# Registration

# Welcome...

# Bienvenida...

# Accueil...

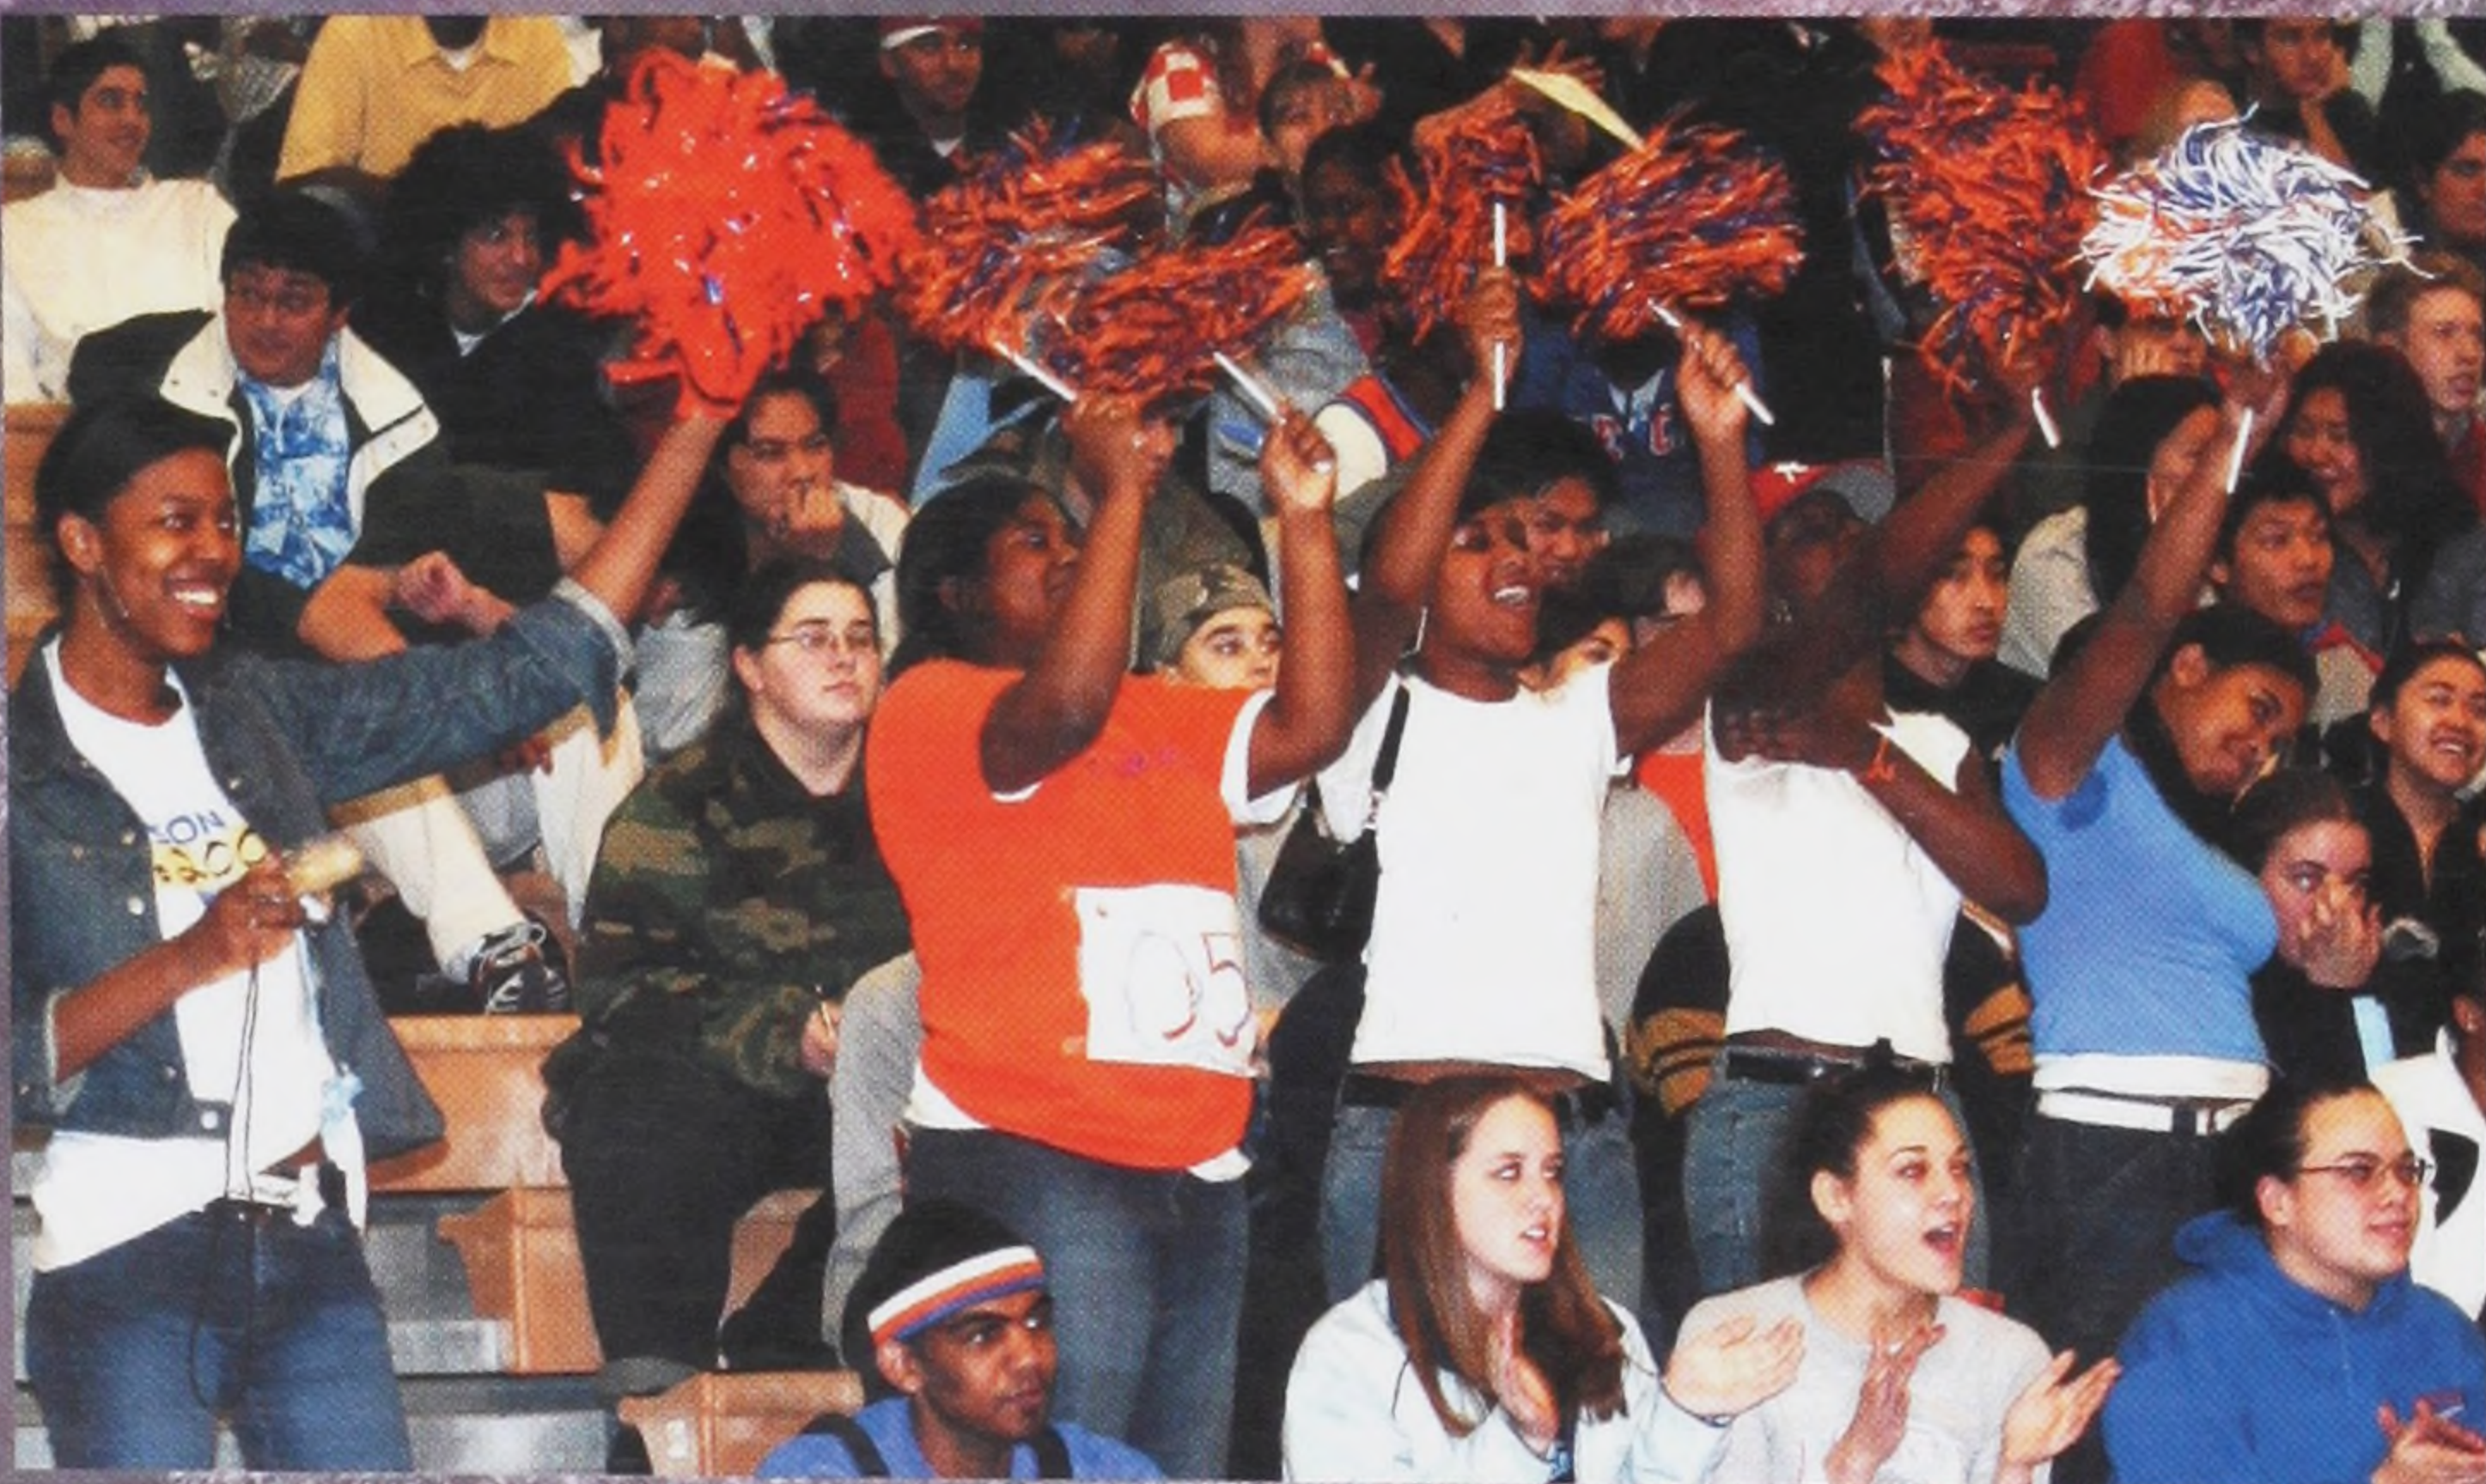

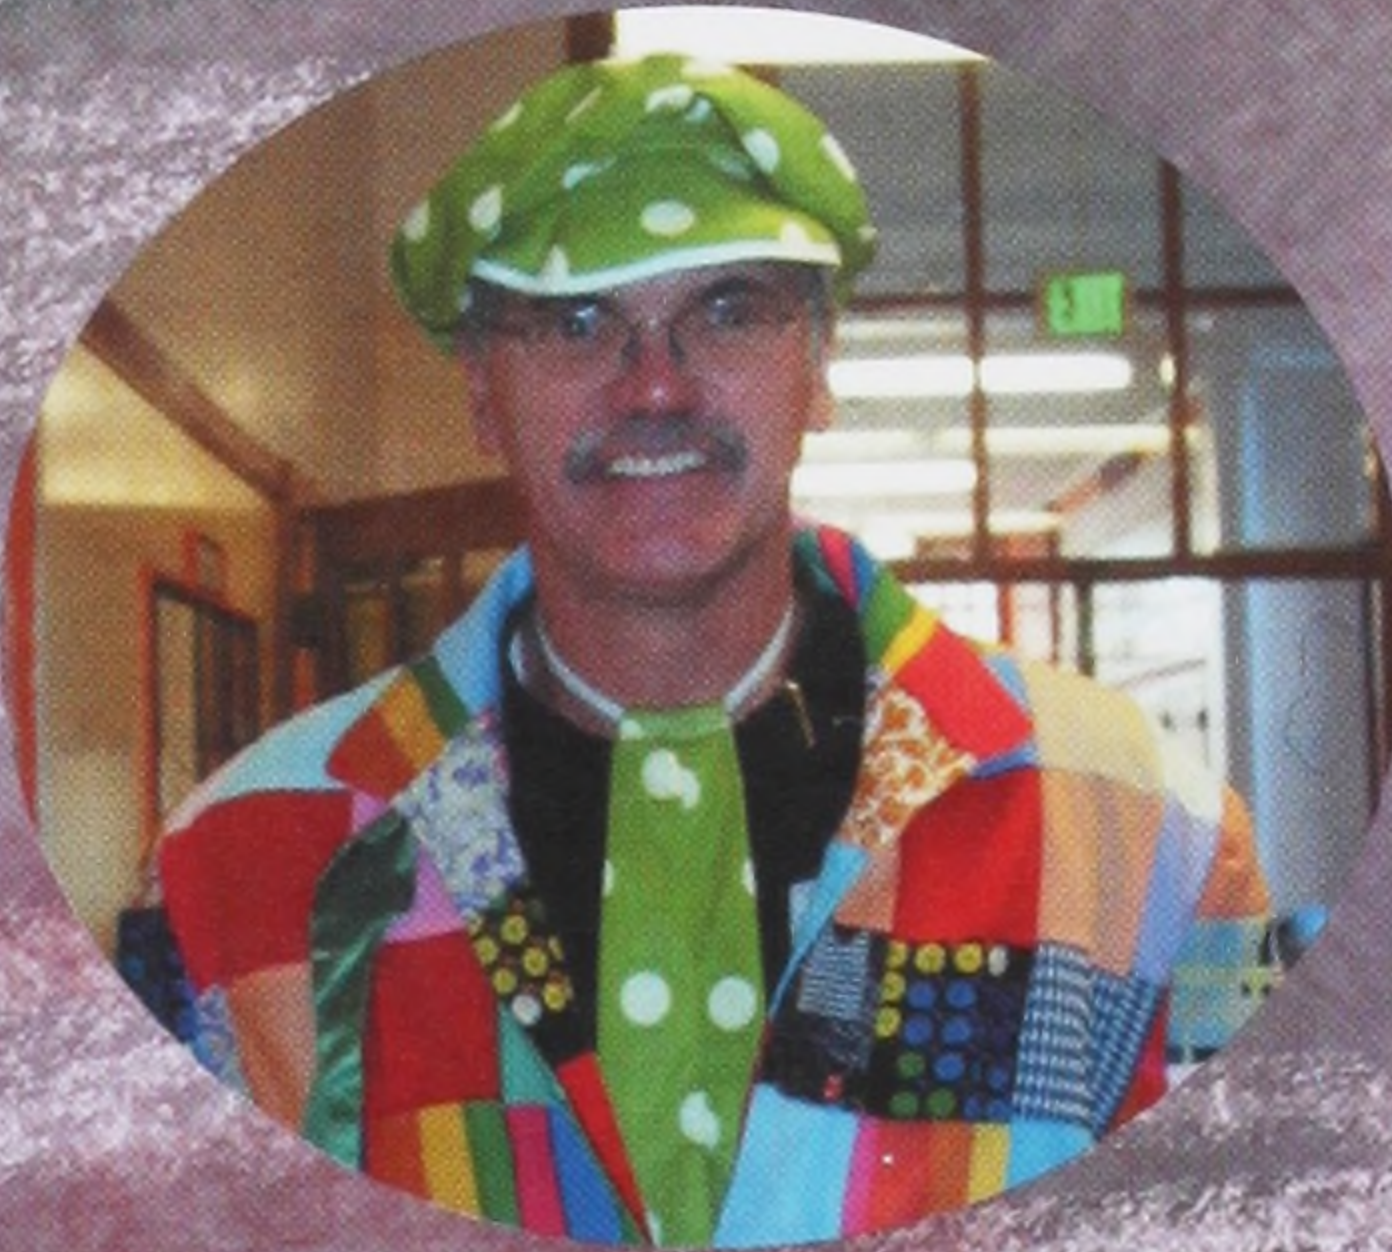

It's a new year, a fresh start, a chance to get ahead. So here are some words of advice that I have gathered and brainstormed through out my 3-years here at Benson. First and for most just go to your classes they are free, who wants to pay for summer school or night school? Second, but still important, Do your darn homework; the teachers give it to you for a reason. Third, Be on time to your classes that is why we have schedules. Fourth, listen to what your teacher is saying it does mean something. And the last thing that I want to say is, enjoy your self these four years of high school are going to be some of the most memorable times that you have.

