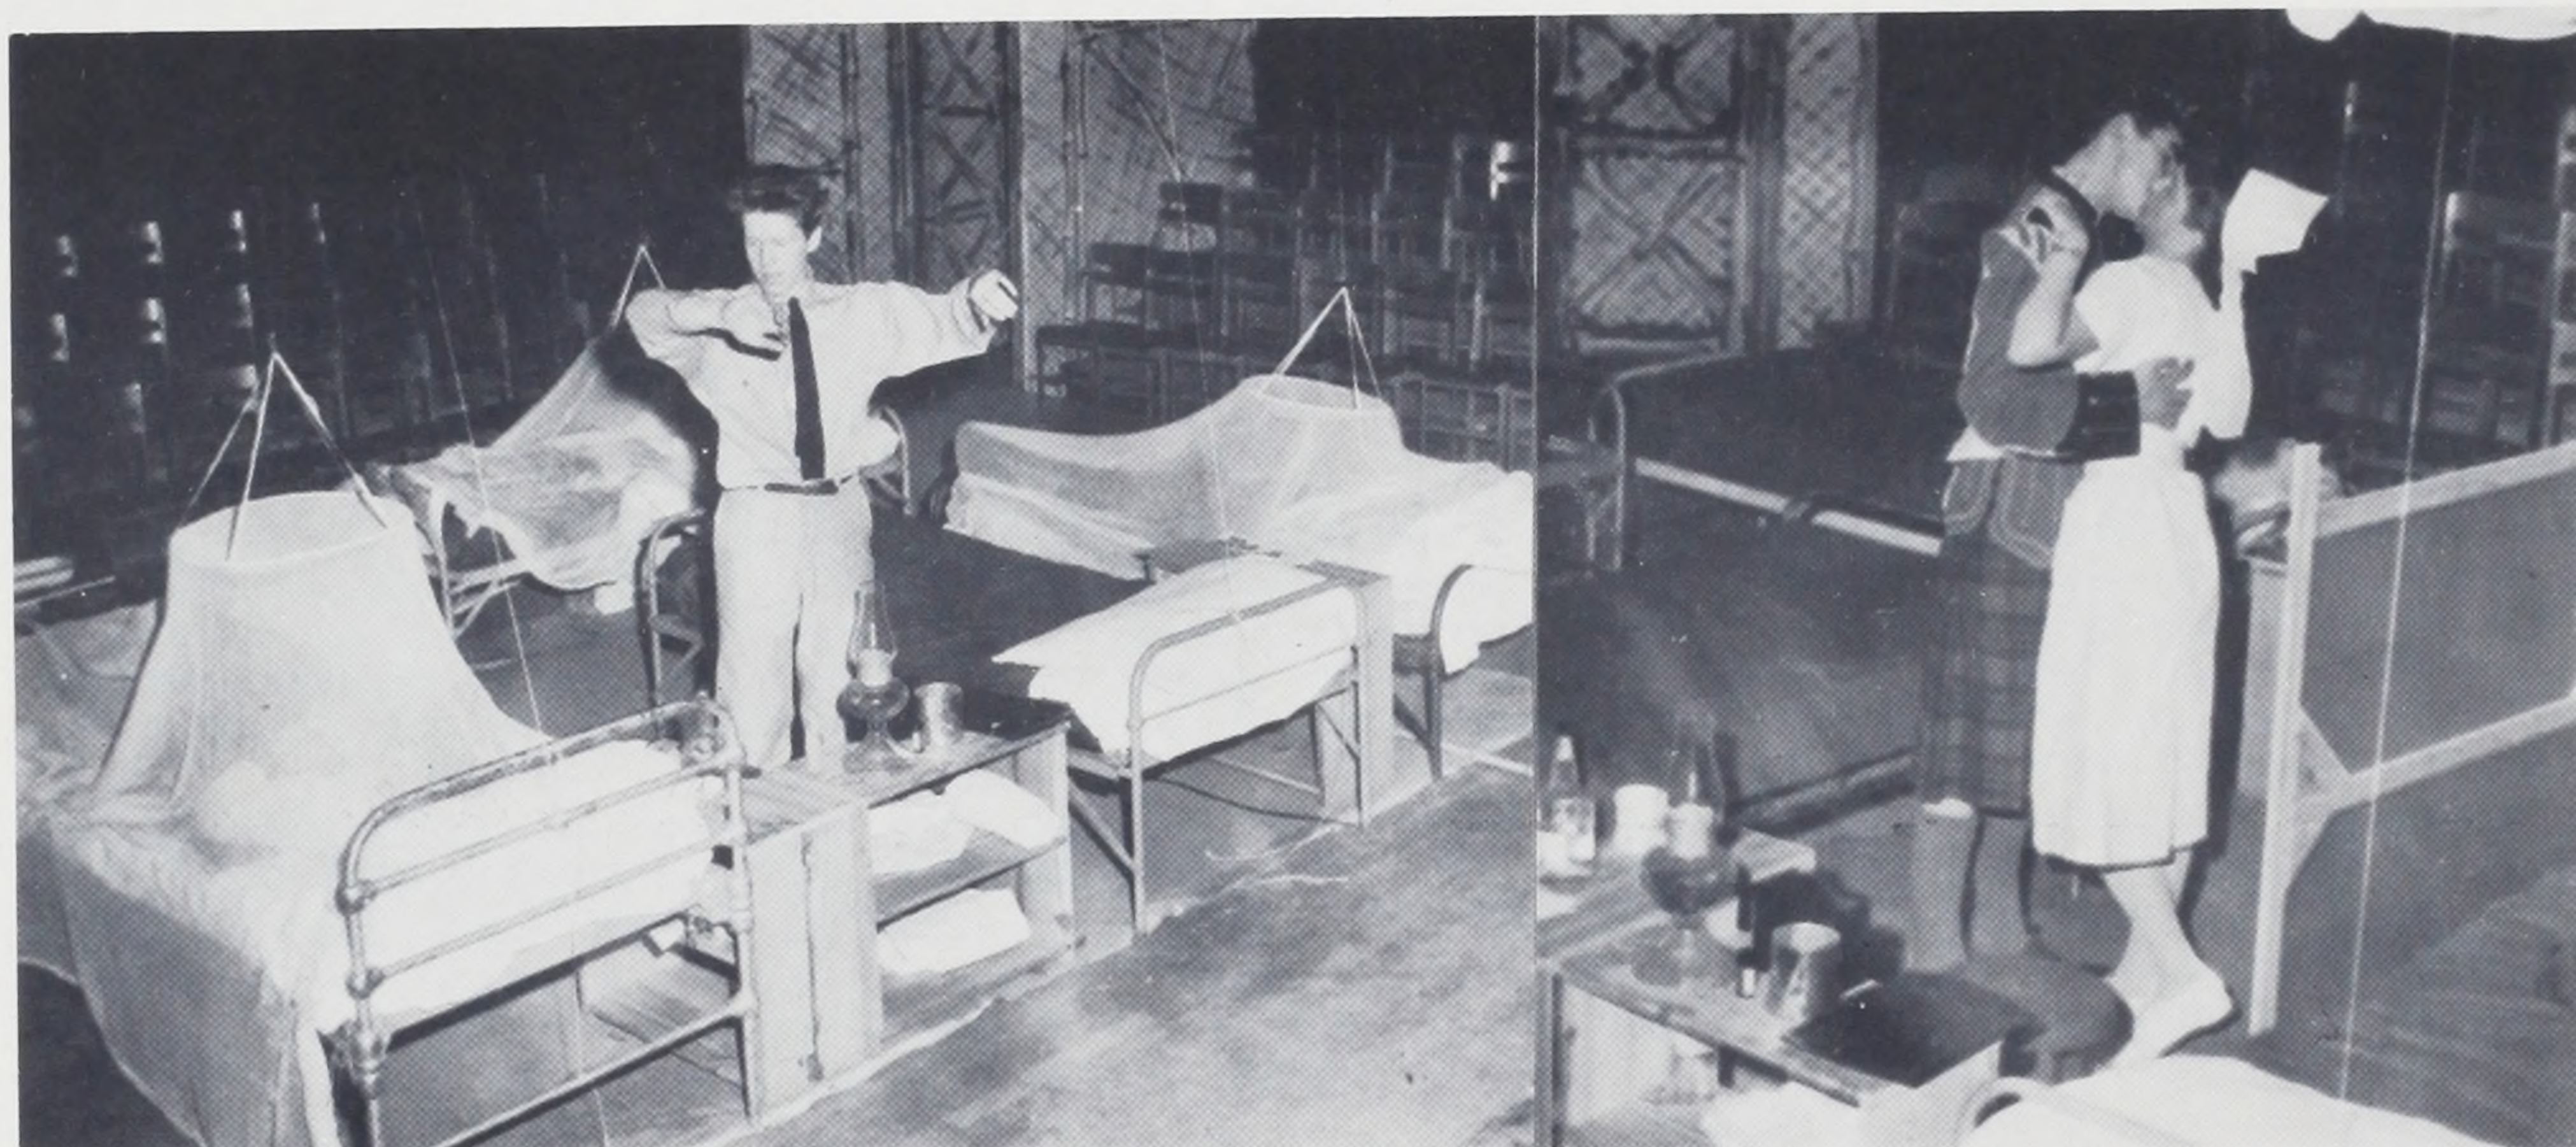

Audiences find arena staging a stimulating medium which excites the imagination and conveys the author's story and ideas to the spectators with tremendous impact. In this medium the actor must rely completely upon his truthfulness and sincerity. Audiences soon forget their self-consciousness caused by the pronounced intimacy with the actors and action, and accept the illusion built up by the players.

Nicholas Gardner looks indignant as he shows off his birthday kilt while Ken Wright, Gary Griffin, Fred Ford, Frank Olson, and Hasten Payne try to discover what the Scots wear underneath their kilt.

