

BLUEPRINT

Counseling Office
blueprint **HELENE LANNON**

1968 -1969

Benson Polytechnic, "The Nation's Finest Technical High School", presents this 1968-69 edition of the Benson BLUEPRINT as a heritage to those who are leaving Tech, and as an example to those who come after.

Benson Polytechnic High School, known as "The Nations Finest Technical High School", is truly the vocational-academic school center of Oregon. With the recent installation of more than a million dollars in new machinery and technical tools, we feel we *are* "The Nations Finest".....

Night games....a cooling coke....
 funny hats and comic assemblies
all these, and more are in our
 memories.....we'll remember ...
 we'll remember.

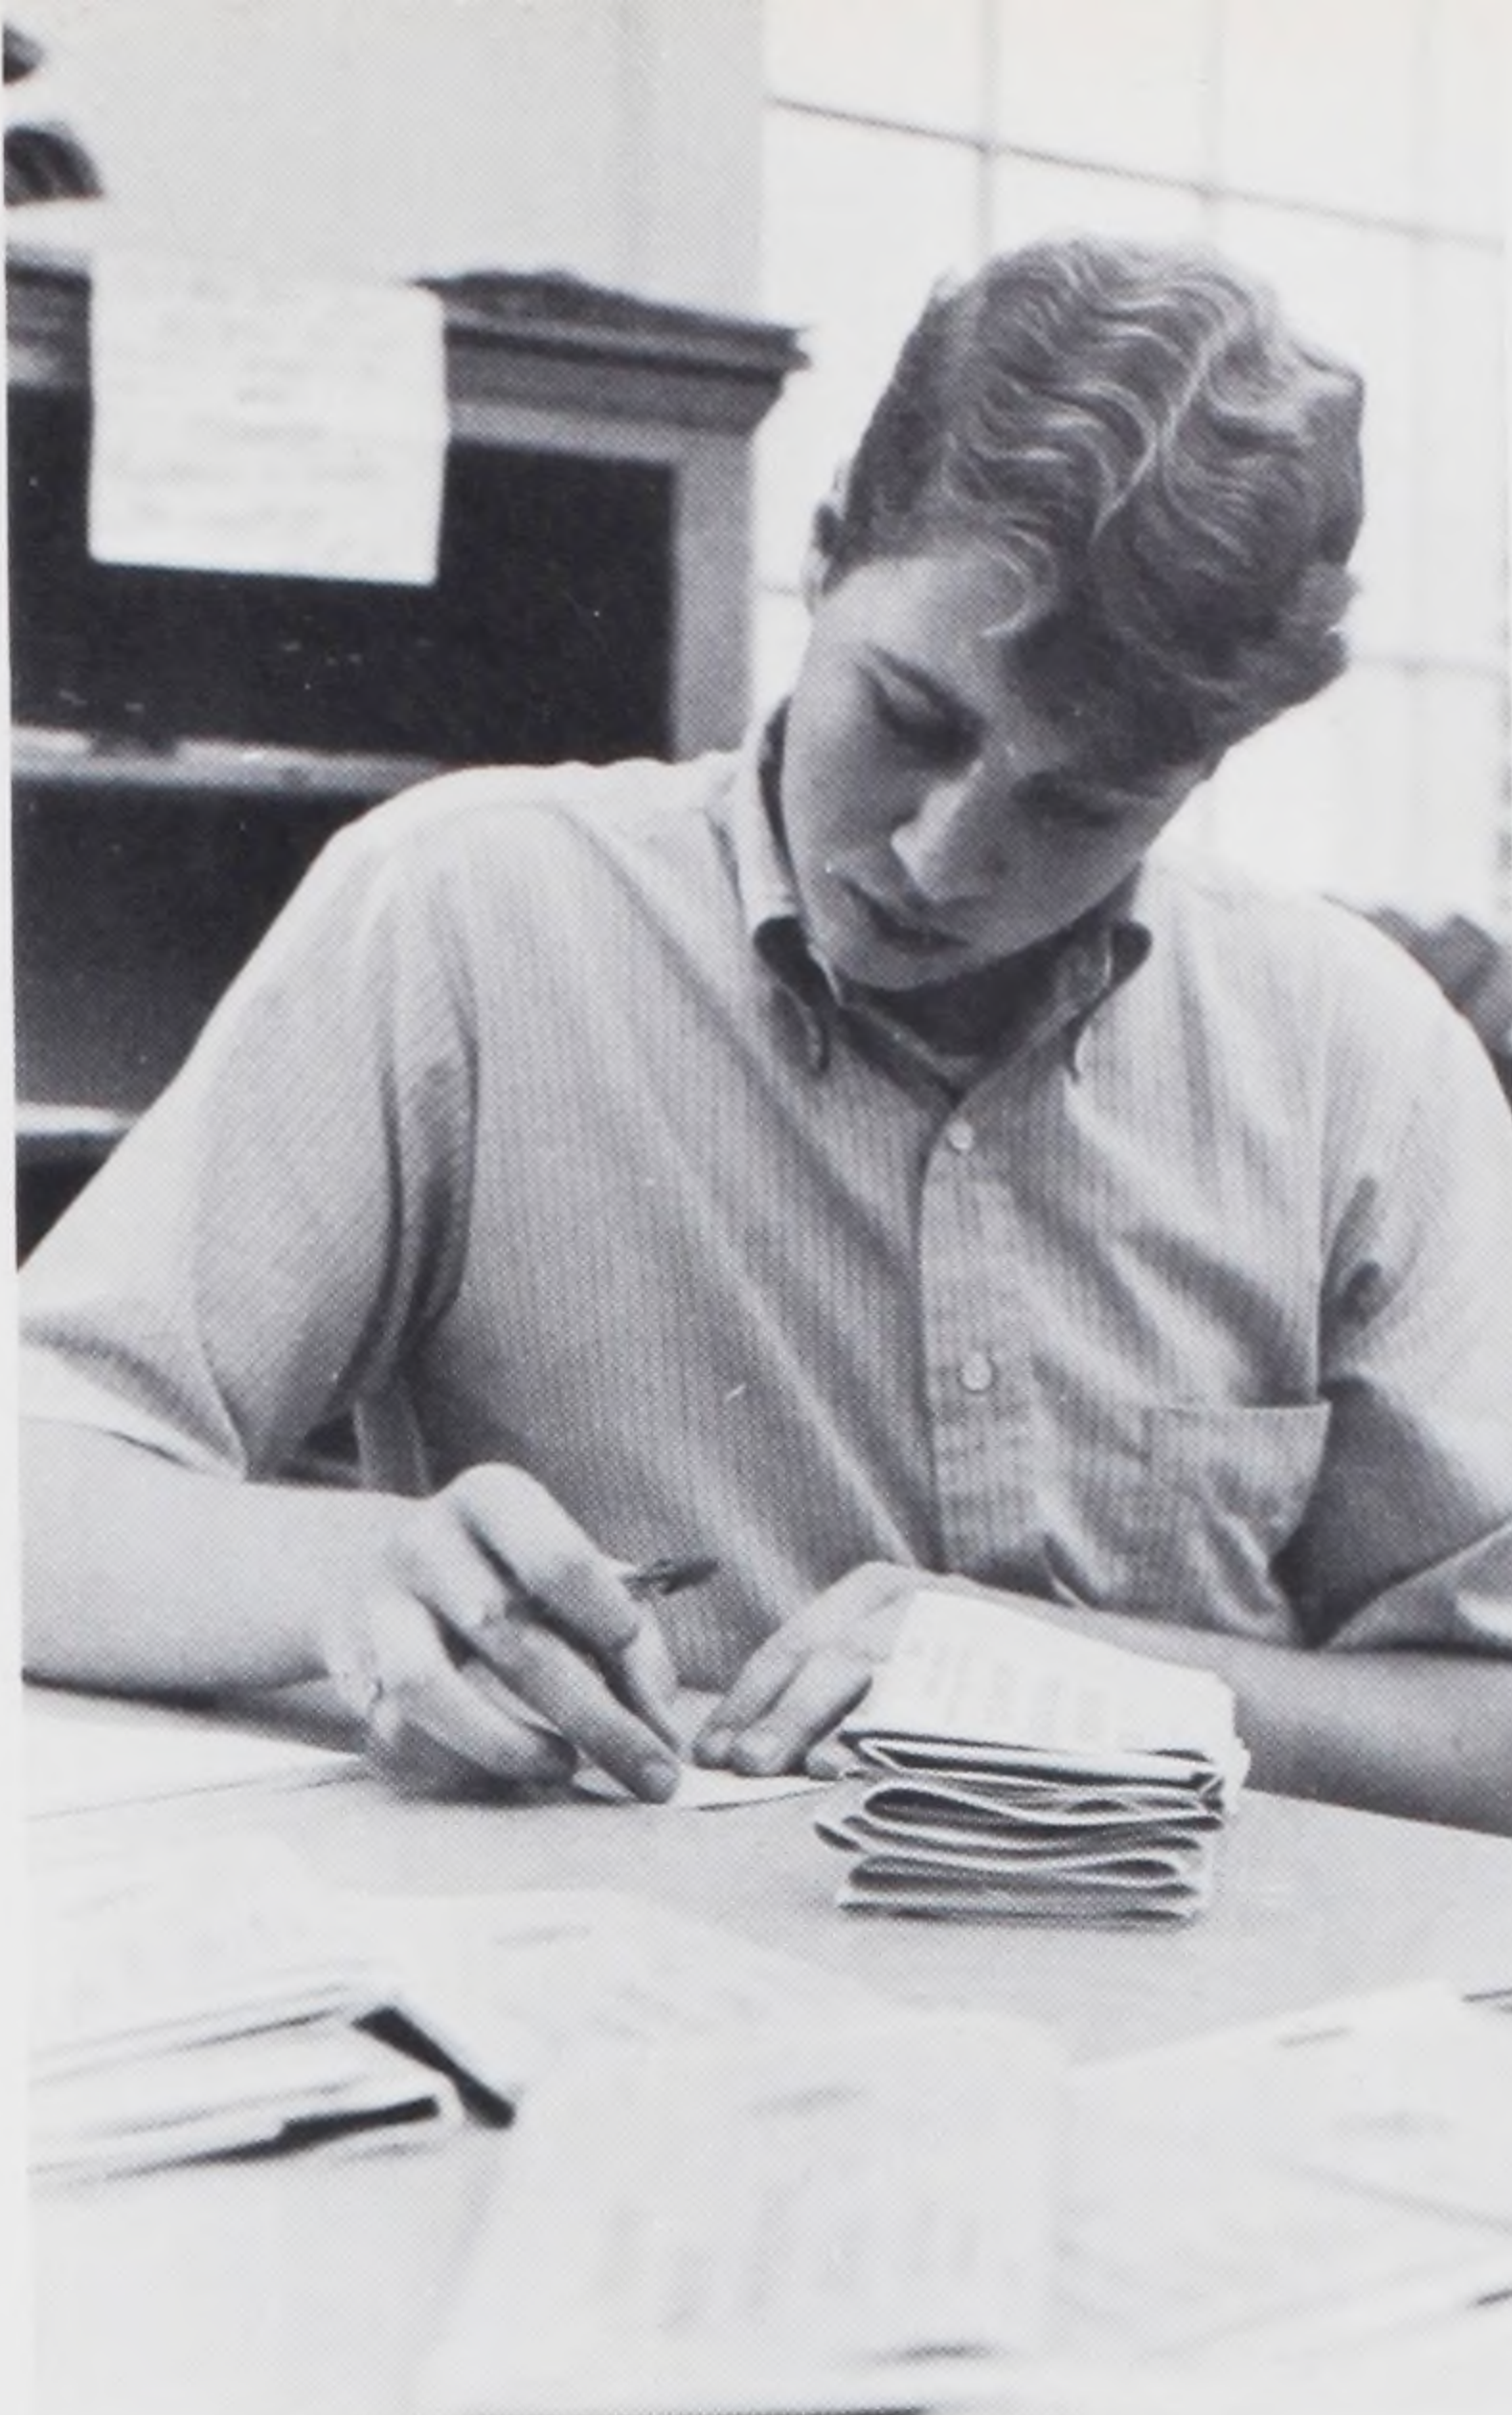

The lights of Portland..... Pie-in-the-eye..... a group of elementary students inspecting the Benson print shop..... and, over all, always, the flag of our country and state..... these are memories... we'll remember, we'll remember

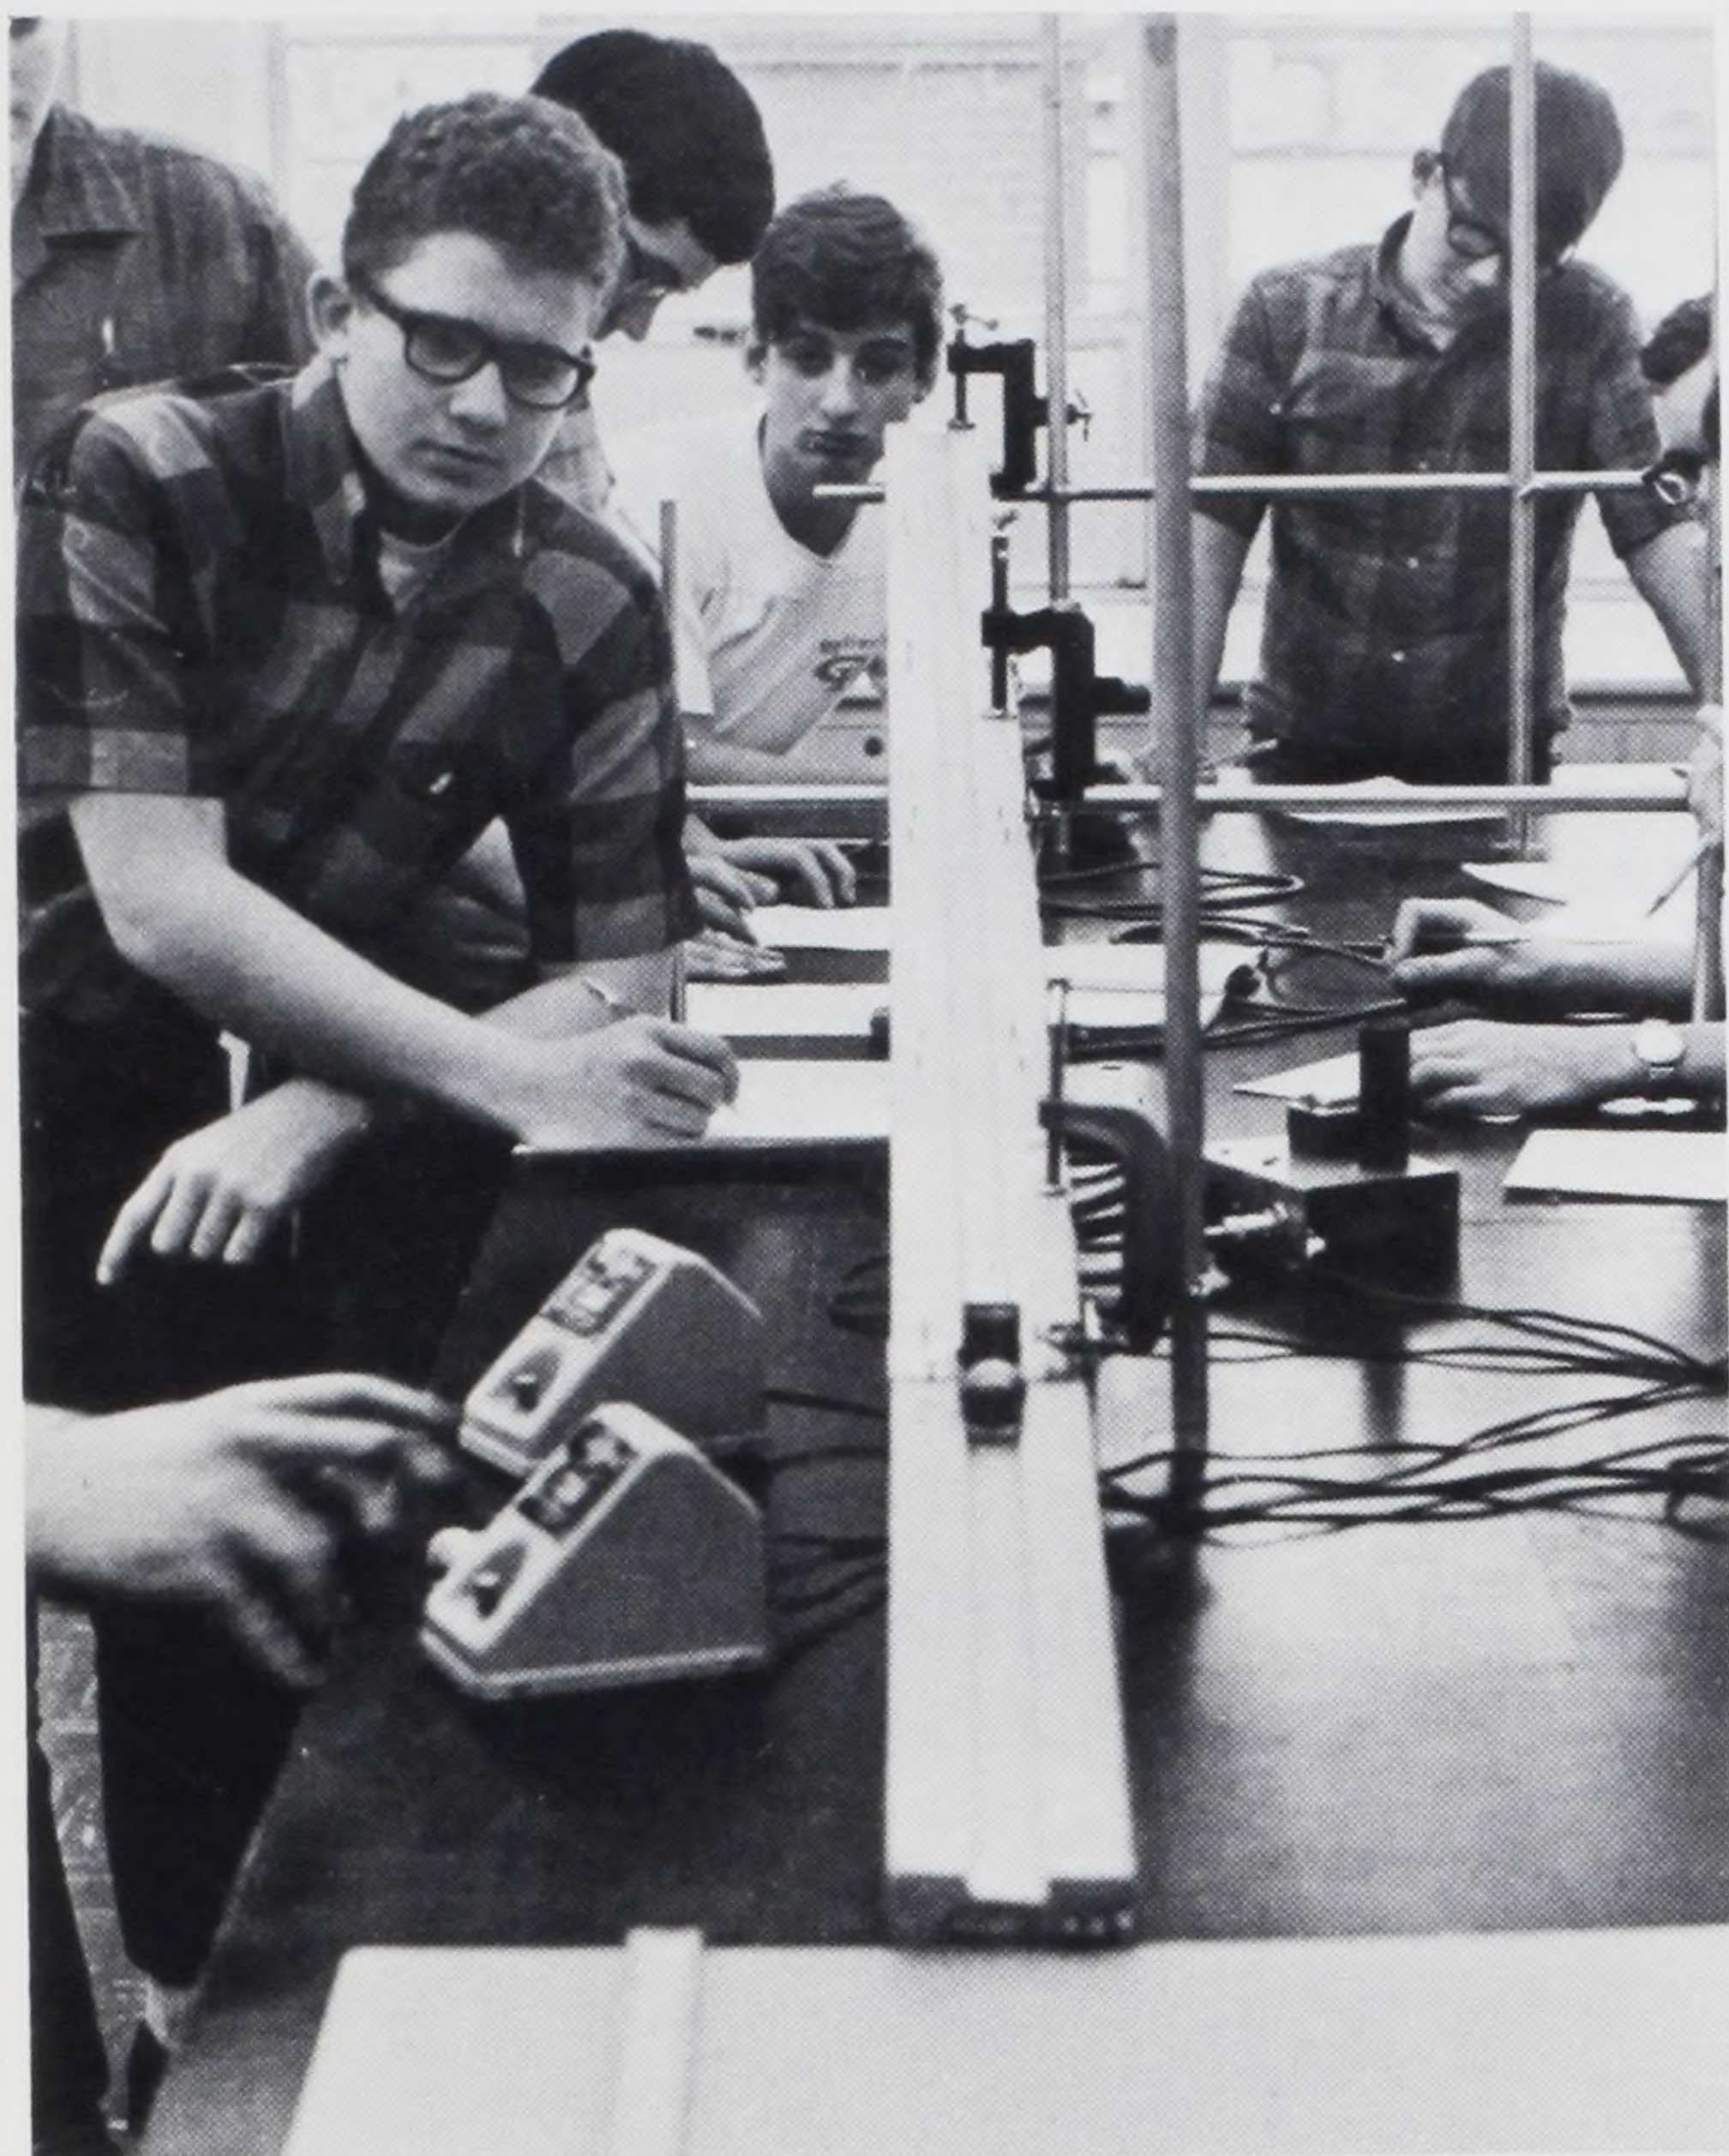

Dave Wirrick and Richard Dietrich use the Teletype center to program Benson's General Electric Computer, located in Seattle, Washington, for the rapid solution of a complex mathematic problem.

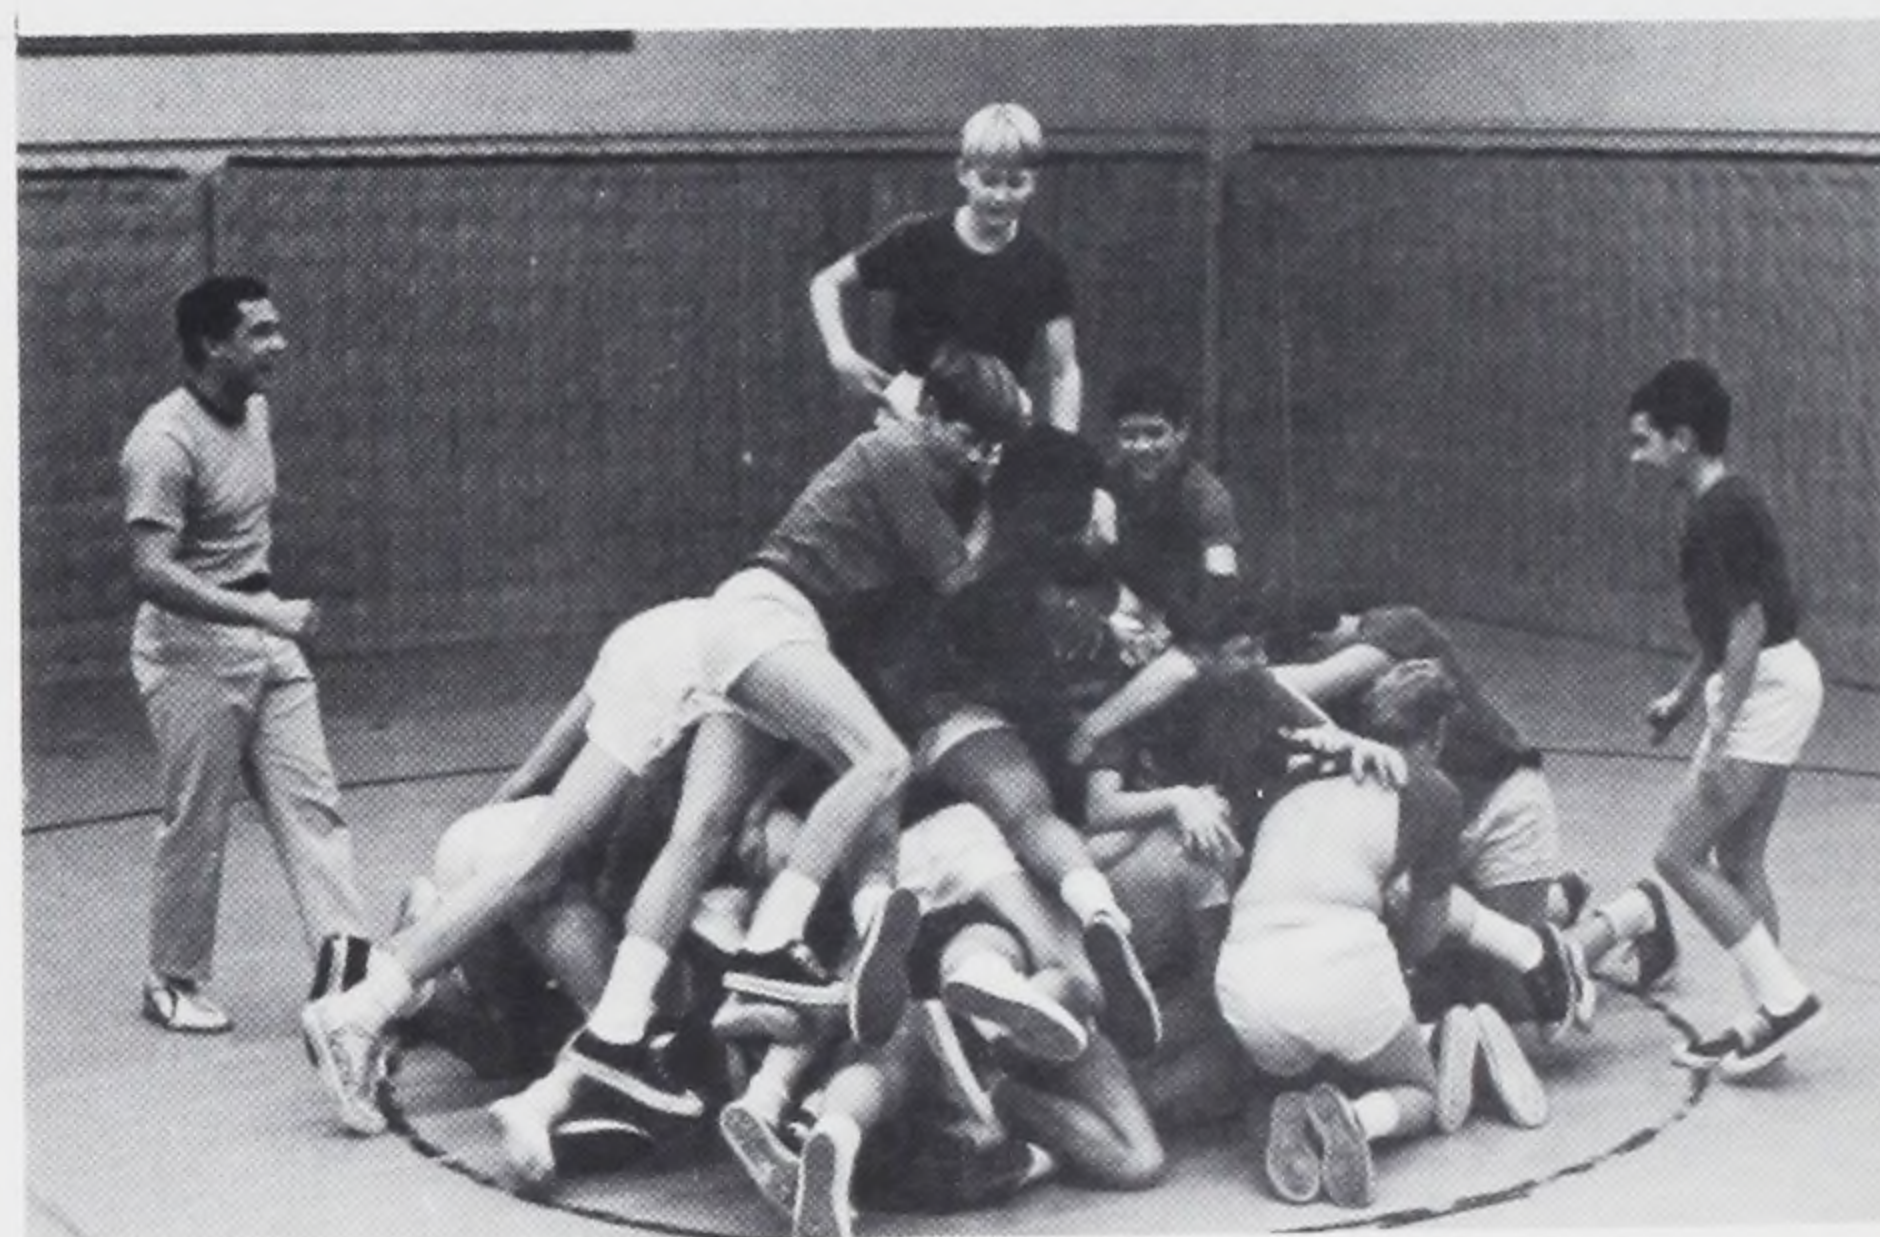

tech

Clockwise from bottom left: Mr. Dave Small shows students the "how" of good photography. Tech sophomores study an exceleration problem in physics. Dan Stradley, Tech's greatest goof-off'er, at it again! Mr. Mike Lopez, Tech's popular P.E. instructor-coach, shows the frosh what a pile-up really is!

academia

english

Clockwise from upper left: Movie "Hamlet" by Shakespeare is viewed by most of the senior English classes, many students find it a very exciting film. Mr. Robert Bonniwell, senior English instructor, answers a question for one of his students, Randy Cullinan. One of students in junior English class wishes to make a comment on an assignment, while other members of the class listen unexcitedly.

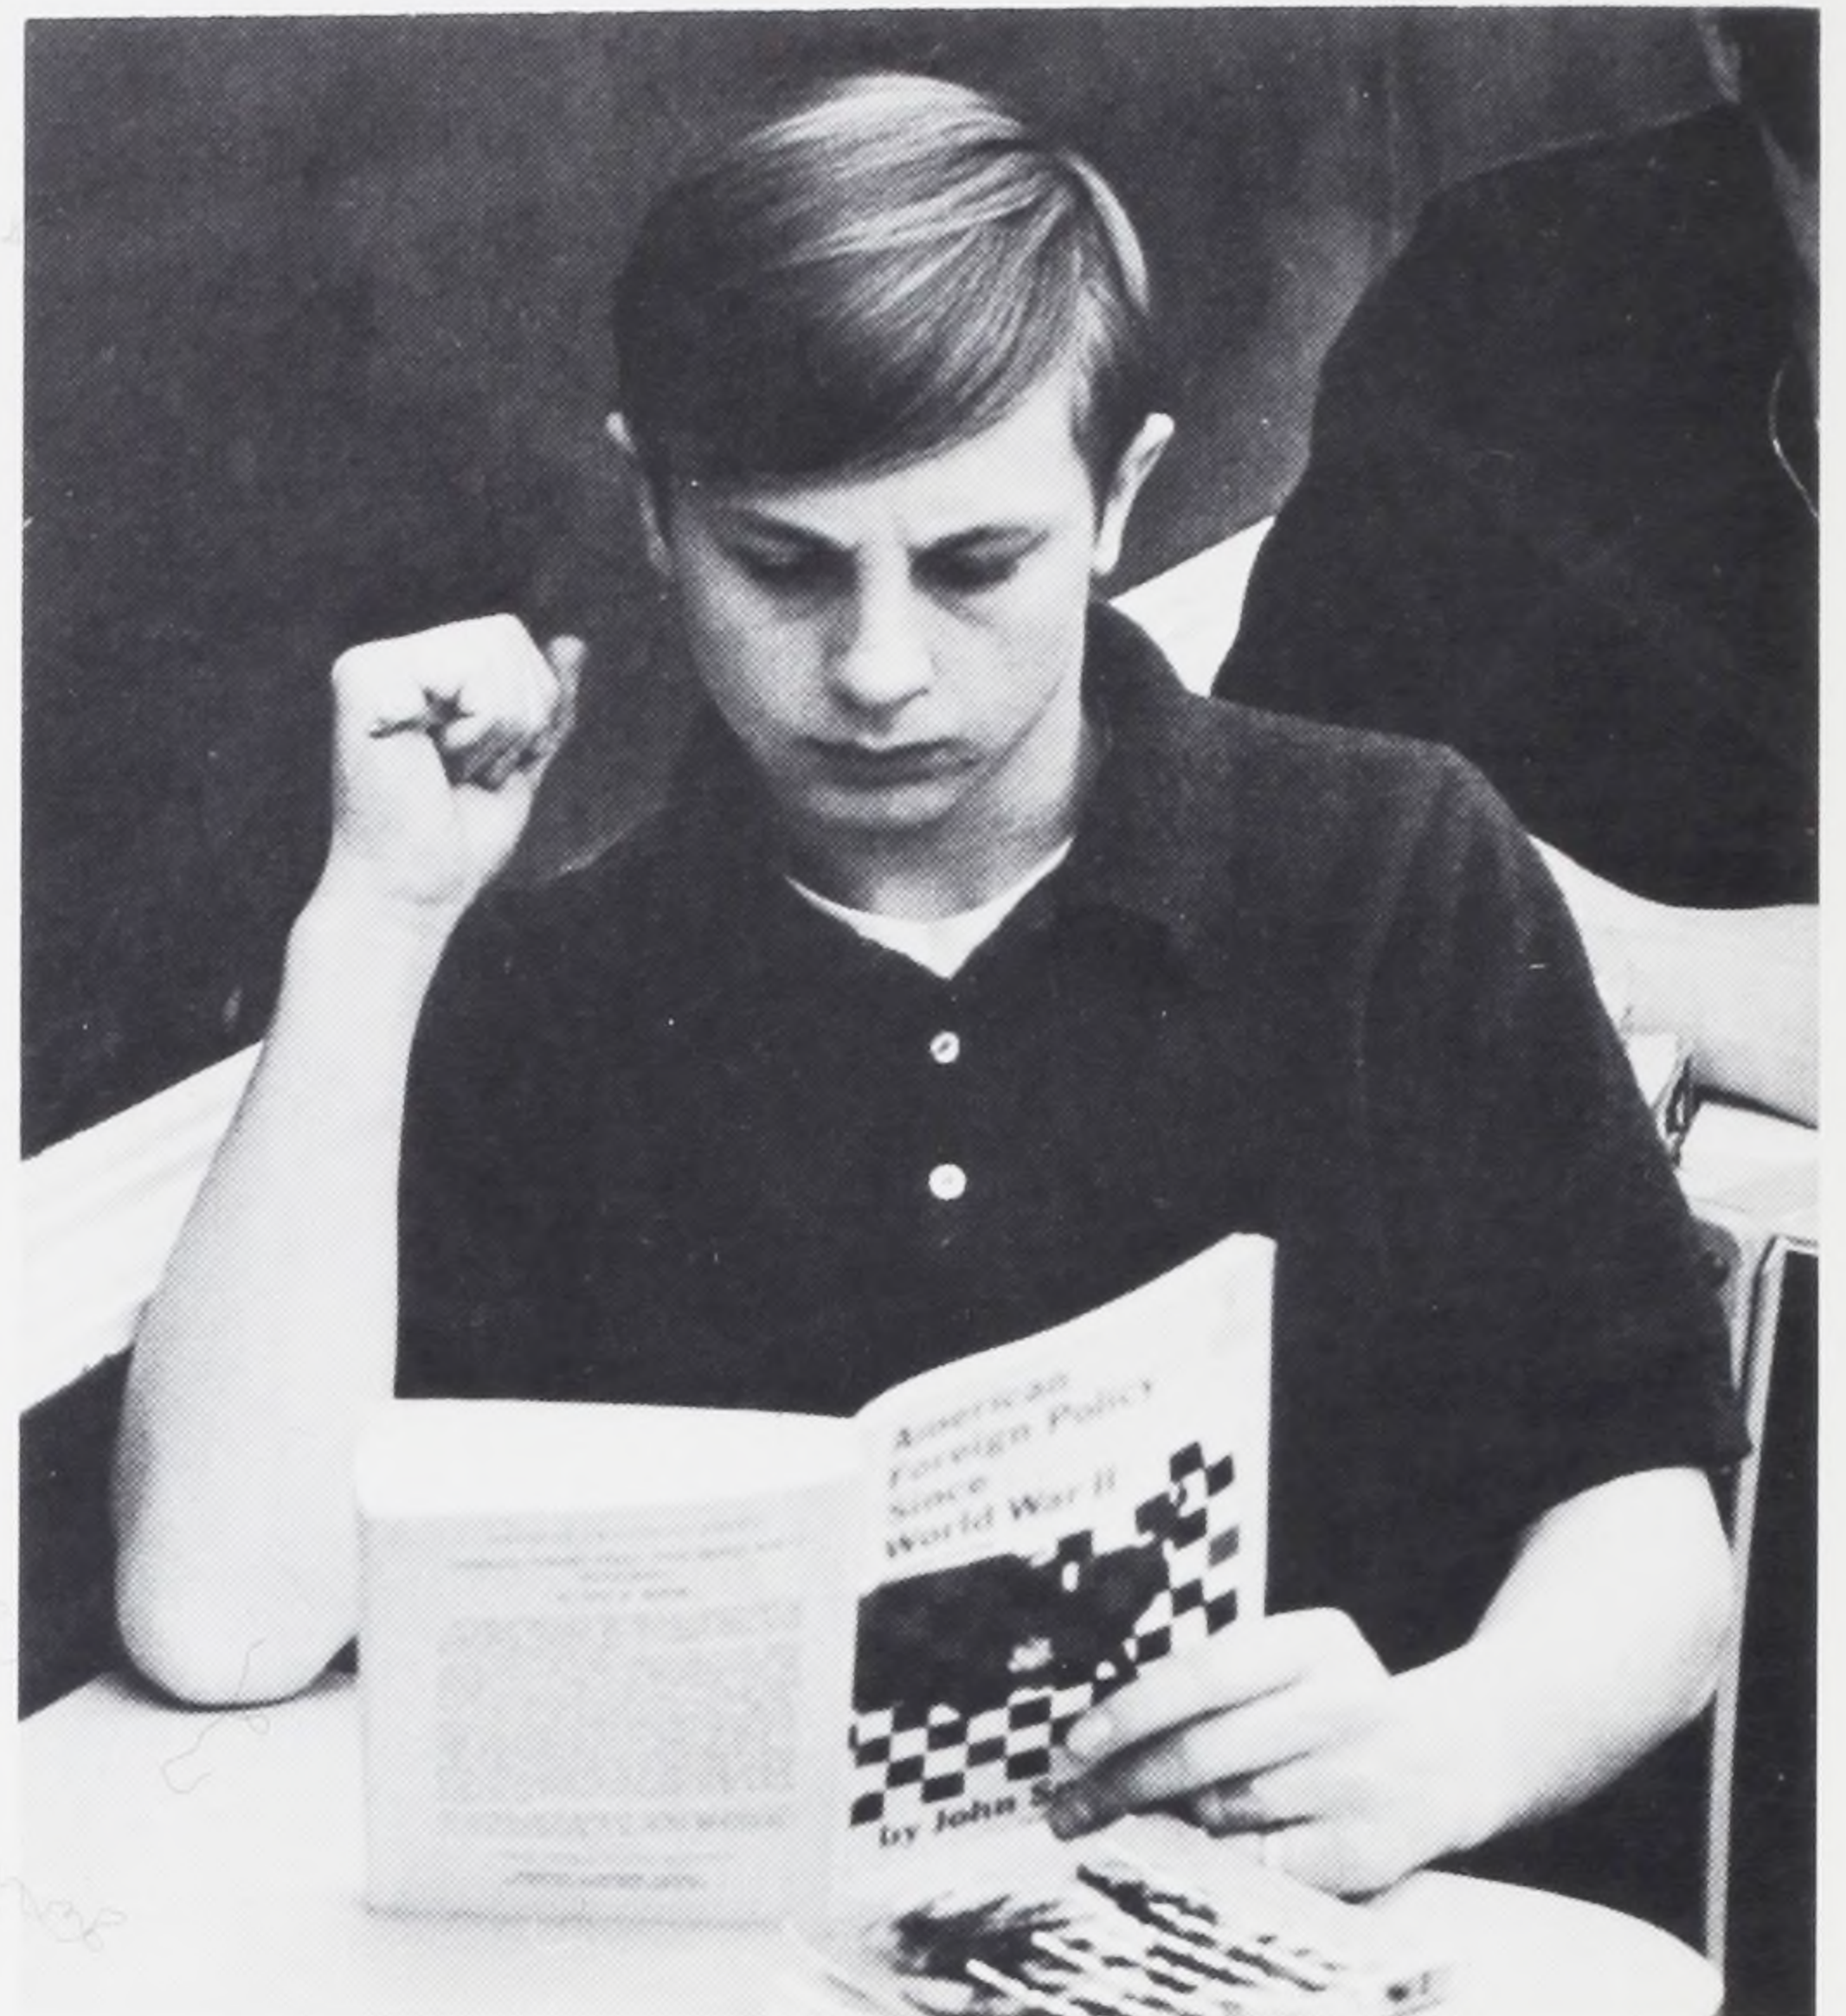

Clockwise from bottom right: Busy English student occupies his class time by catching up on some reading. Two students John Thorne and George Portwood listen to an apparently interesting lecture in English. A couple of English students take a few minutes out to discuss the proper way of doing an assignment.

english

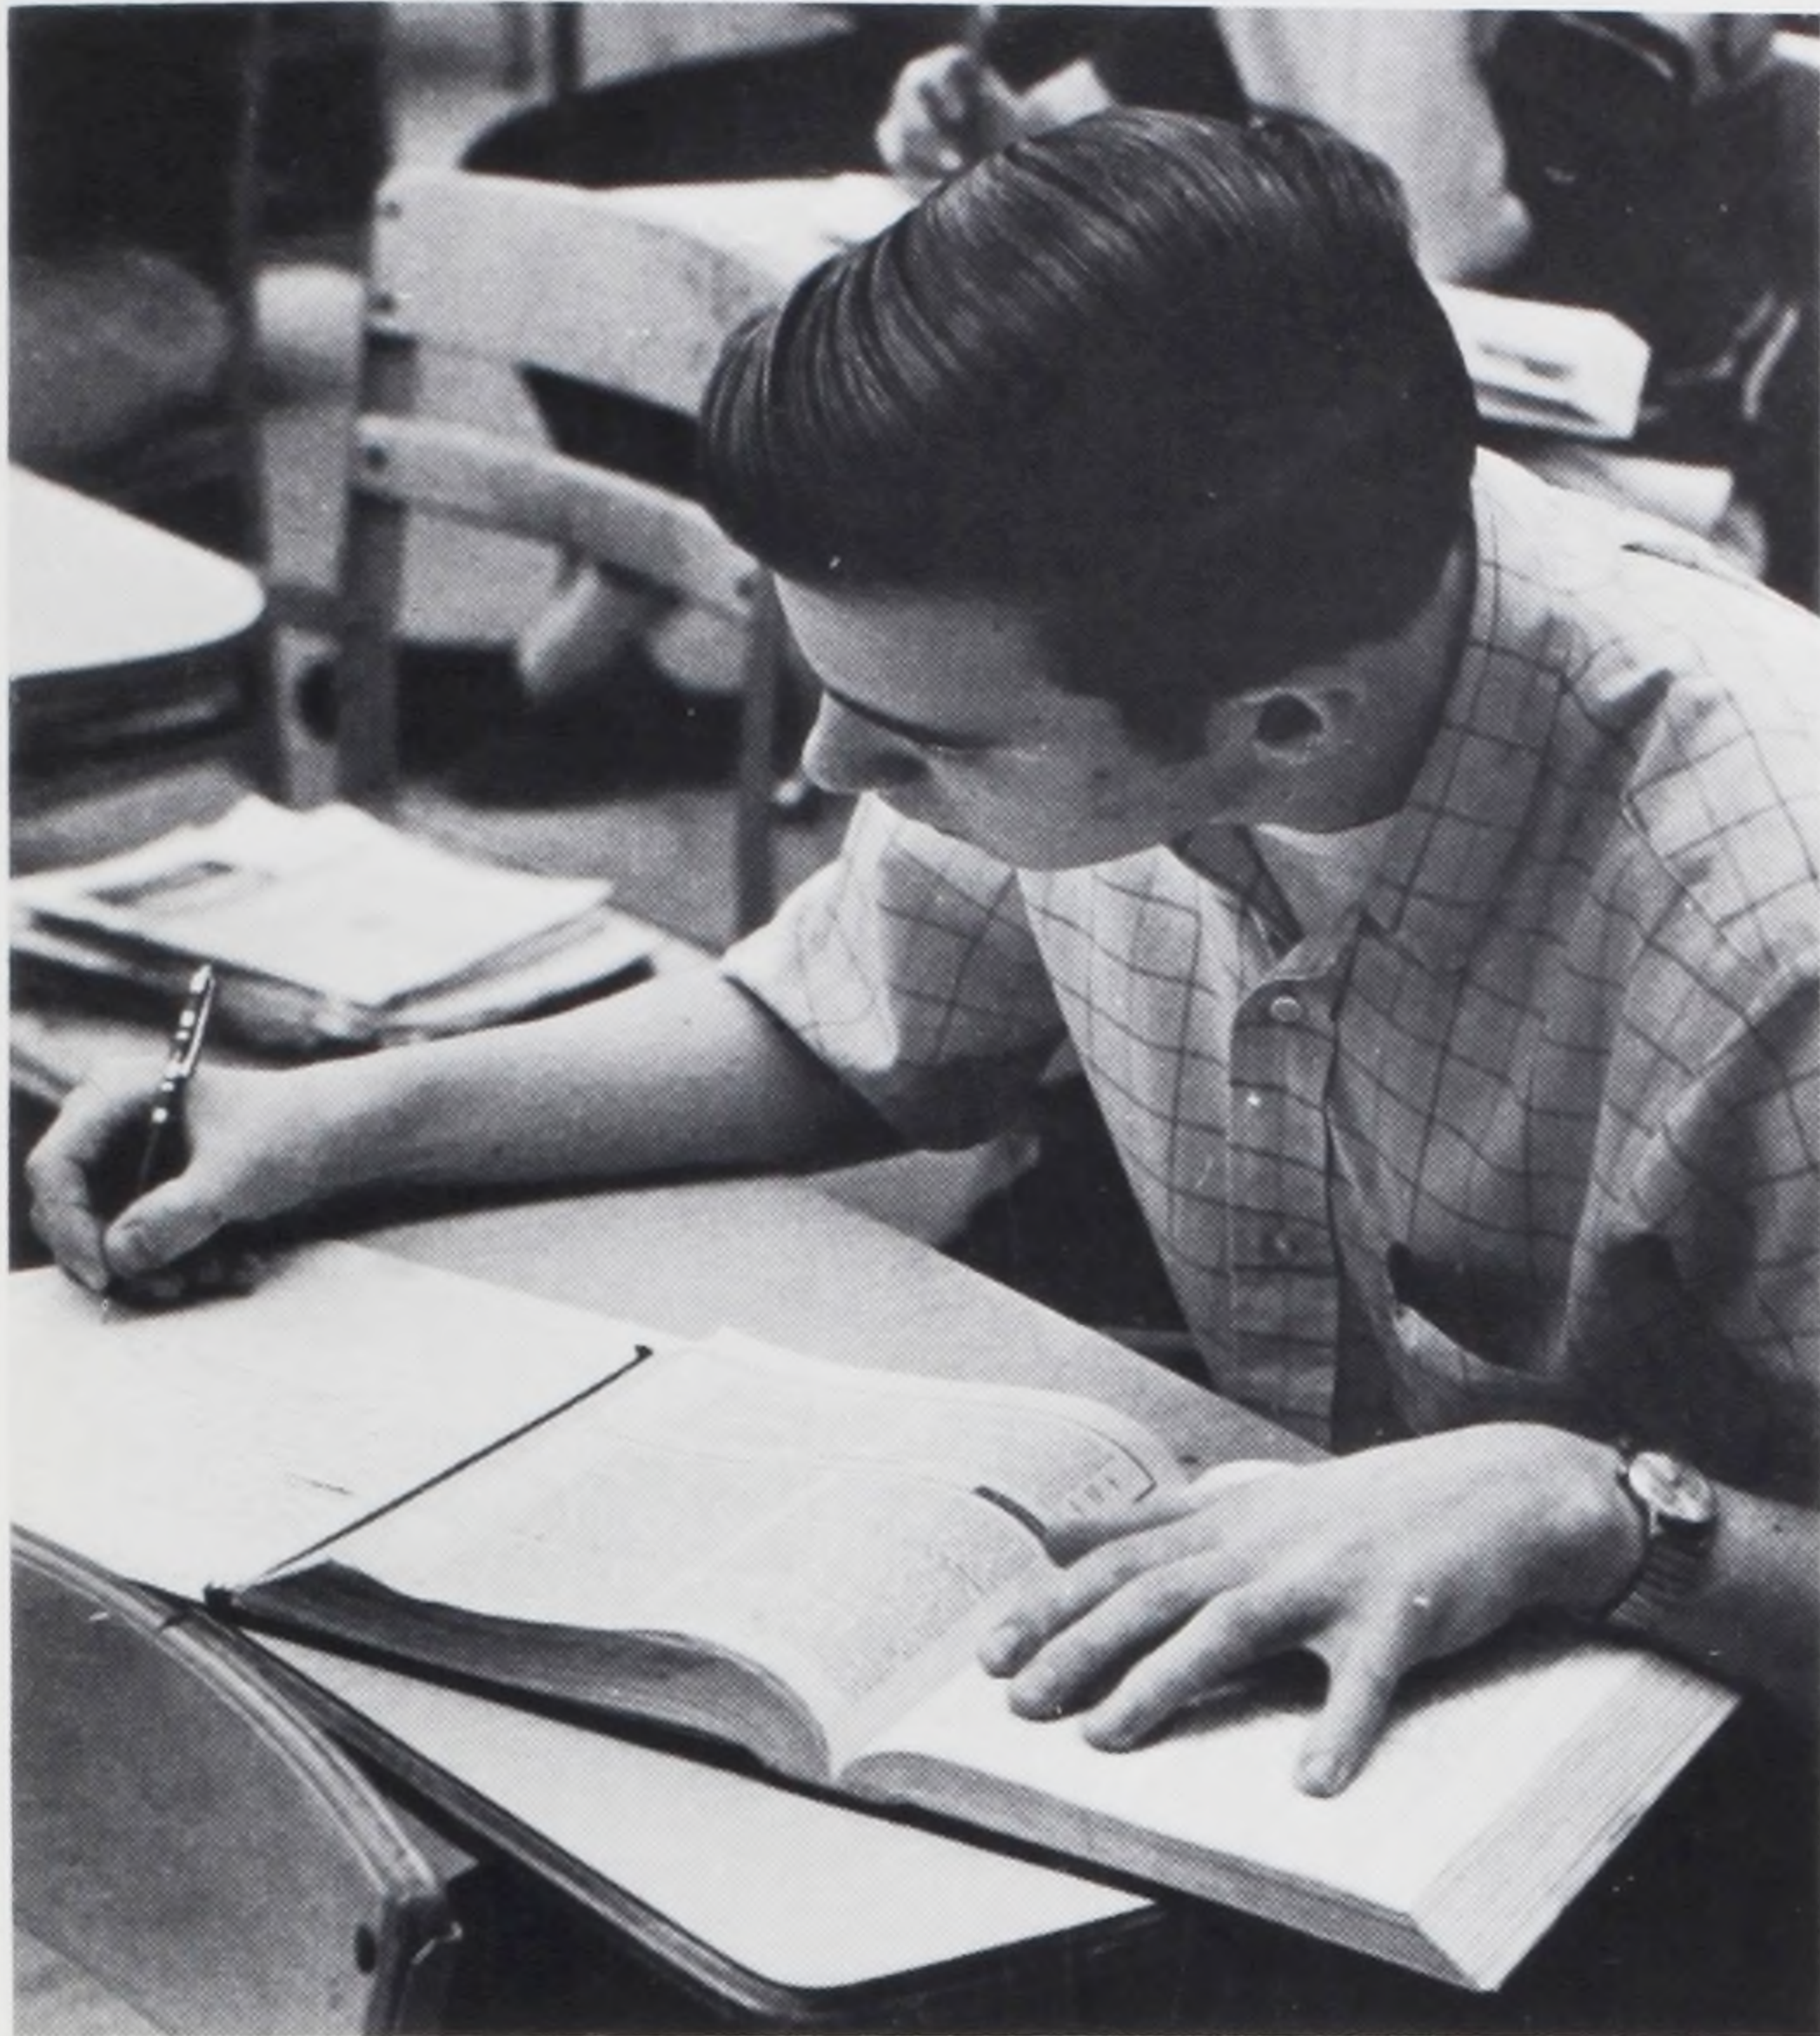

Clockwise from upper left: Social Studies teacher, Mrs. Gilmore, points out some interesting facts about European countries. Gary Castrignano works hard on a social studies assignment. Mr. John Bergan has his class busy working on one of their assignments while he takes time out to correct some papers.