Peter Herbert had a record of 12-0, first in districts and 5th in state.

Tommy Walton pinning Roosevelt at 171. Tommy's record was 9-0 and moved on to the state tournament.

Brad Porter wrestled Jefferson in the finals at districts. He was runner-up and went on to state for the 2nd year in a row.

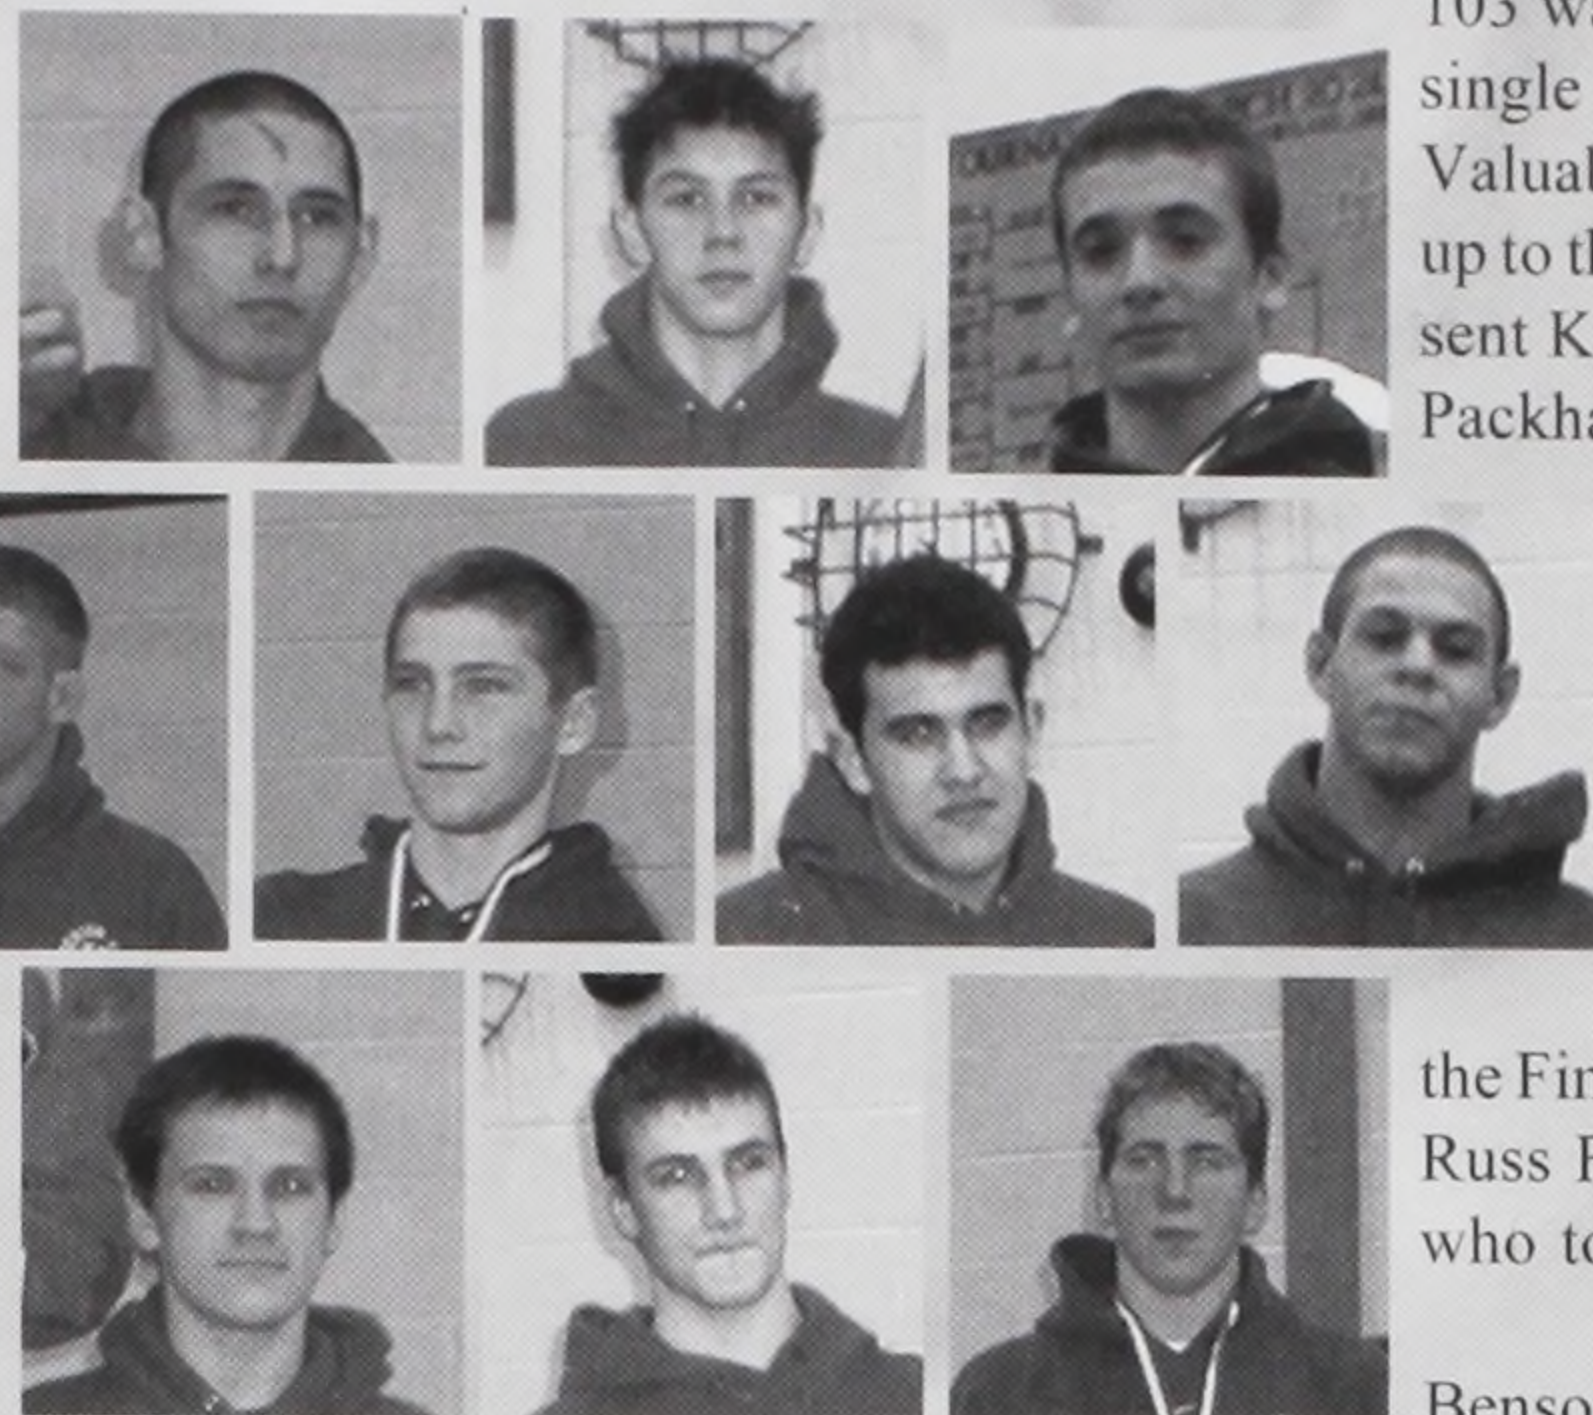

# TO BE THE BEST

In the Hall of Fame Once More  
By Kyle Mechling

For the second time in six years the Benson wrestling team has dominated the district. For four years we have been within grasp of the bar that the team of '99 set. In the year 2001, our team took the Dual Meet Championship, meaning we were undefeated, but lost of Madison in the District Championship. Over half the wrestlers on the team that year were seniors and have to leave. Since then we have been rebuilding the team. This year we succeeded.