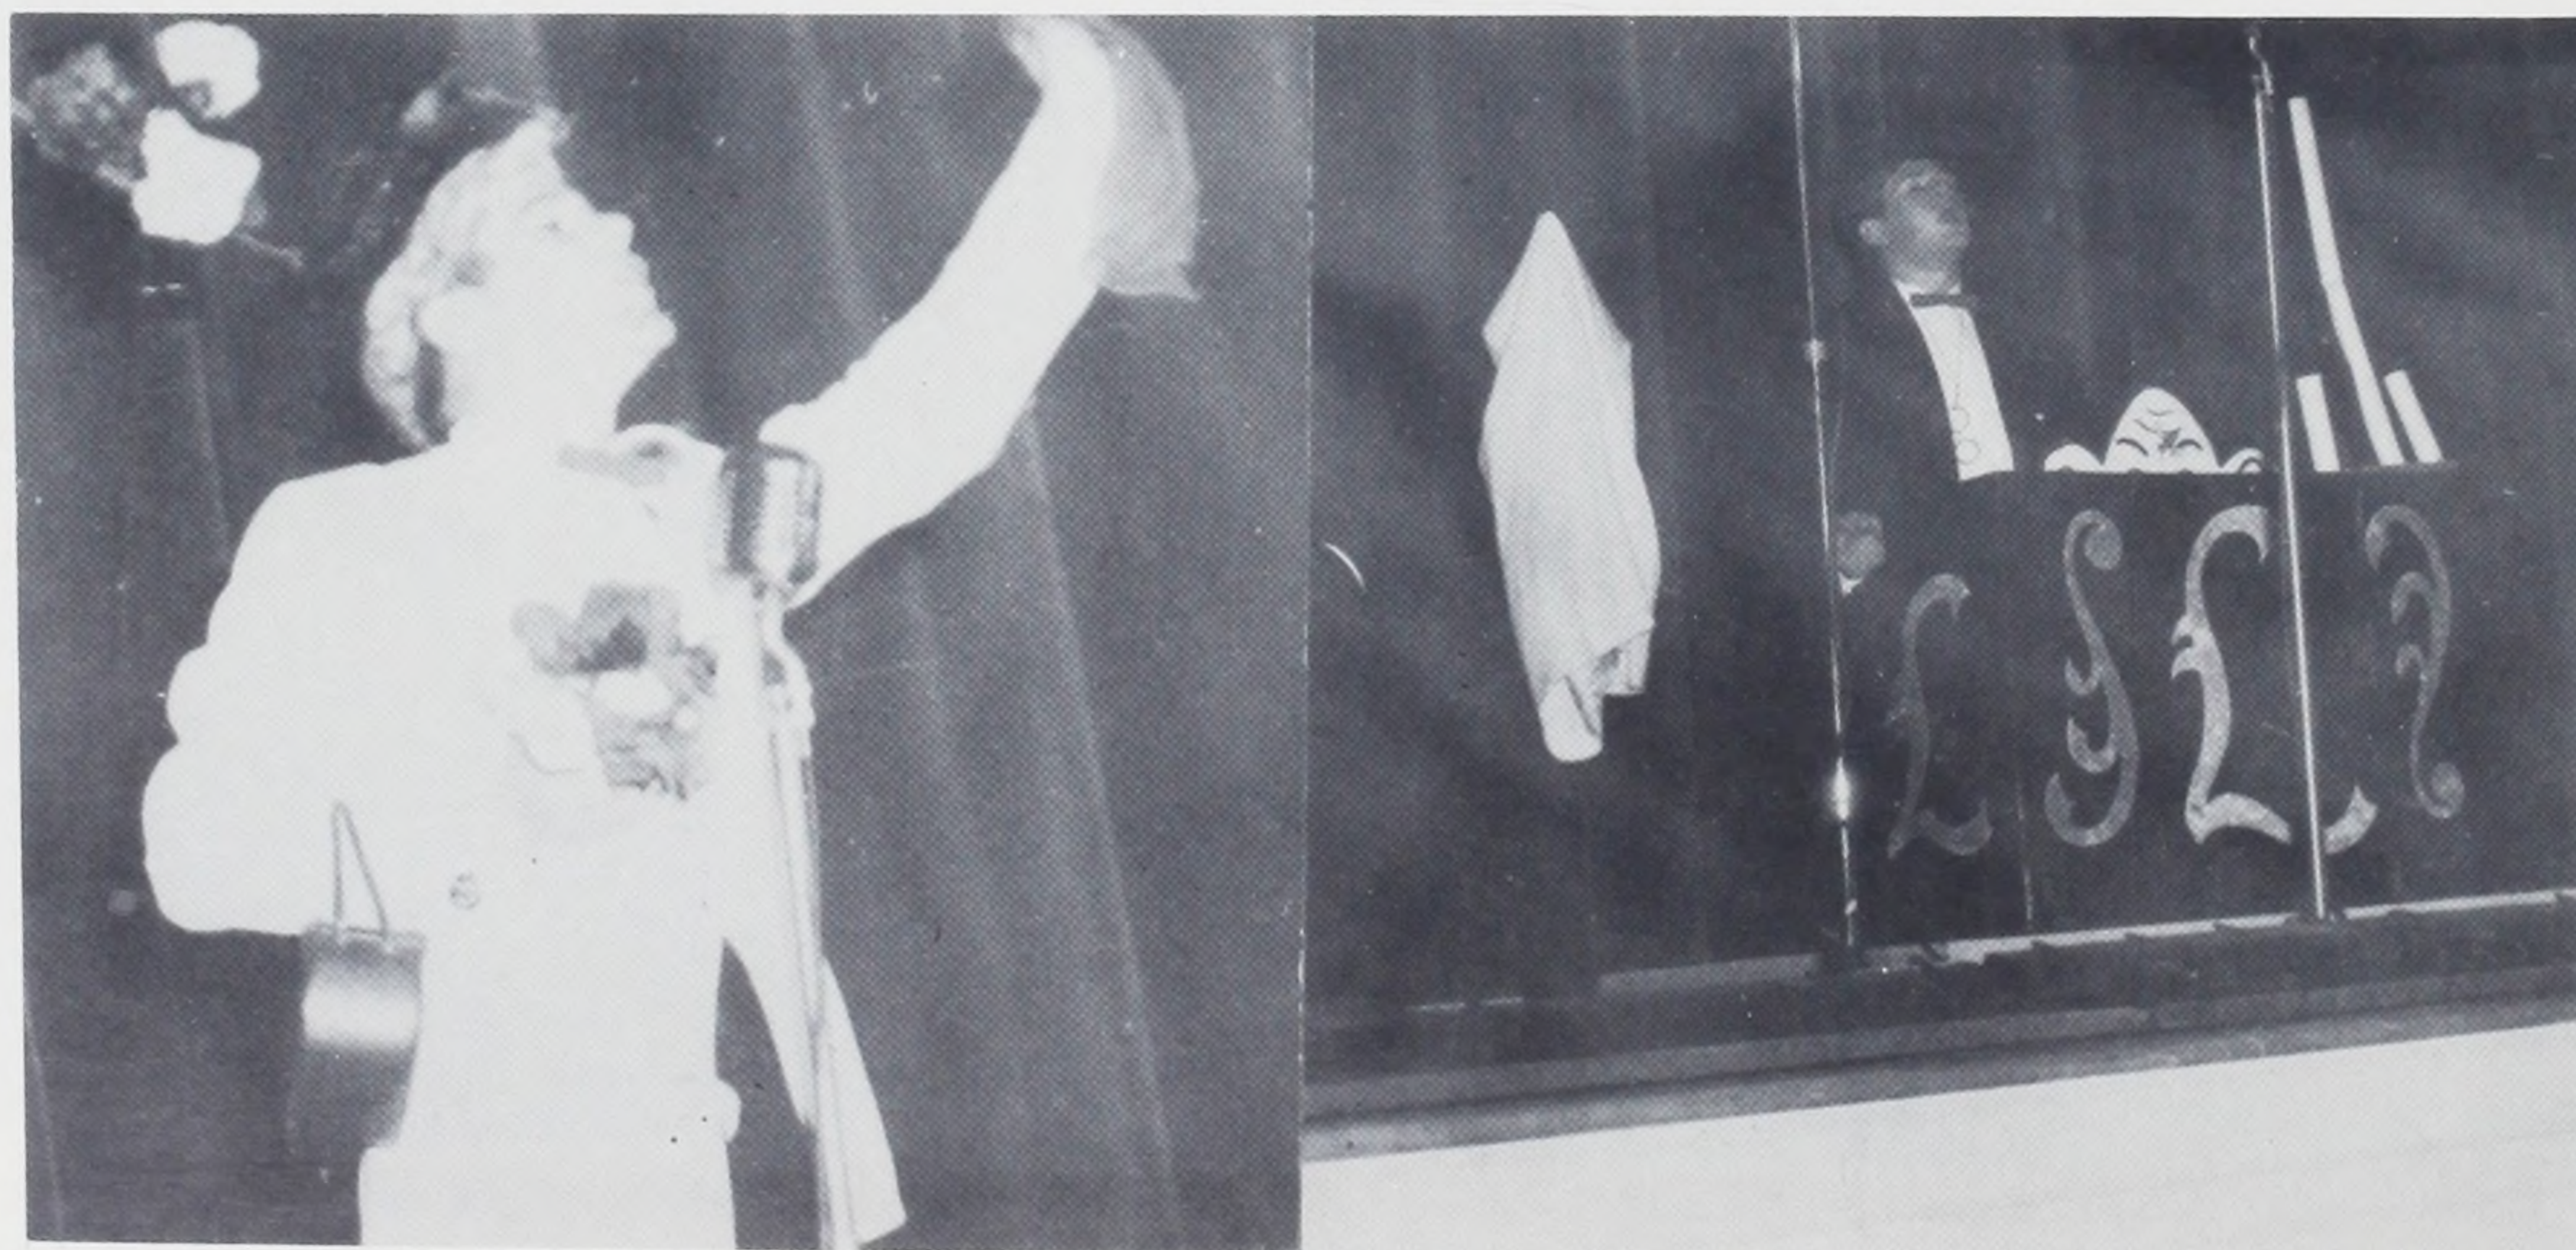

Darris Seibold "chews out" Fred Ford for running his staff car off the road as Frank Olson, Gary Griffin, Carol Ann Lantry, Hasten Payne, and Ken Wright look on.

Left: Henry Raz opens the imaginary windows to let in the light to expose the sleeping men under their mosquito nets. Right: Nicholas Gardner, in the play, expresses his feelings toward the ward nurse, Carol Ann Lantry.

THESPIANS ENTERTAIN AT TECH SHOW

Here we see Frank Olson running through his act at the Tech Show. At left he is doing his impression of a lady president at a women's musical club meeting introducing the guest artist Liberace (Right), playing his famous tune, "I'm In The Mood For Love."

"Peer Gynt," a saga of Norwegian life among the fjords and towering mountains, is a classic of continental drama, and is believed to be one of the most universally loved plays and operas. Henrick Ibsen, the playwright, is famous the world over for his outstanding contributions to the stage and to the world of literature. Among his other famous works are the "Doll's House" and "Hedda Gabbler," both plays championing the cause for the "rights of women."

The story of the plays centers around Peer's life from a youth with shaggy blond hair to old age and the infirmities that come from too much life lived in too short a time. Peer is definitely an individual. He refuses to live in the world of reality and always prefers to imagine, dream and conjure for himself the life he wishes he had.

The ability to fly through the air at will, being chased by his doting but very severe mother, is one of the day-dreams that falls to his imagination. His visit to the land of the "Dovre-King" and affairs with the "Green Clad Lady" are figments that prove to be the master of his real life.

ACTIVITIES

MR. TED HARDING

Mr. Ted Harding in his second year at Benson is the new social director. Everyone who knows Mr. Harding realizes what a fine job he has done. He is seldom seen because he is always off helping someone else. Many students know him as the basketball coach and journalism teacher of last year. Congratulations to Mr. Harding on the fine job he has done this year and best of luck to him in his coming years.

Mr. Ralph Harper

Despite the final standings Benson's football team had an exceptional season. Although the team failed to win a large number of games, they lost a large number by close scores. As a fitting climax, the Engineers came within one point of beating Jefferson, a feat that all teams had been trying to do all year. Our hats are off to the entire football team and Coach Harper for the fine job that they did this year.

FRESHMAN FOOTBALL

This year's freshman football team had a very successful season. As the season went along, it saw the baby Engineers soundly trounce Cleveland, Franklin, and Washington. Then in a battle of mud they were defeated by Jefferson's "C" squad and took second place in the city standings.

Mr. Max Murray

SWIM TEAM

First row, left to right: R. Geenty, J. Sieforth, D. Drew, J. Jensen, C. Fniley, L. Jensen. **Second row**: T. Colins, P. Siegel, B. Moore, R. Lough, D. Rotto, M. Dugger, W. Donelly, R. Shelman. **Third row**: Coach Chuck Mucha, A. Gibson, D. Halvorsen, H. Jencks, D. Tolls, E. Potts.

First row: Larry Jensen, Richard Howe, Donald Bauer, Bill Groves, Tom Brauckmiller, Paul Hastie, Ralph Clemens, Art Gibson, John English, Yeu-Bun Yee. **Second row**: Bob Lewis, John Sieford, Bill Romaine, Alec Milner, Eddie, John Clark, Fred Tweedy, Wayne Featherstone, Dale Durwin.