social studies

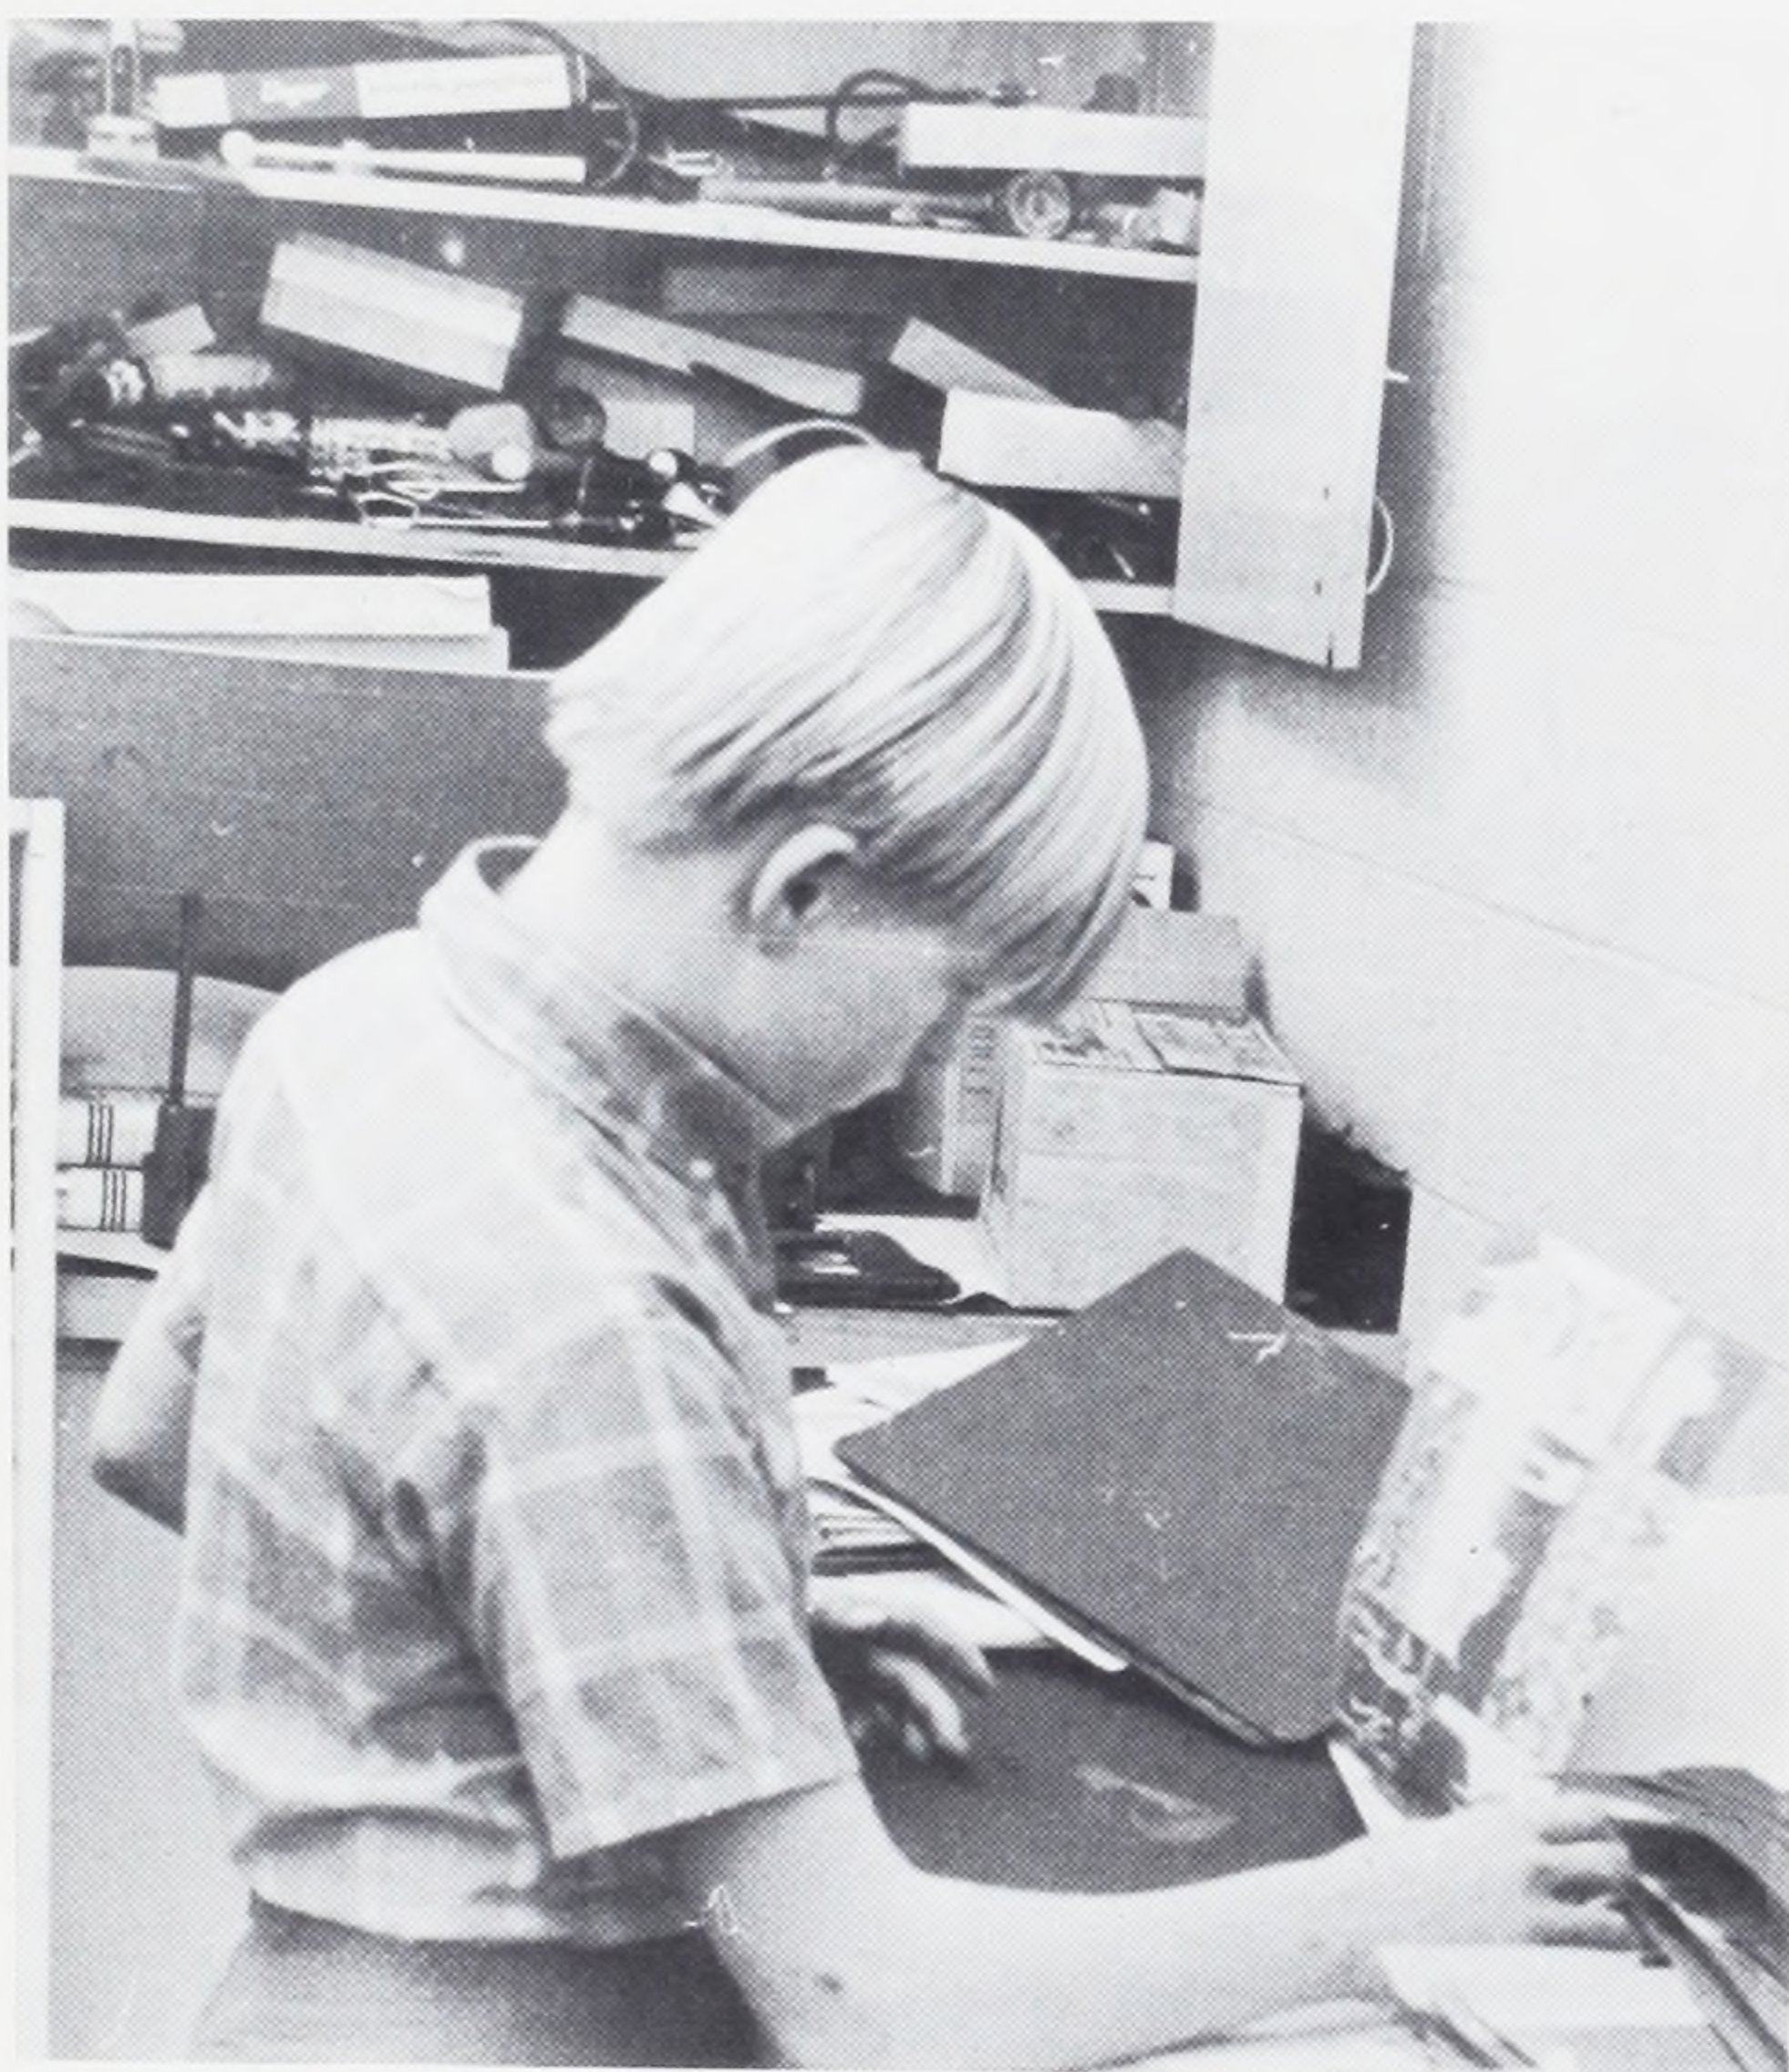

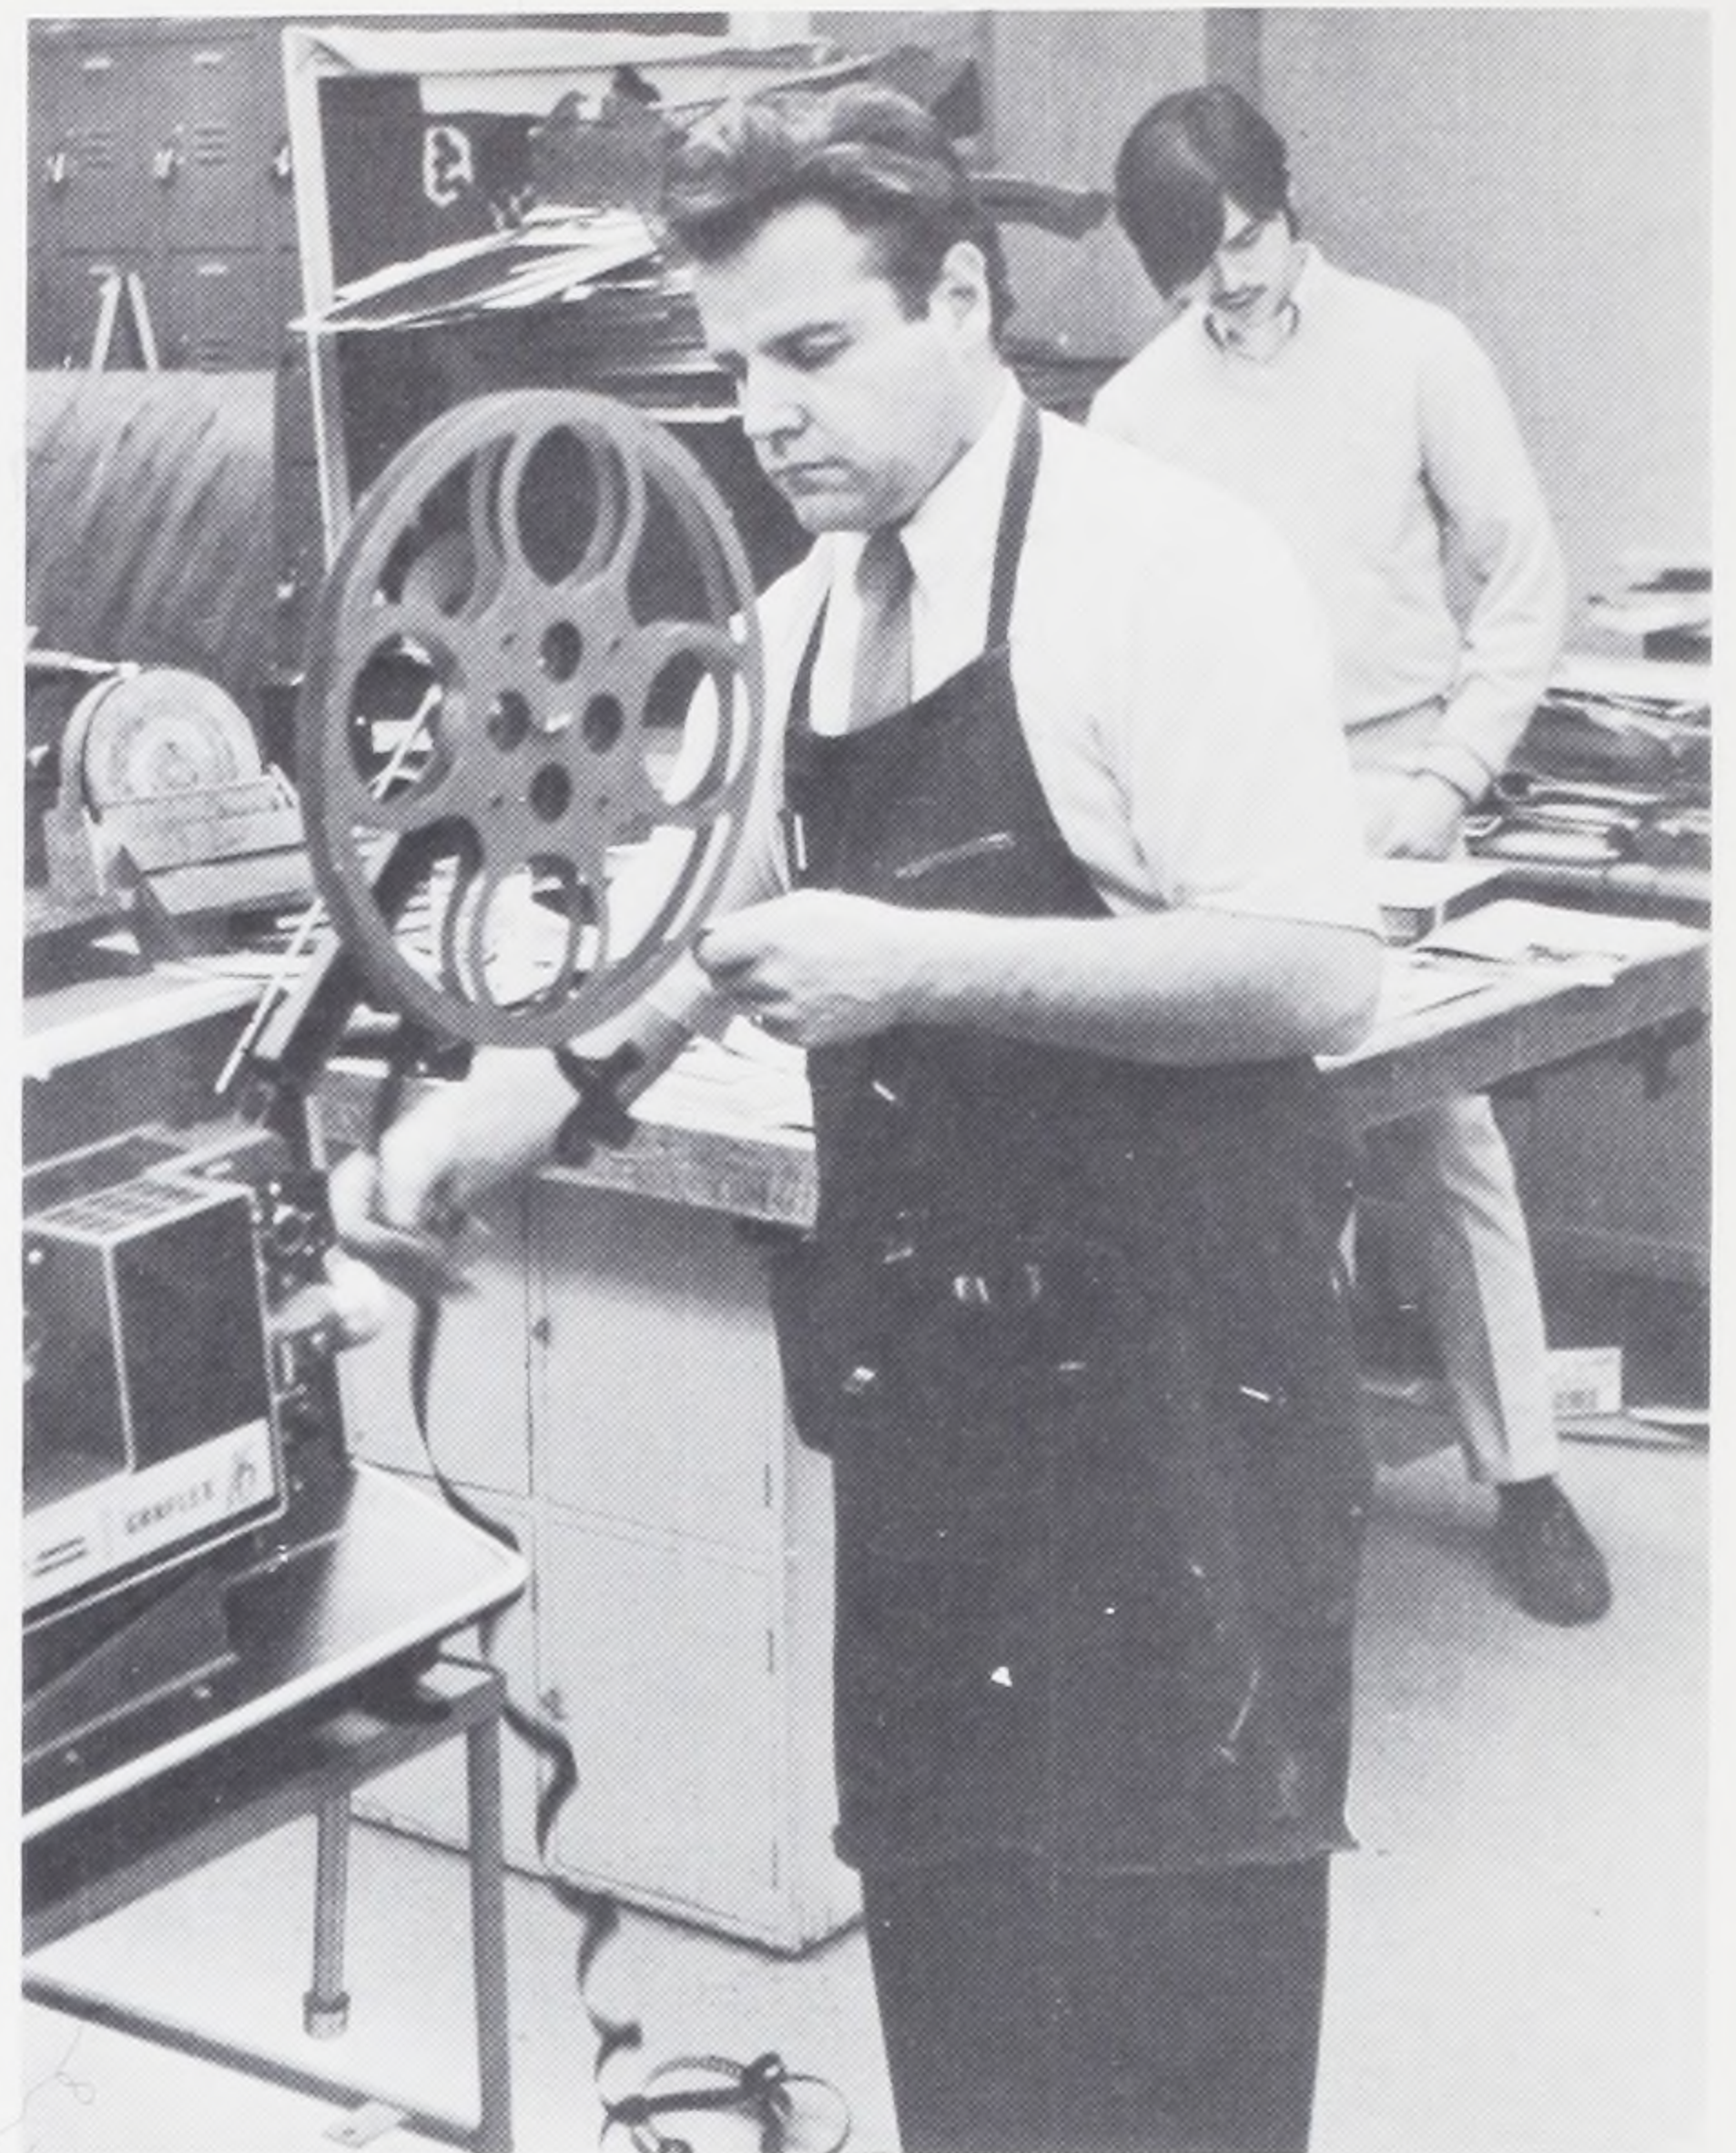

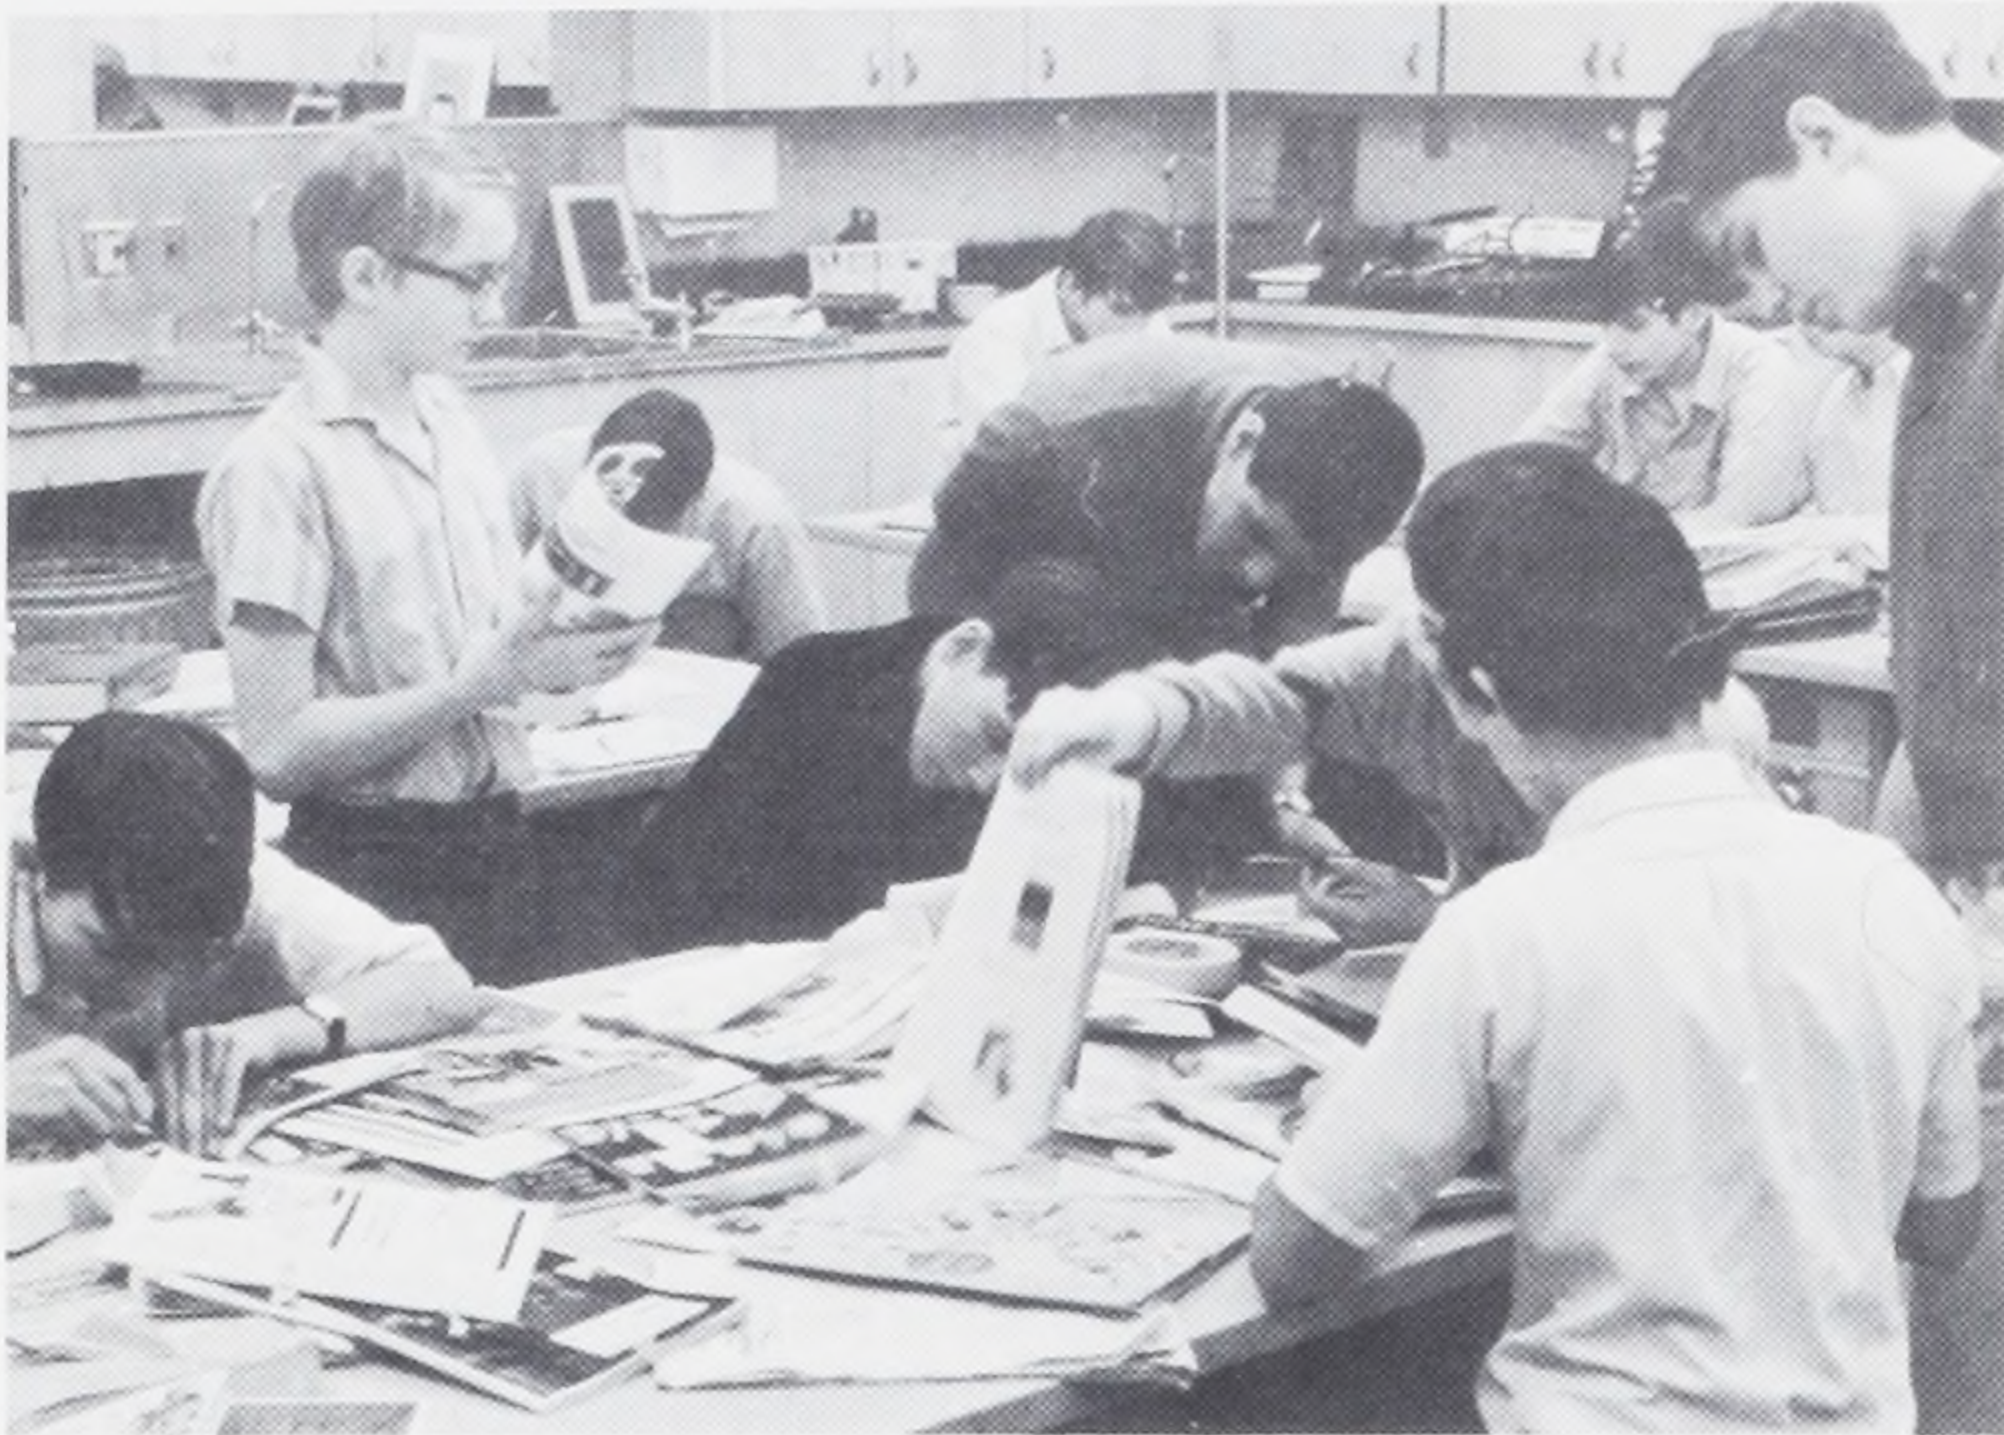

Social studies

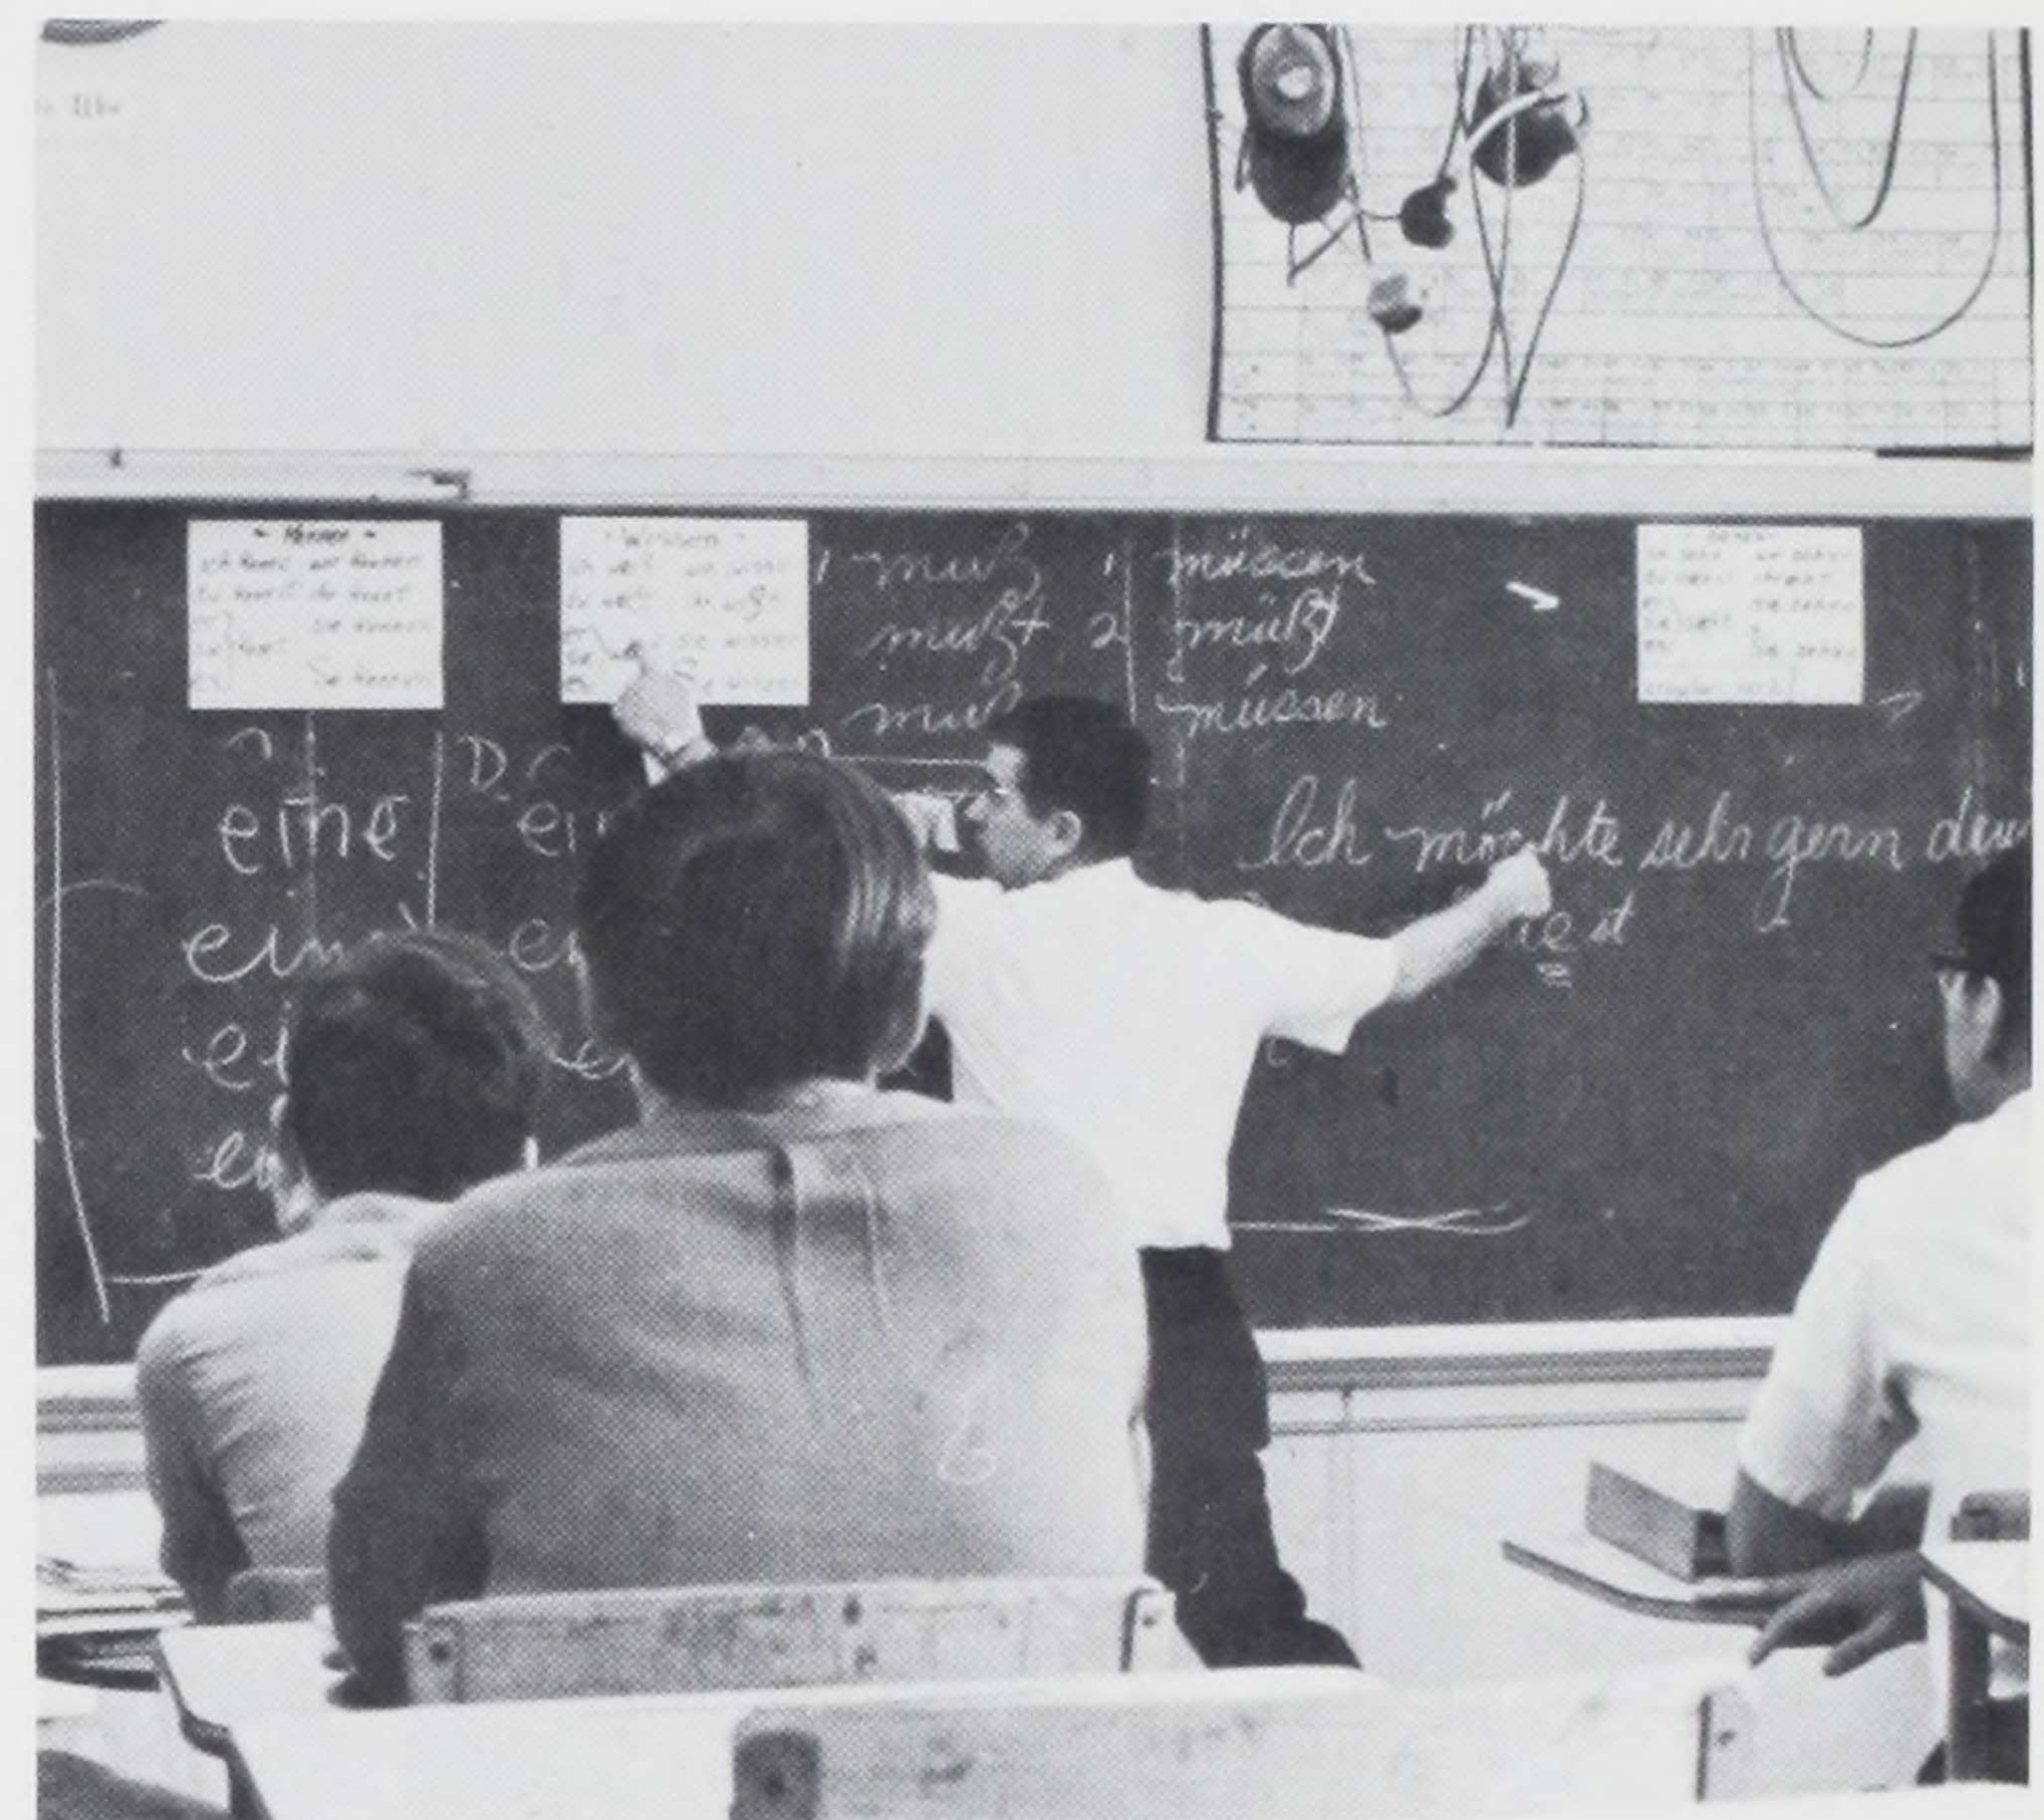

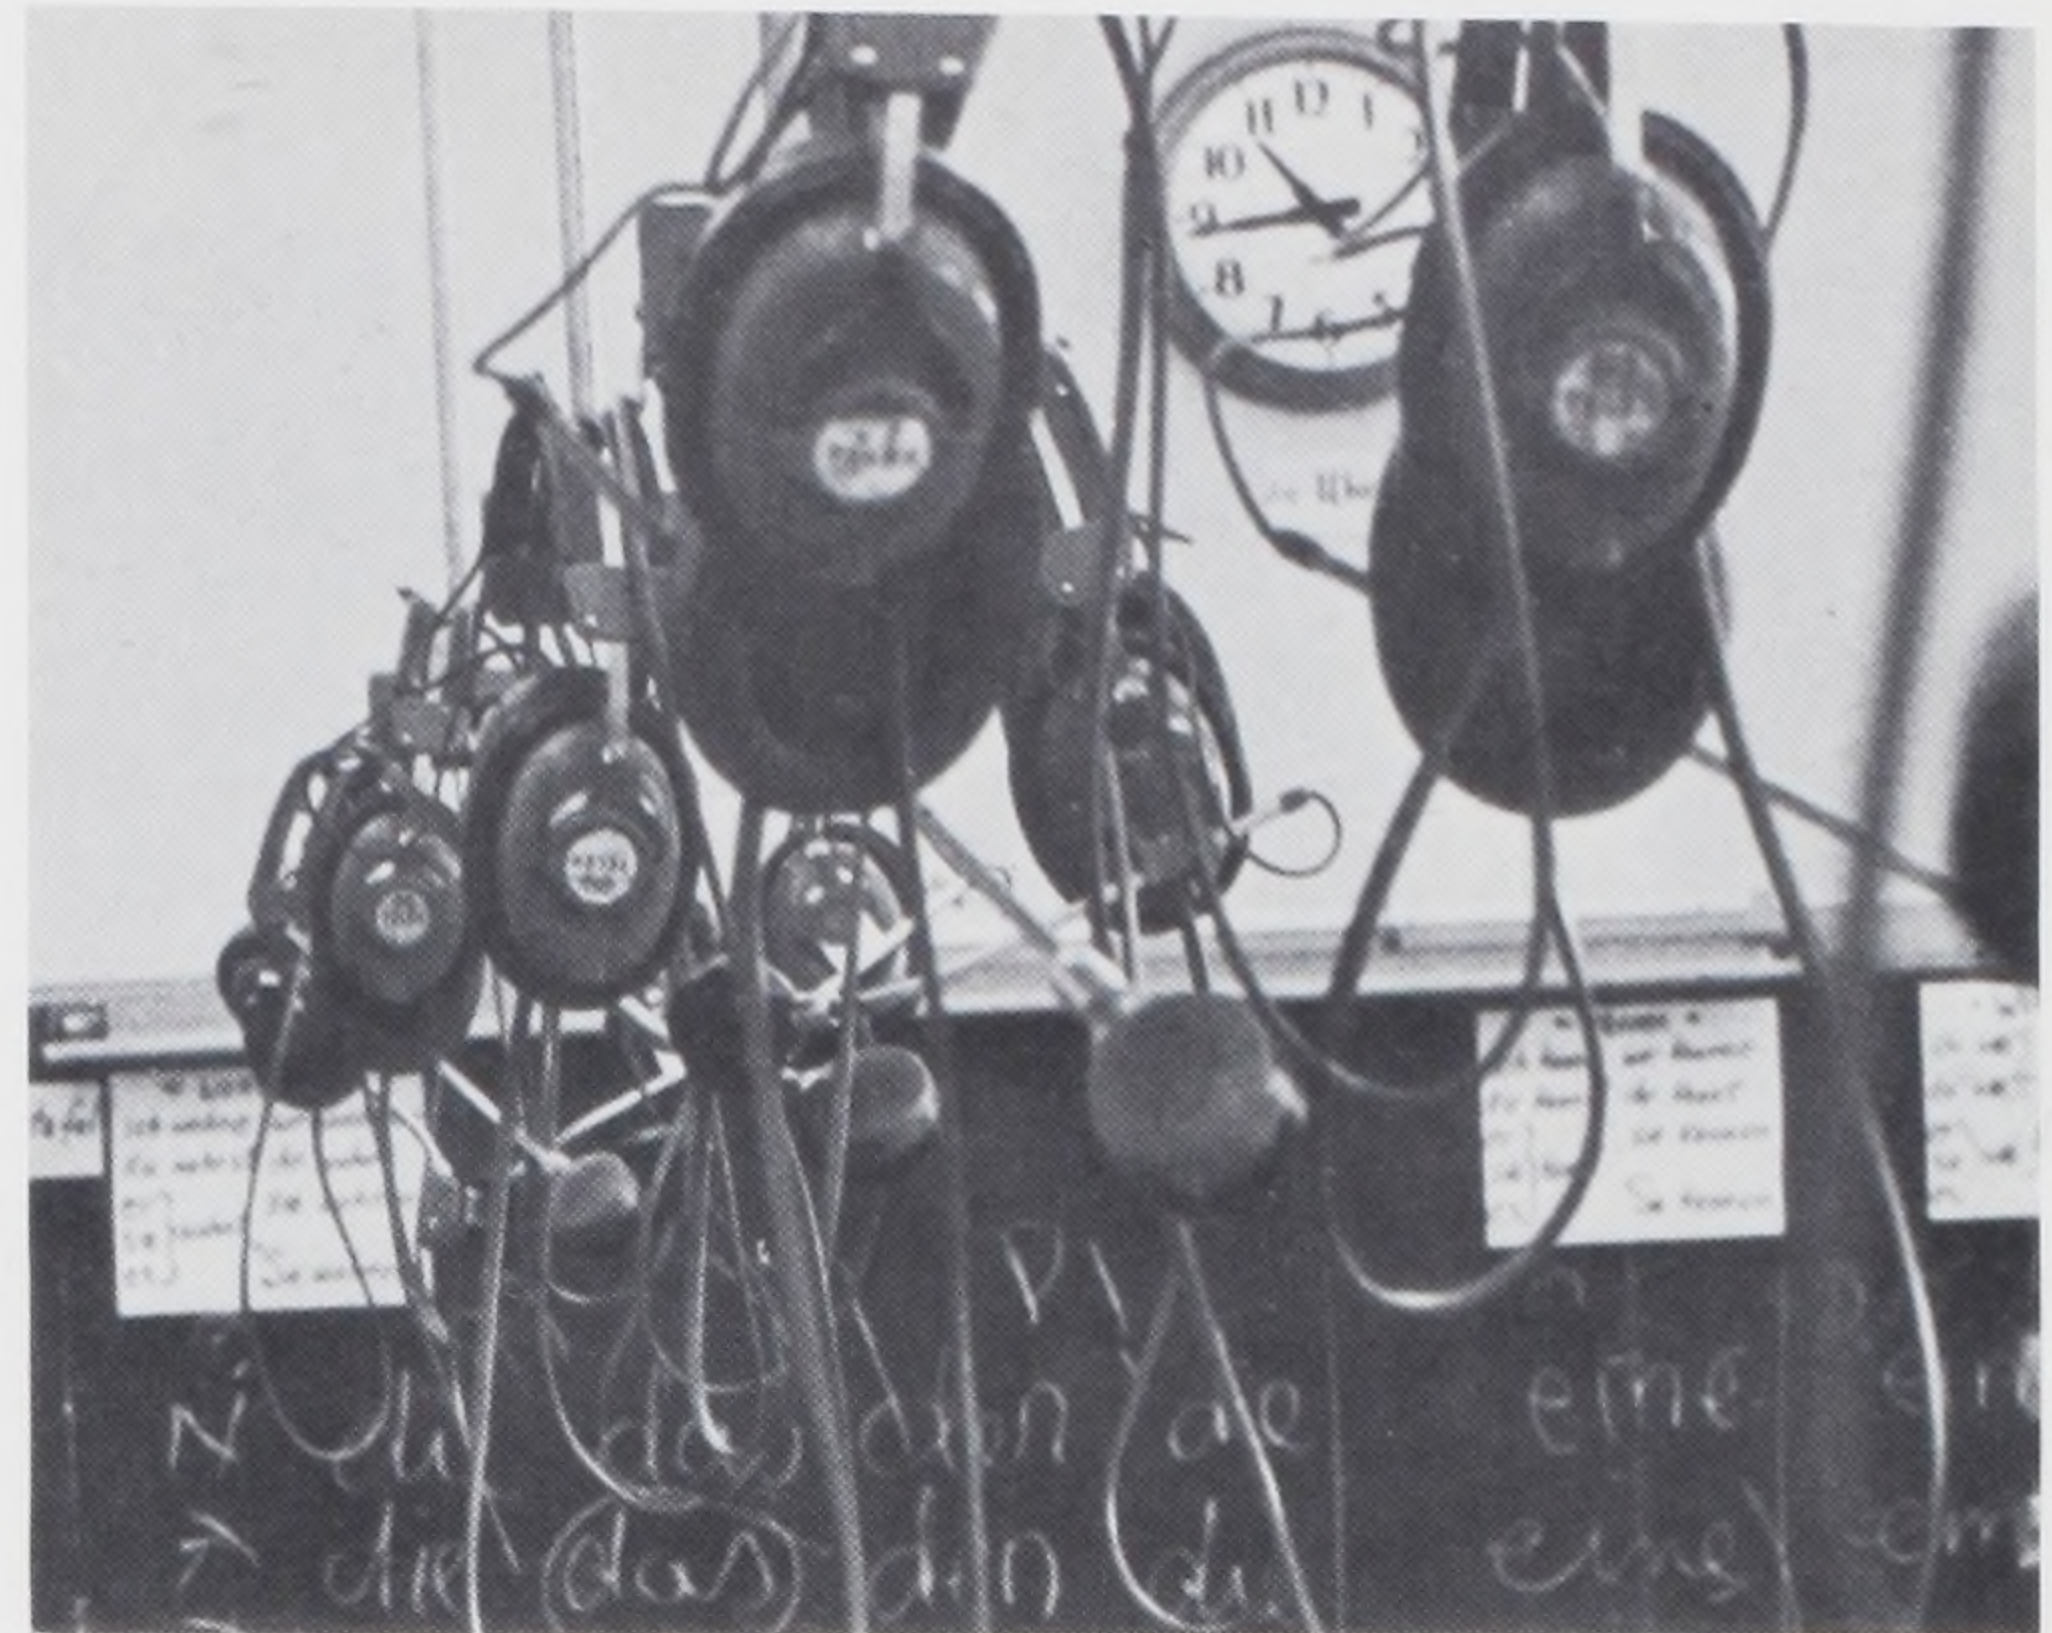

Clockwise from bottom: Mr. Dalrymple, social studies instructor, answers a question for student on the correct way of doing an assignment. Social Studies is a difficult subject for some students, with hardly any time to sit back in a chair and relax. Student in junior social studies class discovers that assignments are much easier after taking a few notes in class.

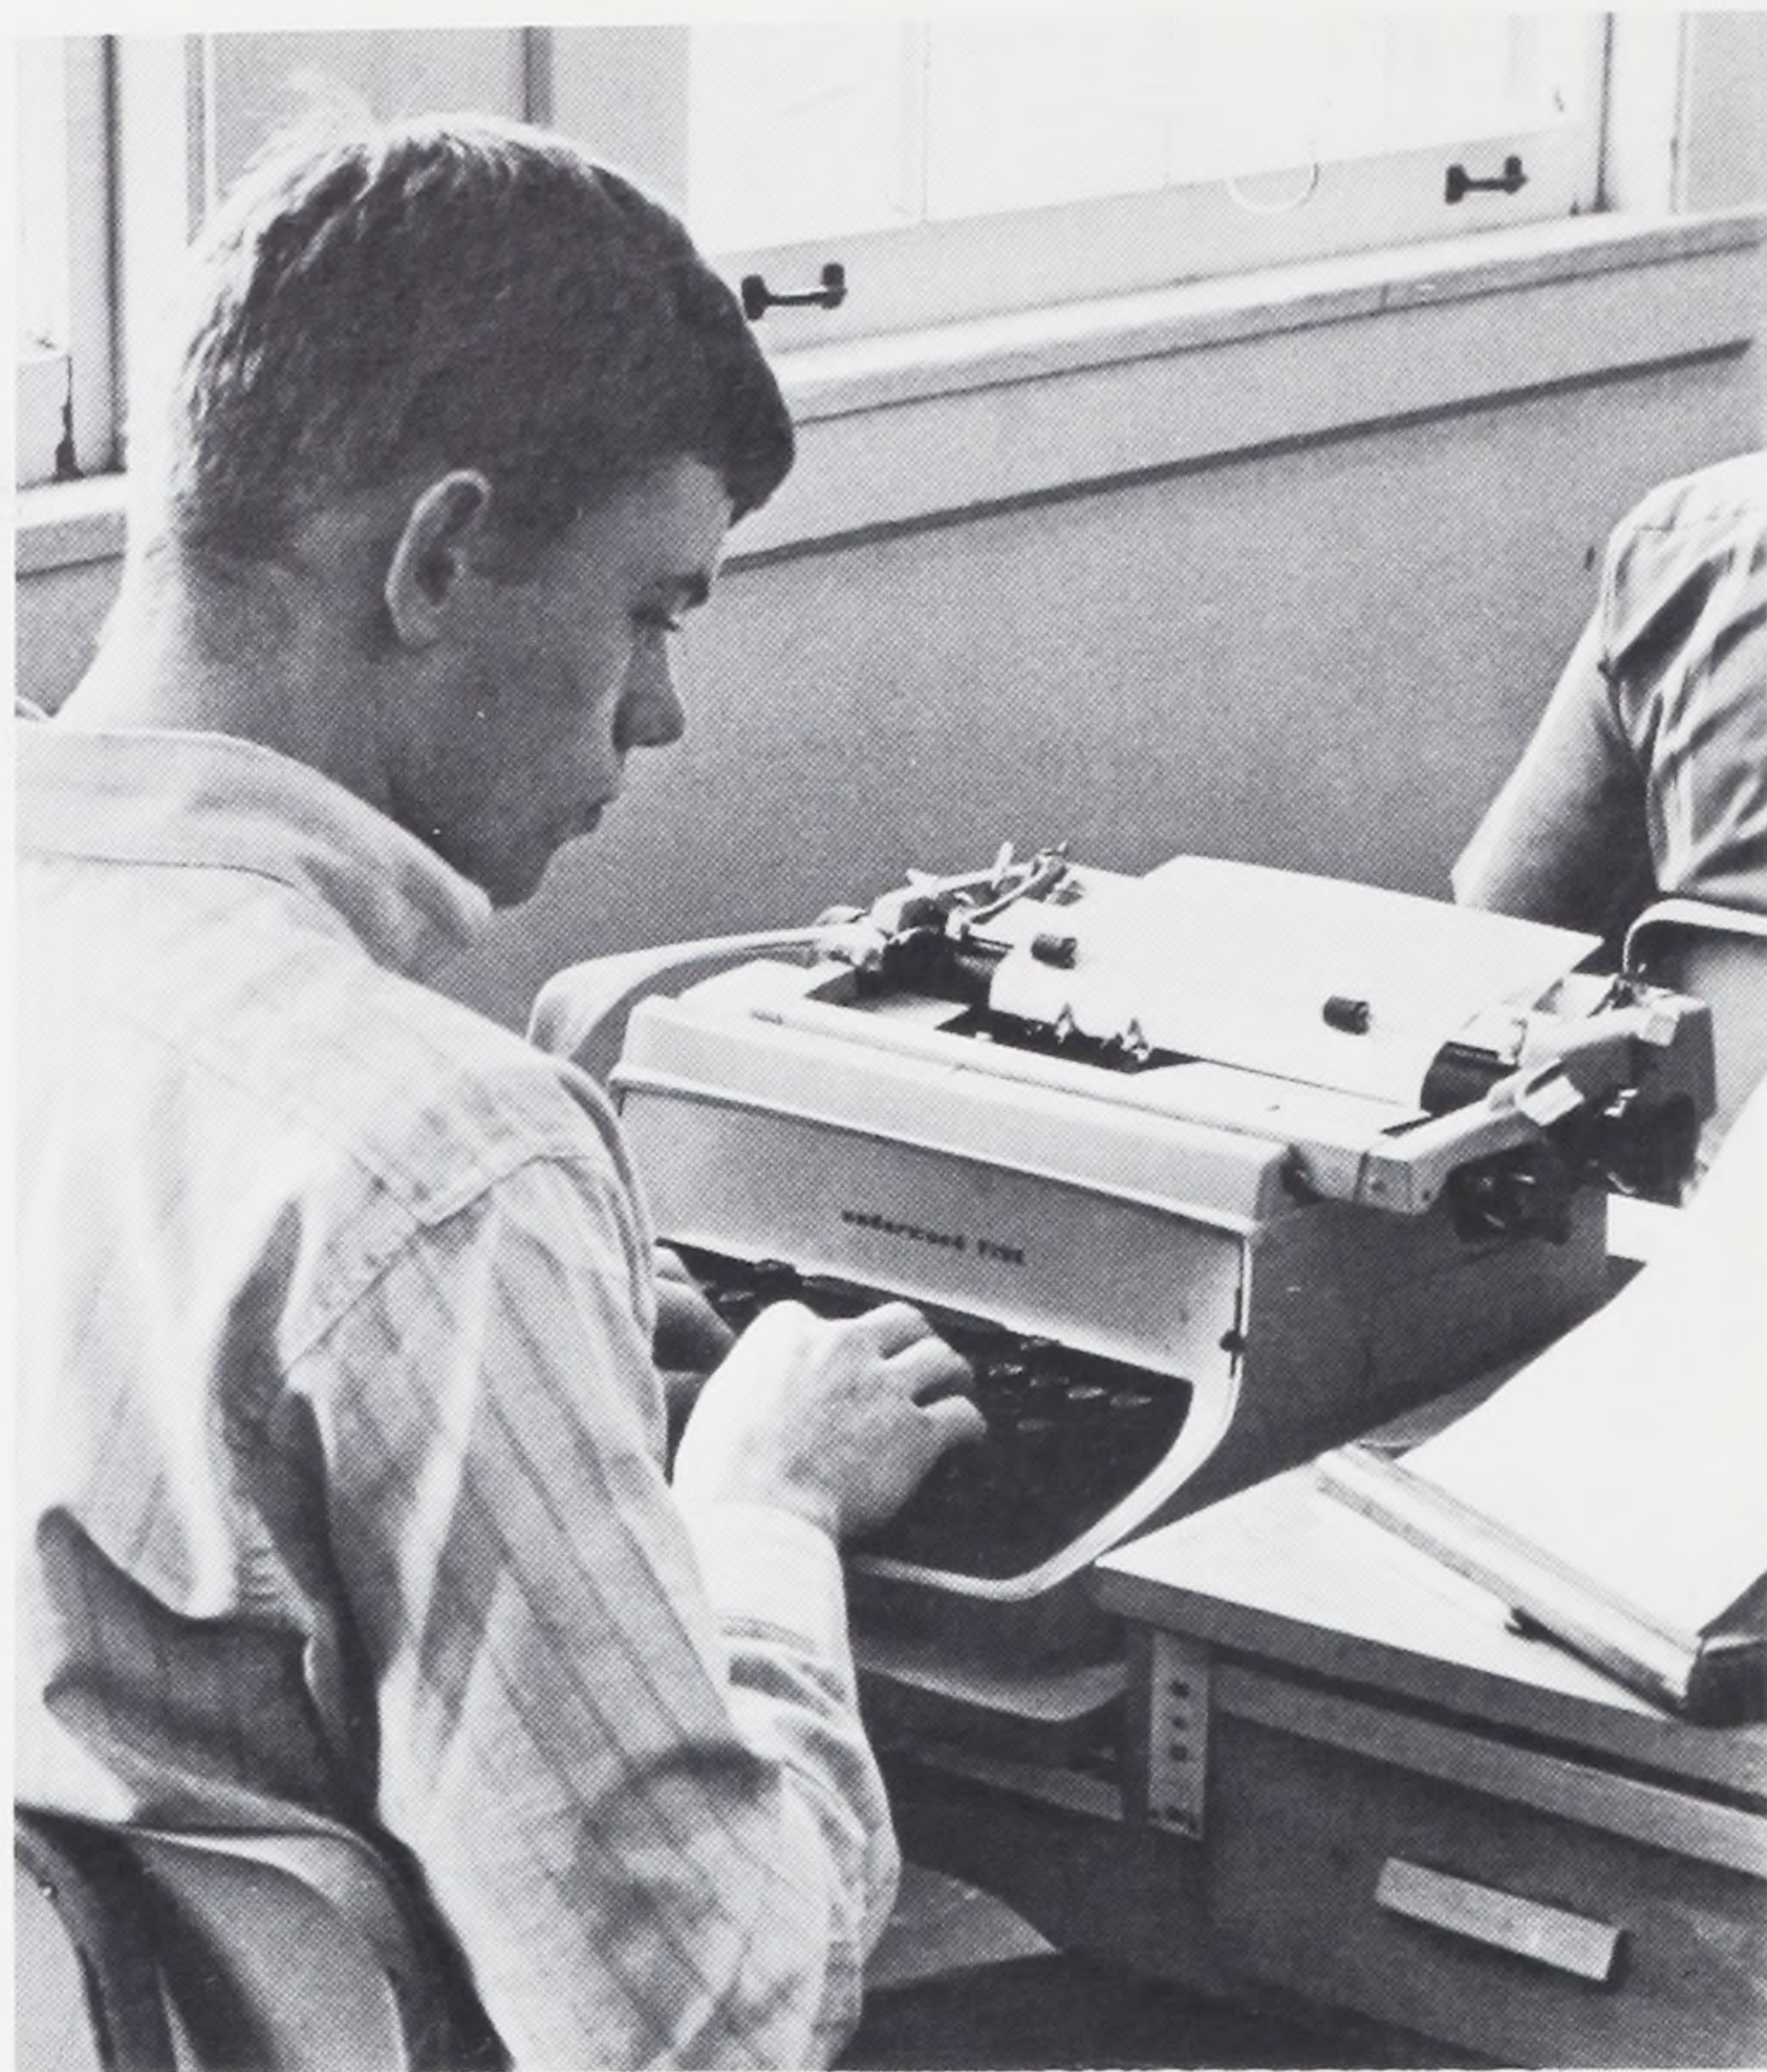

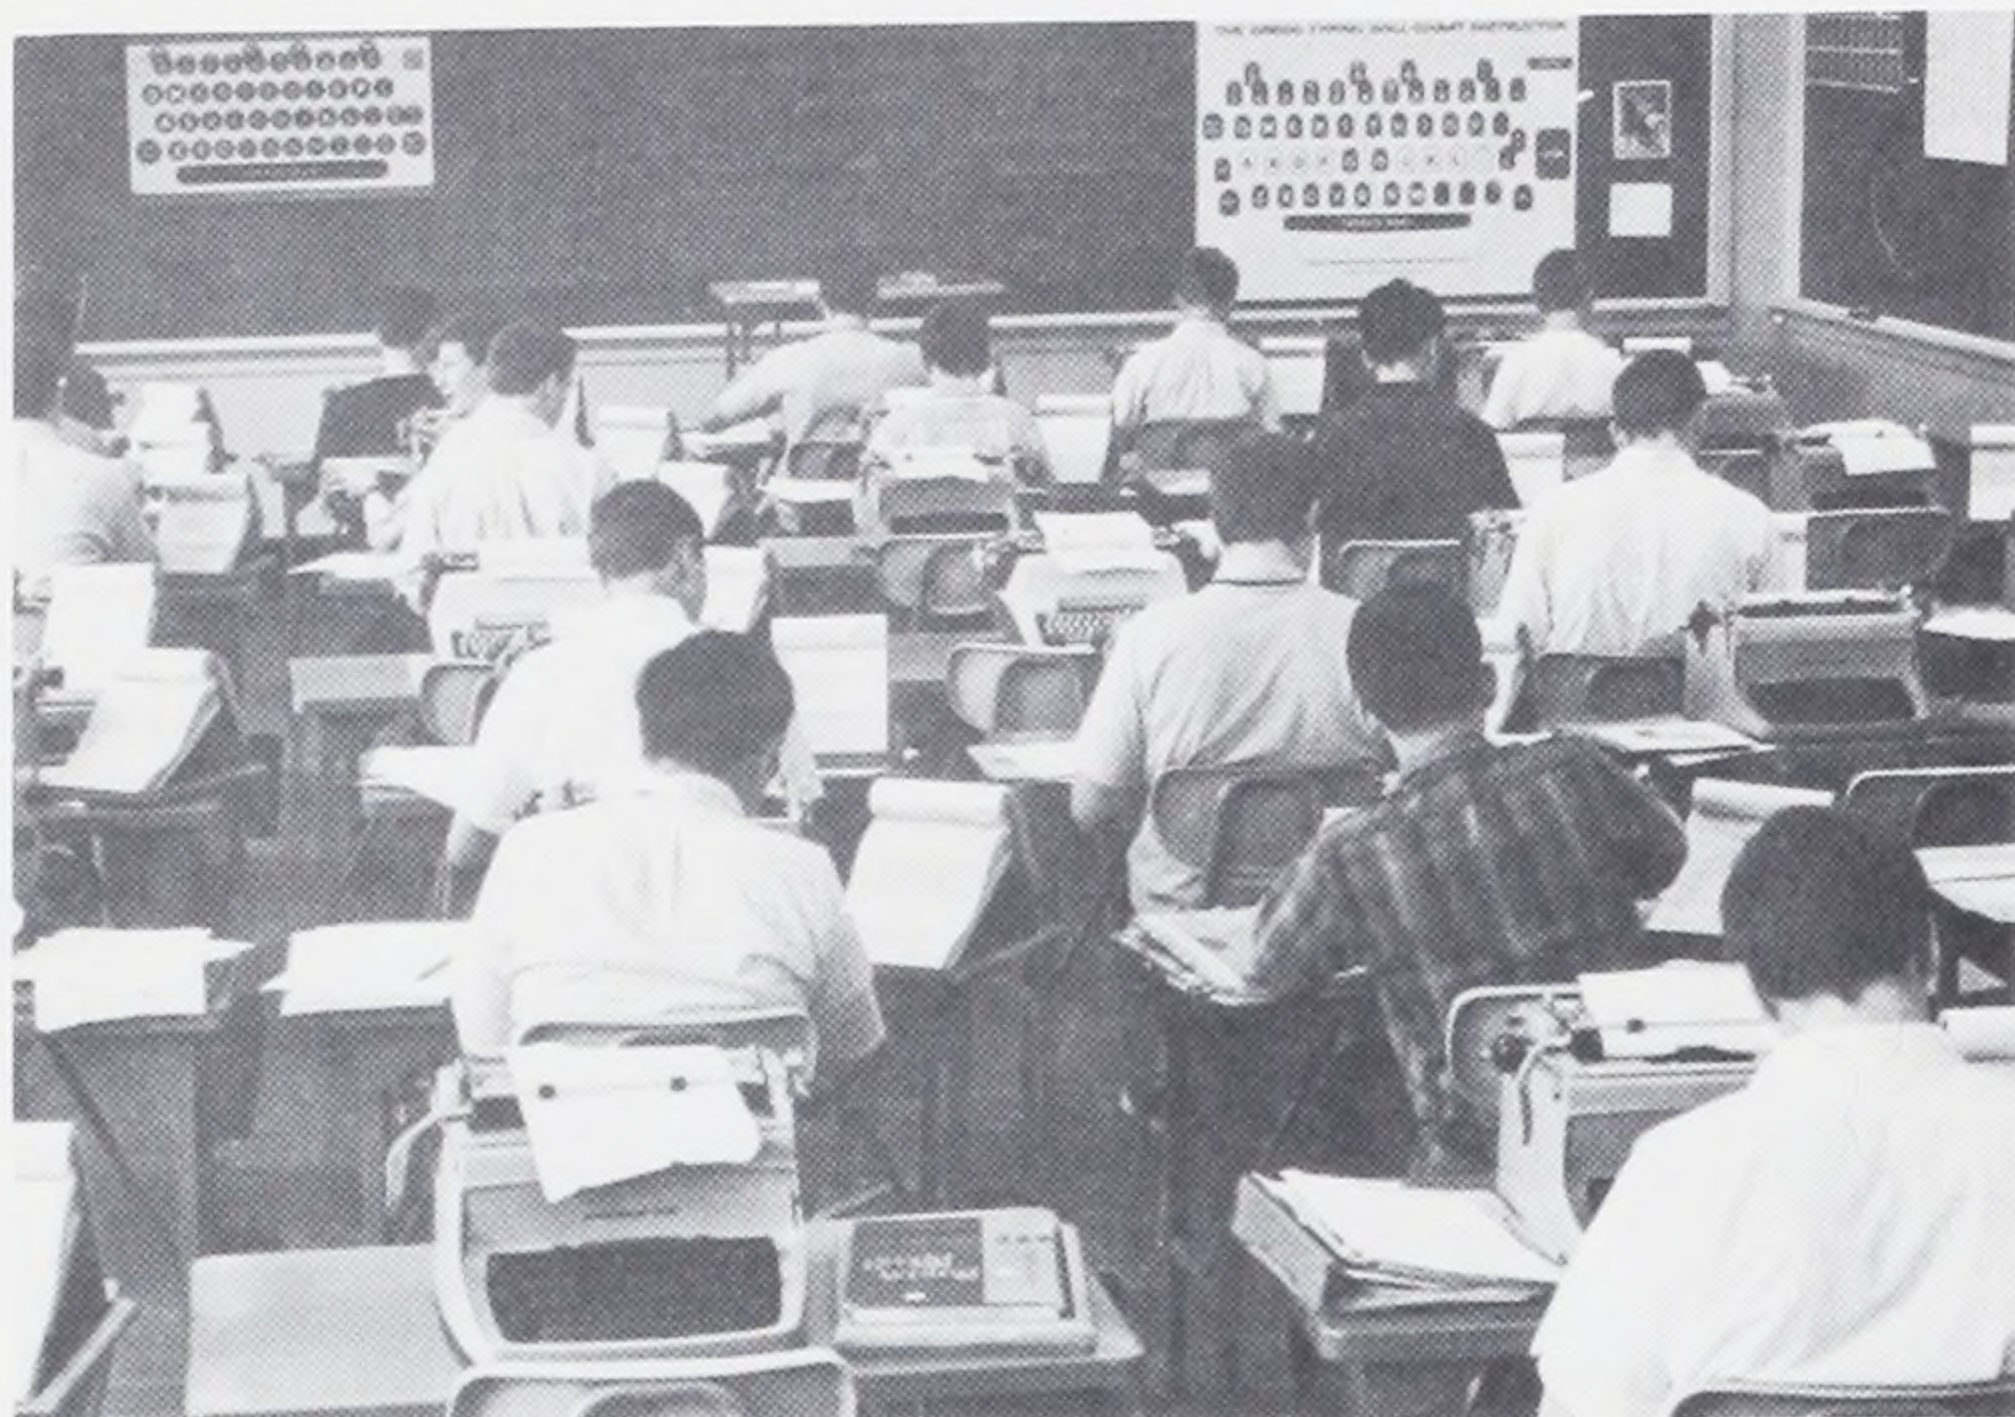

art

Clockwise from upper left: Benson art students are busy on one of their many interesting projects. Art instructor Mr. Donald Richardson prepares a film for one of his classes. Mr. Richardson is caught discussing the layout of an assignment with several students. Here we have proof that all art students are not constantly drawing and creating, many students find time for reading too.

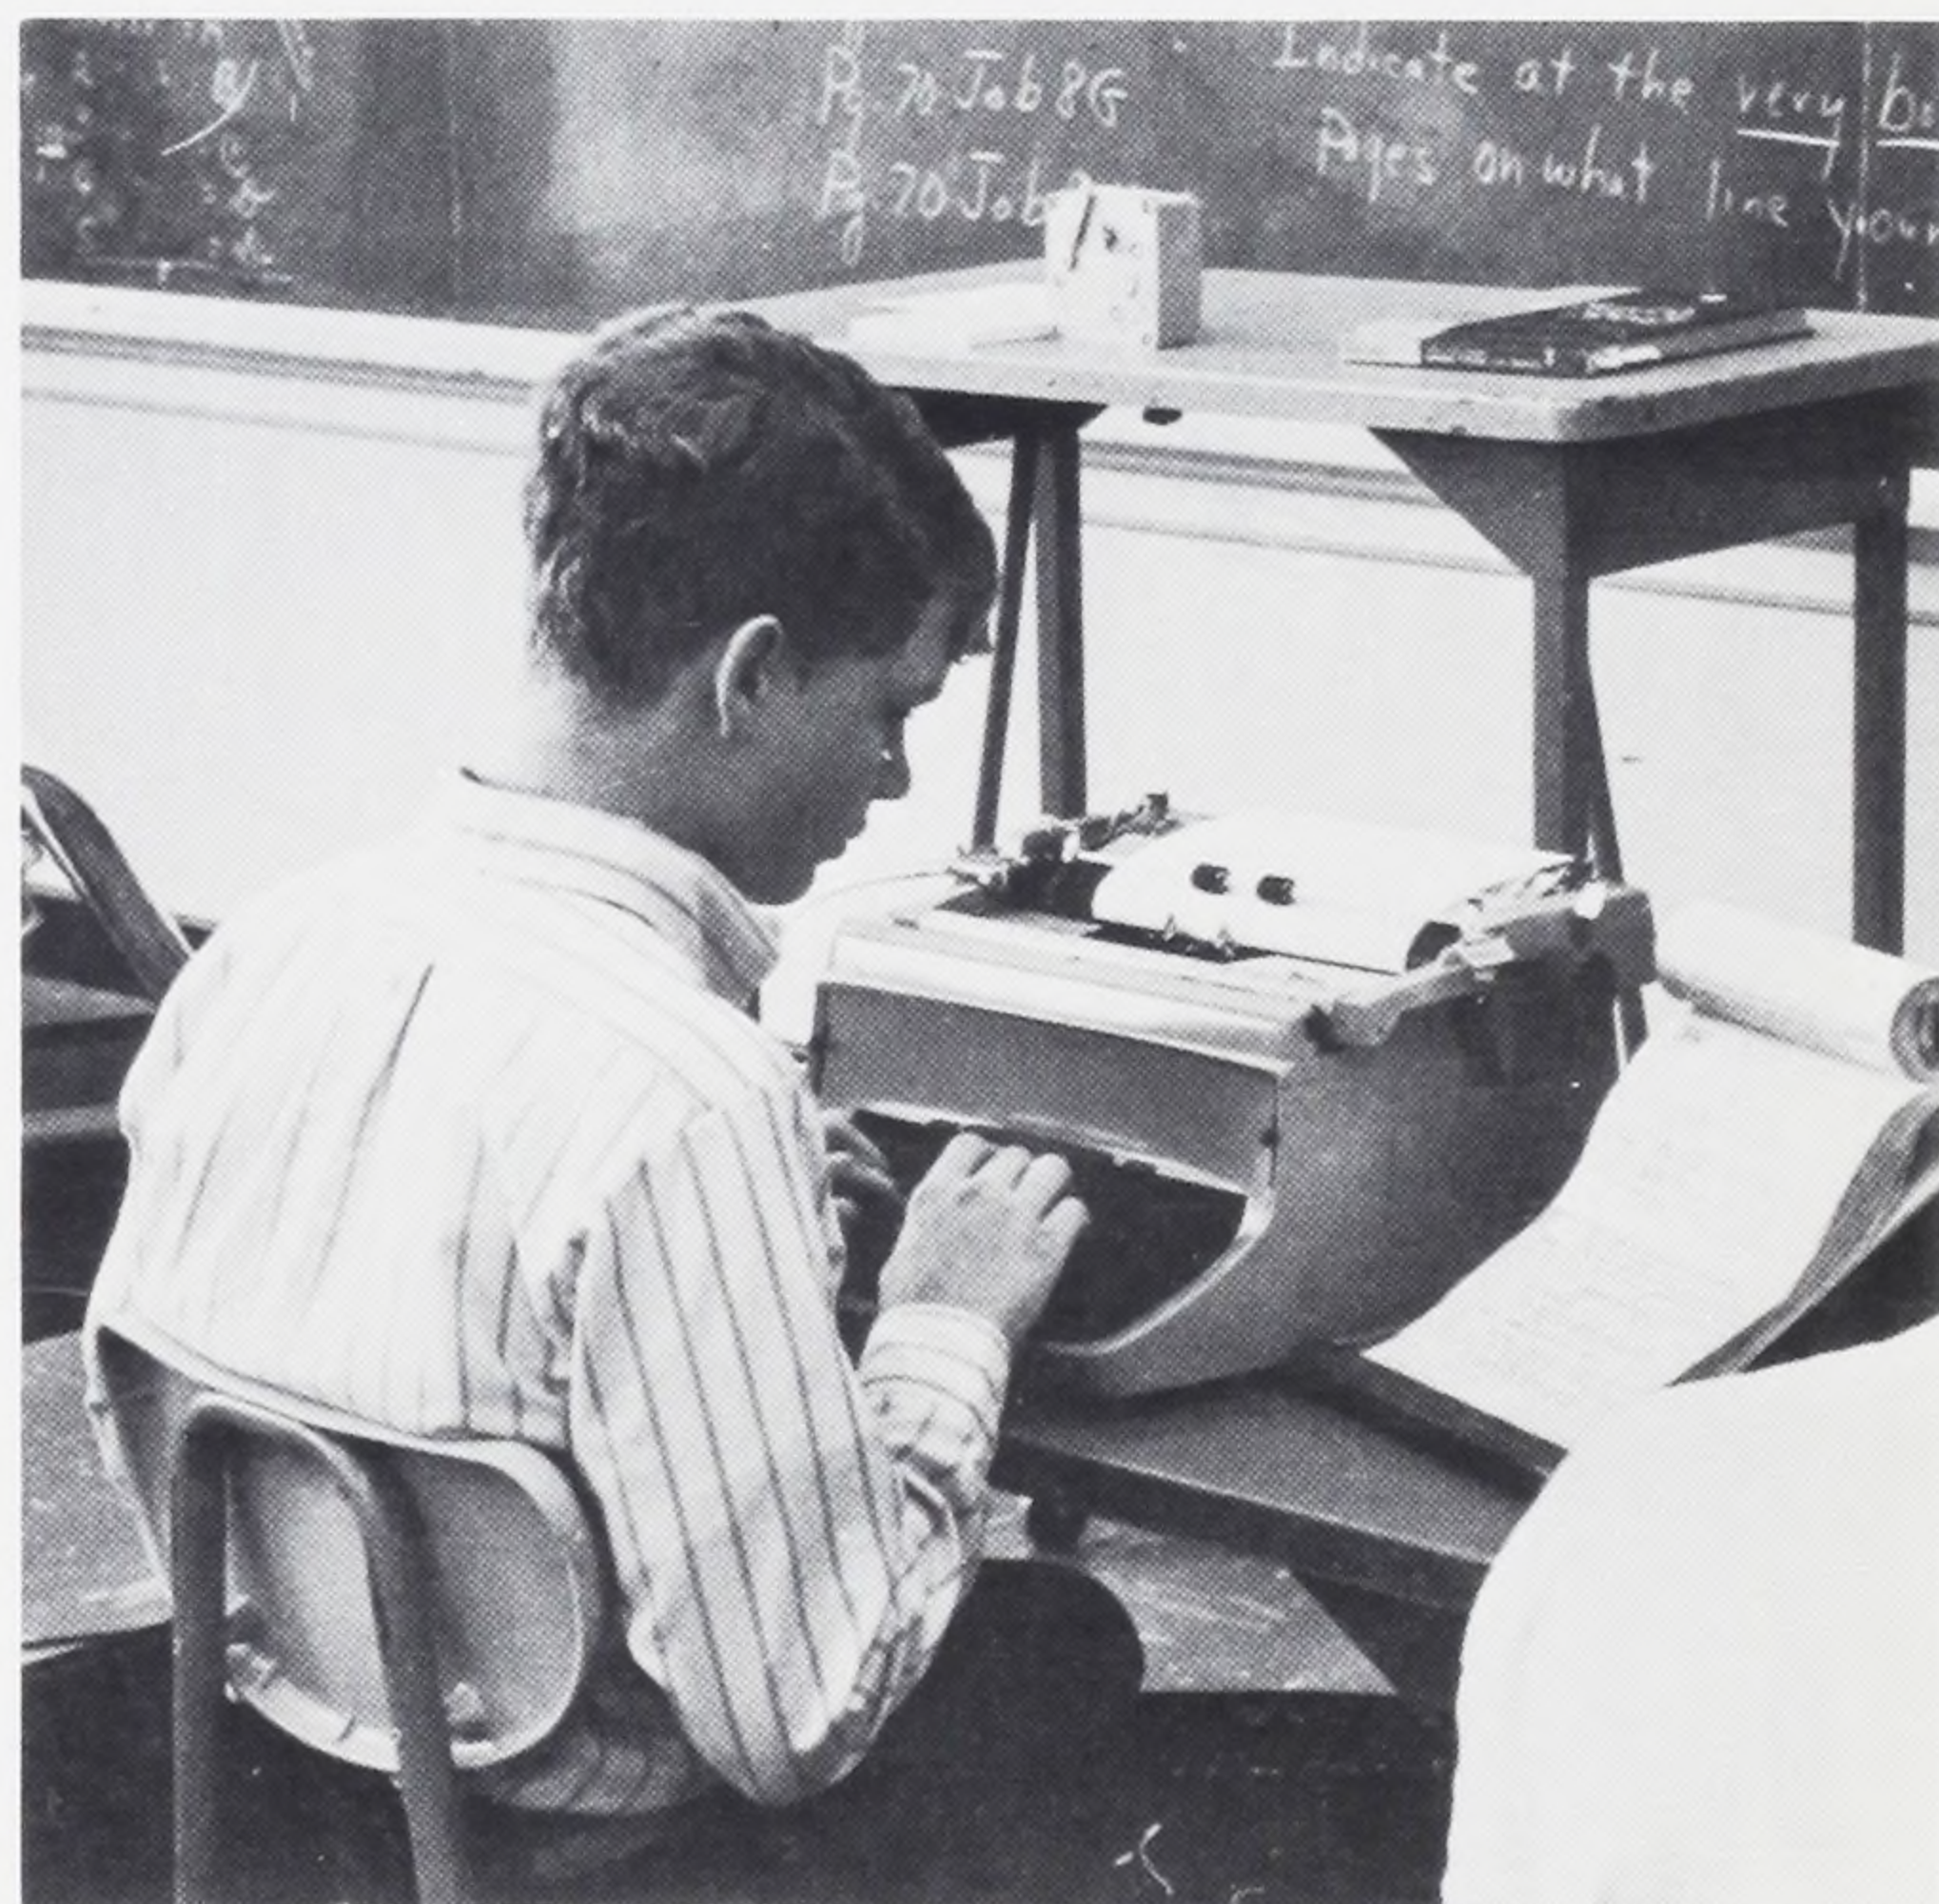

15

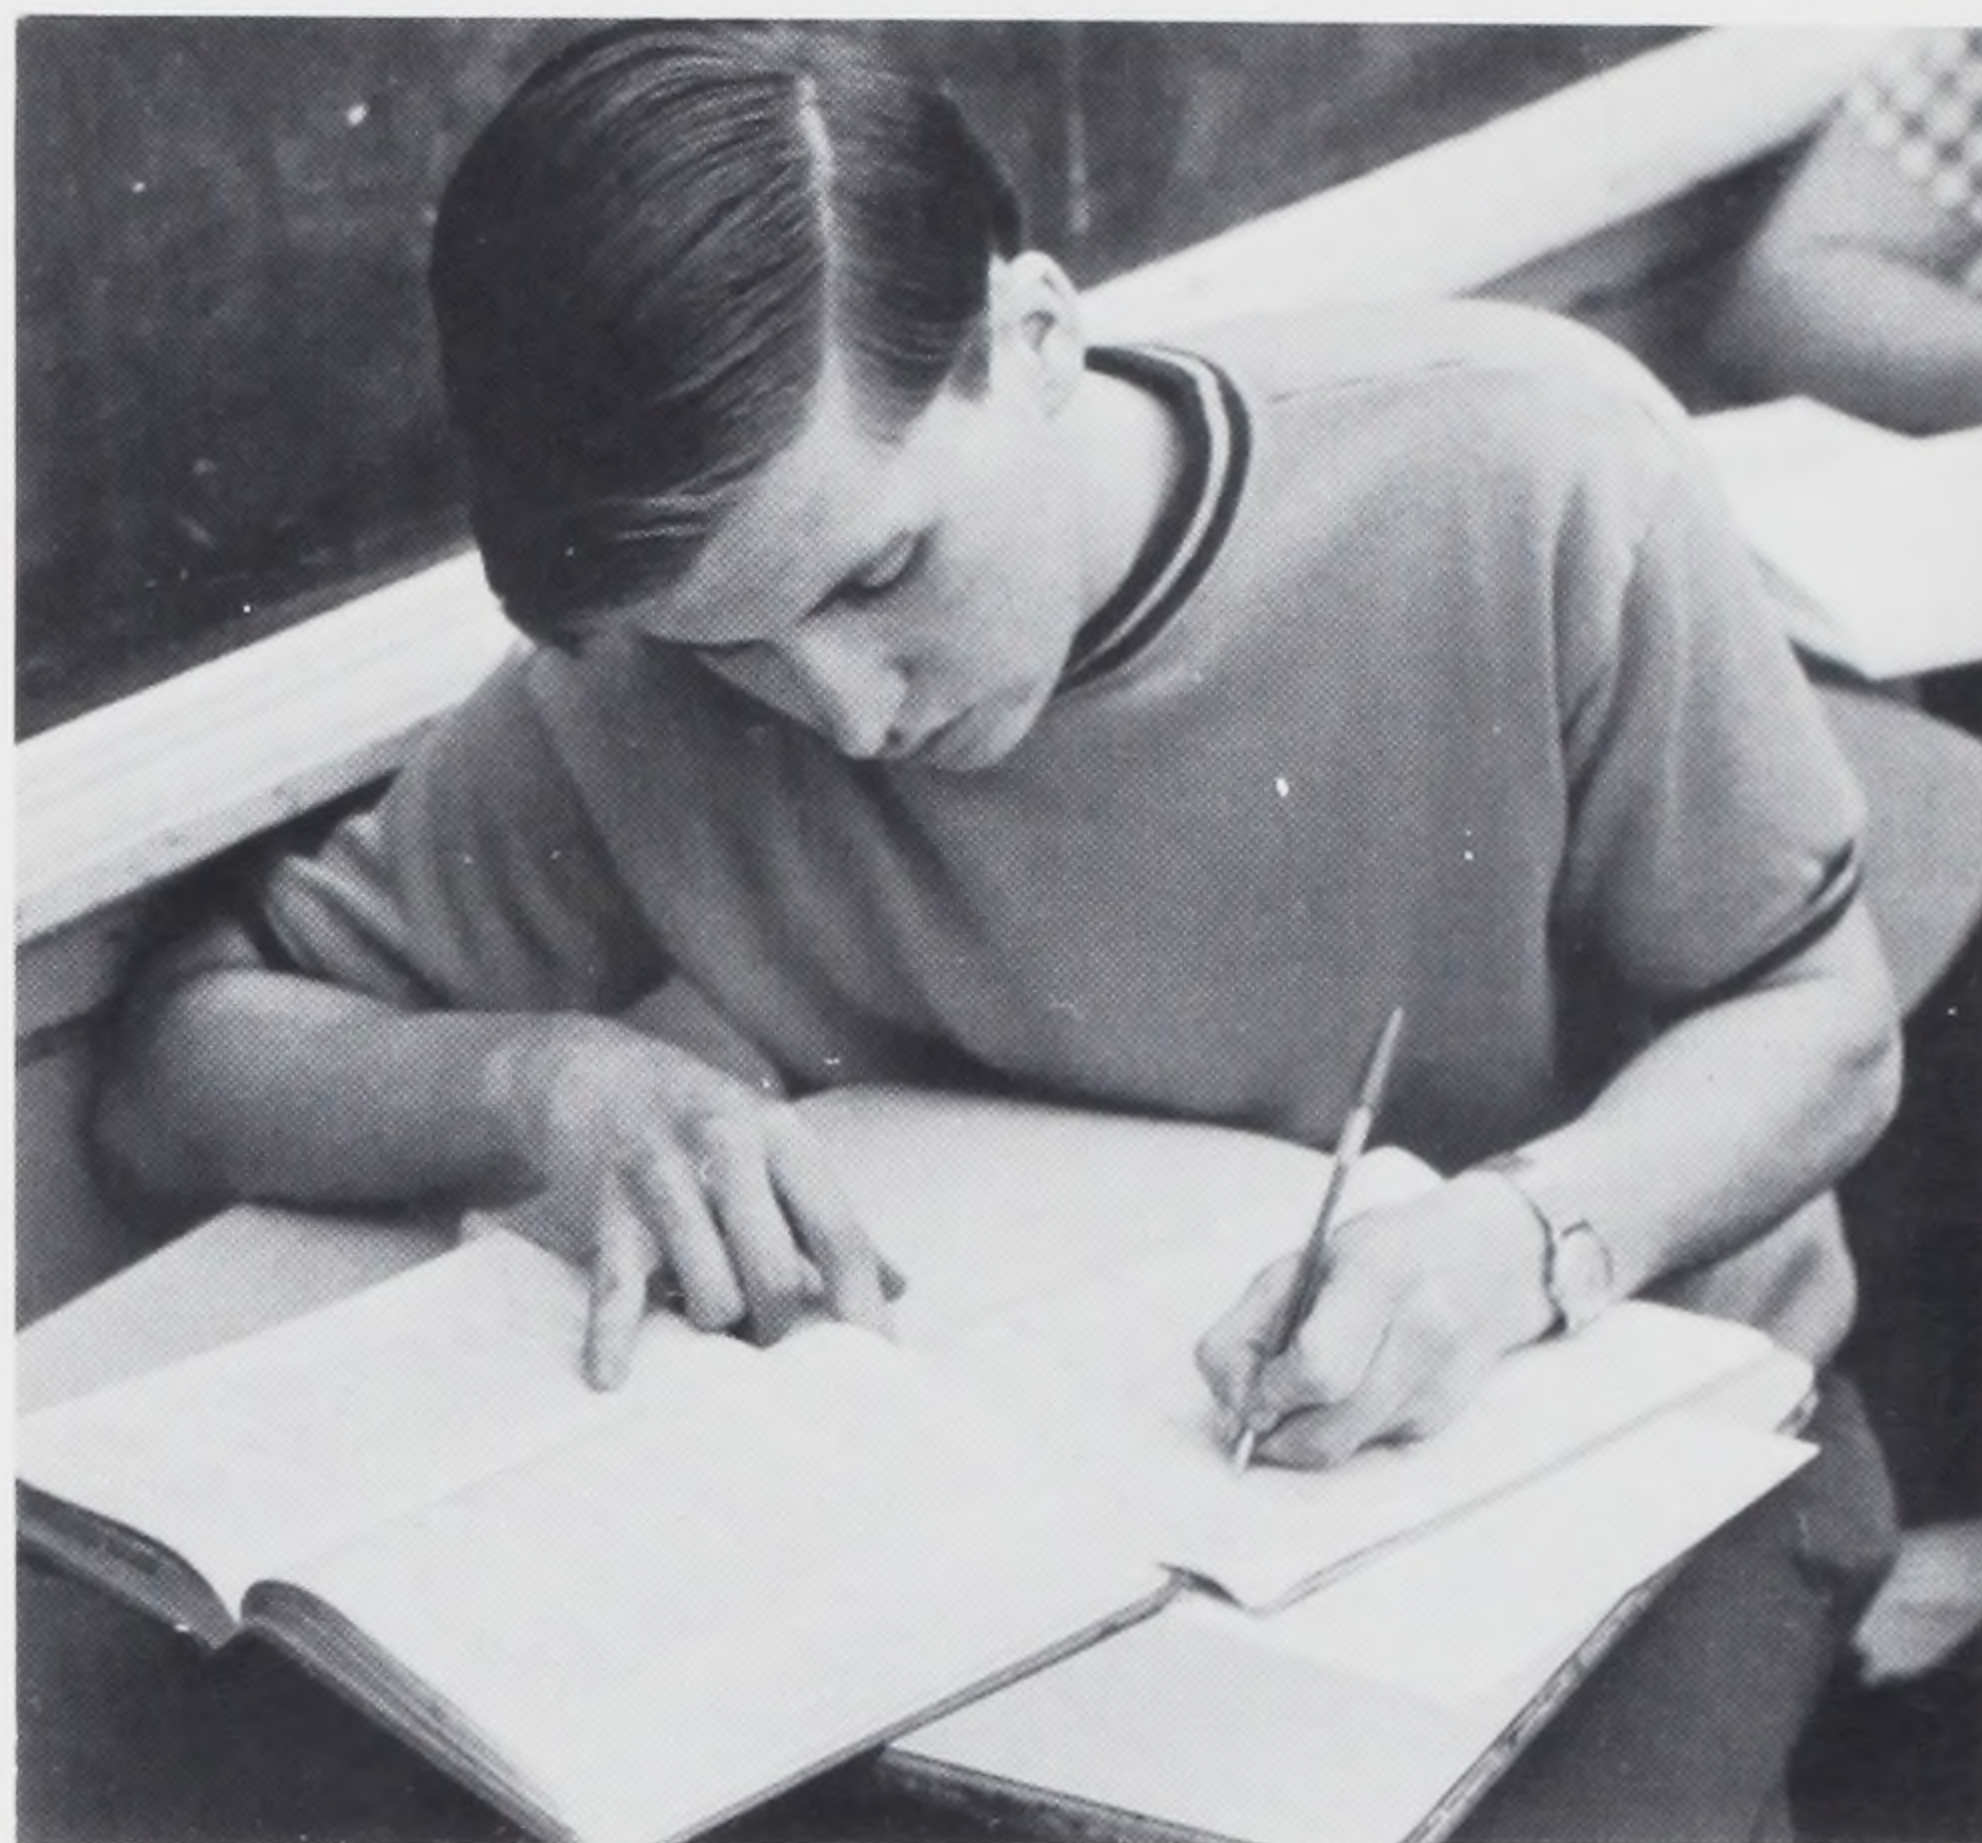

typing

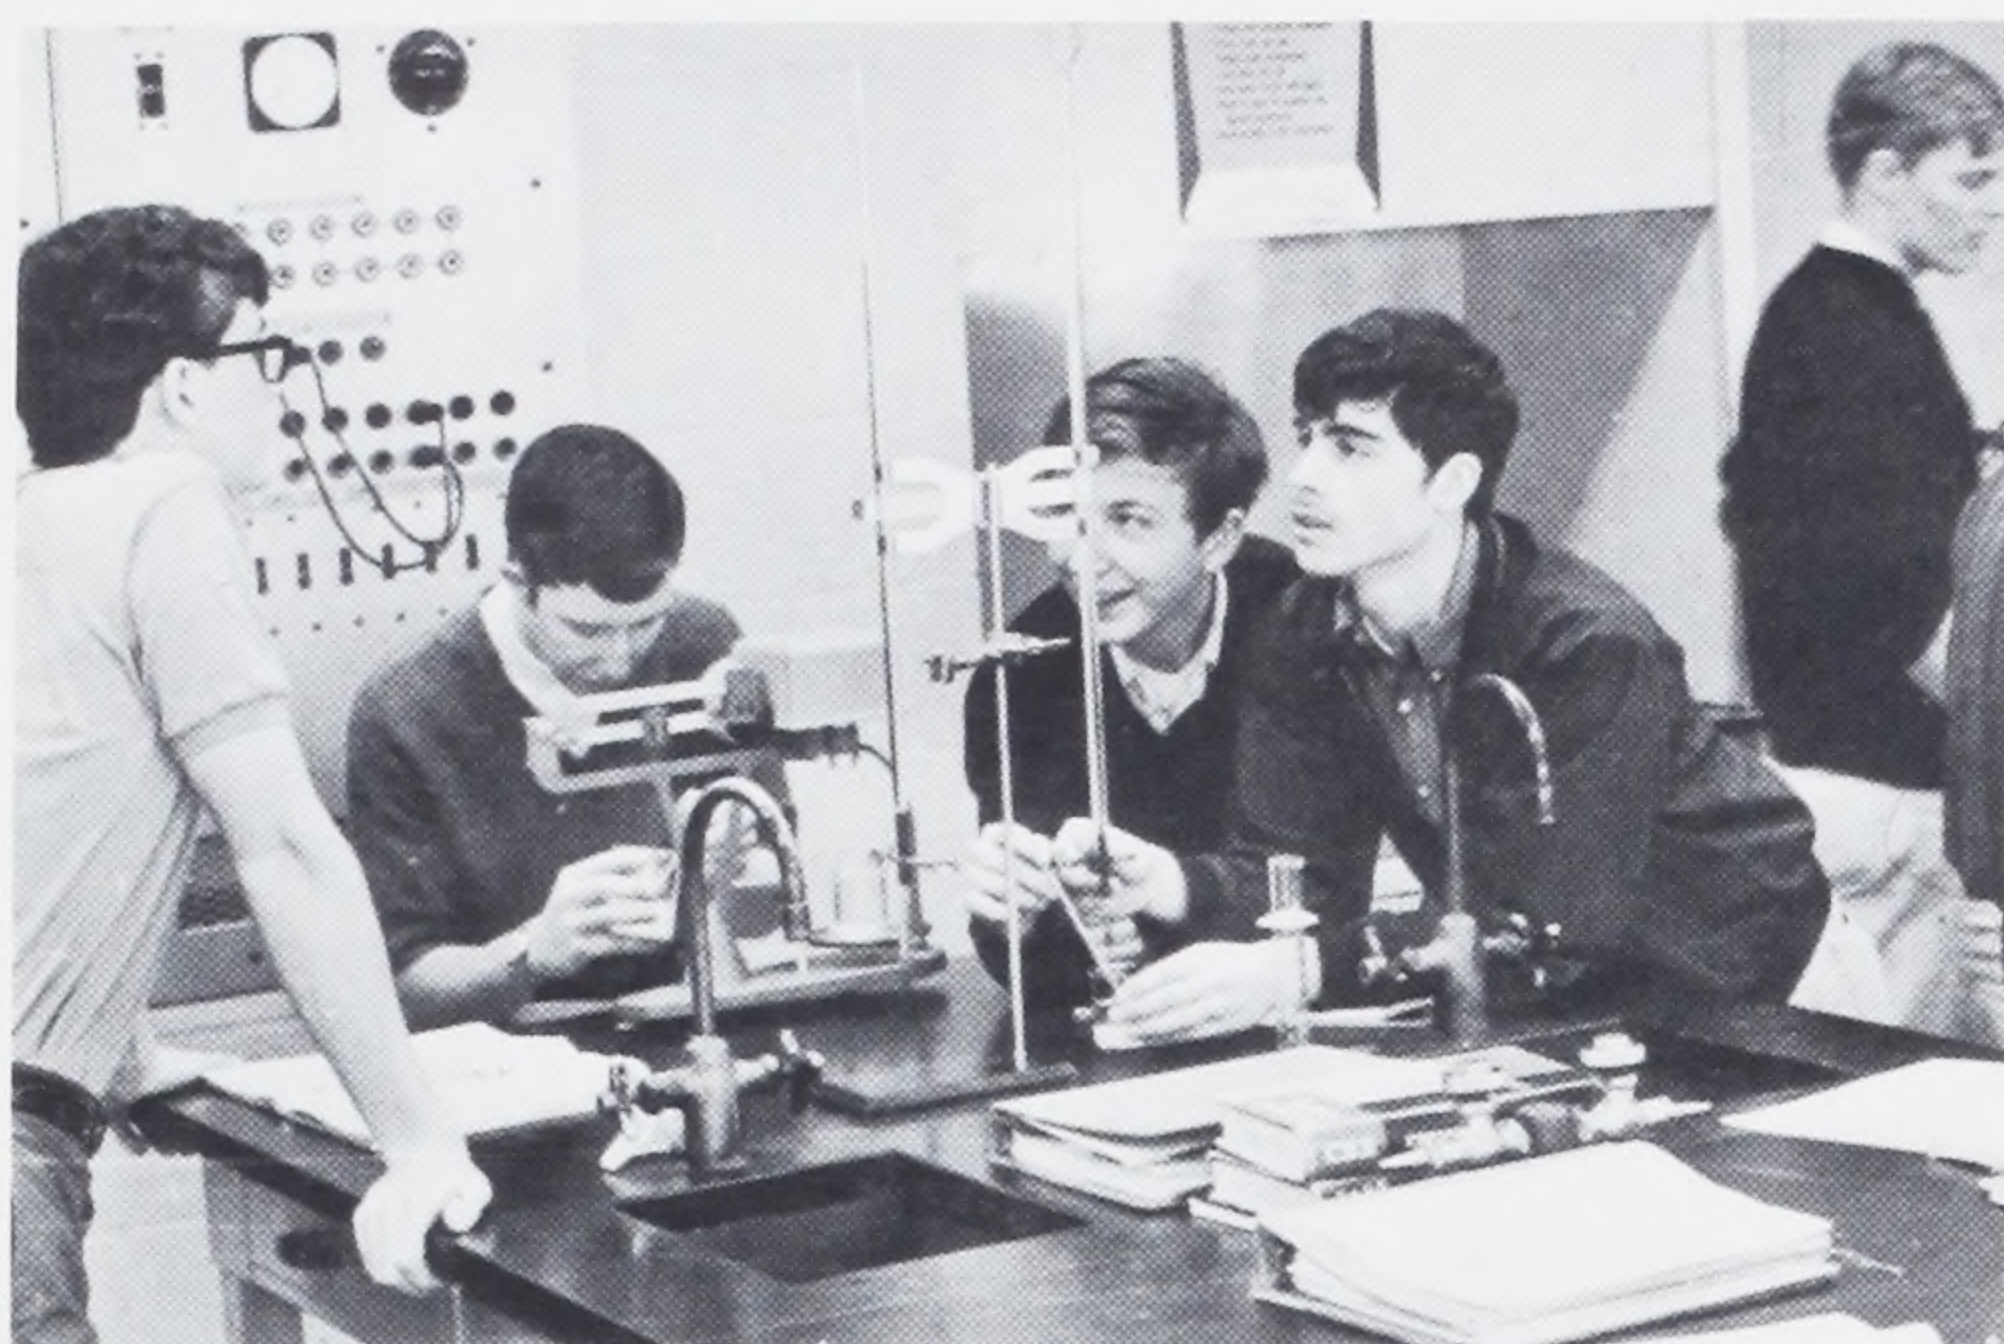

Clockwise from upper left: Typing students are timed at many of the assignments they do to help them type with speed and accuracy. Rouke Vanderveen demonstrates his skill and ability at typing. Typing student displaying his technique during a time-write period. Typing is one class at Benson that is usually overcrowded with students wishing to learn the techniques of typing with speed and without error.

general business

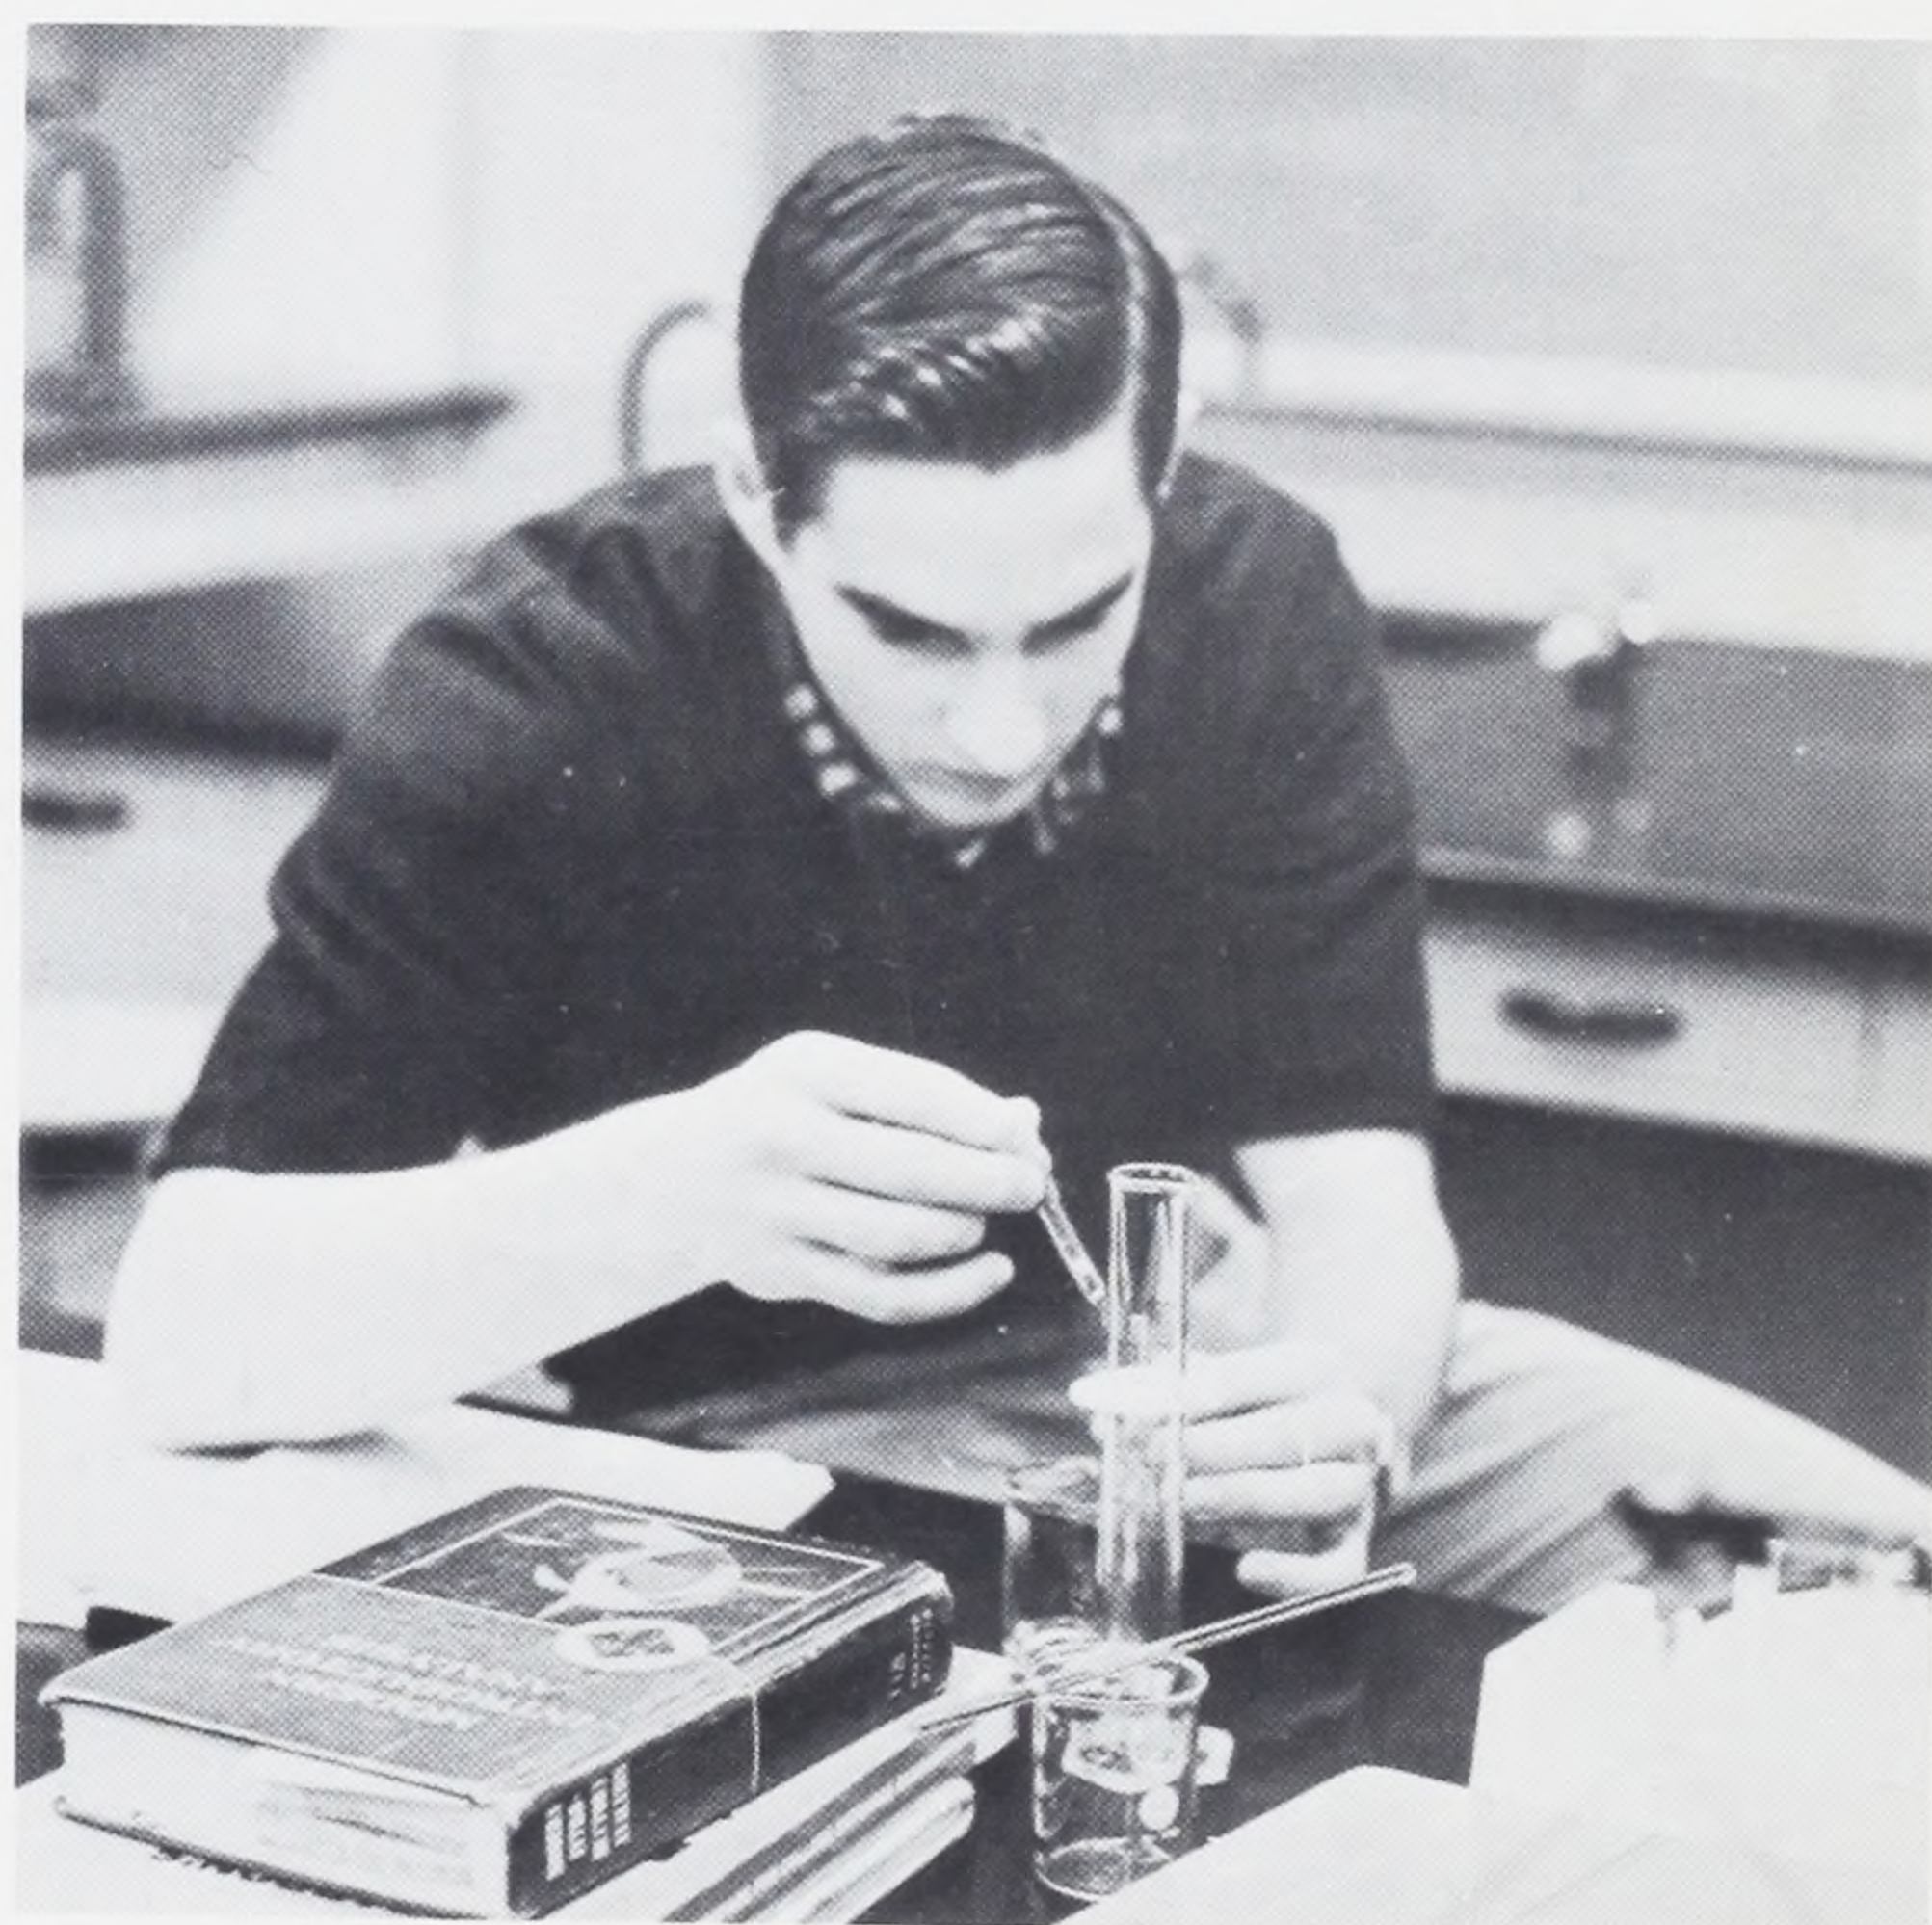

Clockwise from bottom right: General Business involves a large amount of classroom work illustrated by this hardworking student. Mrs. Margaret Tonsfeldt smiles for camera while charming her class with an assignment. Students engrossed in an assignment.