We were a well-balanced team. The line-up we took to the District Tournament was as follows: At 103 we had Peter Herbert, an outstanding sophomore that took 1<sup>st</sup> in Districts and 5<sup>th</sup> in State this year. Our second man at team due to the fact that he went from hardly winning a sophomore. At 112 we had Nick Landon, this year's Most districts without being scored on once, pinning everyone (winning by 15 points), and took 7<sup>th</sup> in State. At 119 we took Brad Porter who took 2<sup>nd</sup> this year as a senior. Navarre Brunger, a sophomore, with William Stemmer, as our second man. Brandon Grammer, also a Stemmer who took third in the same weight and Zach Hubbard as second man. At 145 we sent Bubba Van Egdom who took 2<sup>nd</sup> and Tony Erhardt, JV Wrestler, who took 4<sup>th</sup>. Josh Keene, a fourth with Eric Nehl at second man 160. Tommy Walton without being scored on once and pinning everyone up to Bacon who, as a junior as well, won 4<sup>th</sup> place at 171. At 189 wrestling as second man. Finally, we had Diego Ocejo dislocated collarbone the week before.

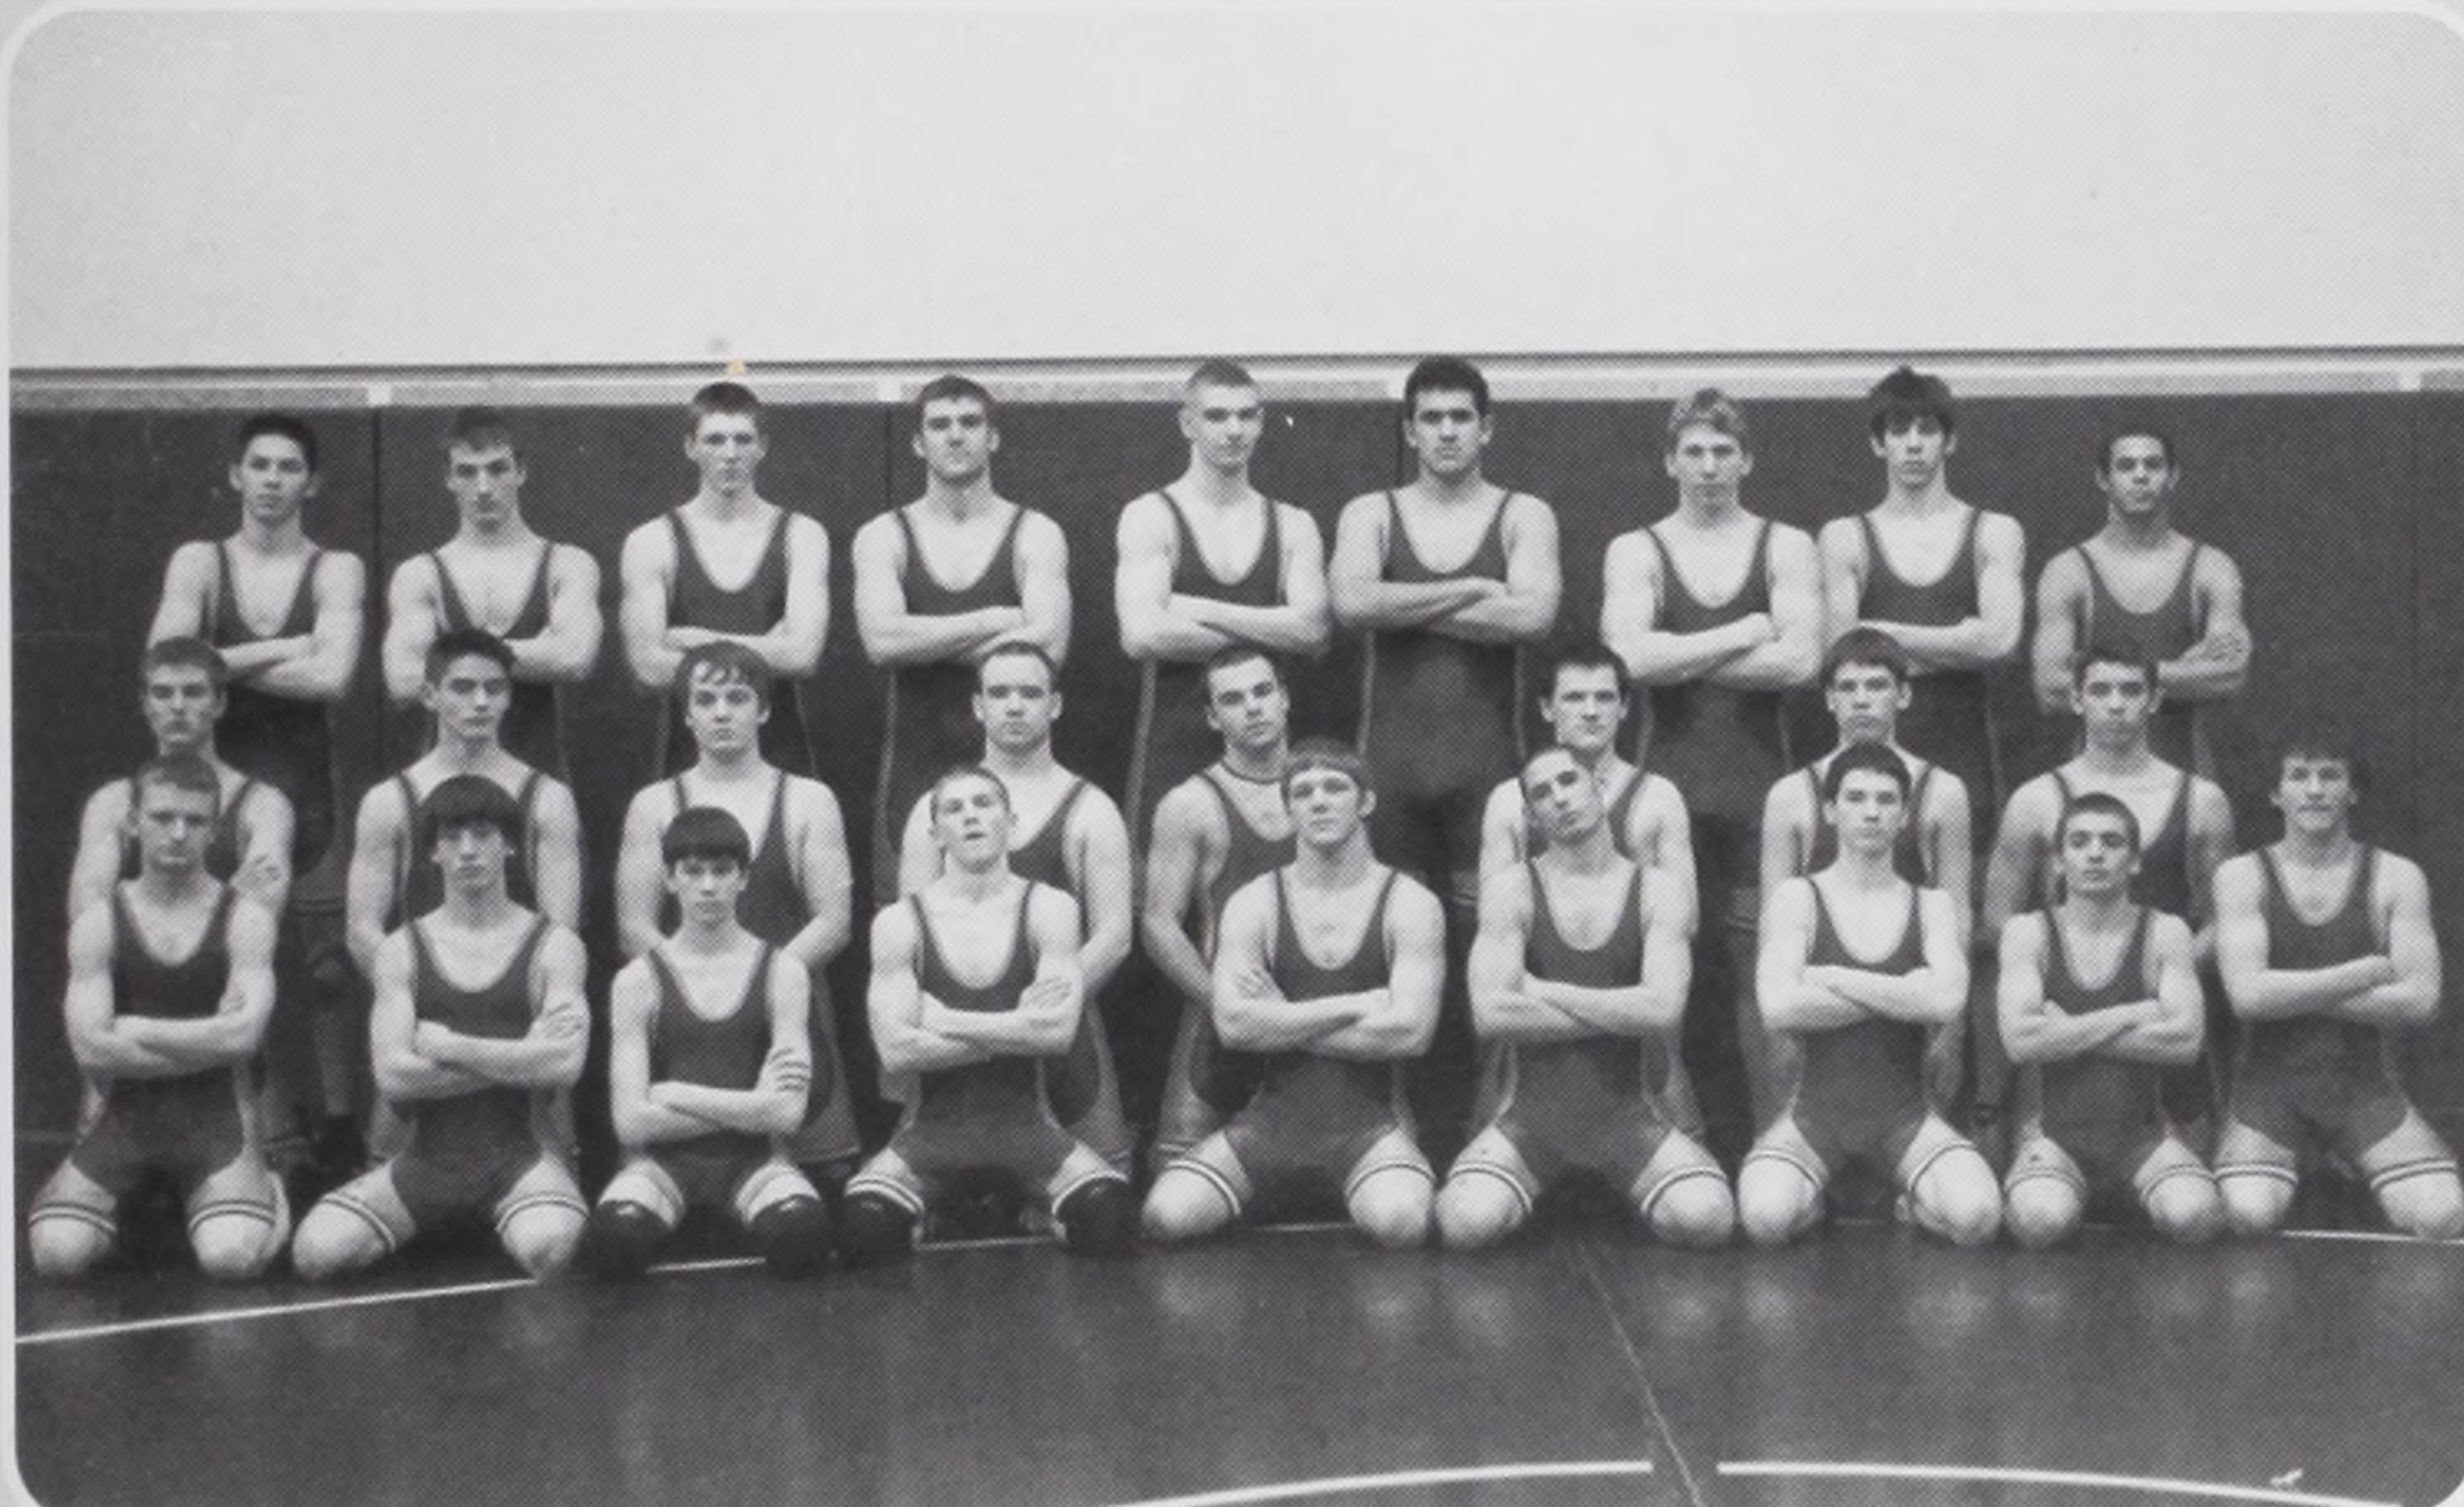

This was the best line-up of wrestlers that Meet Champion and District Champion Titles. We had Champion Titles. We had eight excellent seniors, all eight went on to the State Tournament. However, it was not just district Tournament for us, it was the whole team. In the we did in that tournament. At the end of the first day of competition of the second day, we lost a total of two

103 was Tim Mechling, voted Most Improved Wrestler by the single match his freshman year to taking 5<sup>th</sup> in Districts as a Valuable Wrestler and one of our eight seniors, who took 1<sup>st</sup> in up to the Finals where he defeated his opponent by technical fall sent Kyle Mechling, also a senior, who took fourth. At 125 we Packham was our second and at 125. At 130 we had Mitch voted Most Outstanding Freshman by his teammates, Senior, took 2<sup>nd</sup> at 135 in Districts followed by Forrest class. At 140 we had AJ Caderon, senior, who took 3<sup>rd</sup> Tyler Johnson and Brain Hryciw, both juniors. We had one of our seniors who were voted Most Outstanding year varsity wrestler, was our 3<sup>rd</sup> place winner at 160 won the Tournament at 171 as a junior, also winning the Finals where he won by technical fall. Behind him was Colin Russ Foote who took fourth as a senior with Dwain DeMaris who took 2<sup>nd</sup> in the tournament while still recovering from a

# BATS.

The BATS (Benson Auditorium Technical Staff) is the behind the scenes drive of every assembly. They run and maintain all audiovisual equipment in the auditorium during the year. They start the year with the basics and move on progressively to longer and more technical events. They learn to operate equipment that is actually used in professional theatre productions. Teamwork and responsibility are the most important in producing an excellent show. The BATS are the unsung heroes of all the stage productions at Benson during the school year and they have fun doing it.