First row, left to right: A. Dixon, J. Bufton, T. Moon, R. Vanderberg. **Second row**, left to right: Coach, Mr. Lodwig, L. Tappenen, L. Hedges, C. Alsleben, Mgr. J. English.

With Jim Bufton again leading the way and taking a state championship, Benson took second place in the state cross-country meet.

Benson's Jim Bufton was the state champ, finishing first. Other boys placing for Benson were Tony Dixon, seventh; Tom Moon, seventeenth; Cal Alsleben, thirty-third; Ron Vanderberg, forty-fourth.

Led by Jim Bufton, Tony Dixon, and Tom Moon, Benson captured the city cross-country title for the first time since 1948.

With Bufton finishing second, Dixon third and Moon fourth, Benson went on to take six of the first ten places and nose out Lincoln in points. Other point makers were: Cal Alsleben, eighth; Ron Vanderberg, ninth.

Mr. Richard Lodwig

Stratton, D. Reid, Manager A. Gibson.

WRESTLING TEAM

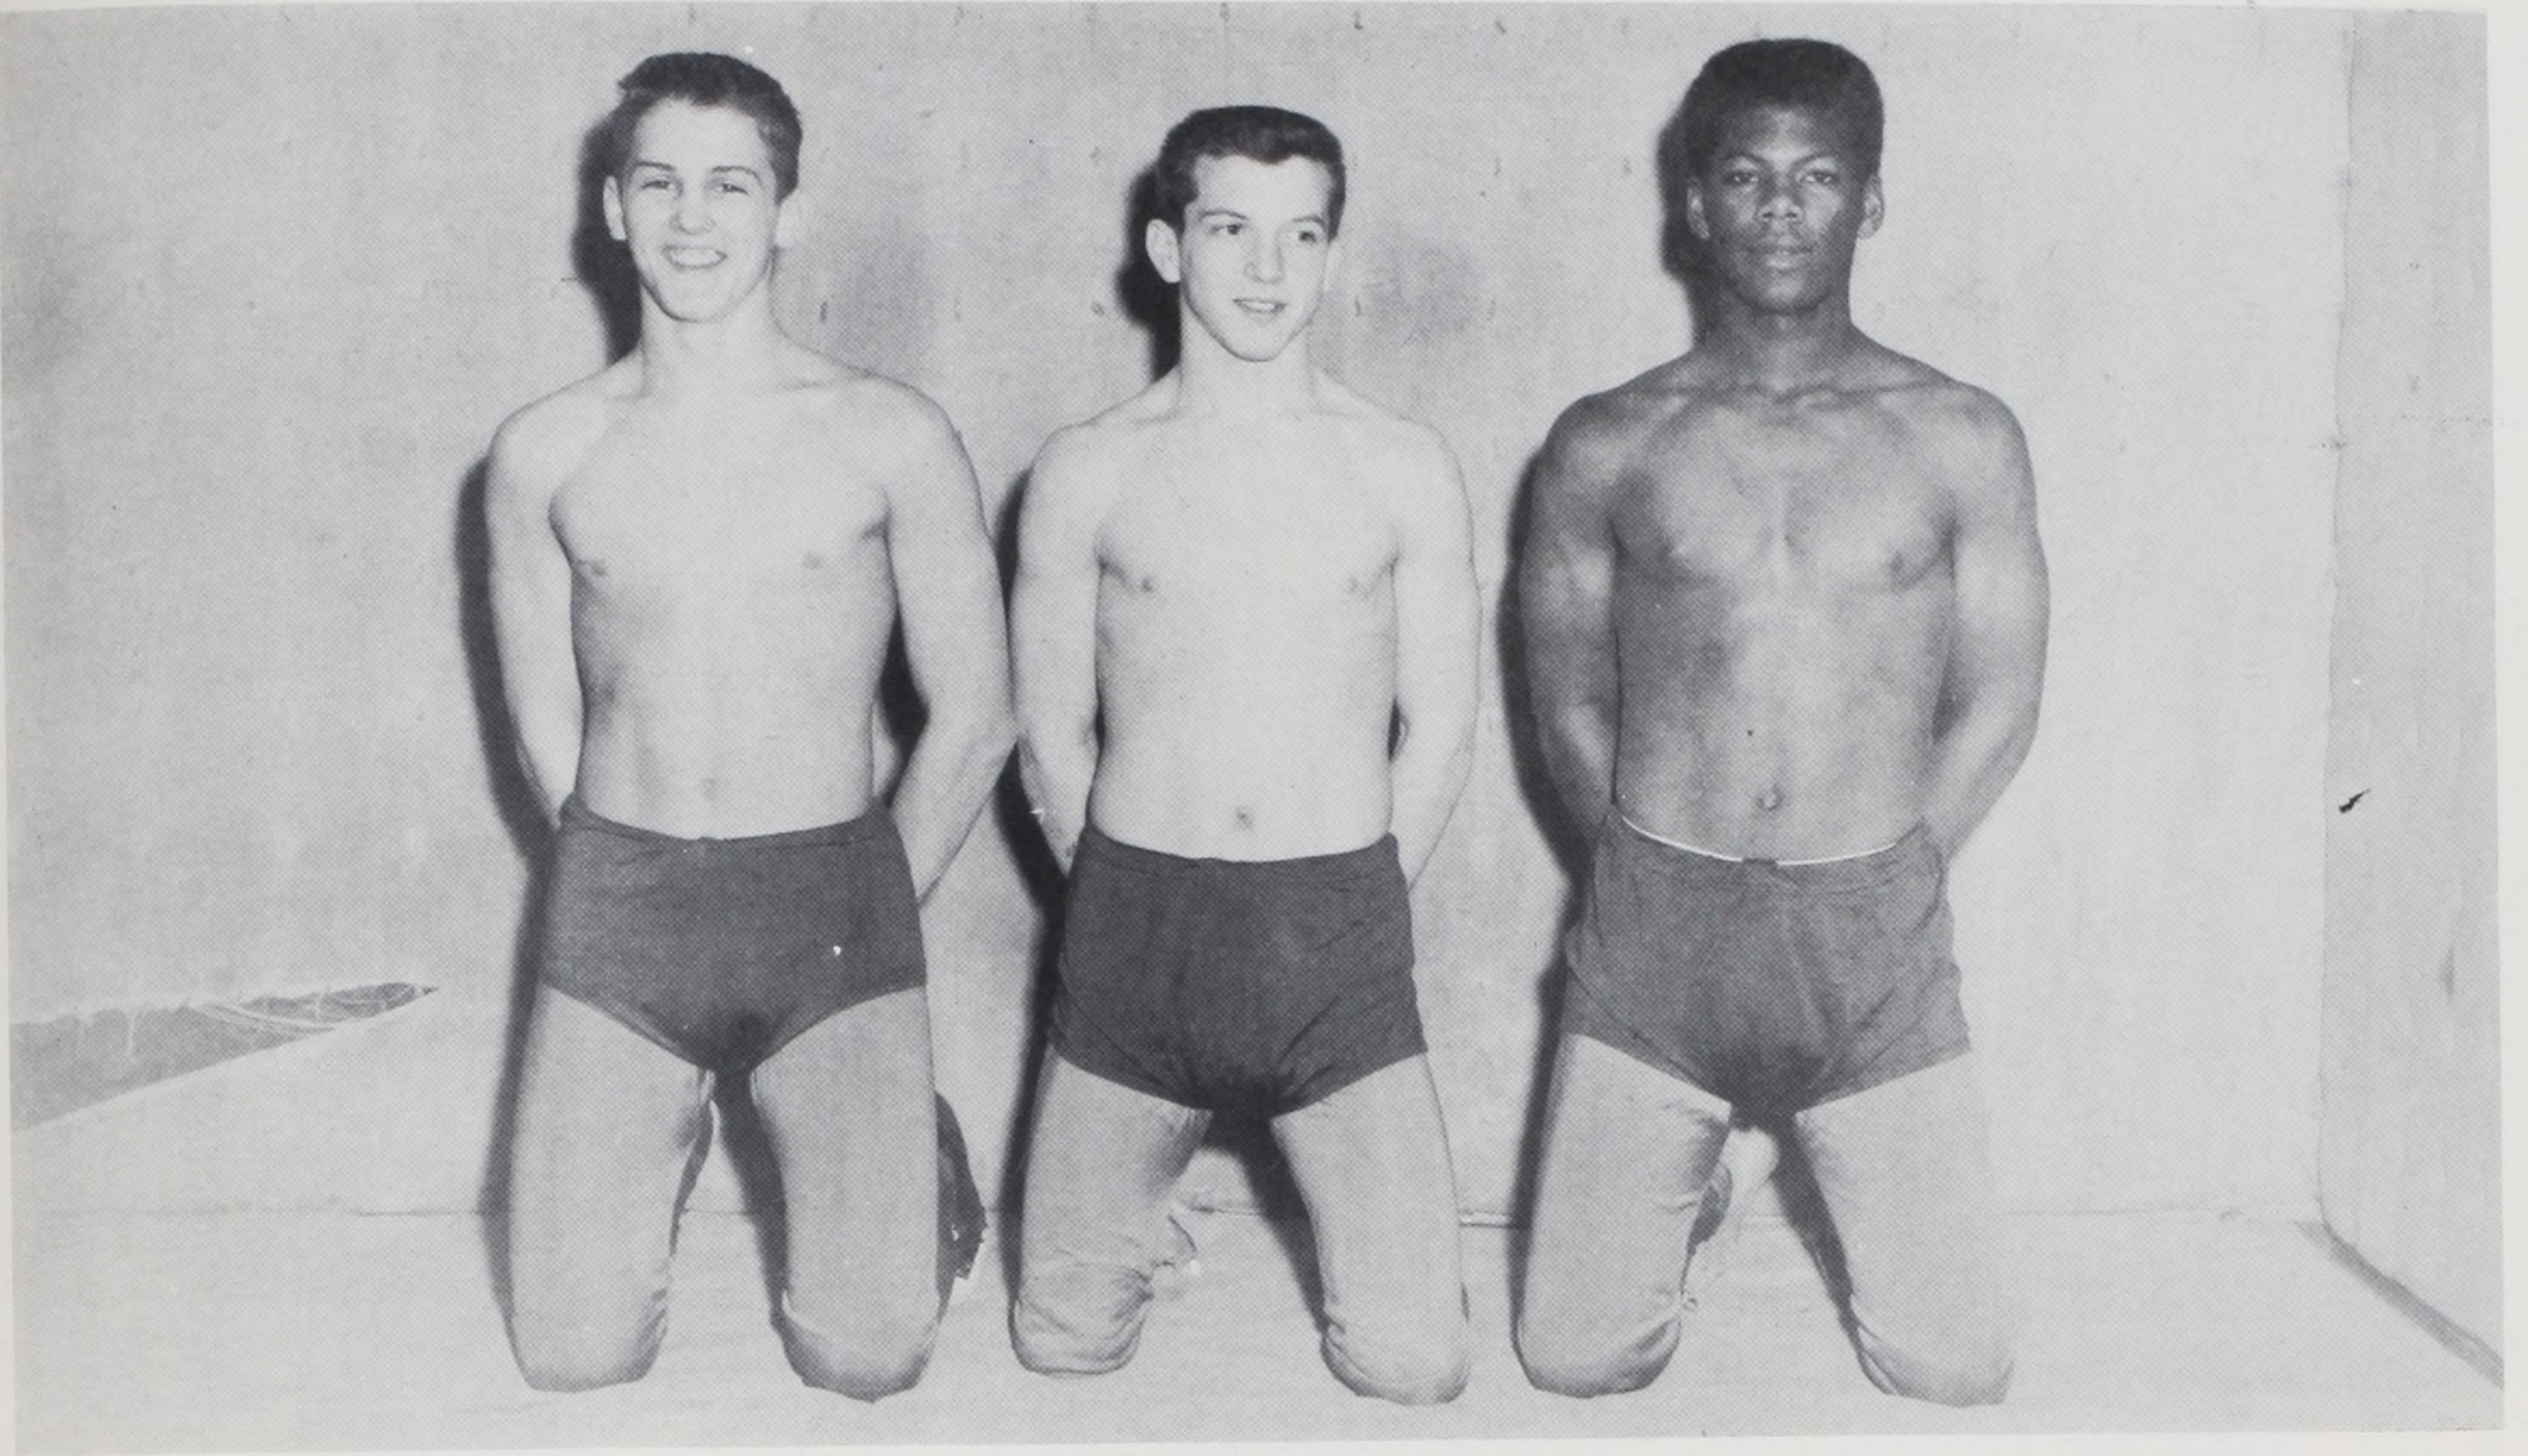

The Franklin Quakers edged out the Benson Engineers by 137 points in the interscholastic wrestling meet. Benson scored 119 points. Six boys from Benson participated in the state wrestling tournament.