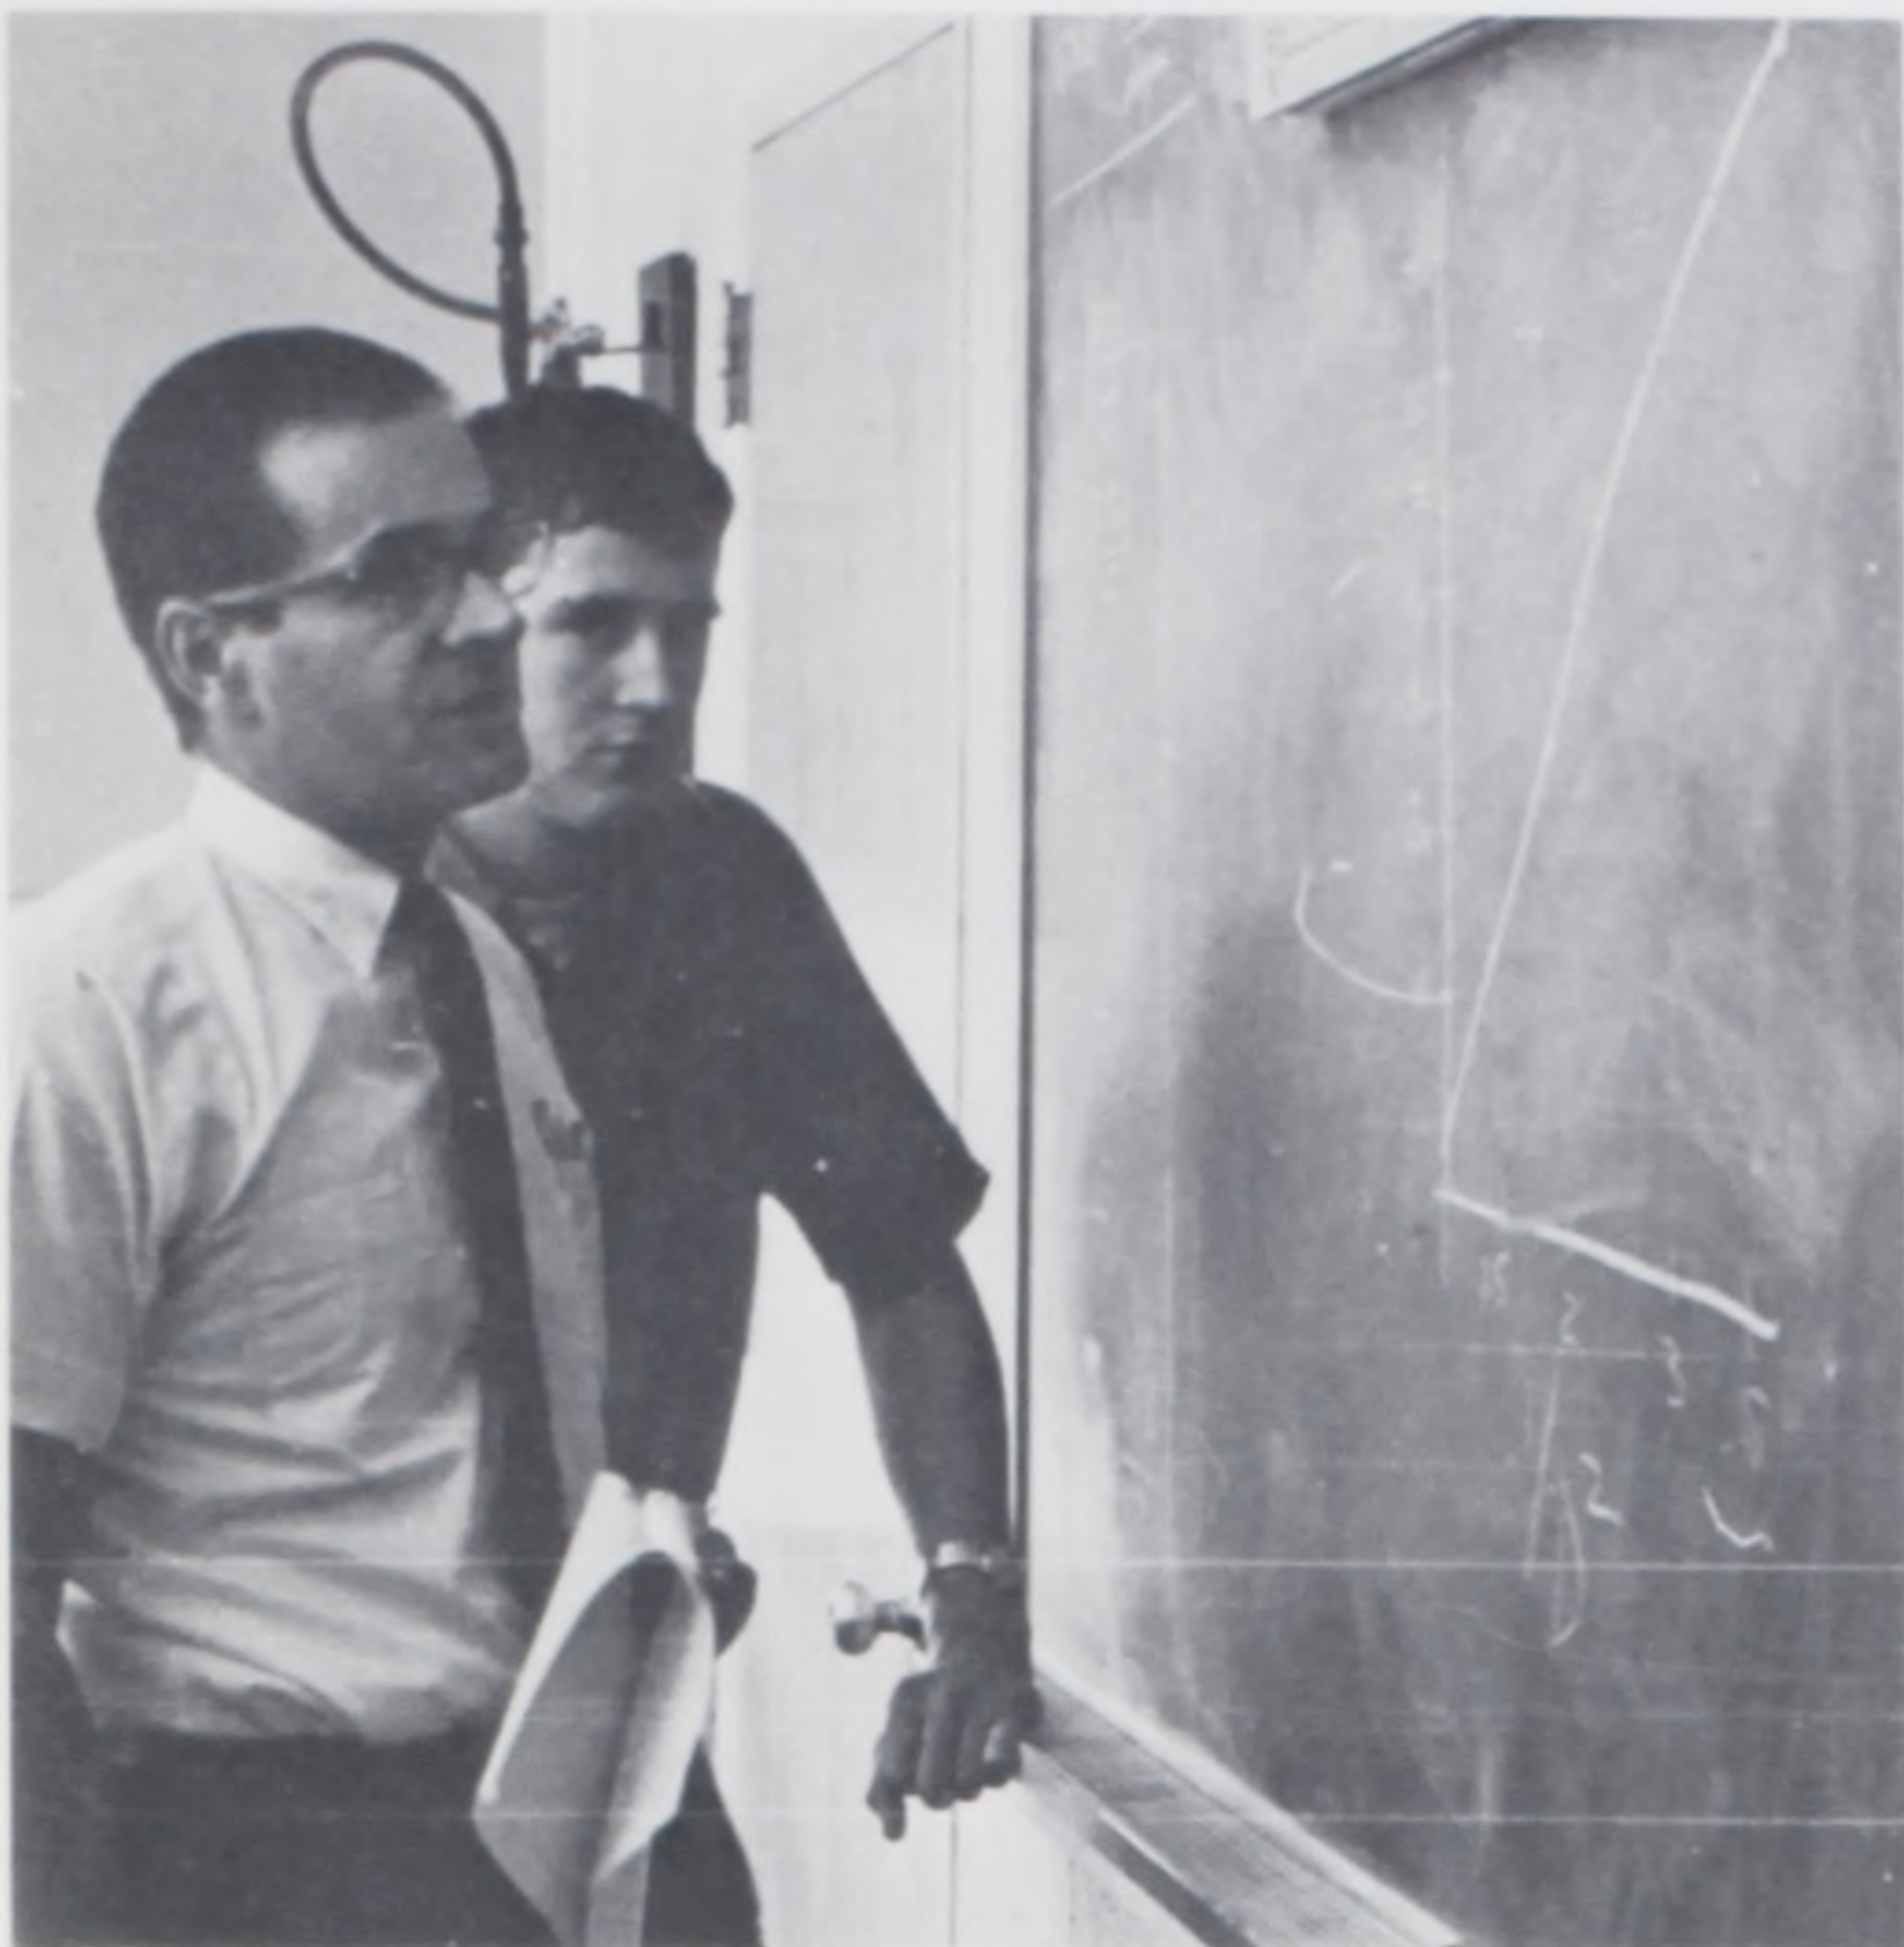

chemistry

Clockwise from upper left: Neil Davidson, Ronald Sturdevant, Larry Eikenberry, and George Peake work on a chemistry experiment. Mr. Reuben Fischer illustrates the correct way of using a slide rule to one of his students. Chemistry student Bruce Foster takes a great deal of time to mix chemicals in exact proportion.

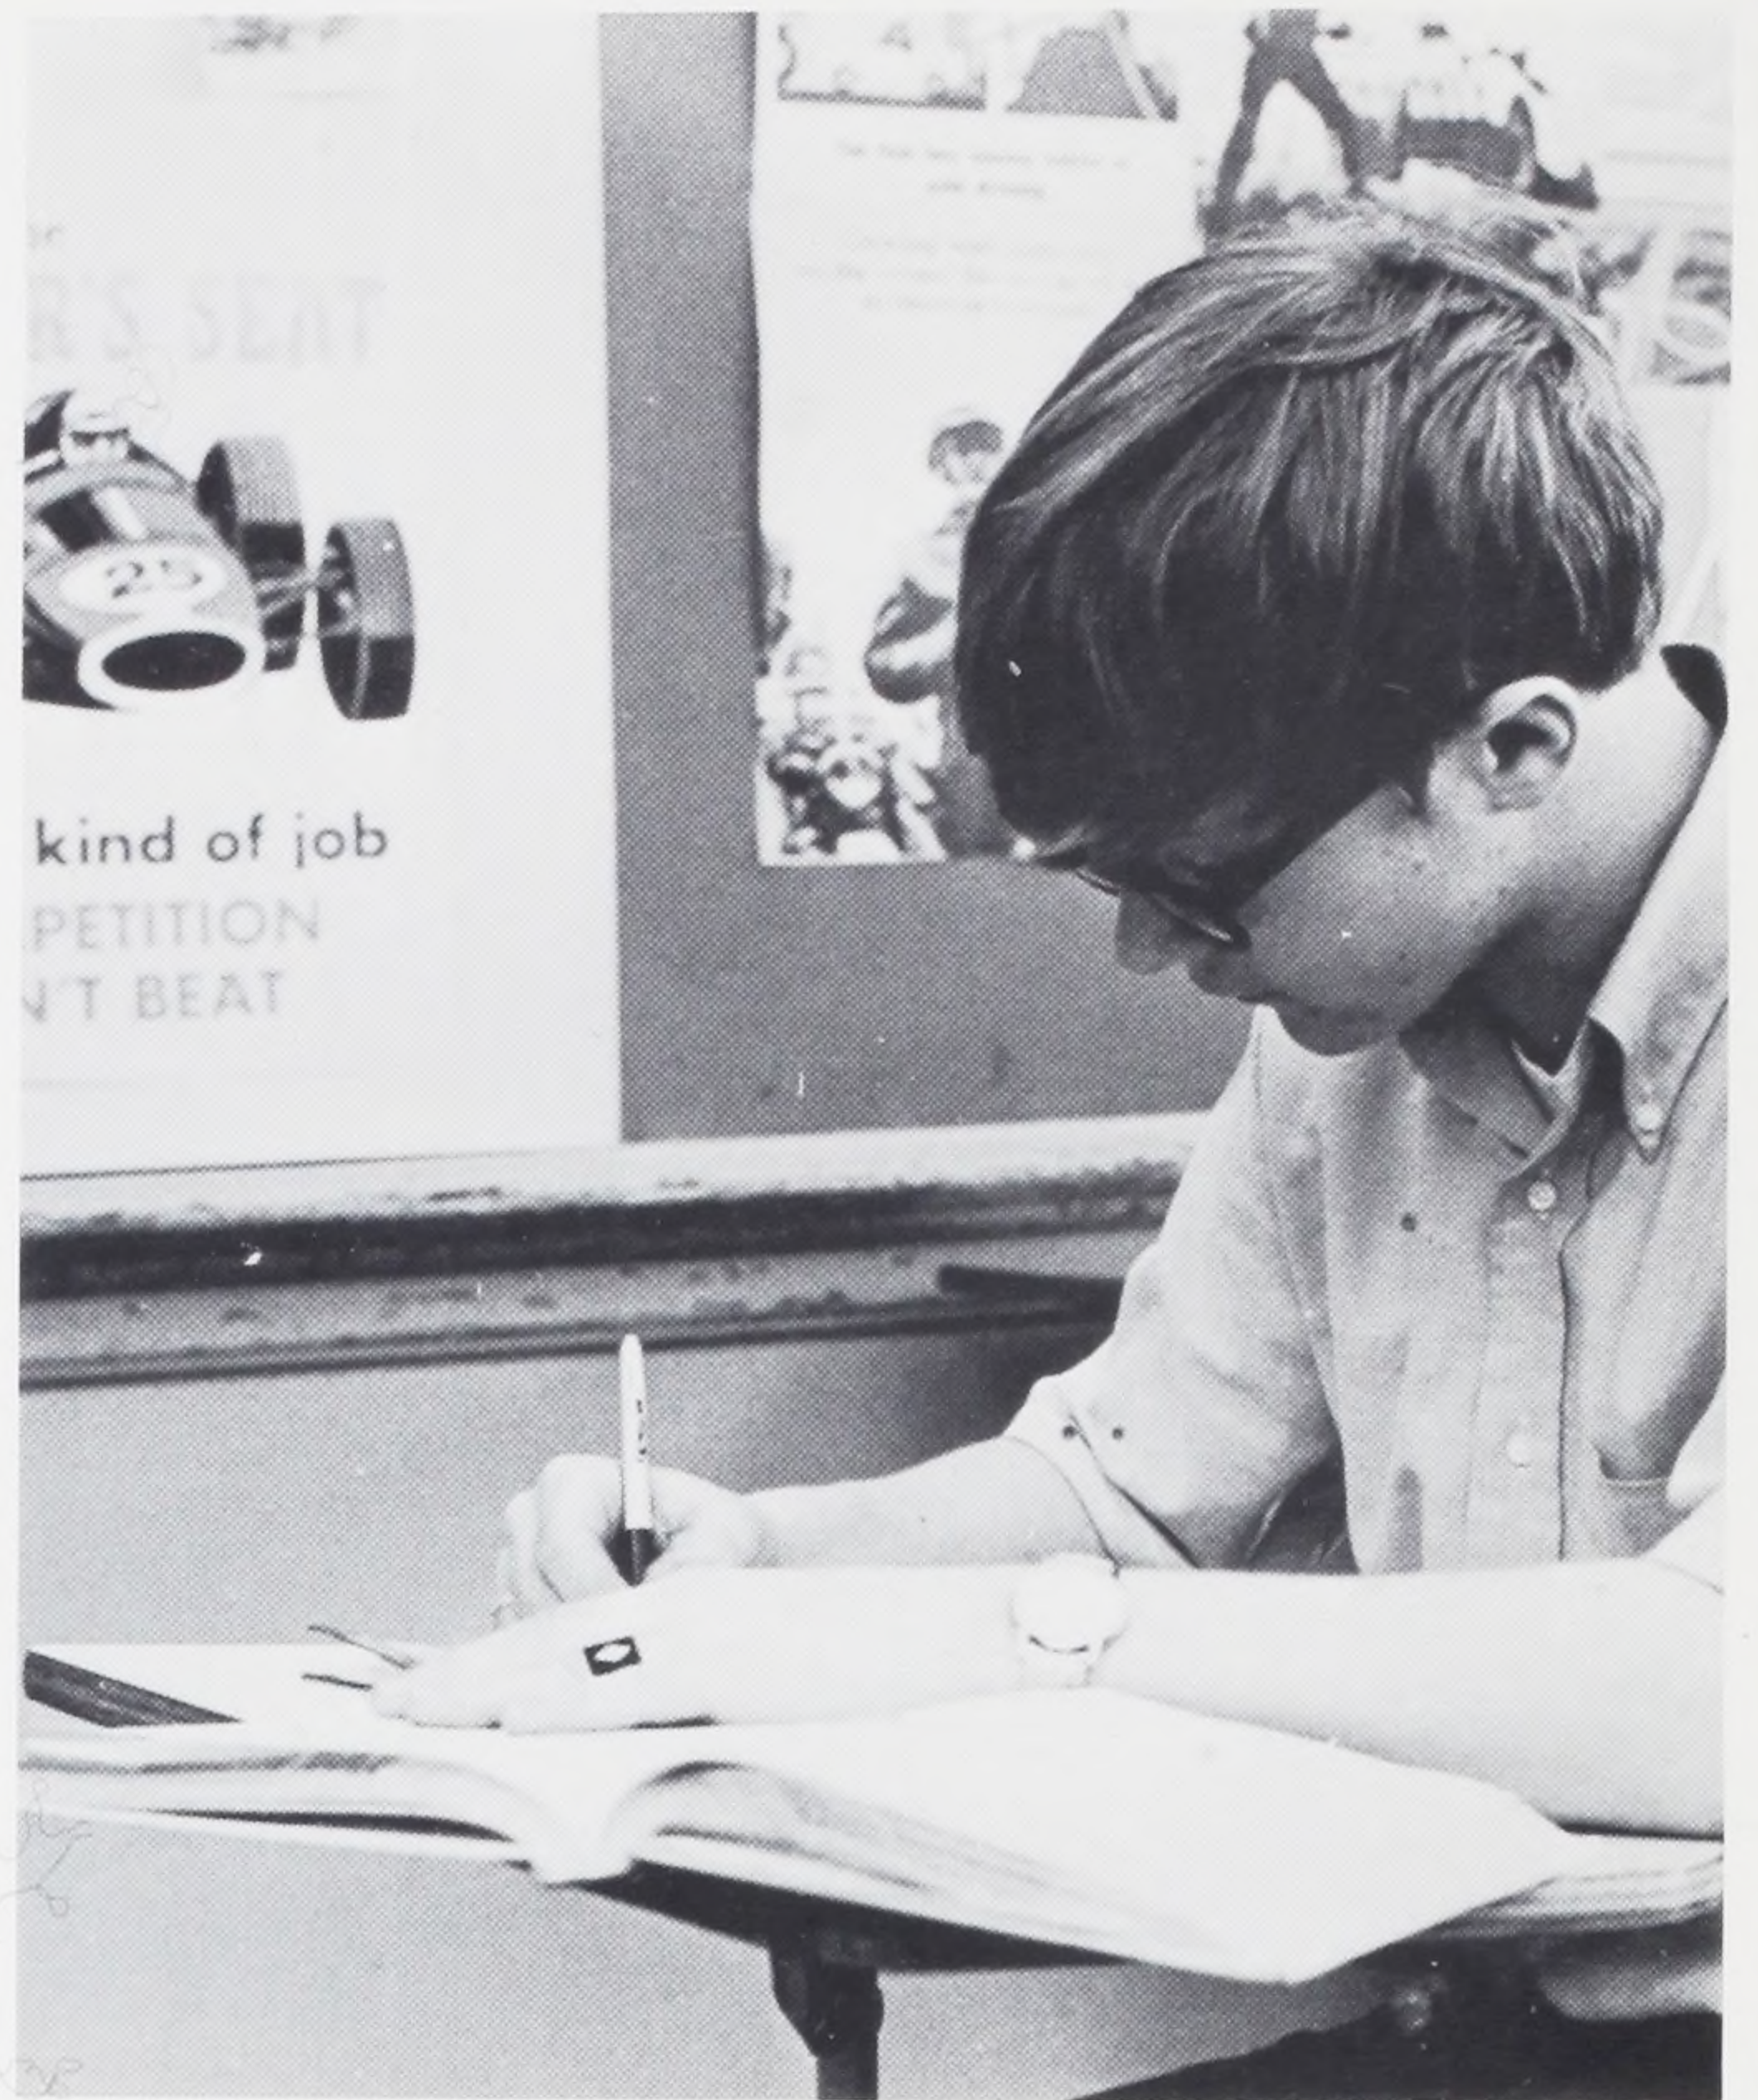

Clockwise from bottom right: Mr. Michael Lopez biology instructor helps student with one of his experiments. Mr. Erlenbusch biology teacher explains an assignment to the class while a student listens in uninterested. Science instructor Mr. Bart Chase explains an assignment to one of his students on graphing.

biology

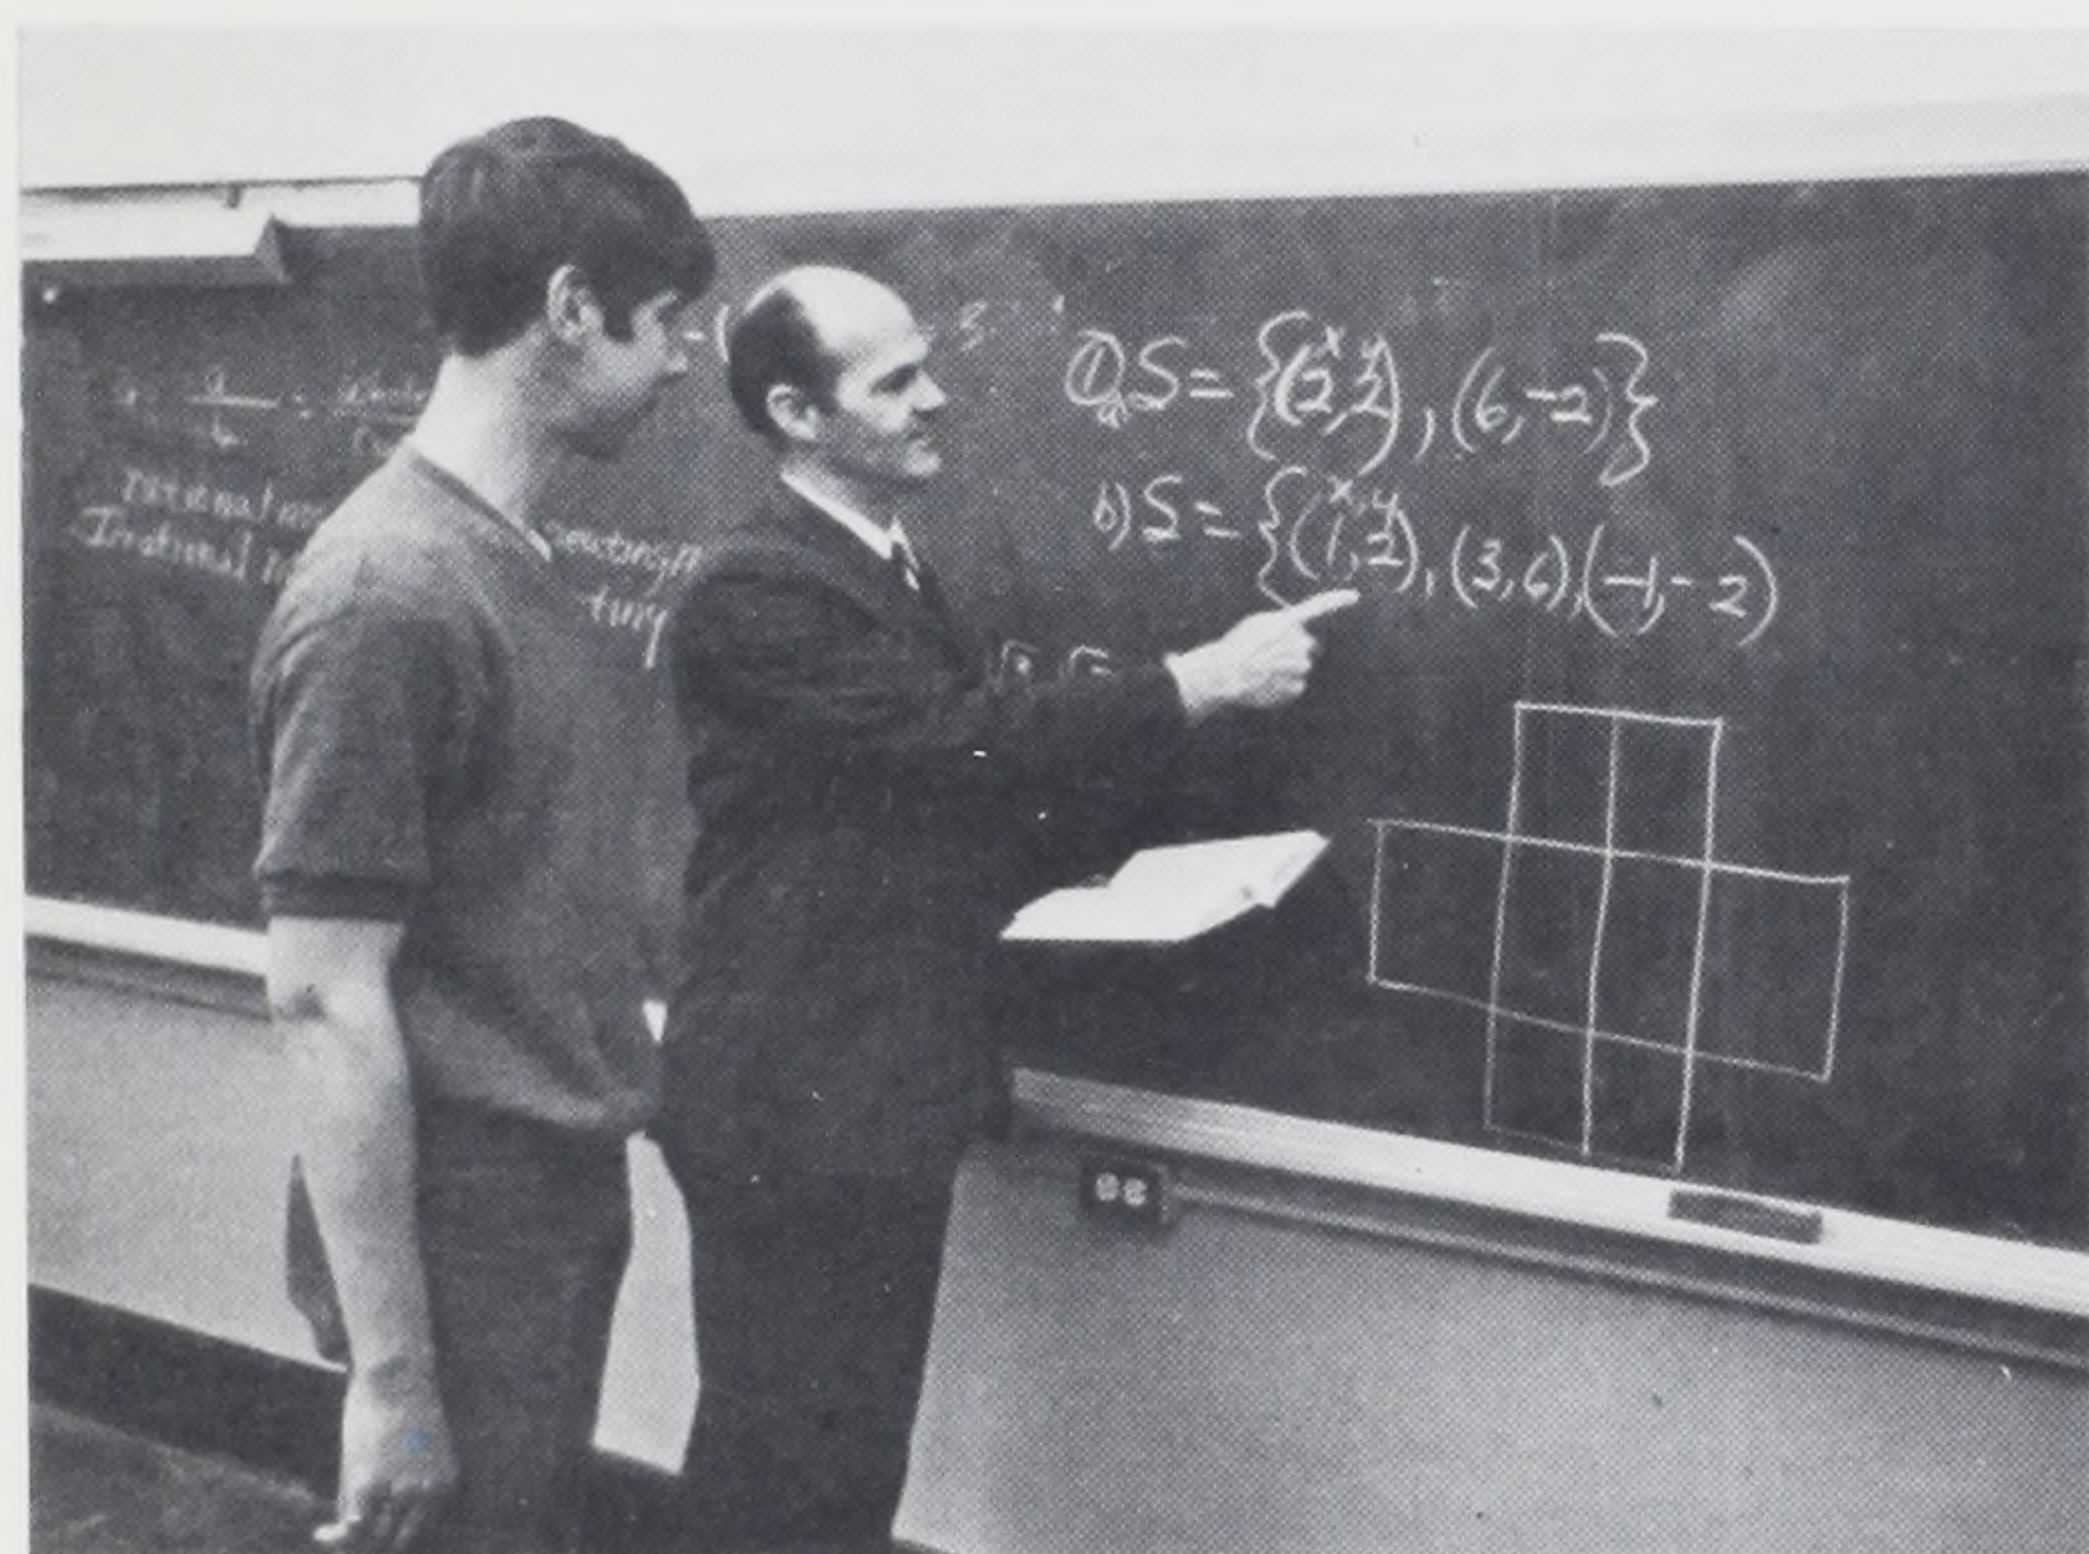

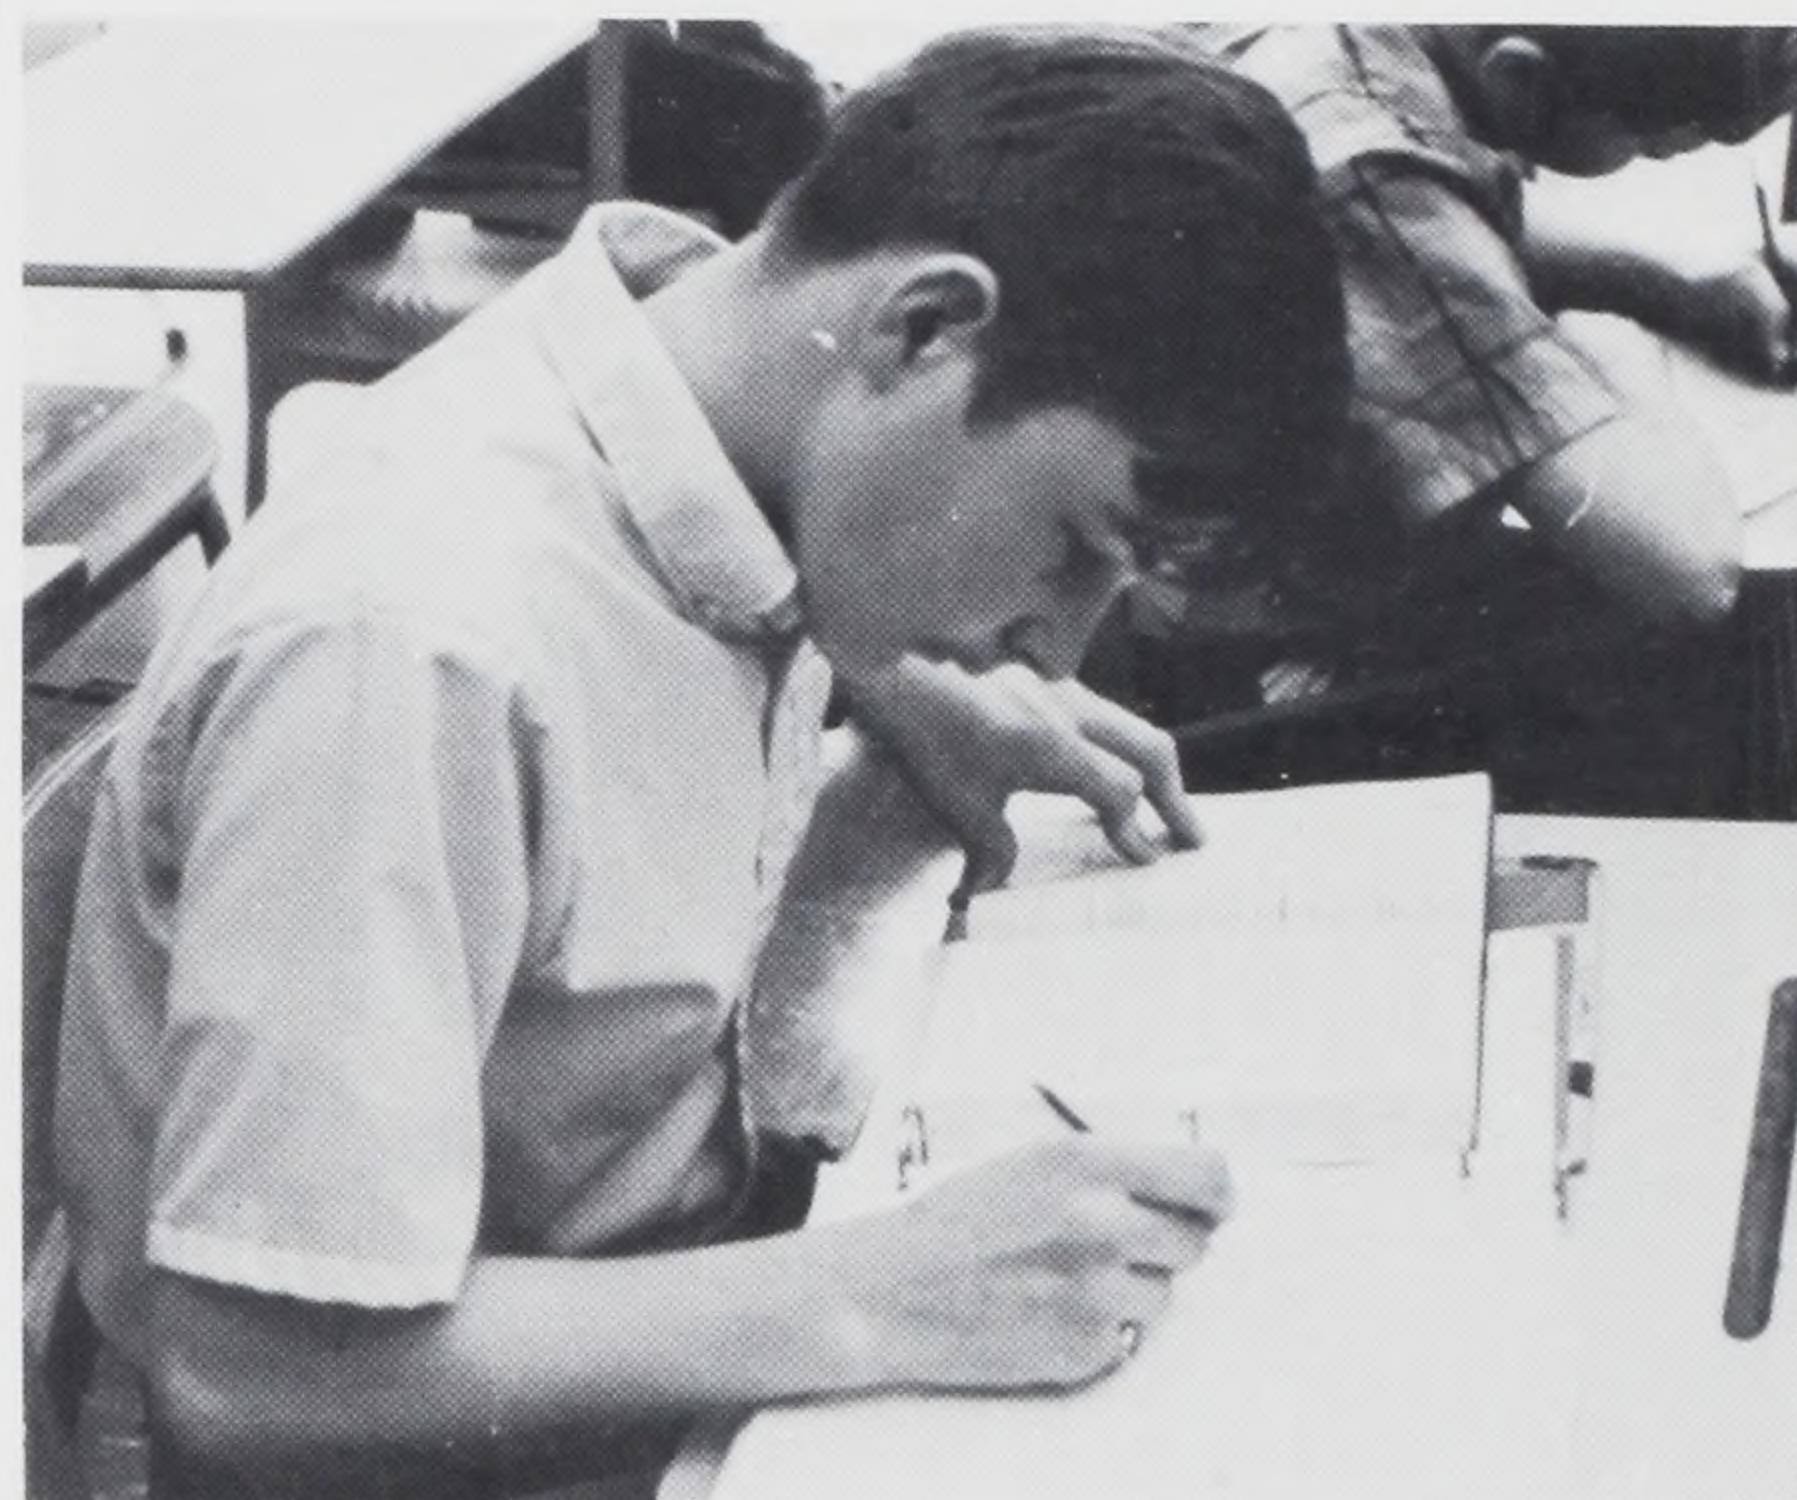

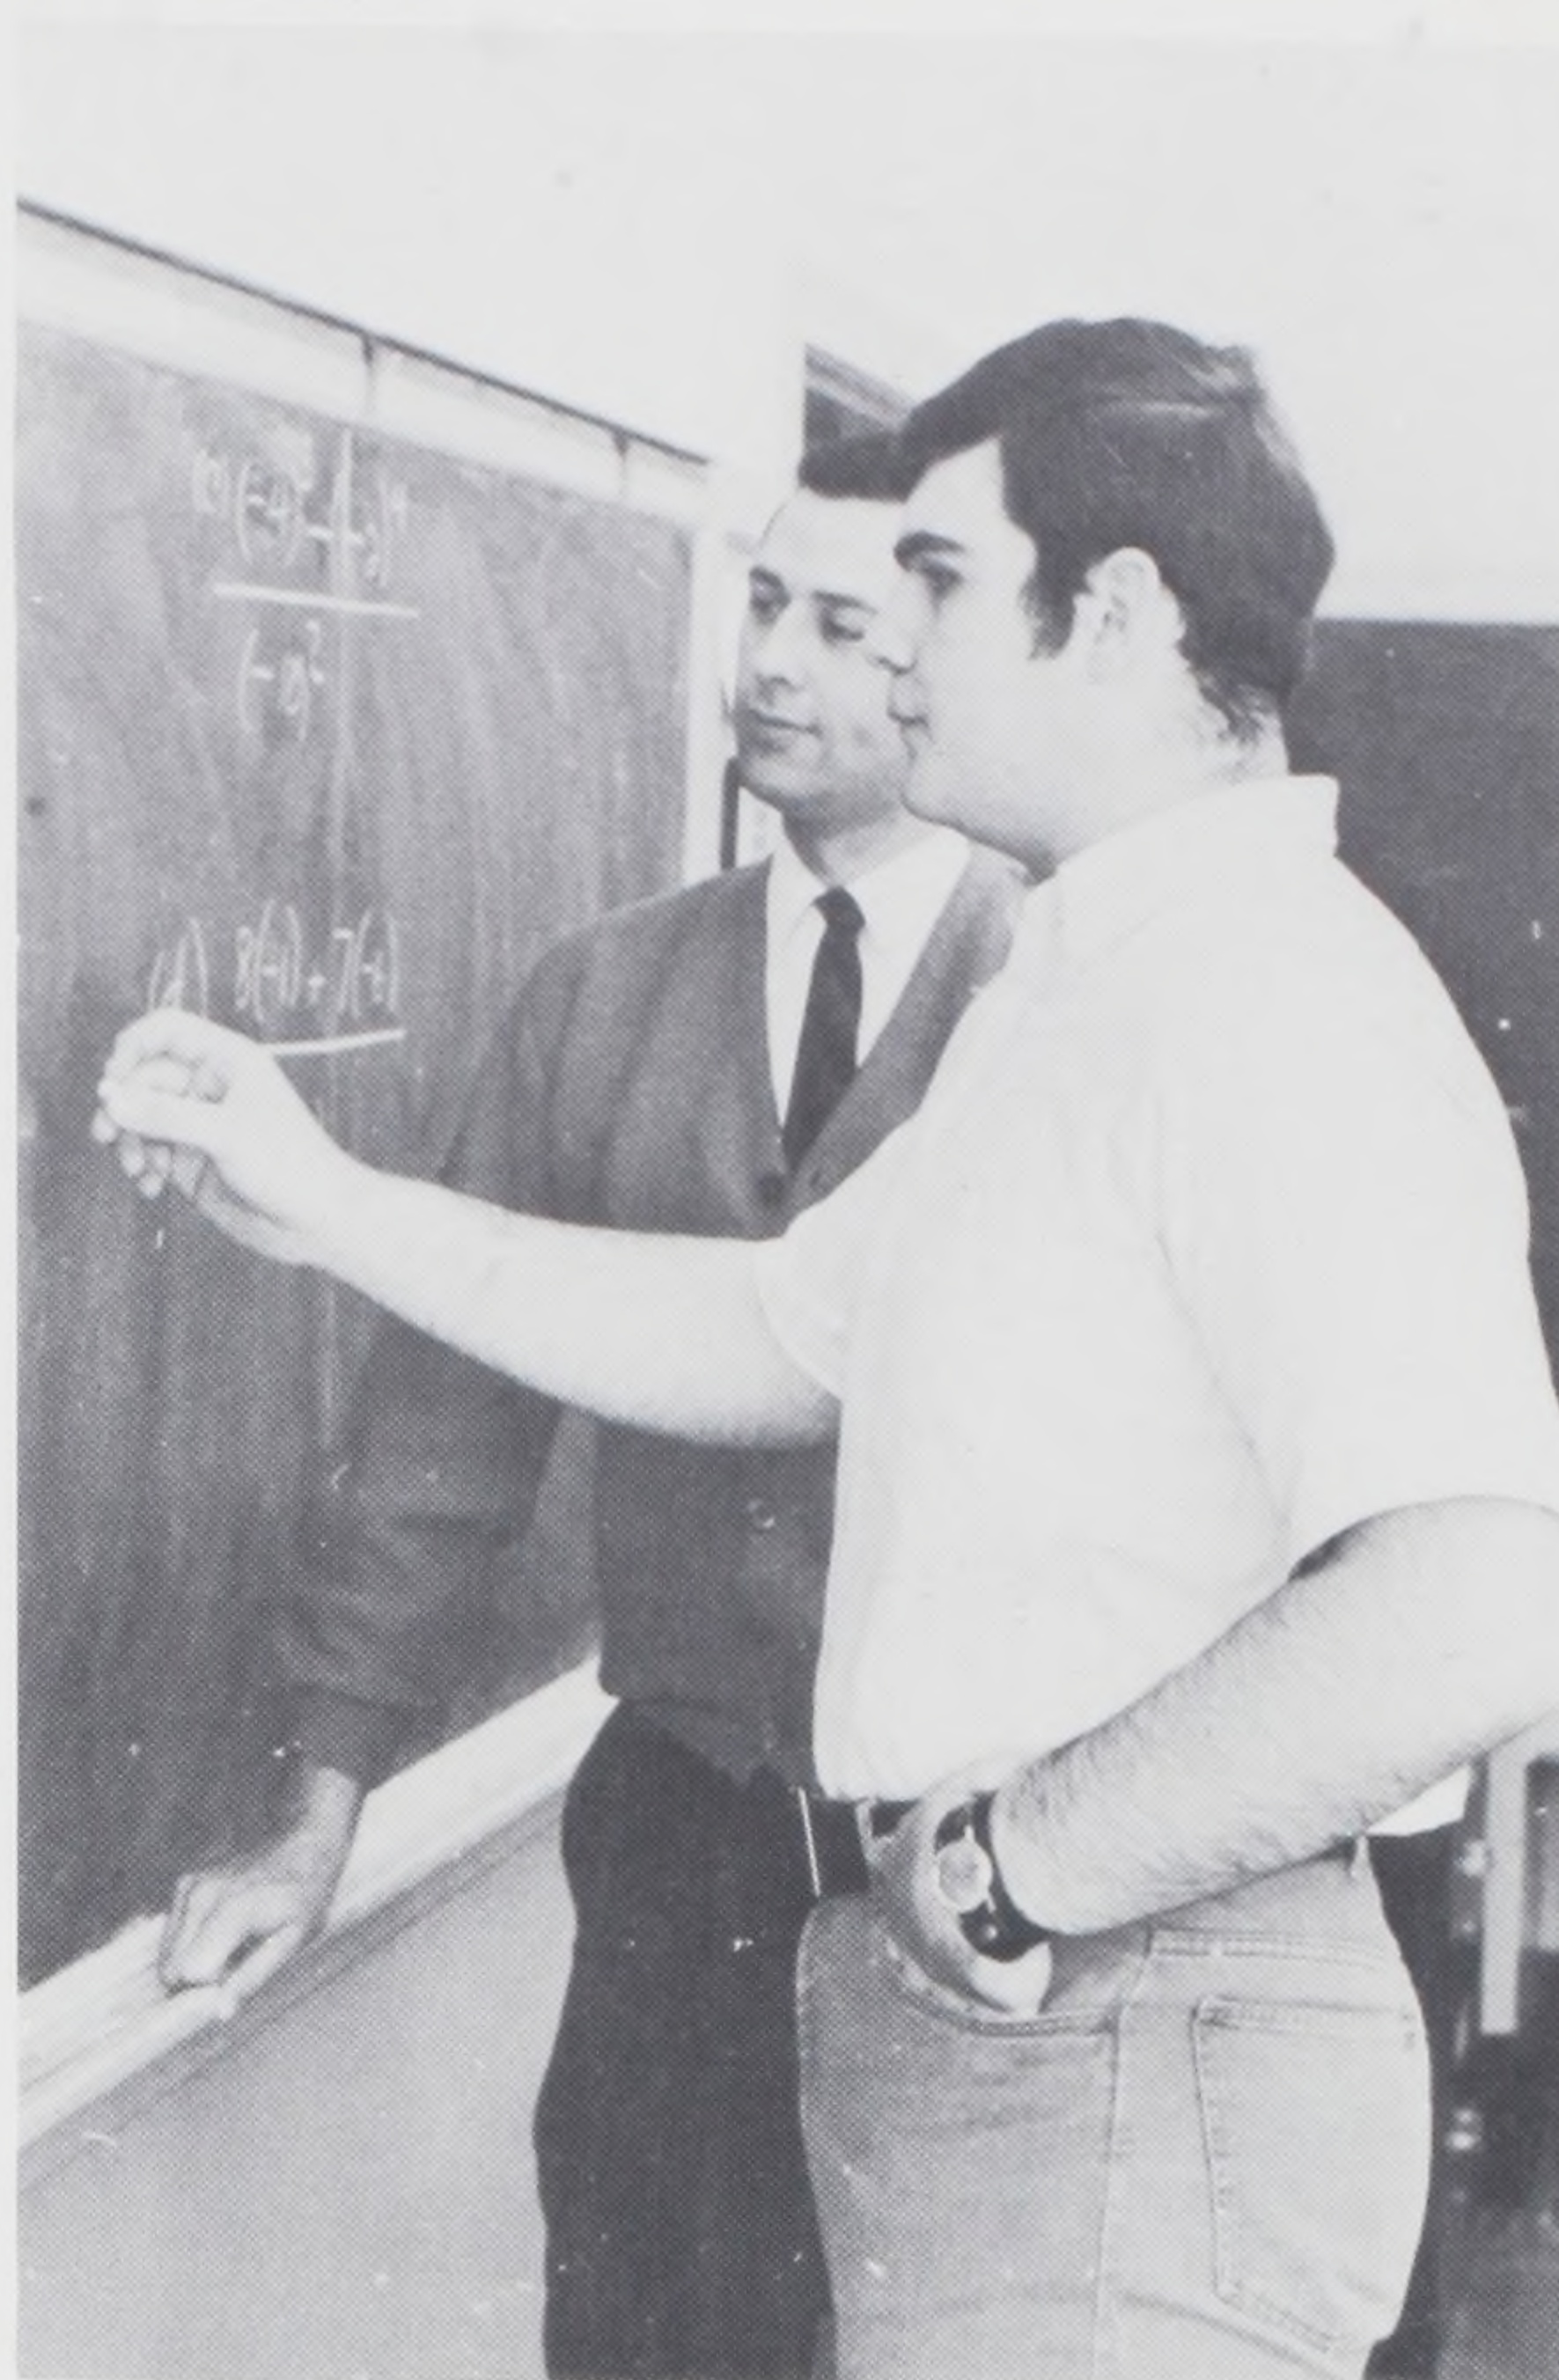

physical ed and health

Clockwise from TOP,LEFT: Mr. Sienko directs Techmen in exercises; A student completes a PE test; Mr. Cheshire tells 'em "How it's done"; a group of Techmen play a bit of basketball.

Clockwise from TOP, RIGHT: Mr. Riese shows Louie Amadoro the way to work a problem; a Benson Mathematician completes an assignment; Mr. Simmons works as well on the blackboard as he did on the Notre Dame gridiron; Mrs. Hodgins straightens a Techman out.

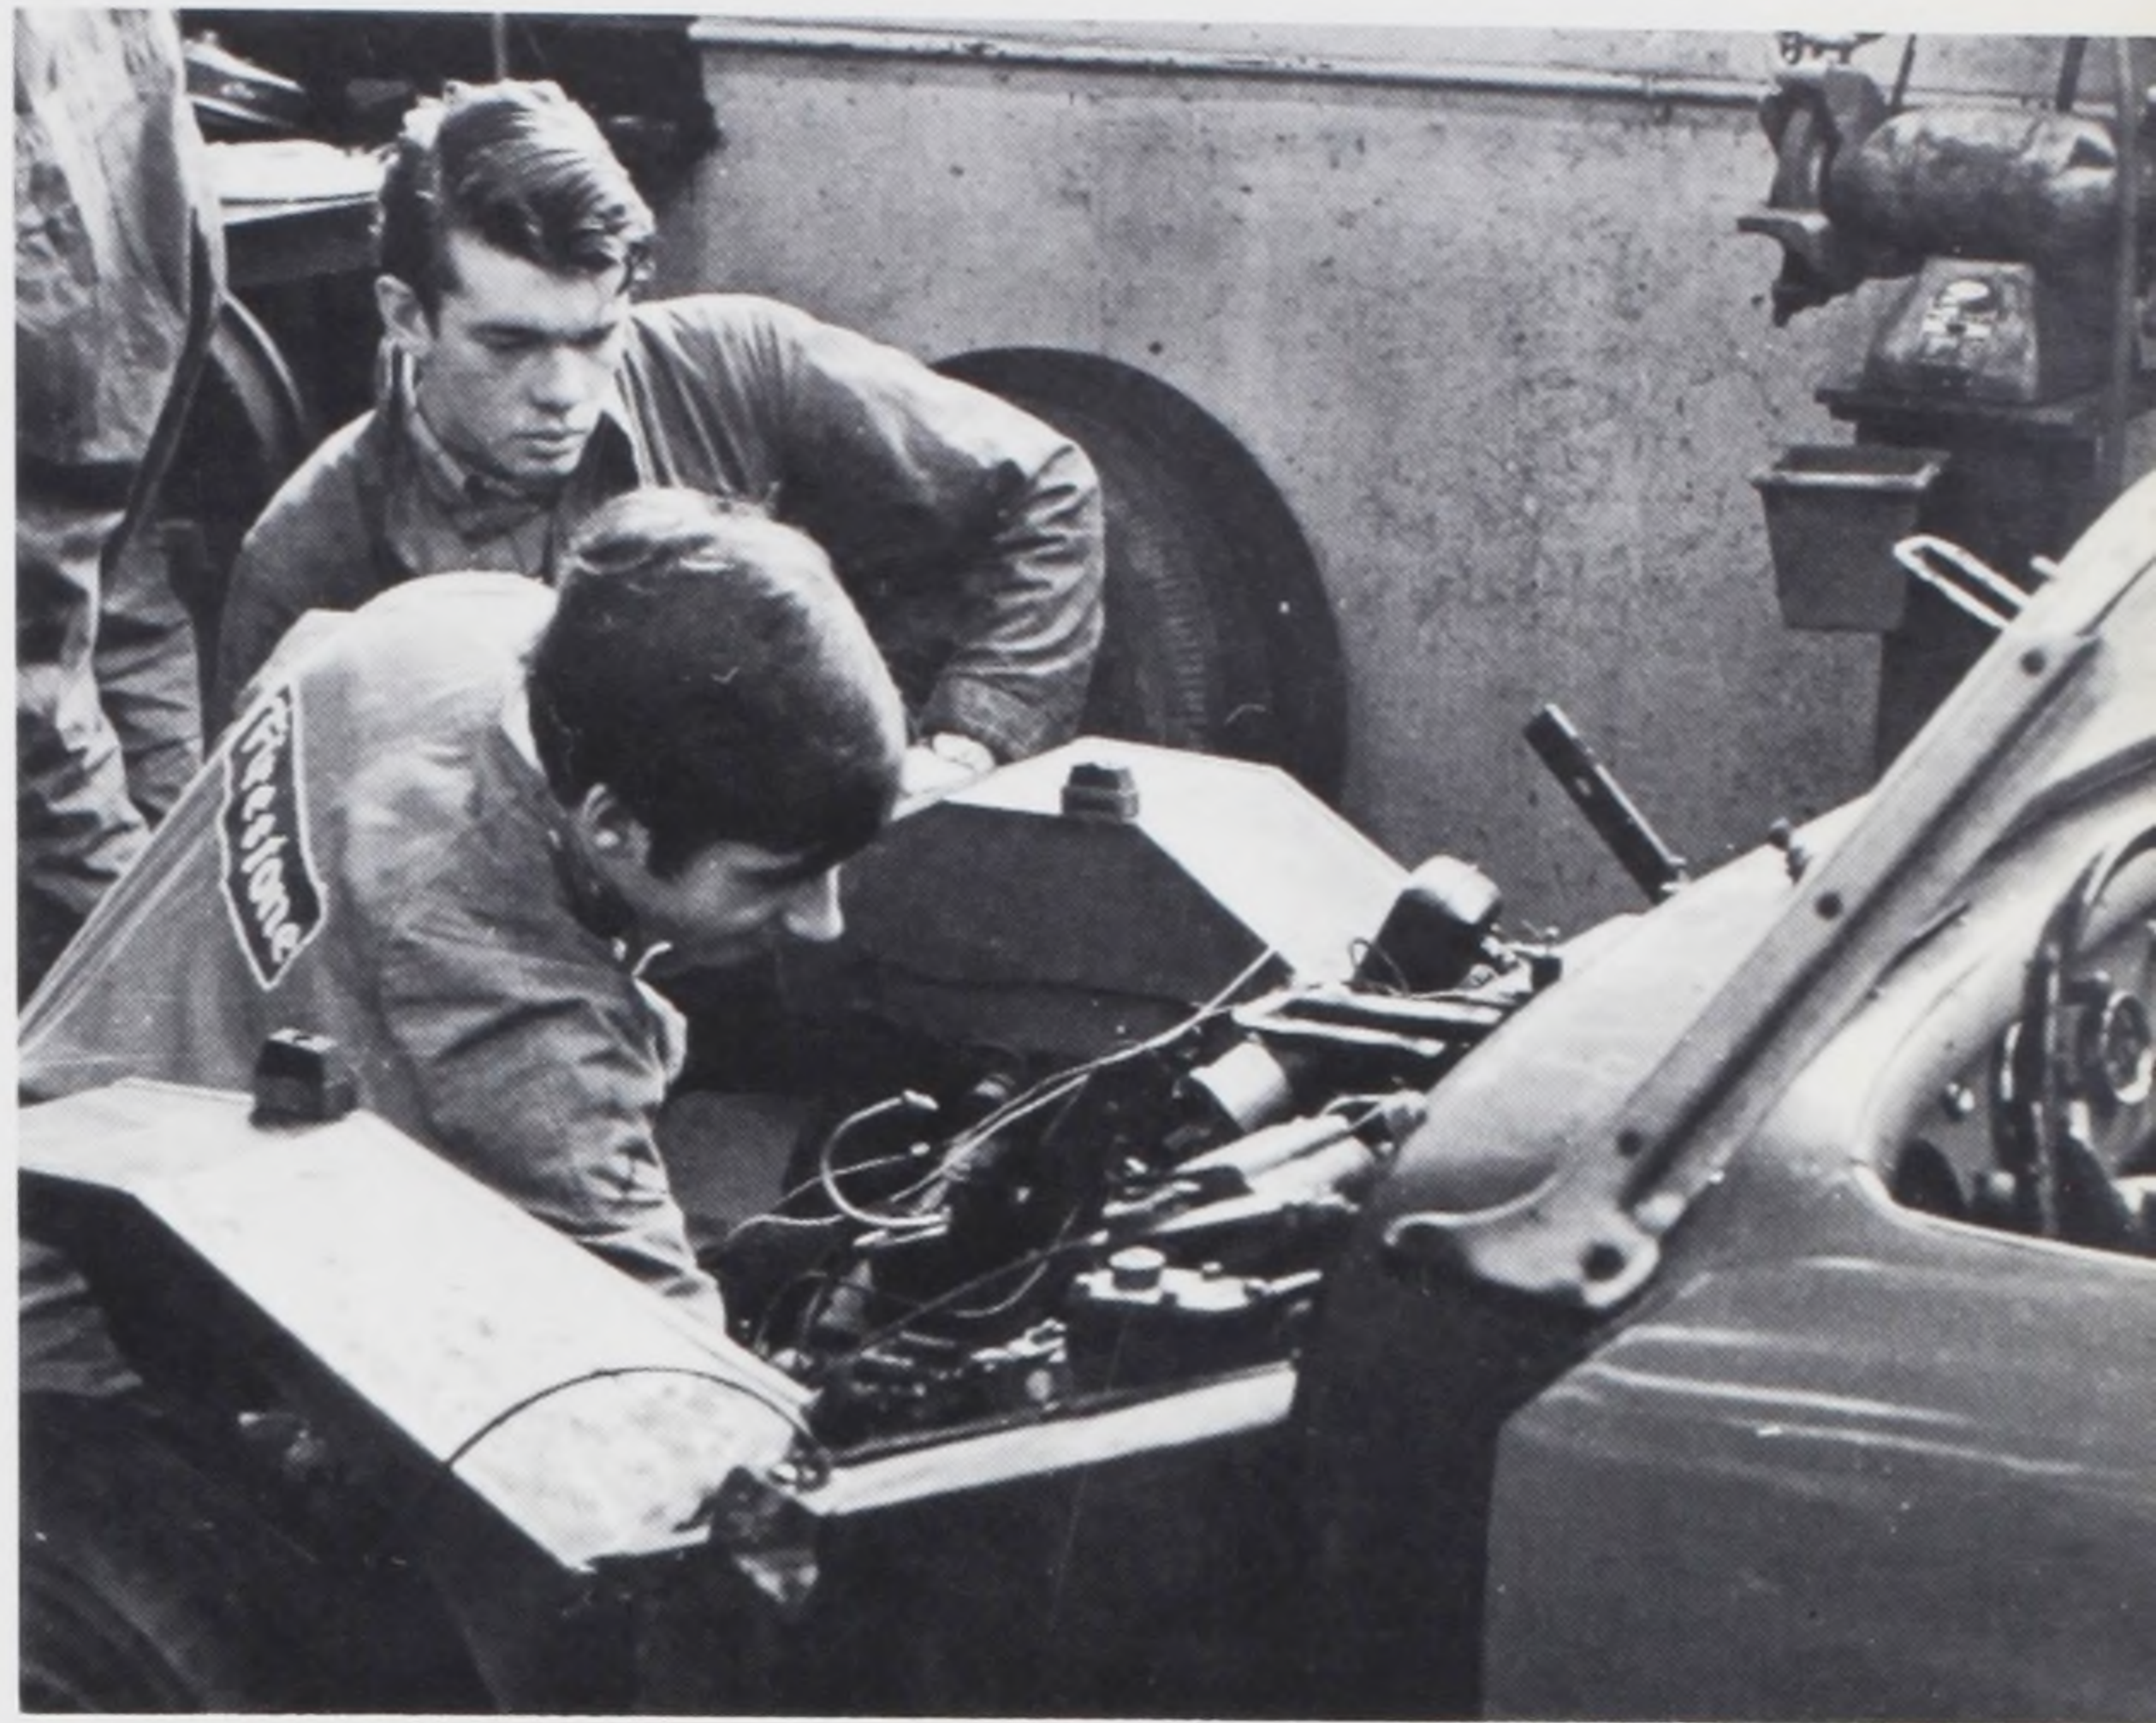

mathematics

Photo major Jay Seckels attempts to capture Emil Georges in his reflective image.

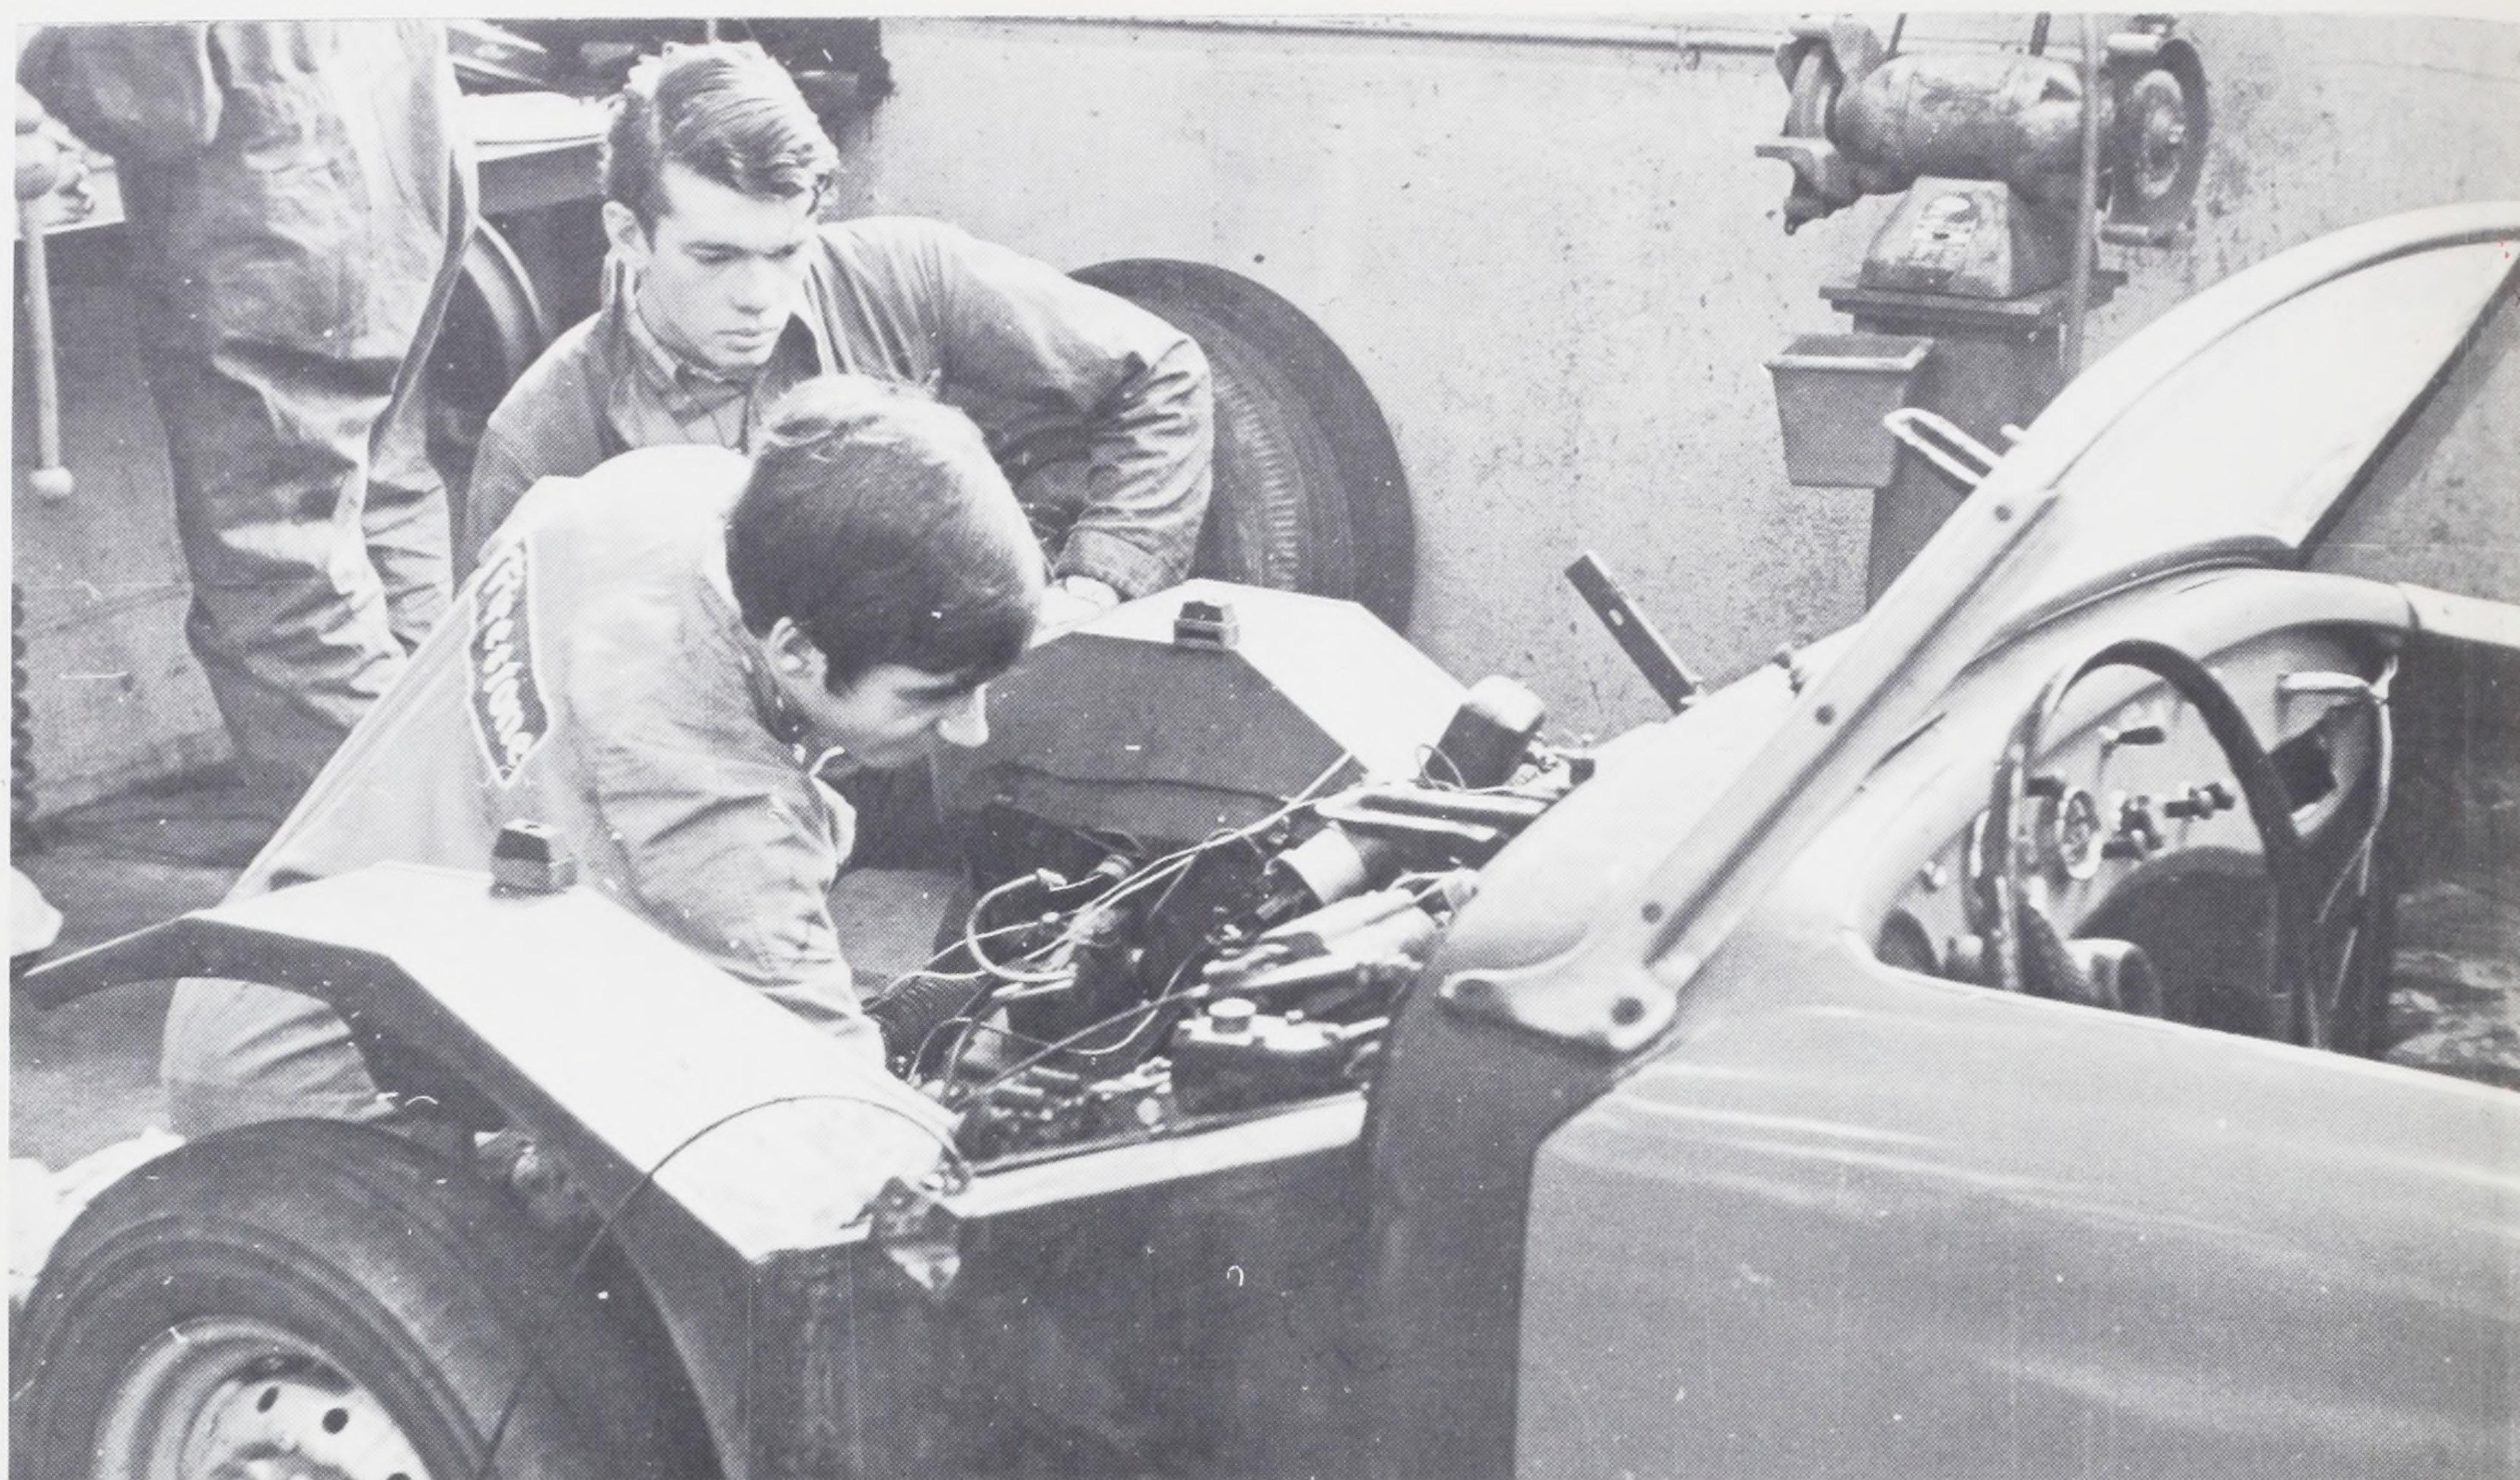

tech

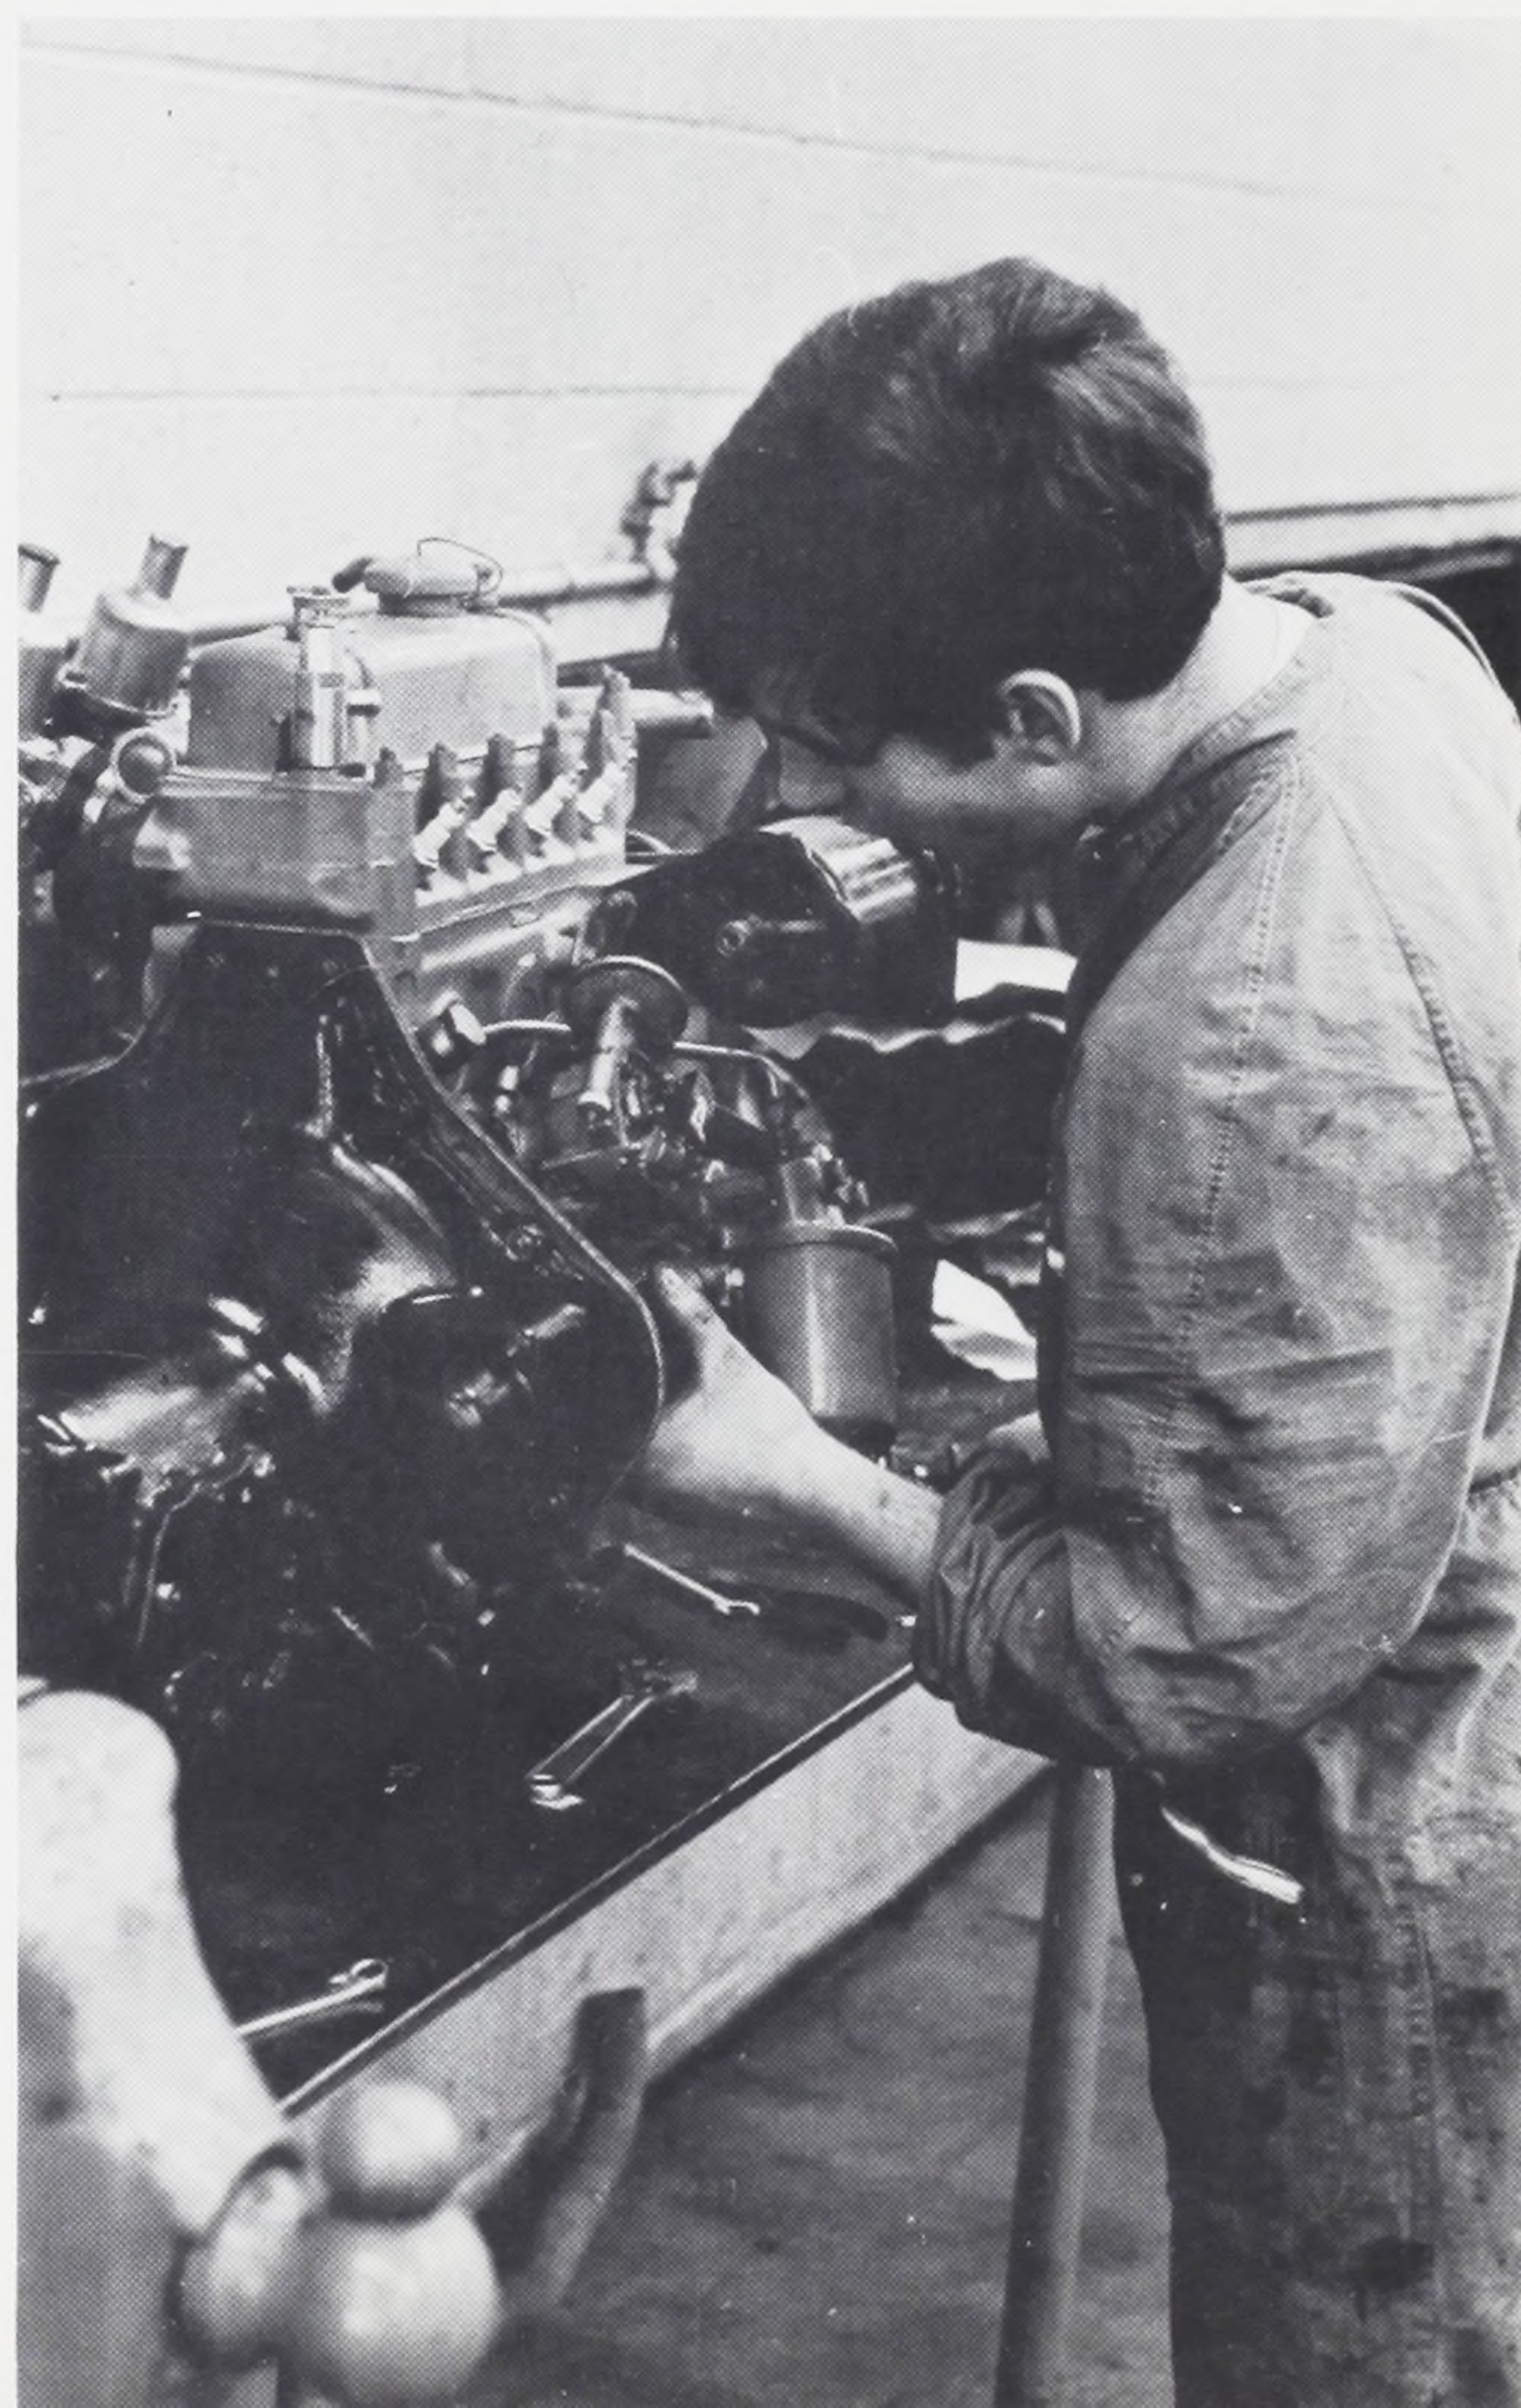

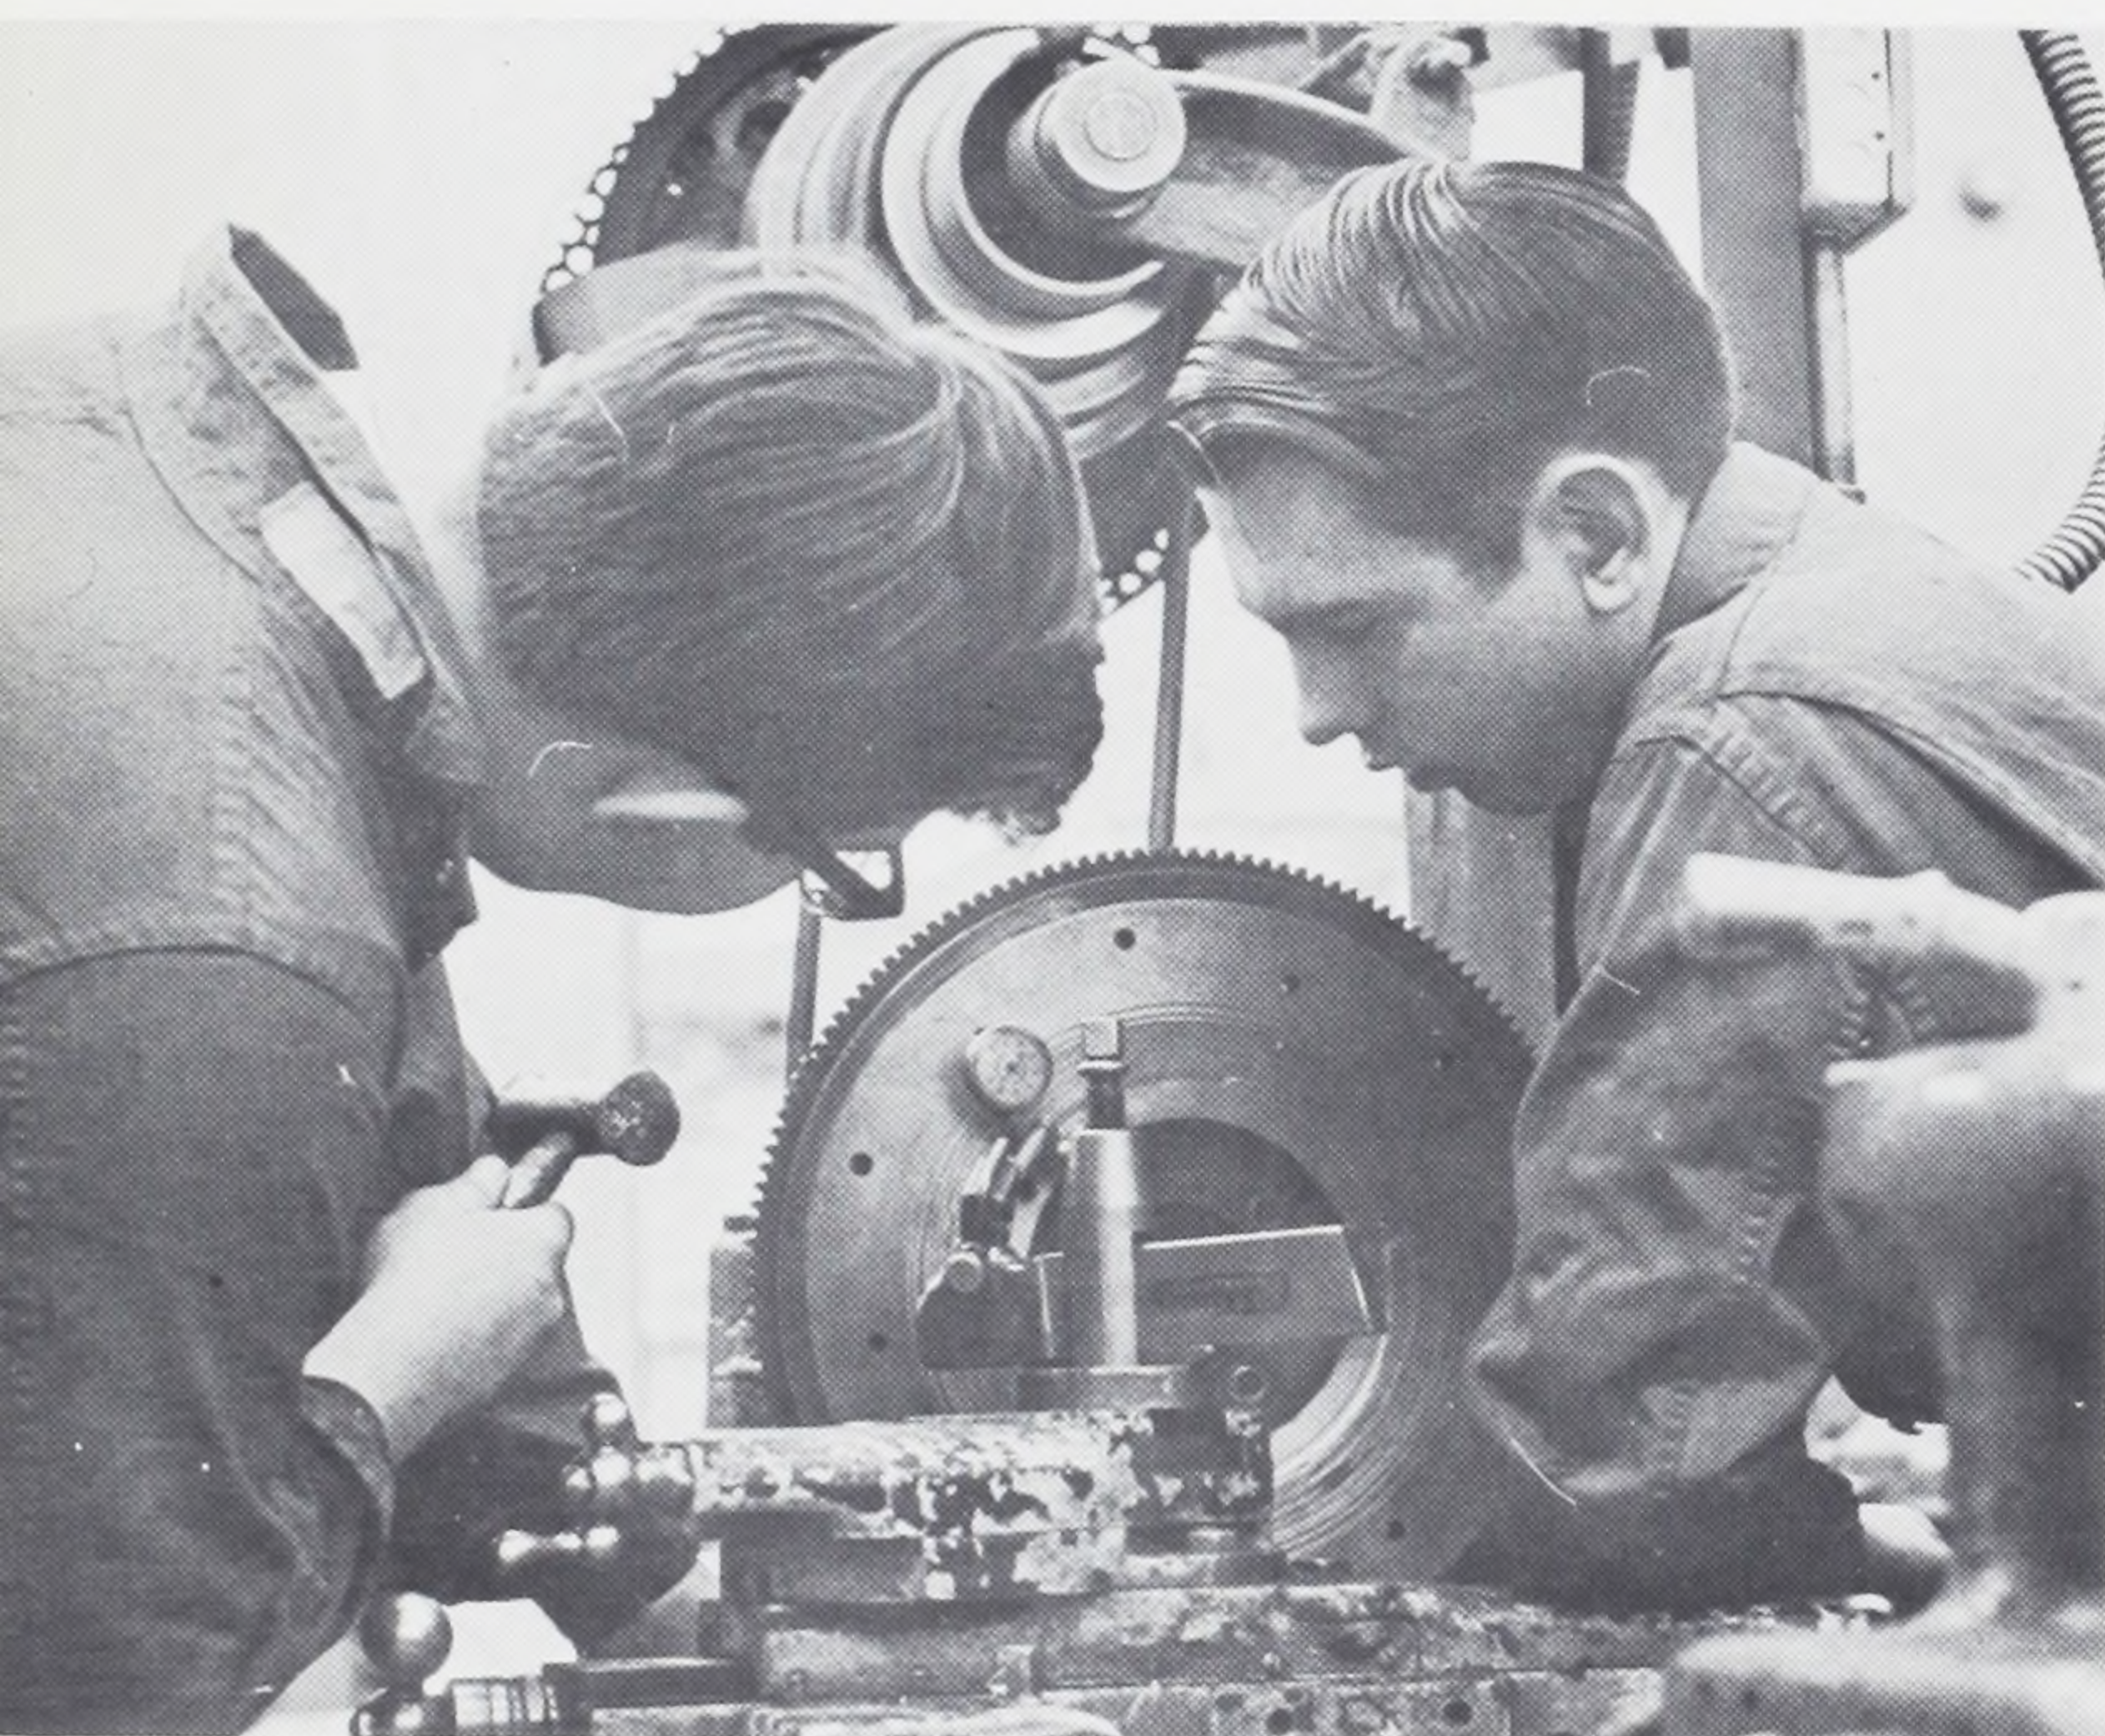

shops

In Tech's 17 major shops Benson students learn by doing and go from graduation directly into industry or on to higher education. The fifty percent who go into industry have ALL had jobs by July 1 after June graduation for the past several years.