The investment pays off in great performance experiences, great friends and great times in the Benson Band.

# Men's Track

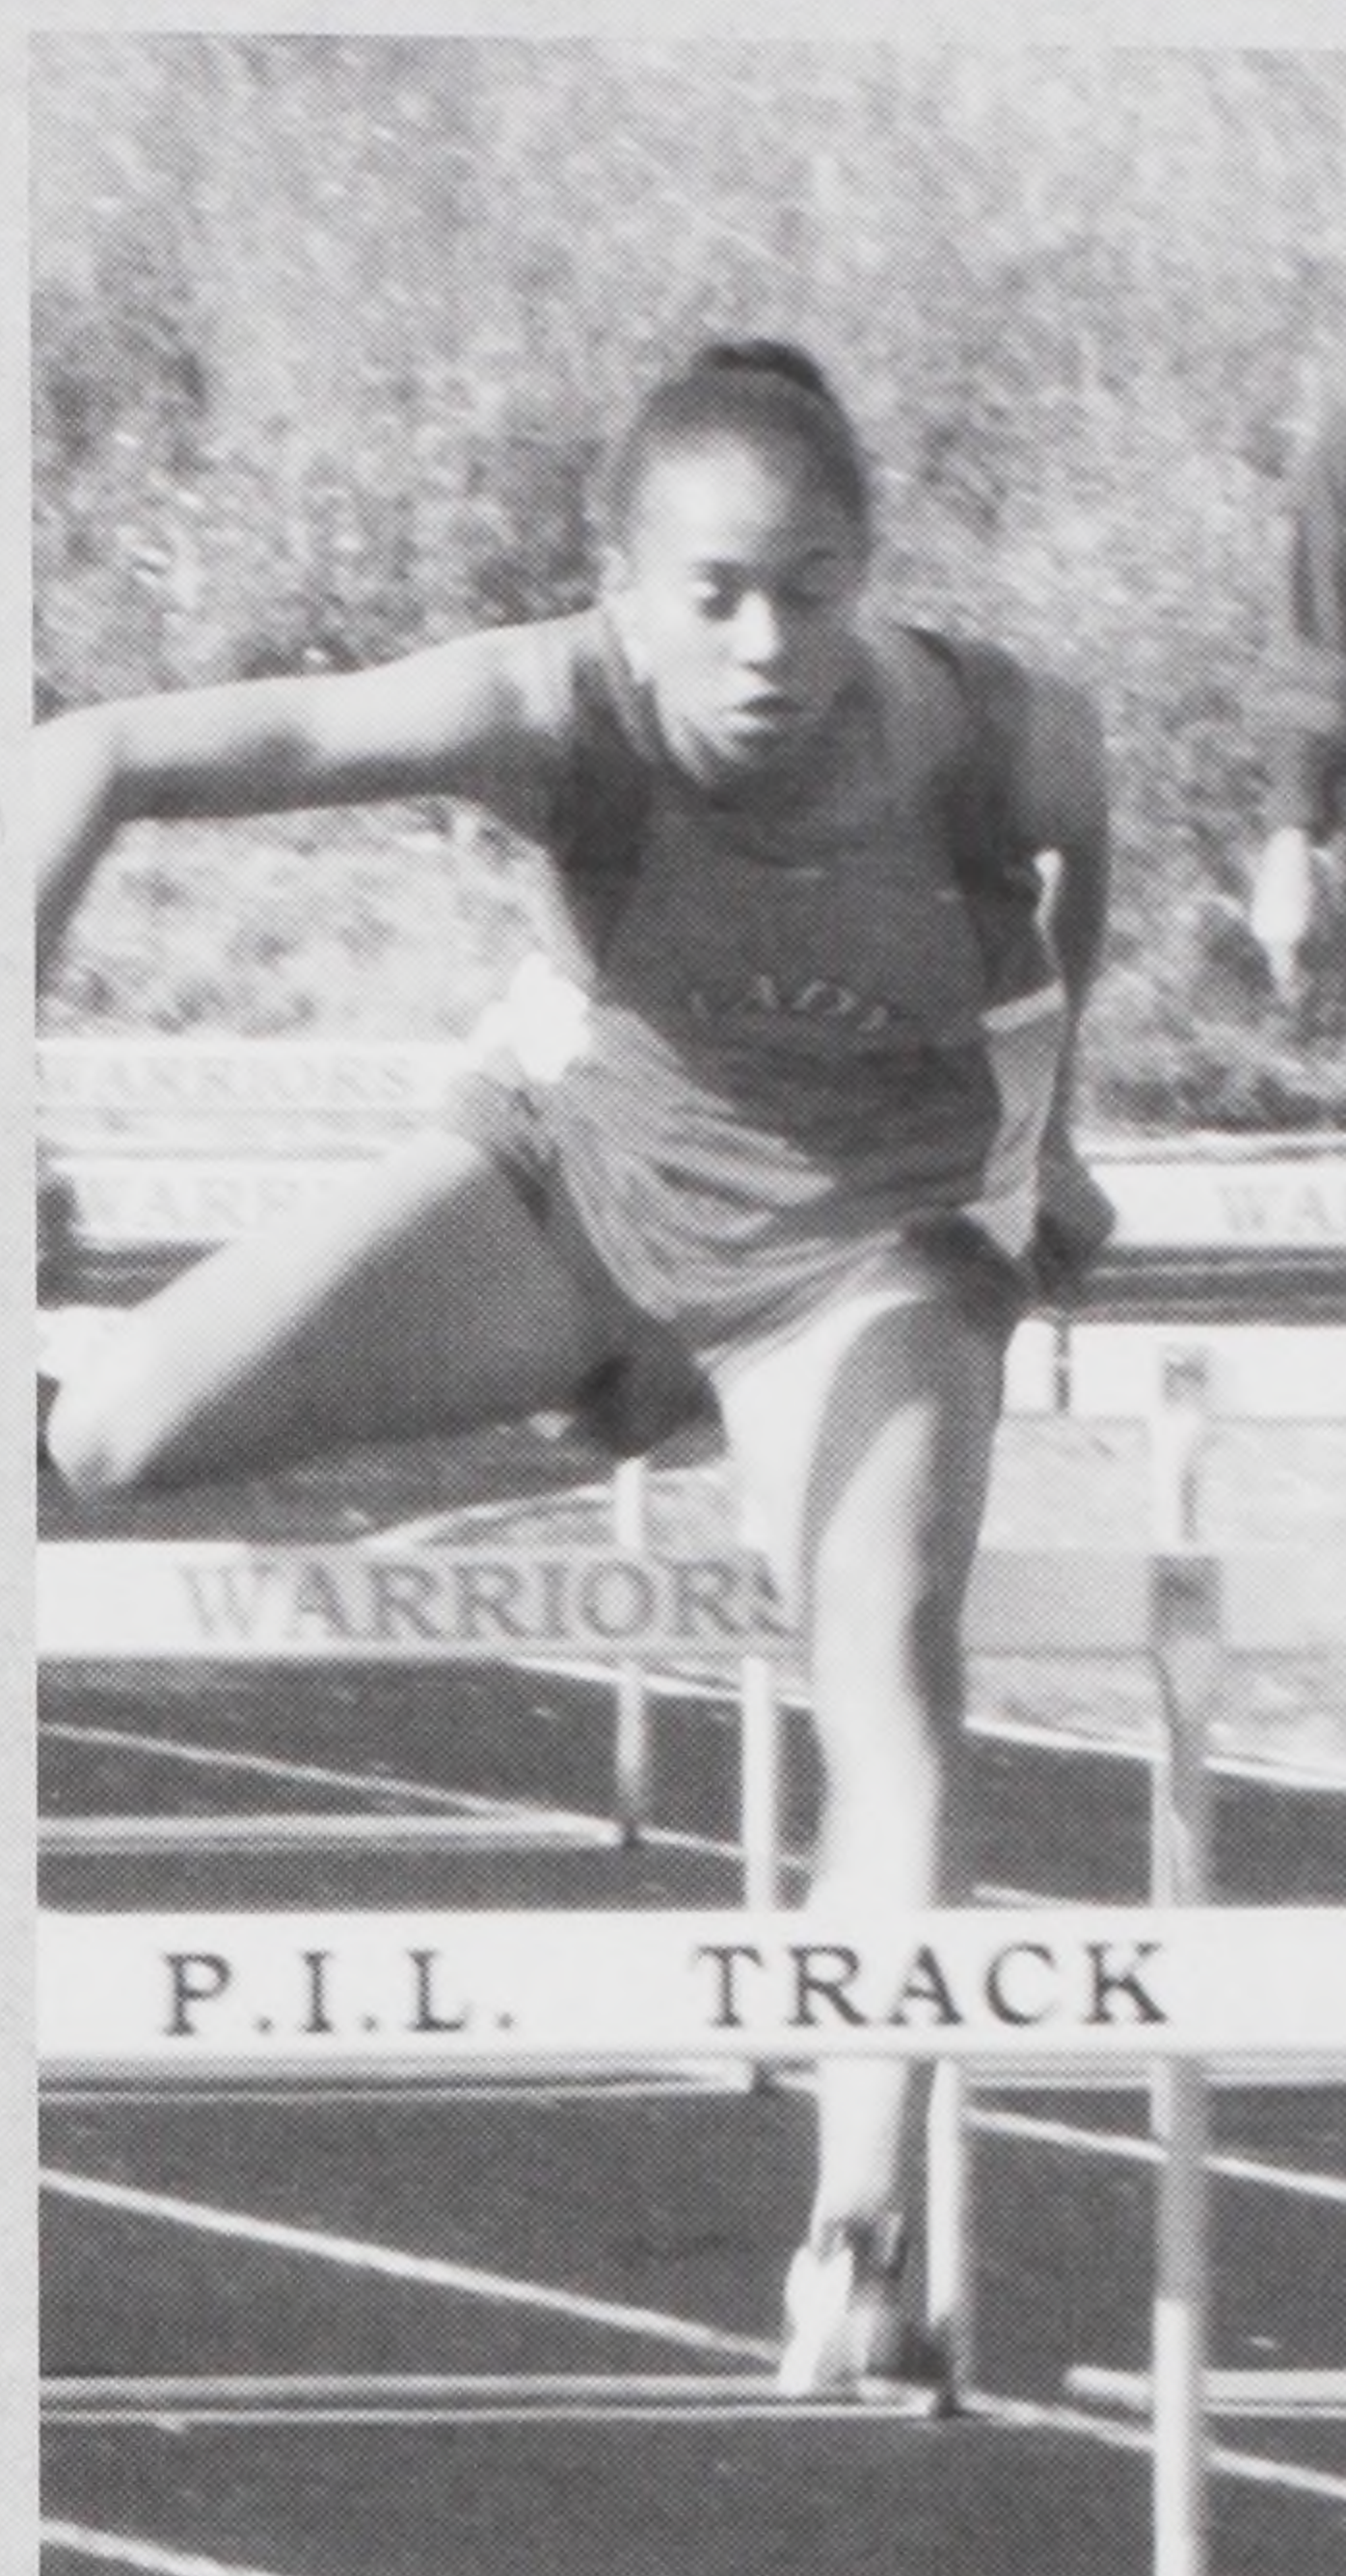

They came to practice, rain or shine. Some worked through summer, winter, and spring. They were determined to be champions and finally they have accomplished what they had worked so hard to achieve. The boys began with winning the boys dual meet title, then one Saturday afternoon at Haywood field they made history, winning the state championship title. This has been a very big deal to not only the team but to the whole school. This has been a dream come true for everyone. To have both the boys and the girls win the state title will make this years track and field team remembered forever.