Coach Chuck Mucha, who has unselfishly devoted his time and effort to the wrestling team, has been very successful in shaping up one of the finest wrestling teams in the city of Portland. All of Benson should be very proud of their wrestling team due to the fact that they worked so hard and did so well.

Mr. Charles Mucha

First row (left to right): Bob Jones, Alphonza Reese, Oatis Kelly. **Second row:** Bill Griffith, Ron Miller, Jim Snyder.

VARSITY BASKETBALL

The Benson Tech Interscholastic League basketball team didn't end the season with too impressive a record; five wins to nine losses, four of the wins over tail-end teams. The fifth win is the one which the Engineers will be able to talk about for some time. The Techmen defeated the Jefferson Democrats 65 to 60, leaving the Demos in an undisputed tie for the championship berth with Franklin.

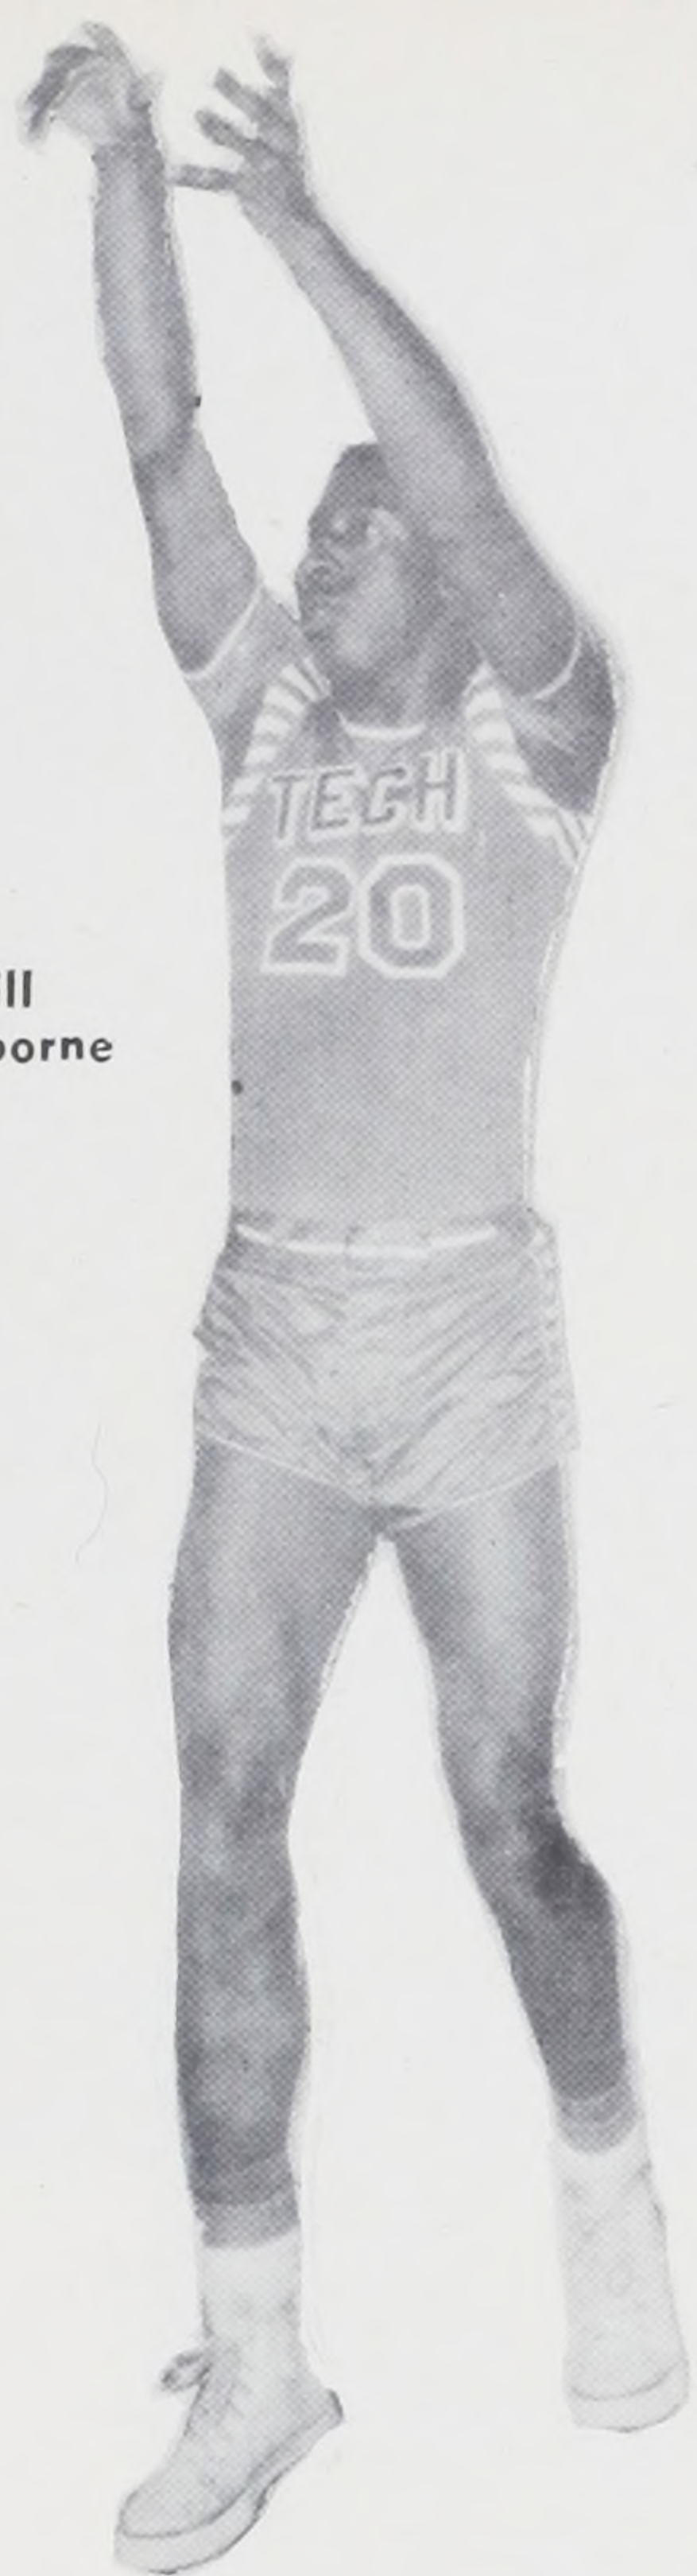

The team was one of spirit, they never gave up hopes, no game was ever a push over and none were ever lost by a large margin. With all but one of the entire team returning next year, Engineer rooters can look forward to a championship team.

J.V. BASKETBALL

The junior varsity basketball team had a successful season. The junior engineers floored a young team this year. The entire starting team was composed of first year students. They started out very good but due to lack of experience they lost several of their final games and had to settle for third place in the city standings. With the experience gained this year, they should be a first place team next year.

First row, left to right: A. Brooks, M. Bye, J. Deyampret, E. Norgard, G. Latimer. **Second row**, left to right: Coach D. Holt, P. McLarney, H. Weber, C. Wekesser, F. Greenberg, J. Maxwell, G. Helmer, Mgr. B. Lewis.