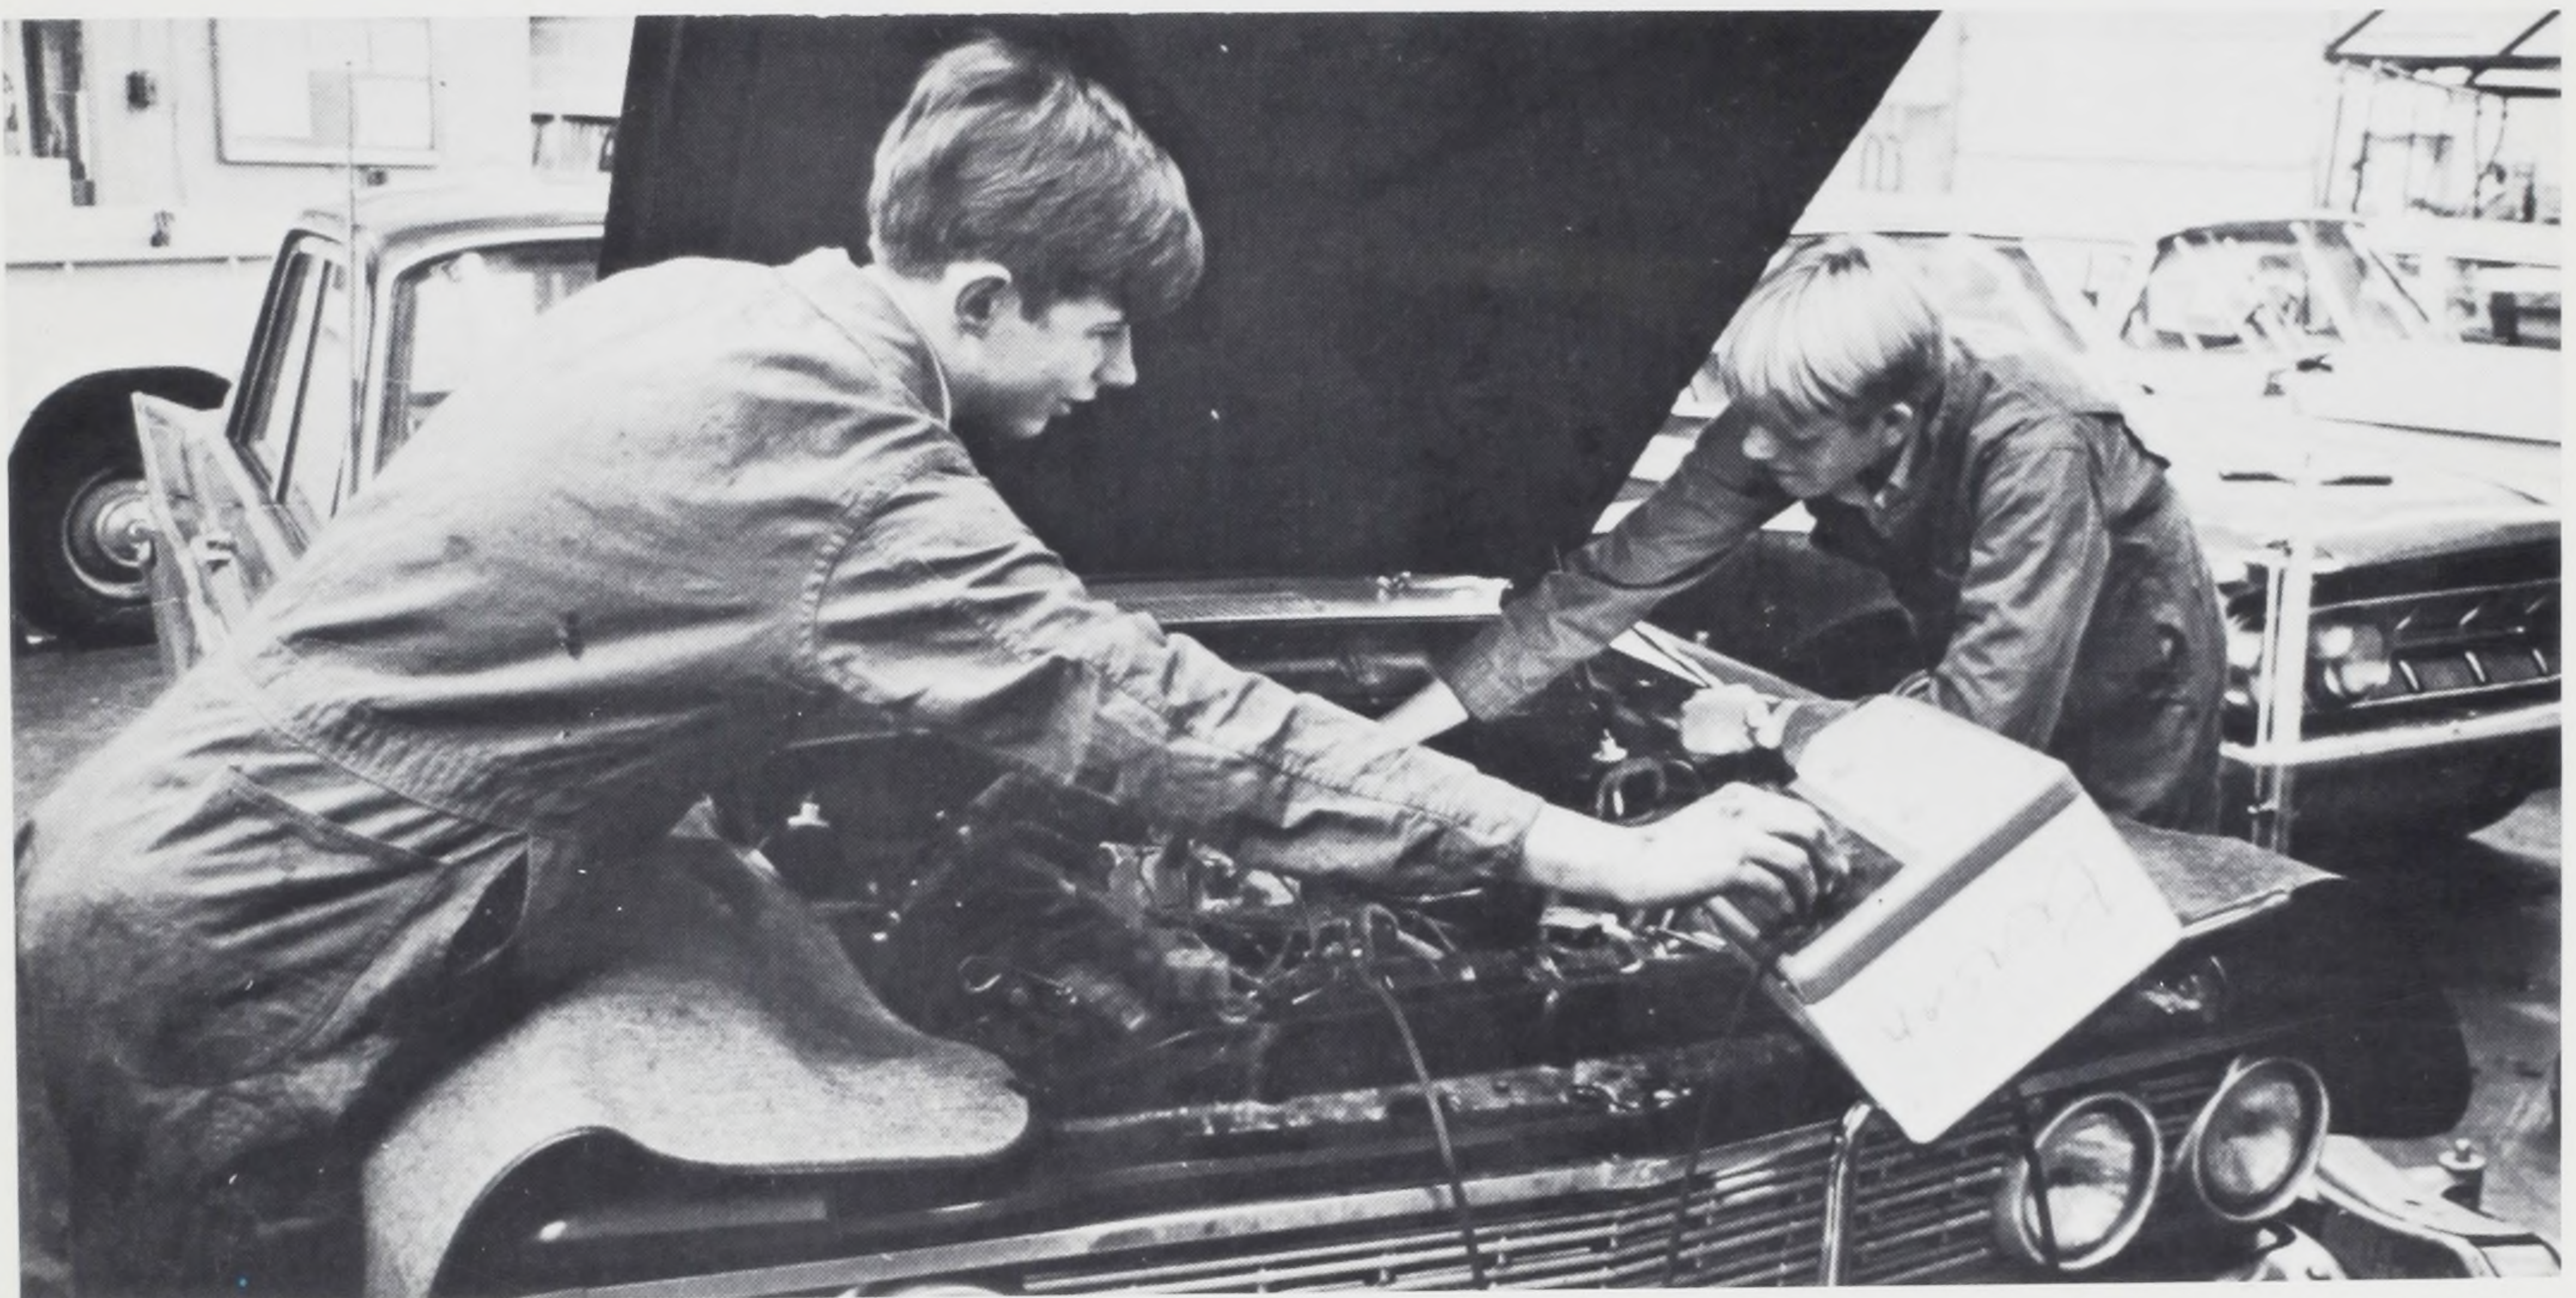

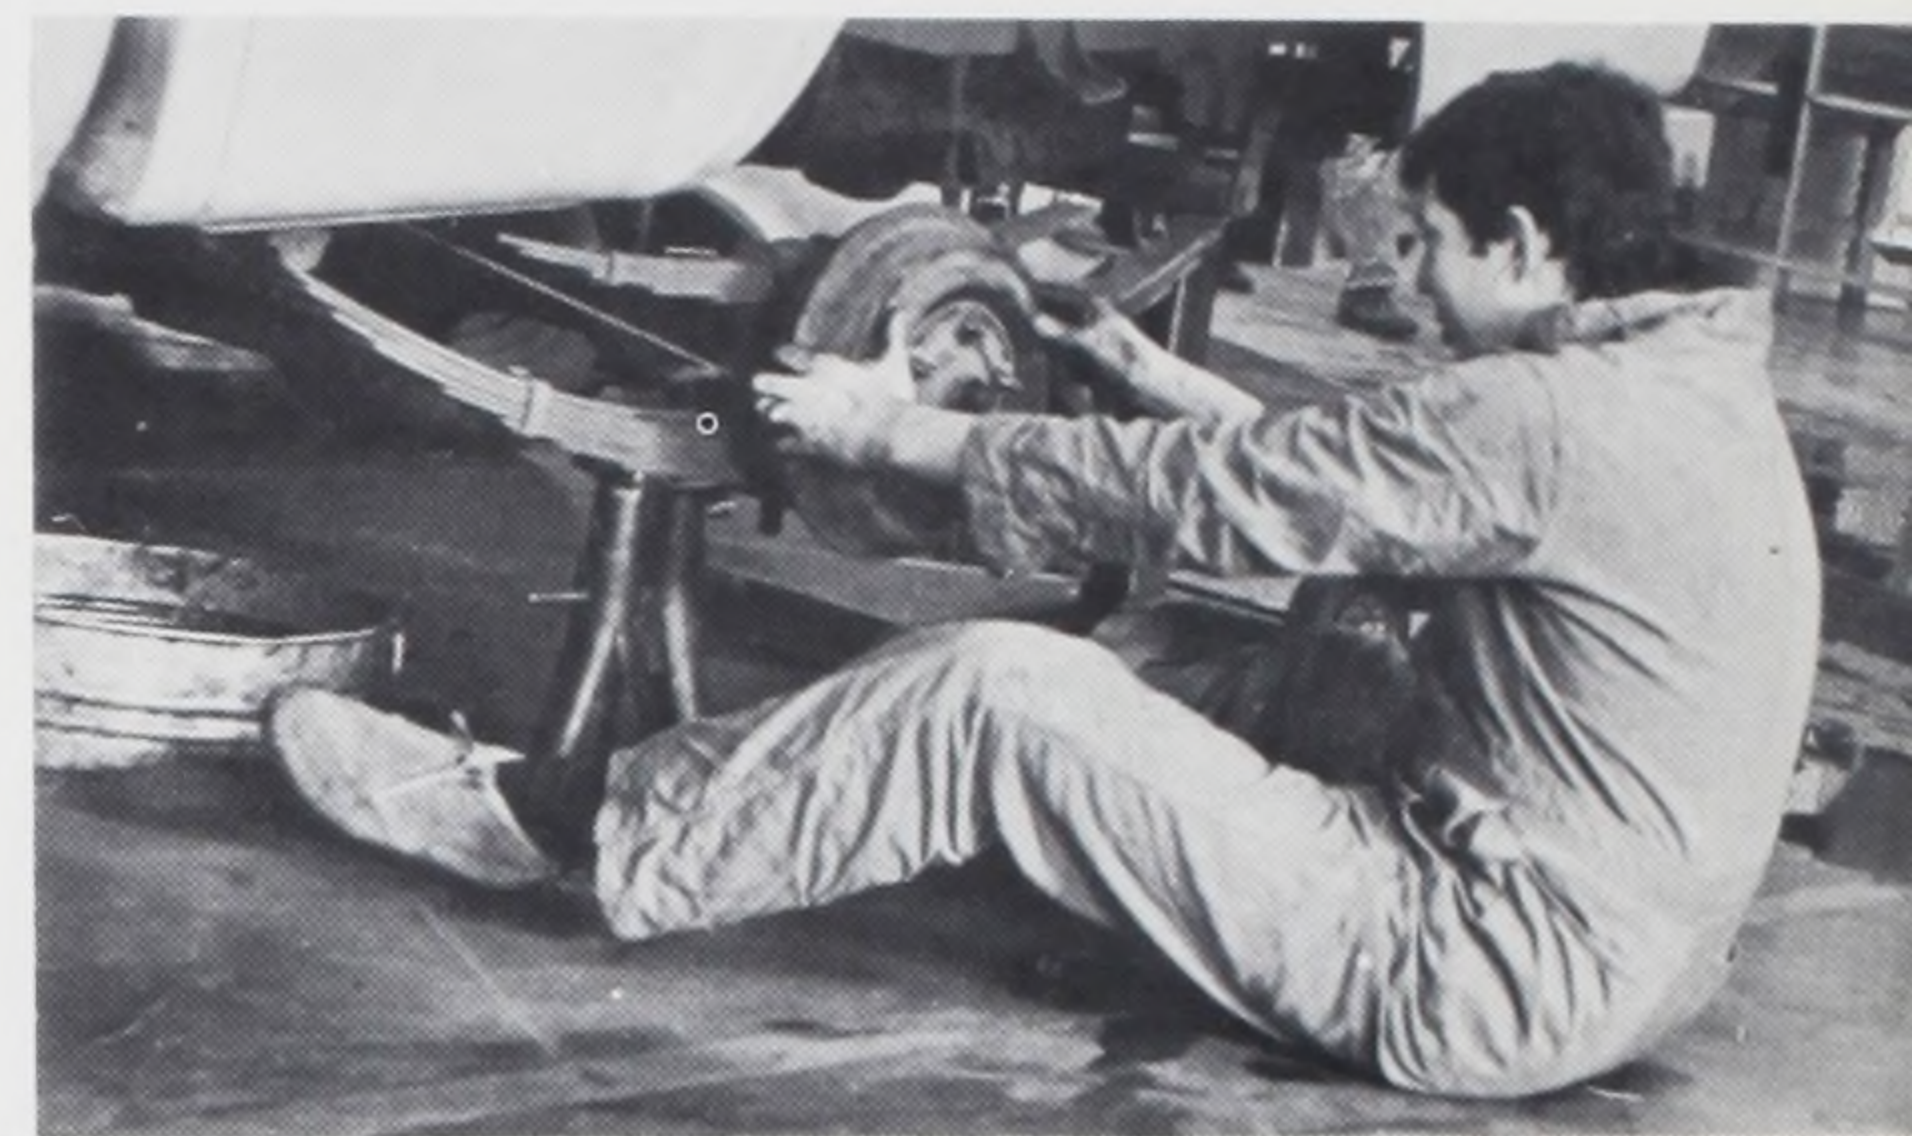

automotive

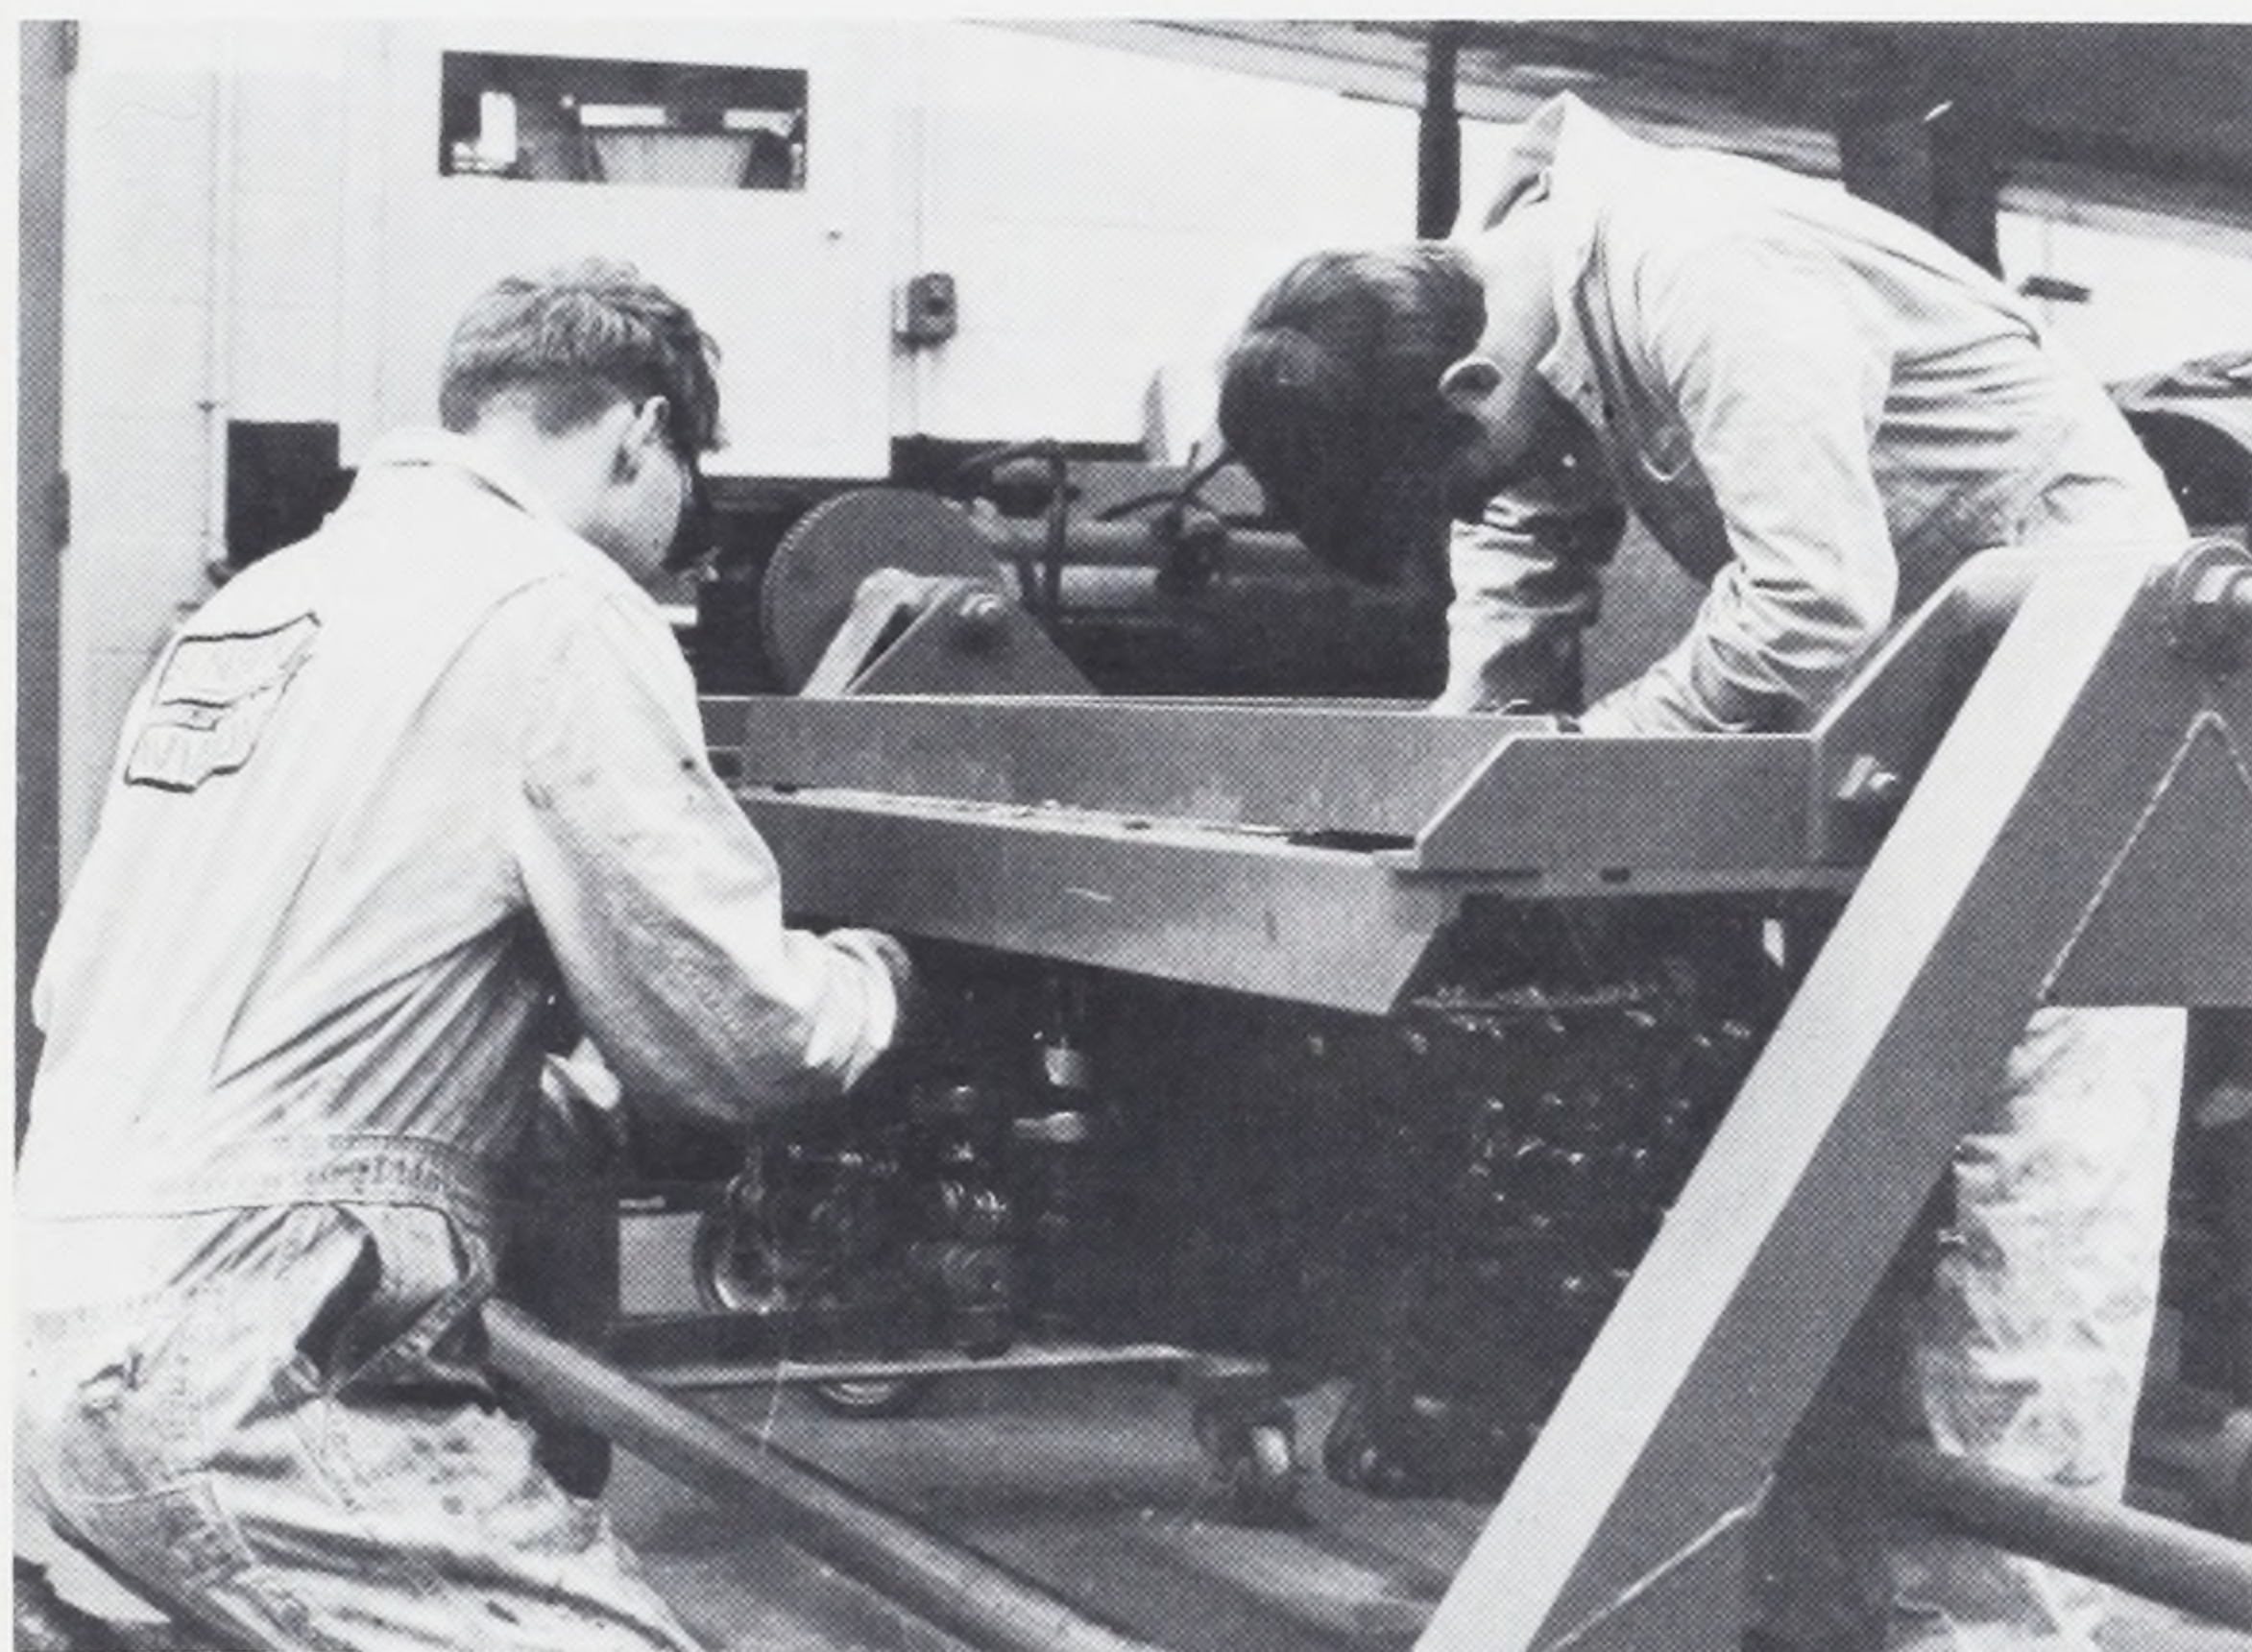

Clockwise, from below: Kim McComb dismantles brake-drum; Dave Rogers and Mike Gregory buddy up in checking a motor; Bill Shipps removes a fuel pump; Don Gilbertson and Dan Dittler bore a fly-wheel; Allan Bronson and Bill Shipps check a motor; Dave Hoard reshapes a crank shaft.

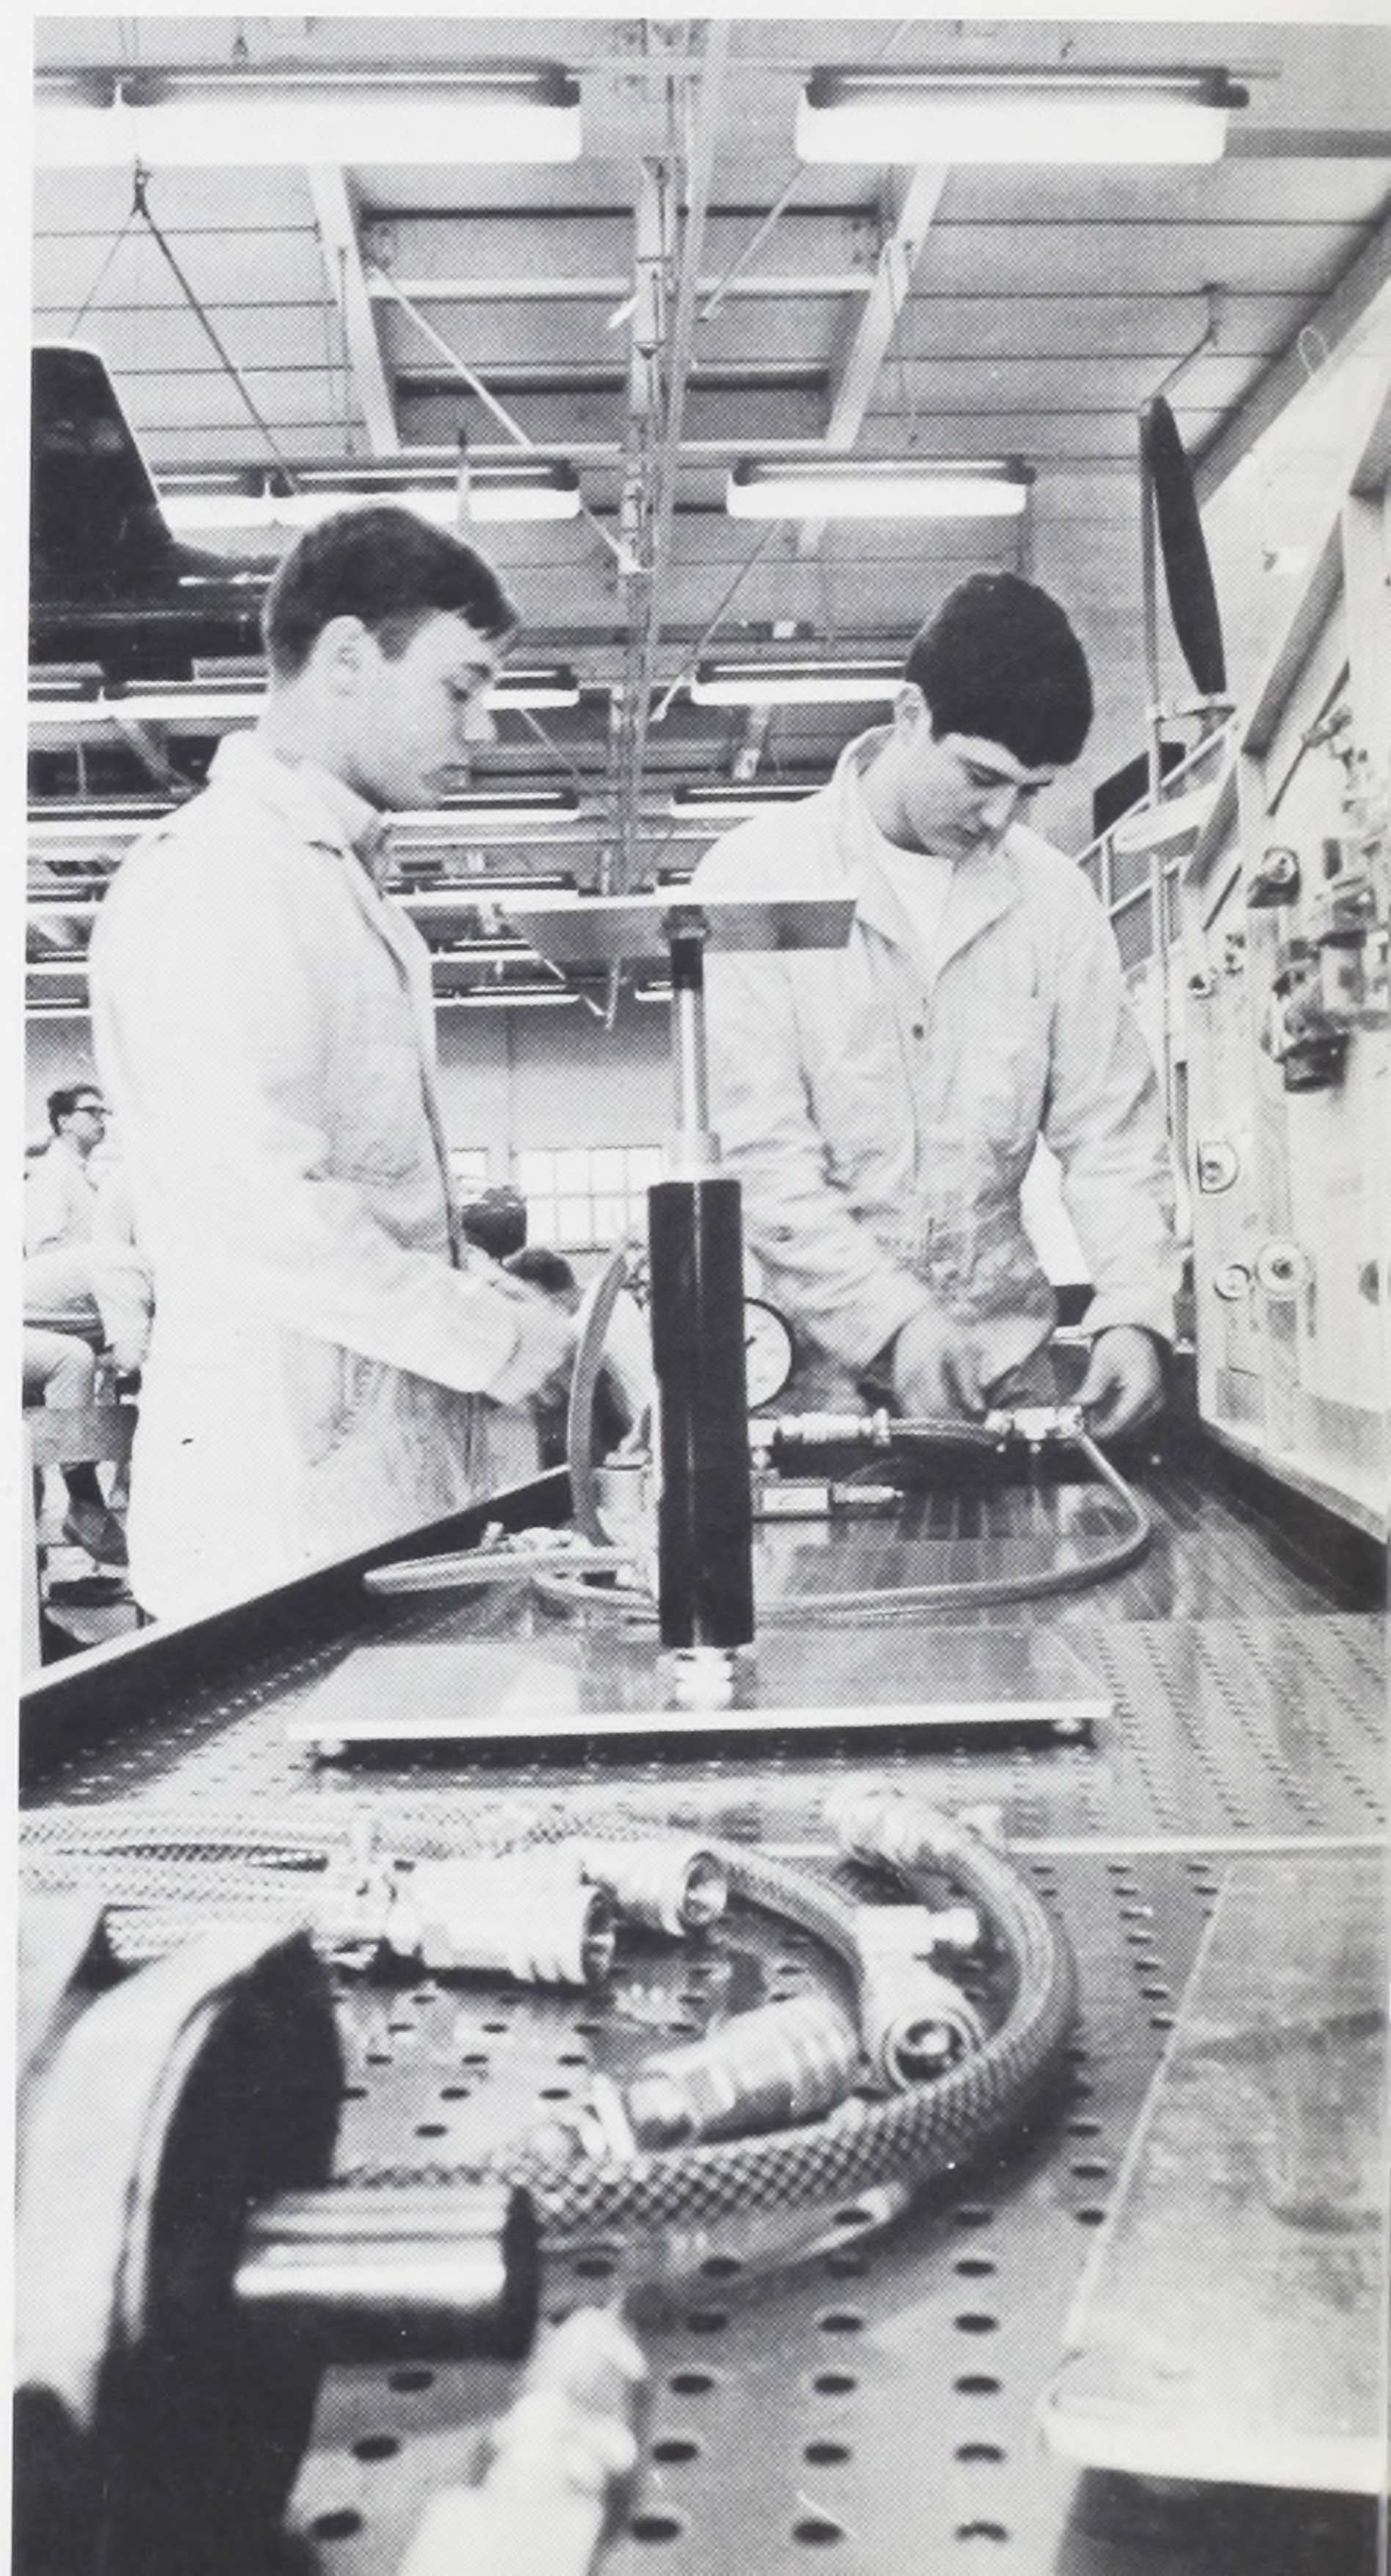

aviation

Mr. William Nichols, Aviation shop foreman, instructs Mike Smith in some of the finer points, top; while, at left, Carl Dofelmier gives advice to classmate Rick Ius.

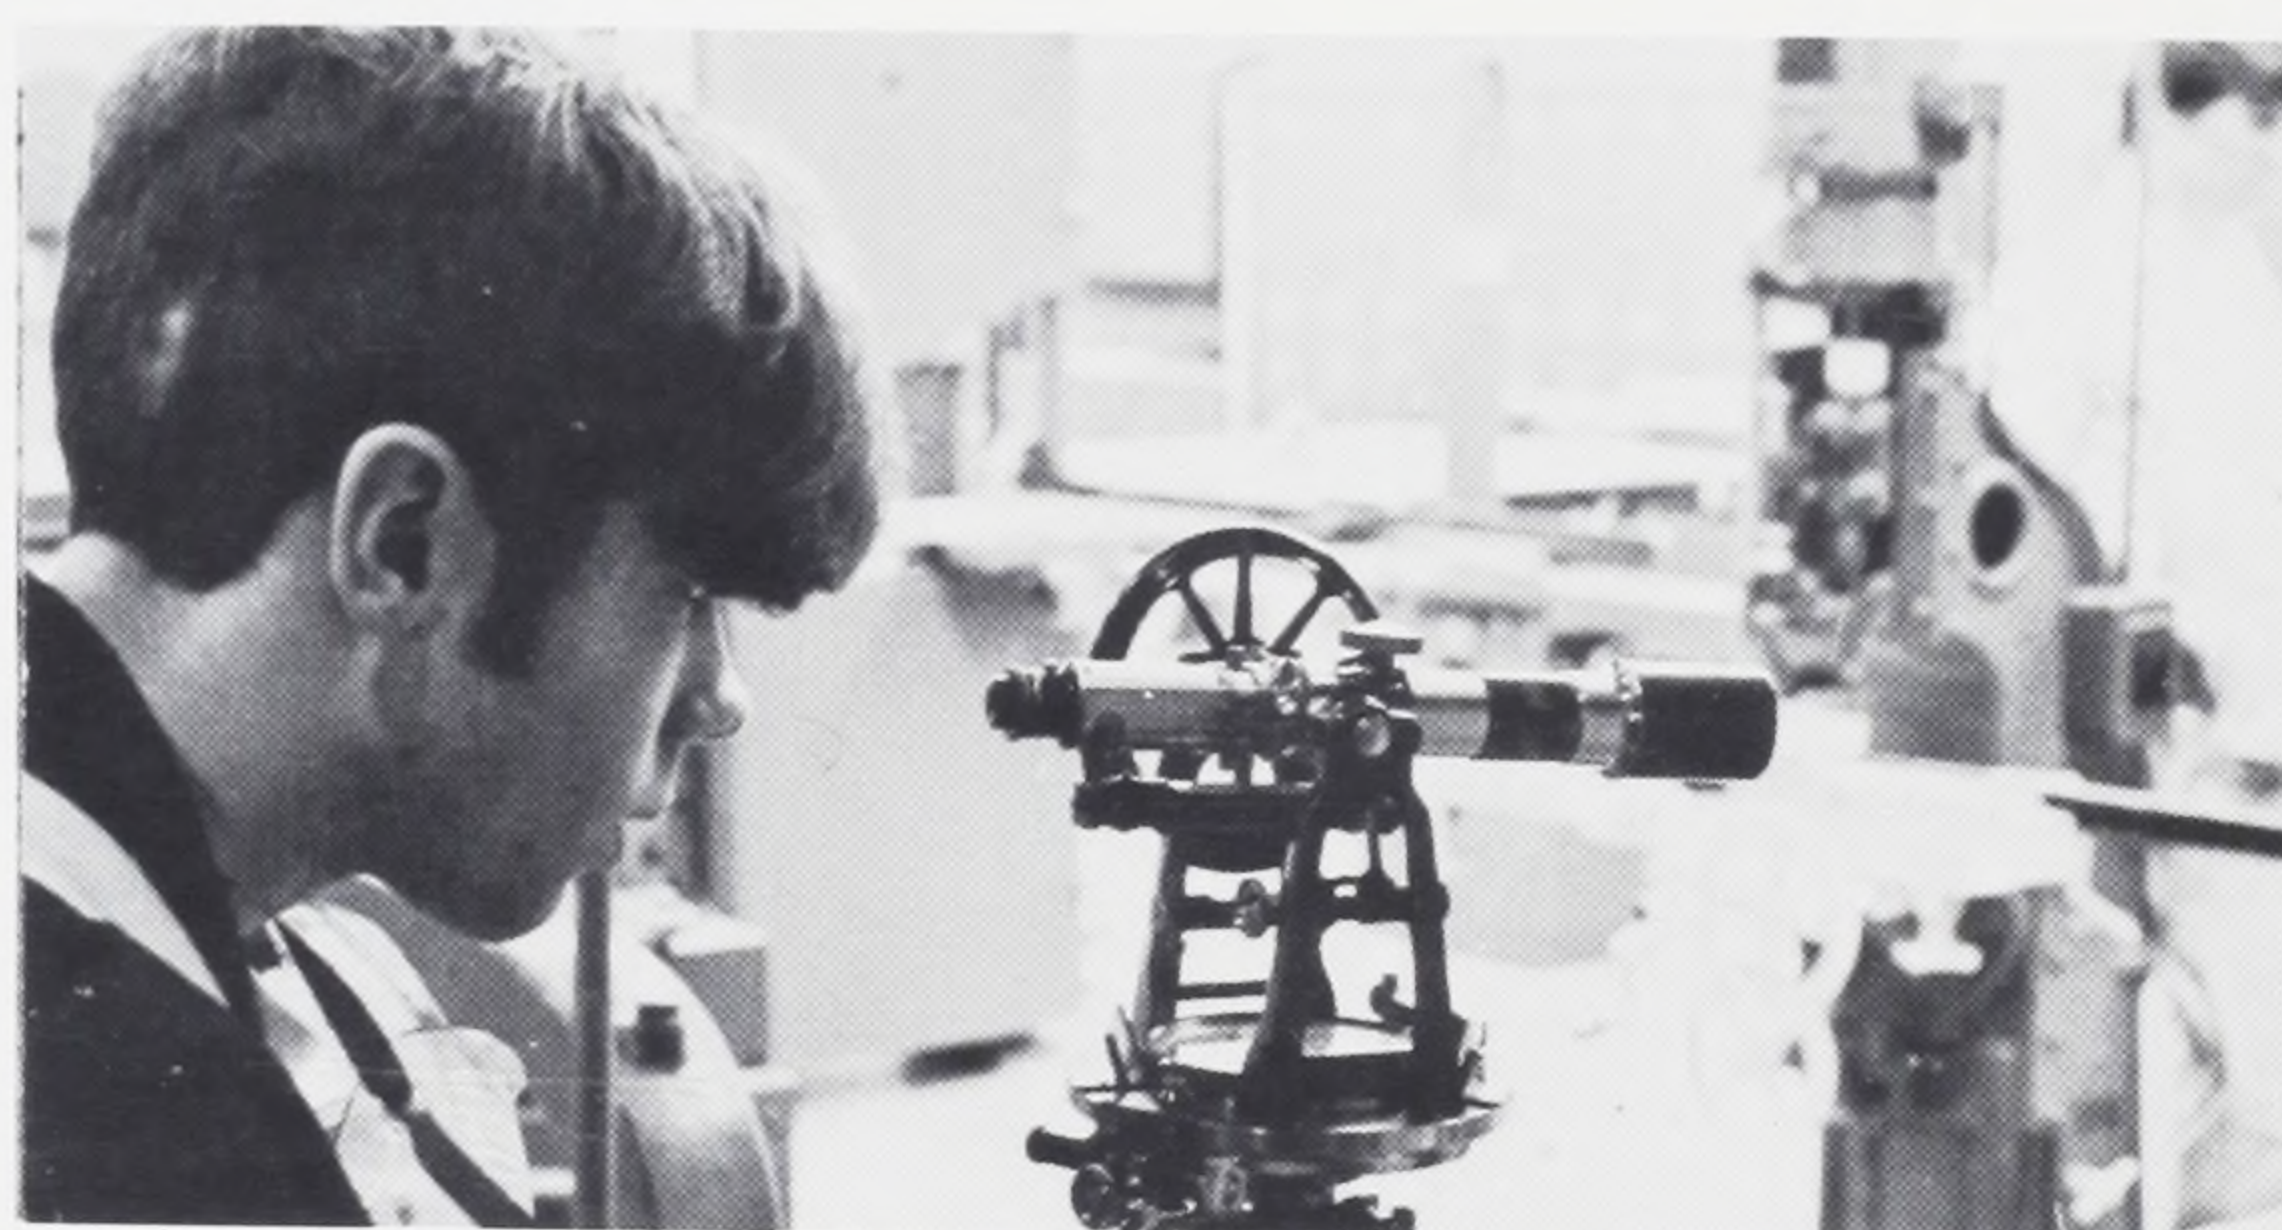

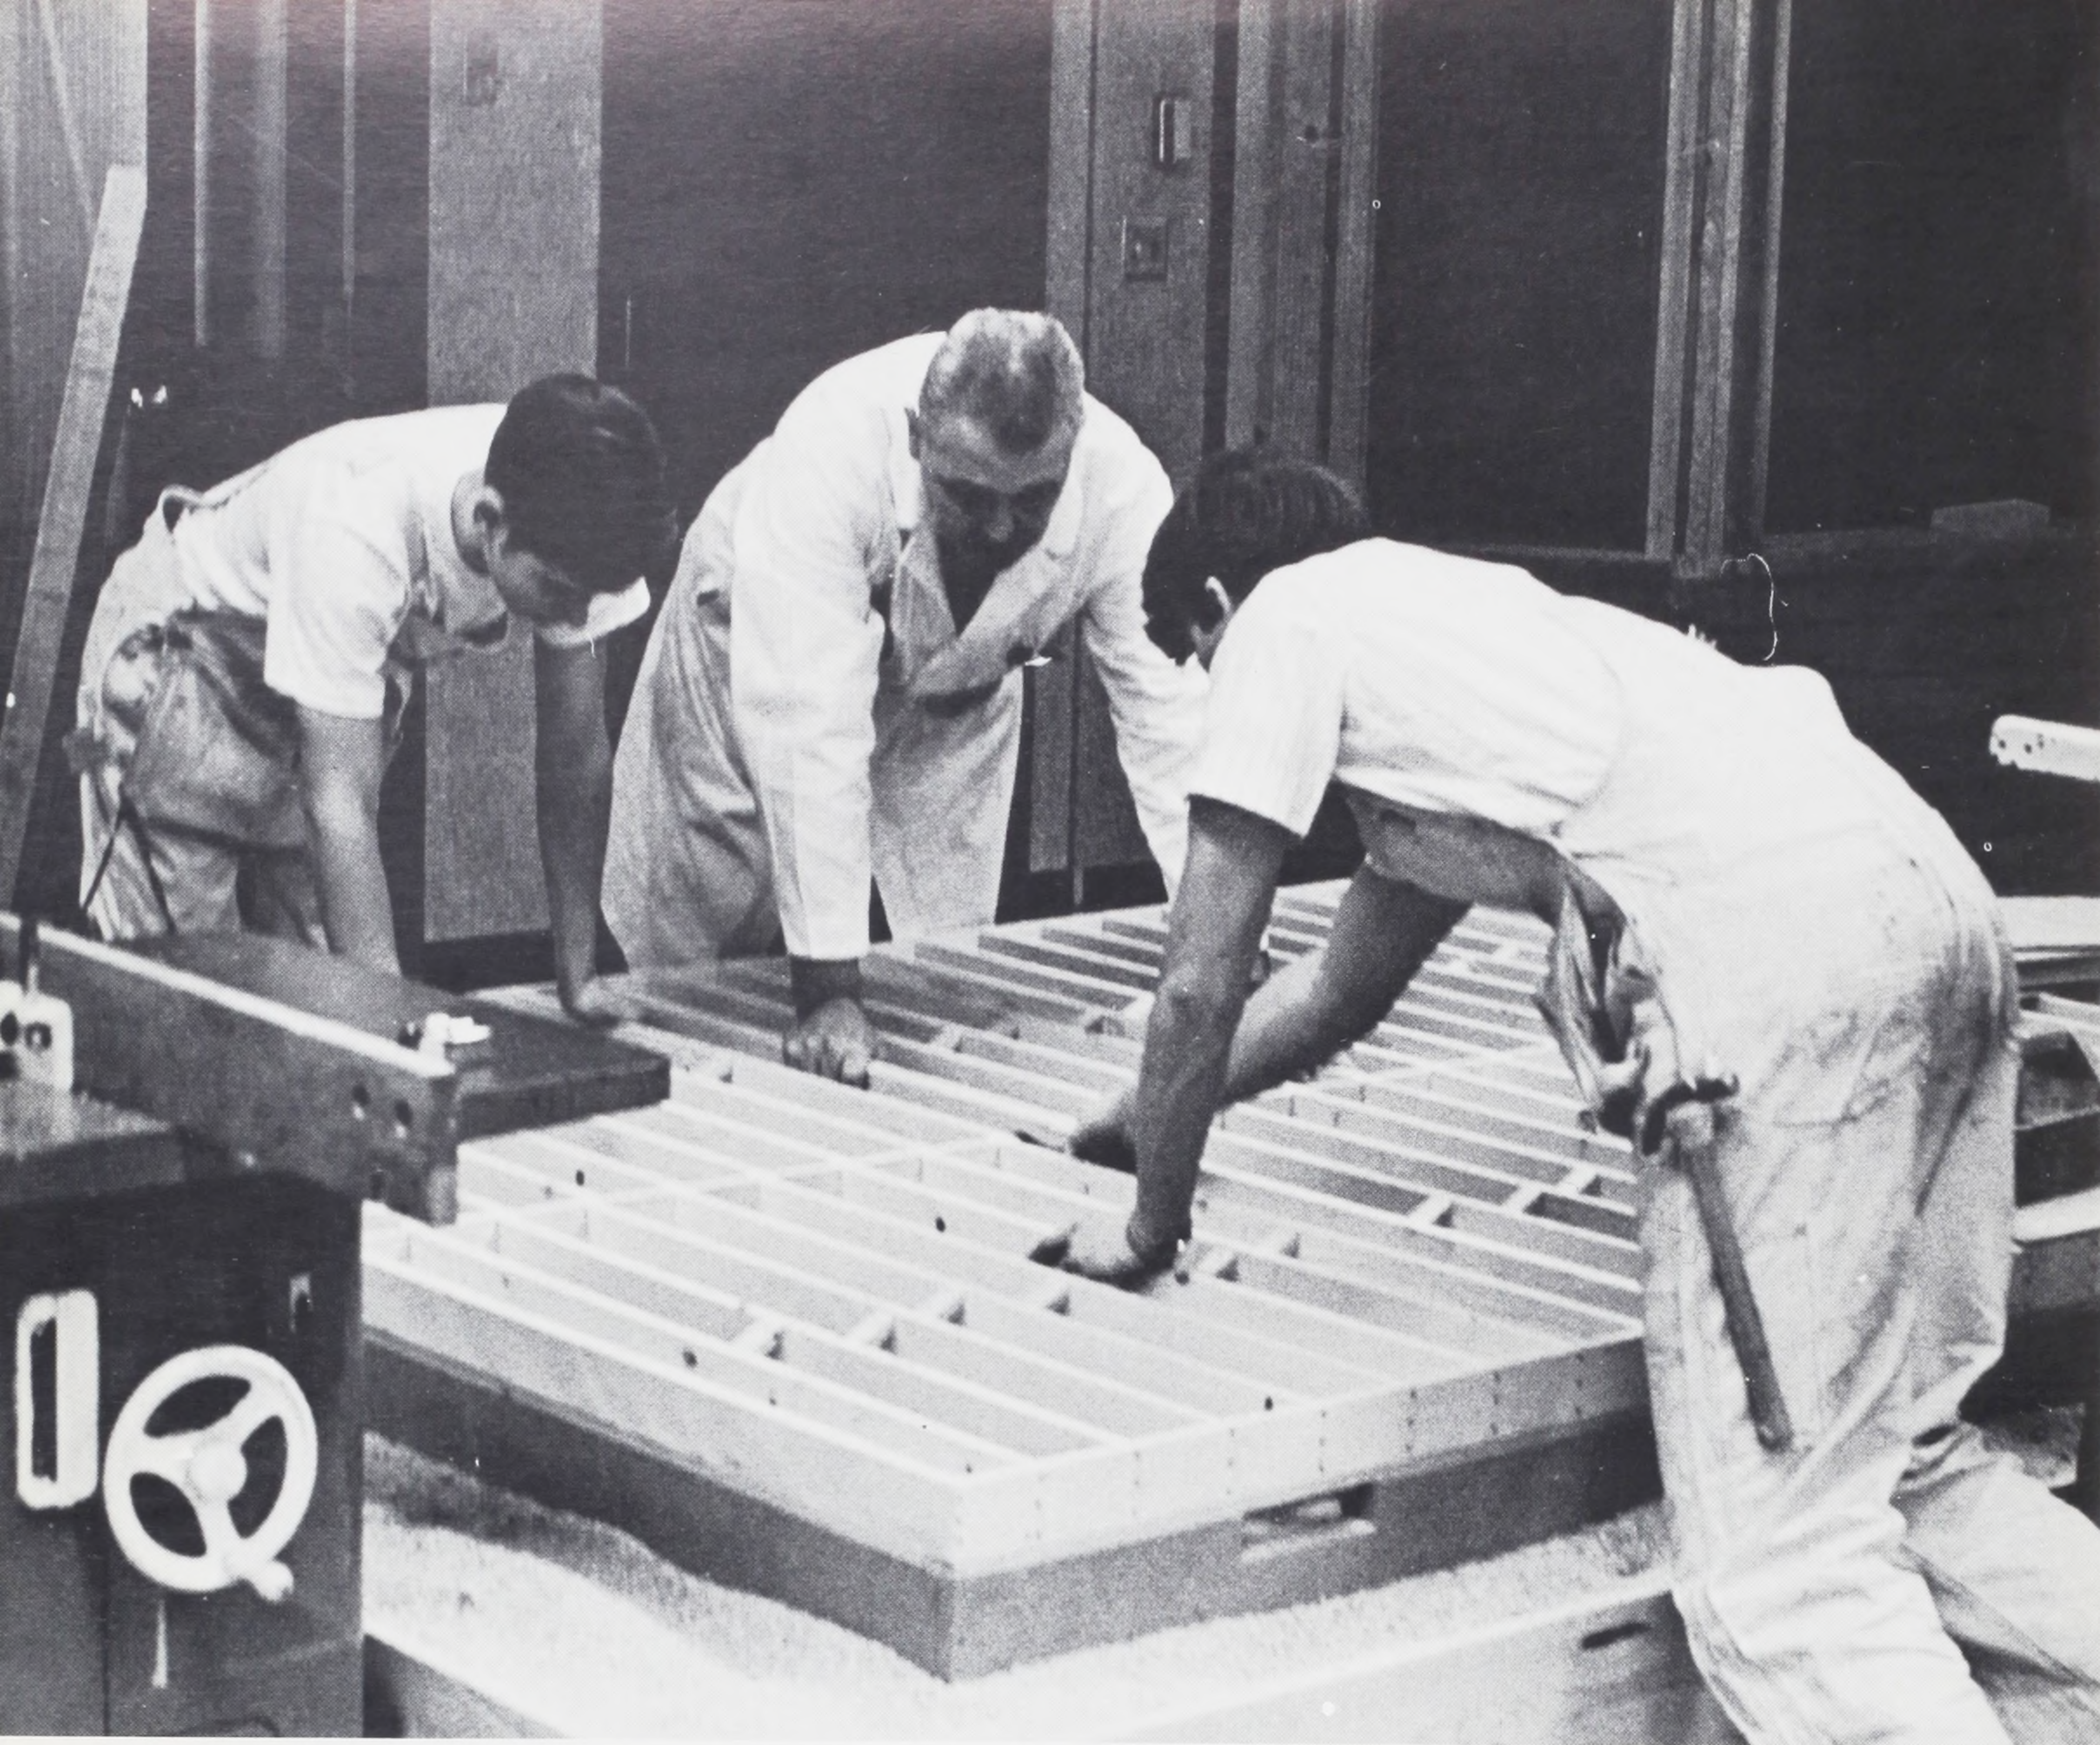

metal fabrication

Mr. Robert Flumerfelt, Metal Fab Foreman, shows student Ken Lloyd exactly the way it should be done (top left); while Mr. Norman Griffith, instructor, (top,rt.,) checks plans for one of his pupils. (Left) M.F. major, Lehmann, spray-paints a project in the shop.

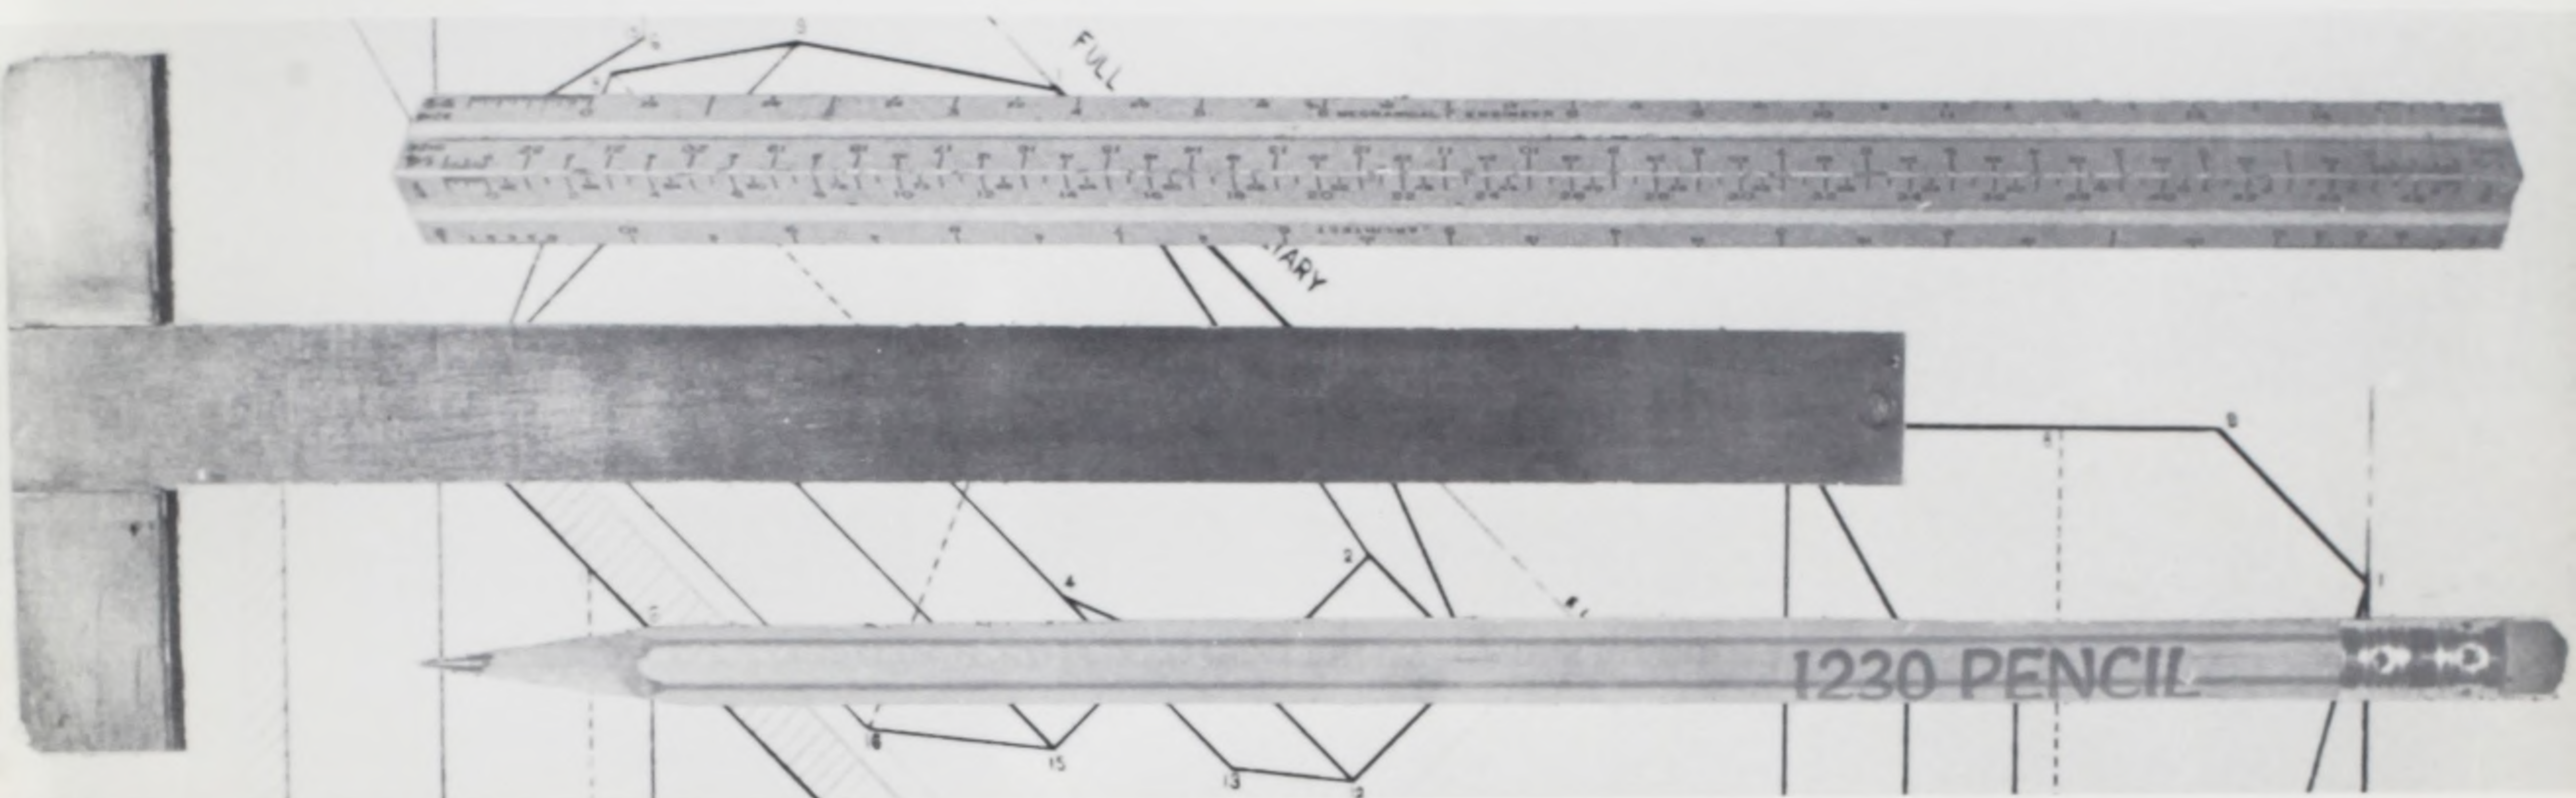

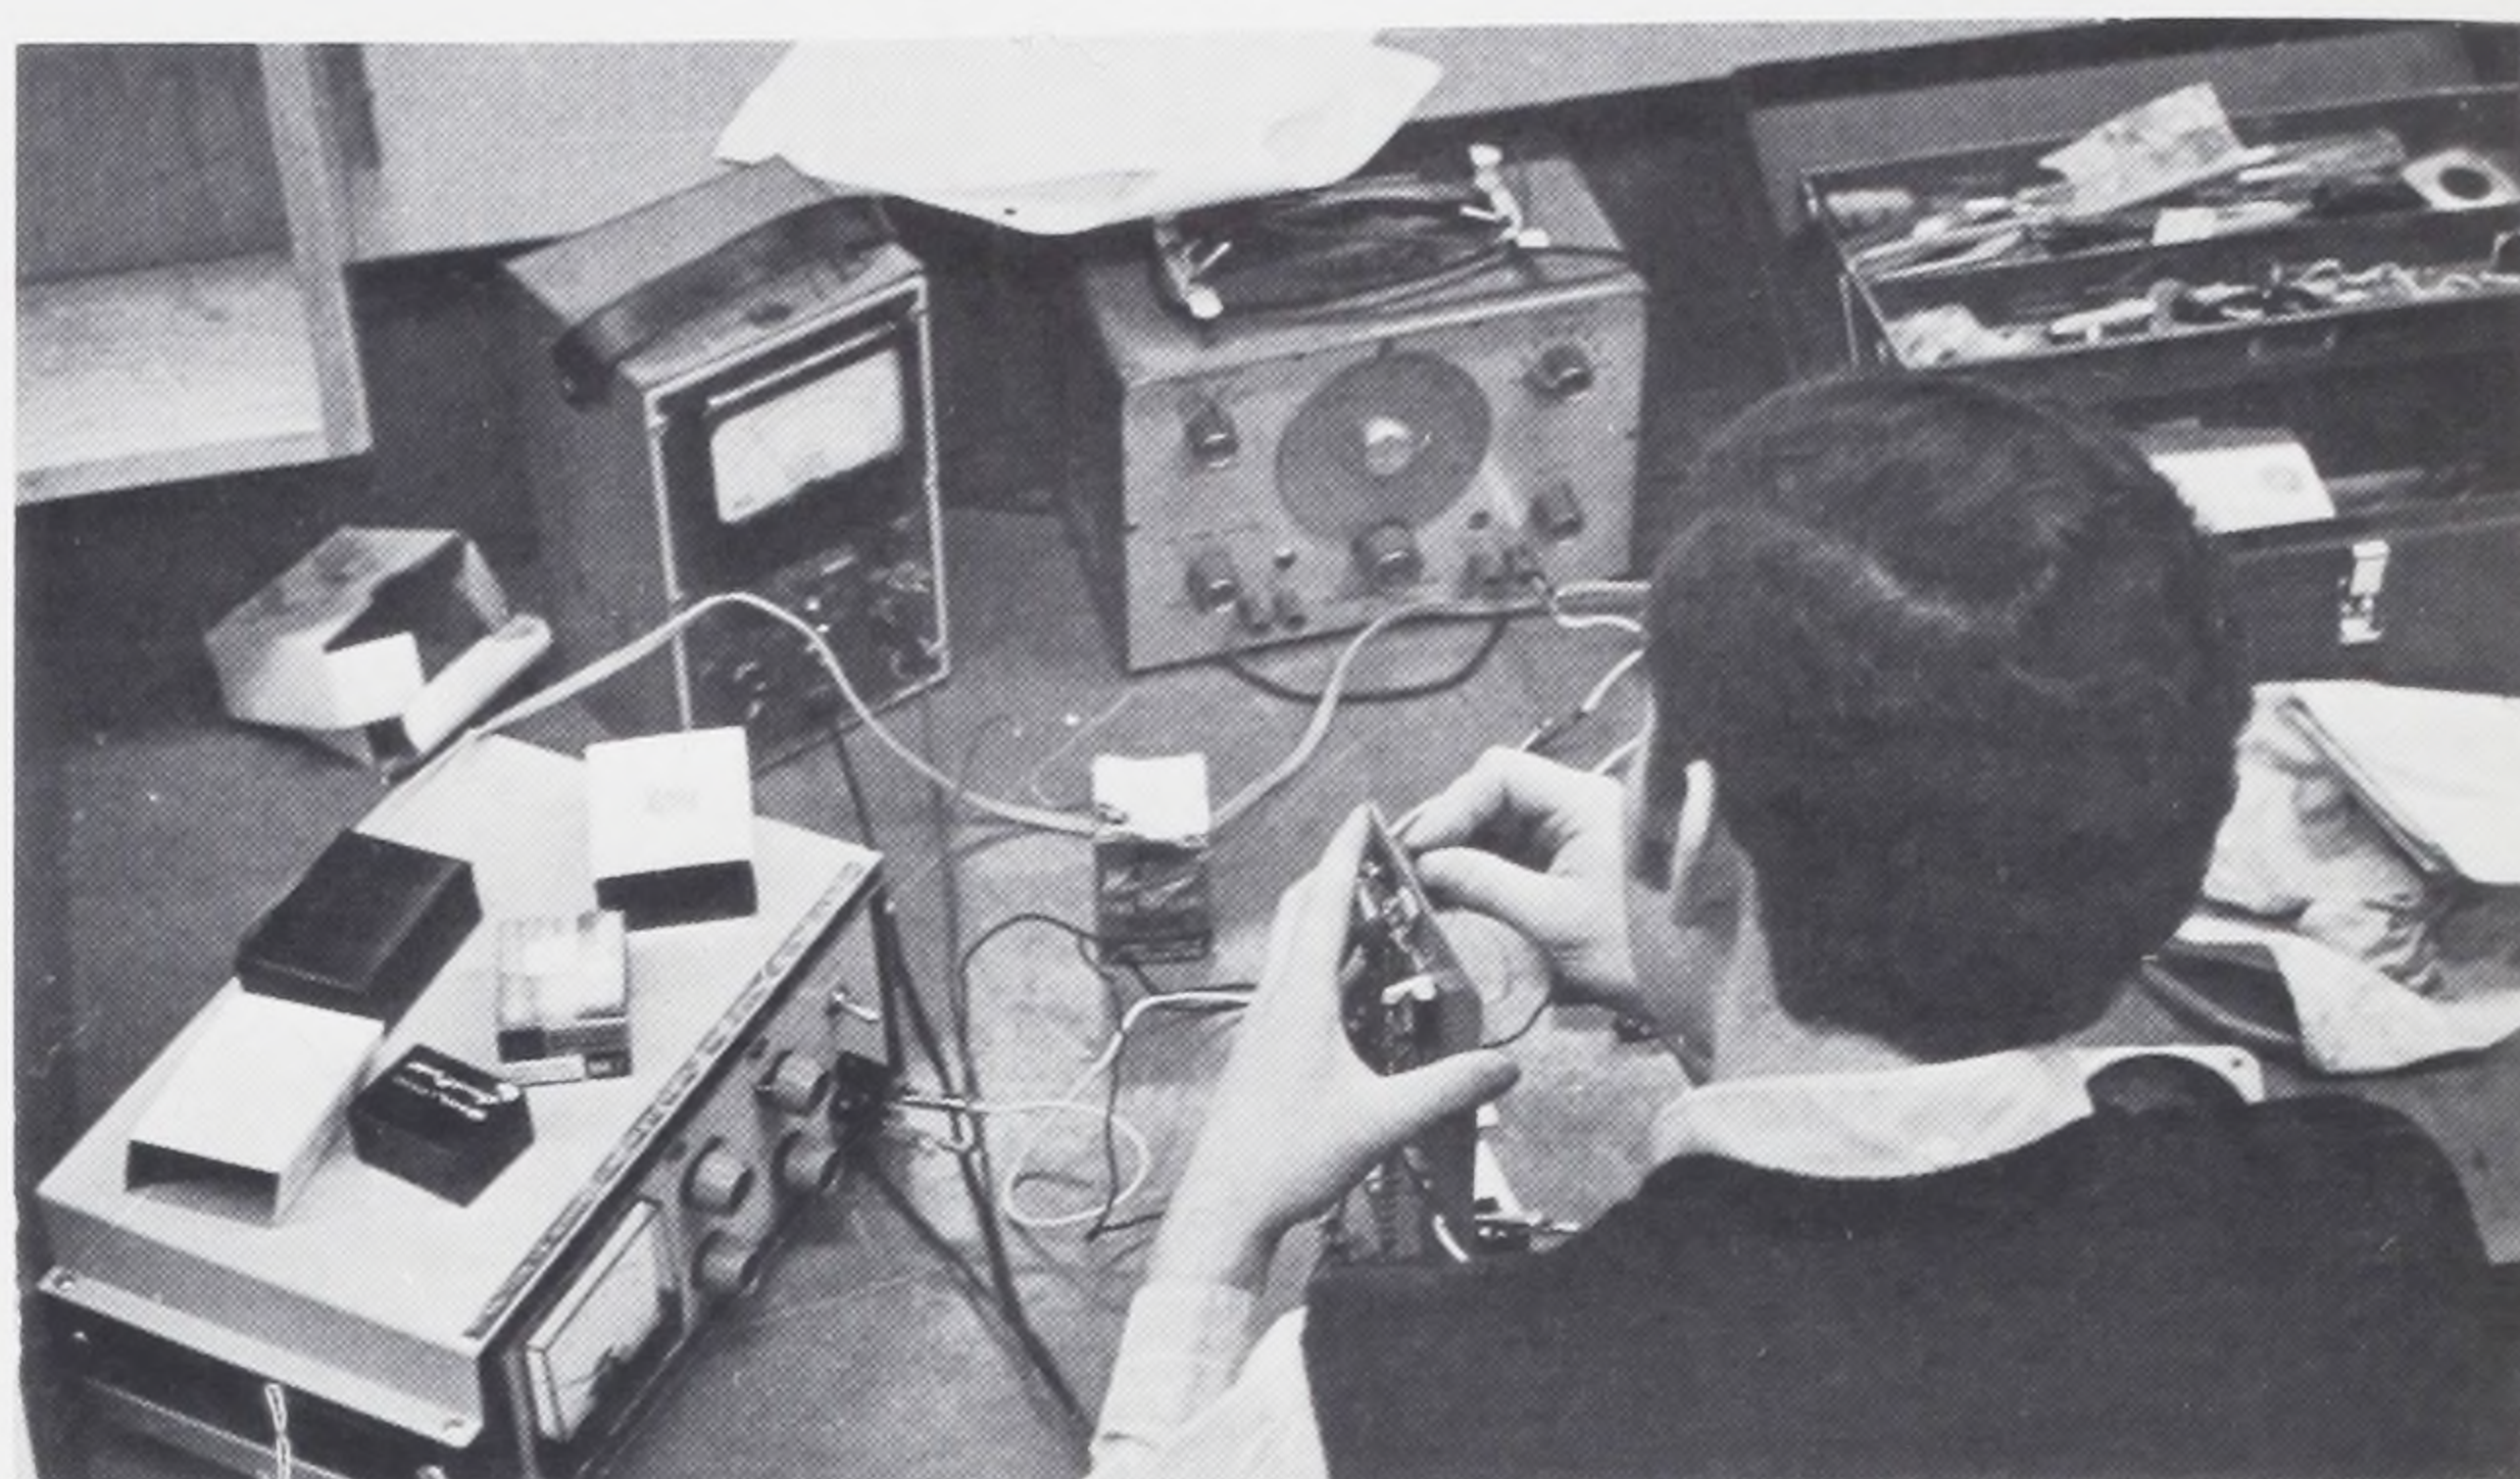

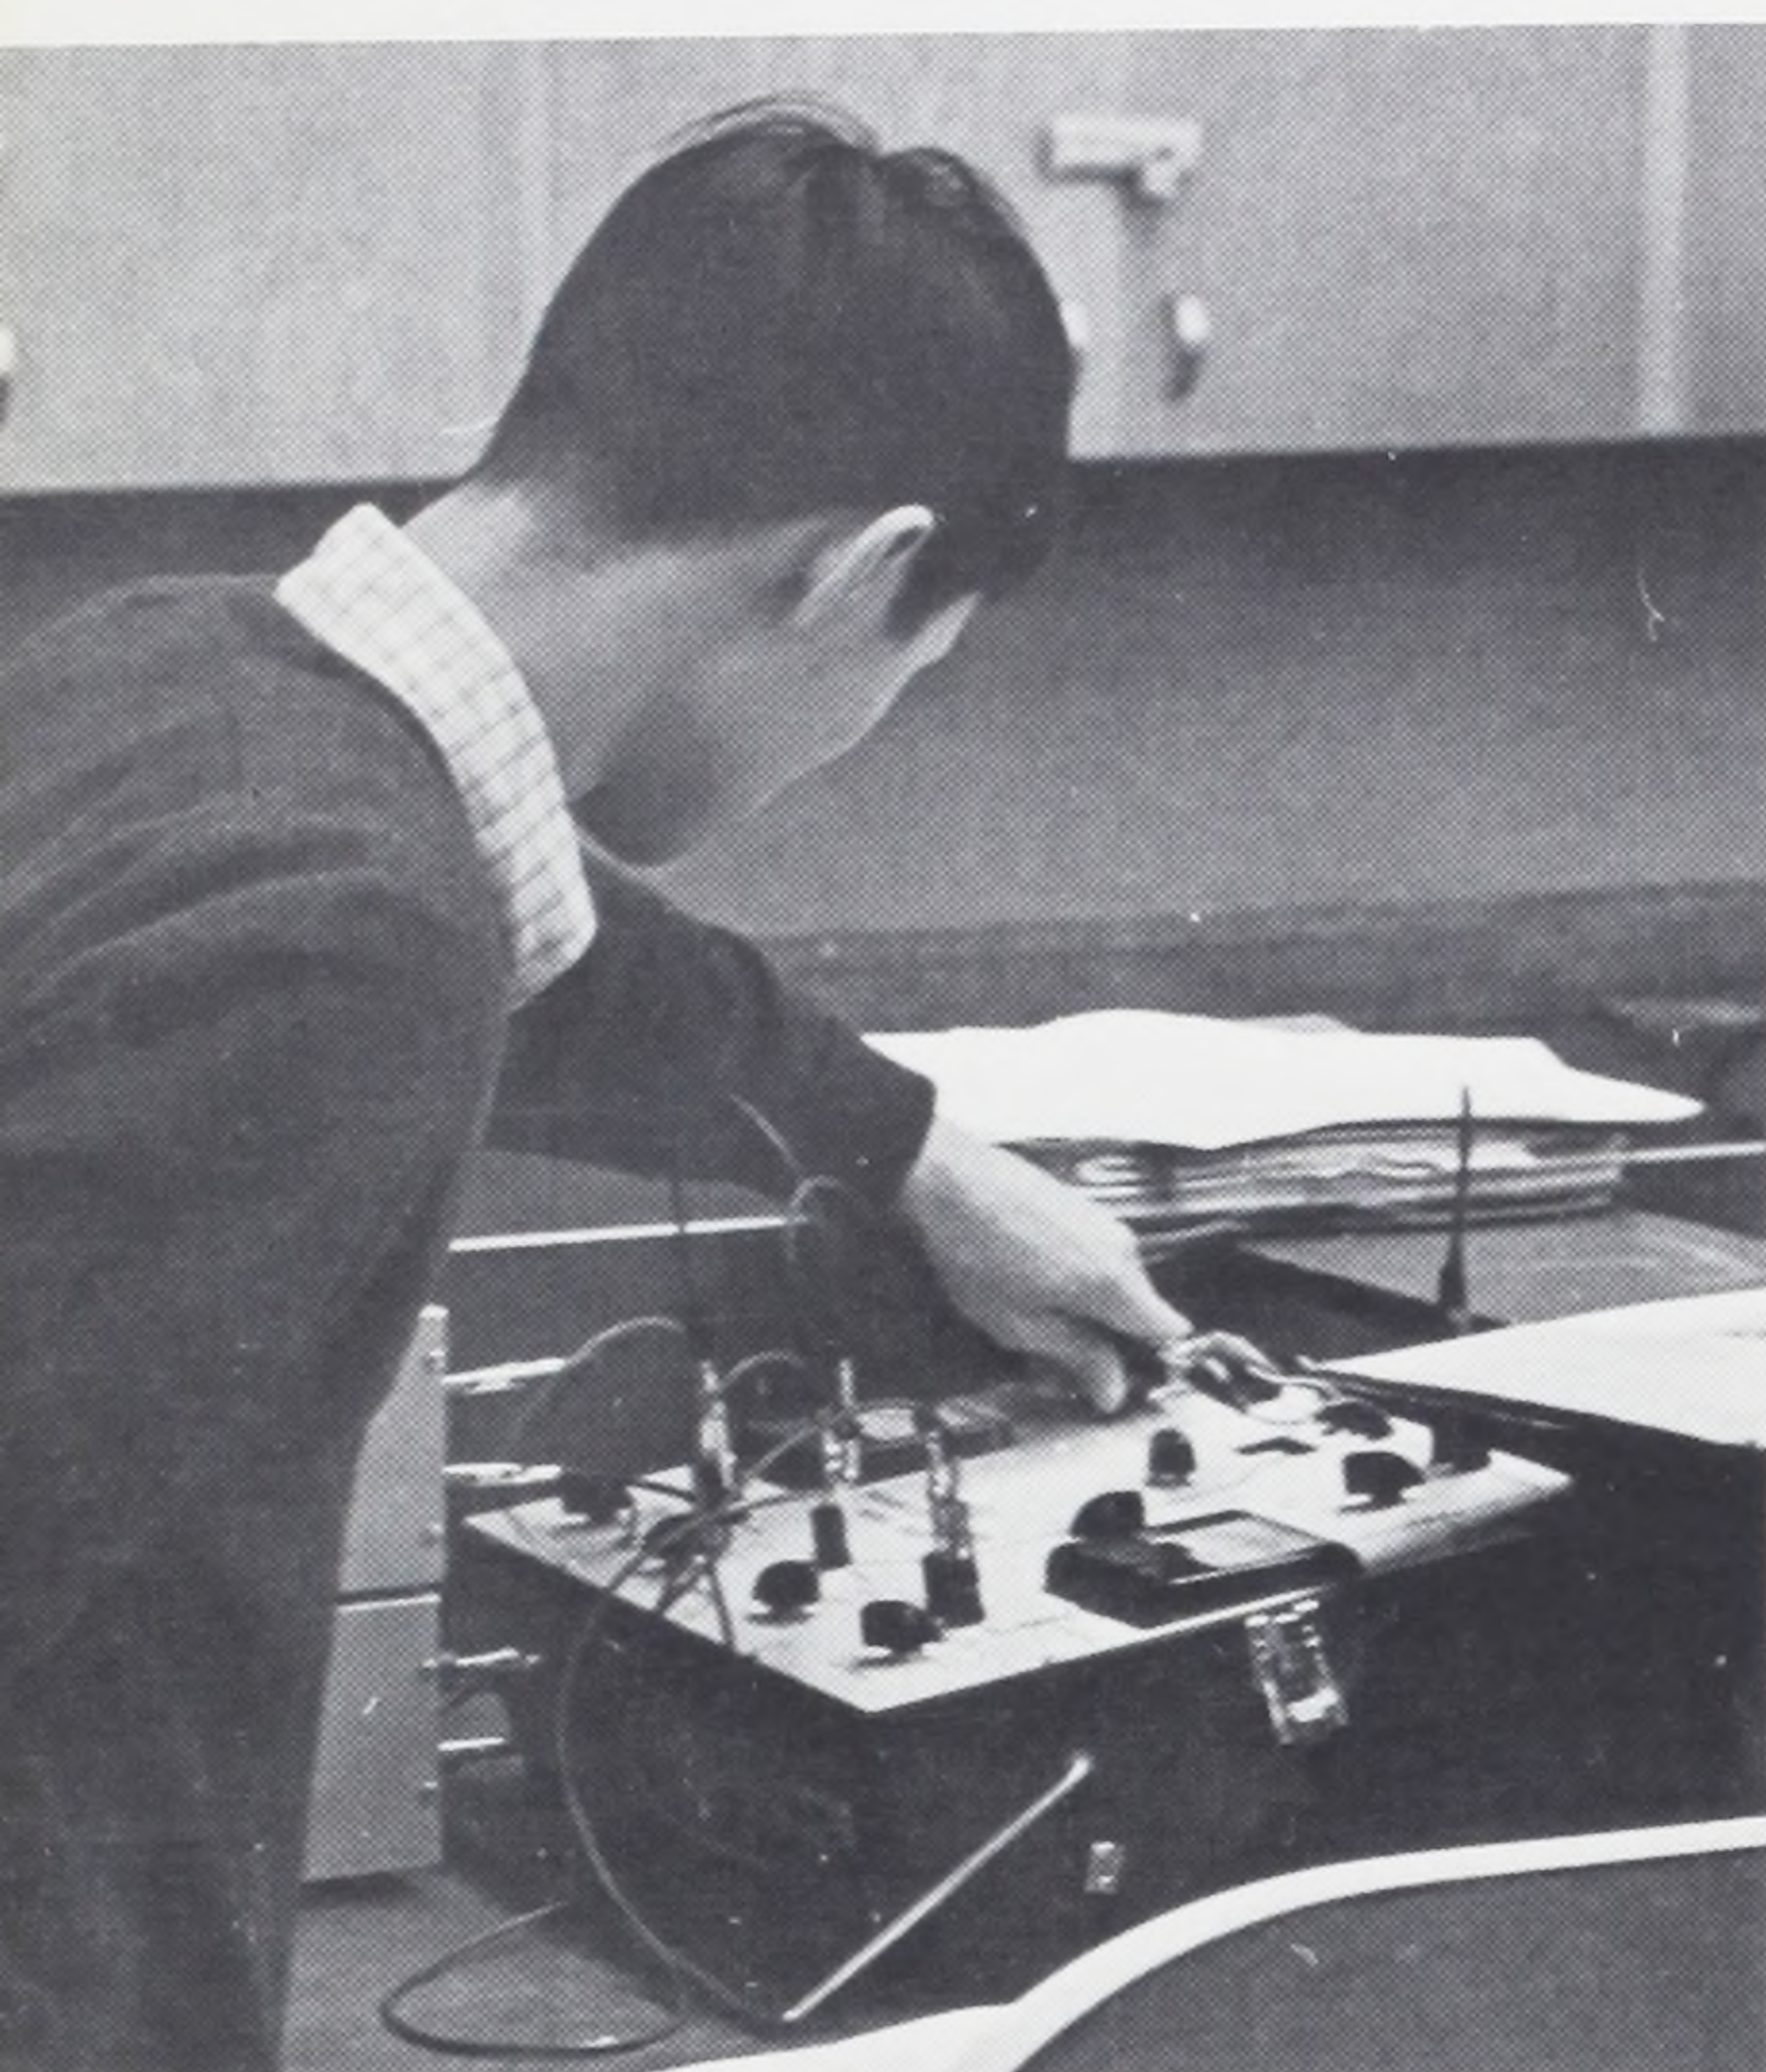

Clockwise from top: Randy Roberts and Tom Nussbaumer get some pointers from Mr. Borquist; Brain Mc-Afee checks lines on transit; John Nomie uses one of the many machines available in this shop area.