Nathaniel Anderson, Collin Bacon, Eric Bailey, Eric Boslar, Cody Brainard, Jesse Brown, Deandre Burton, Eric Carlson, Desmond Cole, Georiko Cross, Trent Davis, Mychal Gann, Alexander Green, Alexander Johnson, Bernard Jones, Terrence Lambert, Elijah Lewis, Jamarian Malley, Brian Martin, Jerome Martin, Deshawn McKenzie, Jose Meza, Timothy Ngai, Martin Romero, Demetric Sanders, Darien West, Curran Williams, Jarrett Williams

# Woman's Track

Benson's women track and field team has done it again! No other girls team has brought it like they have, for five consecutive years they have won the state title, remaining "undefeated". This year they've done it again, winning both dual meet and state title. This year now marks their 6th year of triumph. This was all made possible by the teams dedication and hard work, not to mention the great coaches who helped and pushed the team to their many victories and who also stood at the side lines cheering them on. Good Job girls!

Ashley Anderson, Saraphina Callier, Delase Carter, Deidra Coleman-Mayes, Adrienne Davis, Desaree Hall, Tramaine Hurts, Patten Jones, Fawn Kendall, Kali Kendall, Jewel Martin, Desiri Mason, Bianca Mathabane, Gabrielle Parker, Antoinette Payne, Iyana Simms, Ashley Taylor, Ynique Wright

# Senior Wills-

The will of Matthew Aldrete. I would like to leave the self esteem I have gained over the years to Sean Larkin. To Tiffany Rohde I will my endowment of wits, not that she needs it. To Tuan lam I will my ability to "Keep is gangsta". And finally I will my wisdom from the past four years to my younger brother Sam Aldrete. Matthew Aldrete

People, I only have one request... When I leave this hellhole, it still better be "crackin". Than means, the parties better be crunk, Classes better still be fun, and the front hallway still better be the "kick-It" spot at lunch! Ladies, keep it real, and keep it clean. The last thing that Benson needs is more "Rats!" yall know exactly what I'm talking about. Truly, Gini Ryles C/o 2004

As I depart from Benson I, Mia Lucas-Lambert would like to leave behind my legacy and also let all know that its Dynasty and Dynasty chicks for life. And let all my friends know they'll be missed. Also I wish all 2004 graduates LUCK! Mia Lucas-Lambert

As I depart from Benson I, Candis Williamson would like to leave Cherrelle Marie Franzier my blessings. I want to leave her my hopes of her succeeding the next year. I also want to leave her this, focus and you'll be out sooner than you think. I love you always. Best Friends Forever! Candis Williamson-

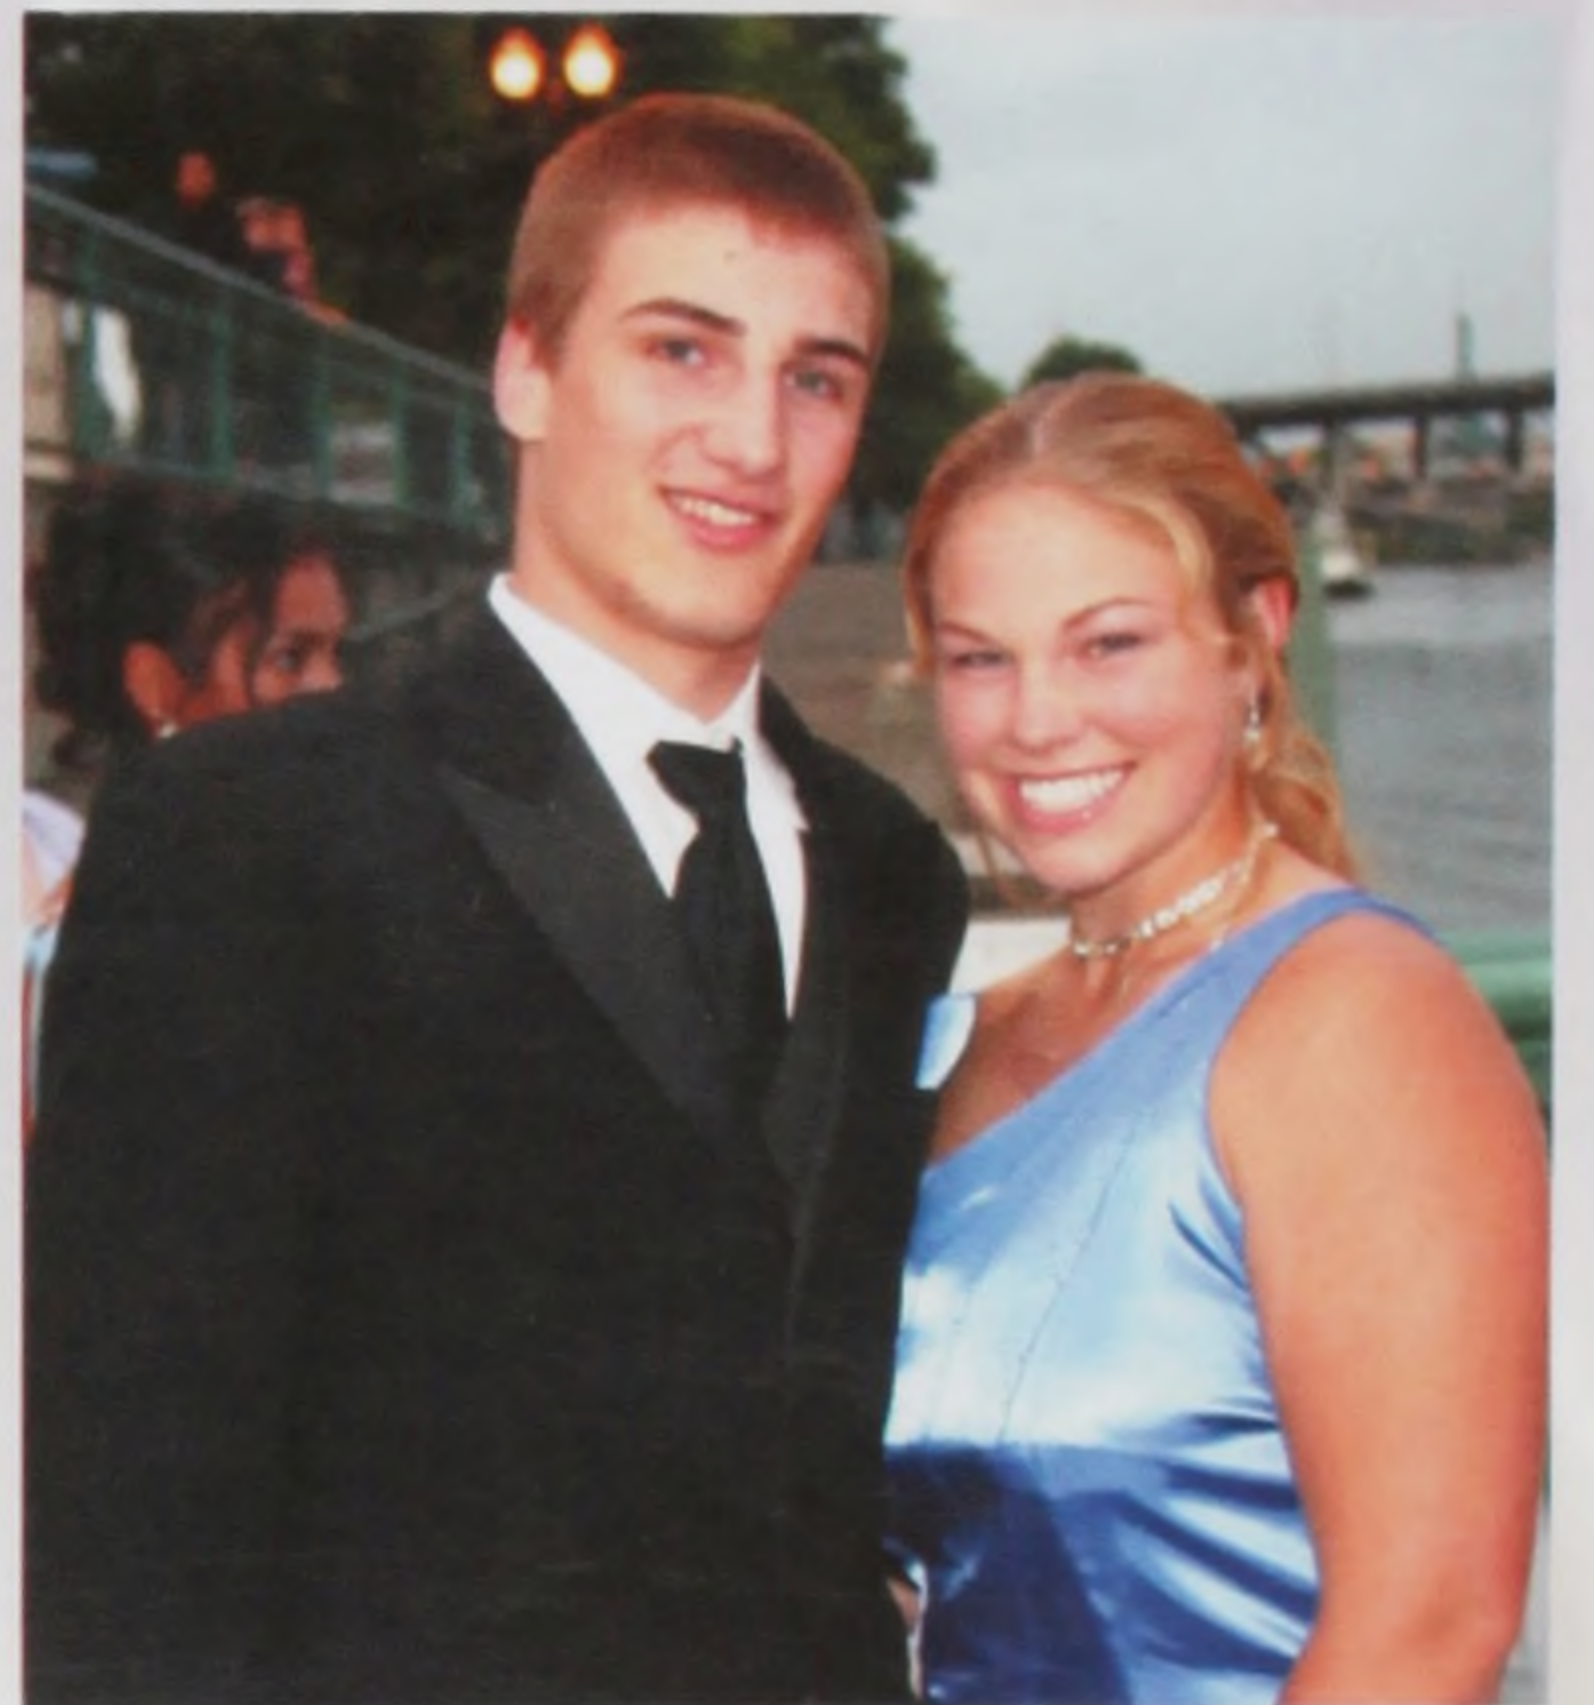

As I head off to college I, Rachel Jamison would like to leave a few things behind for my boys. To Alex Jett, I leave to you my road rage, your awesome, don't ever let anyone tell you different...DRIVE SAFE! To Sean Phelps, I leave shotty in the Jetta. And to Dylan Jones, my secret love, I leave you my bedroom window unlocked. Good luck next year you guys, I'll miss you. Love Always, Rachel Jamison

## Finally the moment has come here at last-

Finally, the moment has come here at last,  
Four years of high school, all in the past,  
Days crept by slowly but yet they went fast,  
As we played all the parts like a theatre's cast,  
And it's over, it's done, there's no more classes to take,  
And it's over, it's done, there's no more rules to break,  
And it's over, it's done, for goodness sake,  
No longer at five-thirty do I have to wake,  
But wait a second, is it over yet?  
So soon do we celebrate but soon we forget,  
I guess that it's just hard for us to admit,  
That this really isn't close to the end of it,  
A milestone yes, we have come far,  
But let us still remember exactly where things are,  
We have a diploma but were far from a star,  
We're not going to have a chauffer driving our car,  
But wait, of course, we have our CIM cords as well,  
Another fine example of the things that we do,  
But those will never help you make it through,  
Any single challenge that is given to you,  
So as we sit here, let us ponder a bit,  
On all of the things that we soon forget,  
And let us once realize the truth and admit,  
That graduation is really just the beginning of it,  
From here we move on, spanning out in all directions,  
Each of us making our own new connections,  
For some, college and for others: political elections,  
Some work and others cry over Stanford rejections,  
But as we stand up and walk across this stage today,  
Let us do it all in a reverent way,  
And let us make sure that the memories stay,  
All the wonderful experiences at Benson each day,  
Let us remember those teachers who gave all their time,  
The one who gave us direction and kept us in line,  
The one who taught us about the hyperbolic sine,  
And the one who made sure our calculator skills weren't far behind,  
Let us remember the crowded hallways,  
Pushing through people day after day,  
It really didn't matter what we seemed to say,  
People would stand in circles and block our way,  
And how could we forget the pep assemblies too,  
People shouting "04" till their face turned blue,  
And look at all the amazing things we do,  
Our track titles and academics to name a few,  
And let us remember the choices that we had to make,  
The time we did right and the time we made that mistake,  
And let us not this moment forsake,  
But get from it all that we can possibly take,  
Let us remember how far we have come,  
Once a little kid sucking our thumb,  
Moving on to middle school: immature and dumb,  
And now graduating, hopefully having learned some,

Four years of high school all in the past,  
I thought it would go slowly but no, it went fast,  
And finally, oh finally this moment is here at last,  
And though I'm happy to leave, it was a blast,  
And as we go on throughout the years,  
Let us do what we want and conquer our fears!