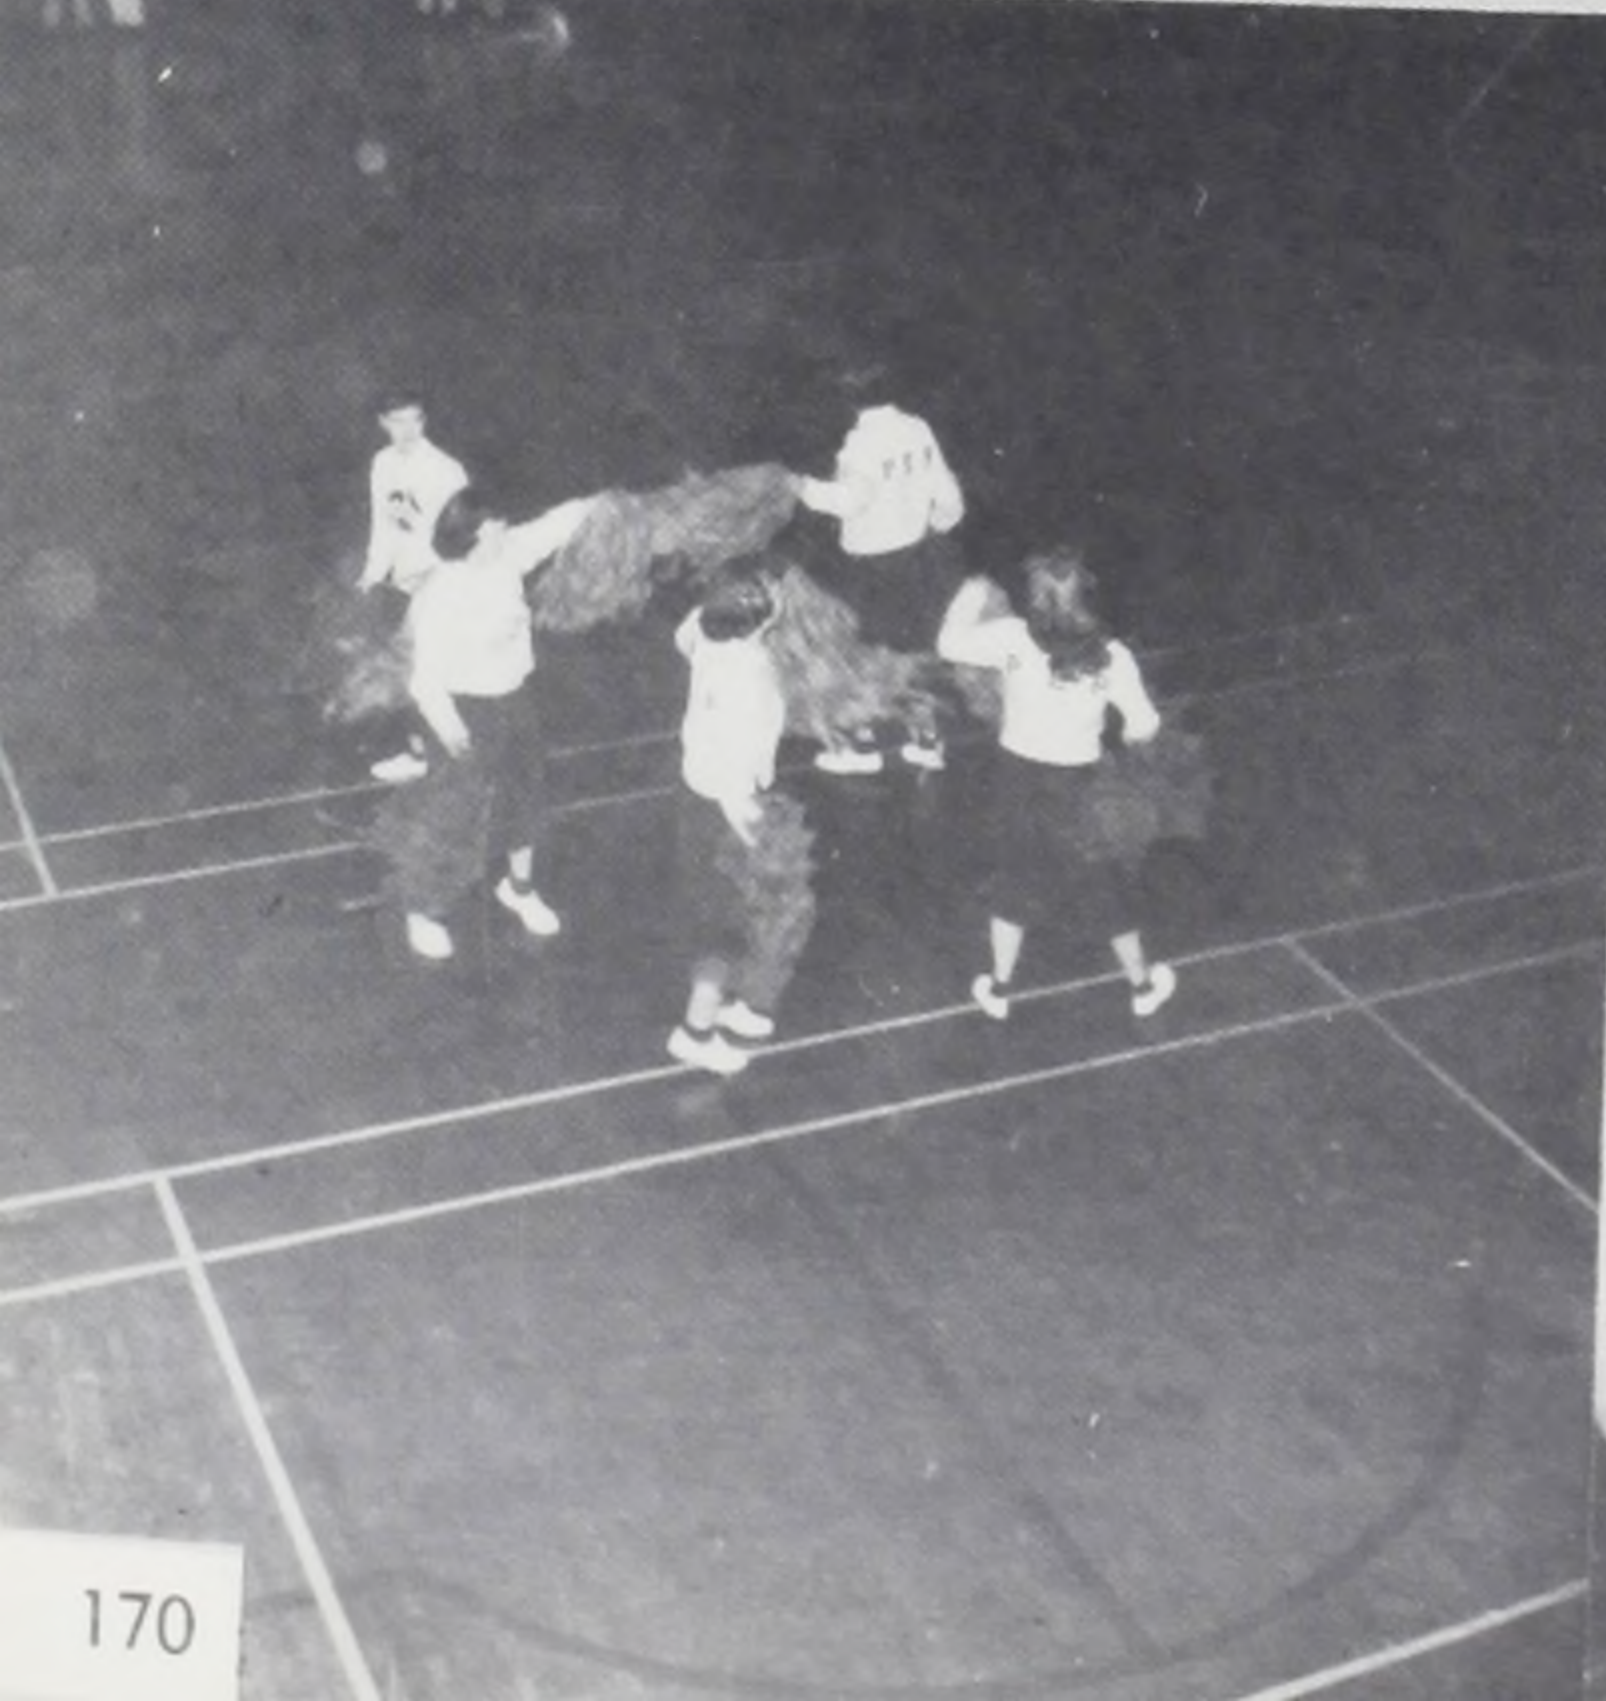

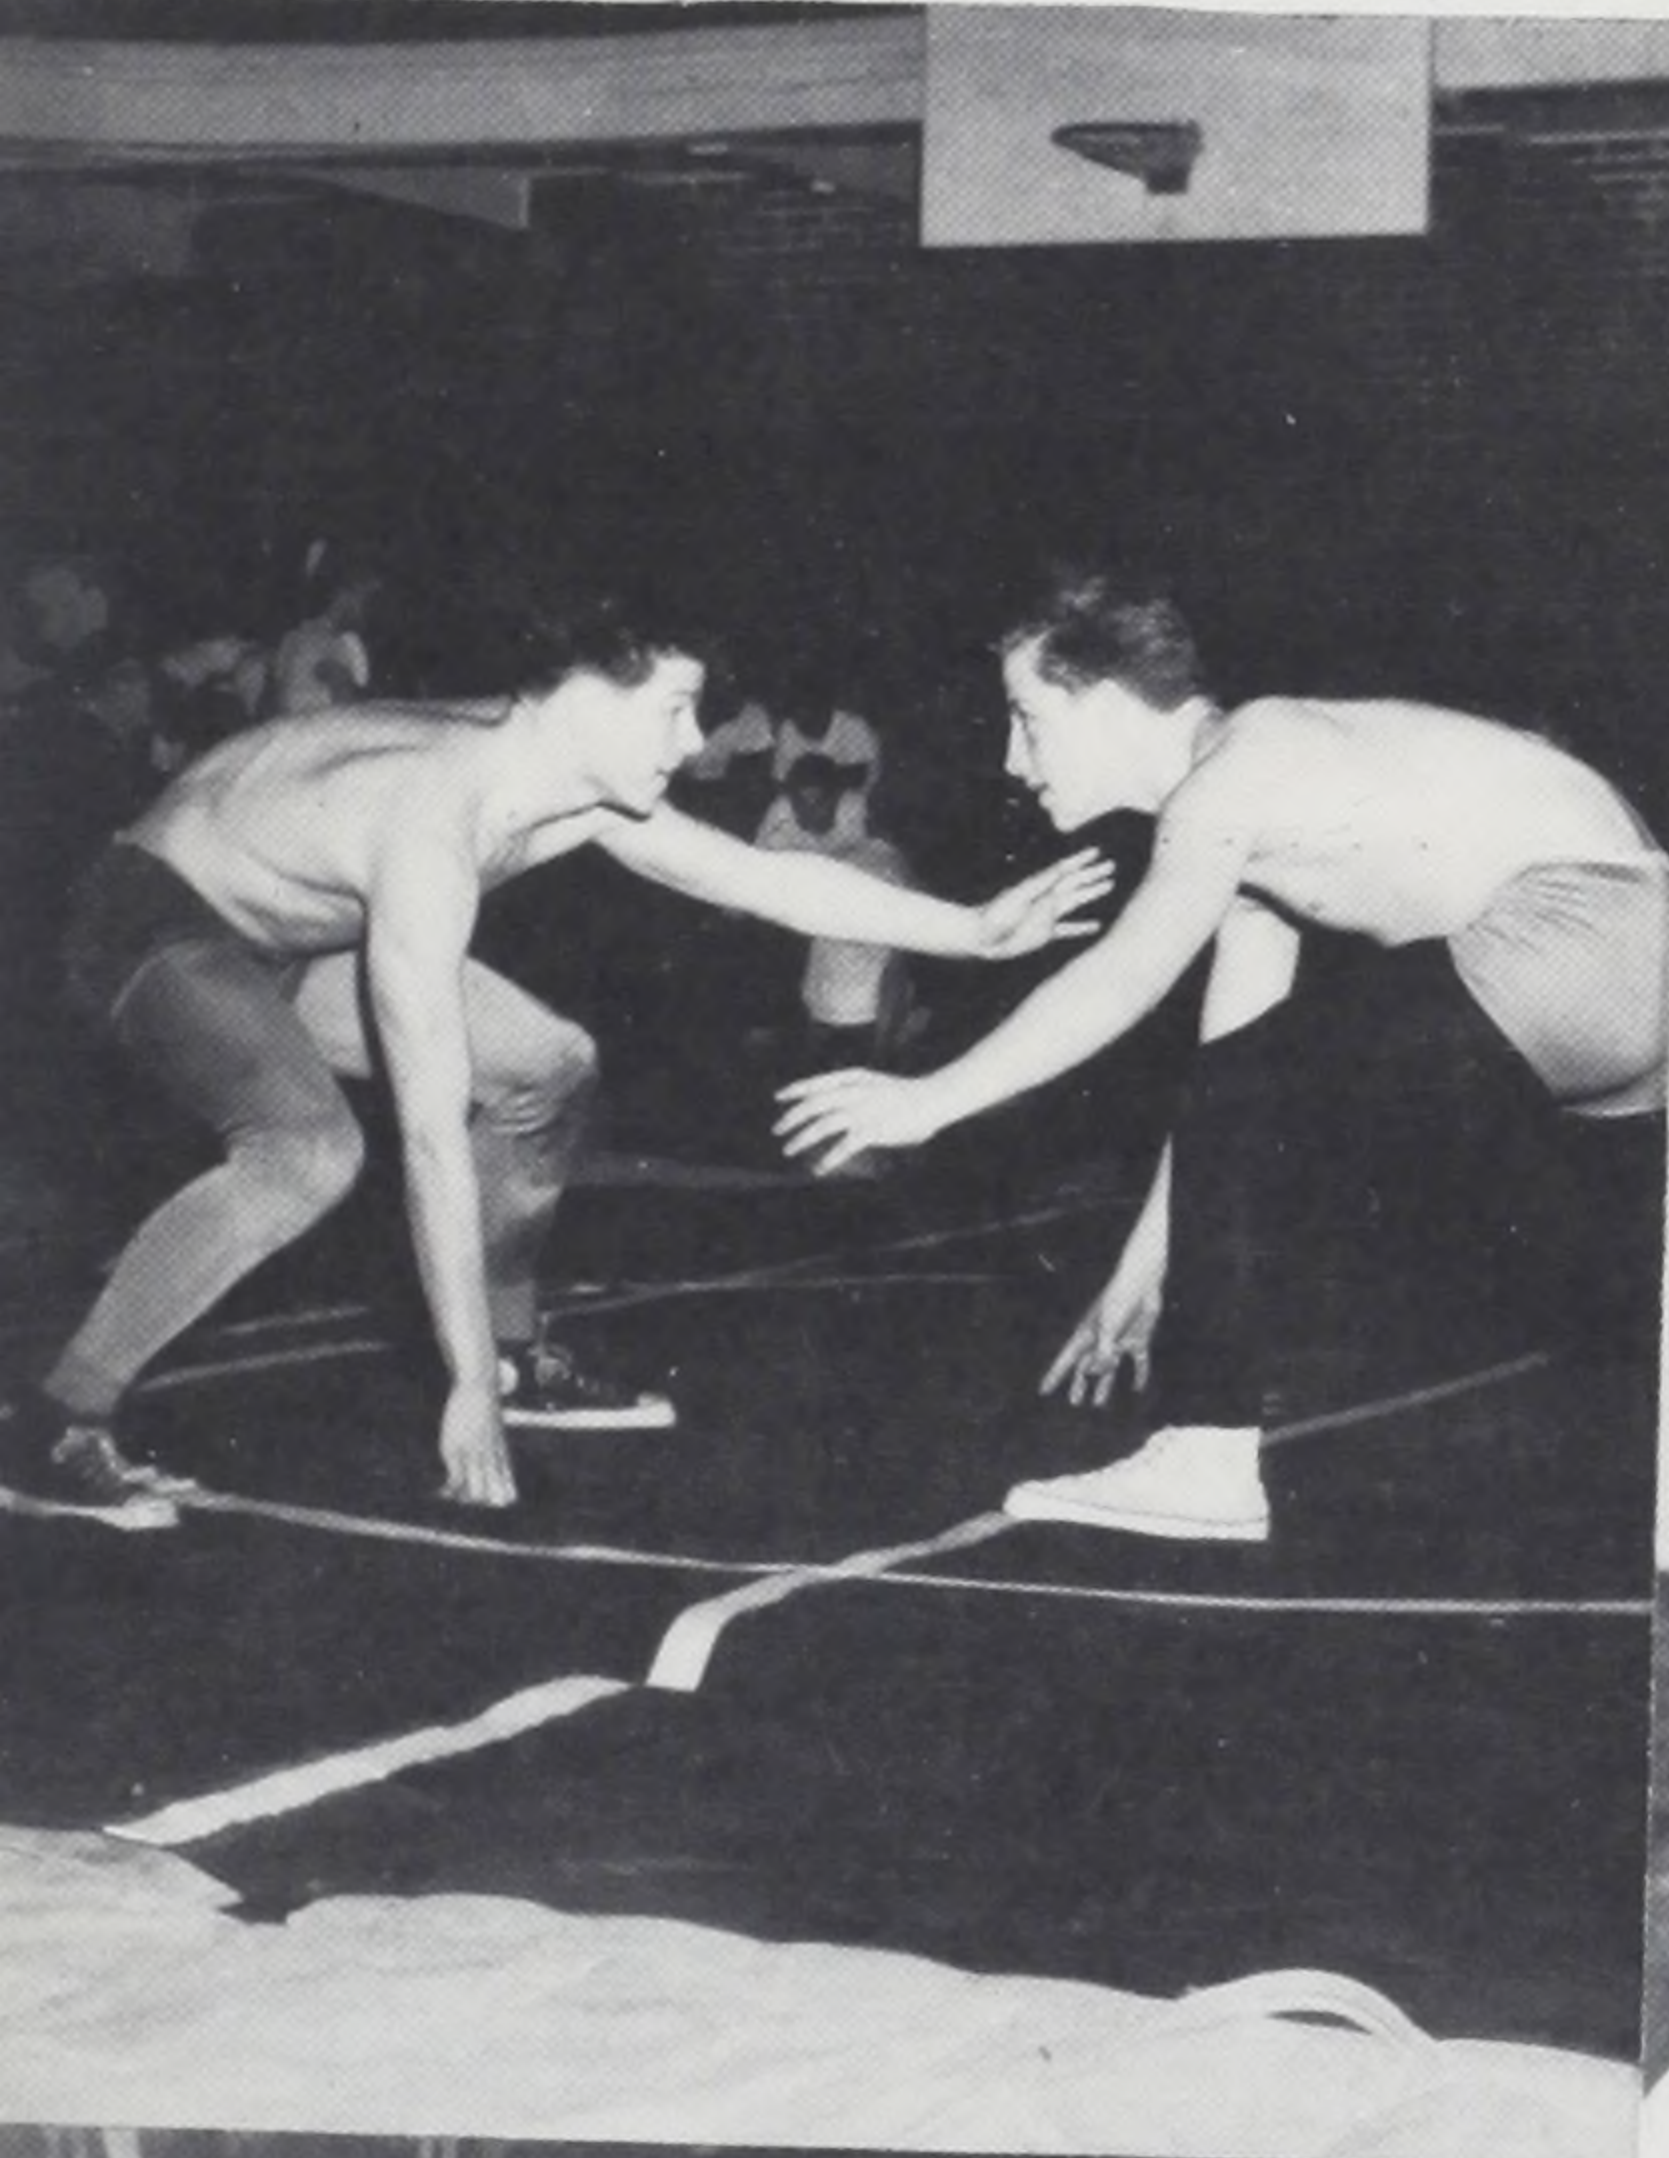

FRESHMAN BASKETBALL

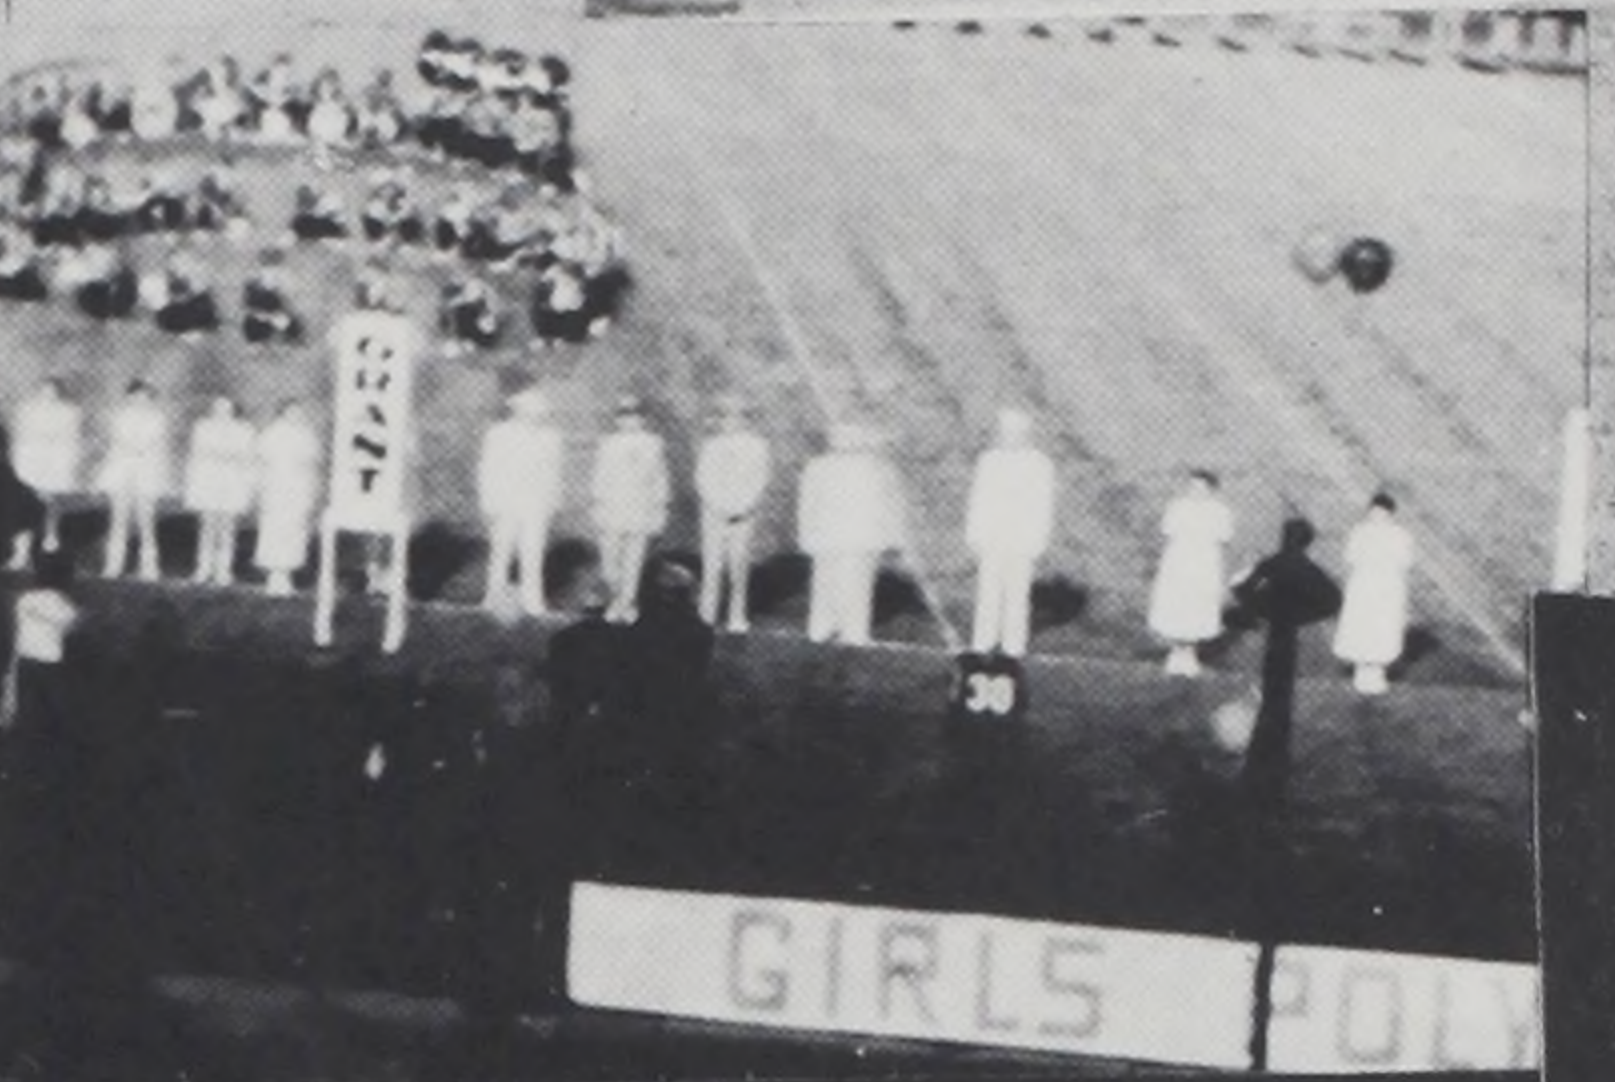

The freshman basketball team had a good season, finishing second in the city standings. They undoubtedly would have won the city championship easy if they had not lost many of their key personnel to the junior squad.