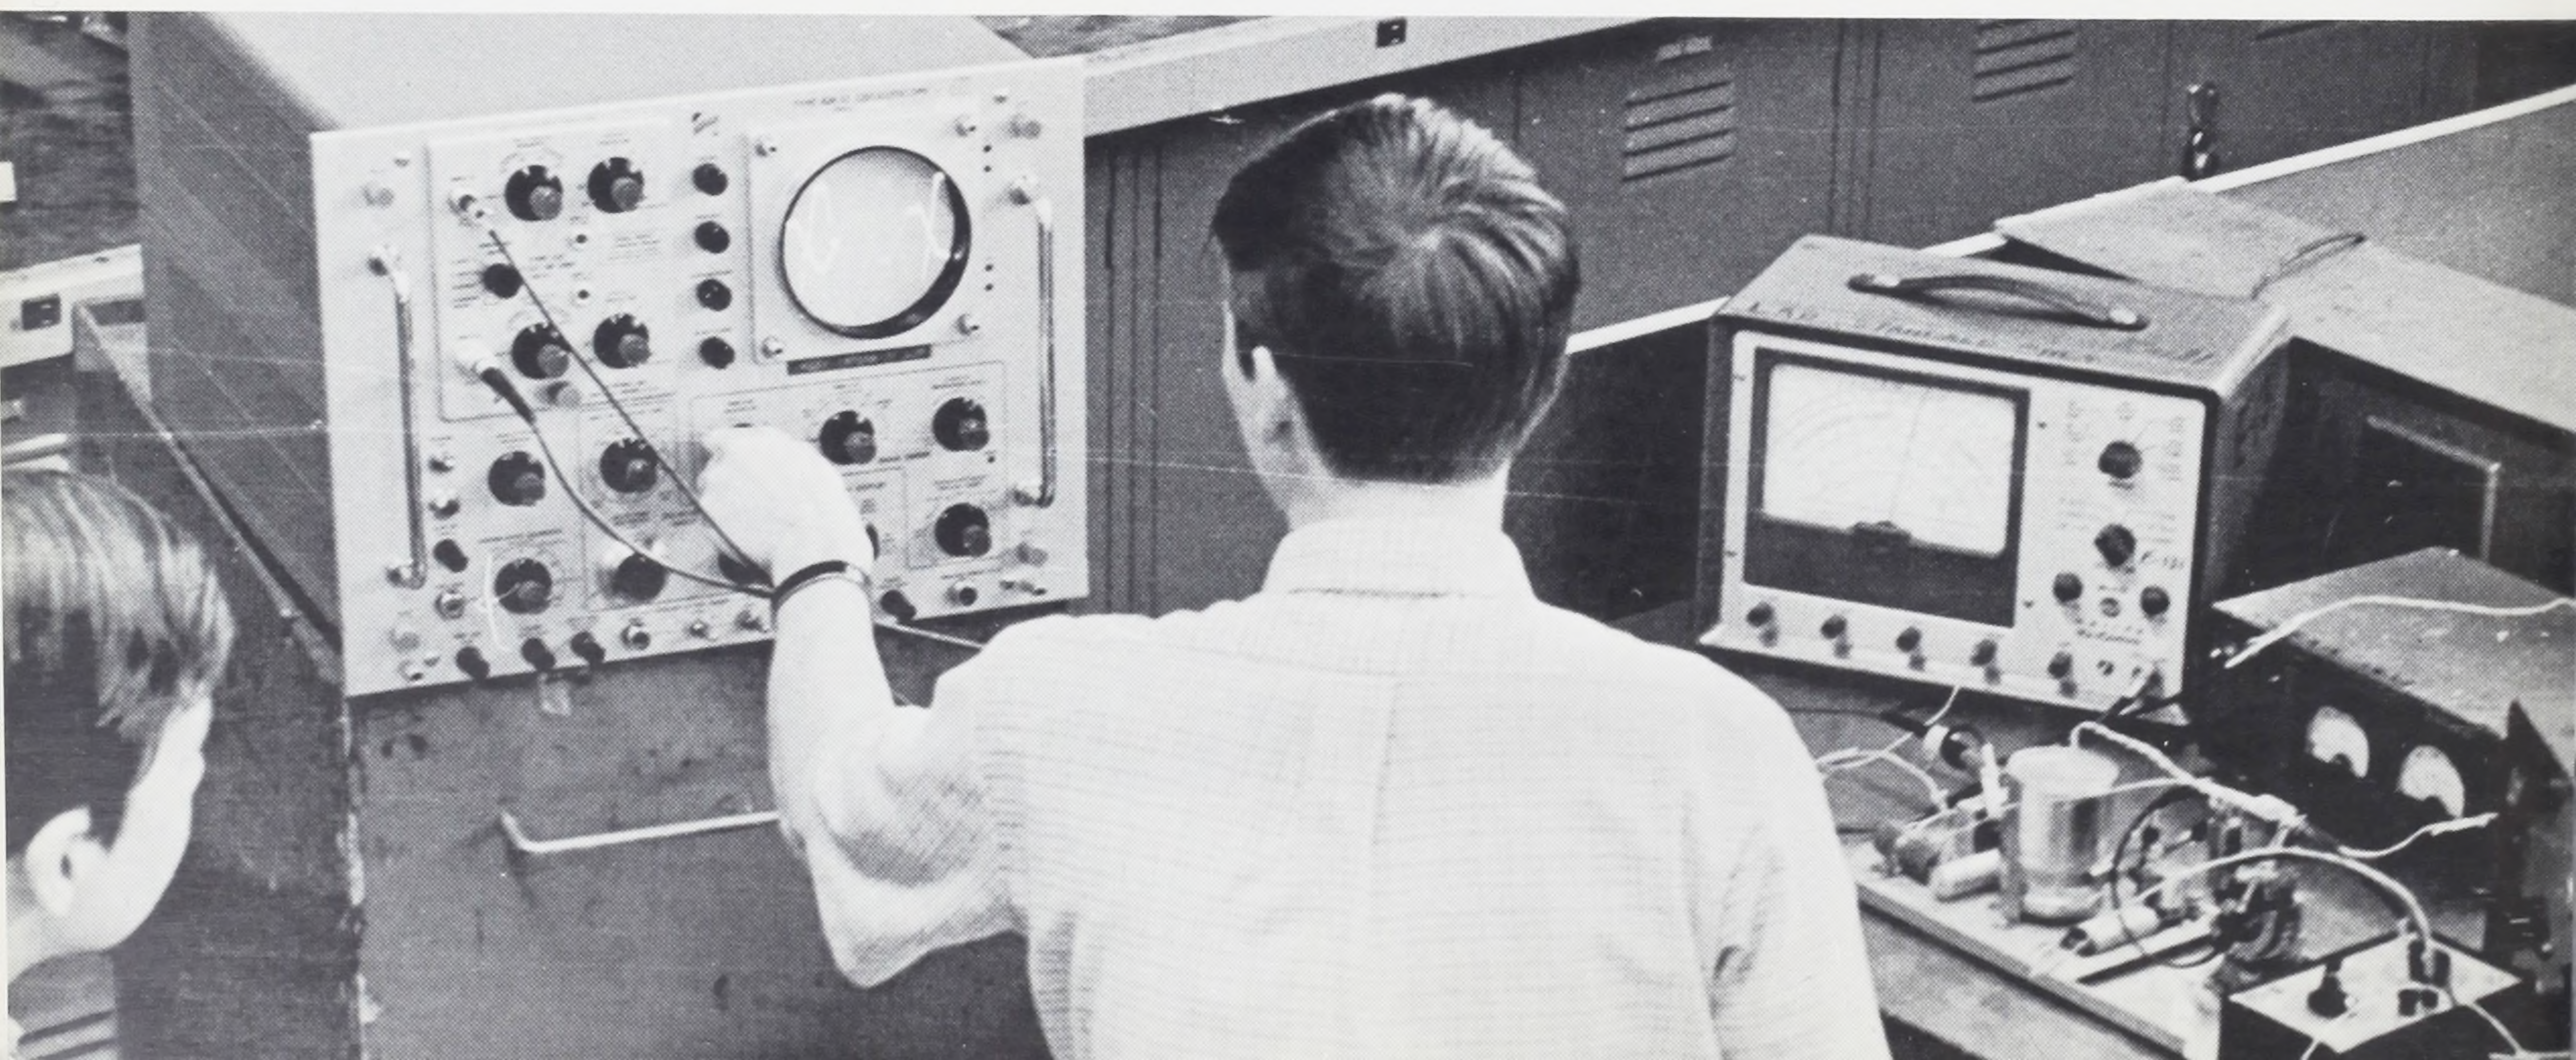

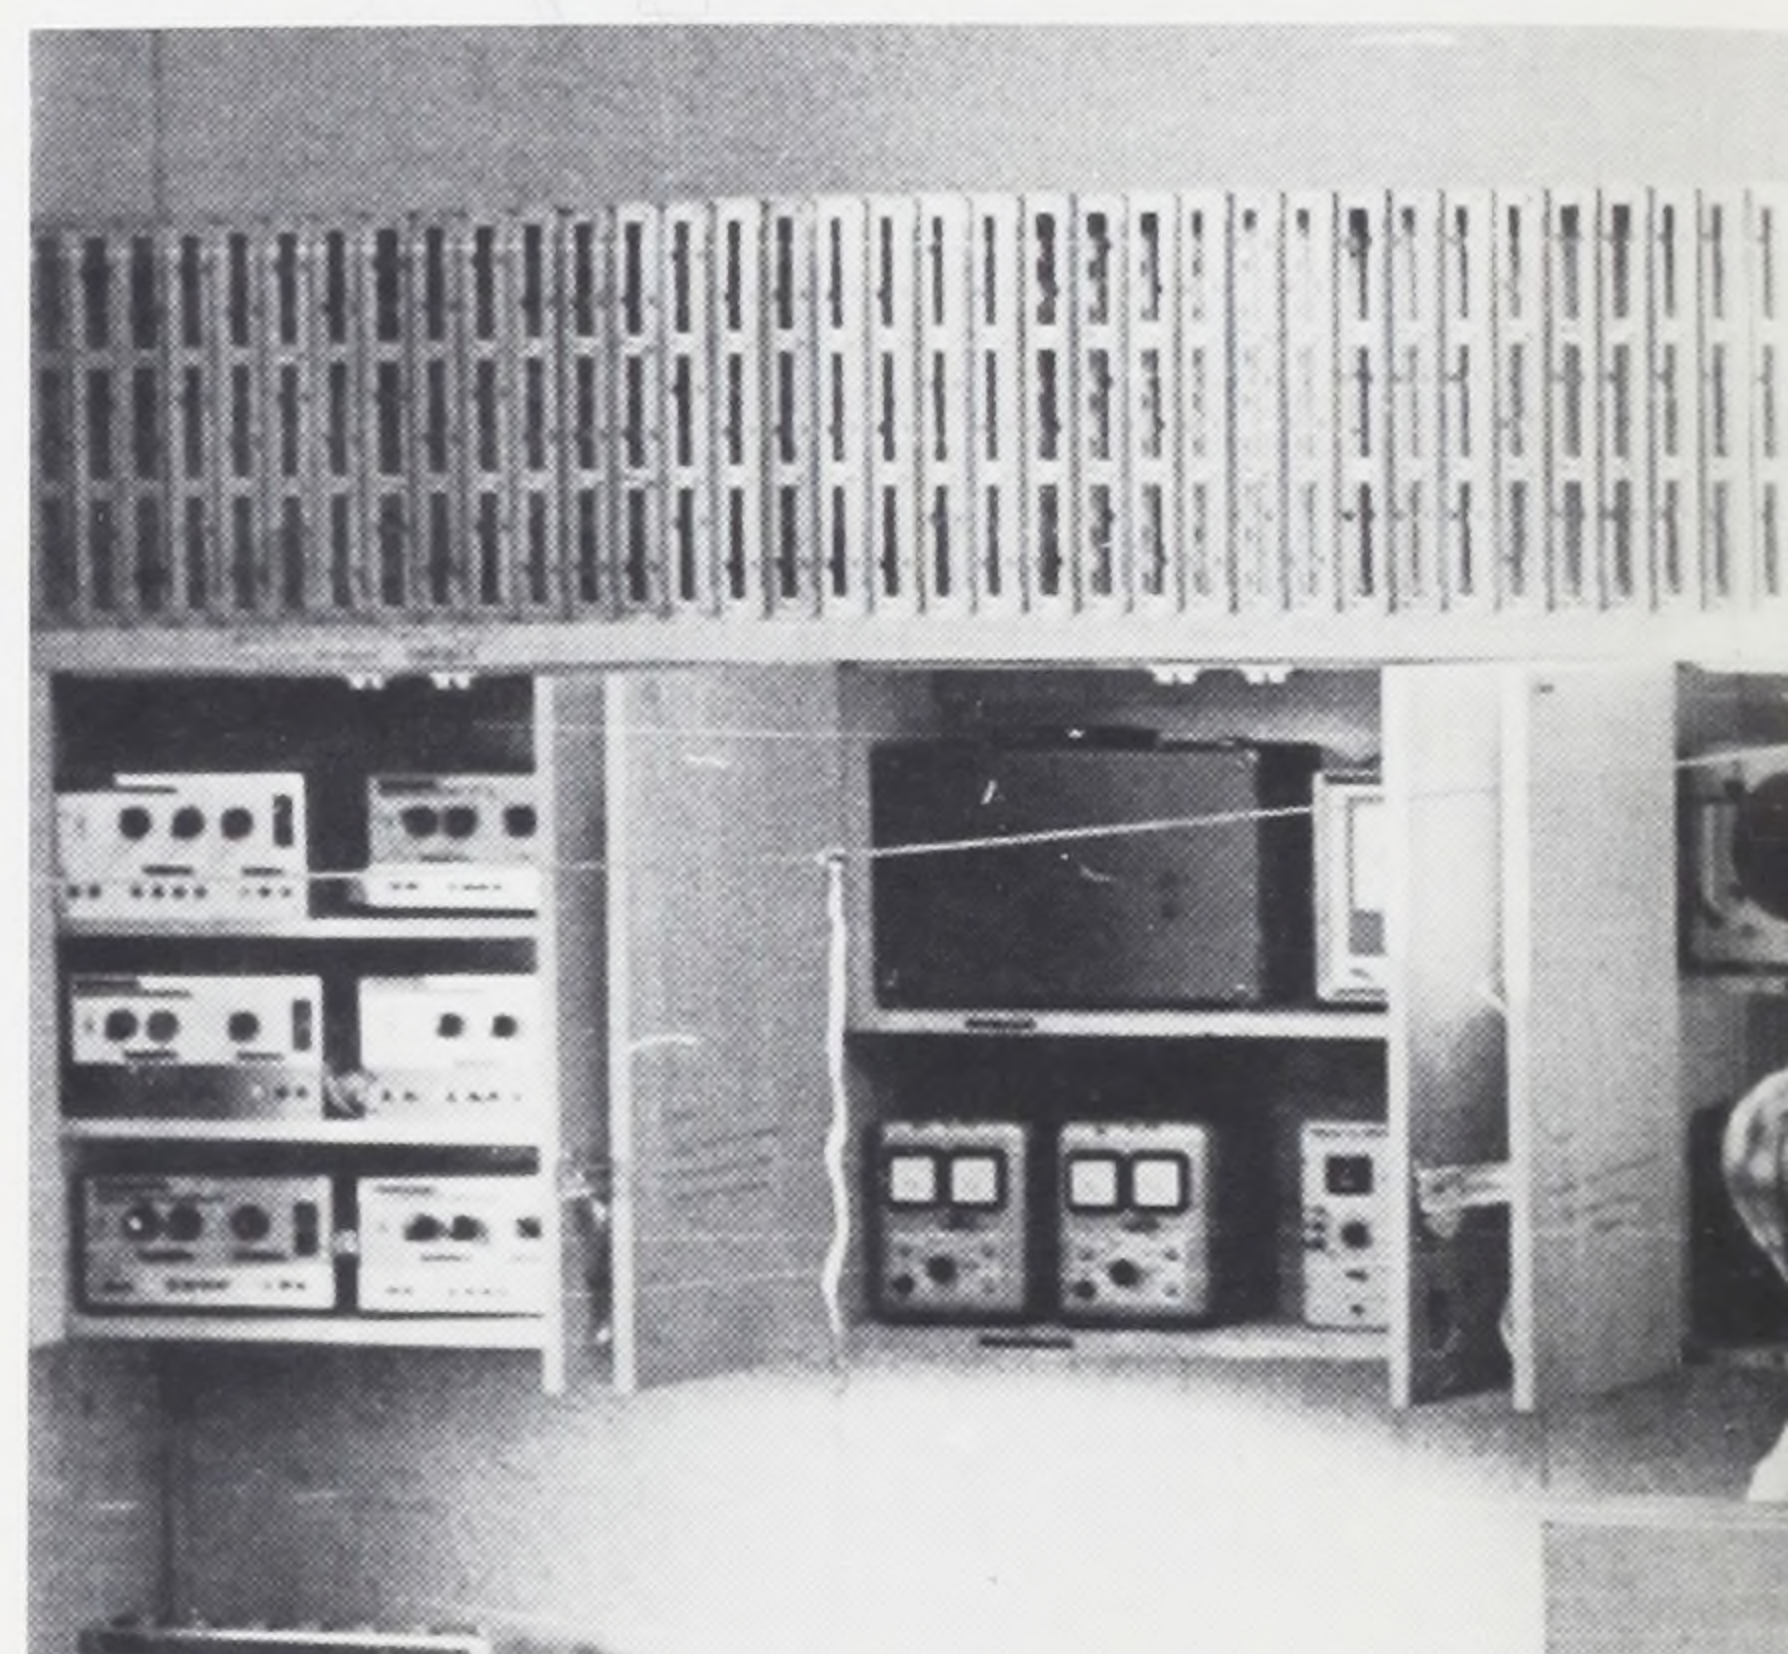

Top to bottom: Walt Johnstun uses T-square and adjustable triangle in a project; Mr. Benninghoff instructs Gary Miller and Roger Wellings in their joint project.

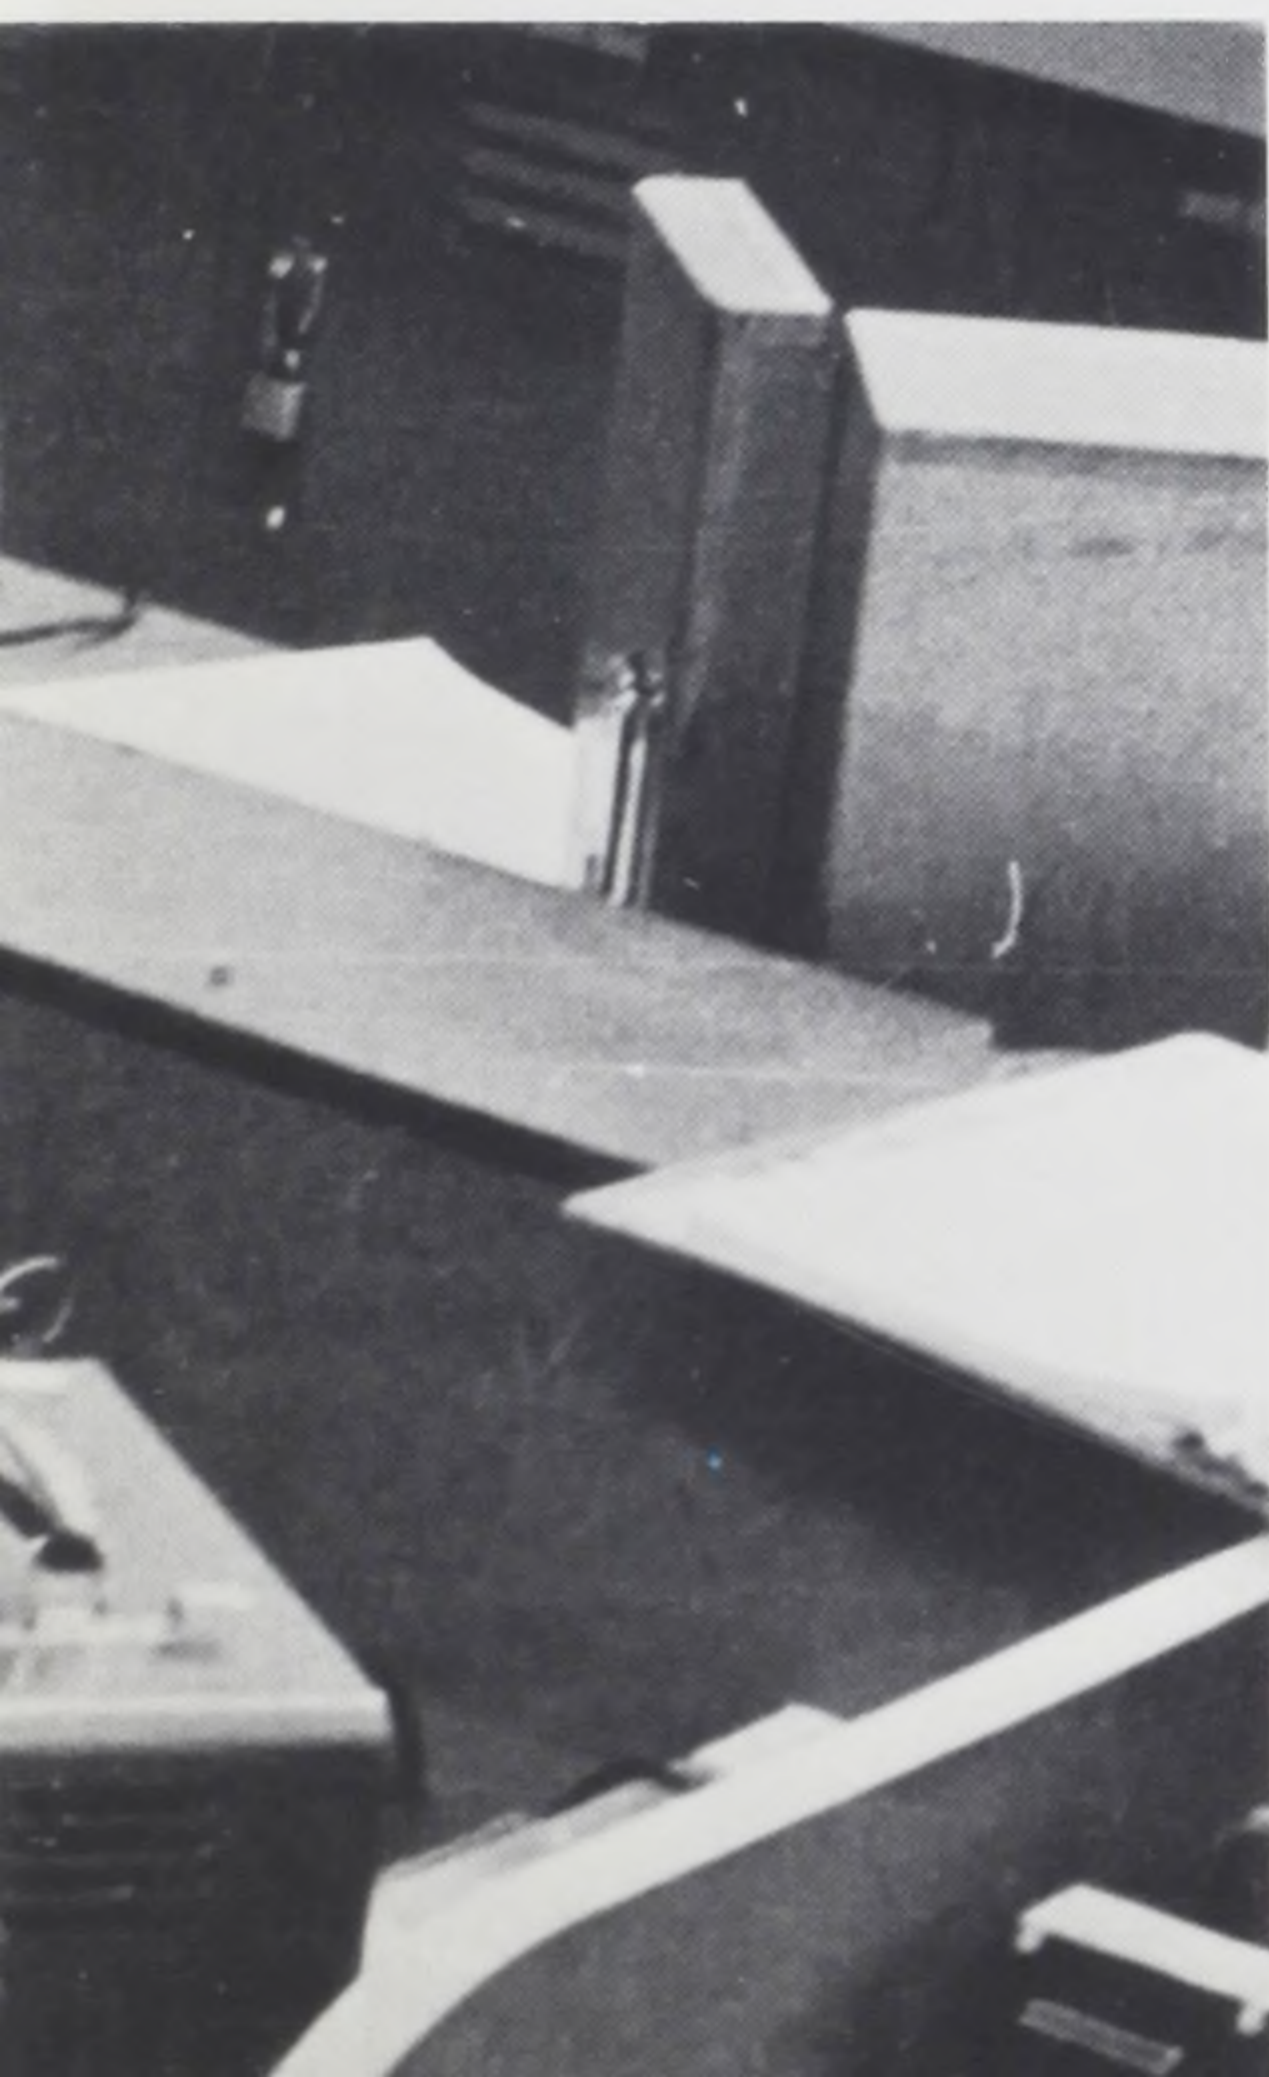

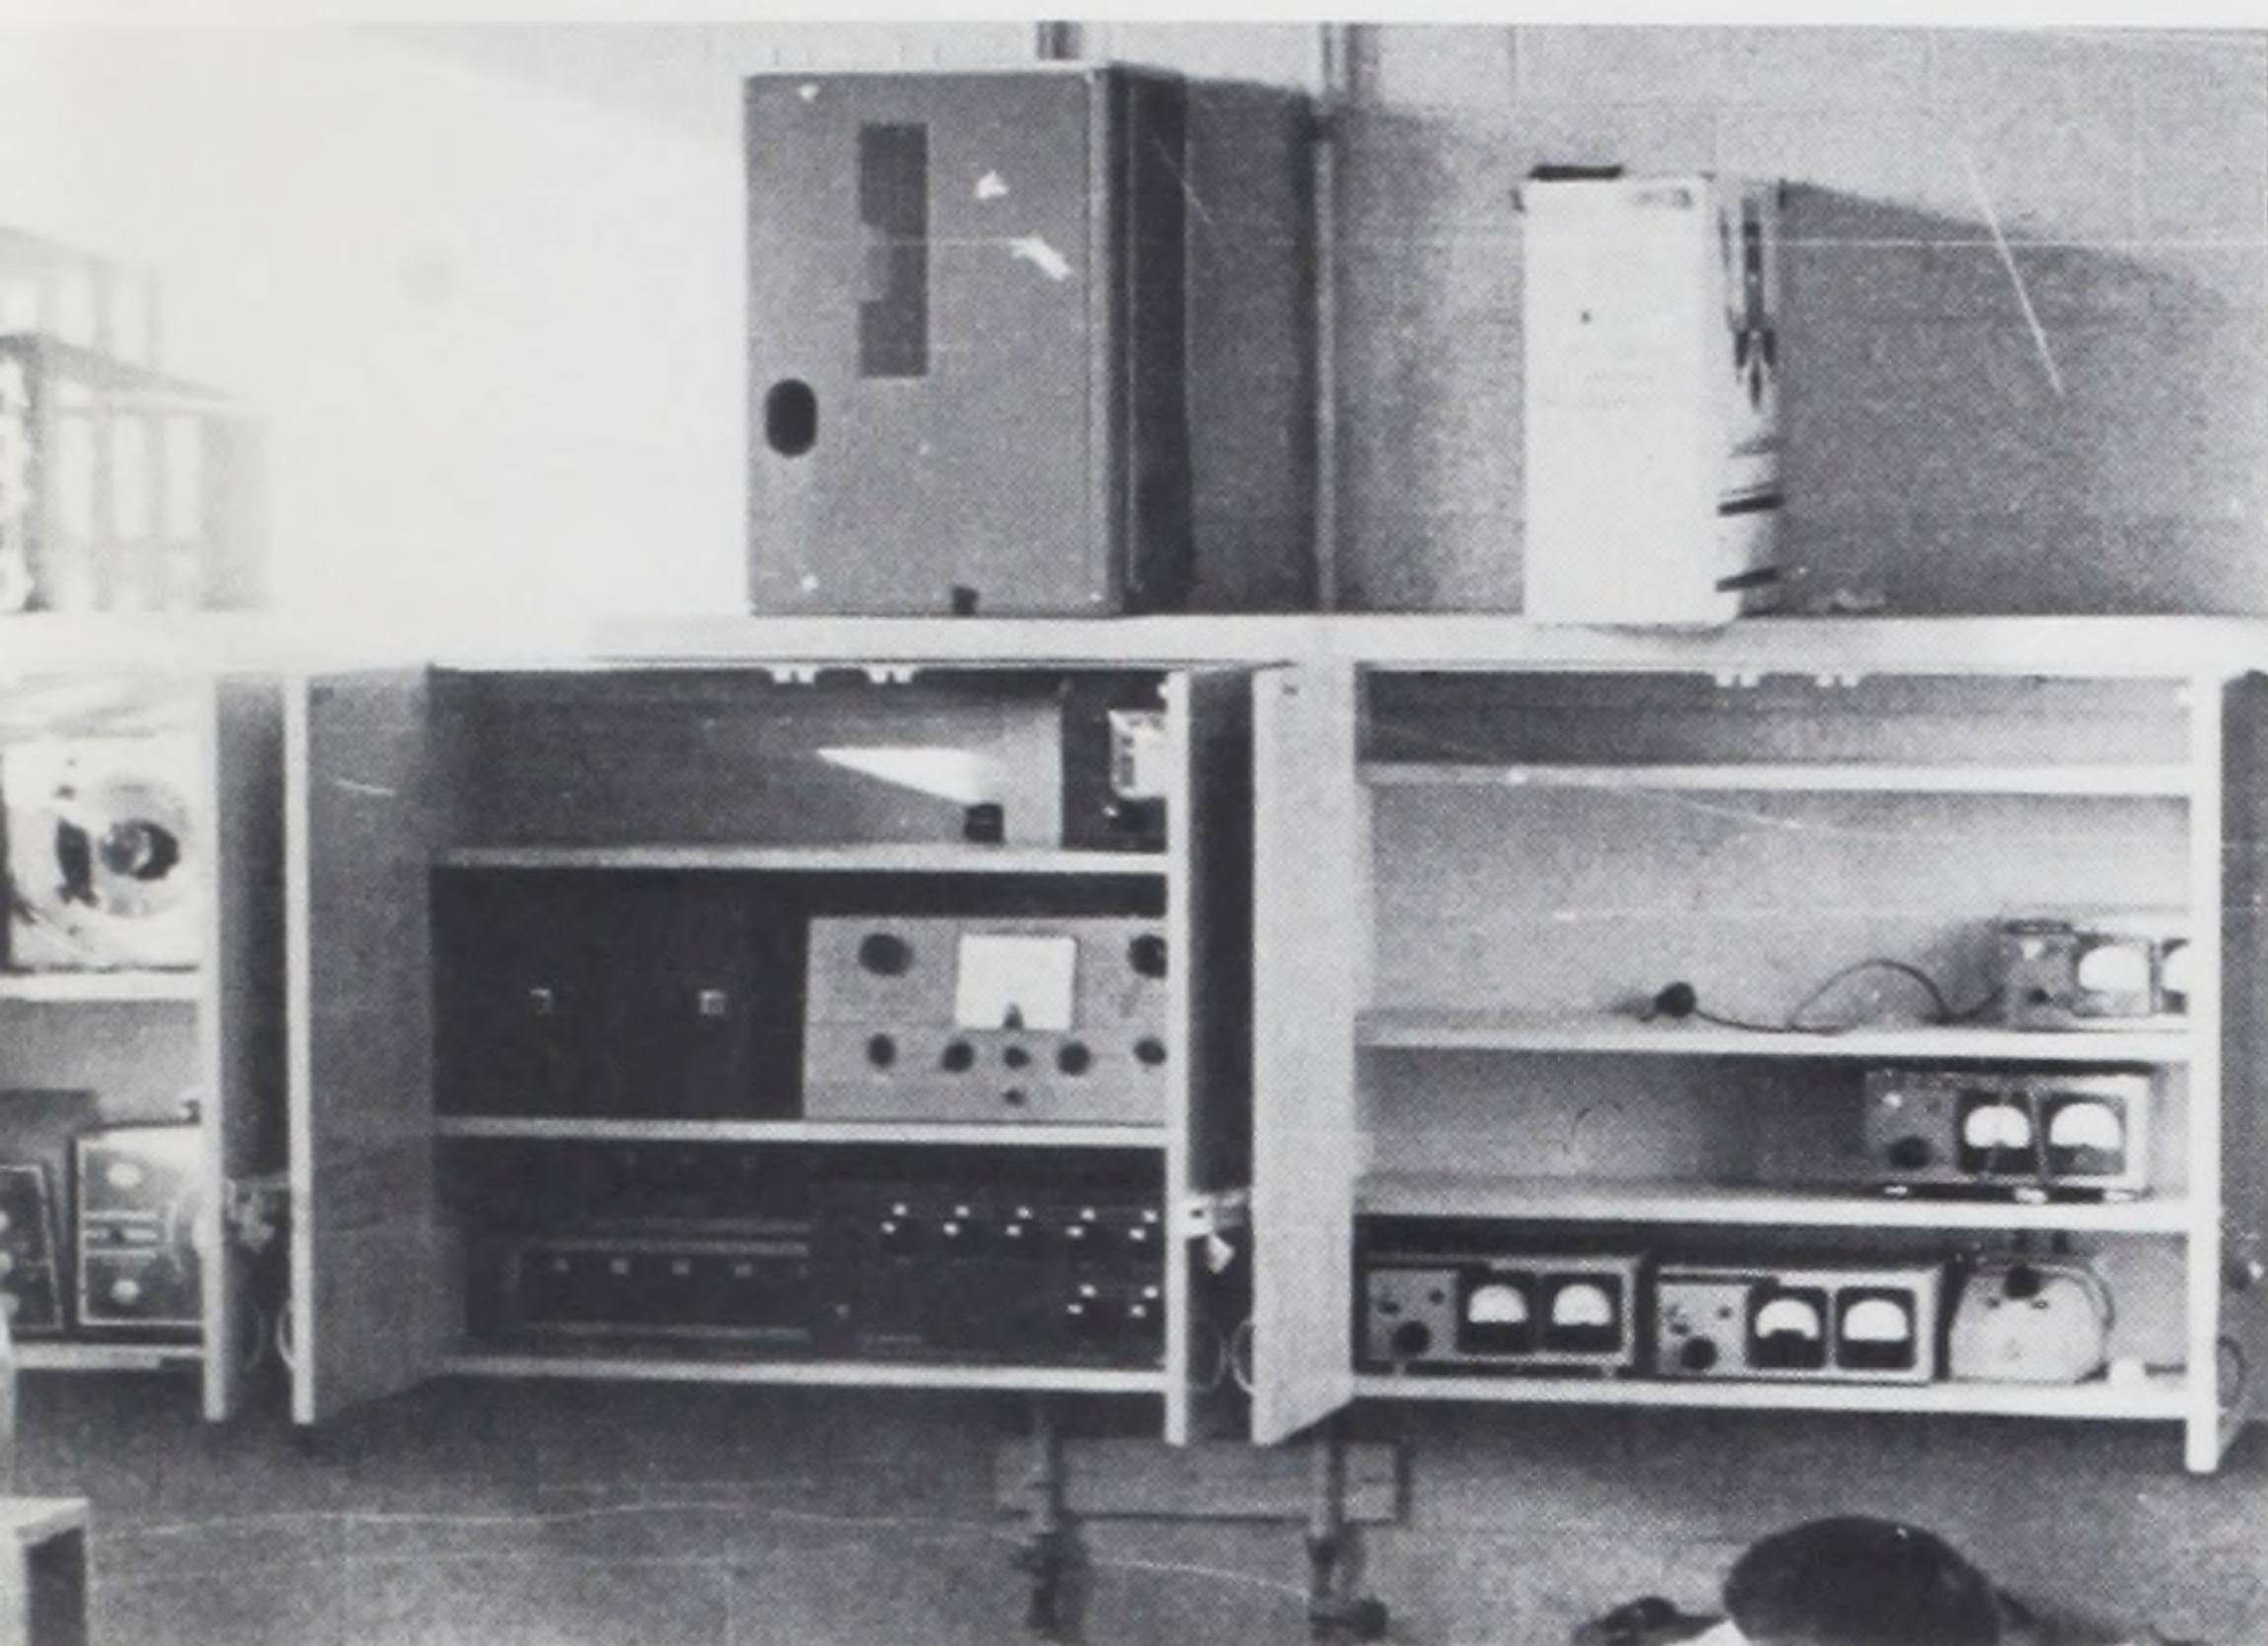

drawing

radio electronics

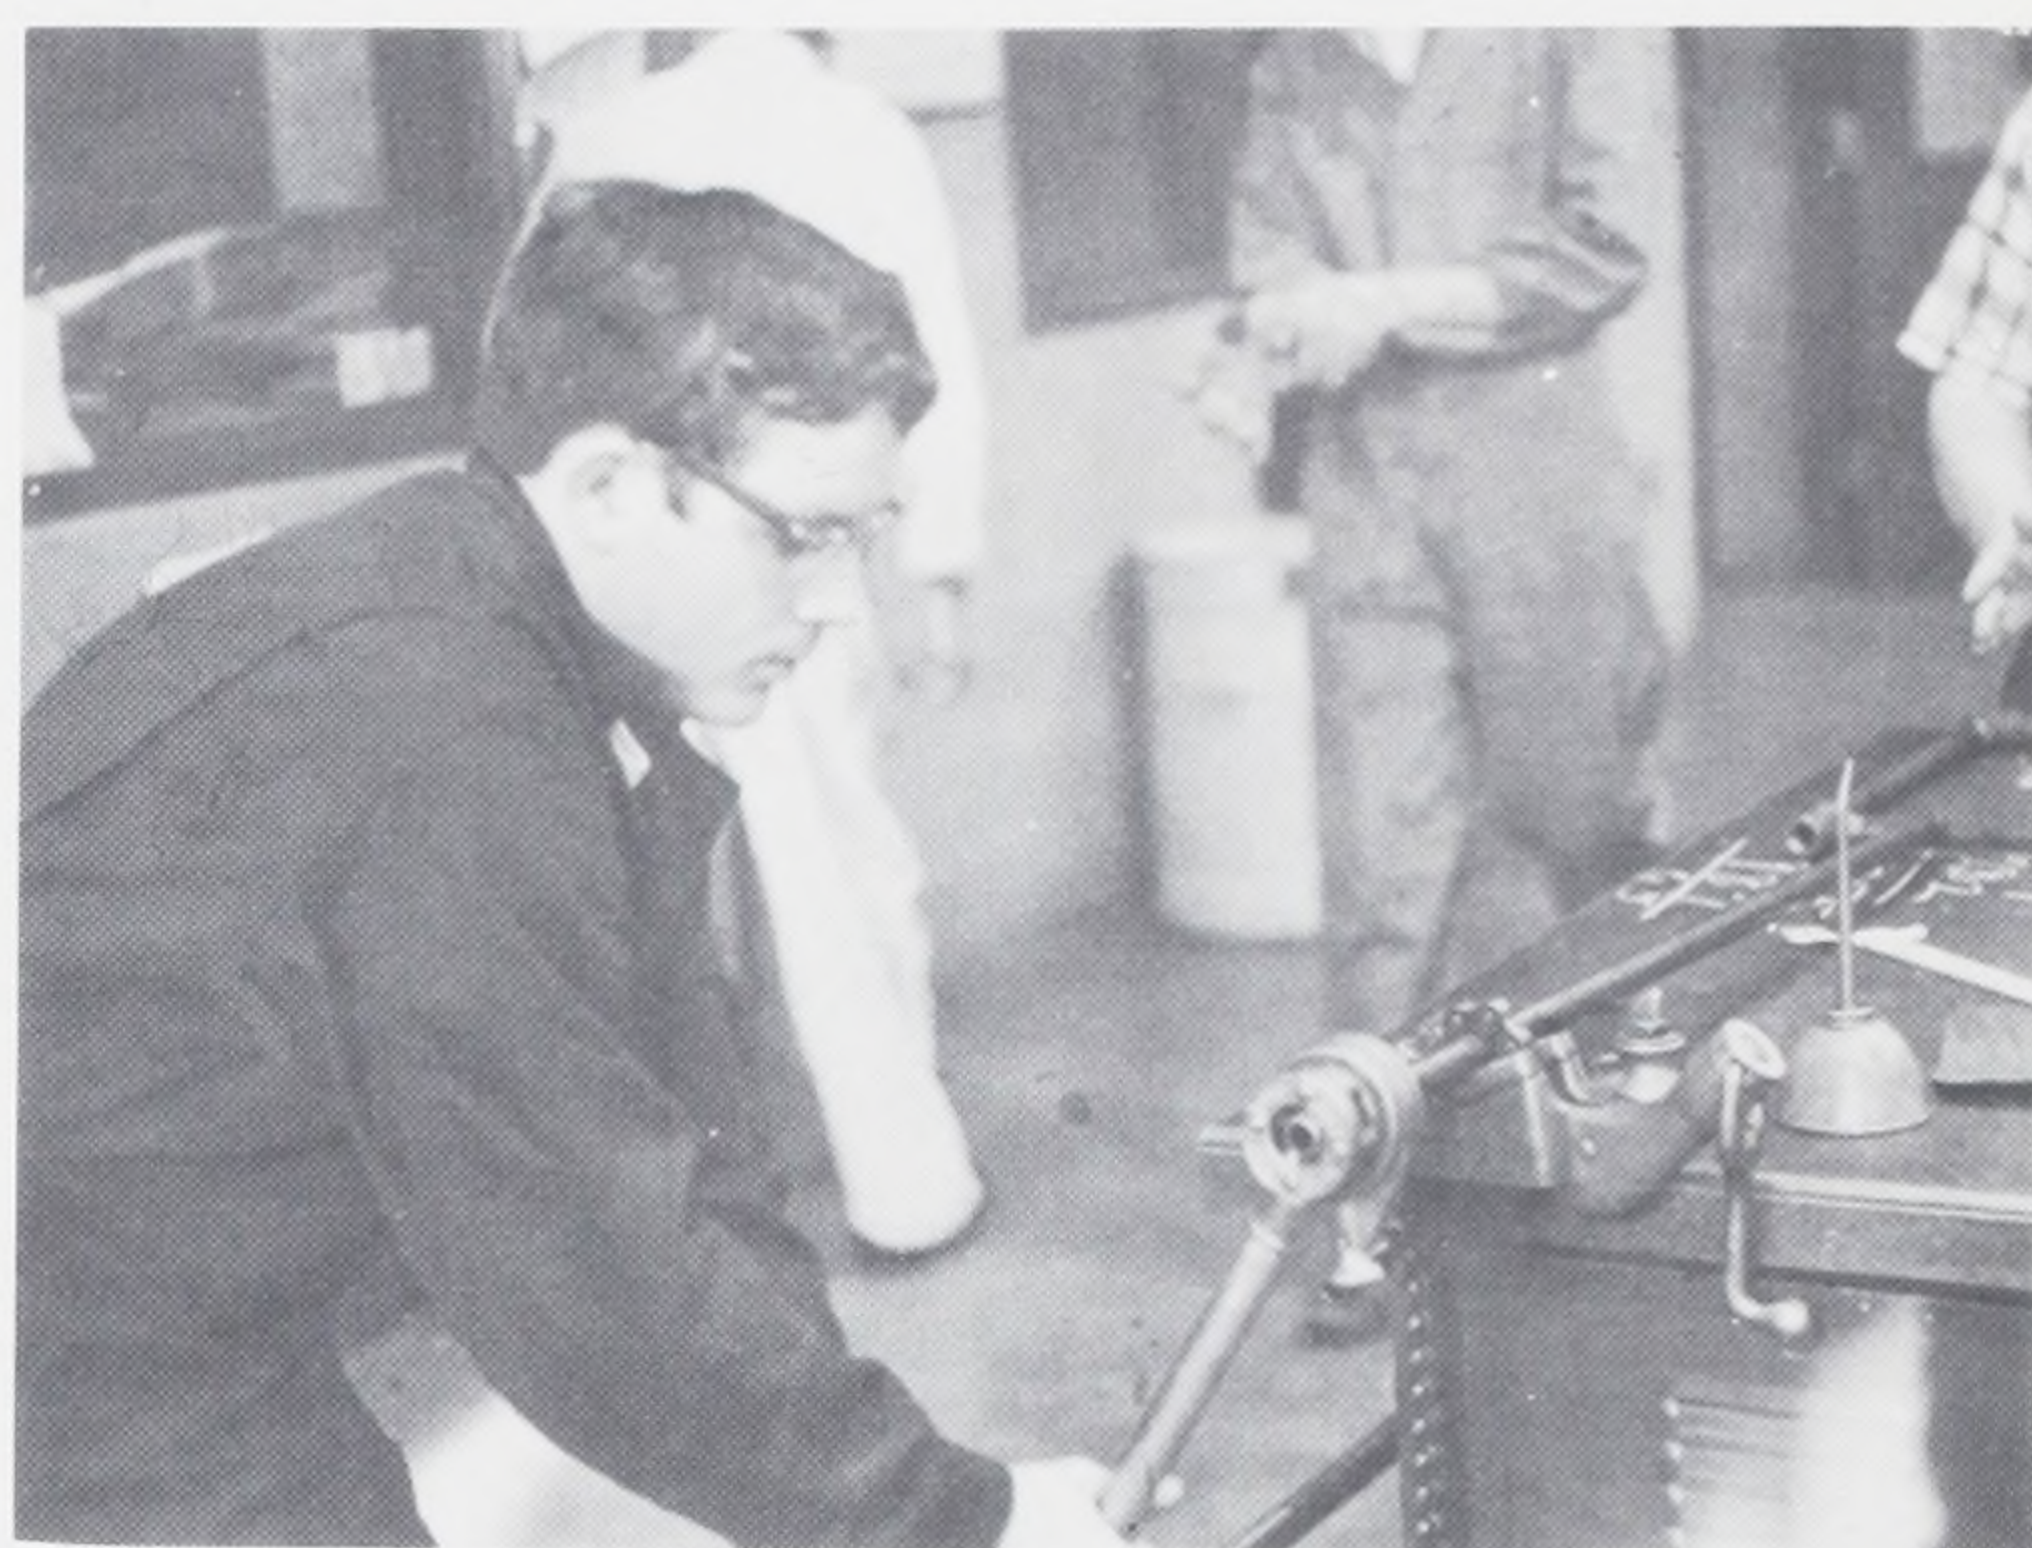

Clockwise from left: Keith Metzger tests equipment; Tom Louie tests tubes; David Herrern tests sound circuit; Larry De Block tests voltage in circuit; David Lee uses oscilloscope to check signals. Center: composite of some of the many varied pieces of equipment used in this shop area.

Clockwise from below: Kim Brekke threads a pipe; Clarence Shock tightens pipe joint; Mr. Richard Williams explains finer points to Clyde Higdon, Bob Clow and Dave Gams.

plumbing

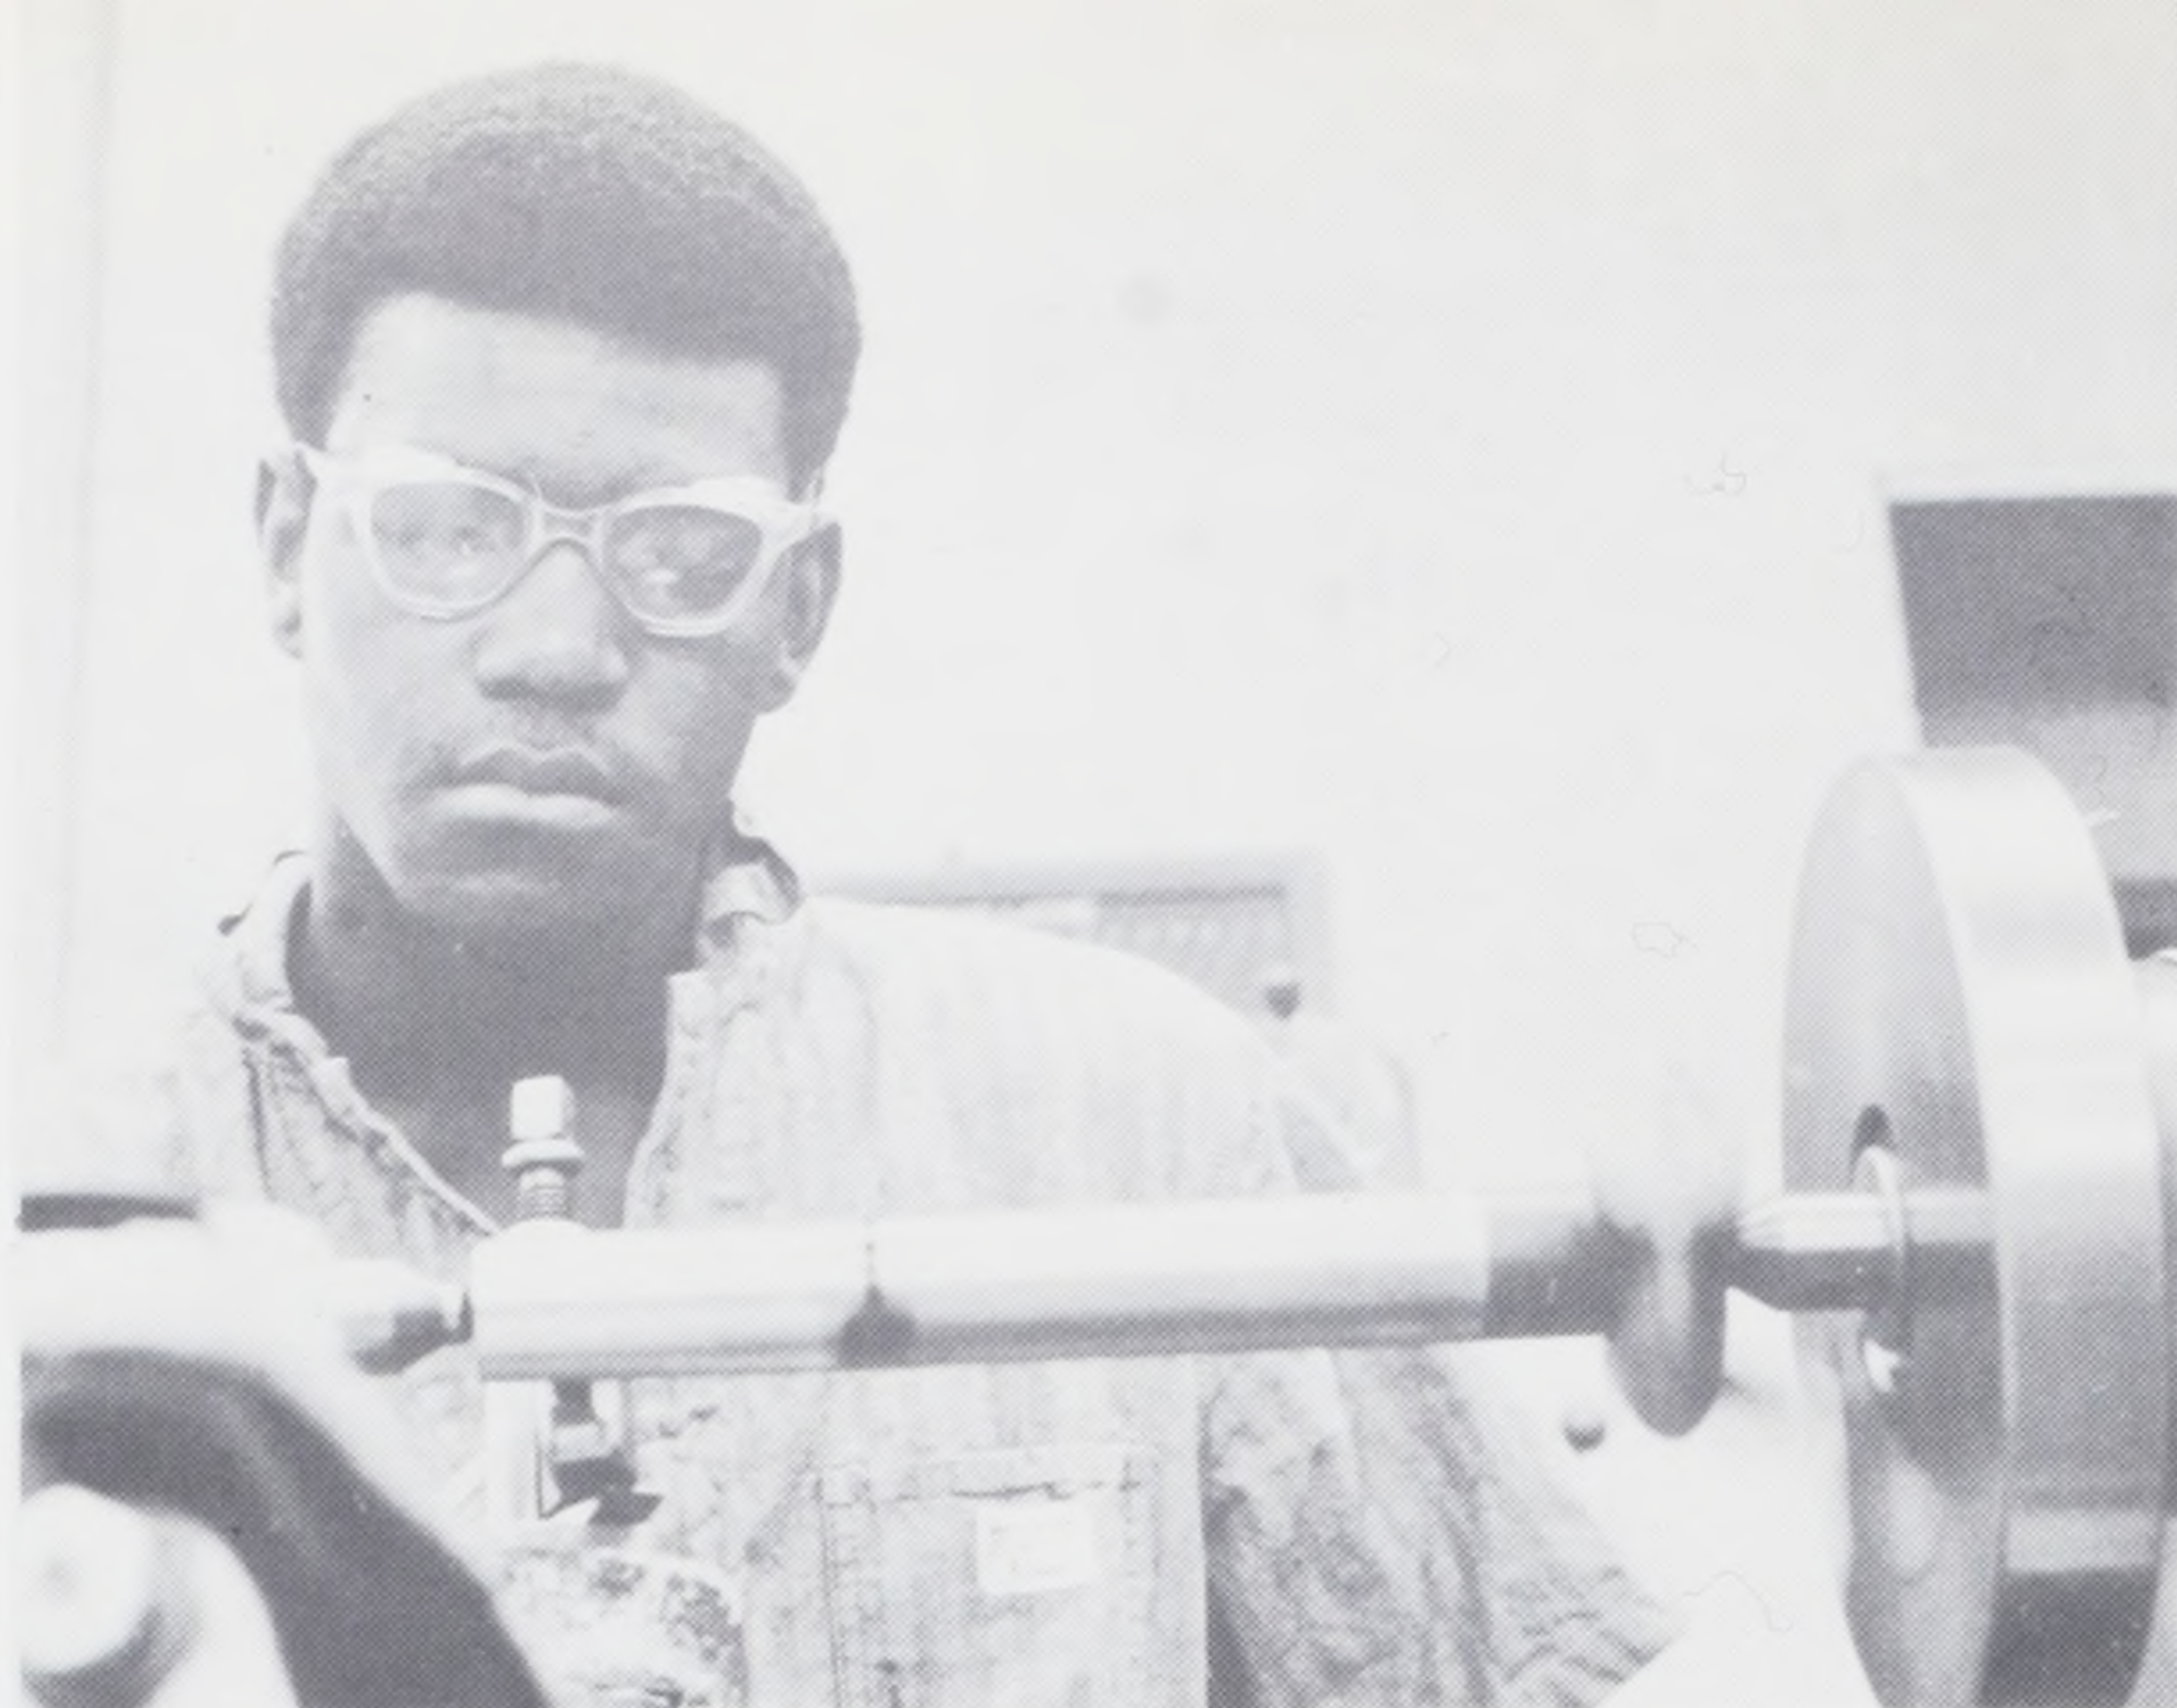

Clockwise from right: Dale Kovach and Jim Yoder check a generator; Steve Steller wires a fuse box; Tim Tuttle and Garret Branderhorst double up on a fuse box; Center, Al Levi solders an armature.

electric

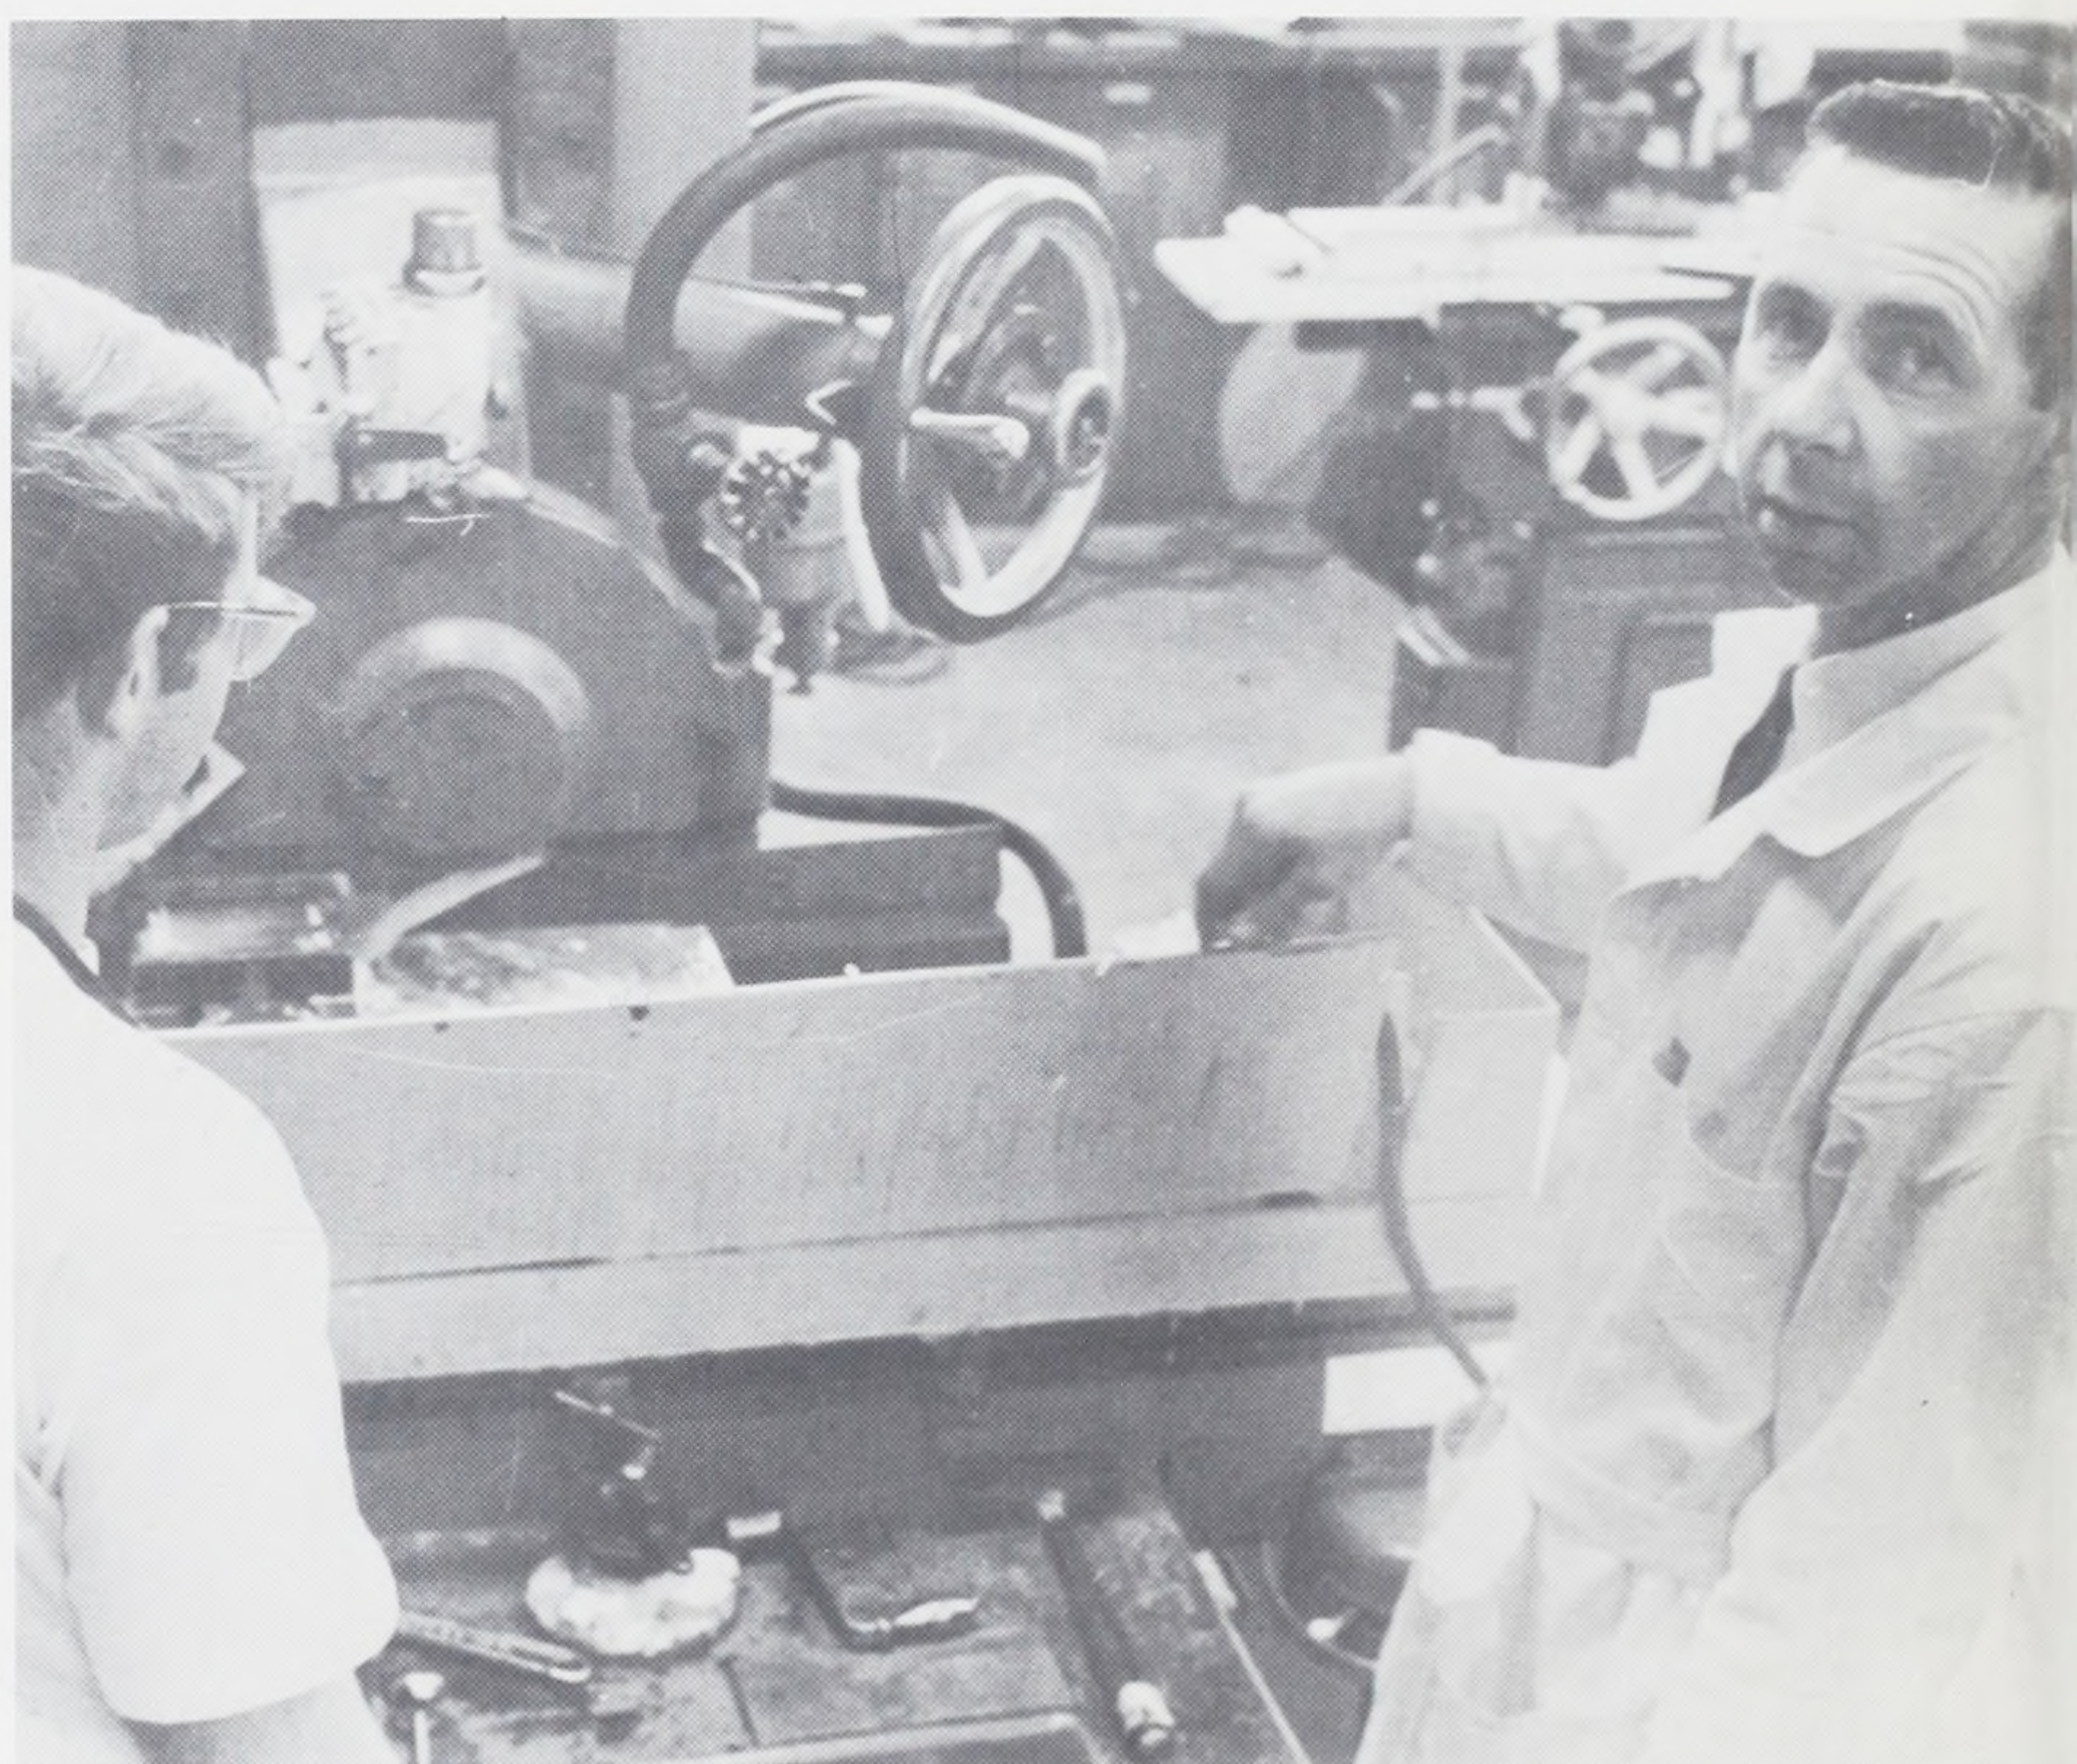

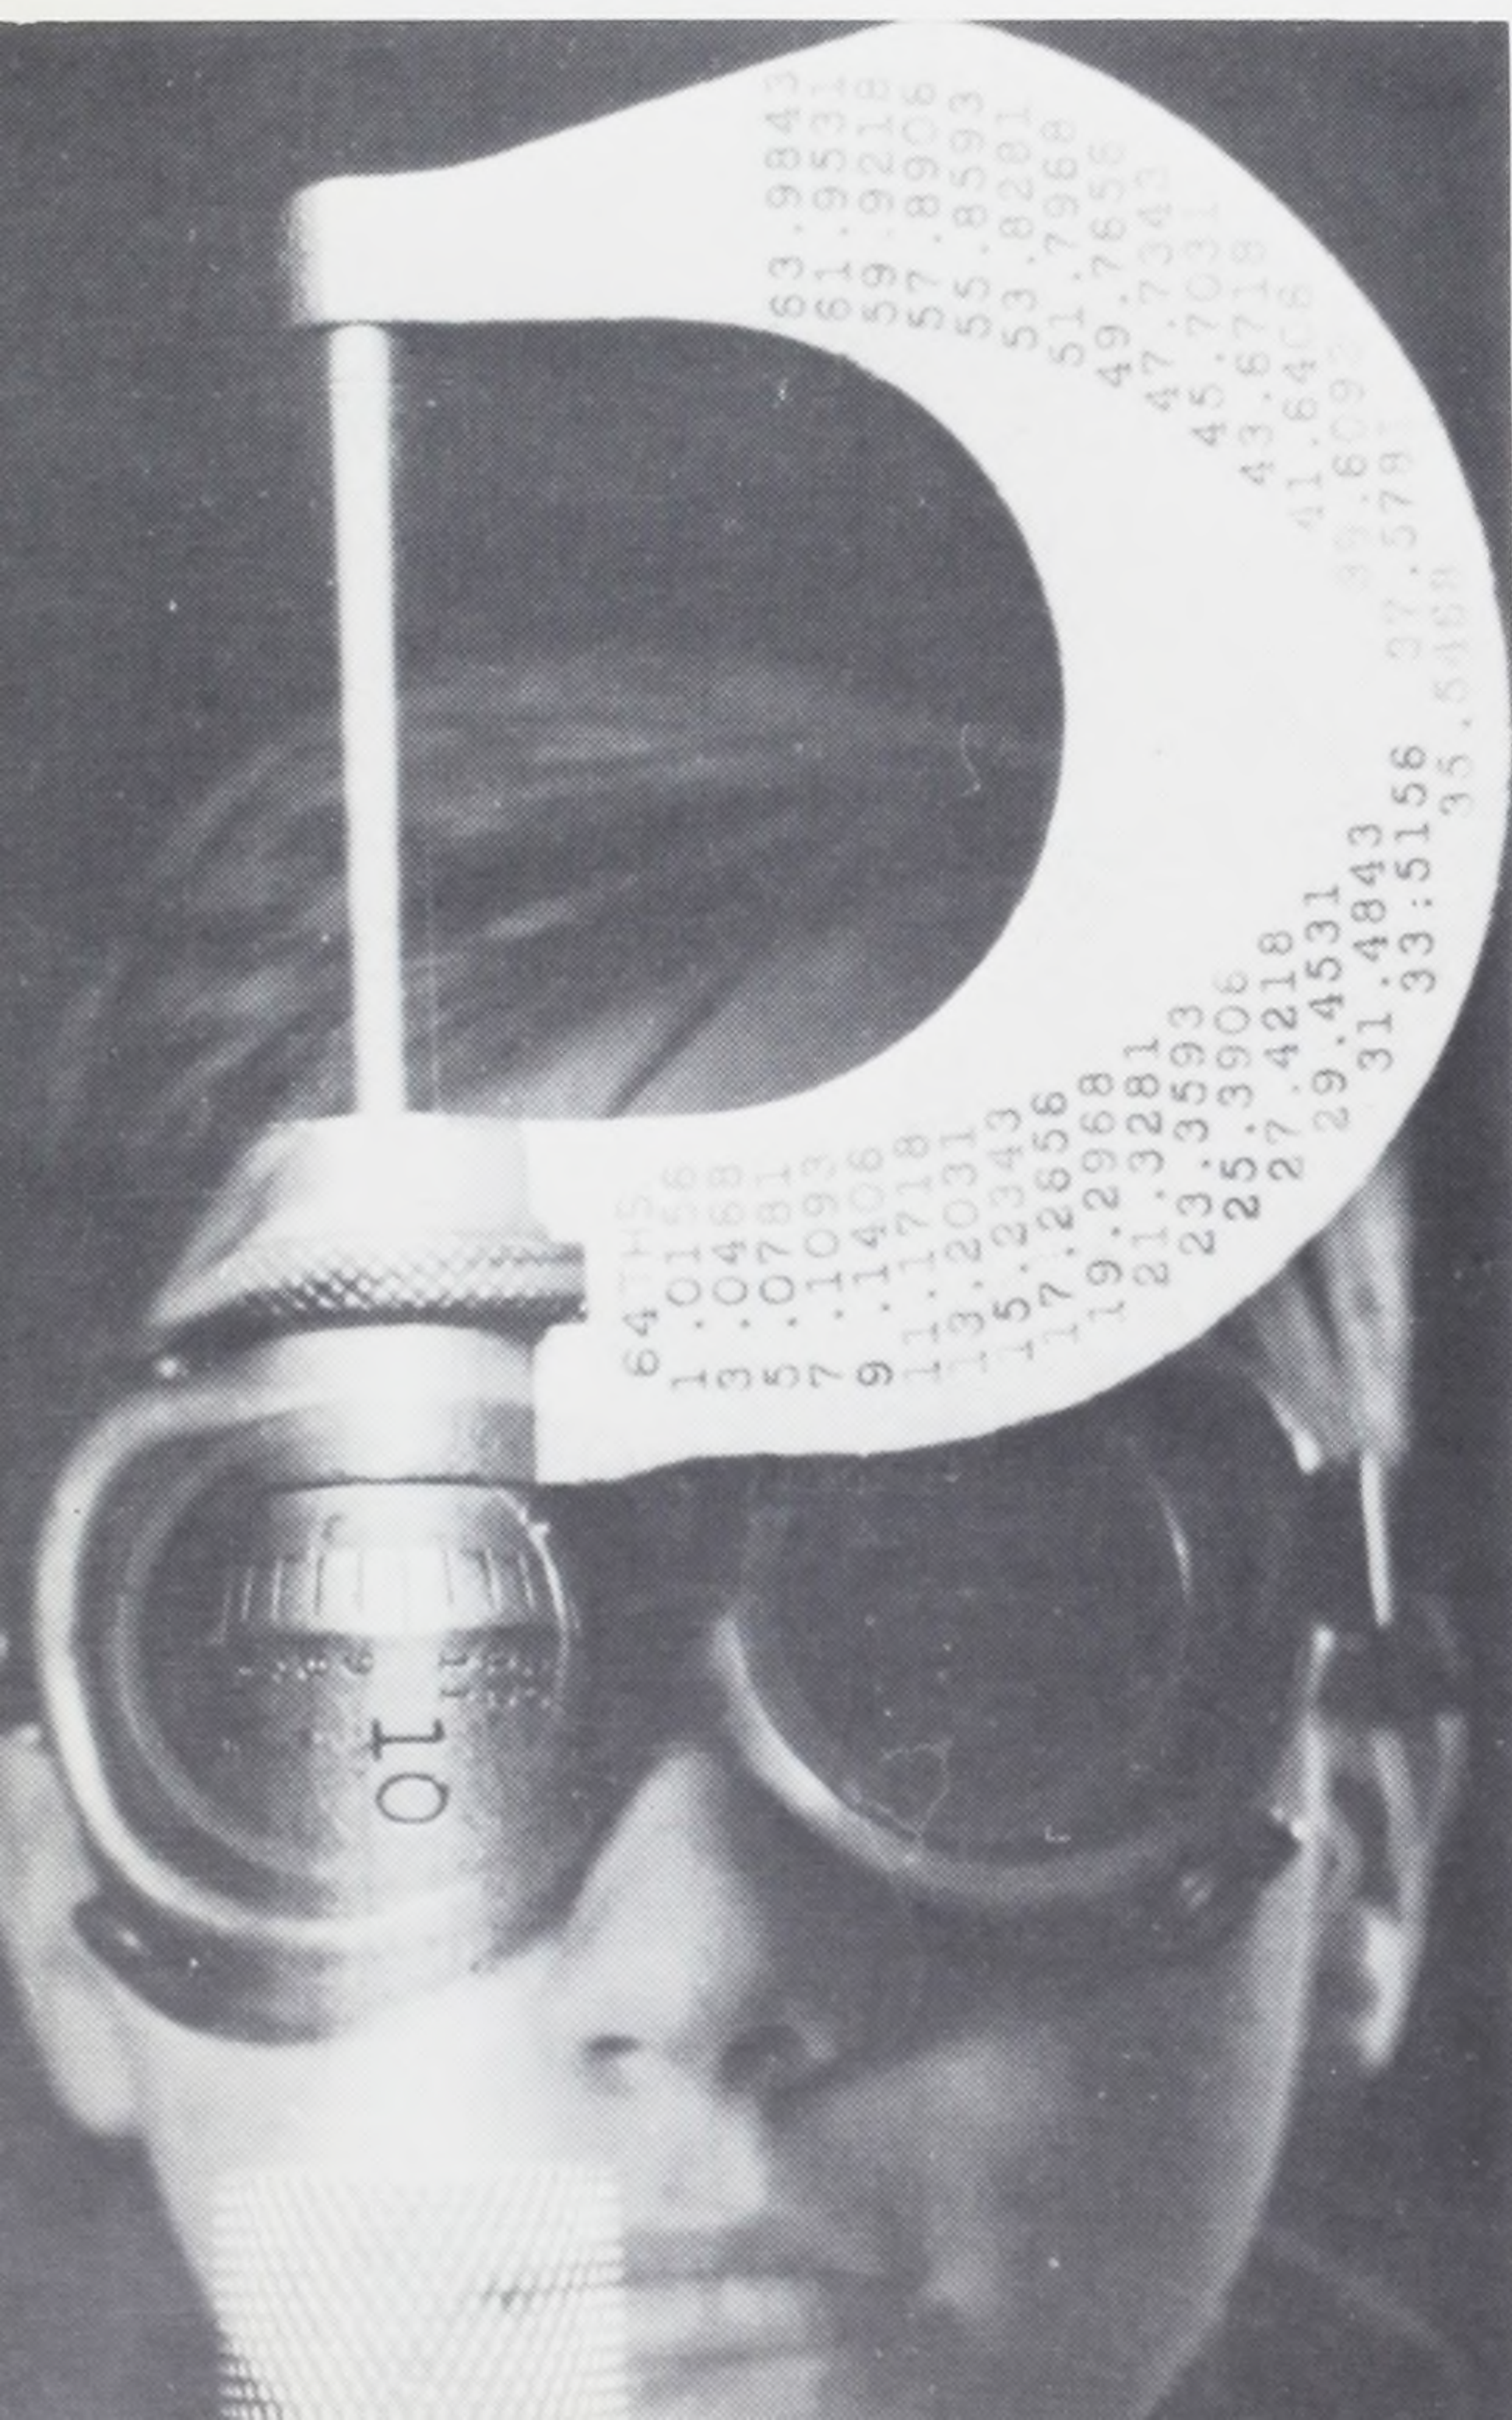

Clockwise from left: Willie Lee watches job on lathe; Sam Tosti checks his project; Don Froeber peeks through a micrometer; Mr. Mooney shows Dave Riehl how it should be done!