By Holden Sweeden

## -Lasting Impressions-

Created By Cole Millard & Vanessa Alexander

-From one man to another  
Each has its own opinion on how to  
Celebrate and live their life to the fullest,  
Man is grateful for those who  
bring him to this life to  
Live it accordingly,  
Satisfied is this man  
With what he has been given  
To live prosperous on this  
Abundant earth.-

-Memories of lasting impressions  
Are permanently imbedded  
In mans thoughts of yesterdays  
Light upon the barn doors,  
wagons of dry grass at harvest time  
From crossbeam to crossbeam  
Seizing the opportunity for us to enjoy  
For years to come.-

-Men from far and near  
Have come to acknowledge  
Something's are nothing without  
Anything-  
Anything and everything  
Things distant and near  
The grass continually grows  
As the earth renders its beauty  
To the man who appreciates.-

Cathy Jo strikes fear into the freshmen  
But really she is just a teddy bear  
Don't tell this to her trembling students

She practices tough love  
Exercise - they all get plenty of

Cathy now enjoy Palm Springs

When Dennis teaches, he's on auto-pilot  
On Power Point he's got every word  
"Mr. Mitts, what should I do next?"  
He says, "Have you read the slide show  
you little turd?"

Are the kids just idiotic?  
(Or is) Mitts a bit robotic?  
That's what the Guard will do to you

Try to just be patrotic  
(Turns a nice man) quite neurotic  
Retirement will sure be good for you

Tom Kingsbury

With his 9th graders Tom is anal  
A place for every tool - all tools in place  
Don't you think that's a bit excessive  
When your office is crammed in every space?

(Oh Tom you'll) now have lots of time  
Who knows what you will find

(But I will) never ask of you  
What is your point of view  
I can't spare an hour or two

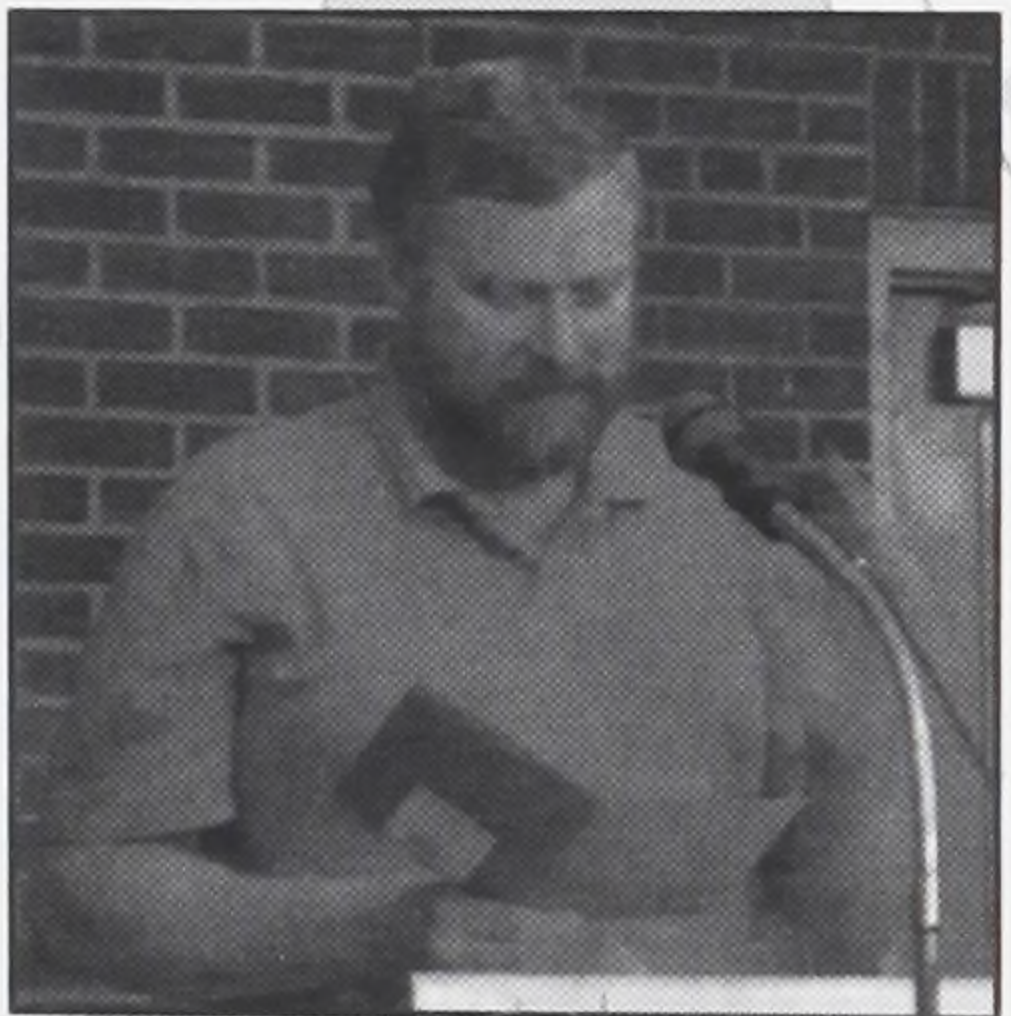

Joan Box

Joan Box, she tried to keep us healthy  
(Tried to start) a walking club and more  
Now she has done her last blood pressure  
Hers is fine - she's walking out the door

She said watch the Adkins diet  
Be careful if you try it  
There's cholesterol trin' to hide

So be thankful for your health  
Your body is your wealth  
May you retire with yours in stride

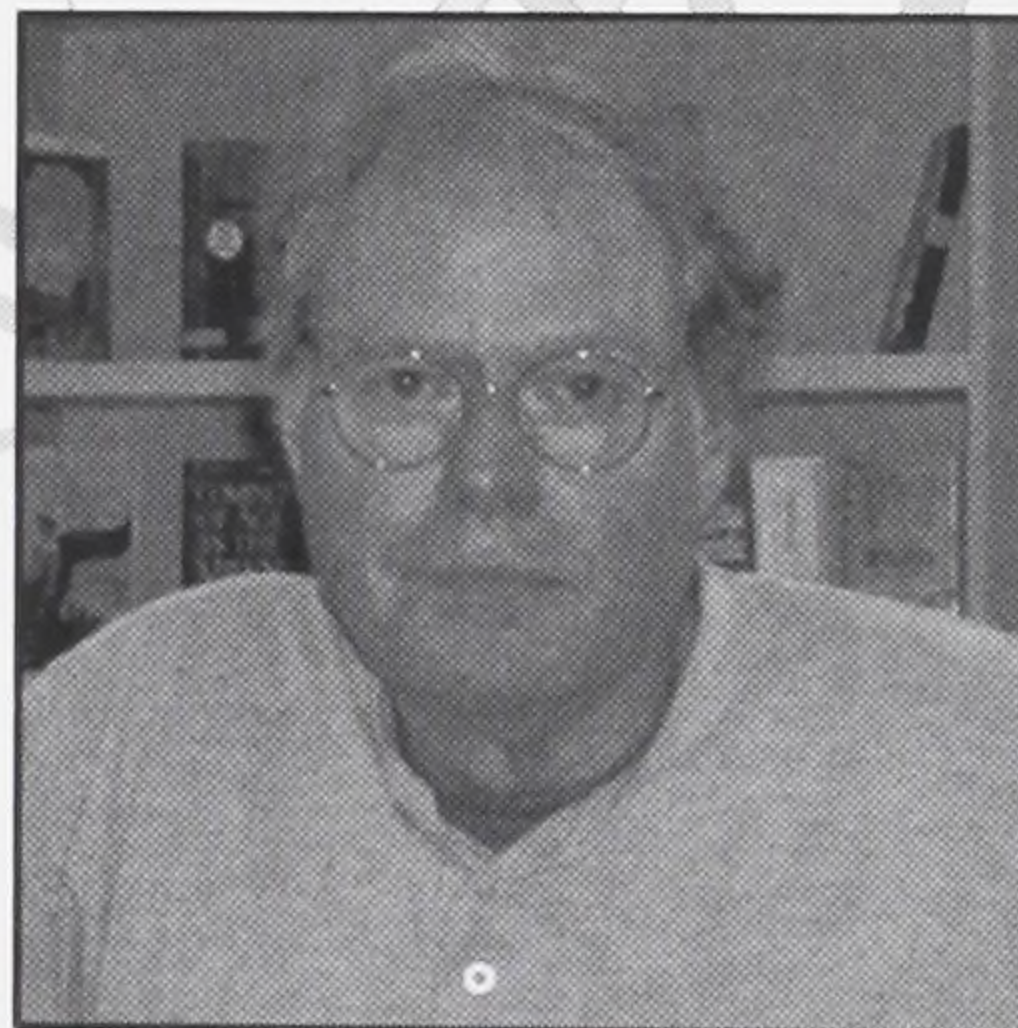

Andy Thorsness

Andy has Grade Machine together  
(His kids make)  
copper pennies look like dimes  
Does this mean that he's becoming wealthy?  
Take his PERS and watch it multiply

Oh, oh Andy take a rest  
You've given it your best  
I just have one last request

(Oh won't you) write down all you know?  
On Grade Machine I'm slow  
When you're gone-where will I go?