Mr. Don Holt

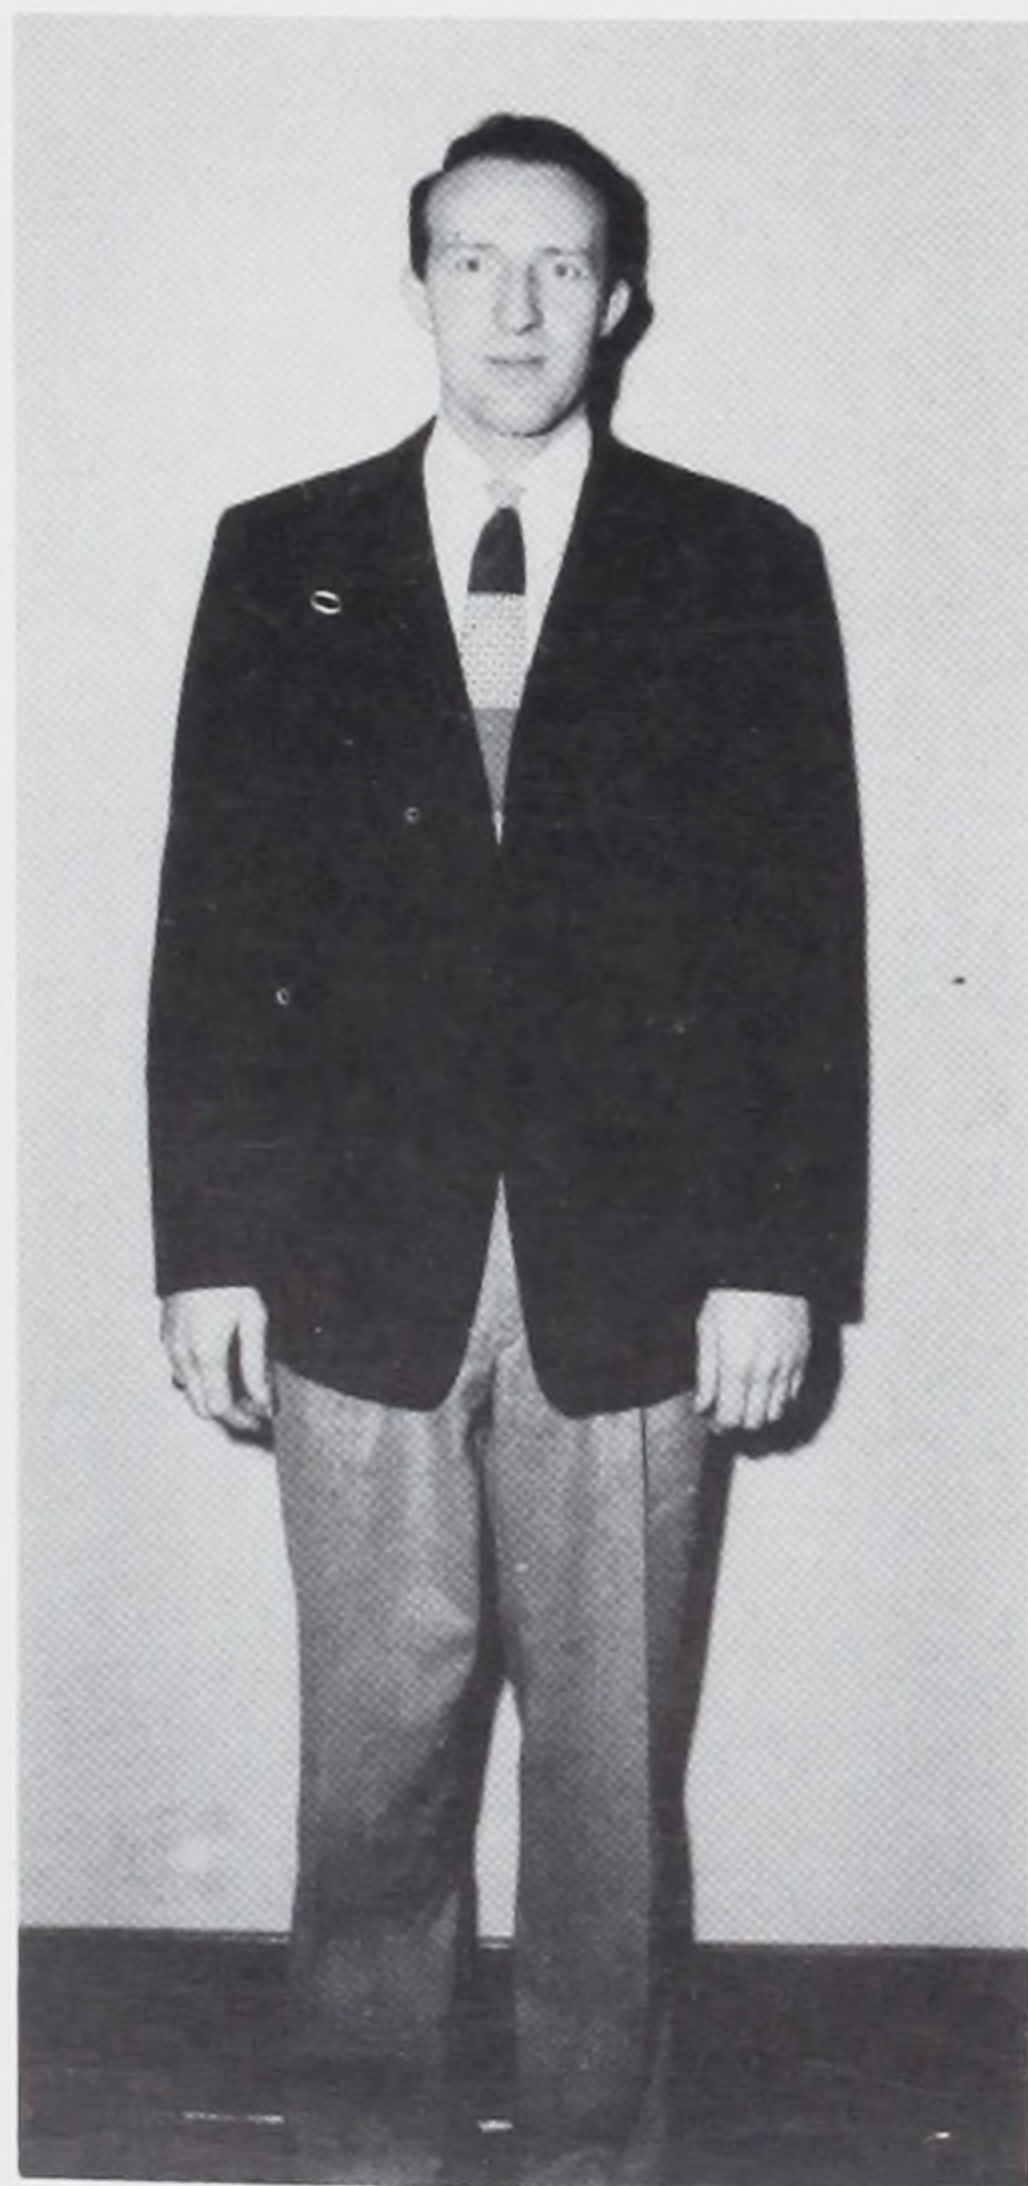

First row, left to right: G. Harter, J. Rosky, R. Johnson, G. Geerhart, R. Walker, C. Hunt, H. Rambo, B. Brauckmiller, L. Johnson, T. Brauckmiller, C. Alsleben. **Second row**, left to right: Mgr. L. Kehrli, B. Christiansen, J. Deadmond, D. Norris, E. Collins, T. Iki, G. Blakely, Mgr. Y. B. Yee.