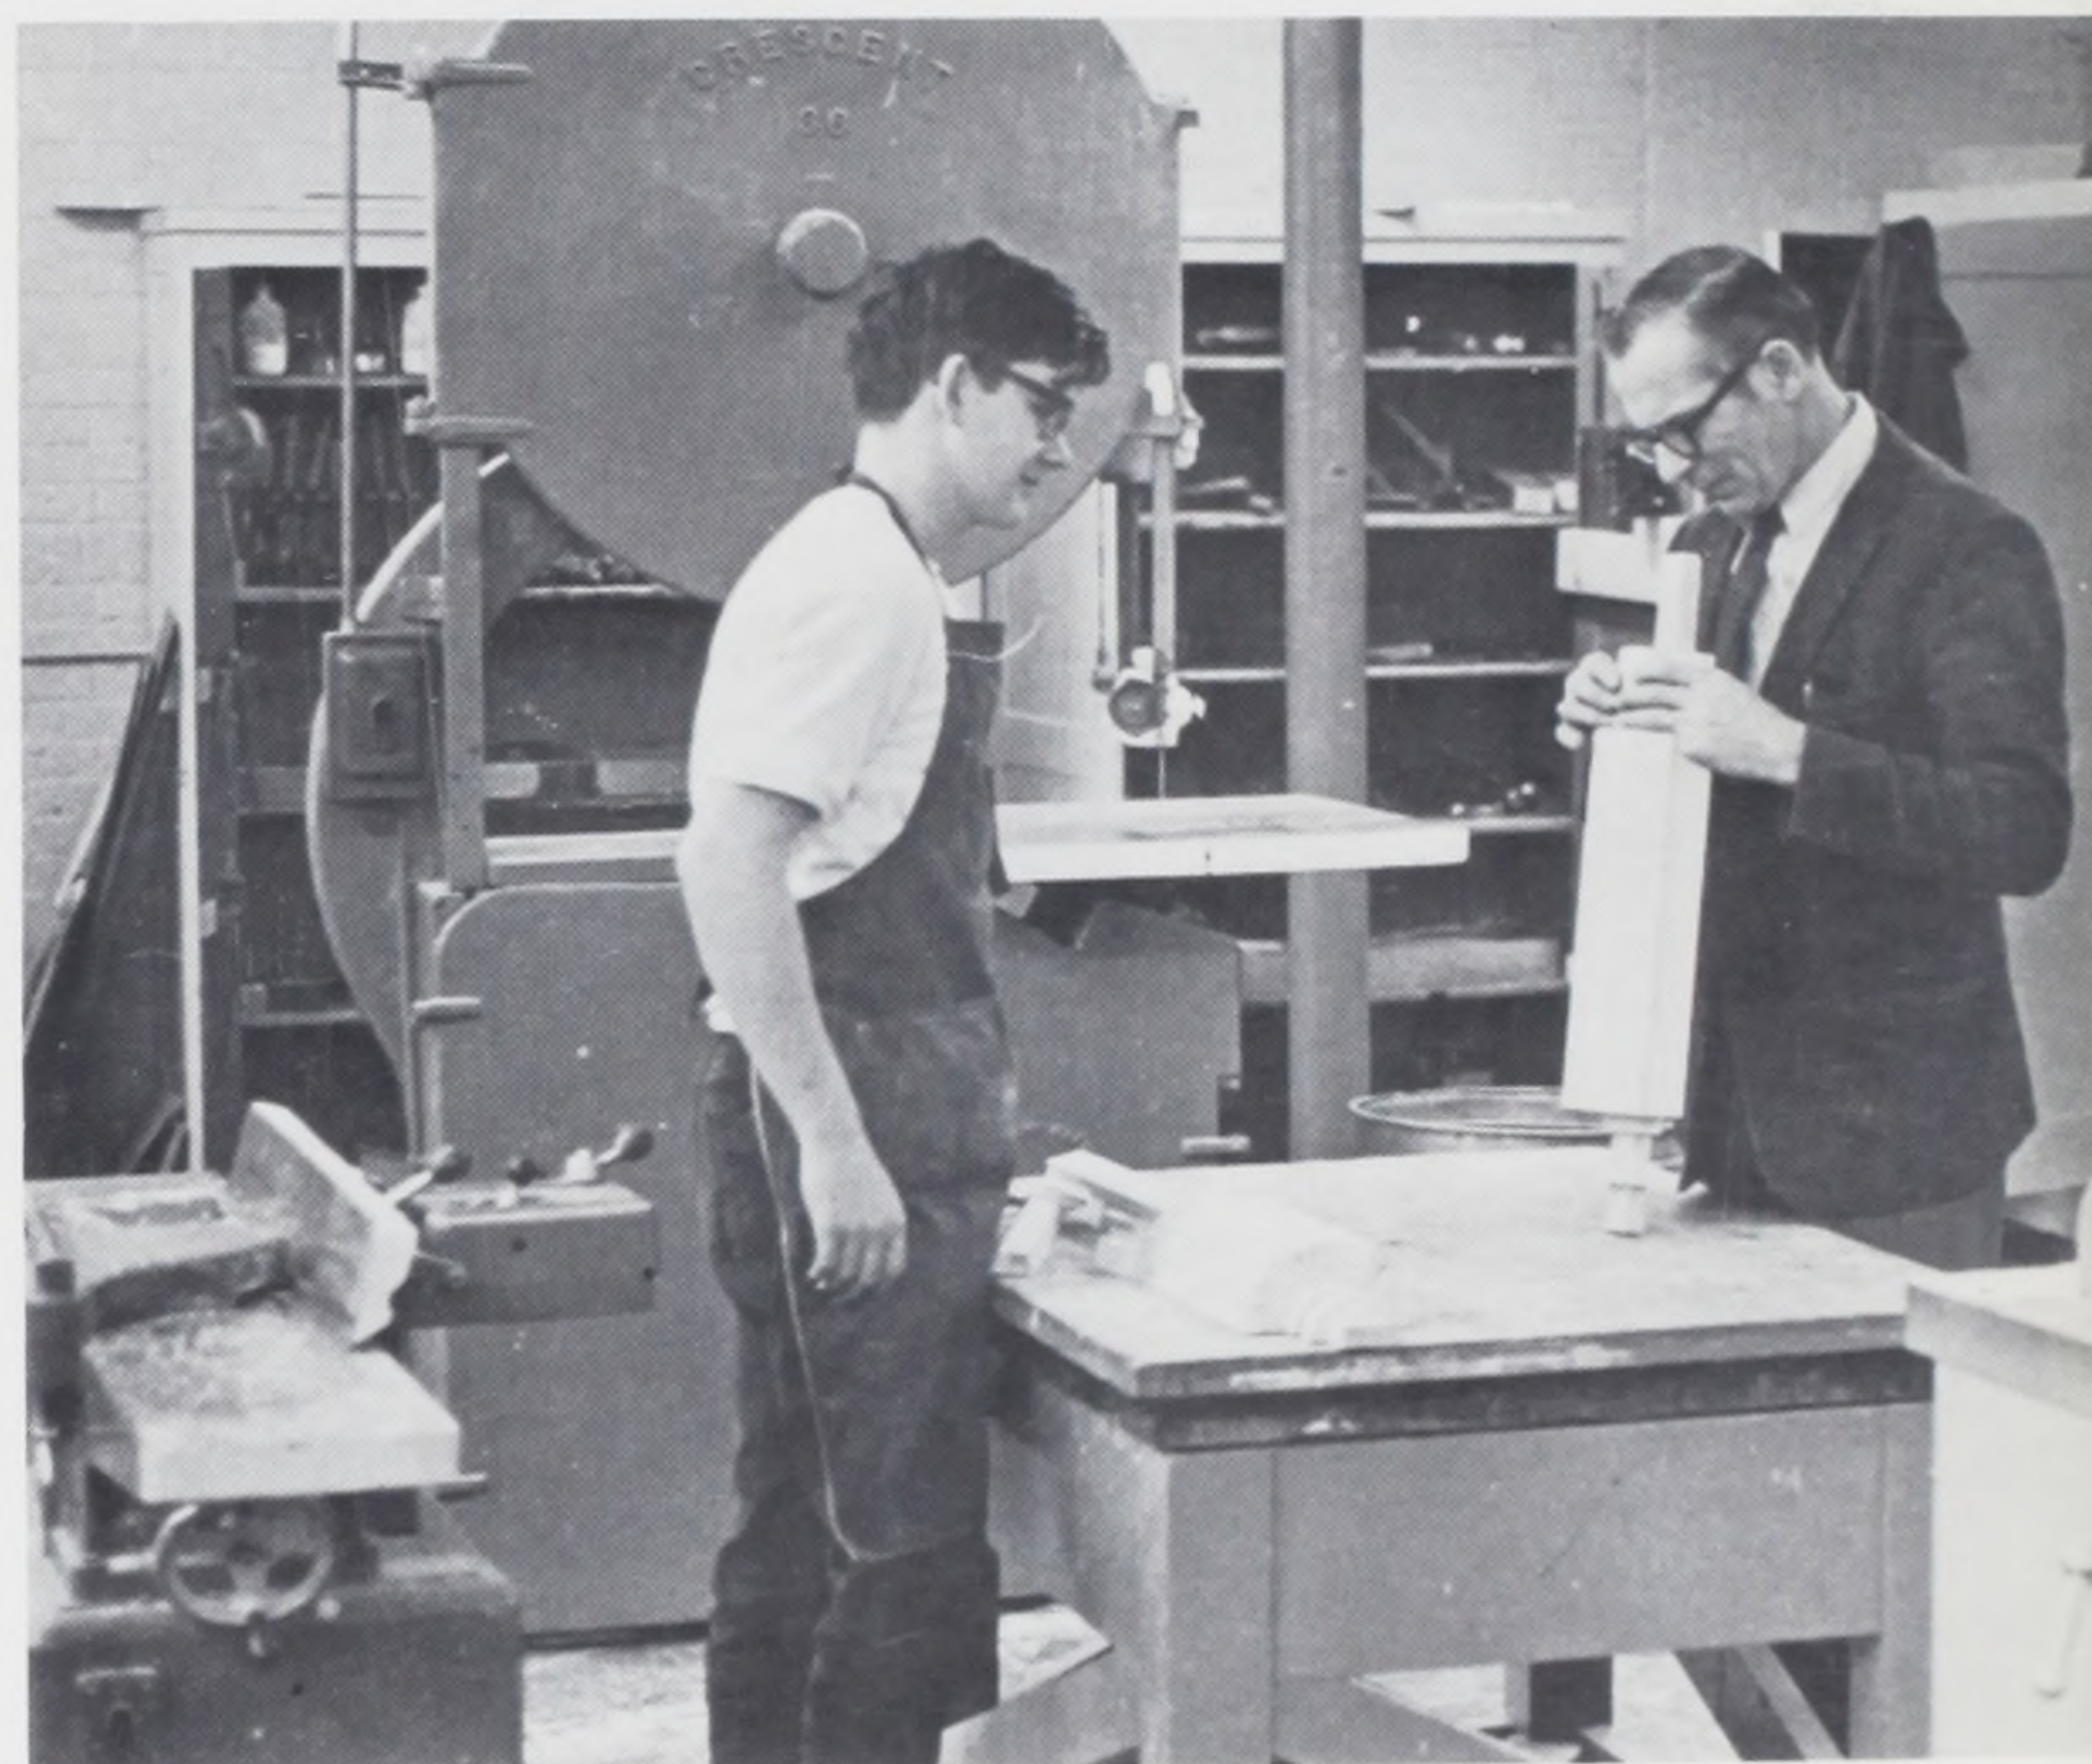

machine

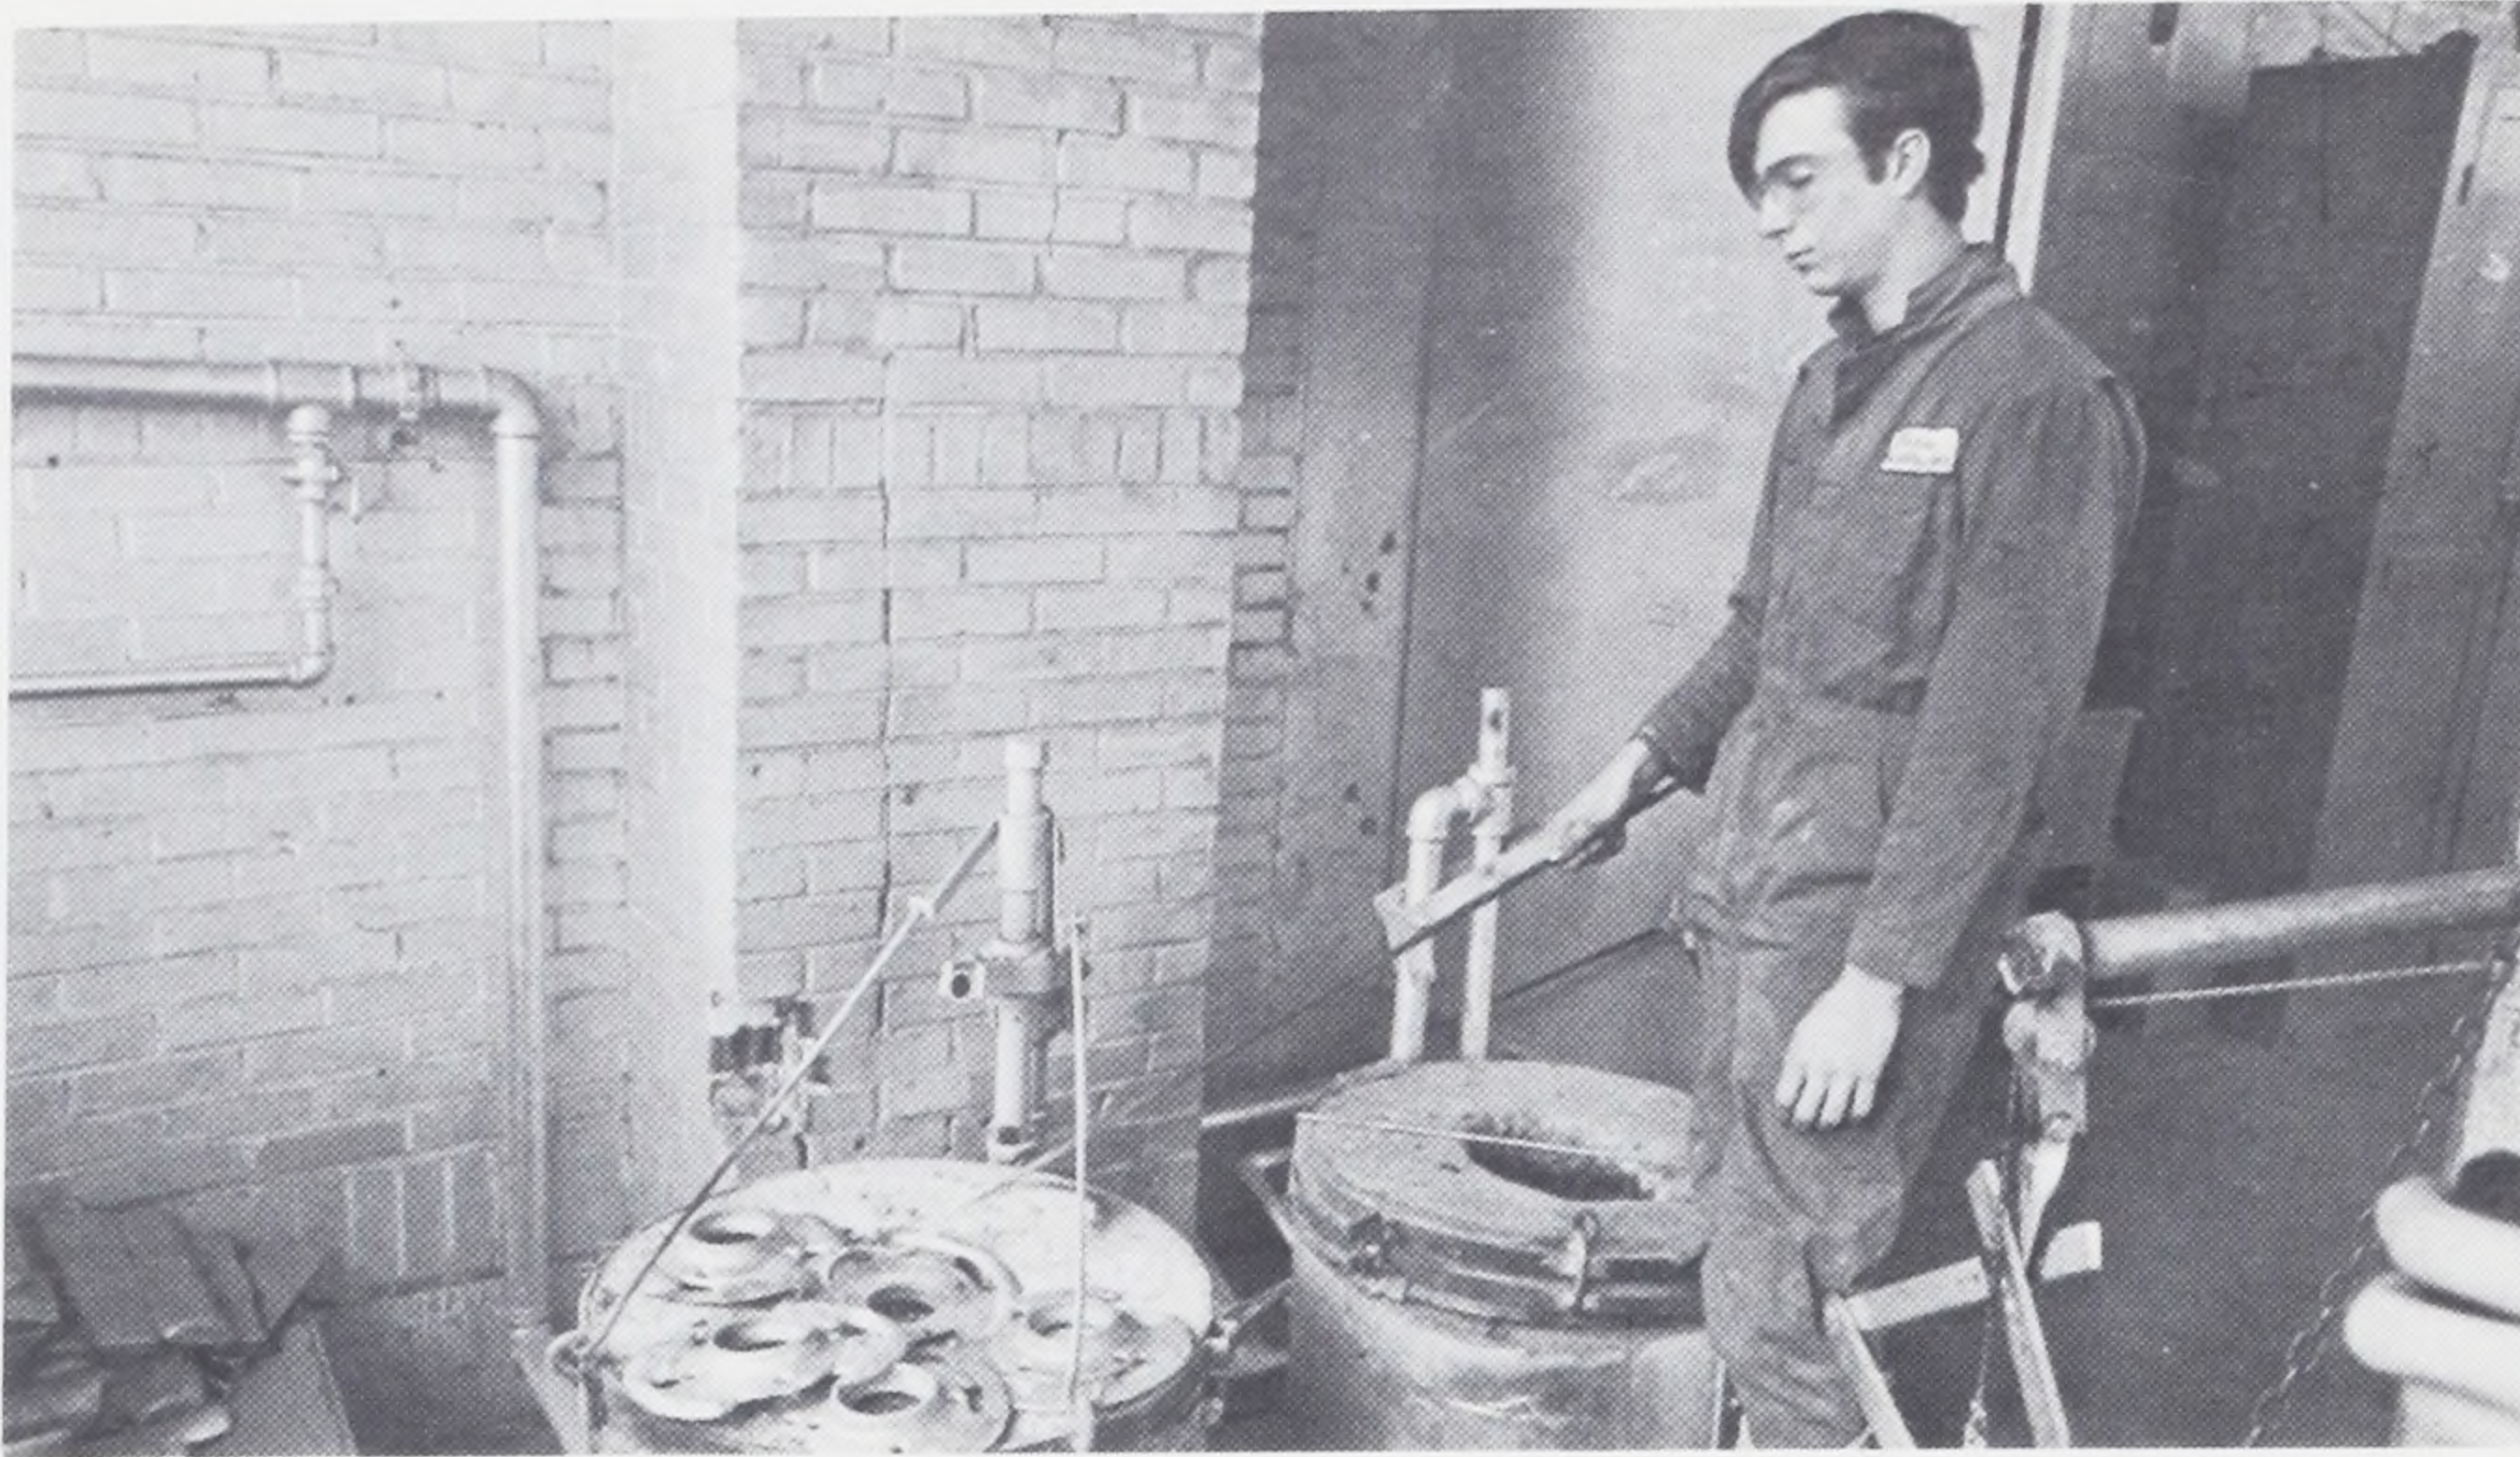

Clockwise from right: Tim Filker turns a piece of wood on a lathe; Mr. Perry instructs Jim Pfaltzgraf in the fine aspects of pattern-making; Ray Pirtle, Don Harris and Murry Baker catch up on some paper work.

pattern

Top to bottom: Bob Bone melts metal for use in castings; Mike Duncan and Richard Robinson make a mold; Bone, Robert Wampler and Brad Waller receive technical instruction from Mr. Frank Williams.

foundry

welding

Clockwise from below: John Ng disguised in welding mask; Ng uses torch; Ross Michaud uses cutting torch; Mr. John Melovich, who took Mr. Richard Carlson's place in mid-year, smiles for our photographer.

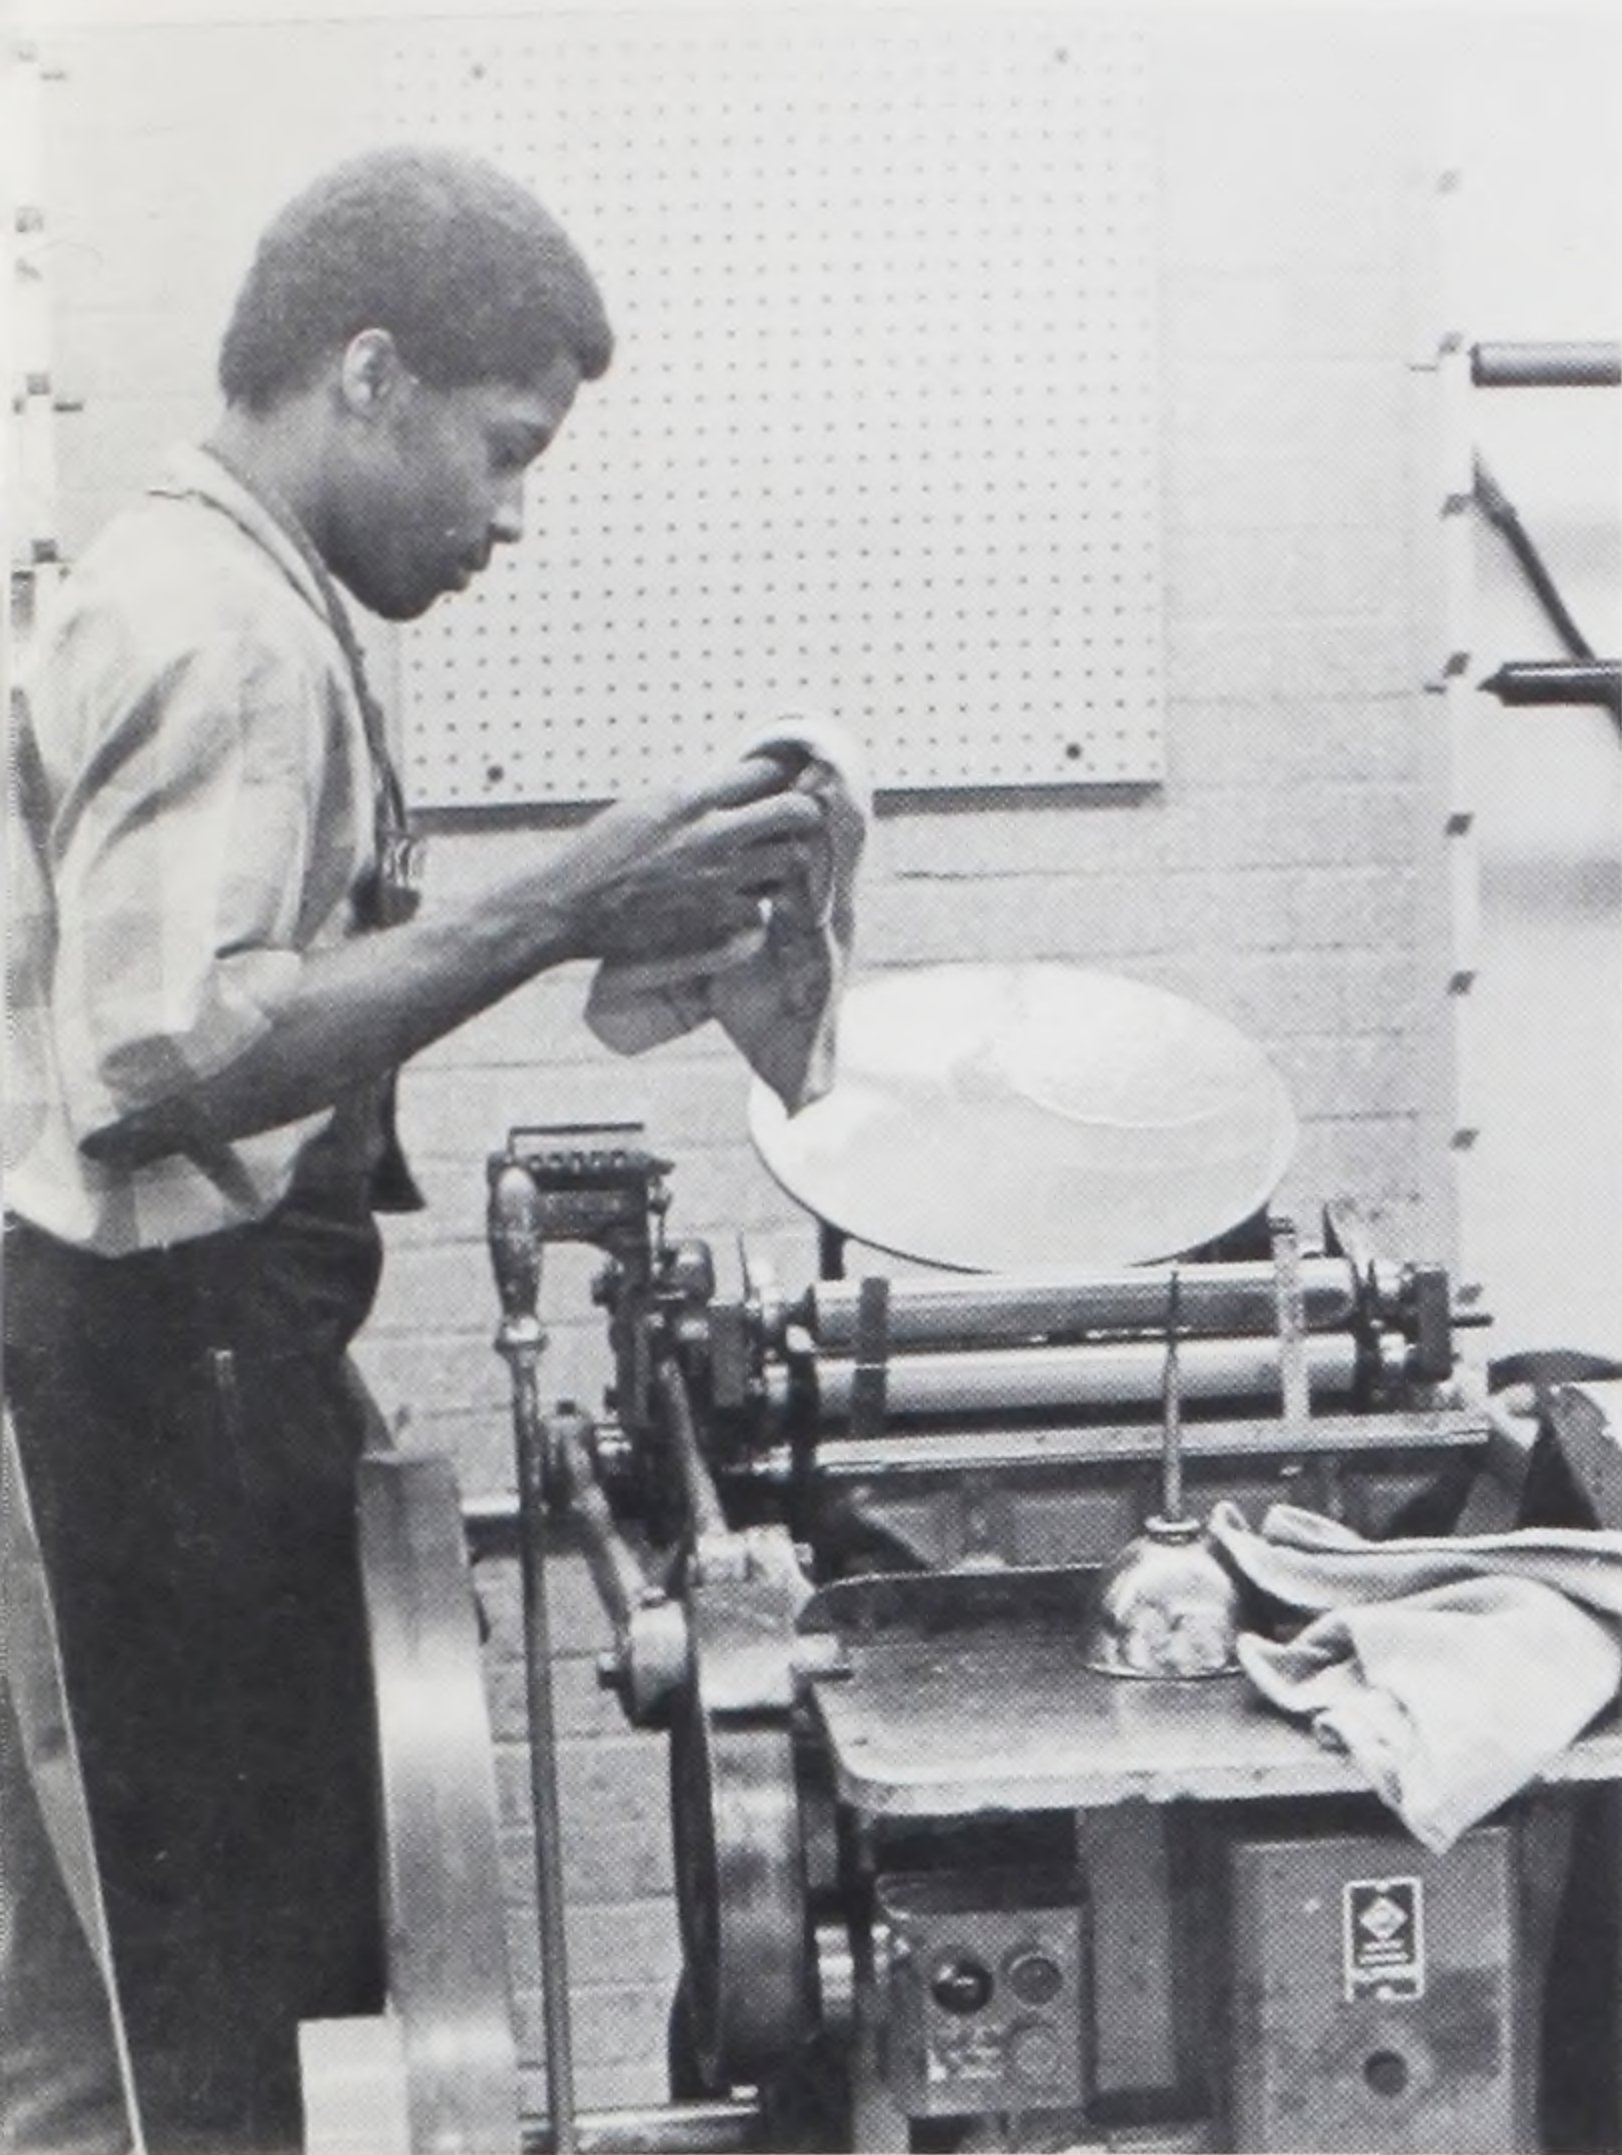

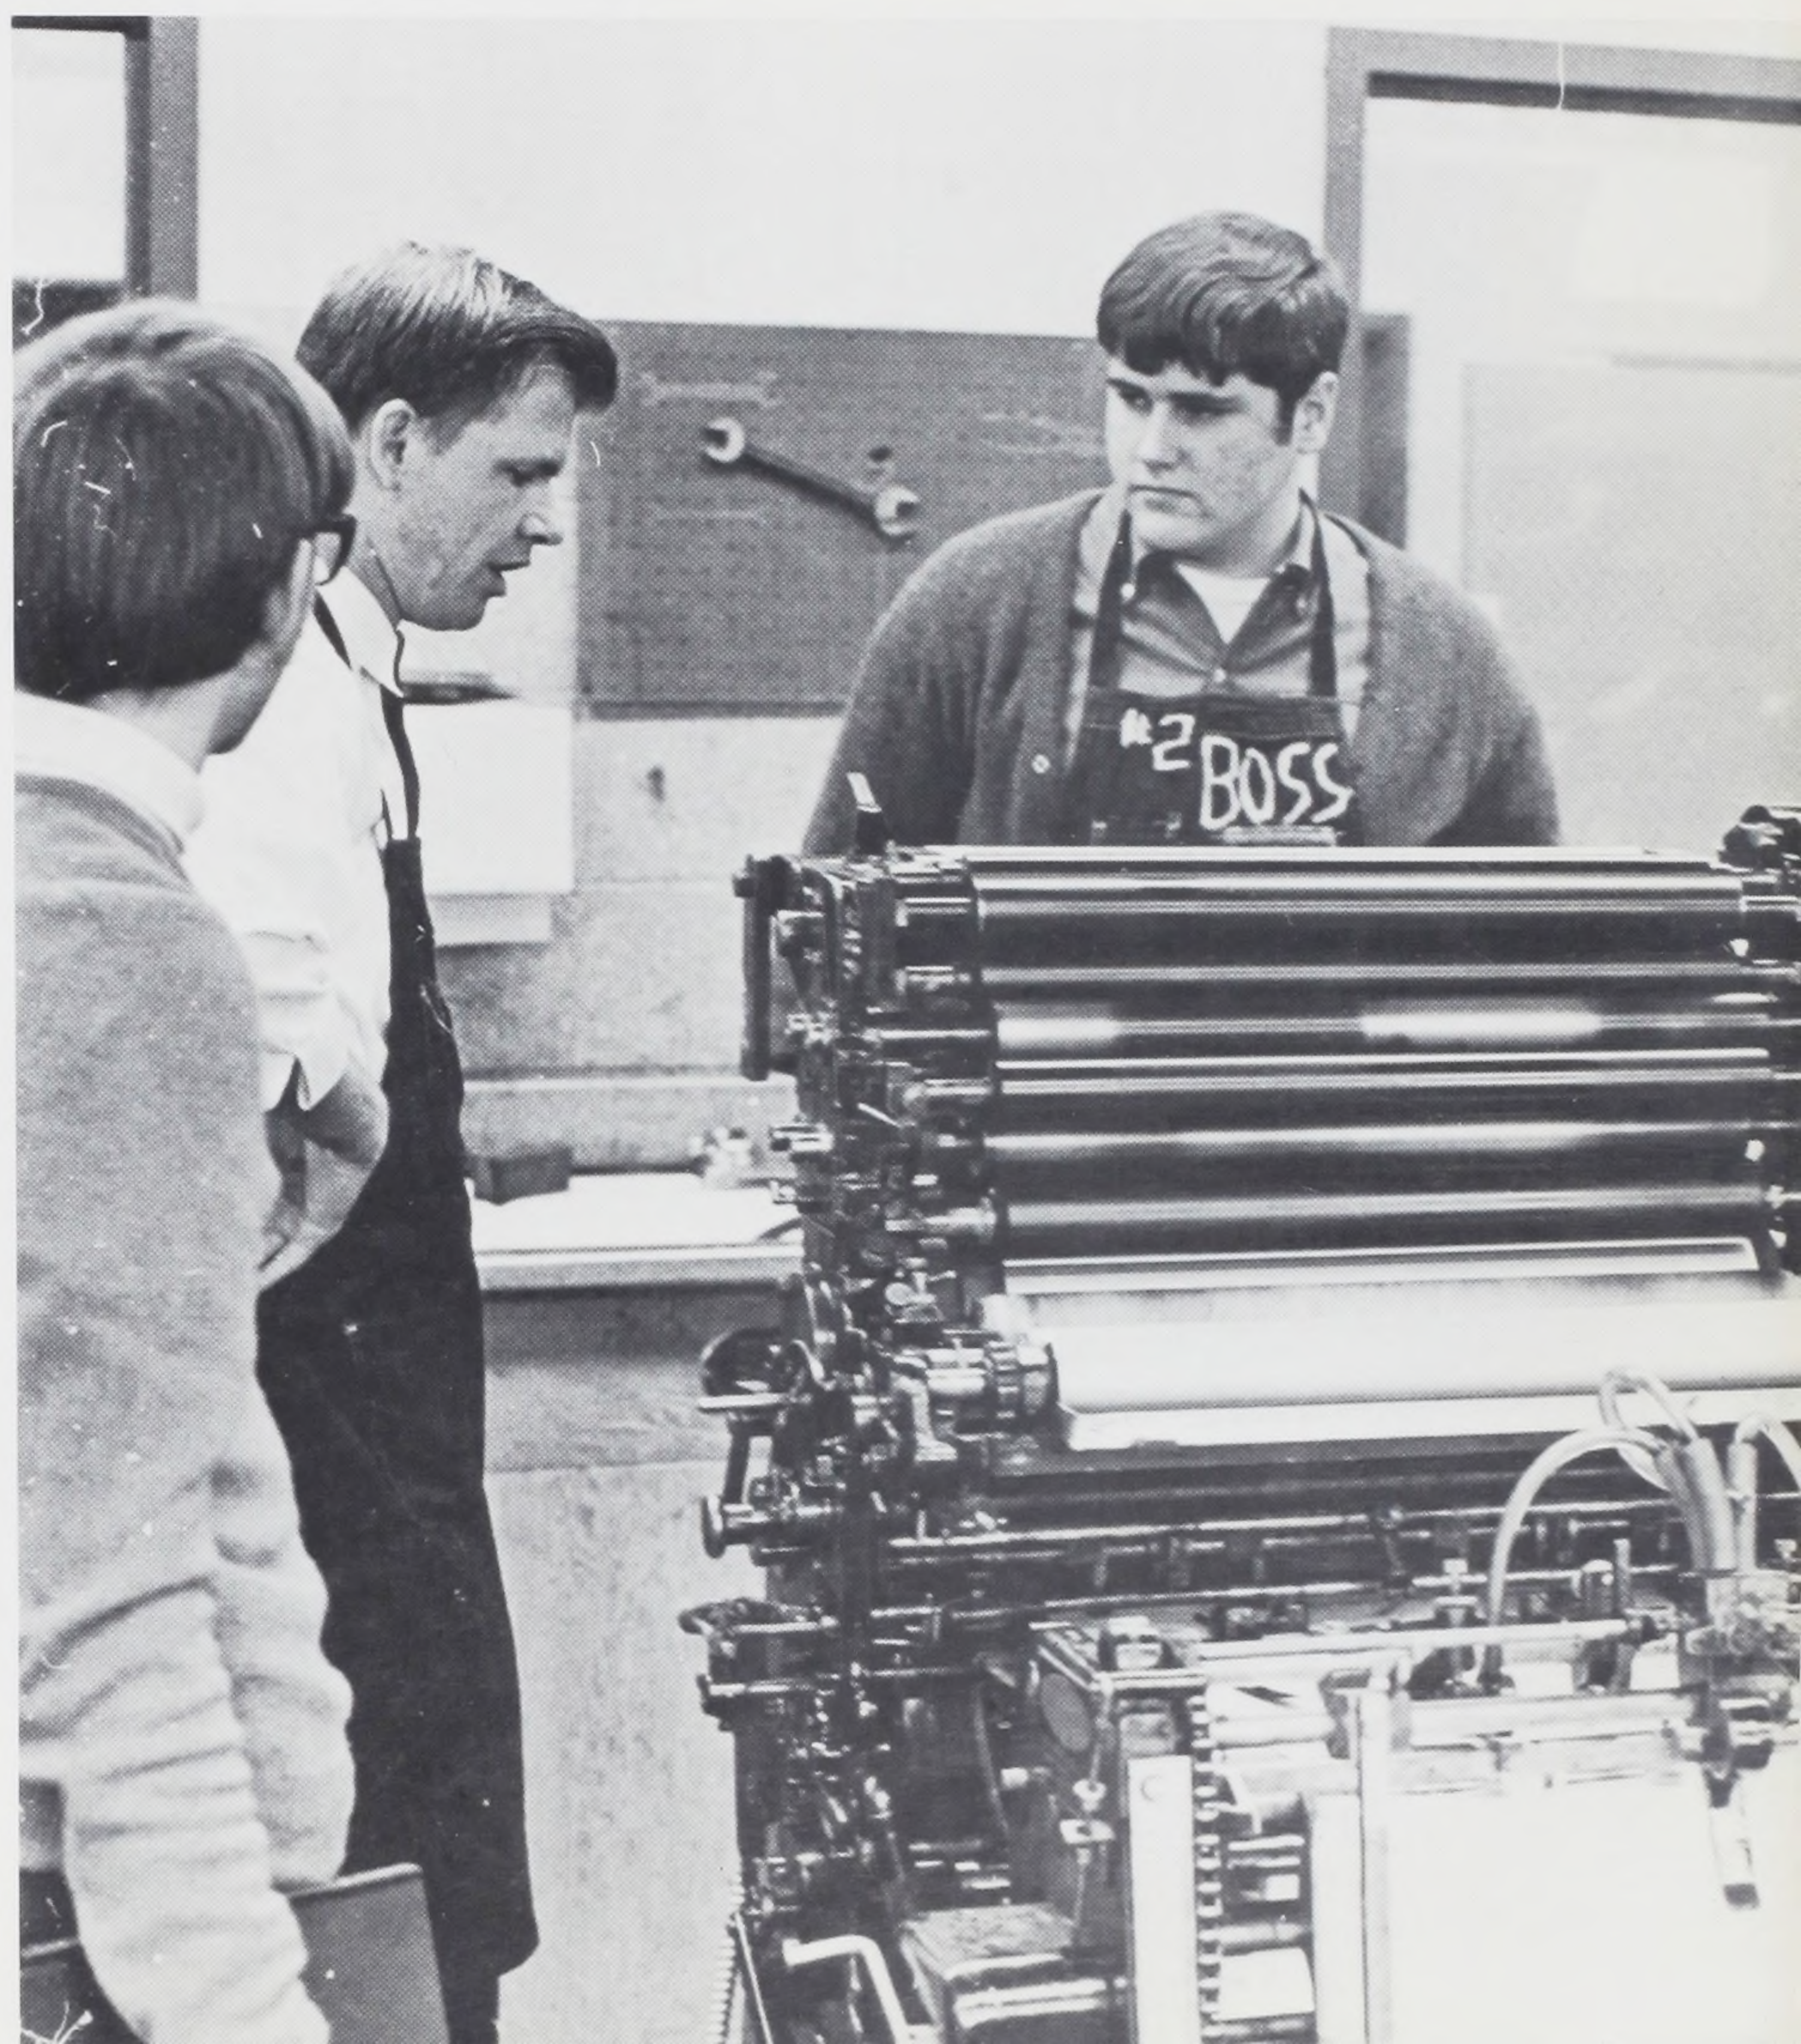

graphic arts

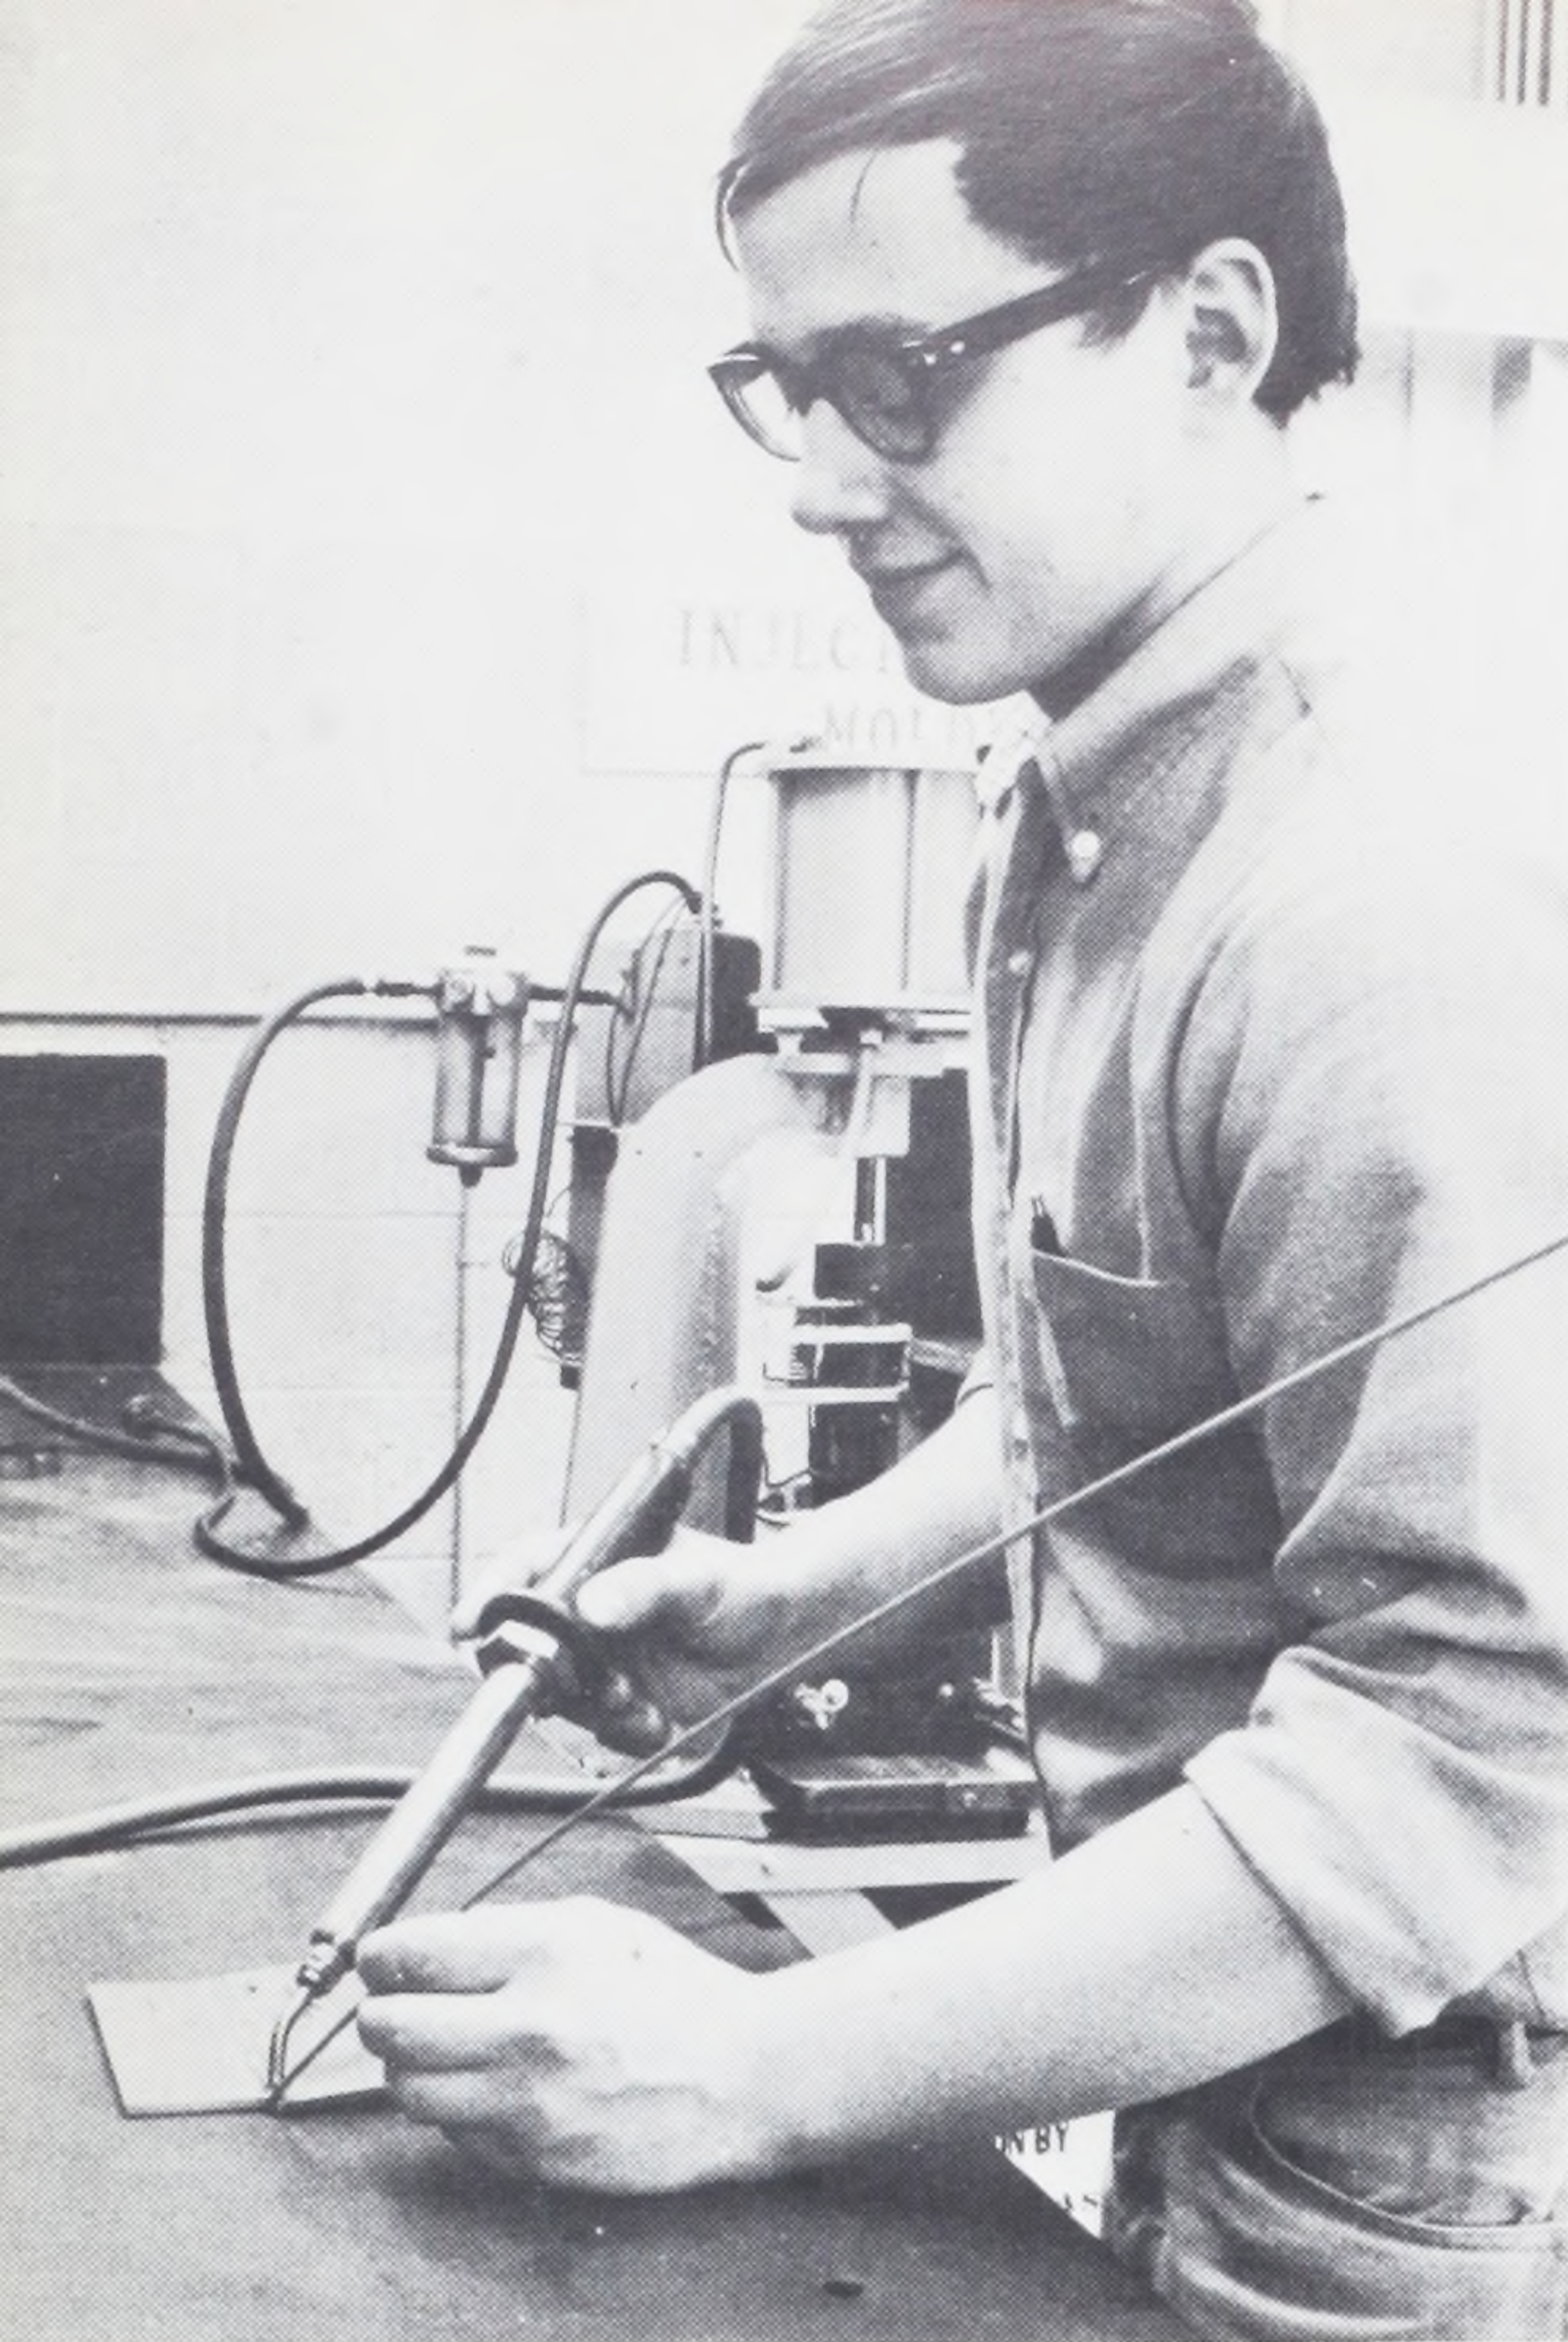

Top: Steve Garvin and Bill Johnson check layout for TECH PEP paste-ups. Bottom: Darrell Jessup, Roger Weiss and Fred Eaton get pointers on Davidson press from Mr. Tom Veatch. Center... Mr. Martin Allen, THE BOSS!

Top: Issac Harpole cleans job press. Bottom: Mr. Tom Veatch instructs James Nair and Eaton on the Harris offset press.

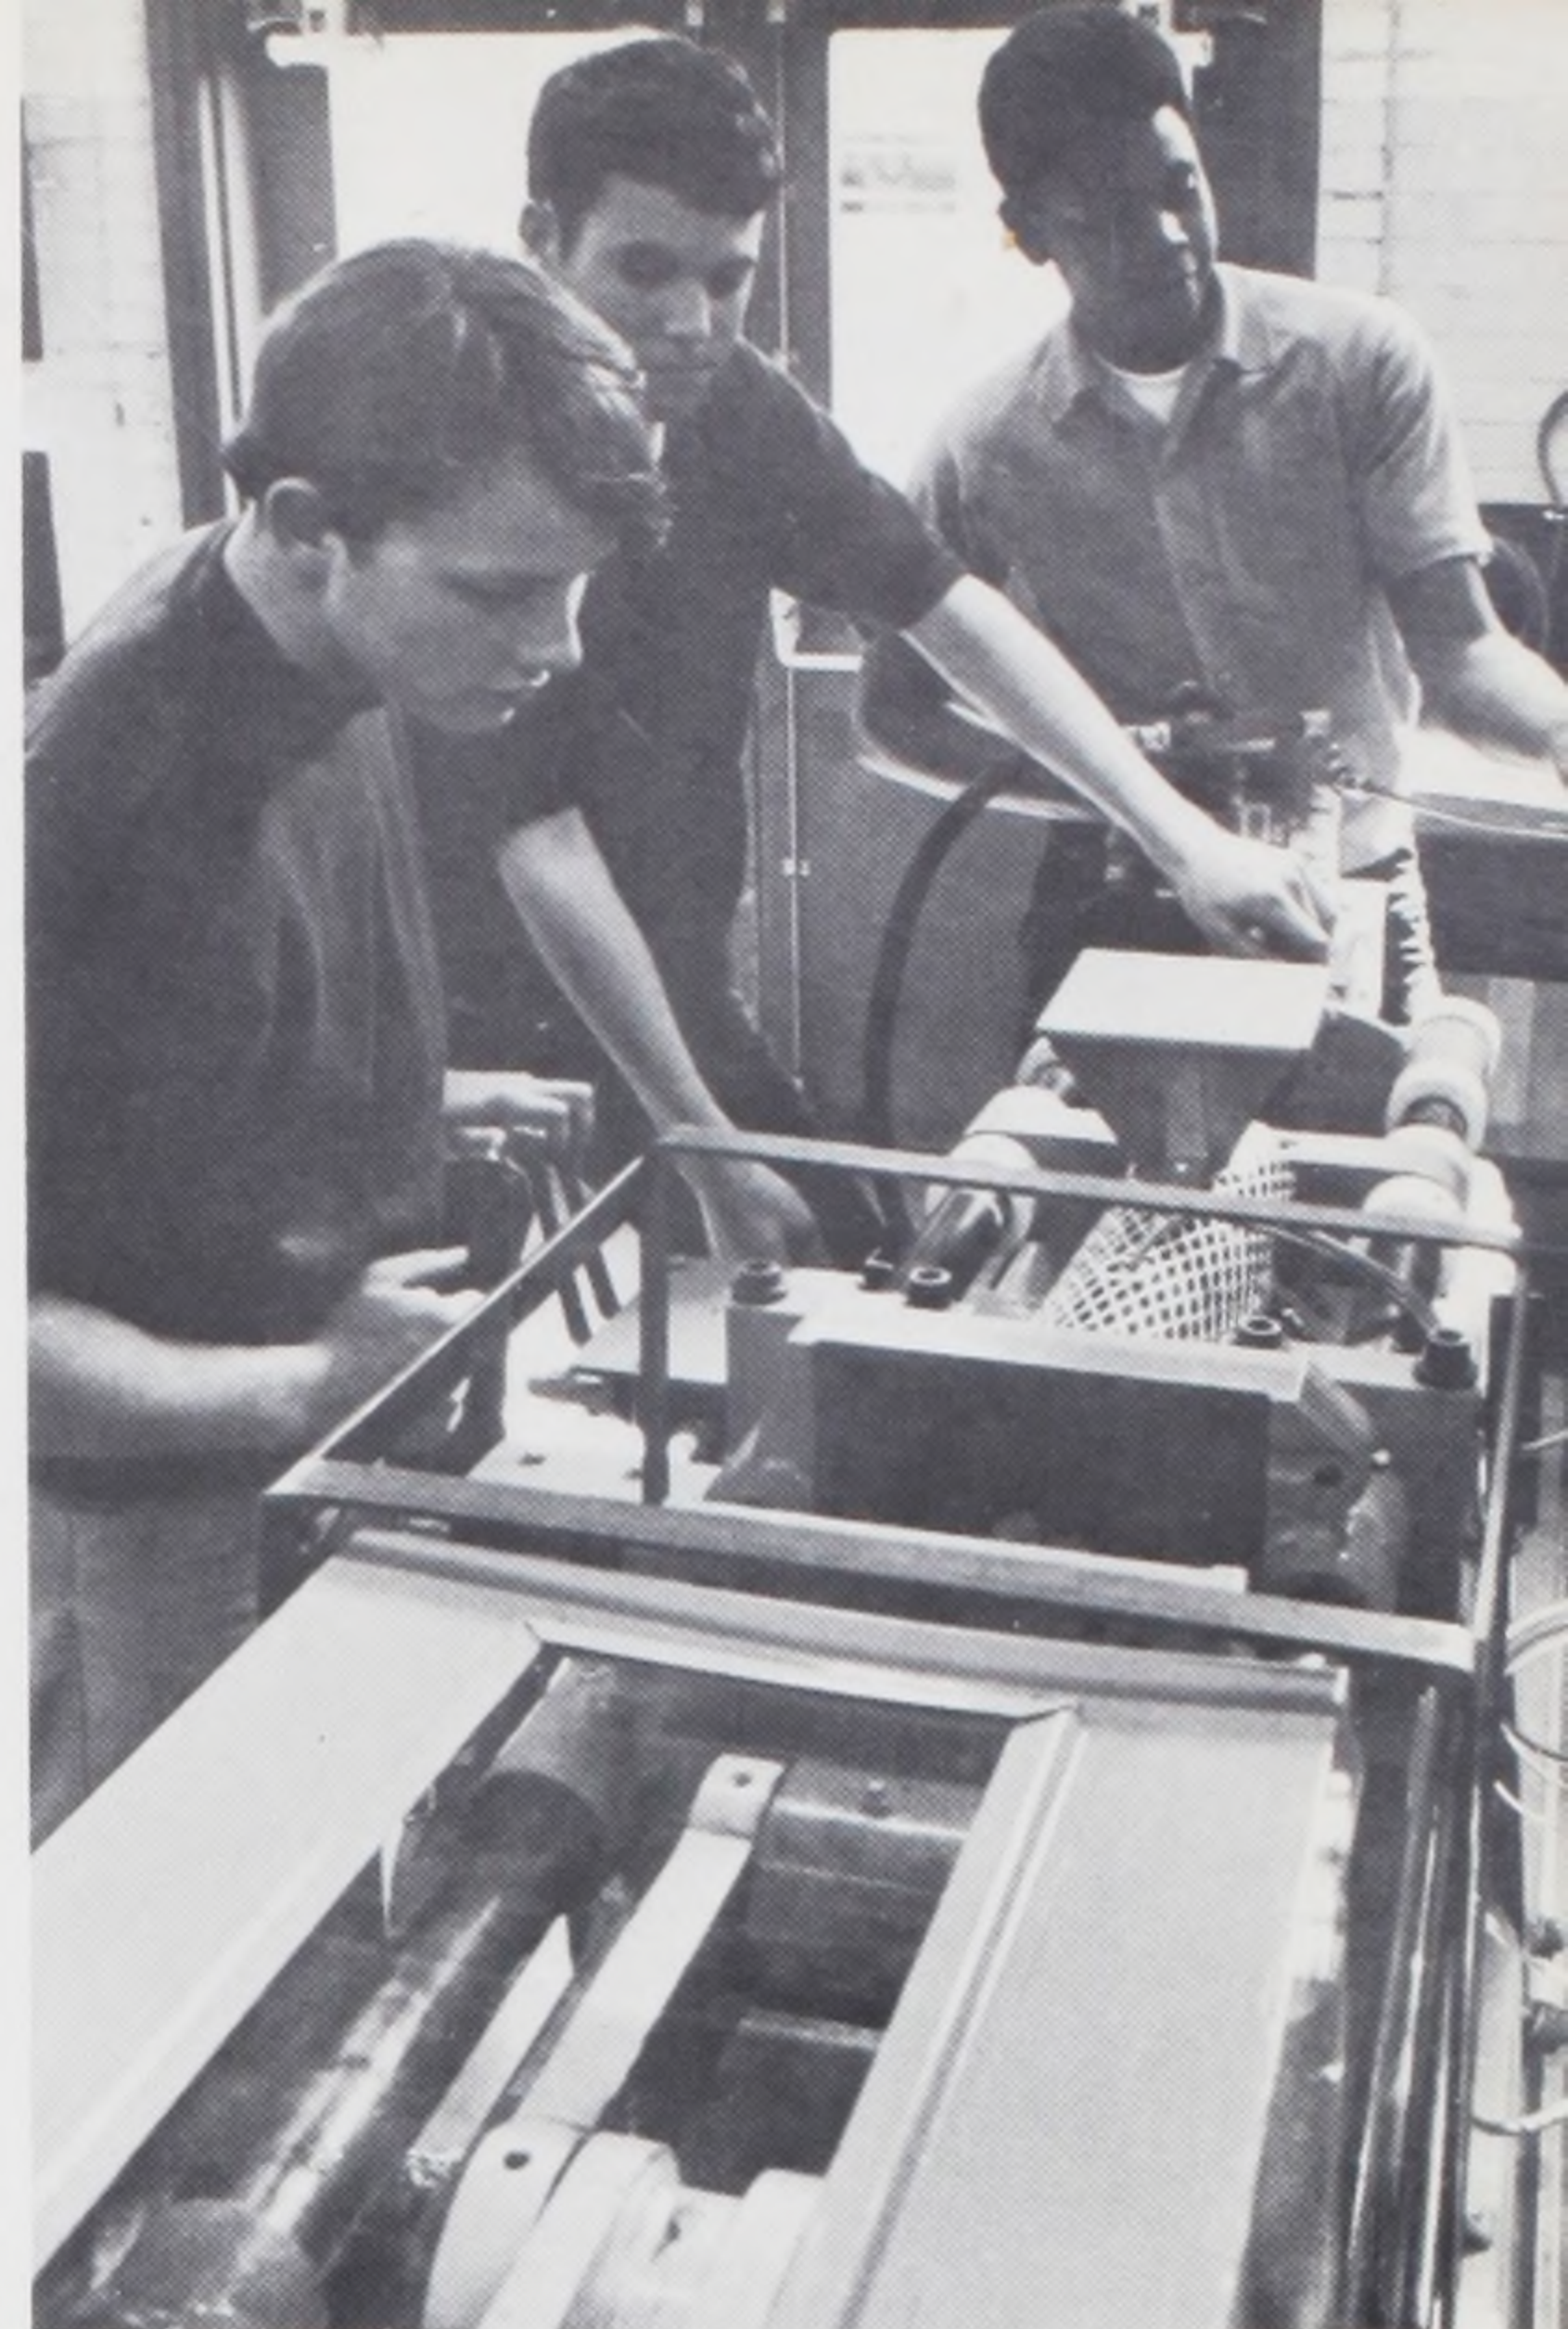

plastics technology

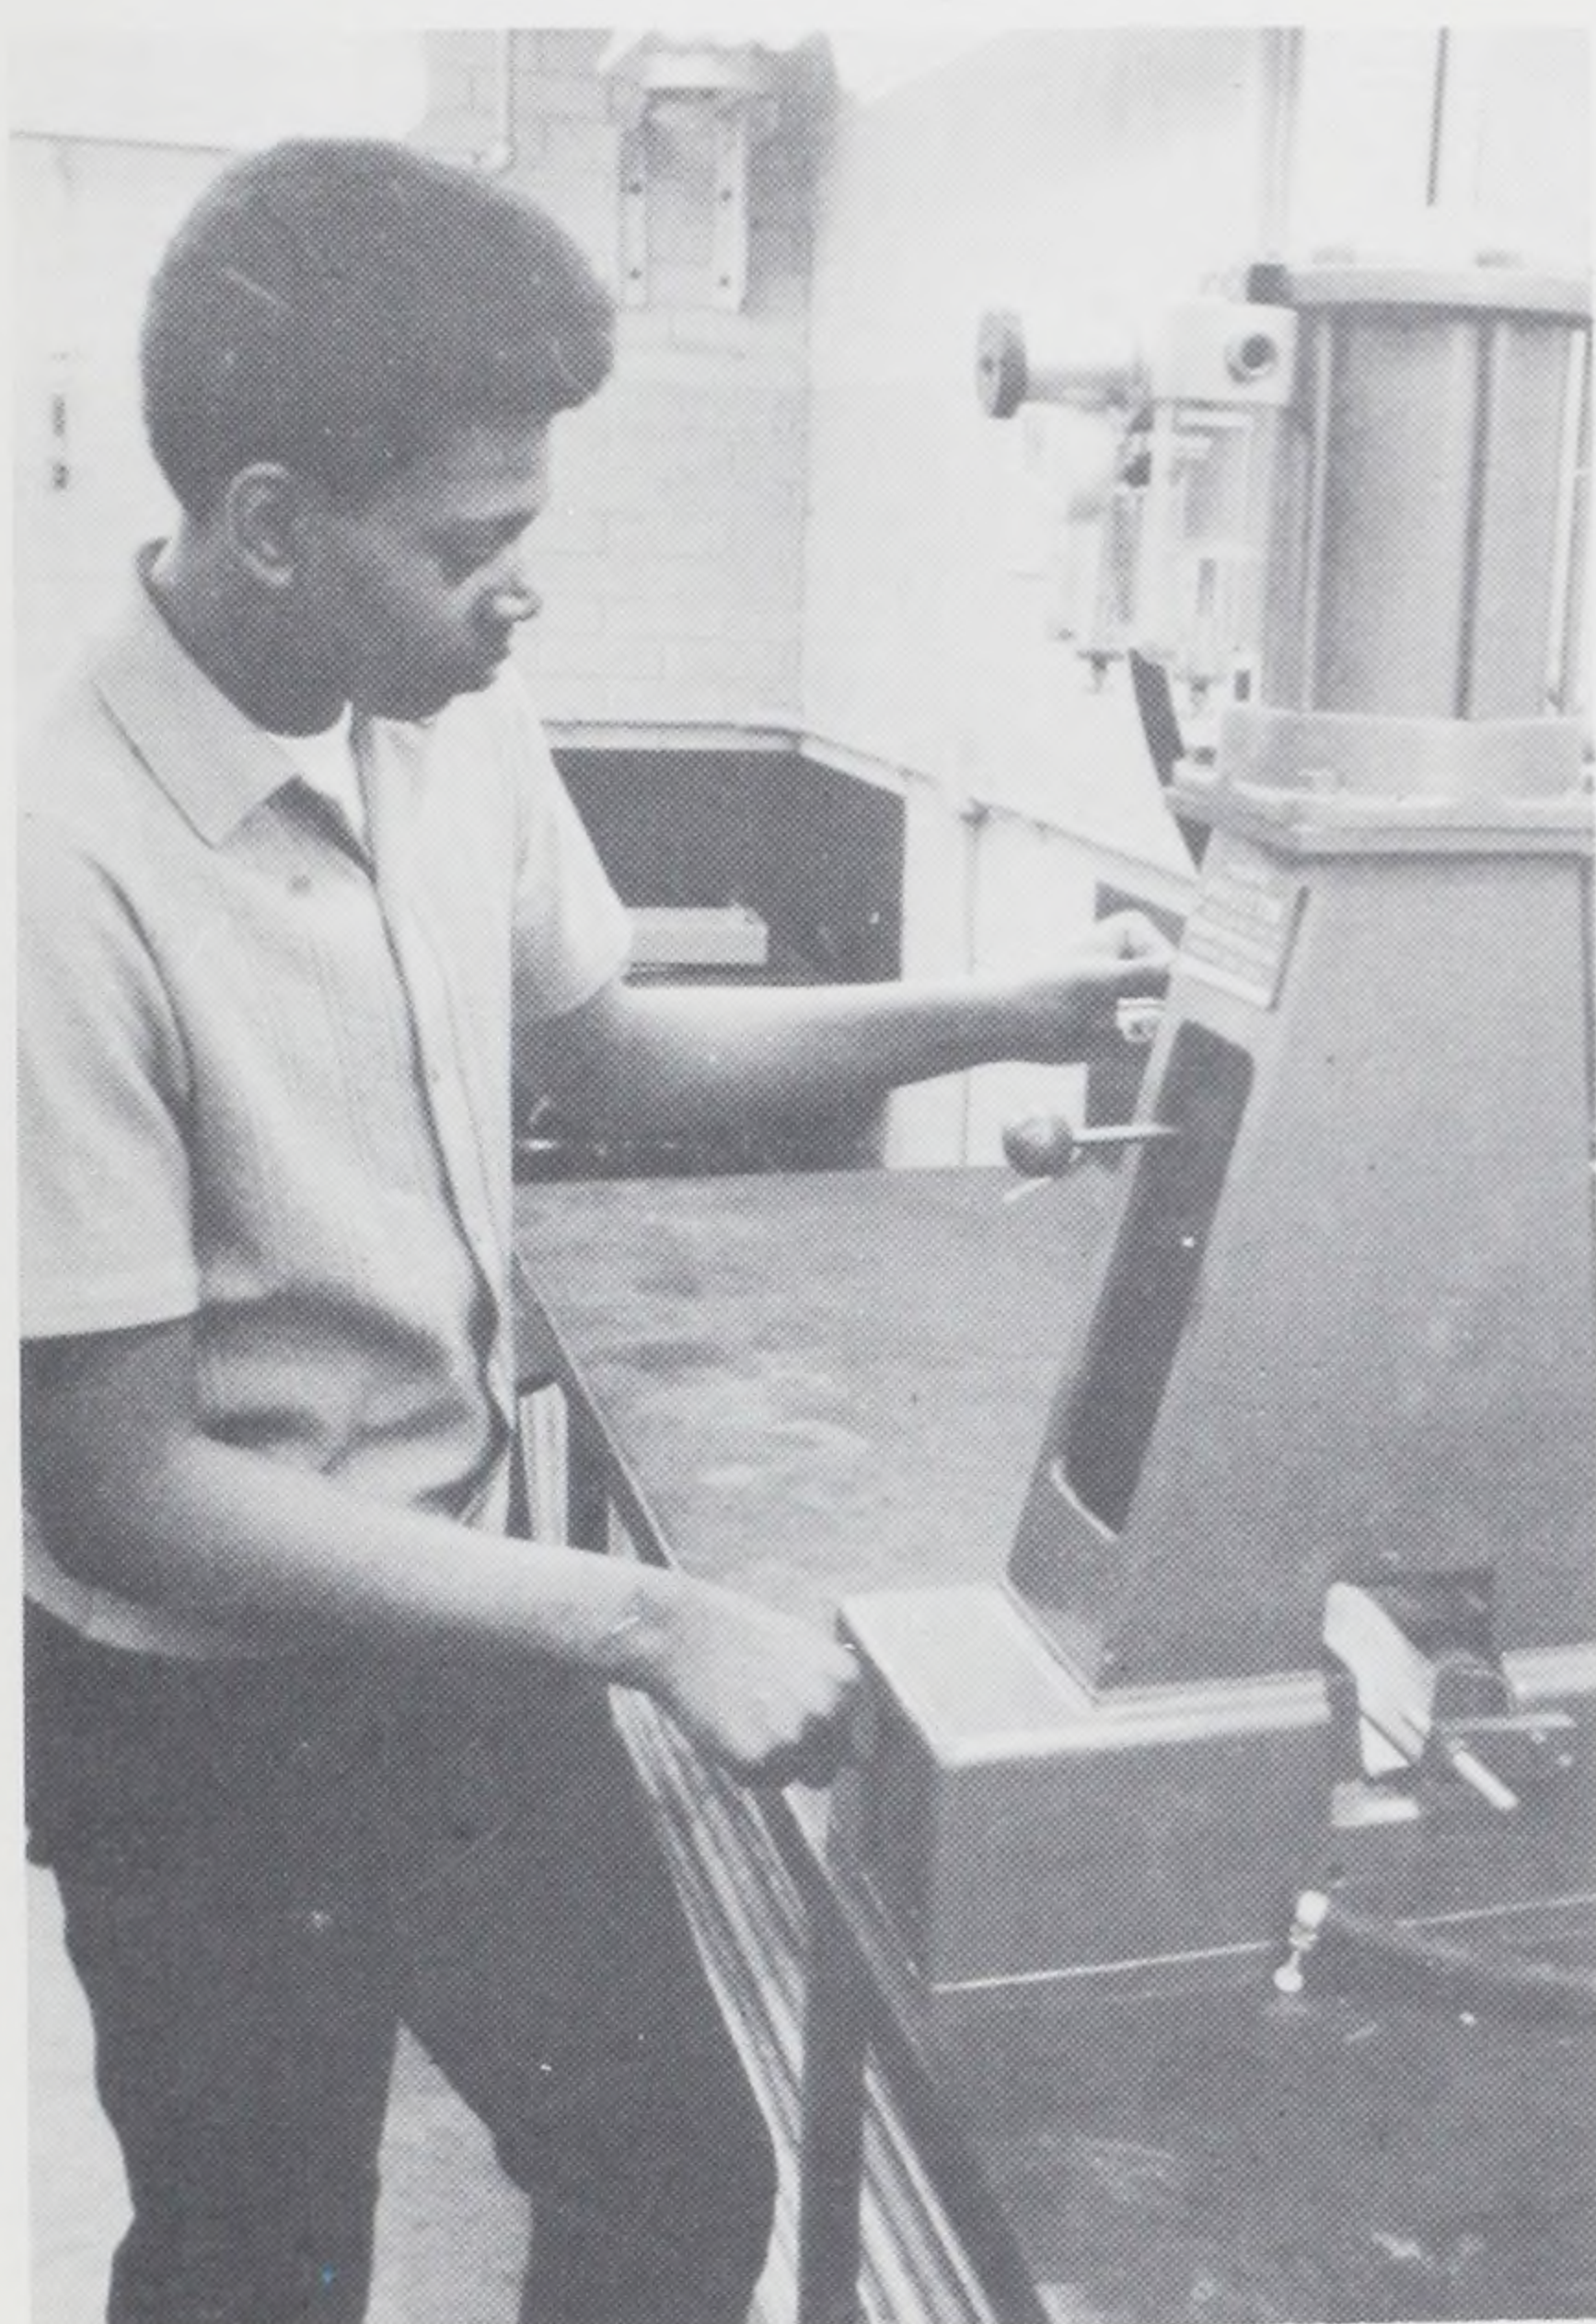

Clockwise from BOTTOM LEFT: Randy Cullinan, buffing a plastic part; Mike Harding, hot-air welding a plastic project; Greg Snyder, vacuum forming a box.