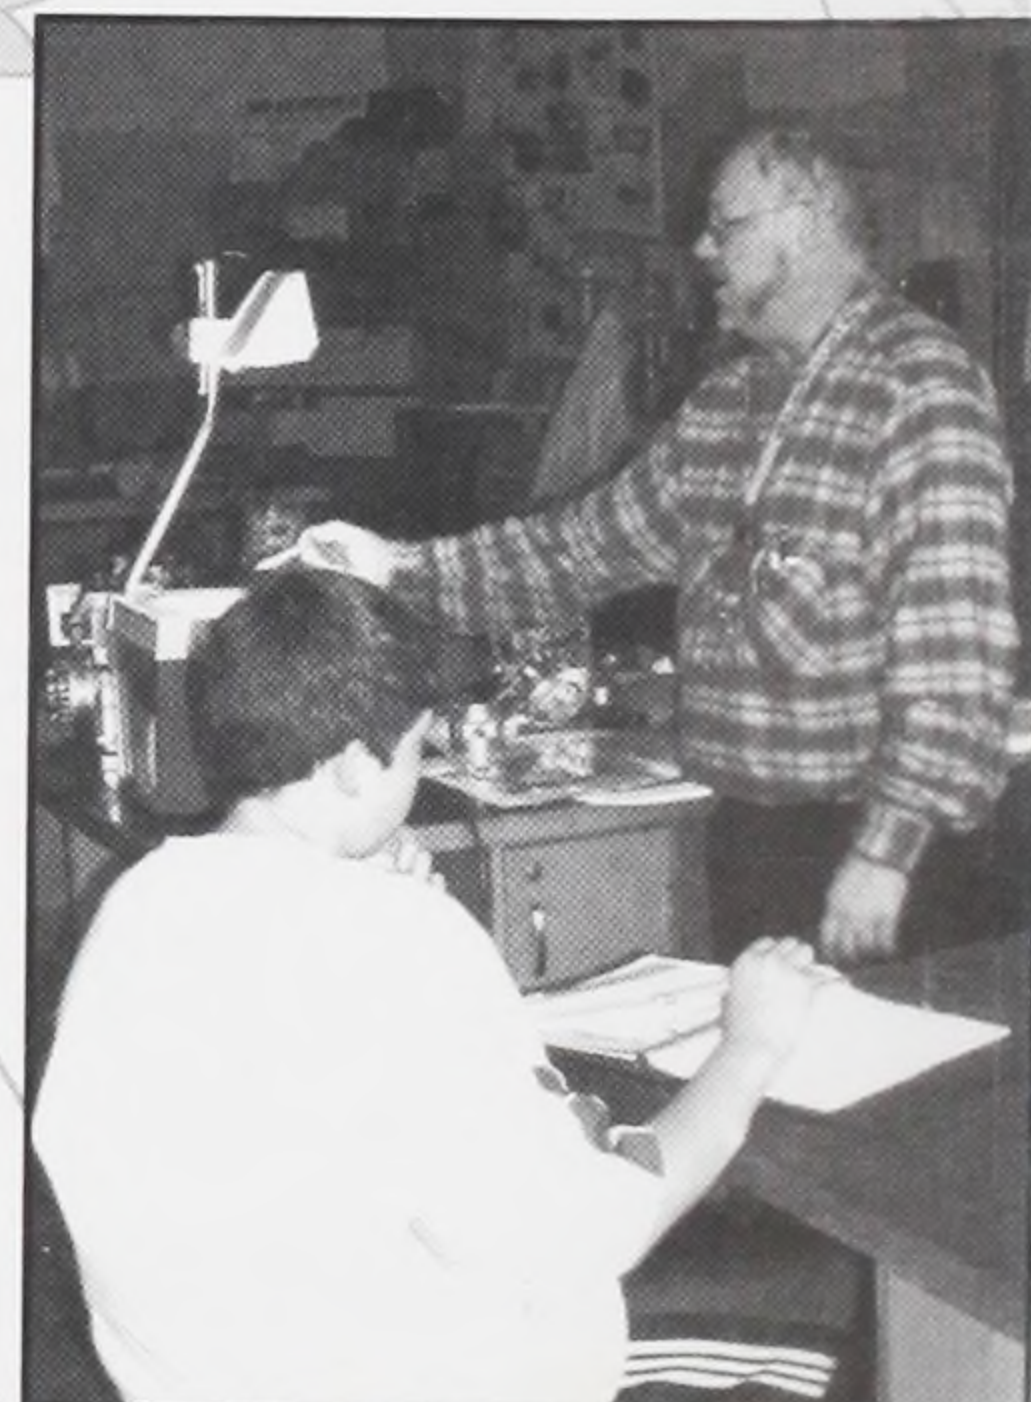

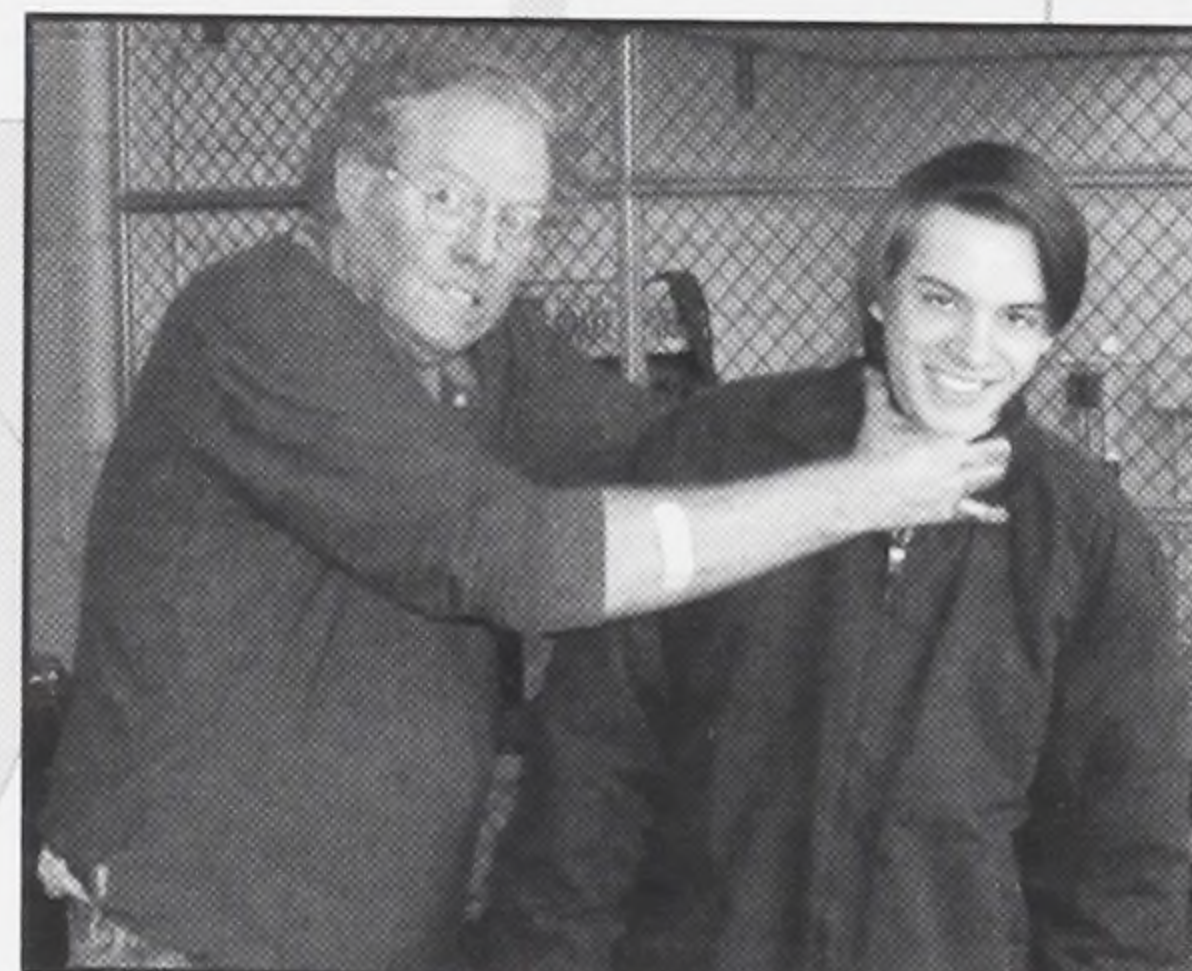

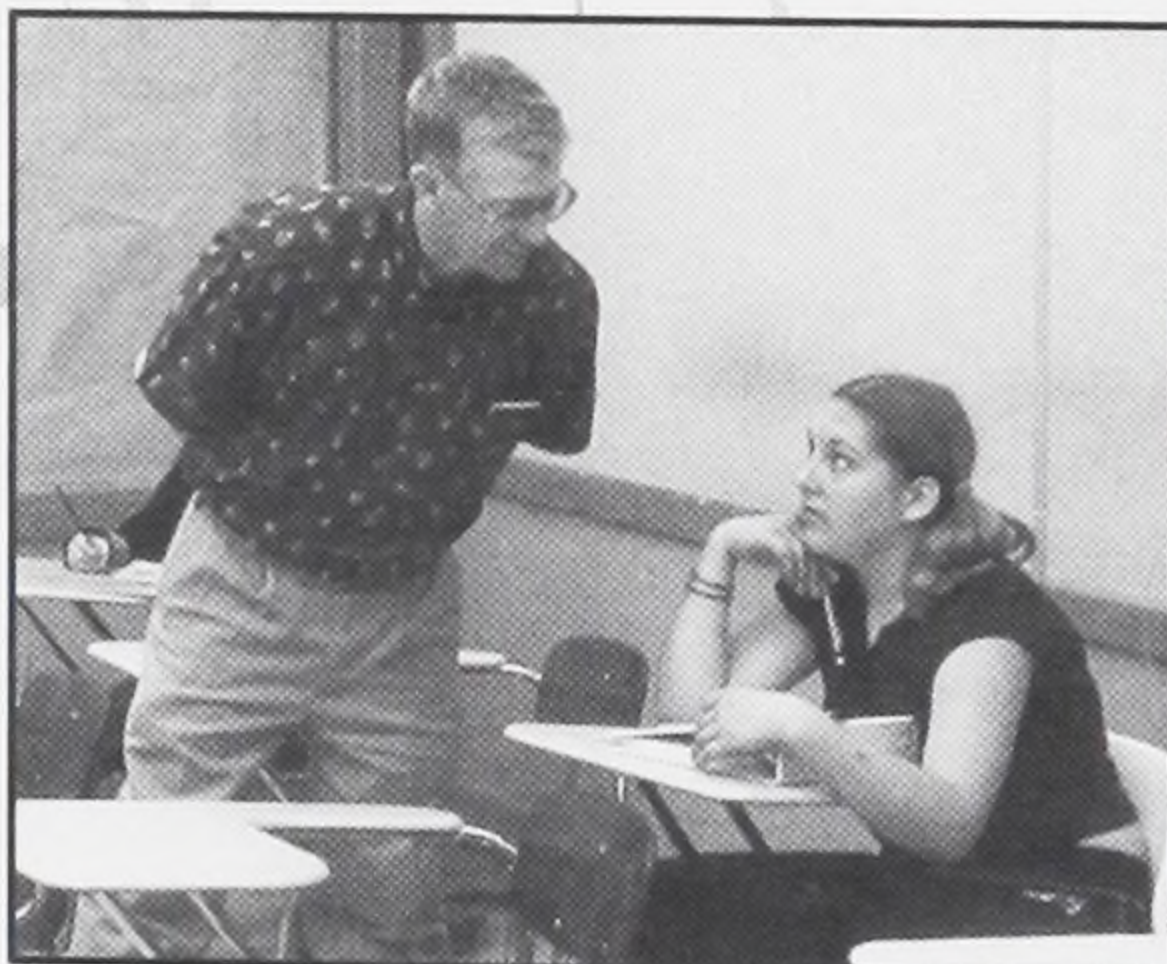

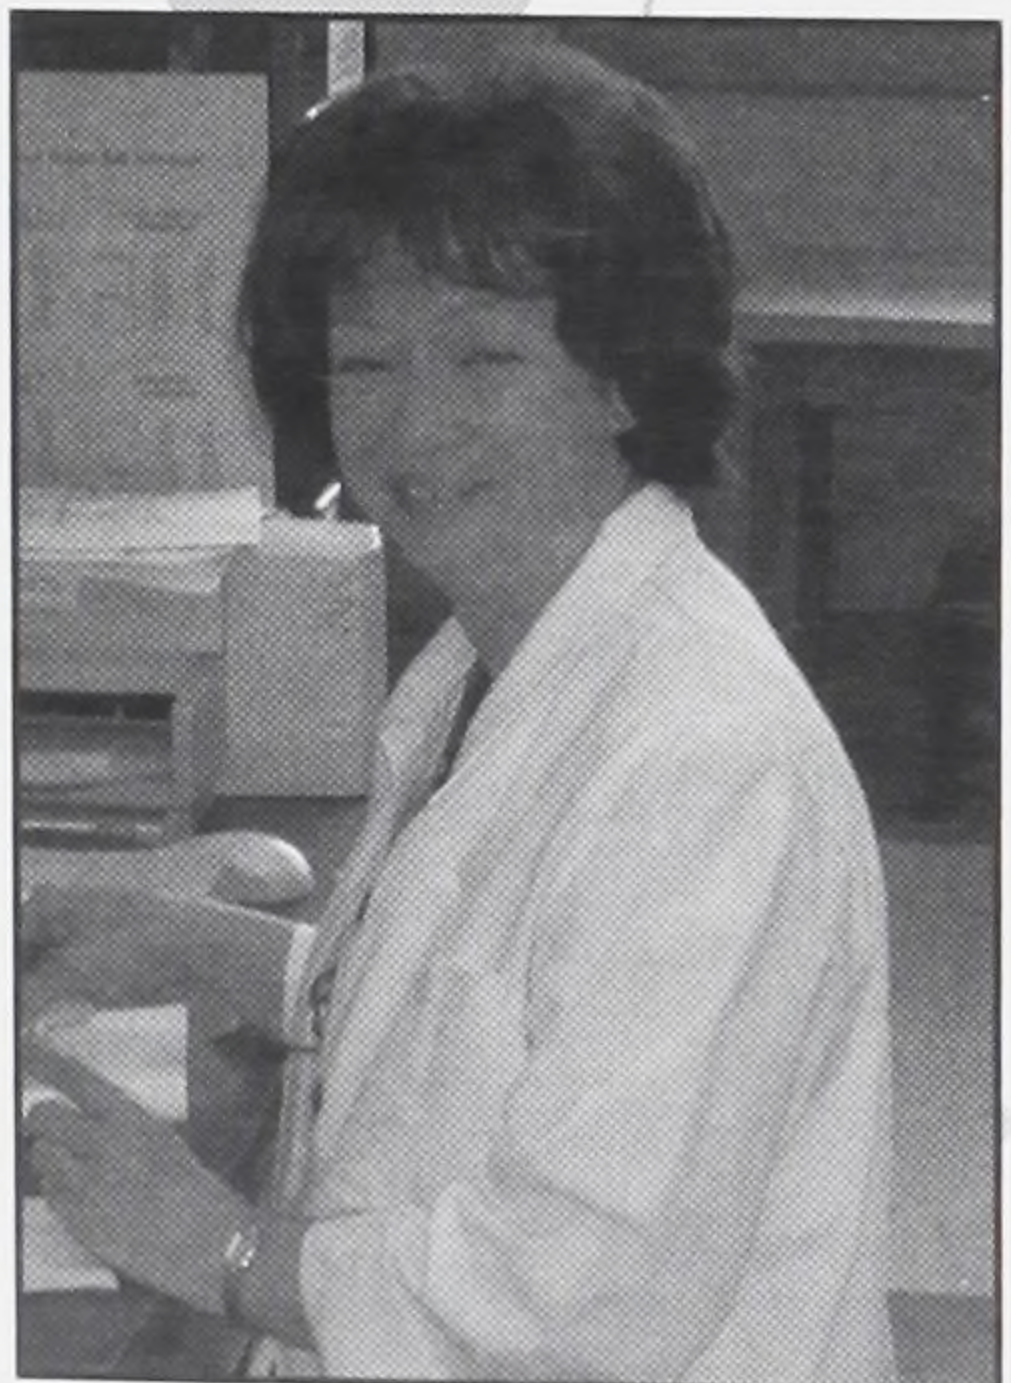

Jim Flemming

While Jim was cleaning up the campus  
I asked him if my car could please be tuned  
He said he'd have his students get right on it  
But after school I found myself marooned

I had to take a hike  
And hiking I don't like  
That's why Flemming rides a bike

Oh, oh Jim you're quite a guy  
(You're the best) of Benson pride  
Now you'll have lots of time to ride

Thank you for all you've done for Benson High School and  
the students you have influenced over the years. Please  
have a wonderful, restful and satisfying retirement.