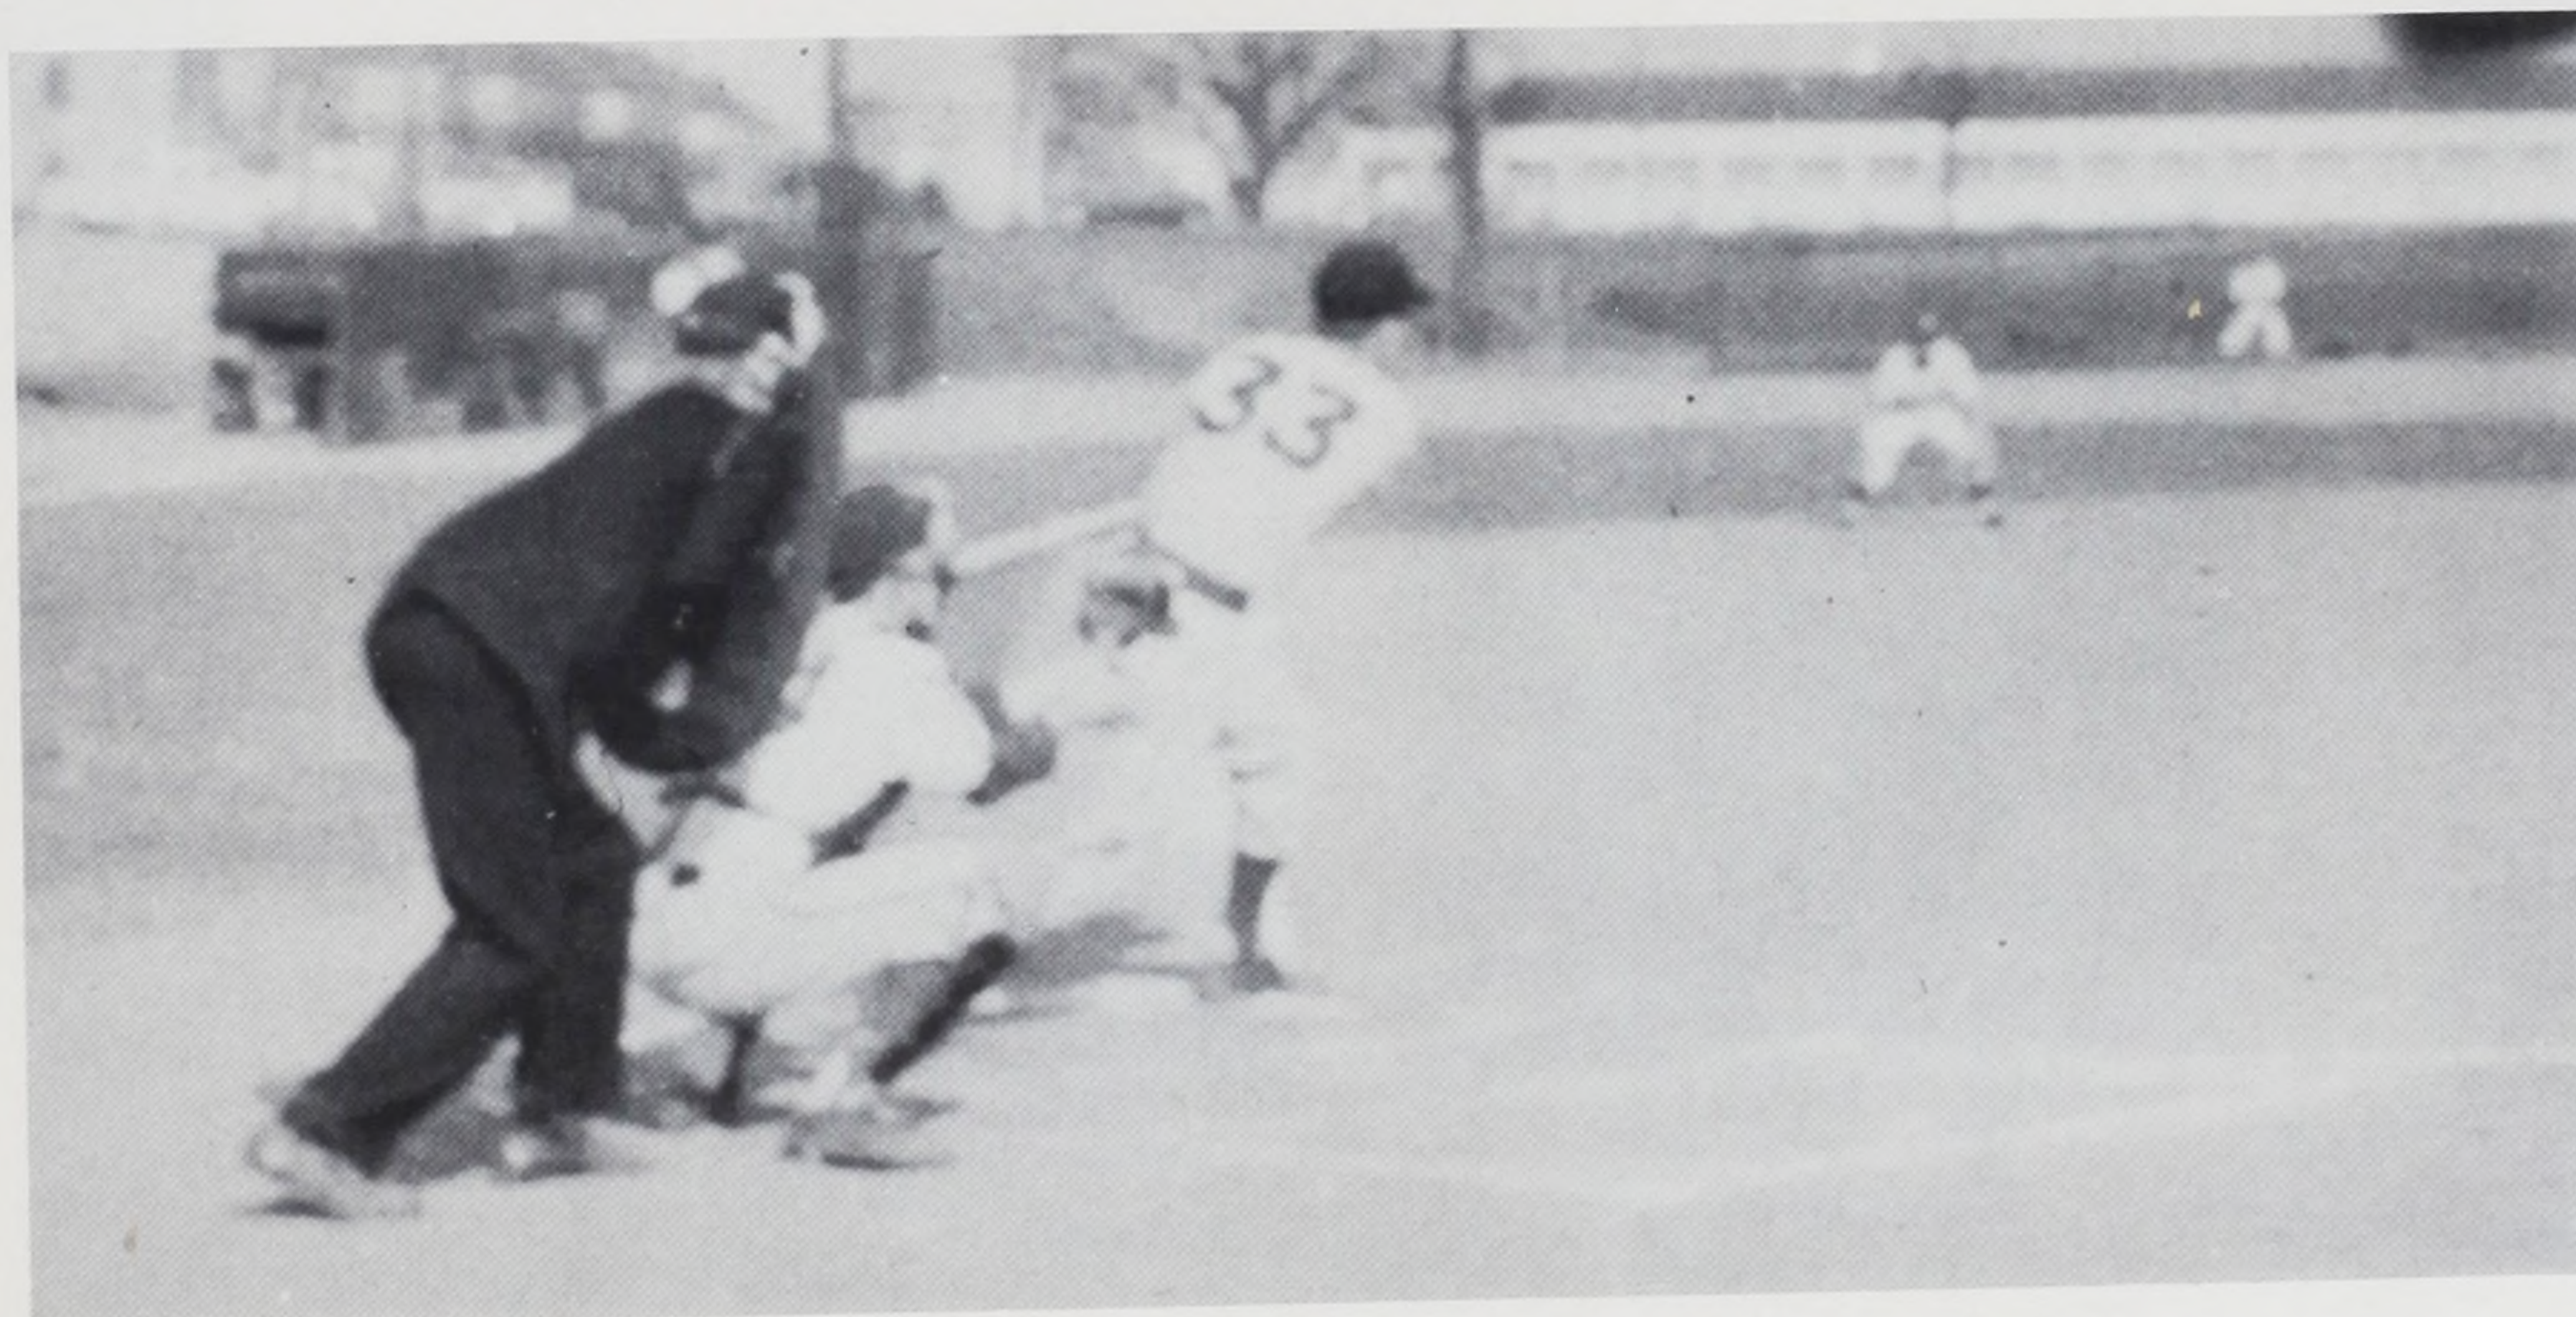

VARSITY BASEBALL

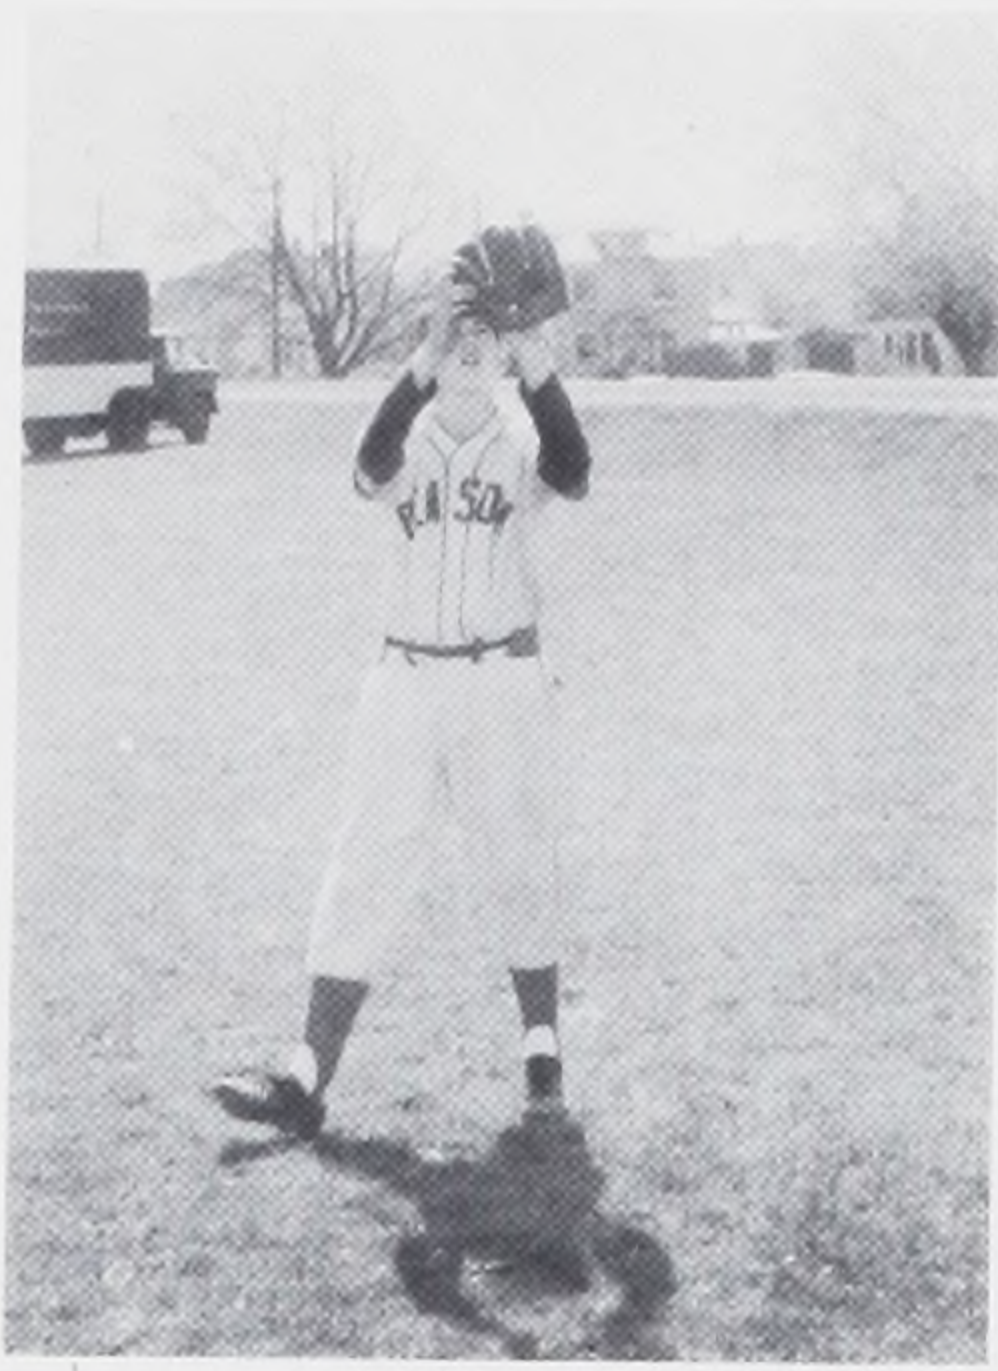

The baseball team this year had quite a successful season. Although they are not pennant contenders, the squad is quite strong. With the big bats of Gary Geerhart and Chuck Hunt booming, and with the slants of Tom Brauckmiller, the Engineers enjoyed a good season.

Mr. Miles Aubin

Again as in all other sports at Benson this year the Junior Varsity Baseball team was handicapped by the varsity taking all their players such as Eli Collins, John Deadmond and Bob Christiansen.

VARSITY TRACK

First row, left to right: R. Butler, T. Moon, J. Bufton, D. Spencer, R. Vanderburg, D. Sala, W. Kelly, B. Newborne, C. McCorvey. **Second row**, left to right: R. Duncan, J. Warren, W. Lamb, L. Along with spring each year comes a sport known as track. This sport is the most valuable to an athlete in shape.

As in the past, Benson will have a team eating up the cinders this year. We have 14 returning lettermen this year, which might be an indication of having a high ranking team.

Back this year on the varsity squad are: Jim Bufton, Fred Ford, Bob Harris, Nate Hartley, Wesley Kelly and Denny Winn.