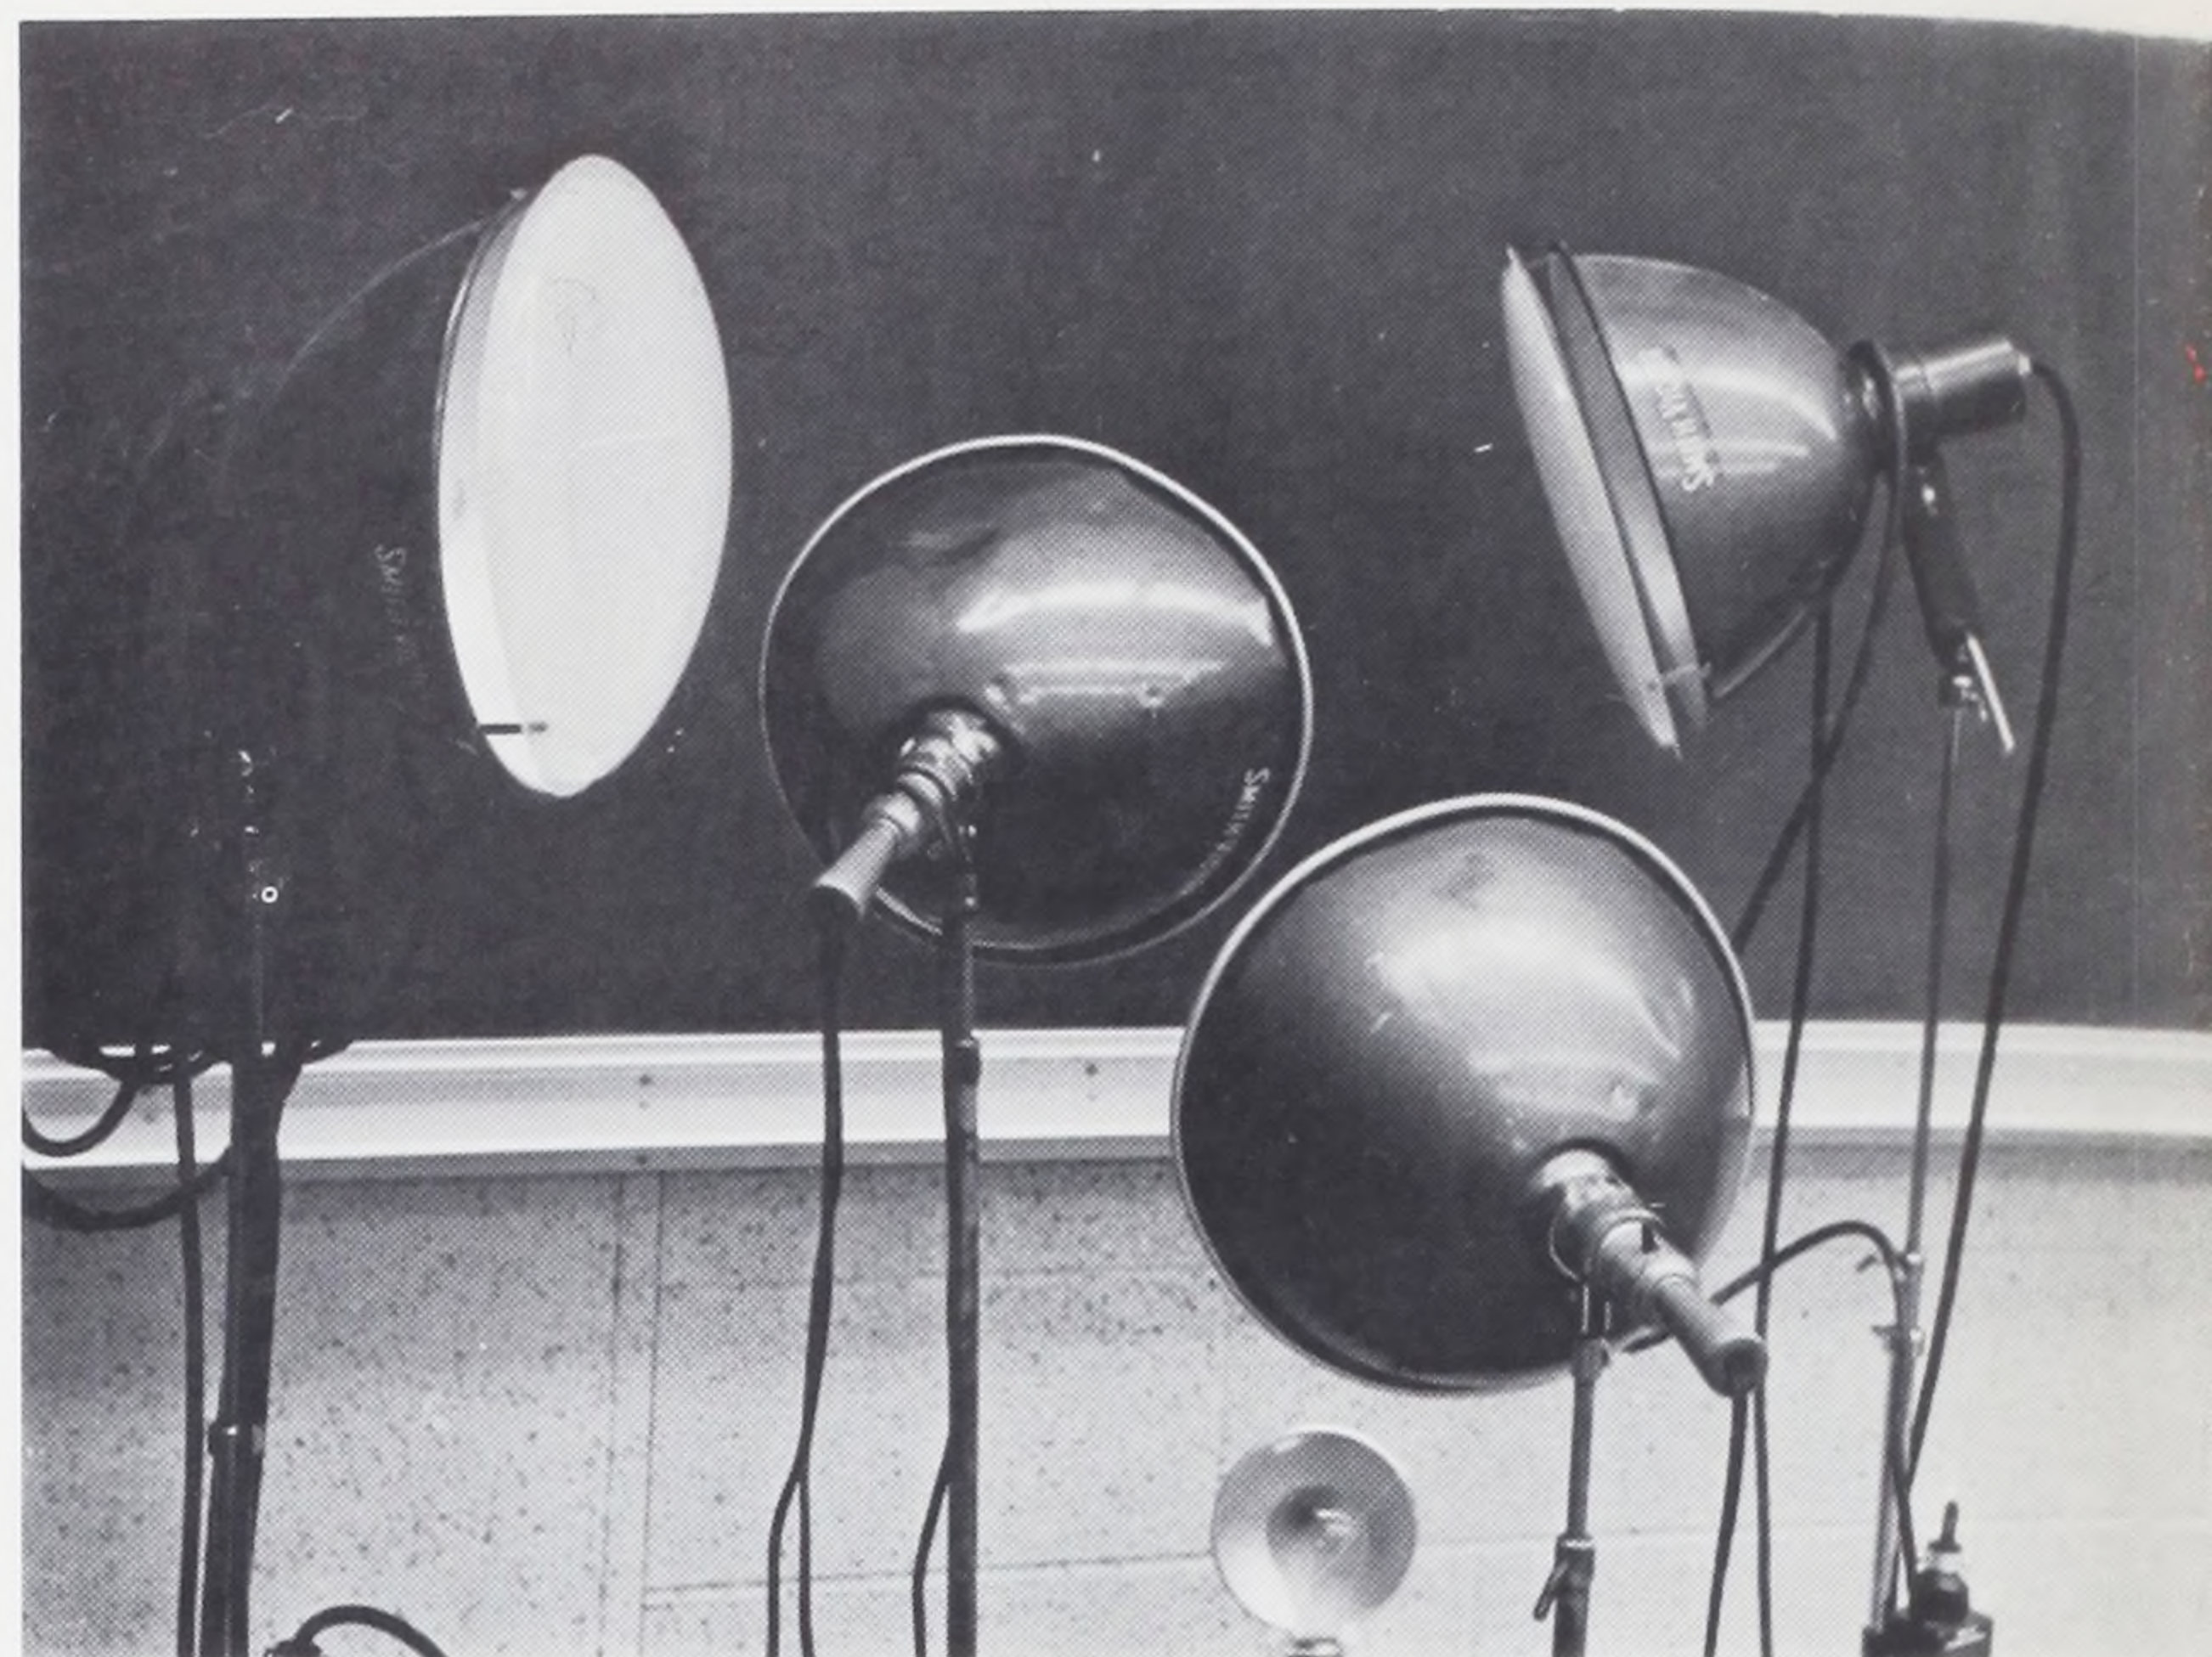

Clockwise from BOTTOM LEFT: Mike Lasley checks heat of oven; Mr. Gerald Waterbury, instructor, holds audience-interest as students learn new technique; Steven Ramisky, Craig Achatz and Mike Lasley use one of the machines in plastics shop; Loren Skoien carefully measures ingredients for a project.

plastics technology

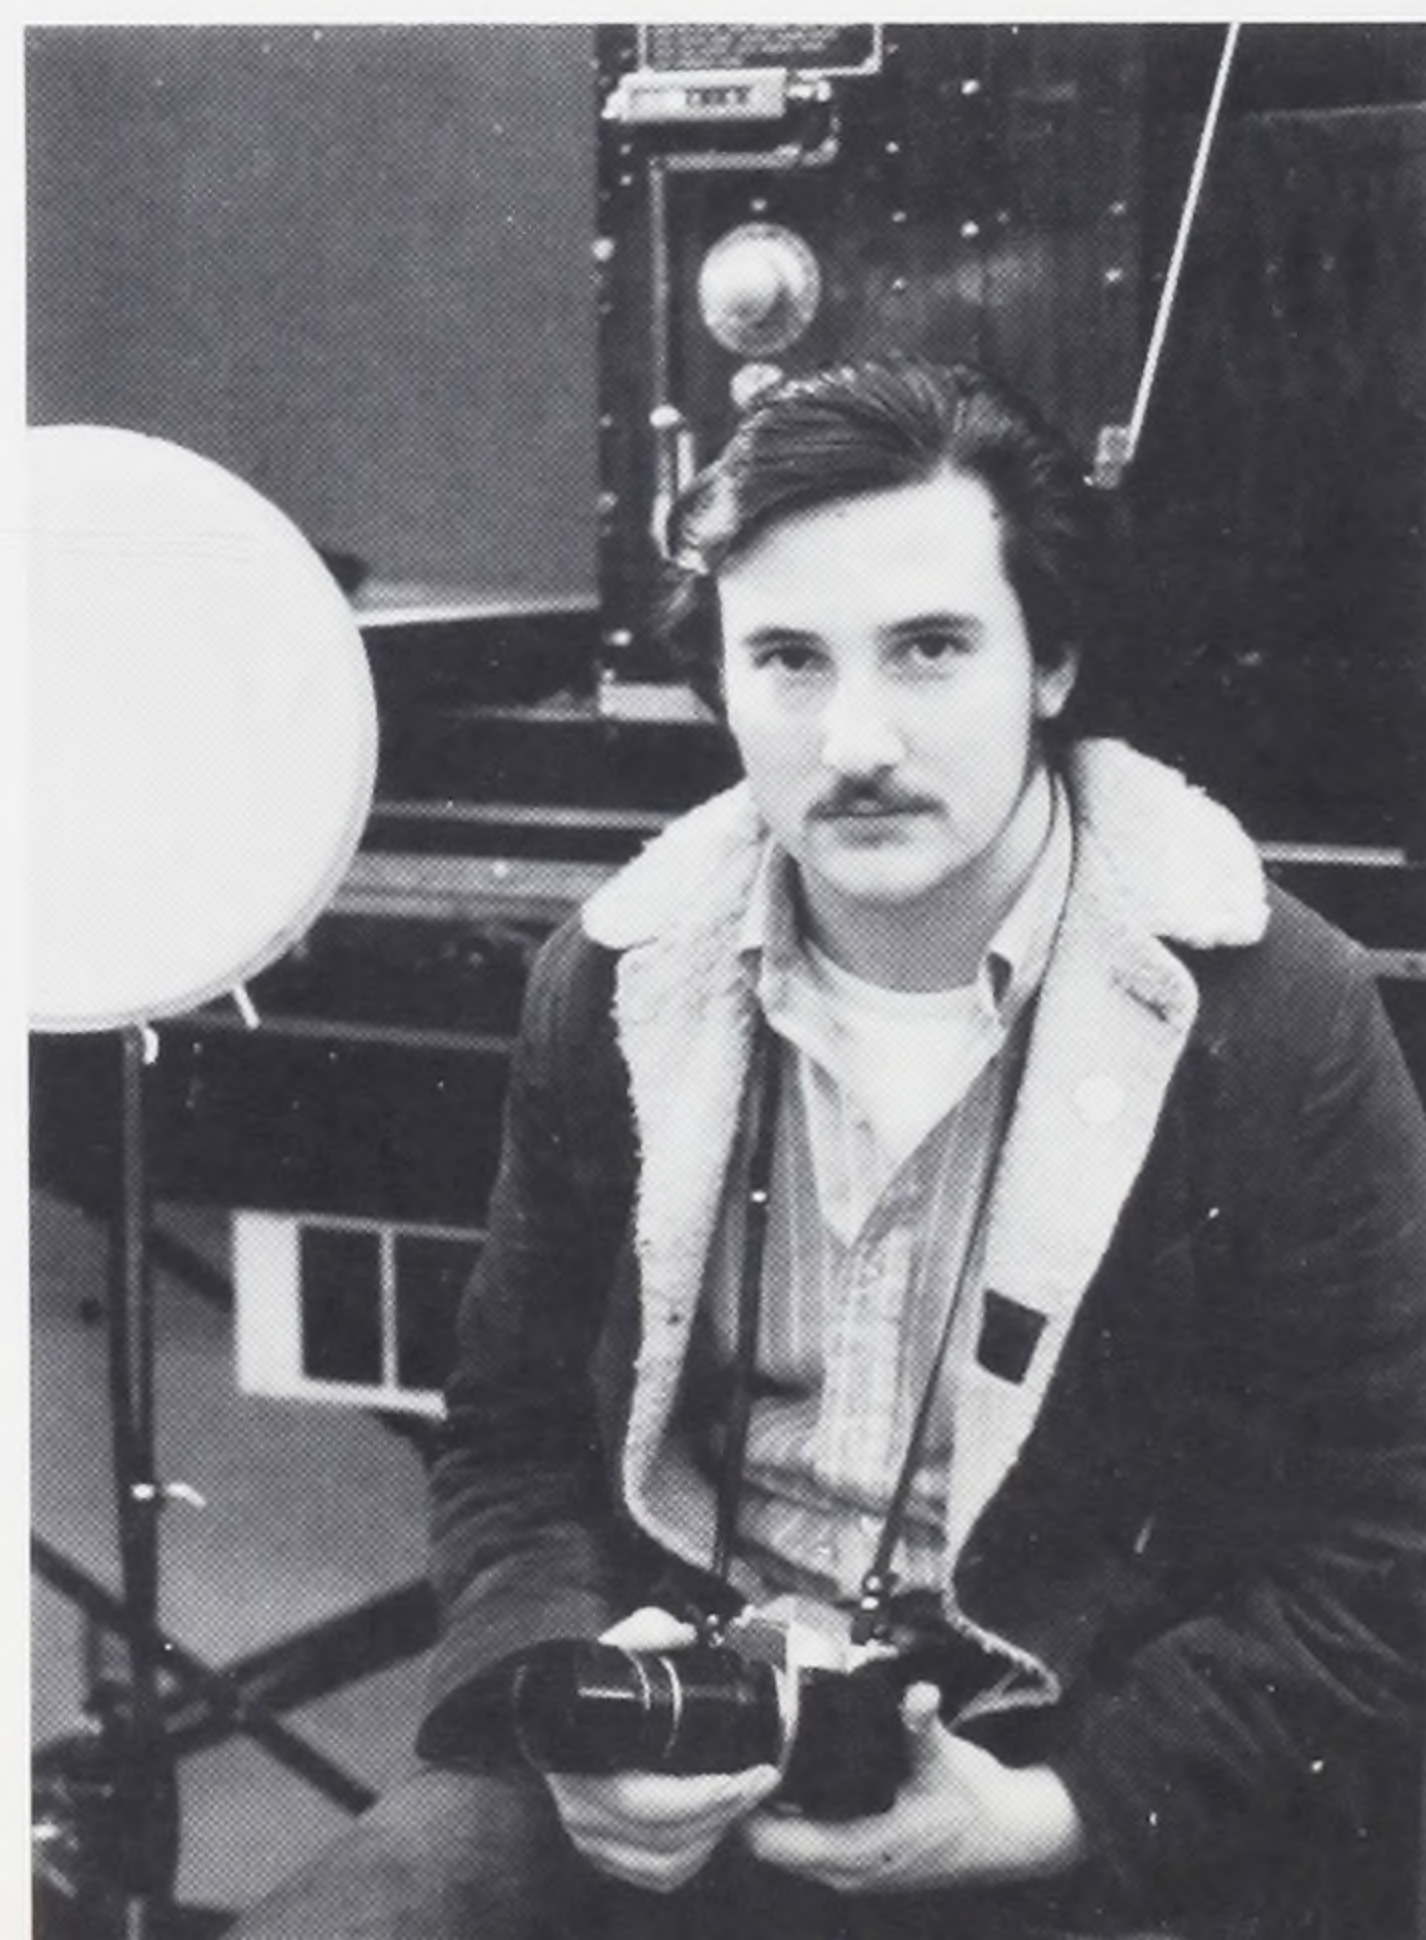

Right: group of stand lights in a discussion about past scenes they've "shown up". below, left: Dan Korpenfelt develops film in a, hopefully, light-proof, tank. below, rt.: Keith Cook, yearbook photo-editor in a serious mood. Center: chemicals, lights ... people!

Students who enter Benson's photography classes are confronted with the artistic and interpretative aspects as well as the technical aspects of modern photography. When a student leaves the class he is usually more than a "snap-shooter".... he is a photographer.

photography

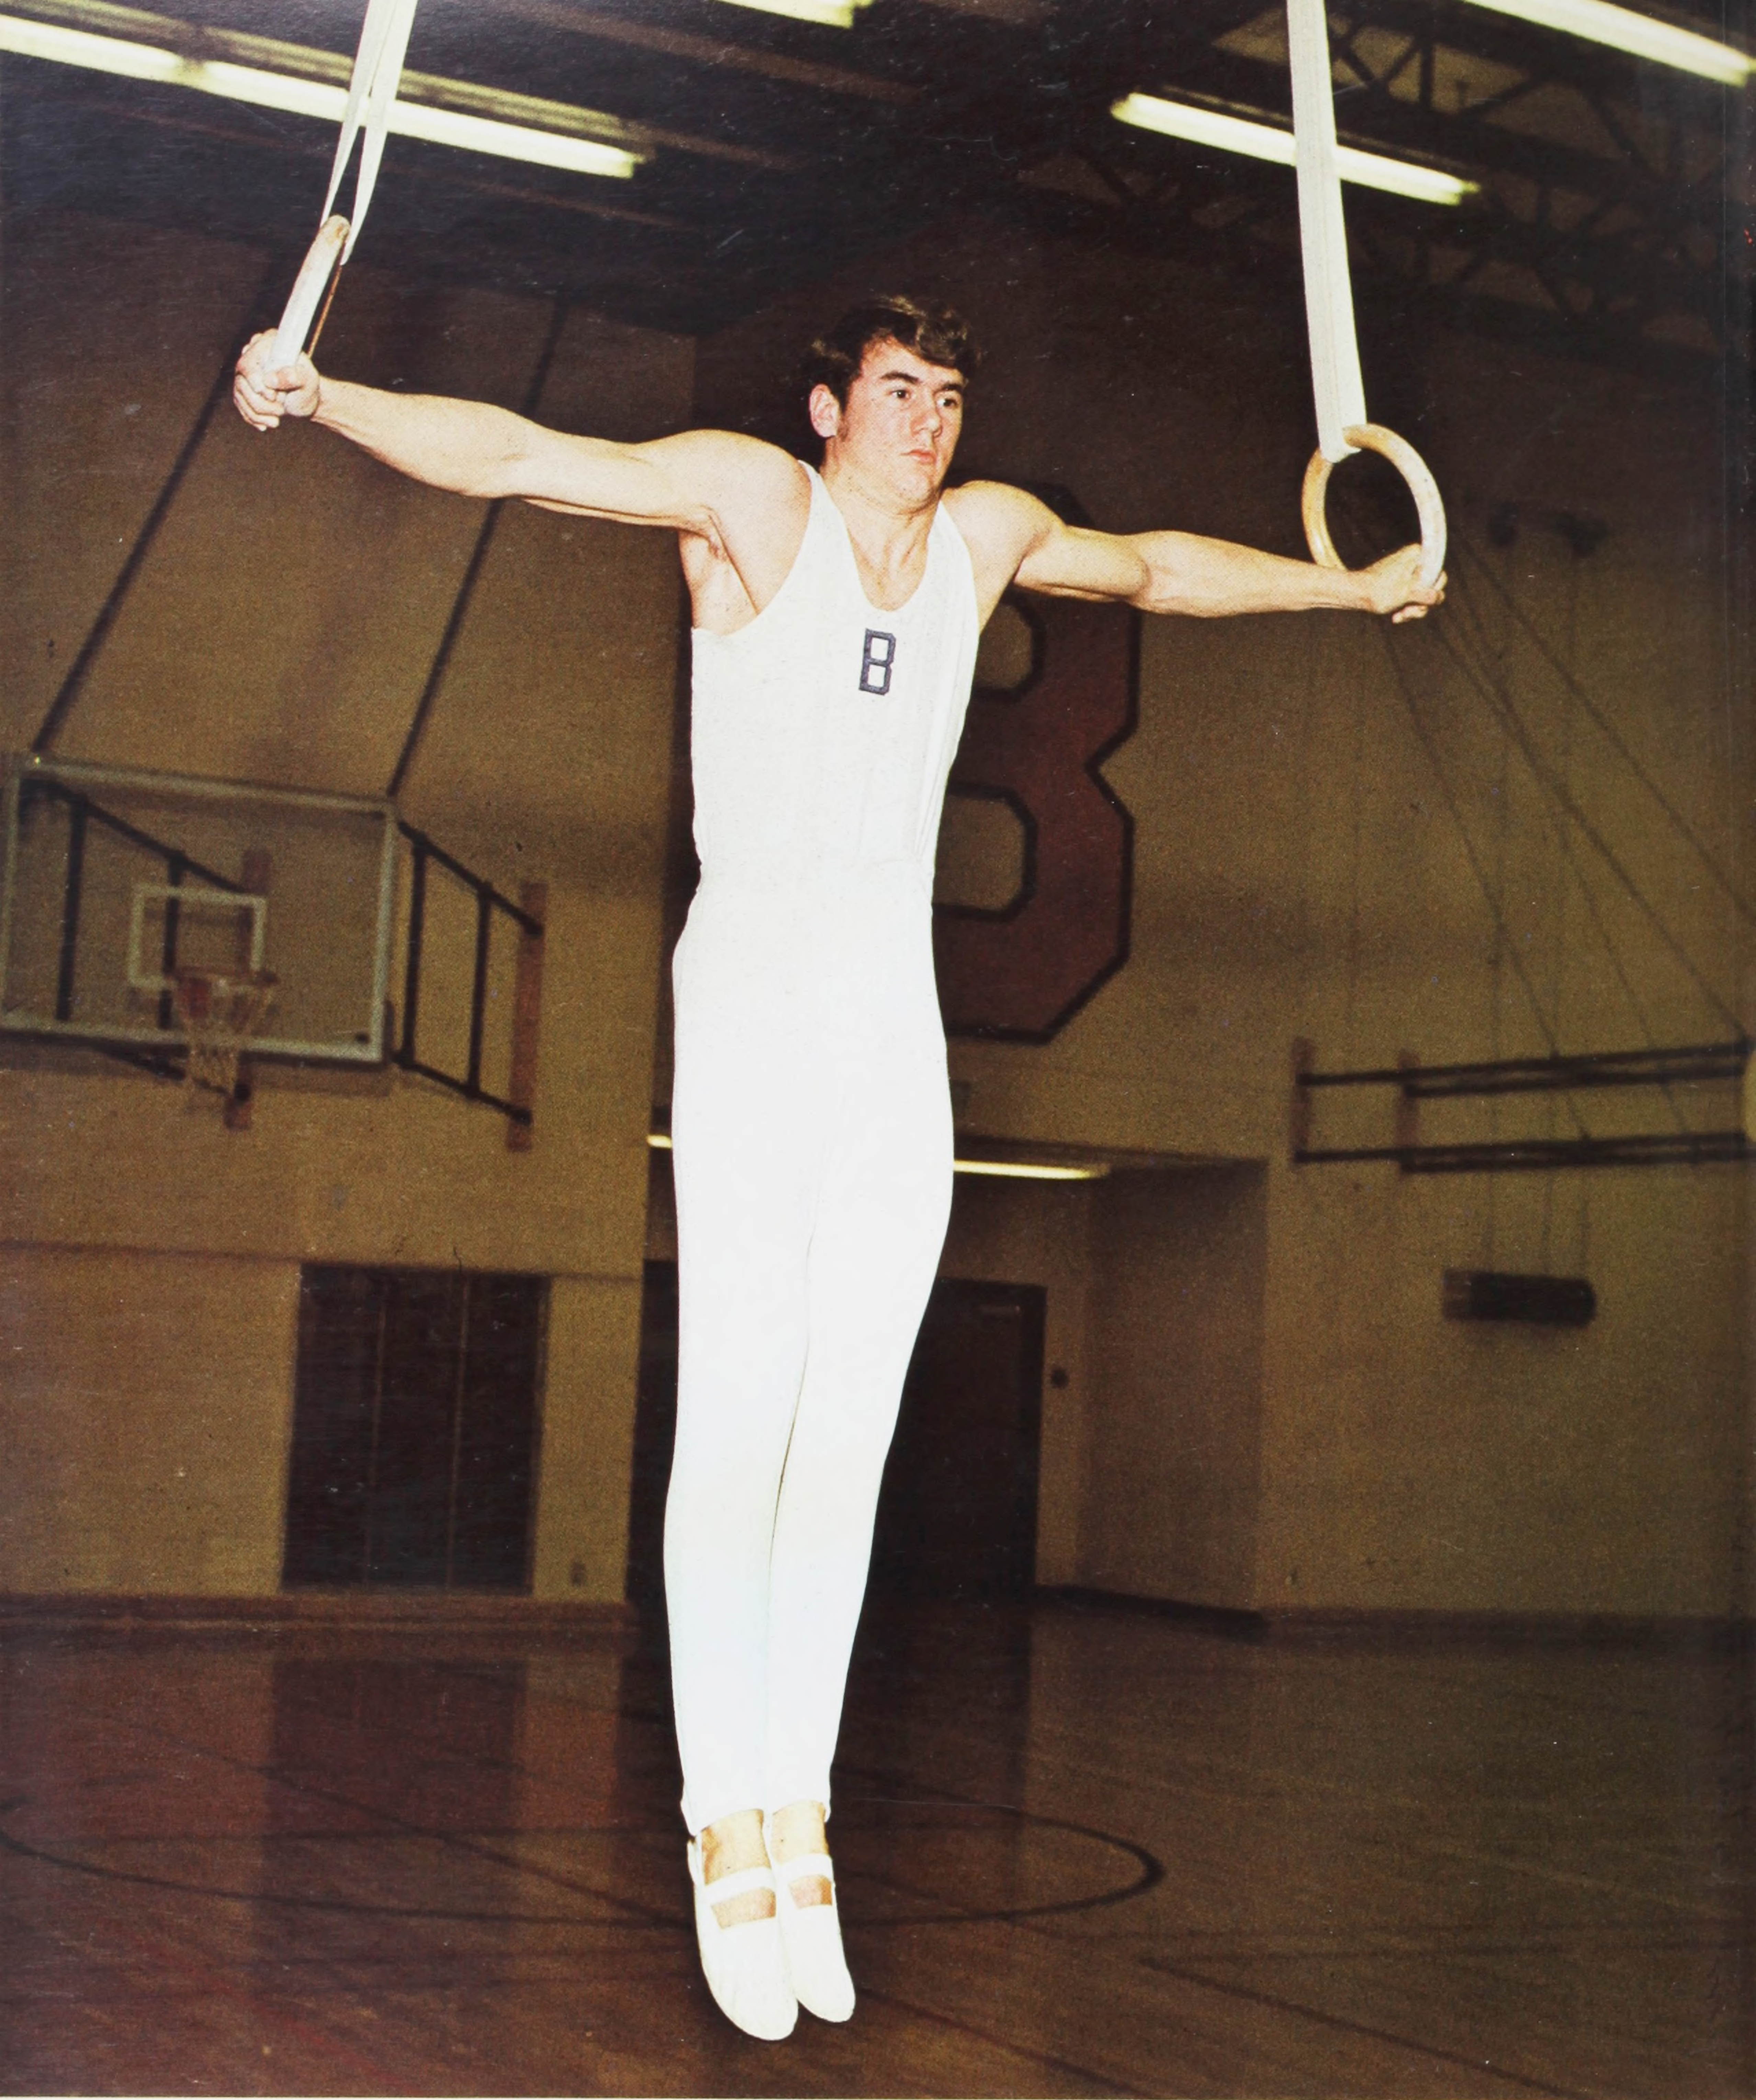

The photo staff has the responsibility of creating and processing all photographs which appear in the BLUEPRINT and the TECH PEP.

TOP: Emil Georges, Ken Ebosh, David Lindow CENTER: Jay Seckels, Mike Cremer, Bill Olson, Mr. David Small, Ross Lehman, Ralph Bullis, Ron Kuhn. THIRD ROW: Curtis Easley, Harry Kahlin, Gary Prodehl, Doug Estabrook, Mike Sandvig, Floyd Hofer, Chuck Smith. BOTTOM: Bob Miller.

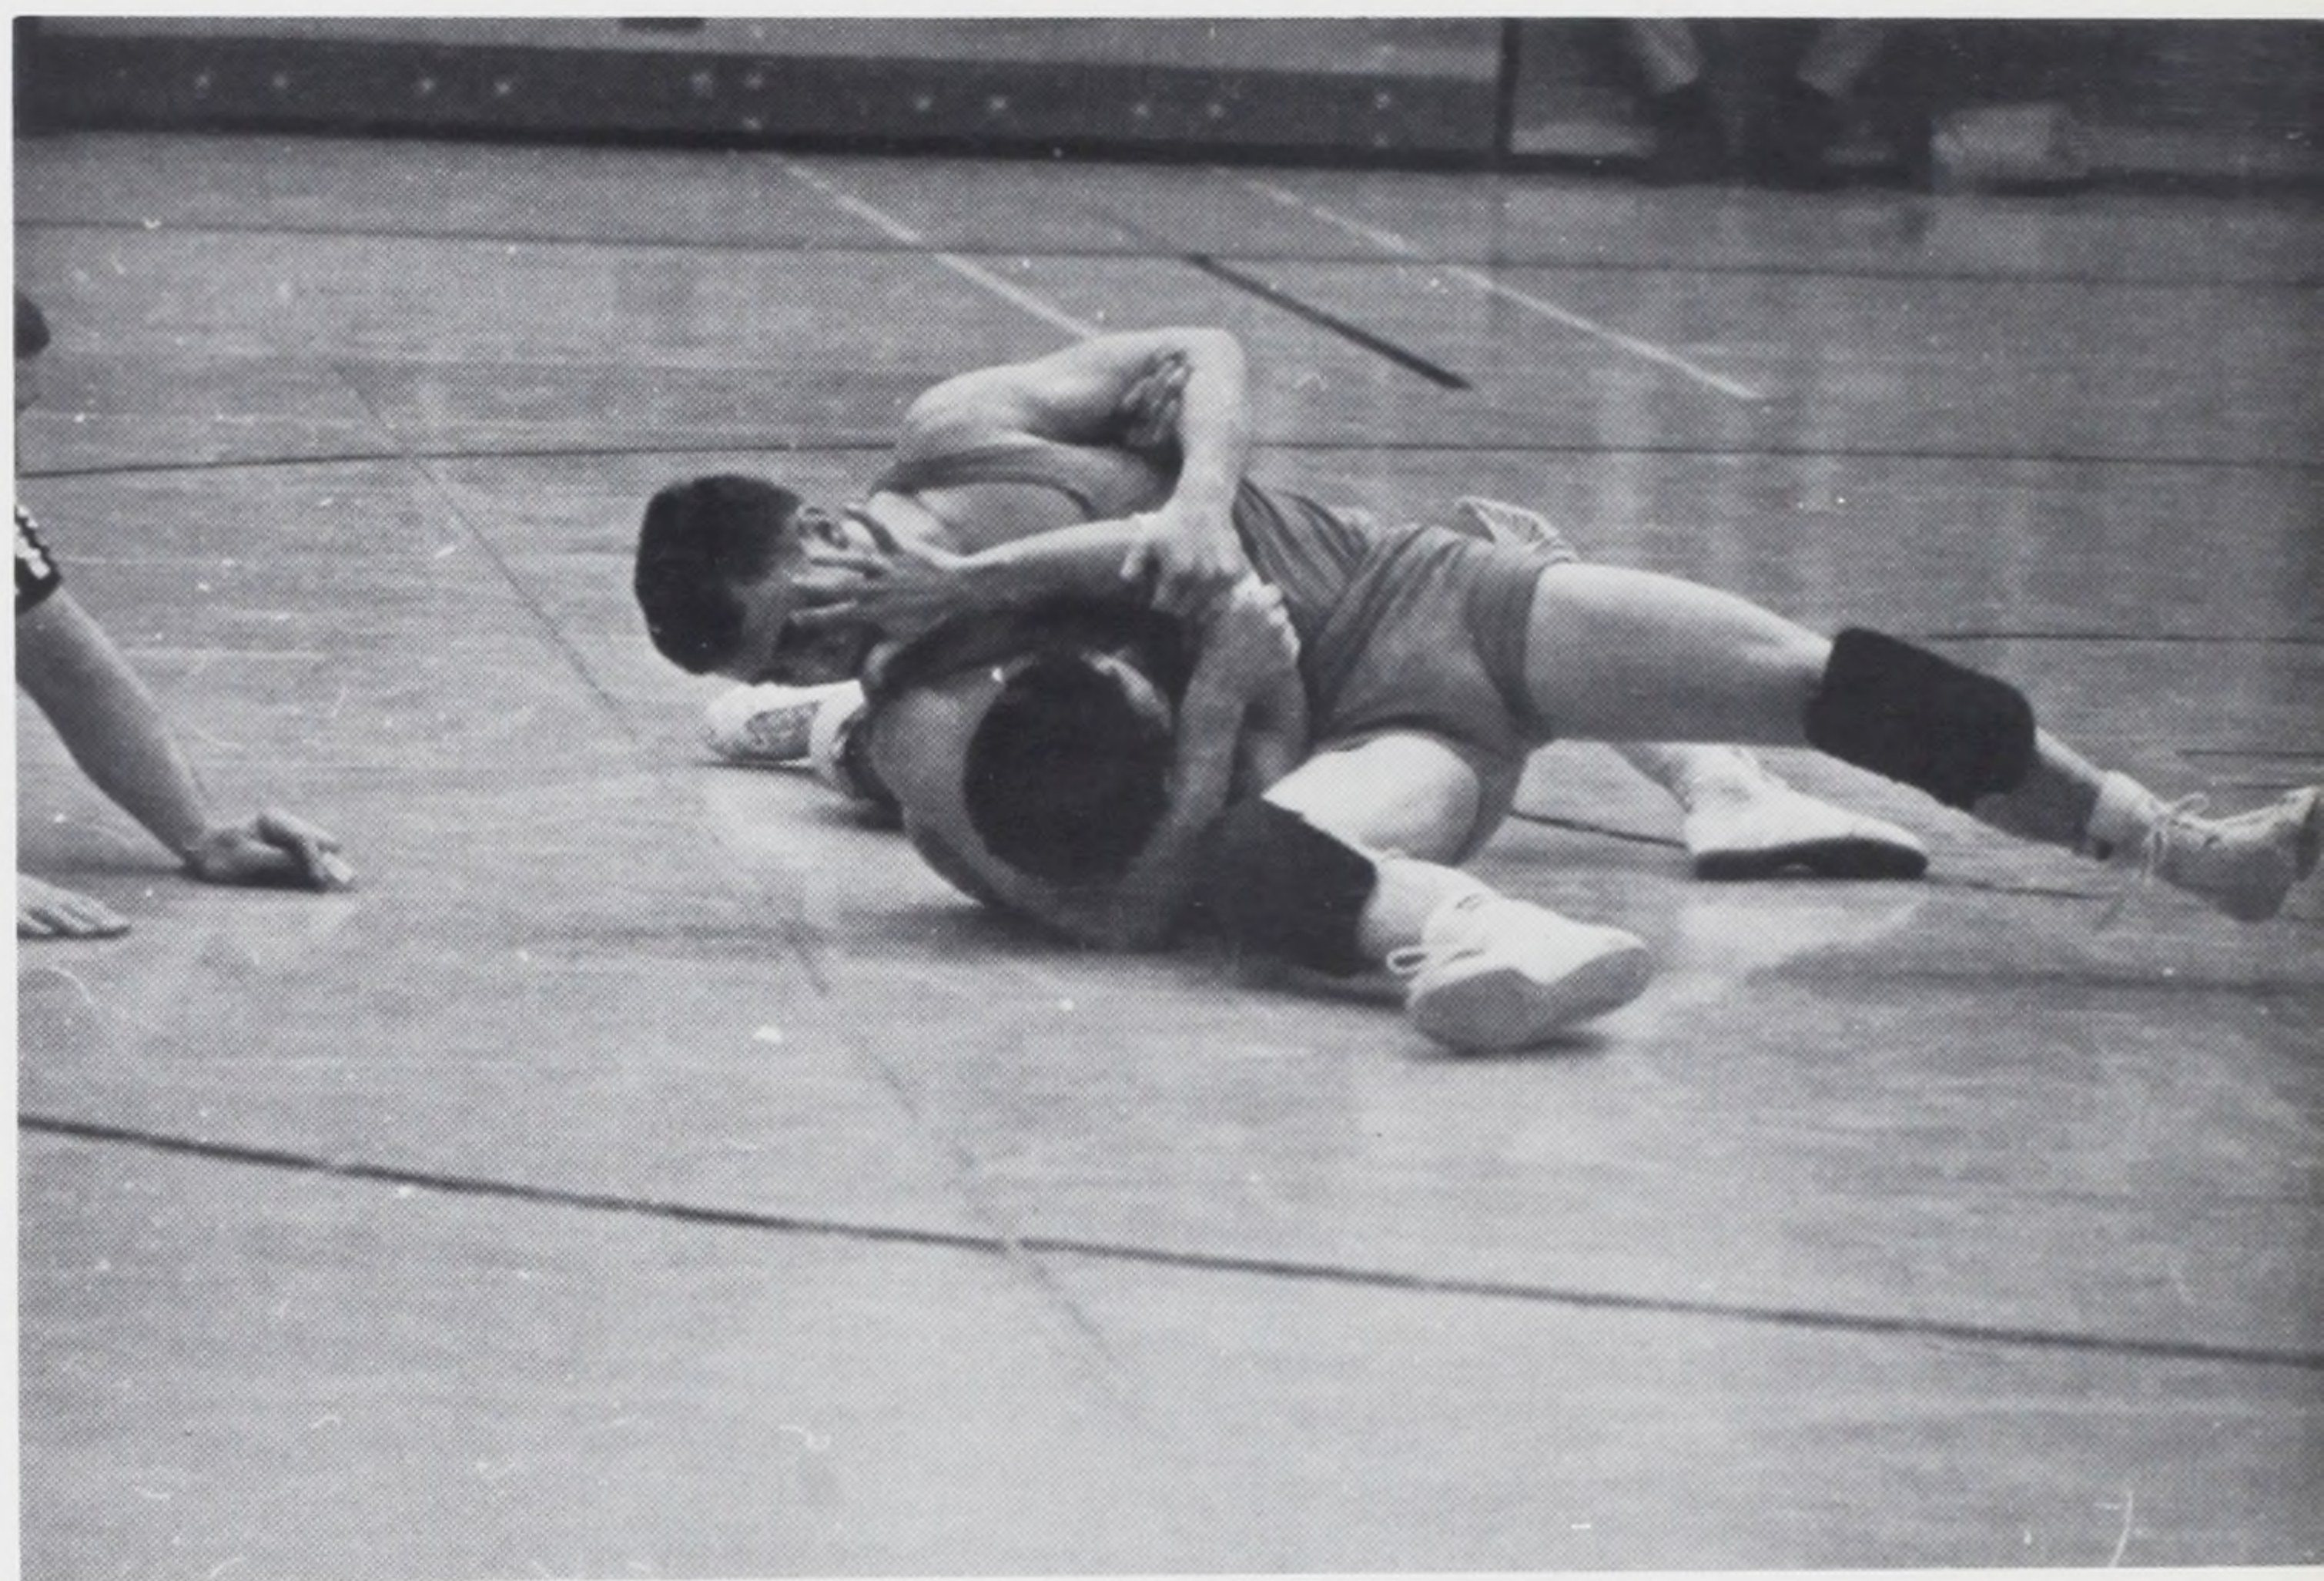

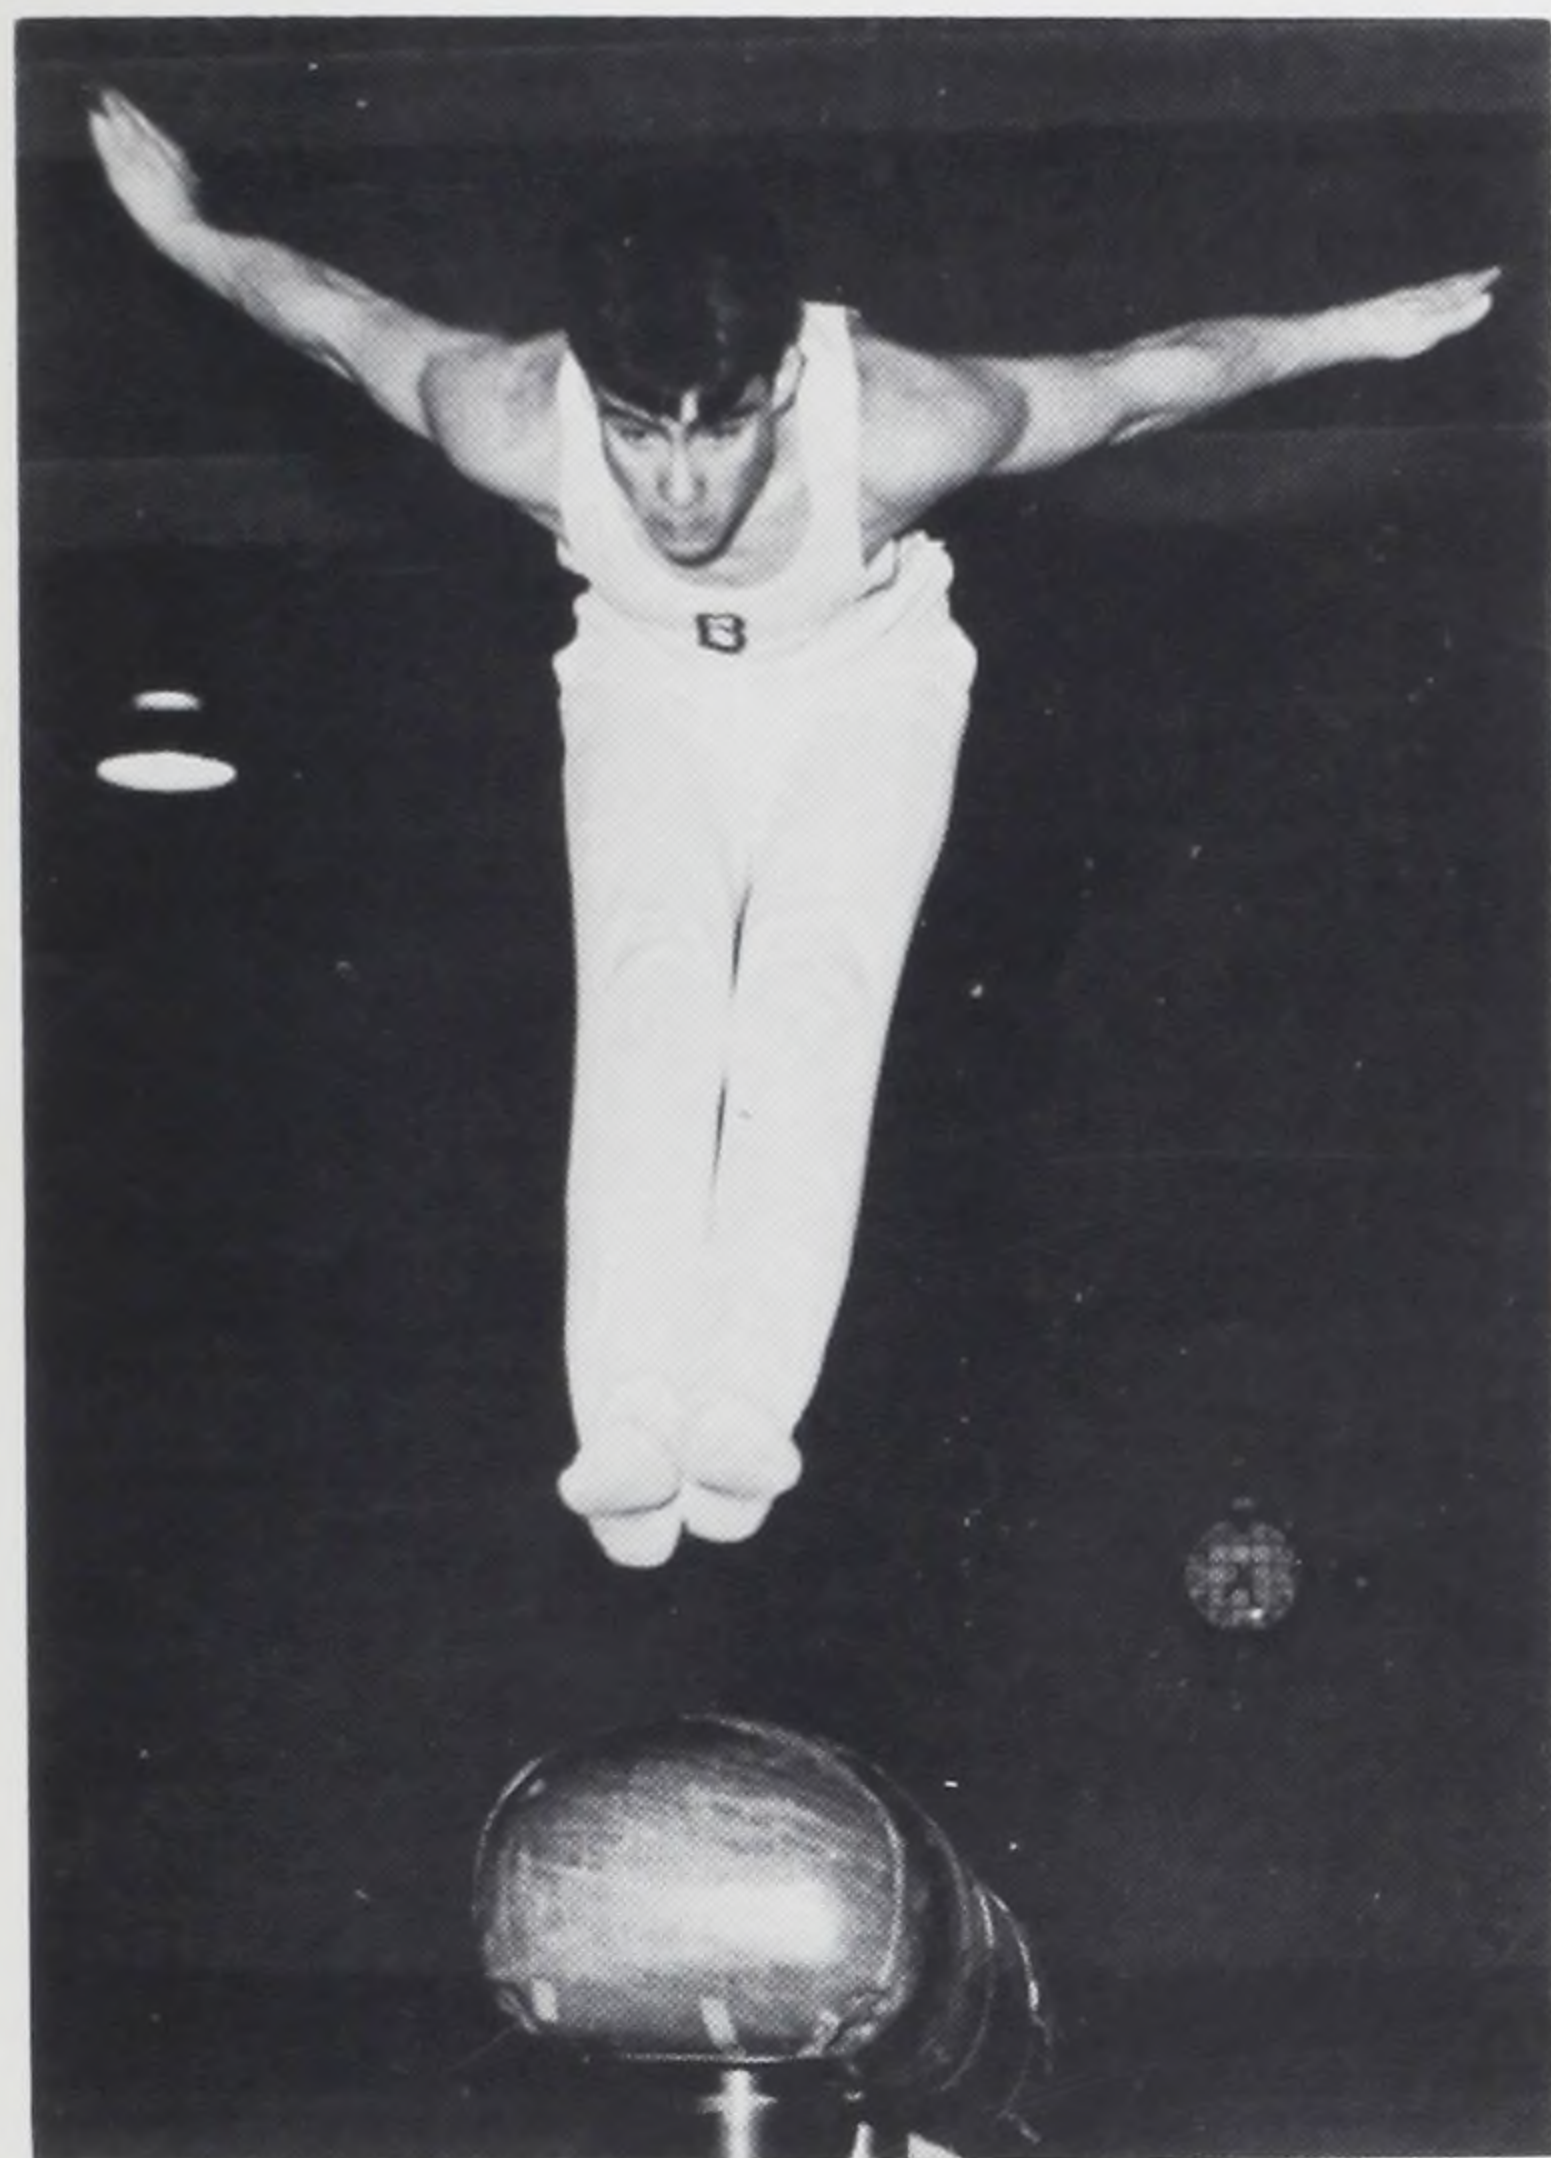

Senior Blair Pomeroy captures the awesome beauty of the “Iron Cross” on the parallel rings.

tech

sports

varsity football

"Courage, excitement, breaks and injuries, can pretty much sum up the 1968 football season," says varsity football coach Dick Hennessy. With the exception of one game, Benson was in every contest right down to the final seconds. No matter how bad things looked, the Engineers always "kept tough." They came from behind to beat Lincoln 28-7, and showed Jackson their heels after trailing by 13 points to overcome the raiders and win by a score of 35-19. Disappointments", says Hennessy, "were in the close games, such as against Grant which Benson lost after a great come-from-behind effort." They lost 31-20.

Benson was hampered all season by injuries, but over half of these occurred off the football field. None the less, the loss of experienced men did hurt the efforts during the season.

Some outstanding individual efforts were made during the season. Mike Meyer scored 36 points and threw 5 touchdown passes for the season; Jerry Simon, according to Coach Hennessy, "is the best offensive guard in the city" Lloyd Grimsrud, blocking back and fullback, was voted first string all city by the Journal and Oregonian; Dan Demarinis, who scored 30 points during the season, along with Tim Aldinger, were the two main running backs for the season.

In all, Benson has a 2-4-0 win-loss record.

Clockwise from above left: Tech back Nick Murray wheels around the Benson left end on a big gainer. Coaches Lopez, Chase and Hennessy give oral encouragement to the team. Mike Hennessey and Tim Aldinger take off on one of Aldinger's great runs of the season. Tech Bench seems worried...

BENSON VS. ROOSEVELT

The opening game of the 1968 season was played on a rainy night. Roosevelt blocked two Benson punts and scored one on their own offensive effort. Tech held the Teddies scoreless in the second half and Mike Meyer passed to Nick Murry for Benson's lone TD. Foreman Lee's kick was good: Benson 7-Roosevelt 21.

BENSON VS JACKSON

Jackson had a 13 point lead at half time but Benson scored 35 points in the second half and played a great game of ball control. Benson had a total of 80 offensive plays to Jackson's 38. Mike Meyer, Dan Demarinis and Curtis Mayes were the big drivers in this game; Benson 35-Jackson 19.

BENSON VS JEFFERSON

Benson lead 9-0 at the half, 16-7 at the three quarter mark and was playing flawless ball until the 4th quarter when the roof dropped in. Jeff exploded for 32 points in the 4th quarter: Benson 16-Jefferson 39.

BENSON VS CLEVELAND

It was just one of those nights, nothing went right and everything went wrong for Benson: Benson 14-Cleveland 46.

BENSON VS LINCOLN

Lincoln got off to a 7 pt. lead, but the Benson line got tough and Lloyd Grimstud opened gapeing holes for Meyer, Demarinis and Company. This was one of Benson's best defensive efforts during the season as they held Lincoln to 65 Yds rushing: Benson 28-Lincoln 7.

BENSON VS GRANT

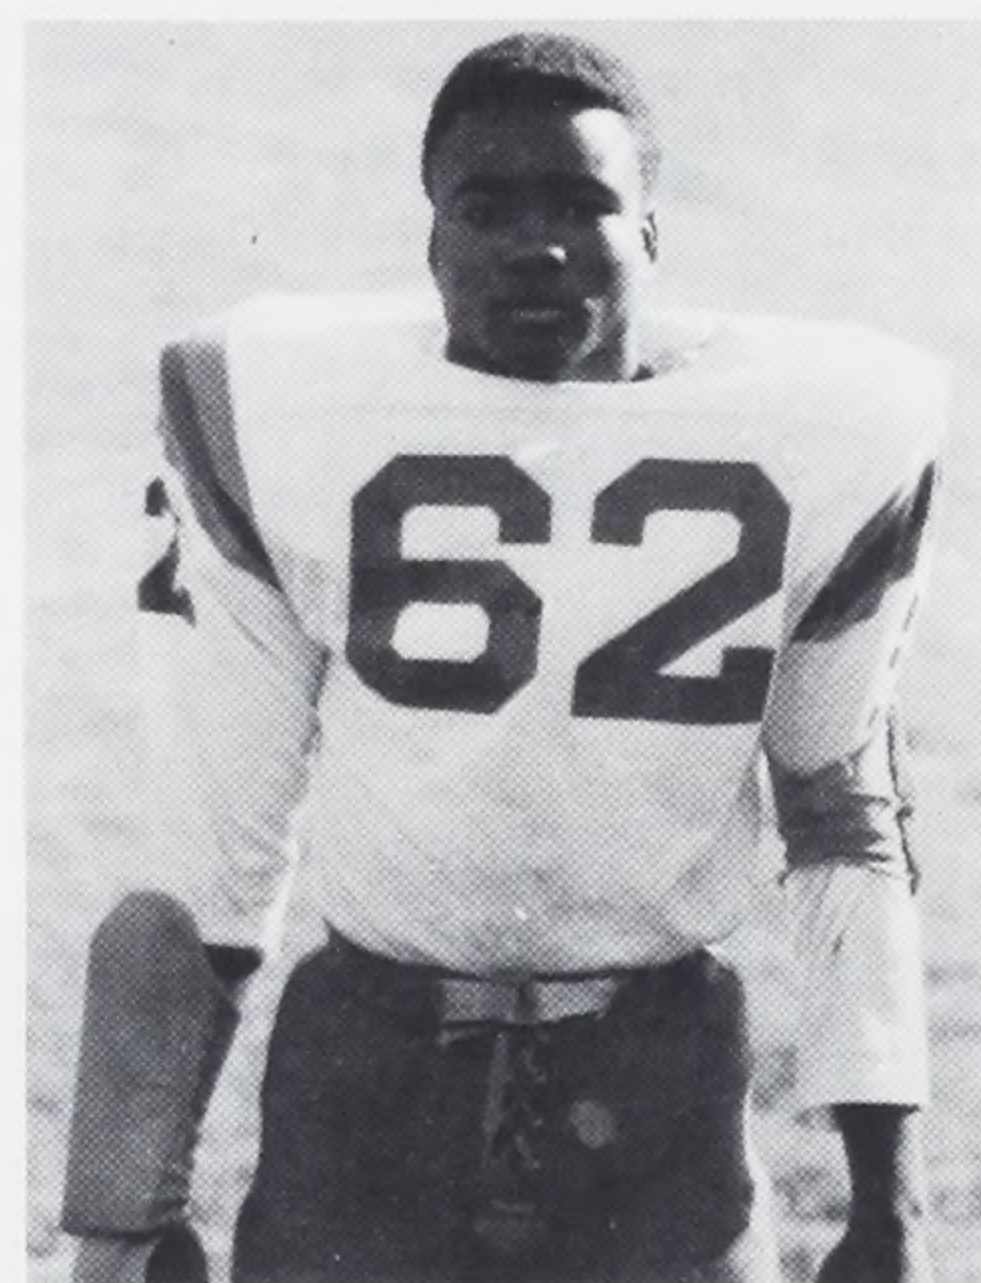

Benson gave the City Champs all they could handle as the Techmen lost after a great come from behind effort. Benson had 12 first downs and total offensive yardage of 291. Grant had 11 first downs and 324 offensive yards: Benson 20-Grant 31.

BENSON VS MADISON

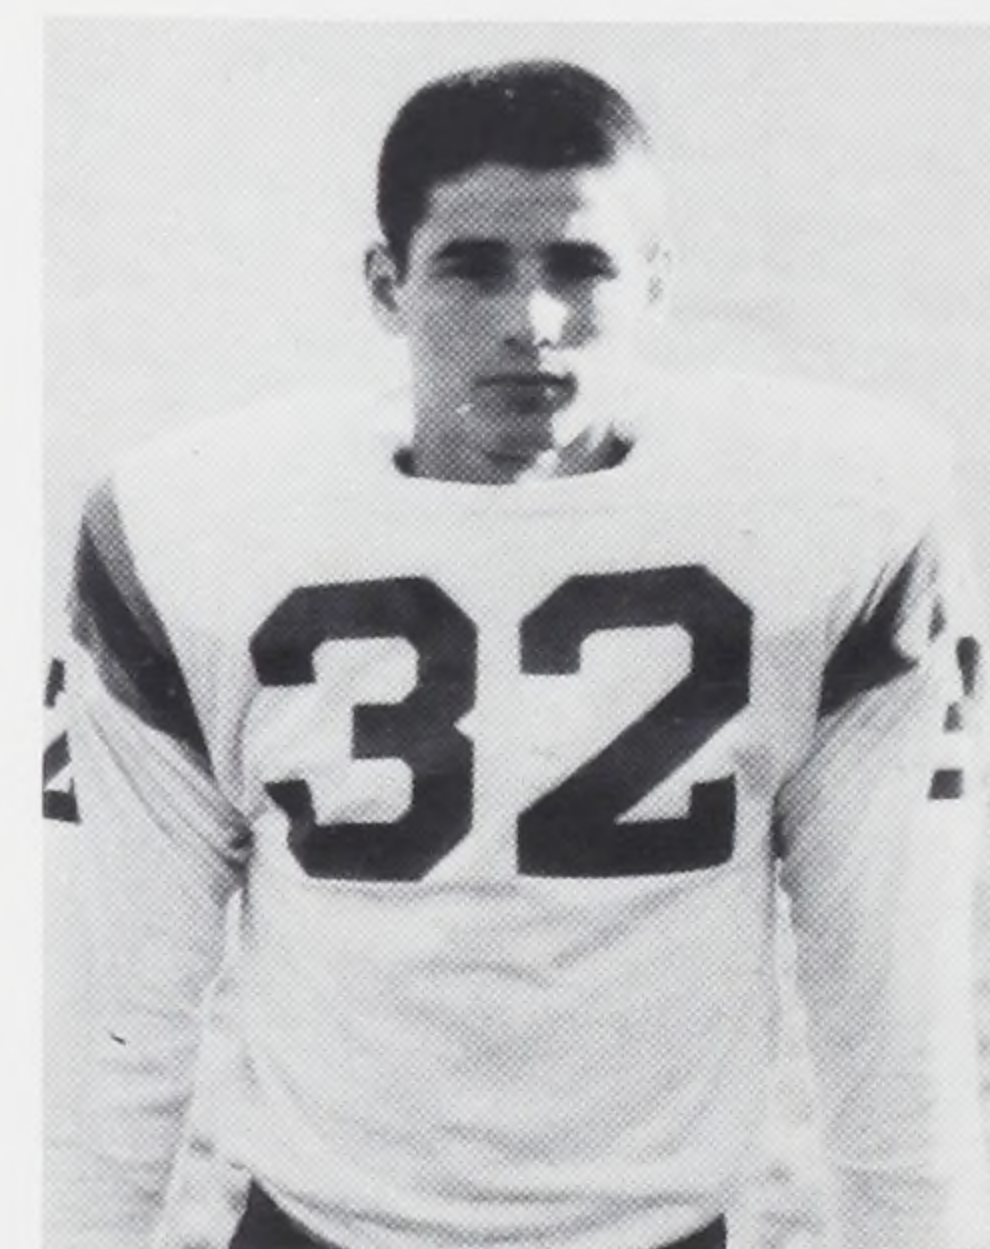

Benson and Madison were 20-20 with only four minutes left to play. Benson had Madison deep in their own territory and forced them to kick. But Tech got a 15 yd. penalty which gave the Mads the ball and Benson wound up on the short end of the score. Tim Aldinger, Mike Meyer, Dan Demarinis and Lloyd Grimsrud were the big Techmen in this game: Benson 20-Madison 26.

BENSON VS MARSHALL

The last game of the year saw Benson jump out to a 12-0 lead over Marshall only to lose on the game and season ended: Benson 12-Marshall 14.

Senior Guard, Jerry Simon and senior Mike Meyer, Full Back, were elected by their teammates as Players-of-the-Year.

Ass't. Coach Mike Lopez

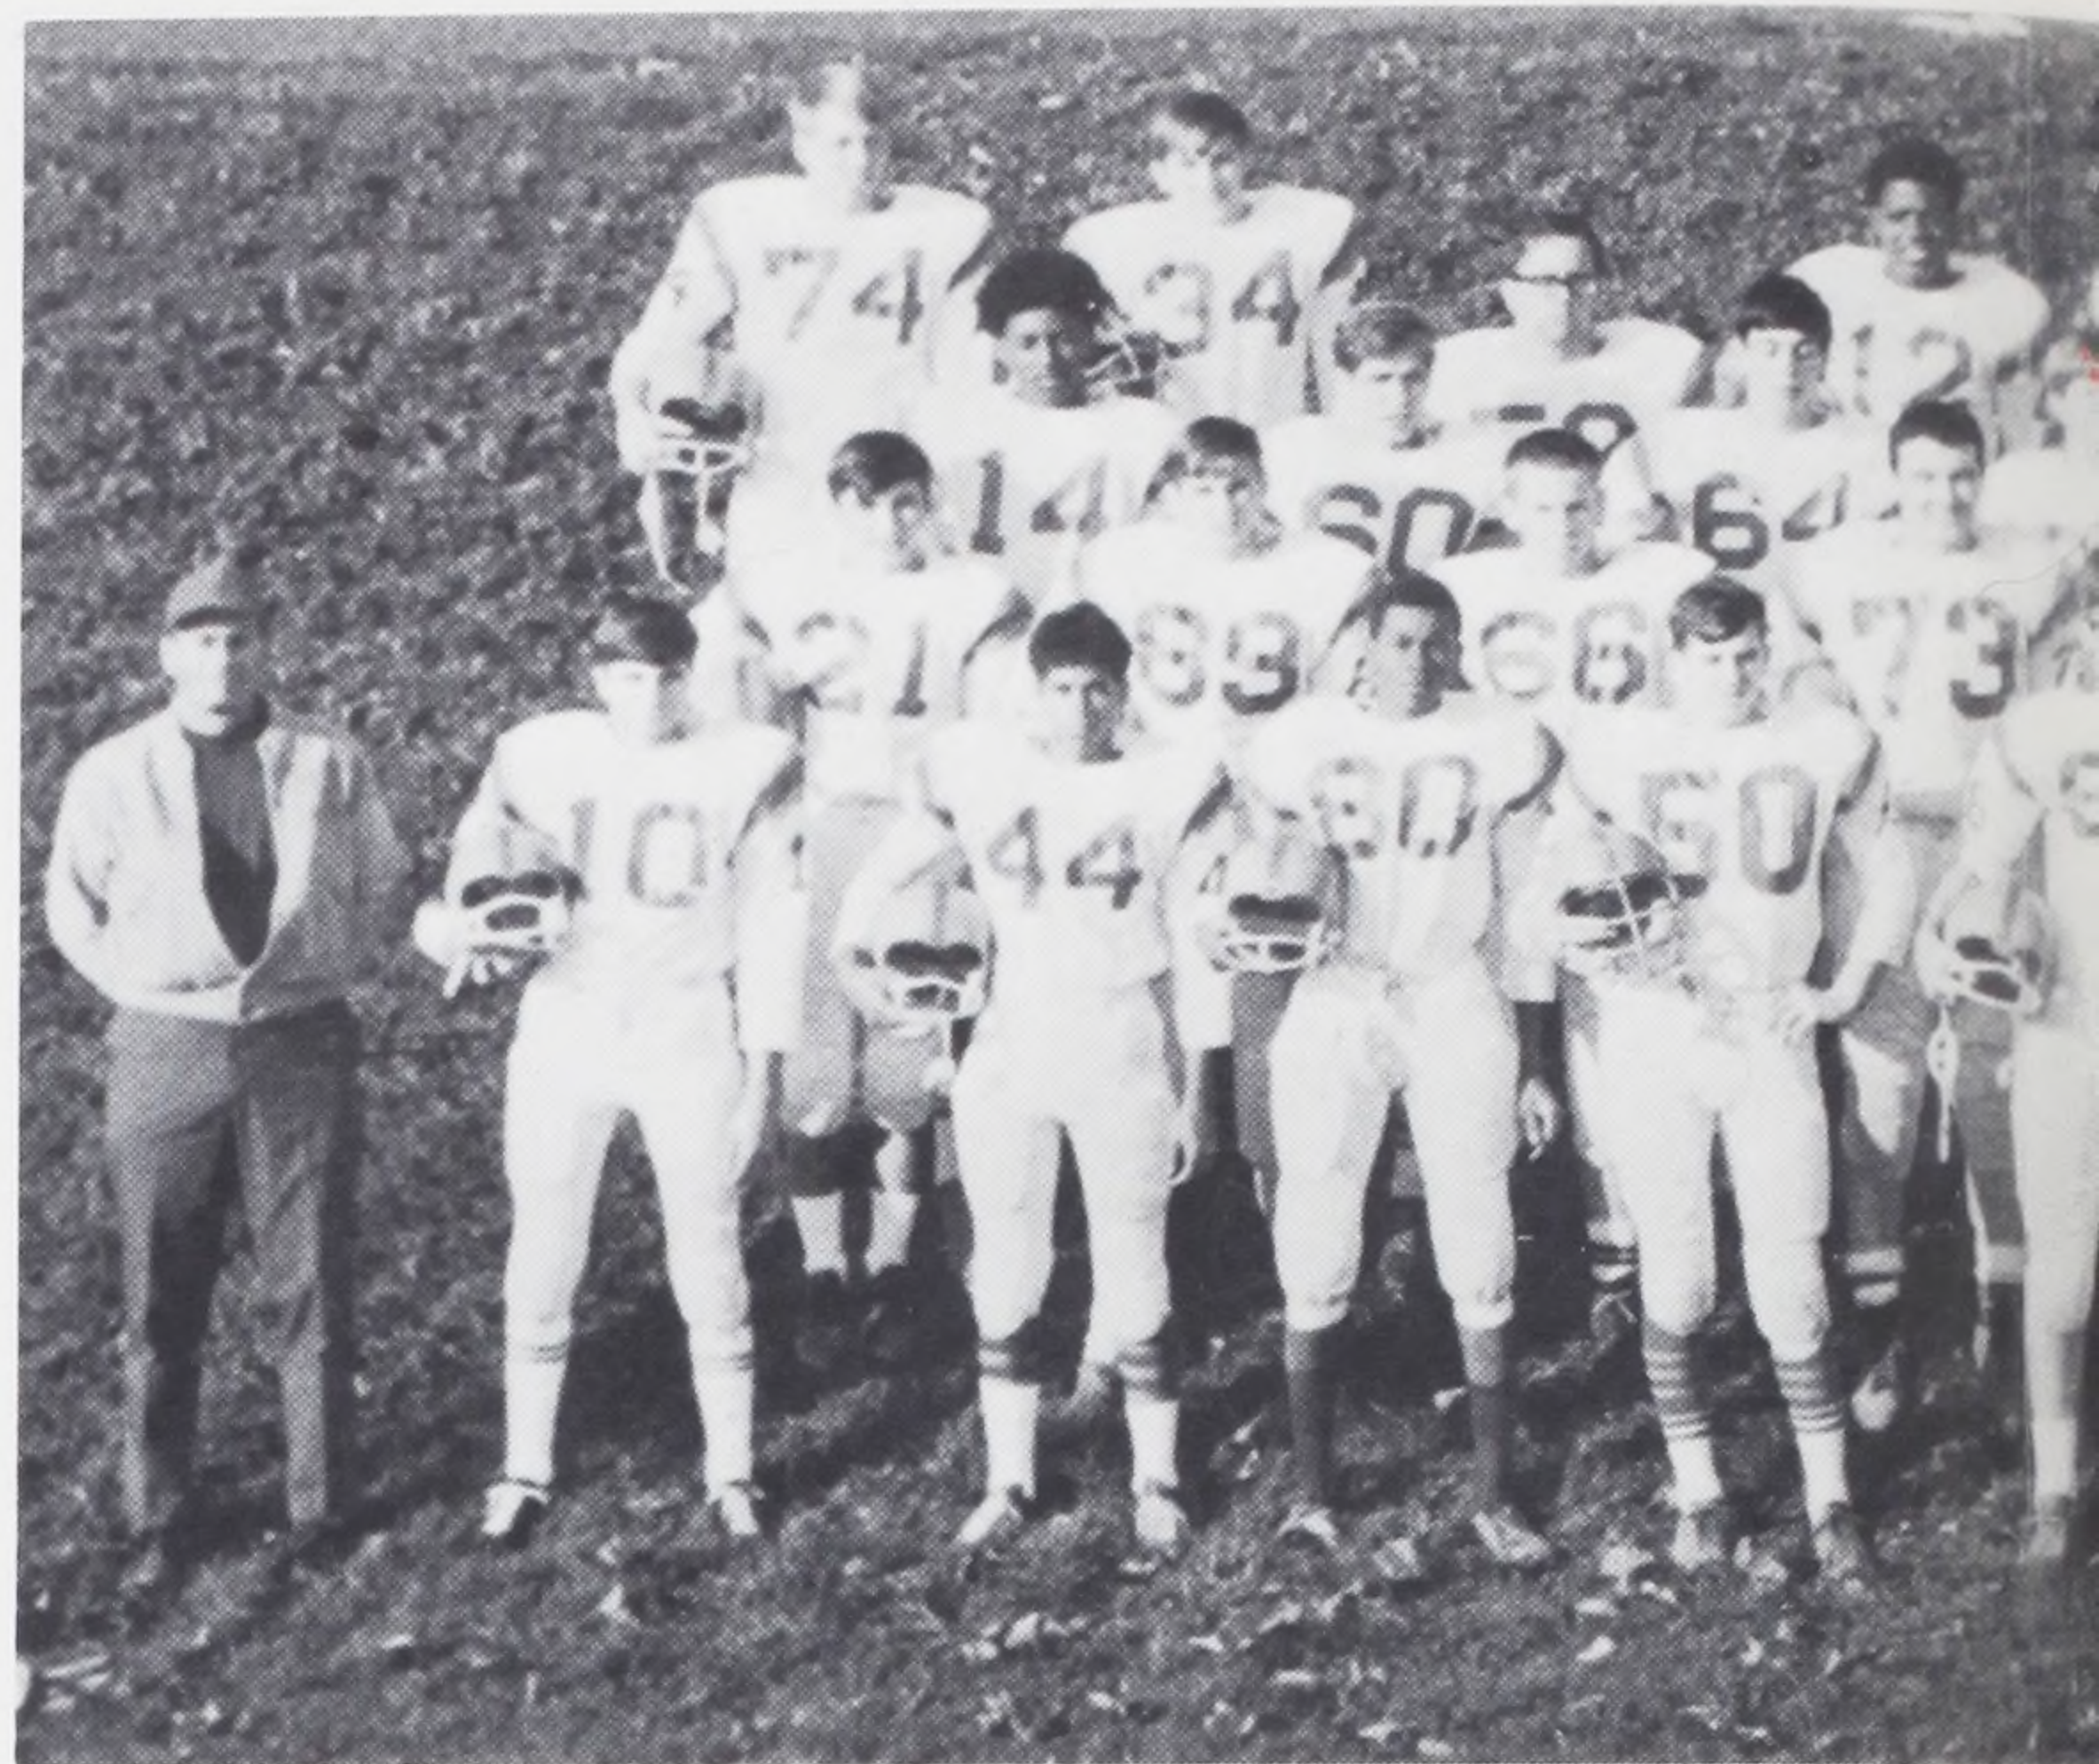

jv football

The 1968 Junior Varsity Football team completed their season with 3 win 4 loss record. Coach Erlenbush said that the team had a good defense but were weak in passing offense.

The team selected John Underhill as the Most Valuable Player for his leadership during games.

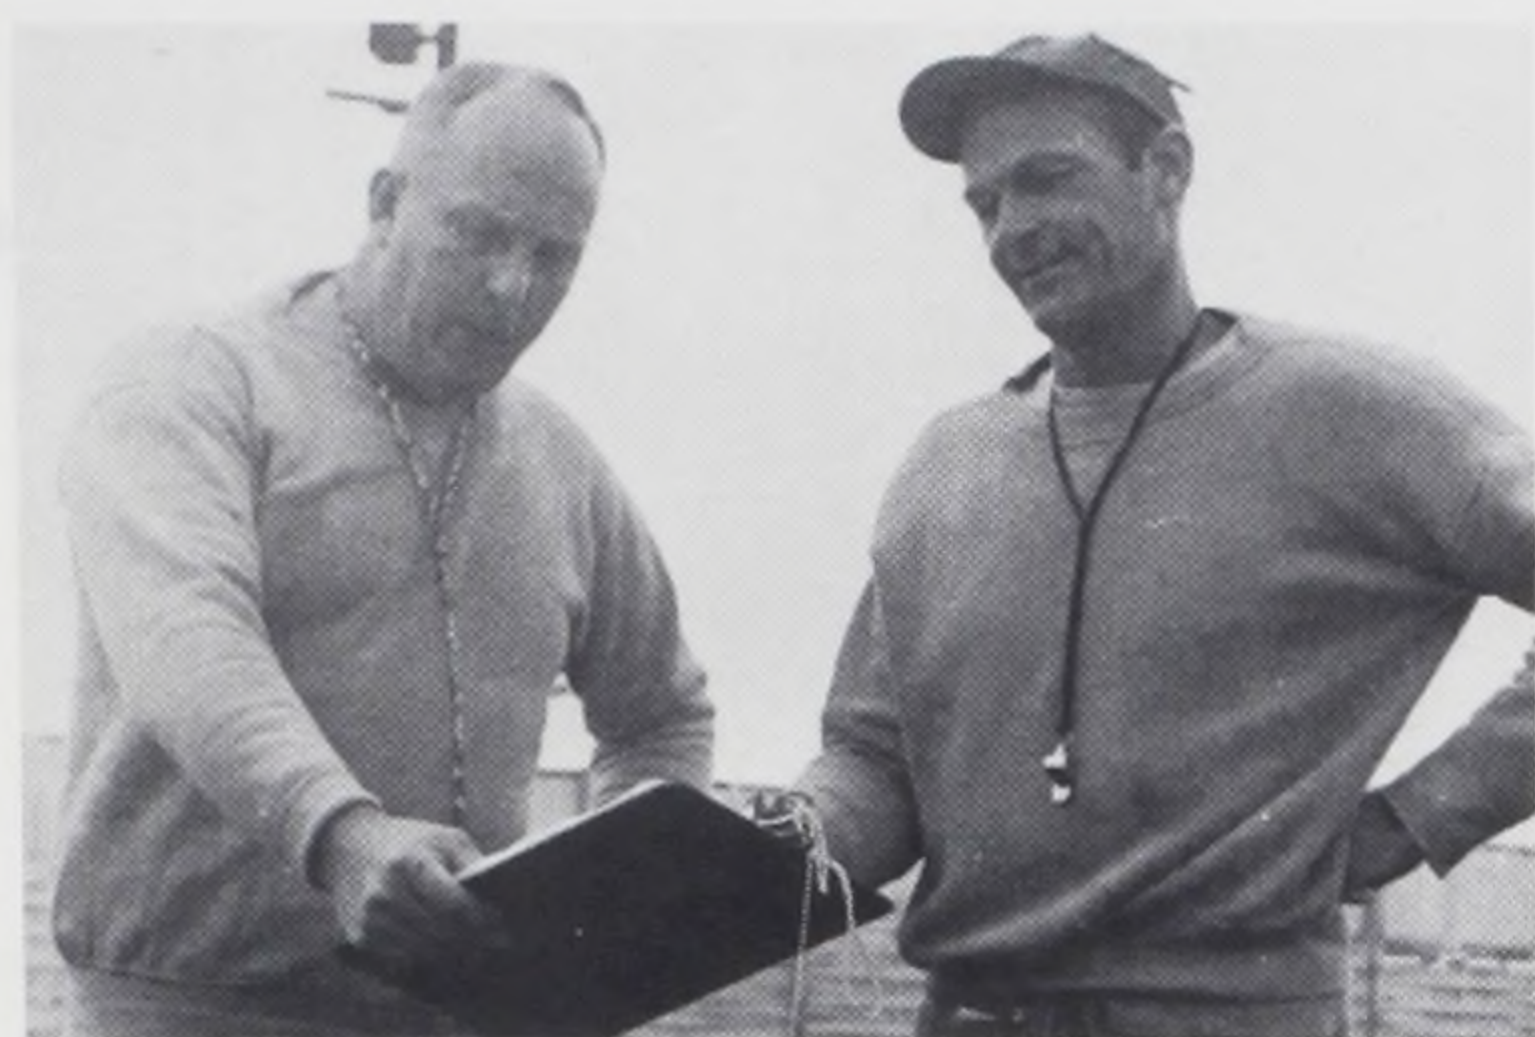

The Freshmen finished their season with a record the same as last year; 2 win, 3 losses and 1 tie. With good desire and many skills the team learned fast, but the inability to play as a unit kept them down.