# Yearbook

# Editor

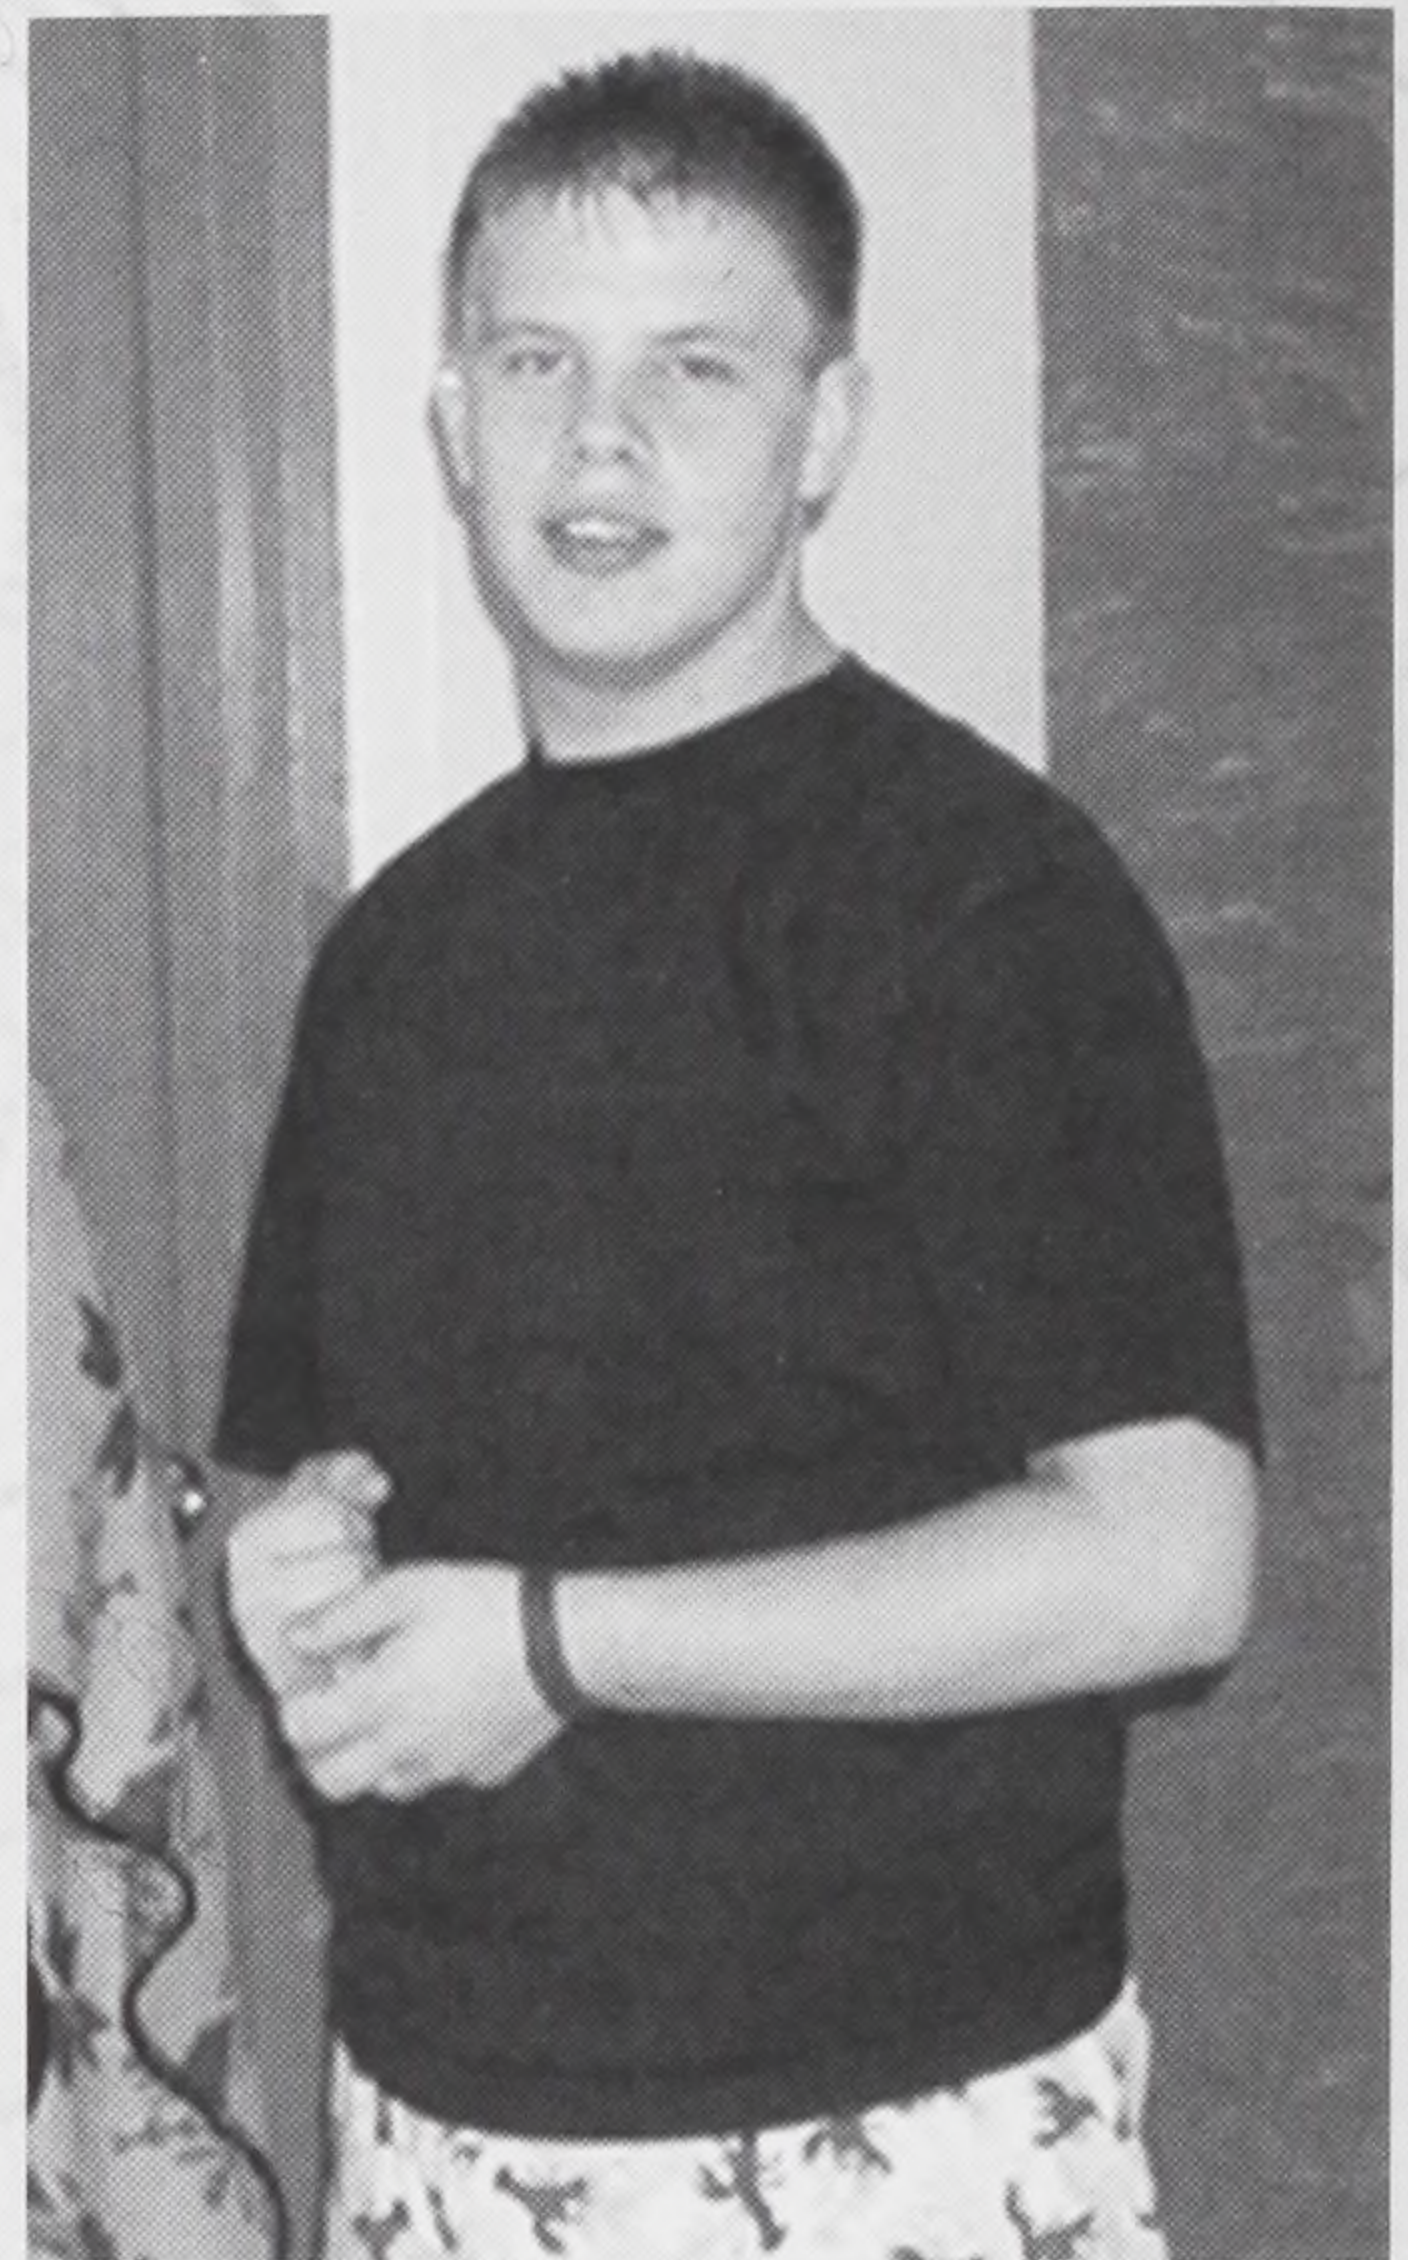

Well this sure has been a learning experience!!! I have learned and in this book it will really show. During this year the yearbook staff has had so many problems that we have had to over come. For Benson being the best technical school in the nation we sure do have some piece of you know what computers. I have had so many issues with these things that are supposed to make our lives easier, HA!!! who ever said that must not be using the computers that I have been using. But on a better note I think that this book will be one of the better books that Benson has put out.

I was glad to have been the editor of the 2003-2004 yearbook and I can't wait to get started on my senior yearbook class of 2004-2005 (Class of 2005 is and will always be the BEST) I would also like to say THANK YOU to a couple of people who have helped me get this book done, Cindy Lebeau, you are an awesome person and I could not have got this book done without all the time that you have devoted to Benson and myself, Thank you again, Dan Foster you are a HERO you helped me get through a lot of crap and I THANK YOU for all that you have done. Dayna you are such a sweetie. You have also contributed so much of your time to help me get this book done, Amanda Boggan I LOVE YOU, you have picked me up when I was ready to give up and I thank you for helping me so much. Mitchel thanks for all you have done I really do appreciate it I know that I am missing people so to those that have helped me get this book done I Thank You all so much. I hope that you all enjoy this book and I promise that this up coming yearbook will be even better.