Dave Justice and Dale Gross were awarded most valuable players honors for their outstanding jobs on defense and offense.

frosh football

Cross Country coach Victor Mazzocco stated that 1968-69 has been the best year since he has started coaching at Benson. Besides placing fourth in the city, we took a team to state that placed high. Coach Mazzocco says, "Wait 'til next year"! With only four seniors leaving and fast junior varsity and freshman runners coming up, "We should have a strong team."

four techmen

go to state

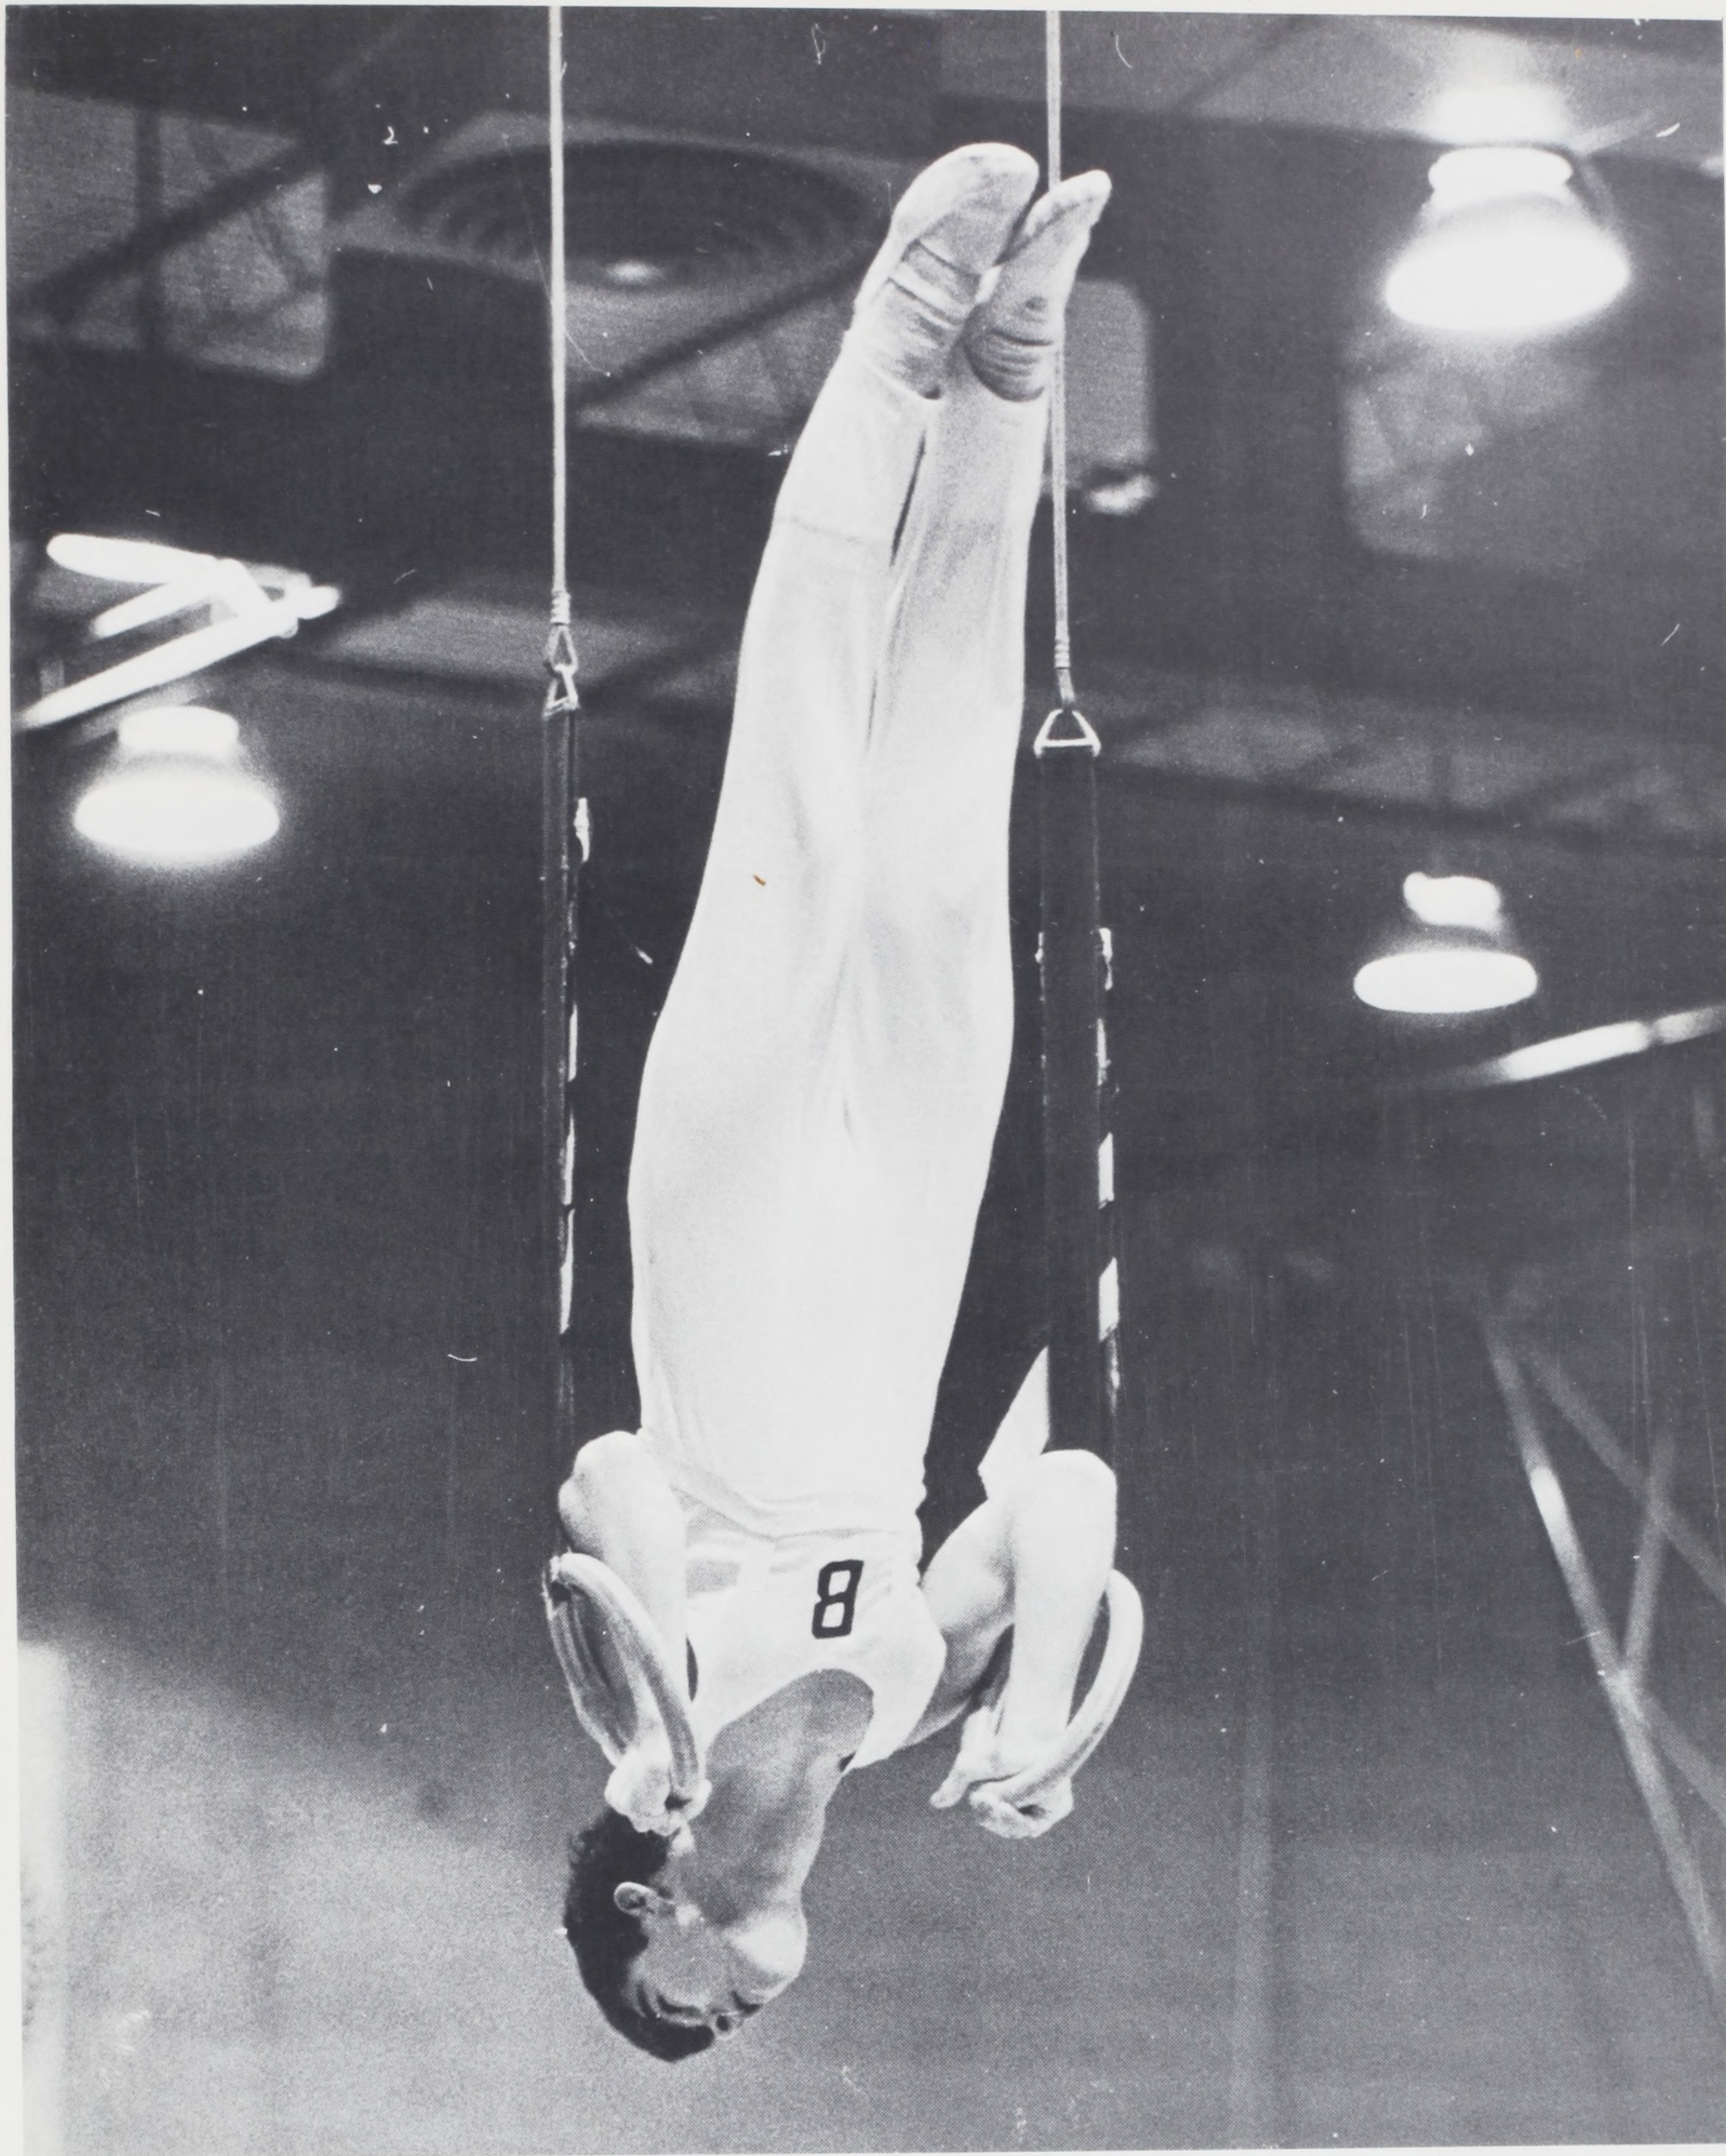

State Champion Mike Downer

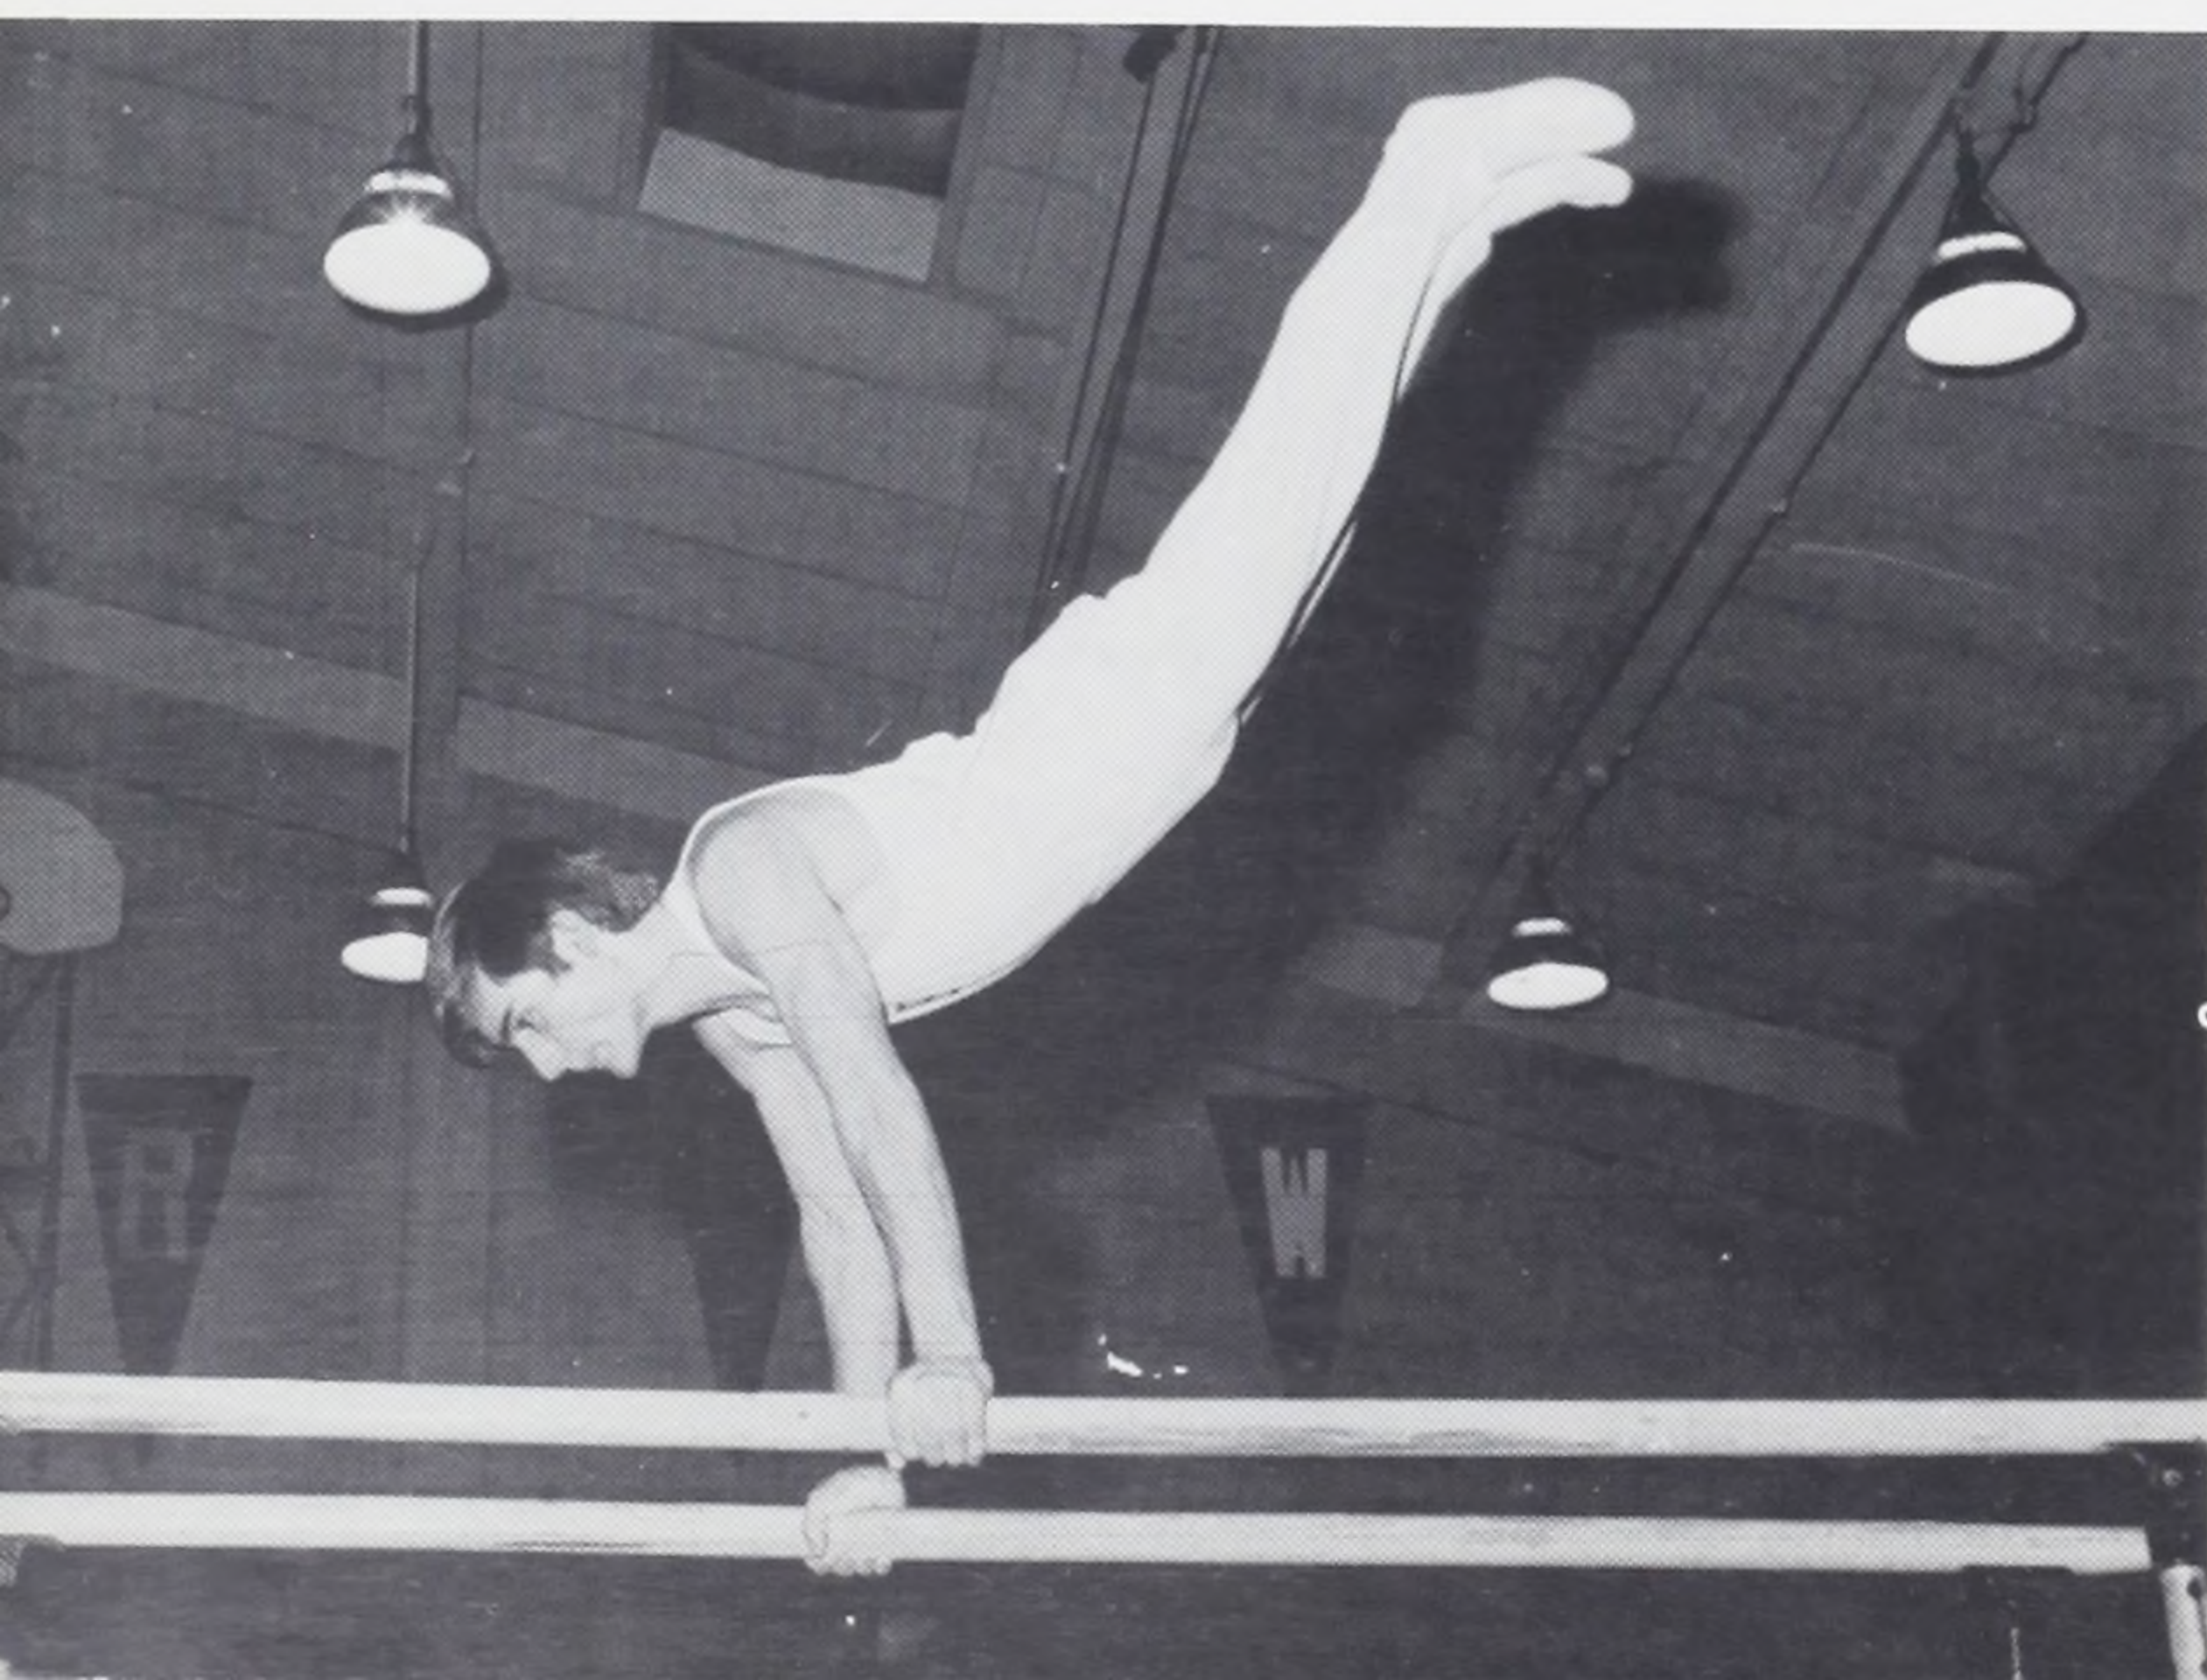

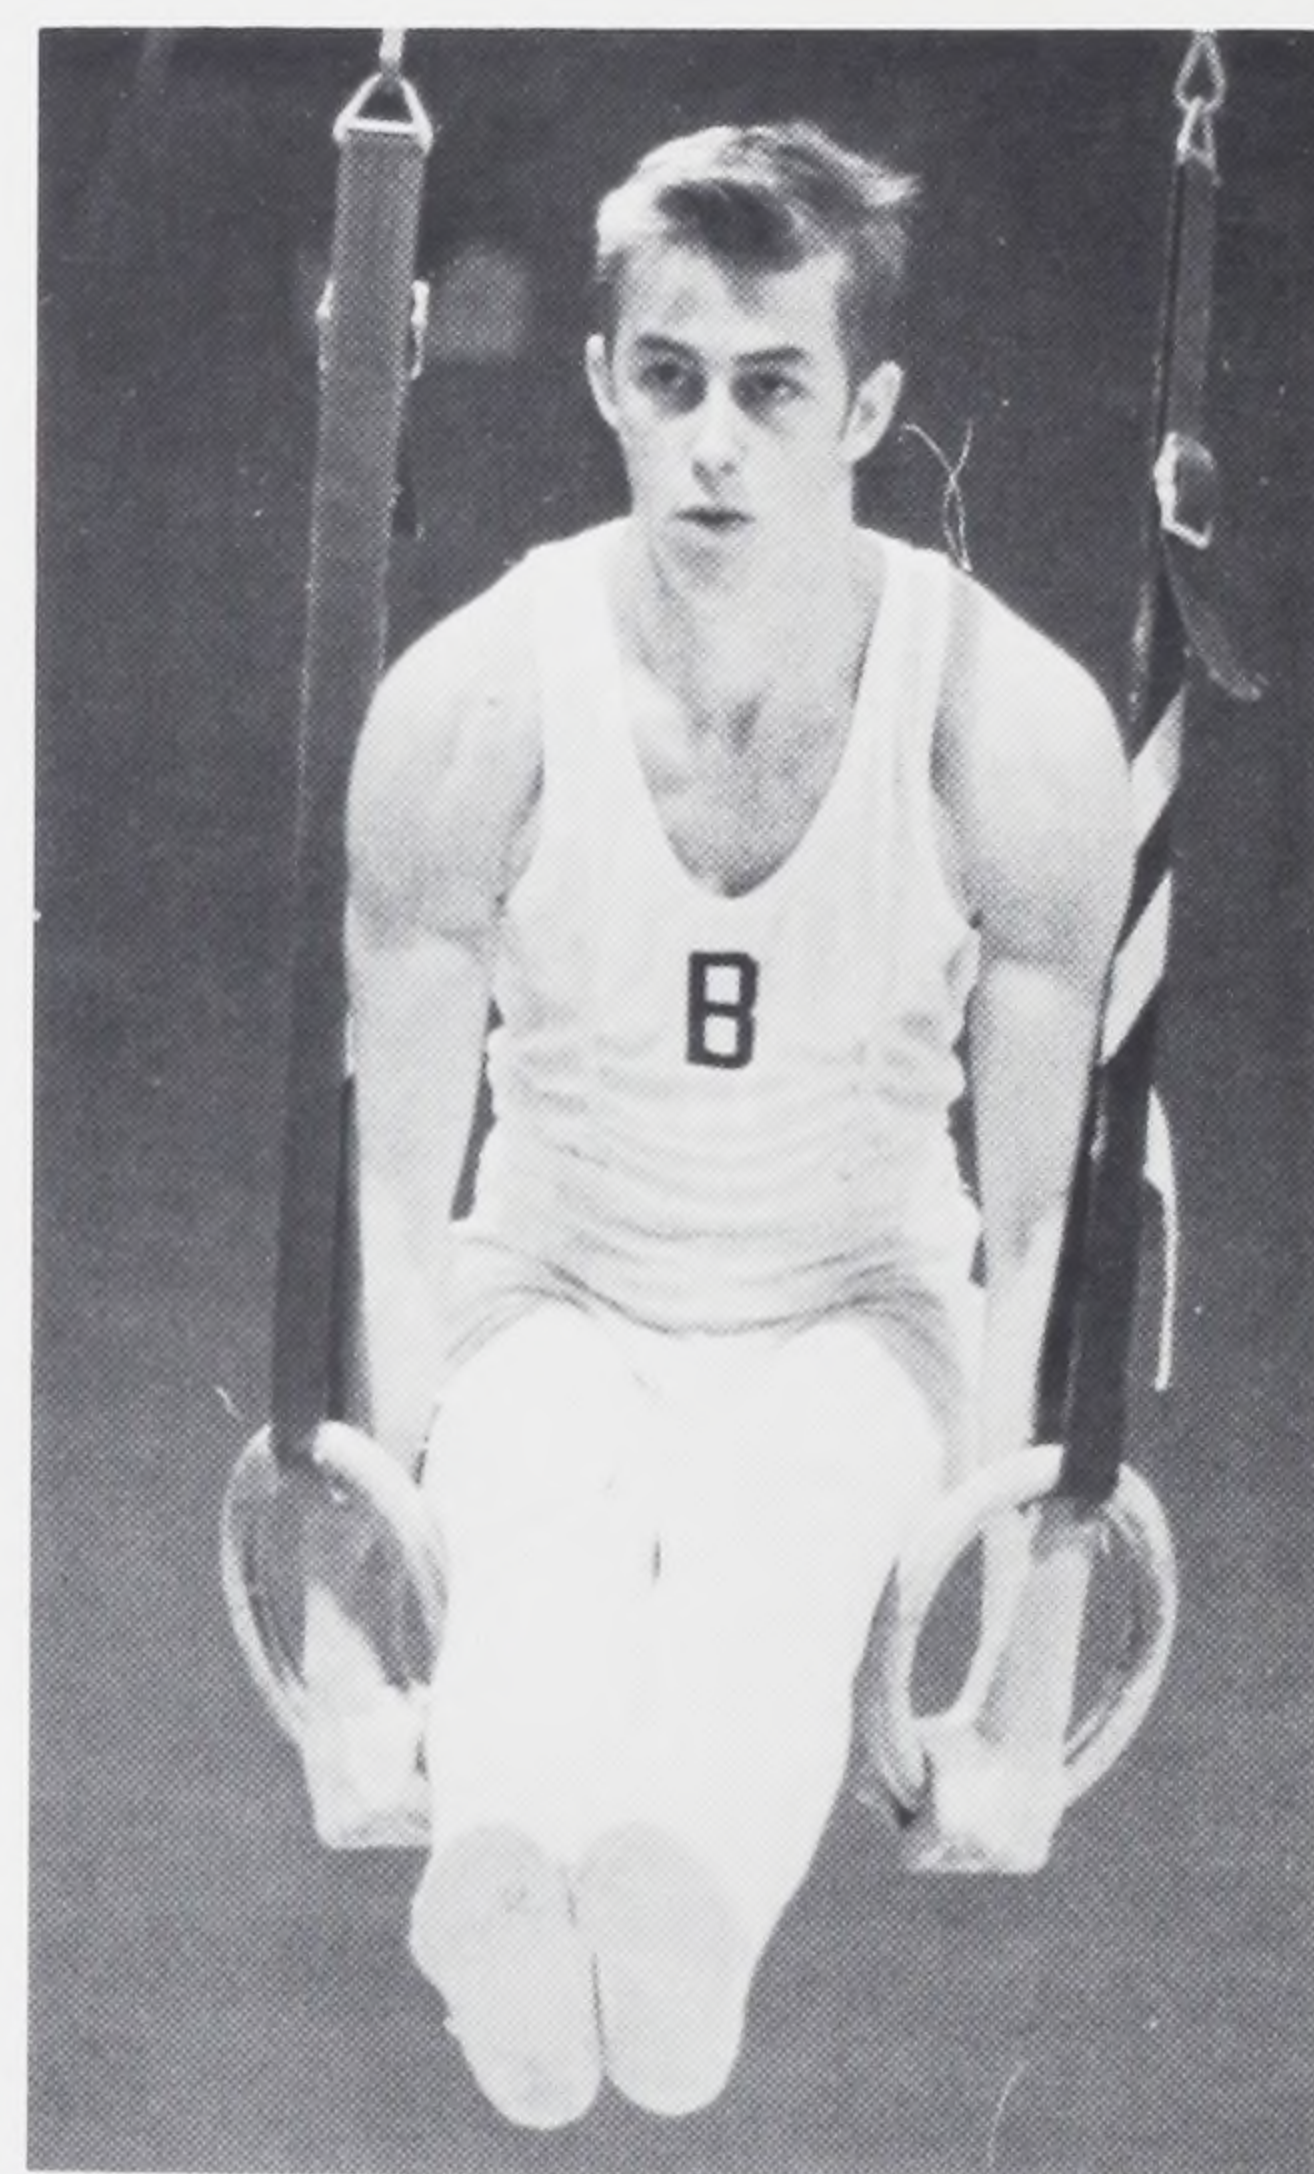

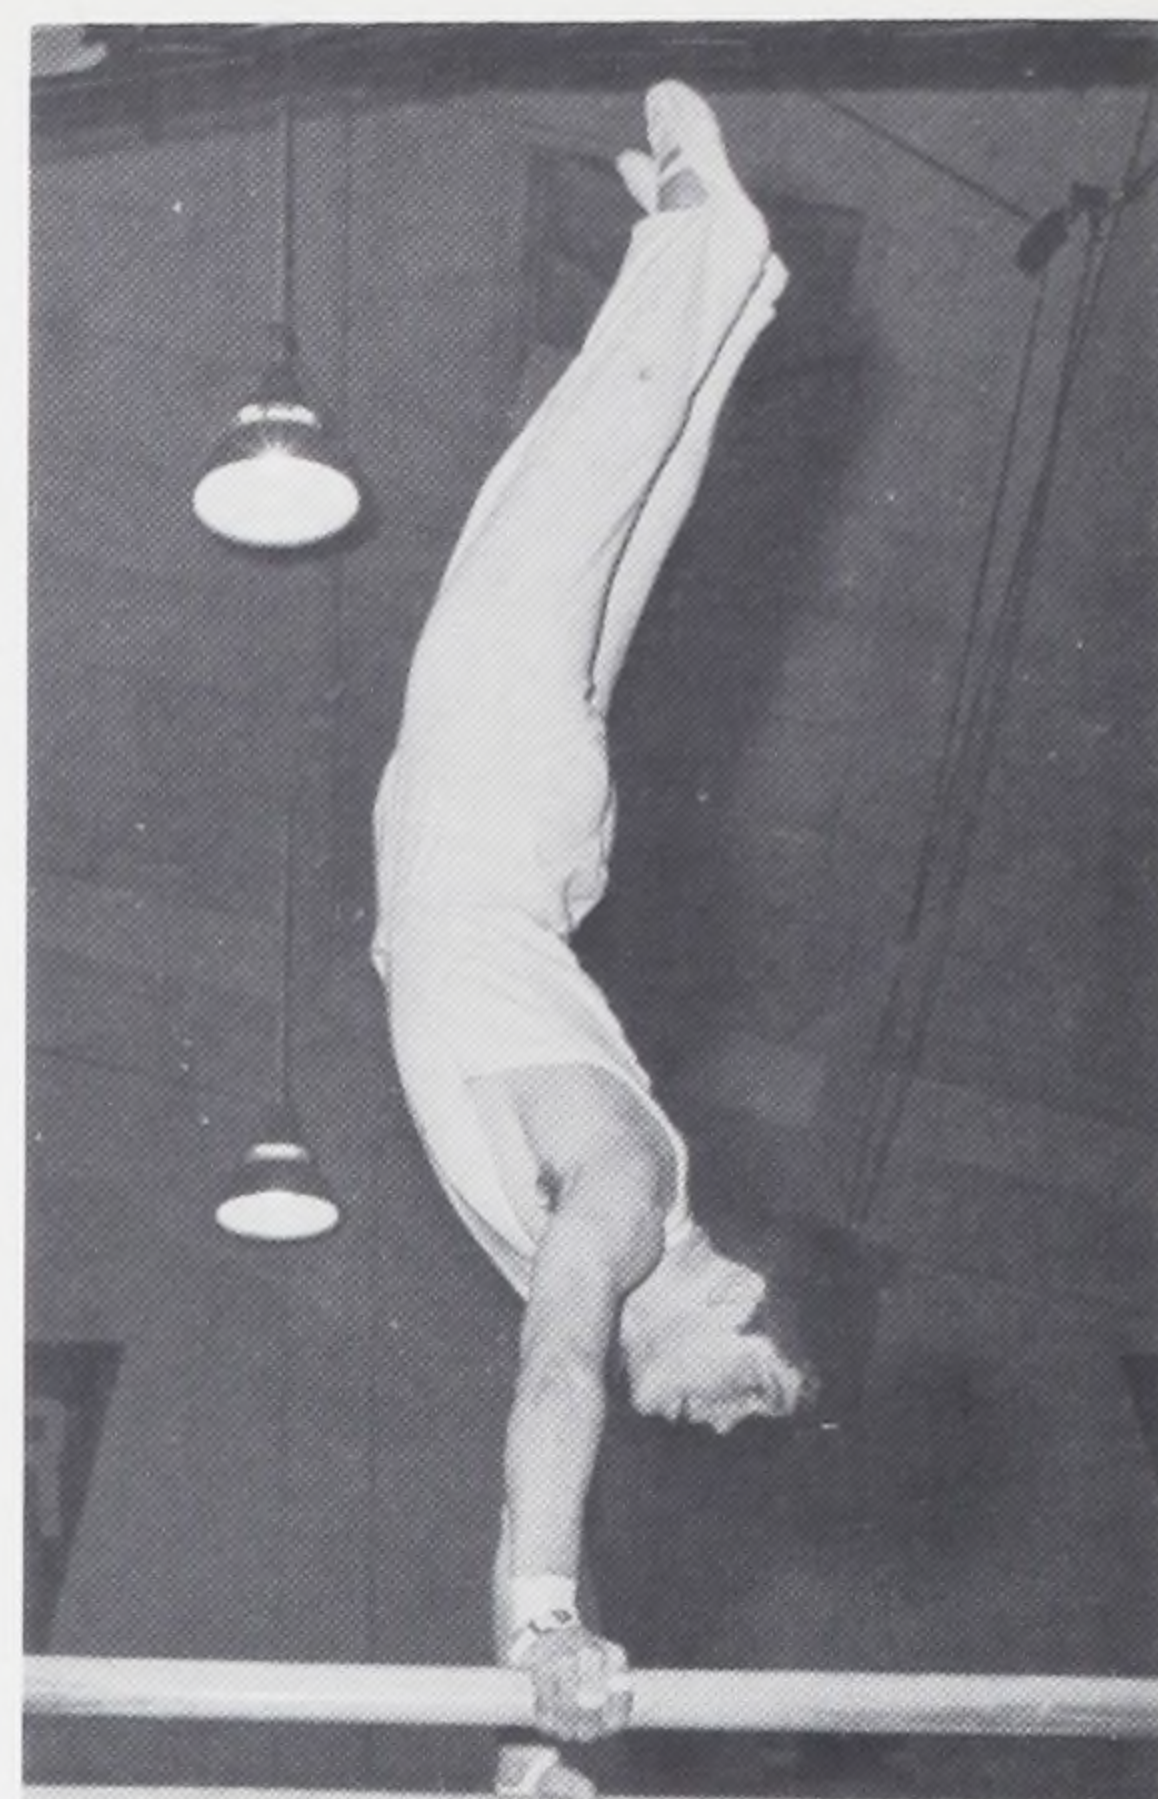

With the varsity wrestling team doing well in PIL competition, we are exceptionally proud of the four members going to state. Mike Downer, placing first in the city, went on to the state tournament to bring home the state championships for the second time in two years. for the 106 lb. division. Jim Liming placed first 1st in the city in 115 lb. weight class to go on to the state wrestling tournament at Oregon State University. Juniors Louie Amadaro and Lloyd Grimsrud wrestlers each other for first and second place in the city in the heavyweight division but because of the tough competition were unable to advance in the state tournament.

LEFT—SITTING: Mike Downer, Jim Liming. REAR: LOUIE Amadaro, Lloyd Grimsrud. ABOVE LEFT: Louie Amadaro crushes opponent in the city tournament.

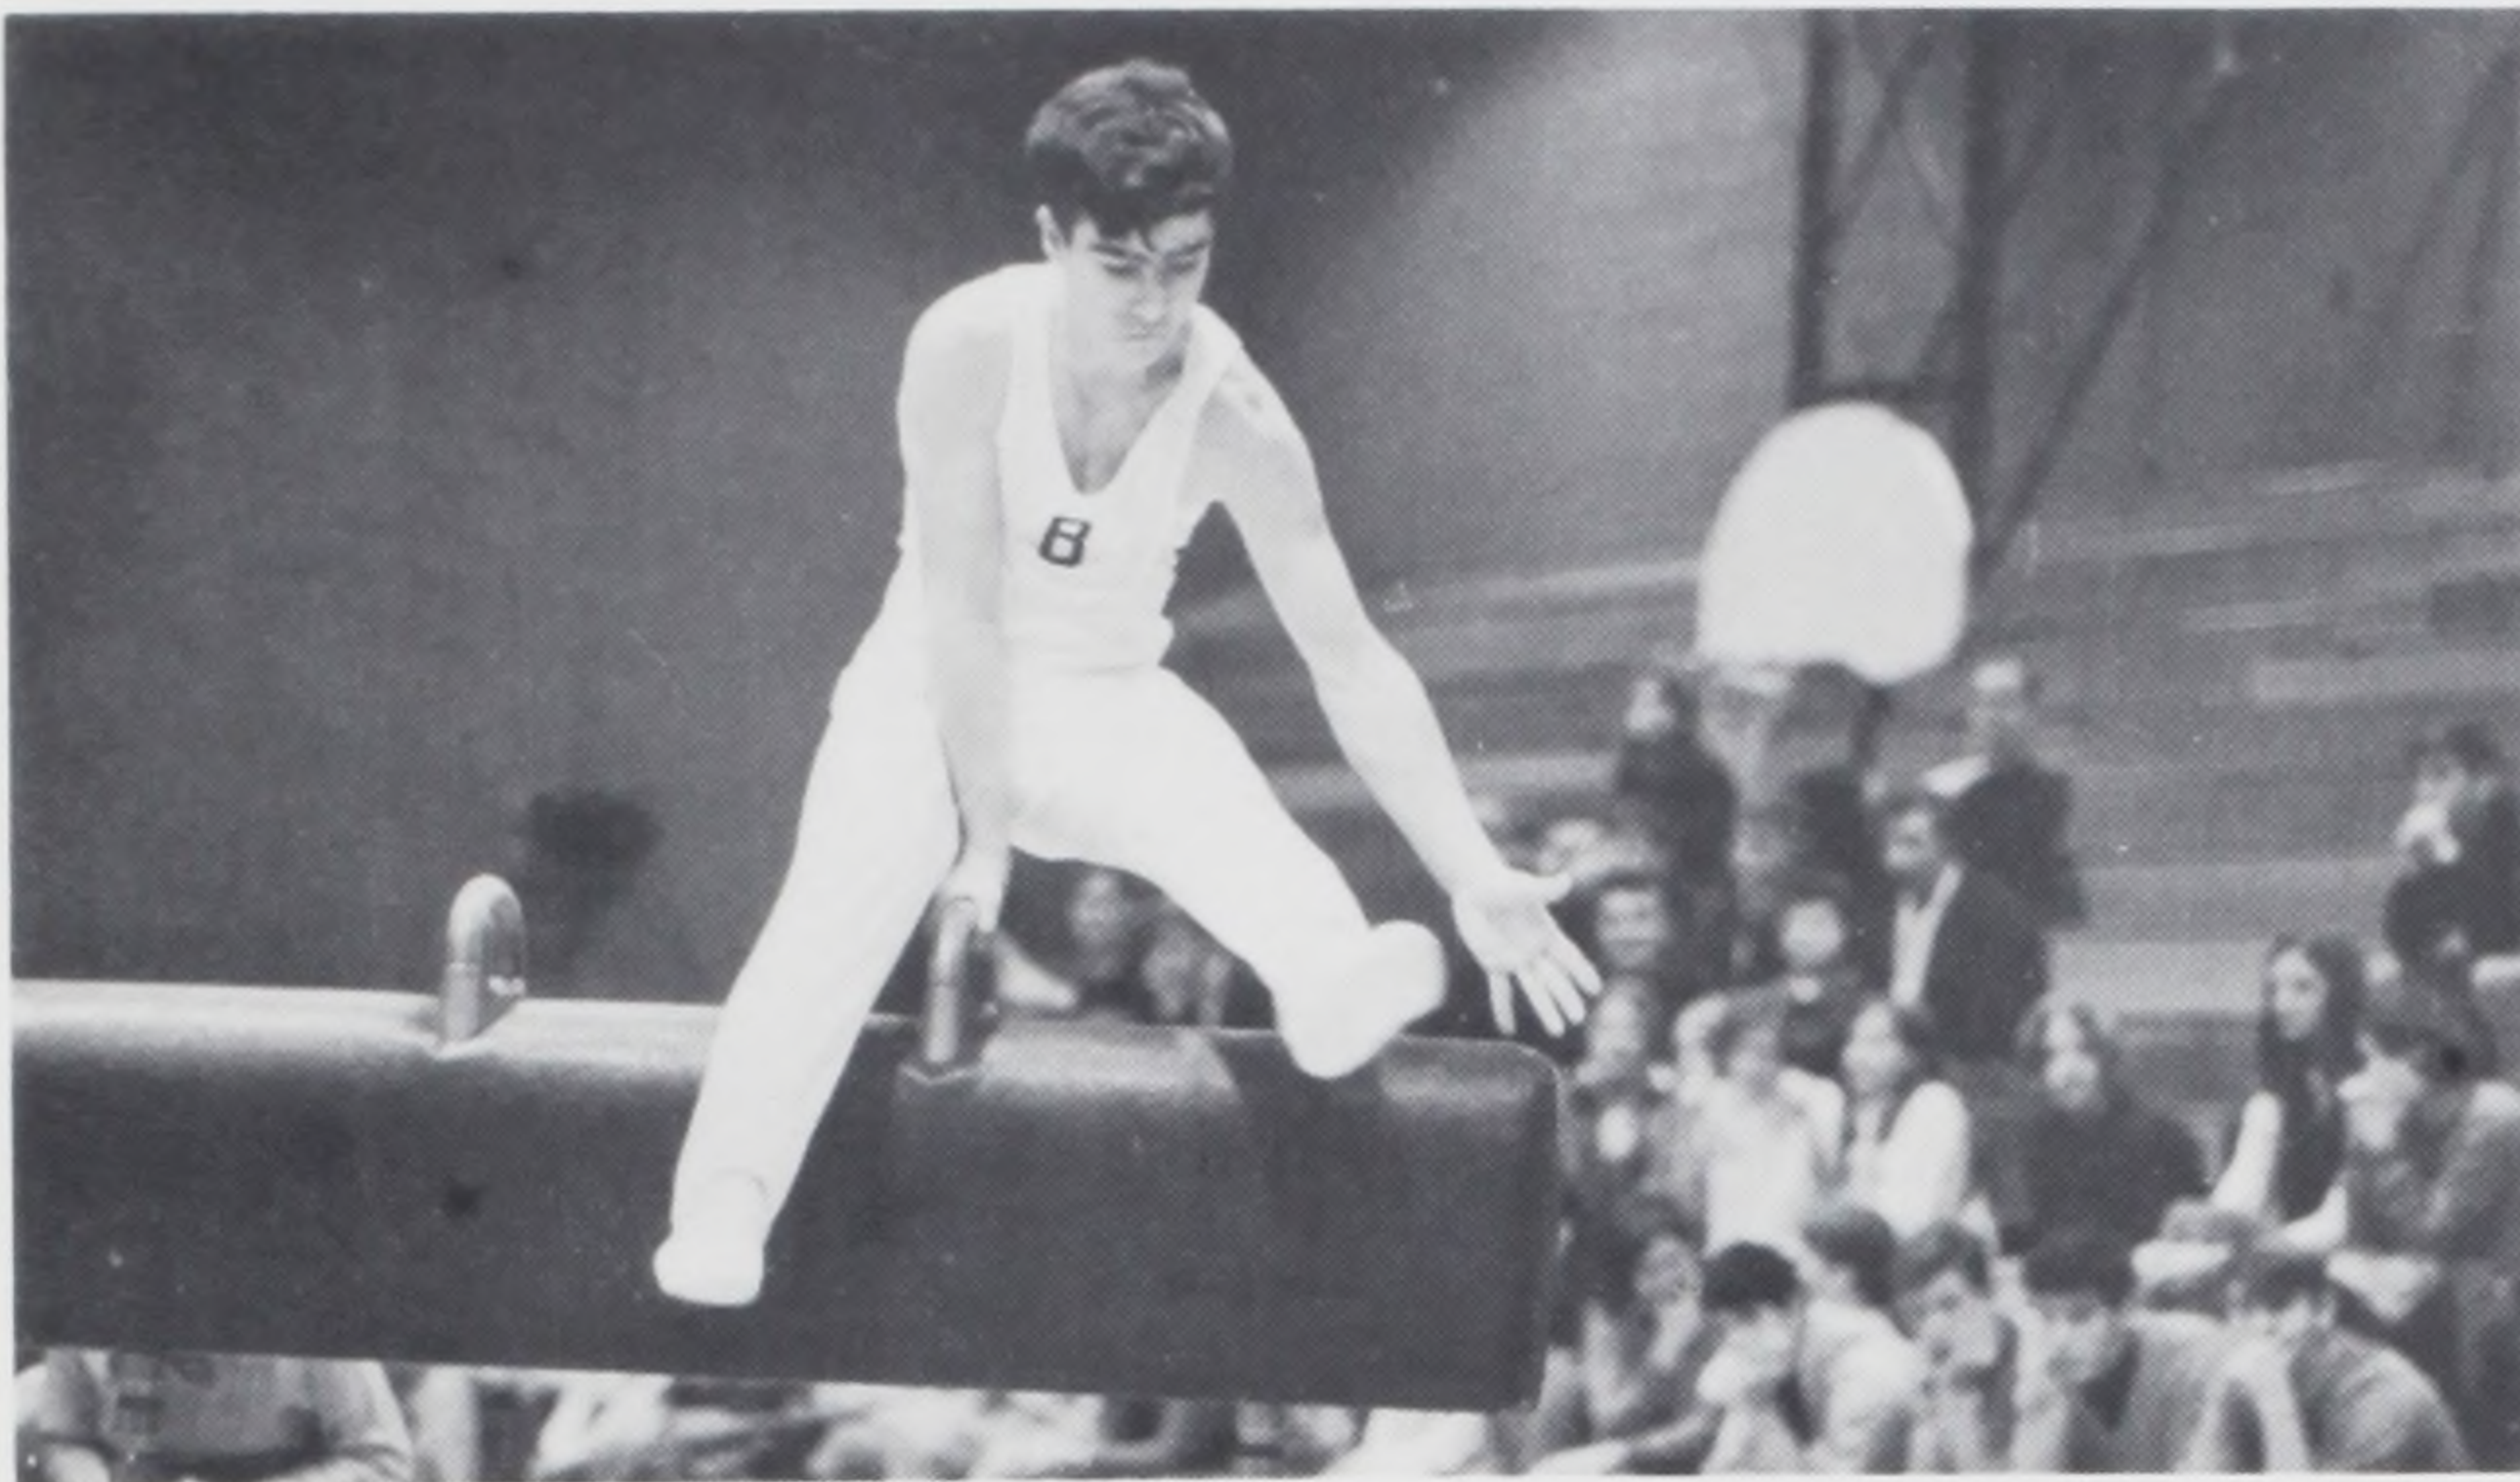

This being the first year of gymnastics in the Portland Interscholastic League, Benson did very well. Benson has shown great agility and form at all meets. This form and agility won them fourth place in the city meet and sixth in the district. The Techmen tallied a score of 102.25 to finish fourth behind Jackson, Wilson and Roosevelt. They were followed by Grant and Jefferson. Some of the outstanding gymnasts were George Rochat, who was an all around competitor in all events, Rey Slebos on the rings, Ricard Walton, and Blair Pomeroy.

varsity baseball

This year's Benson Varsity Baseball team is possibly the best team here in several years. The Techmen, led by team captain Mike Meyer compiled a record of 6 wins and 2 losses in pre-season games tough Metro and TYV league competition. In league play, over the first half of the season, the Techmen registered a 5 win 6 loss record in what was undoubtedly the toughest league in years.

An outstanding infield defense of Tommy Davis at third, Mike Meyer at shortstop, Norwin Burnett at second and John Weisner at first compiled eight double plays in the first eleven games, possibly the highest in the league in this department.

At the end of the first half, five players, Jim Estes, Mike Meyer, Dan Smith, Mike Hennessey, and Don Pooschke, were all hitting over the coveted .300 mark.

With the good defense, hitting and characteristic hustle, the Benson baseball team continues to be one of the outstanding baseball teams in the tough Portland Interscholastic League.

track

The 1969 Track and Field season has exceeded all expectations. At this writing Benson placed second in the city track and field relays. The excellent showing up to this date has primarily been because of the dedication of the handful of young men like:

Distance runners - Mike Hann, Arne Denny and Pat Novak

Hurdlers - Jerry Simon and Dick Walton

440 Men - Rick Staley, Clyde Duboise

Sprinters - Greg Henderson and Leon McKenzie

Field Men - Lloyd Grimsrud and Dave McCoy

Benson could be a threat to Grant for the city track and field championship which will be held late in May.

Kelley has been business manager of the TECH PEP this year and also page editor of page 8. He is a football letterman. He says, "Having attended Benson for the past four years, I have learned a great deal. This is a great school, but it has its faults. The teachers ideas are too set regarding student dress, appearance and thoughts. Students are not listened to enough. The image of the 'Nations Finest' and the 'Benson Gentleman' seems to be dominant, these hang over every aspect of the school. If the existance of mankind is to continue, man must learn to judge his fellows by their inner qualities, rather than by their appearance...such as manner of dress or color of skin."

kelley garrett

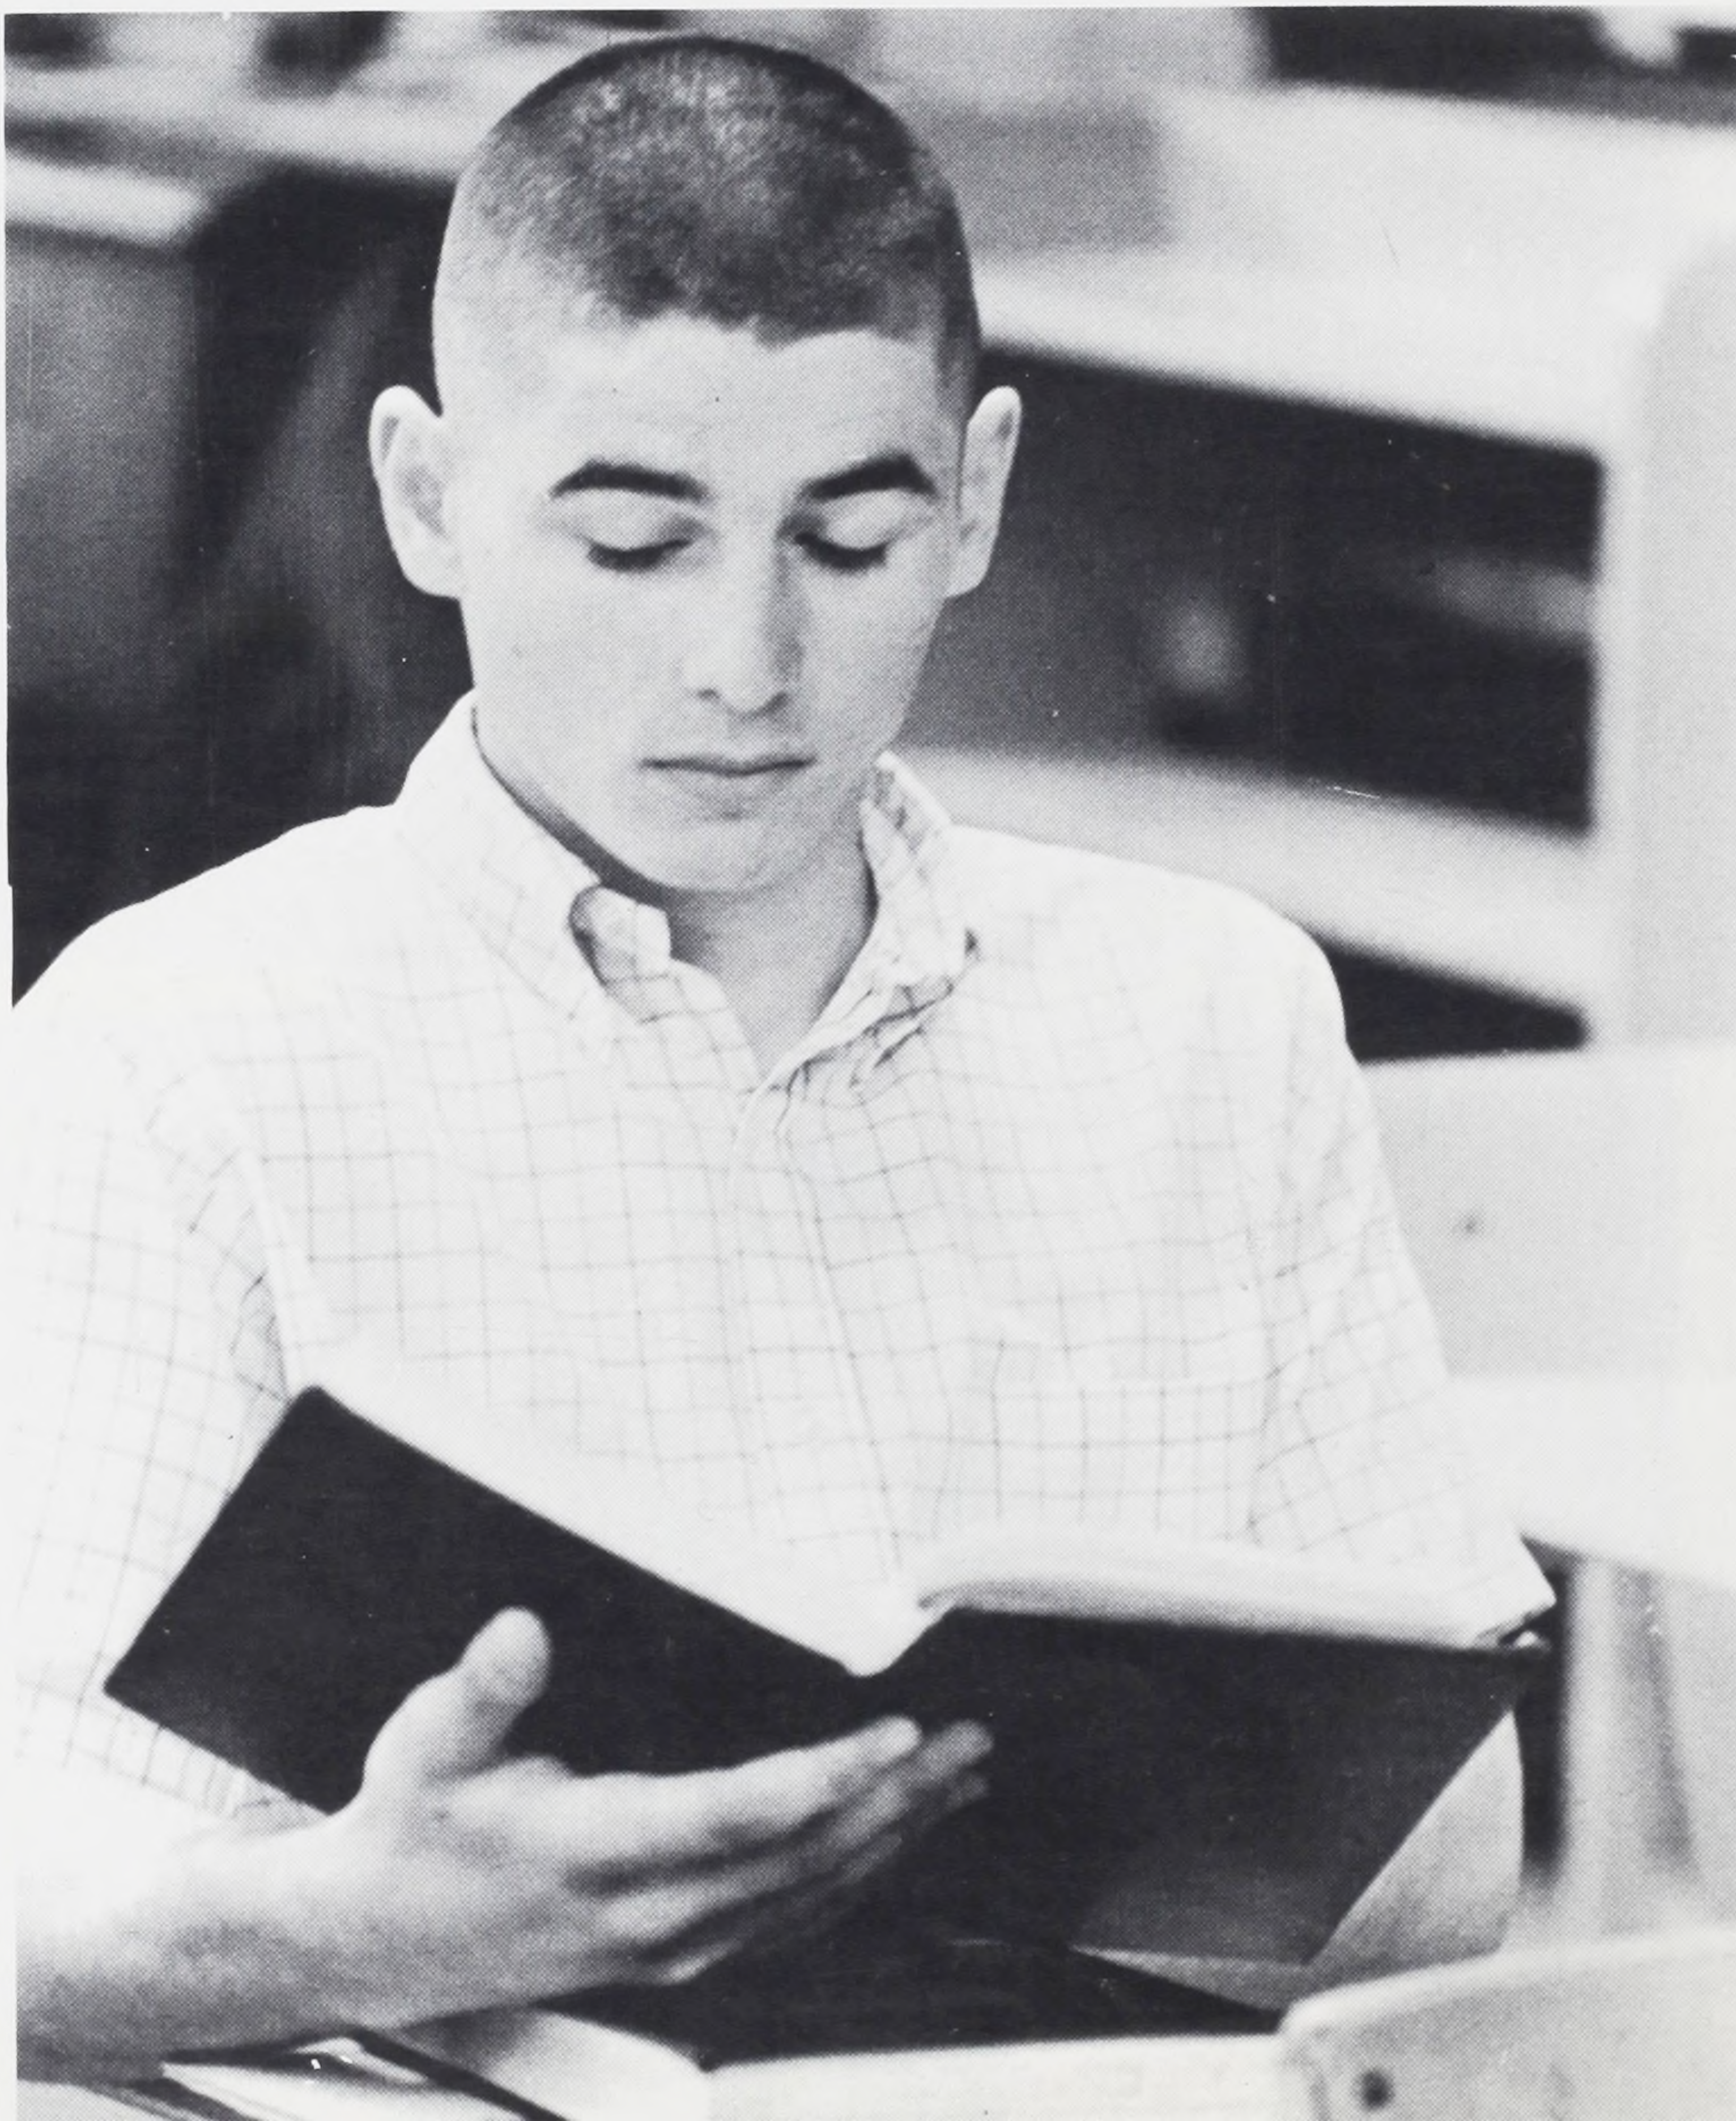

mike meyer

Mike Meyer is a varsity letterman in baseball, basketball and football. He was an All-American short stop on the Connie Mack national tournament runners-up during his sophomore summer. . . . Mike served Benson as both vice-president and president of the student body.

"In looking back, there is much I will miss, but in looking forward to the future I know there is also much to be gained. I admire and respect this school for its reputation and educational program. My advice to underclassmen is to take advantage of the many advantageous opportunities available here. Work on your weaknesses and develop your talents. I am thankful for my relationships with my fellow students, my teachers and the school administration. . . . as well as for all the many wonderful experiences while at Benson."

Mike Meyer

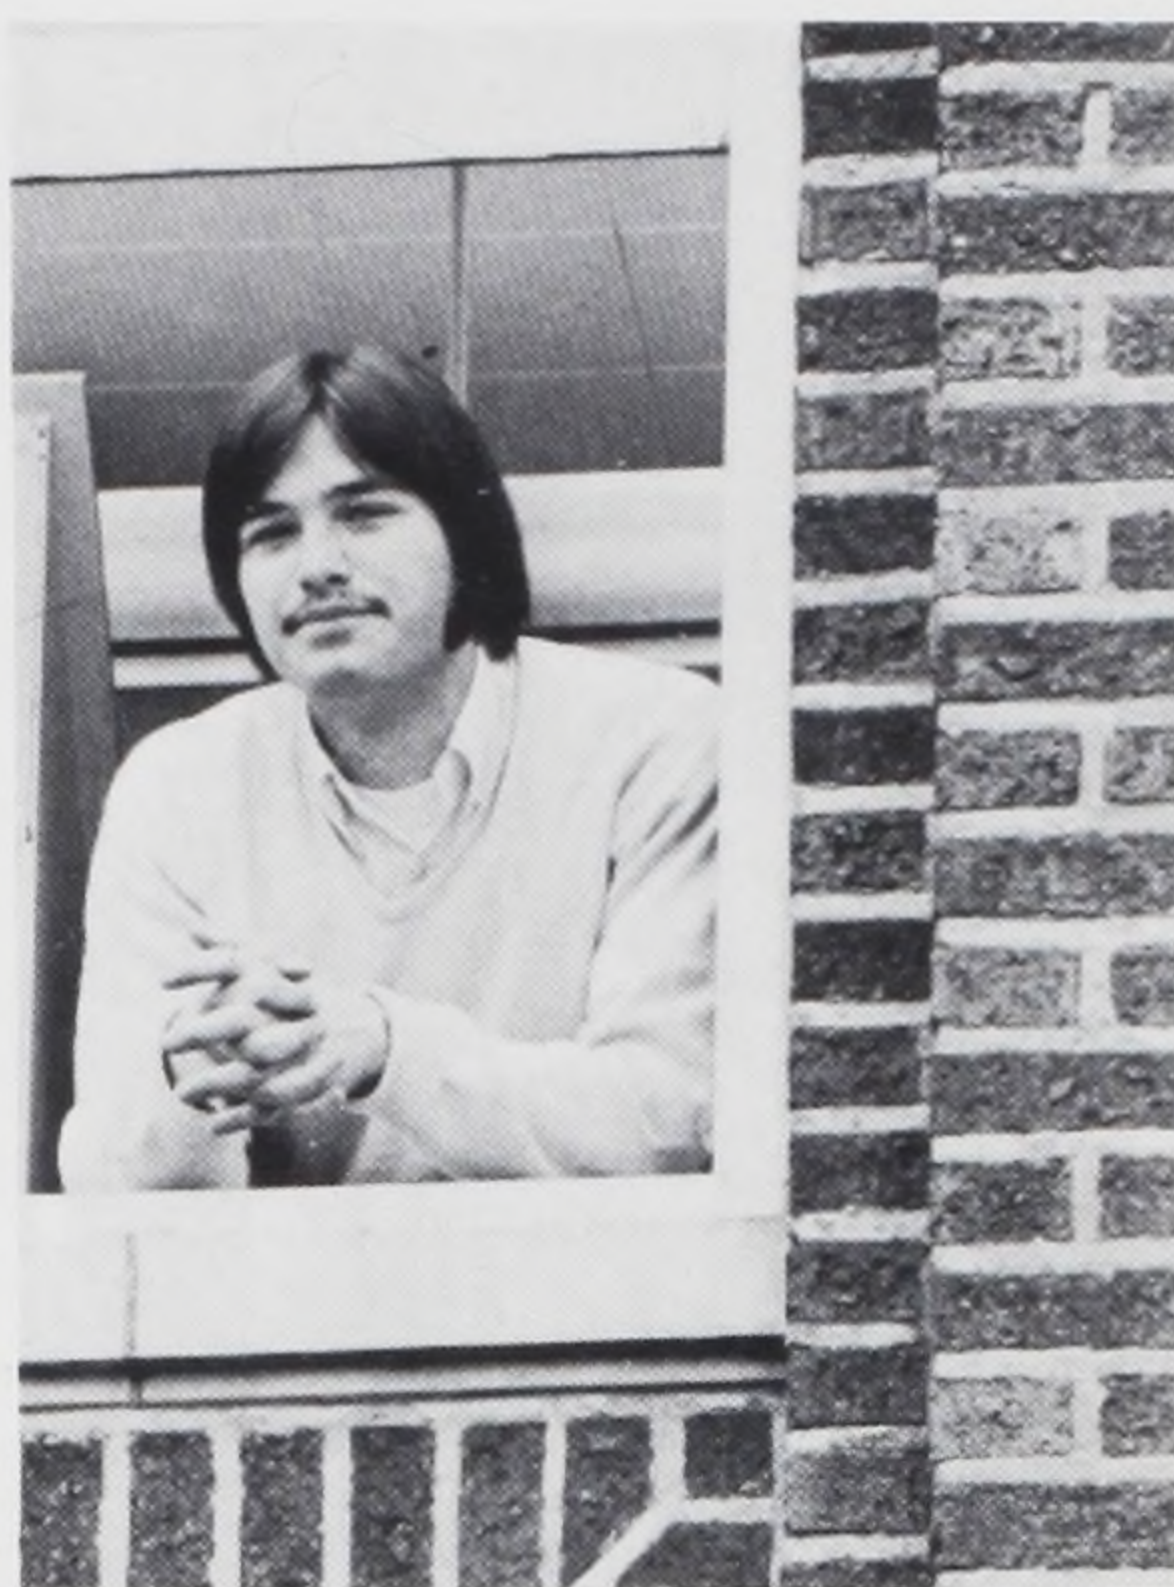

The 1968-69 school year saw many changes in the Benson student body as to dress and grooming. The Portland school board stated: "The dress and grooming is such as that it interferes with the normal educational process or is a safety or cleanliness factor." One of Benson's seniors took advantage of the new ruling, Chris Schroeder, an active member of the student rules committee and an unsuccessful candidate for student body president.

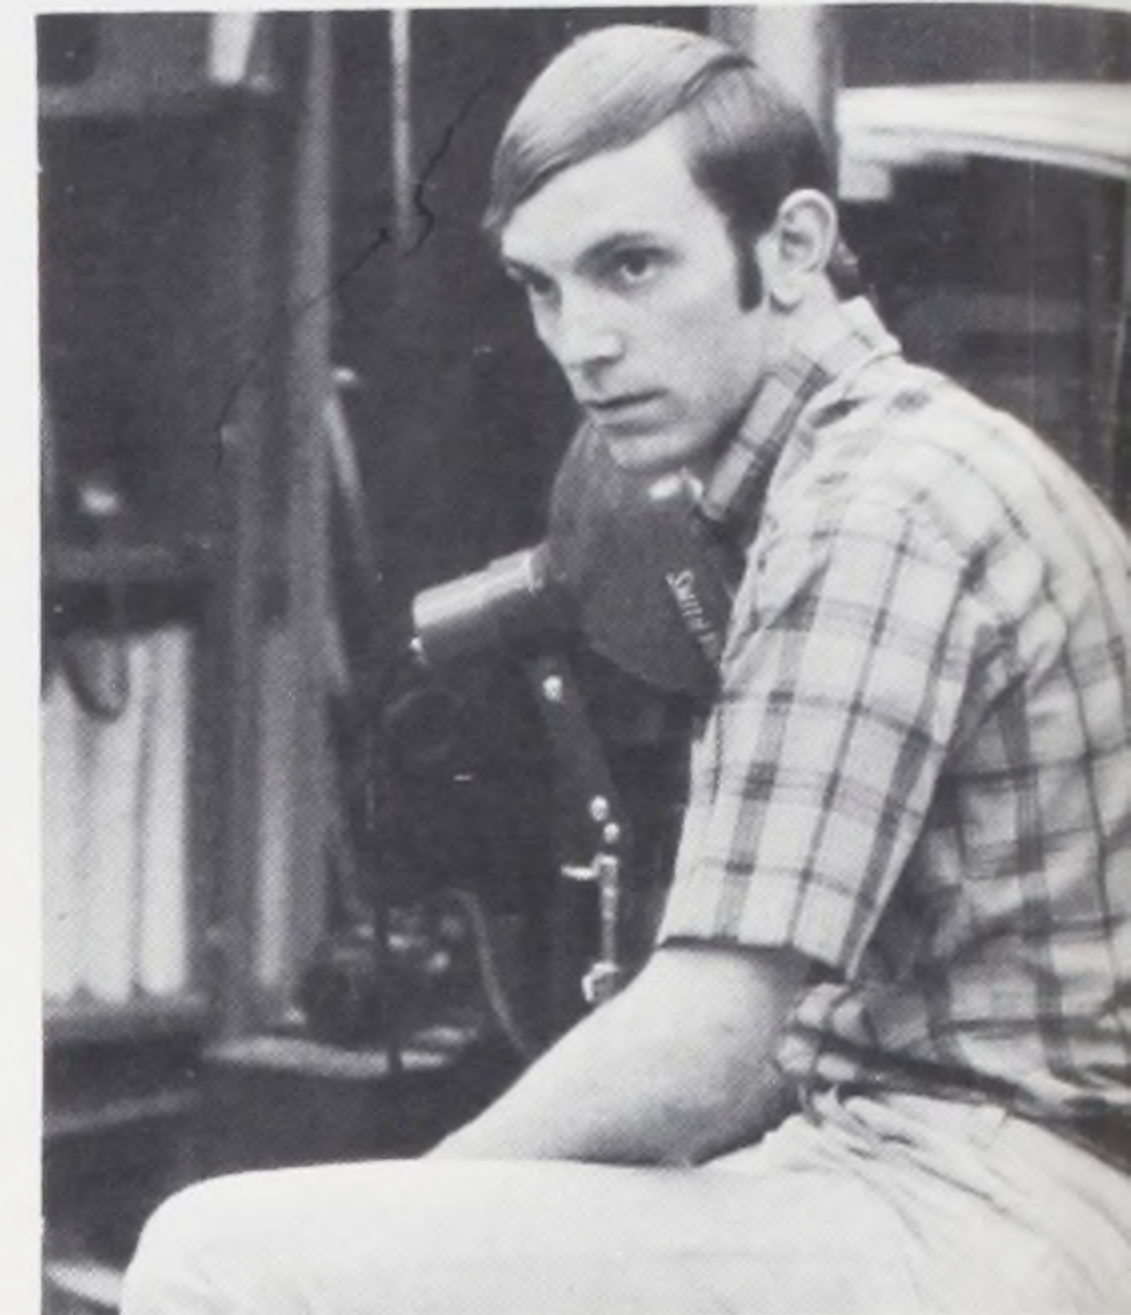

"Freedom of expression is a relatively new idea to be presented here, and there are always people who become afraid of anything new; anything they cannot understand. I believe in time people will learn to accept the changes in our society. . . until that time, you must be patient with them."

Chris Schroeder

chris schroeder

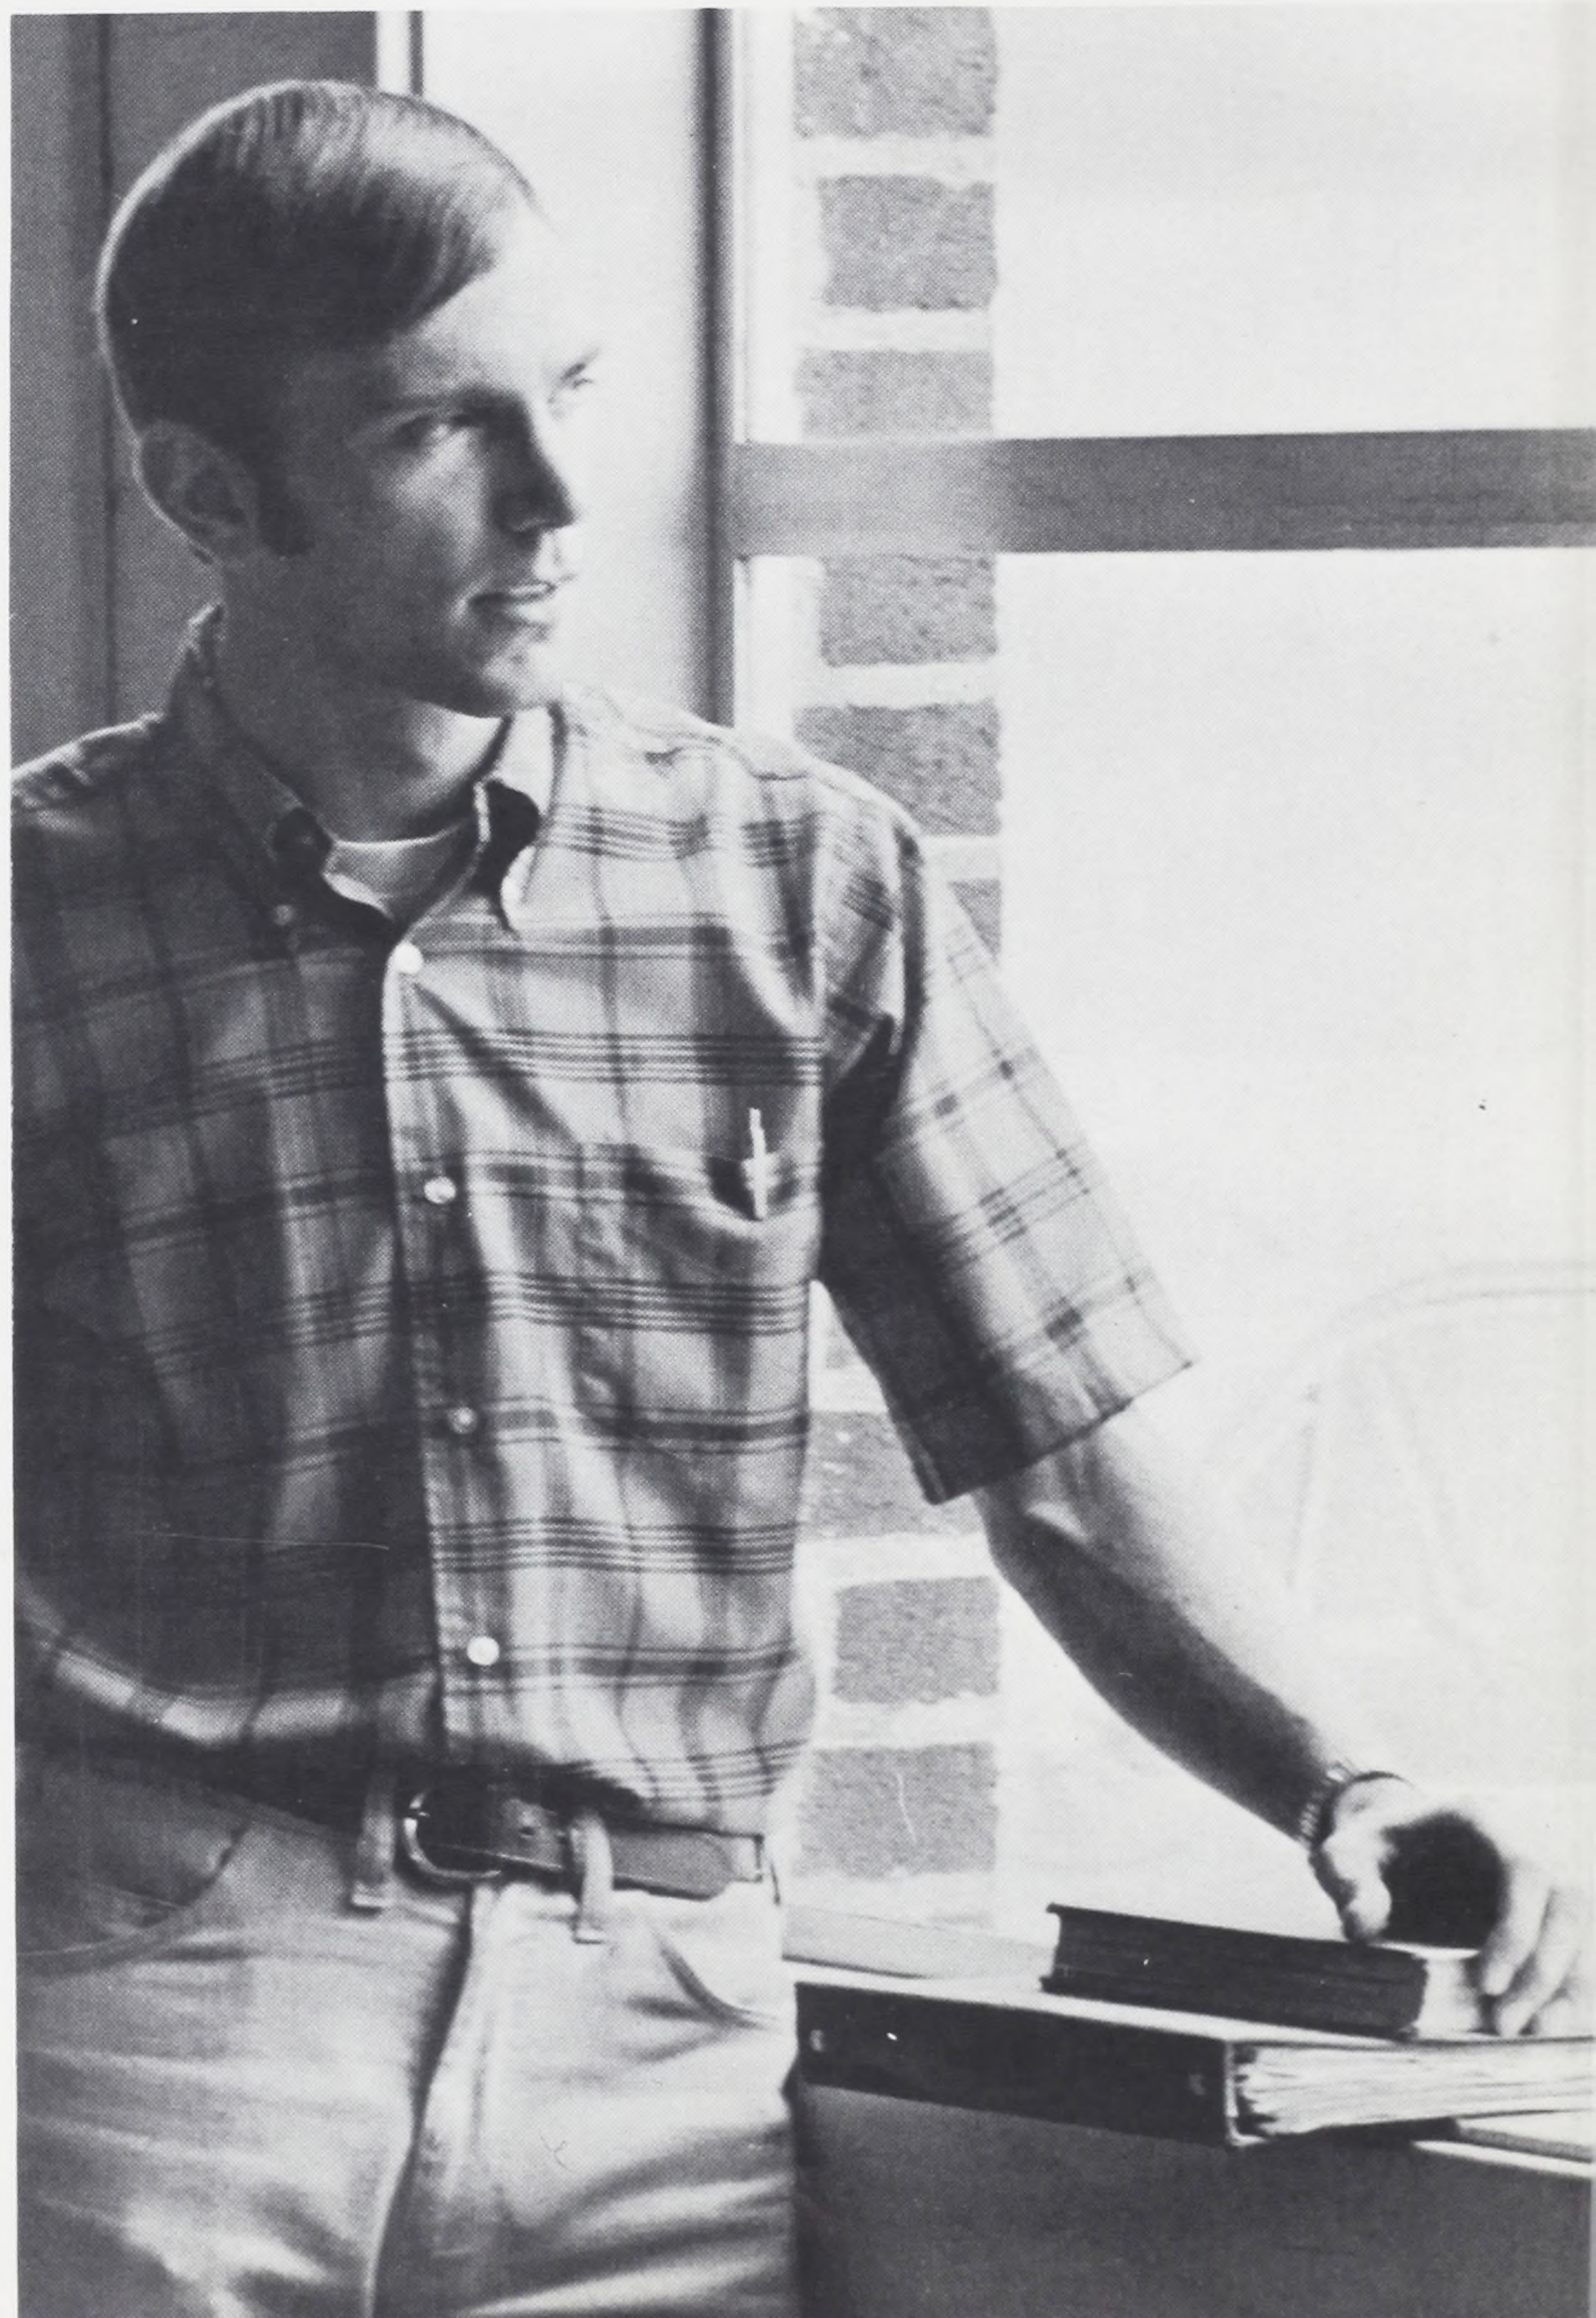

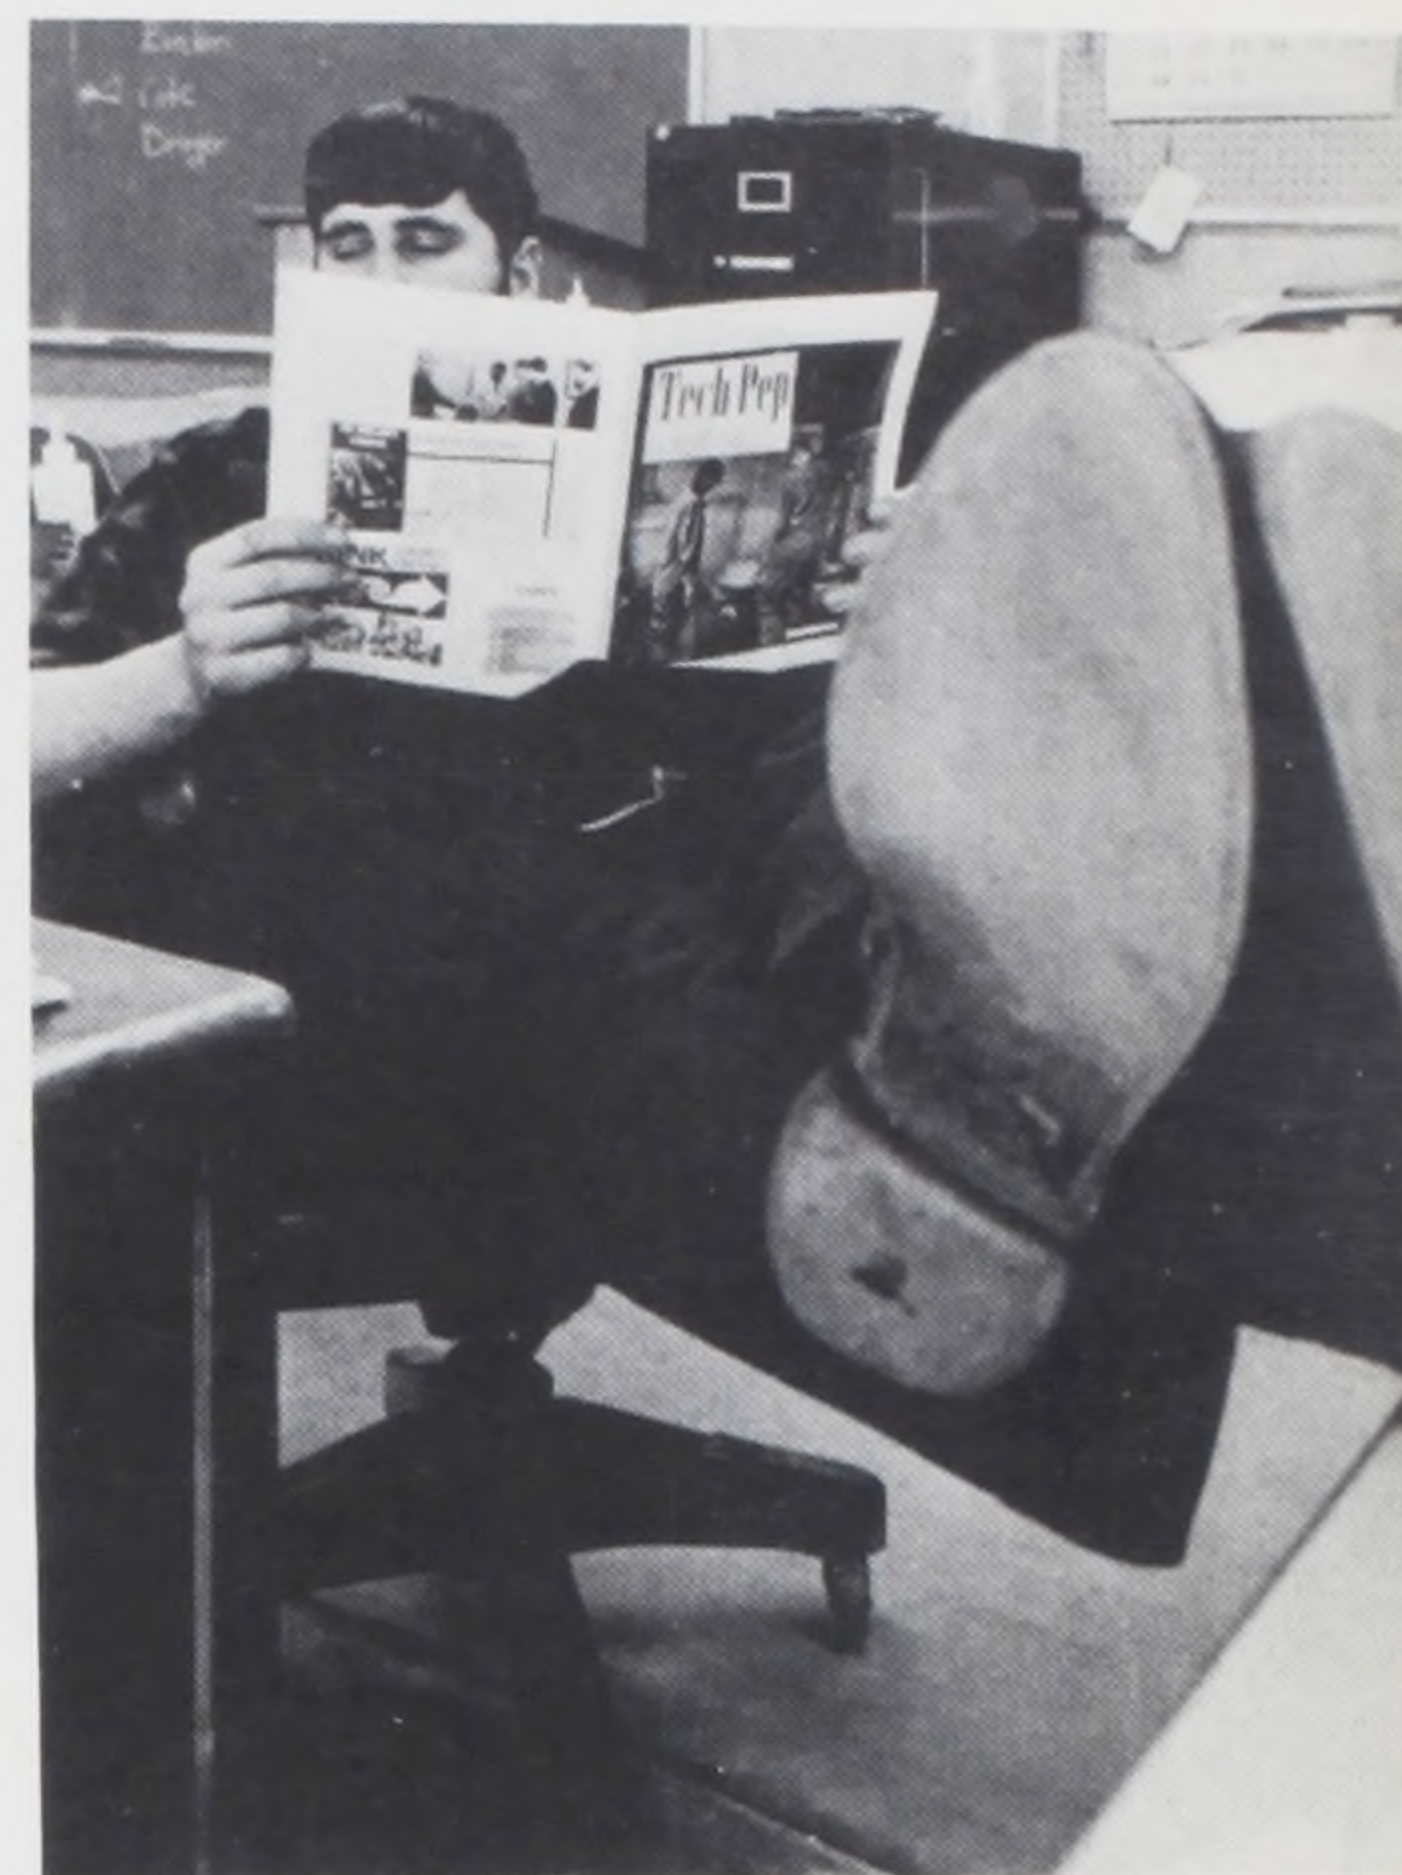

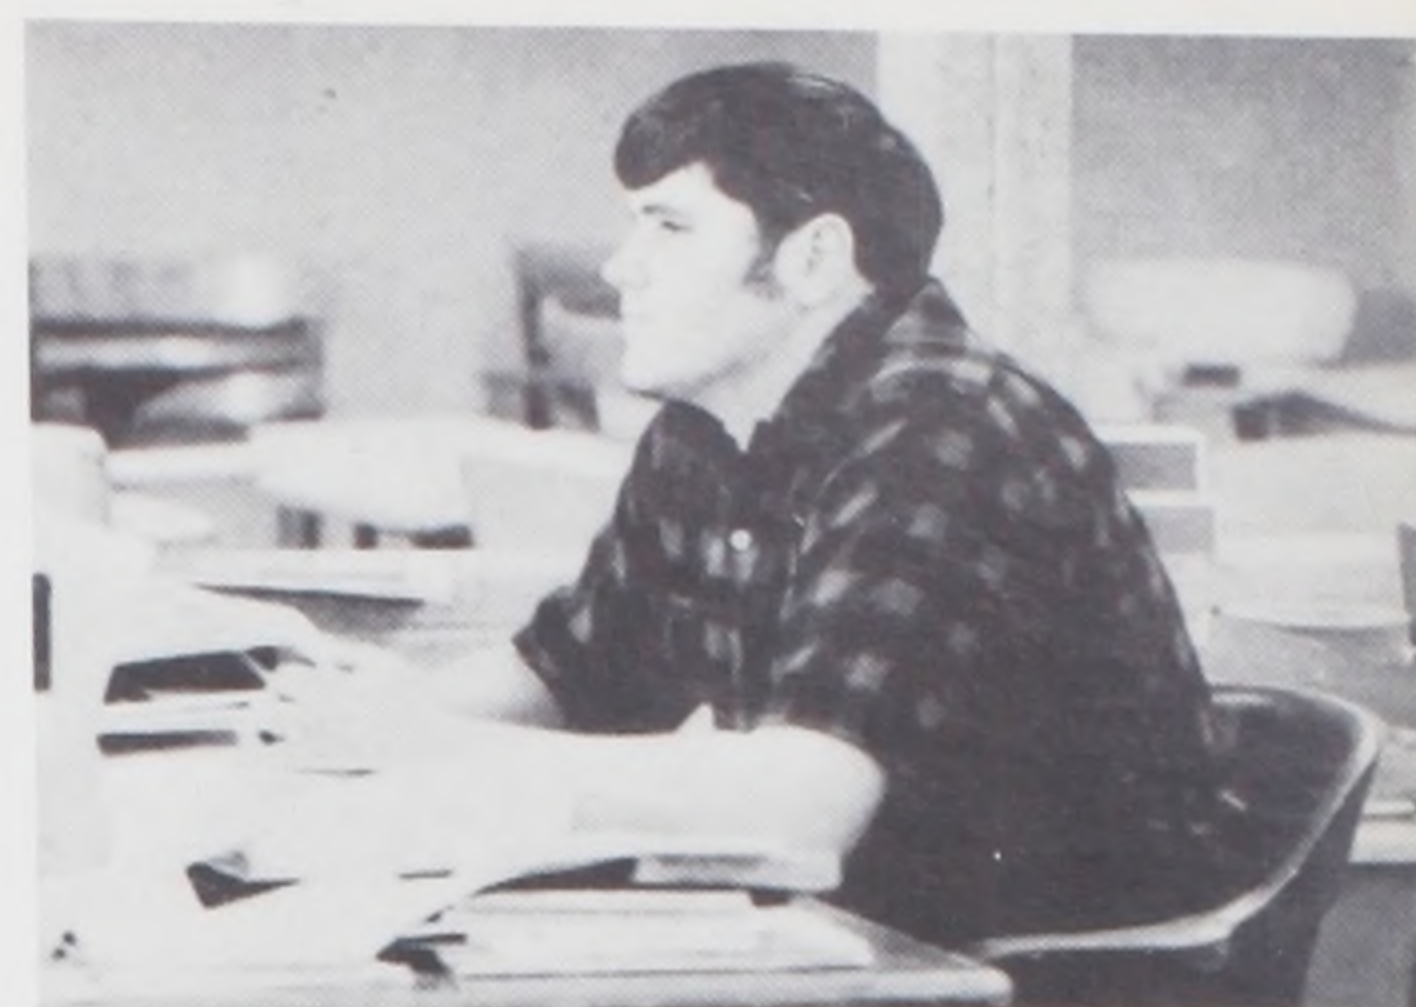

senior quotes

Mike Hann has lettered in track four consecutive years at Benson. In his freshman year he set a new national record in the mile run. This year he has set a new dual-meet PIL record in the two-mile and, at this early date, has the third best mile and two-mile times for the state.

"Four years ago I entered Benson thinking I was going to become an electronic Wizard! Now I find myself a machine major intending to take business and economics in college! In the last two years I discovered Benson is what you make it. One can fool around and graduate without gaining anything, or you can make it a real accomplishment. . . . I guess that is what identifies Benson, the students, and who they are."

Fred Eaton is the senior print shop foreman. He has the responsibility of completing the TECH PEP as well as the many other jobs which are done in the Benson Print Shops.

Fred says, "In my four years here I have found that Benson is truly one of the Nation's finest Technical High Schools. I came wanting to major in electronics, as almost all new freshmen do. However, after experiences in several shops, I found that Graphic Arts seemed to be the most interesting and decided to major in it. From my background at Benson I can come very close to obtaining a job as an apprentice in the camera part of the printing profession.

"I would like to express my appreciation to all my teachers for not waking me during class, because I needed my beauty sleep! I am certainly glad I chose Benson as my high school. It has certainly prepared me for my future in industry."

Mr. Tom Veatch, print instructor, catches Fred Eaton "...with the goods."
