Trades, in the Atkinson Building
12th and Davis ...

Benson Polytechnic School served not
only the educational needs of the city's
youth, but also the defense needs of a
nation at war.

1909, a course of study for girls was added. The Portland
of Trades was co-educational until 1913, when the girls'
departments were moved to the Lownsdale School.

Blueprint
2007

a new health occupation wing, a new library, a new
services center, and a new band room were added.

ACADEMICS

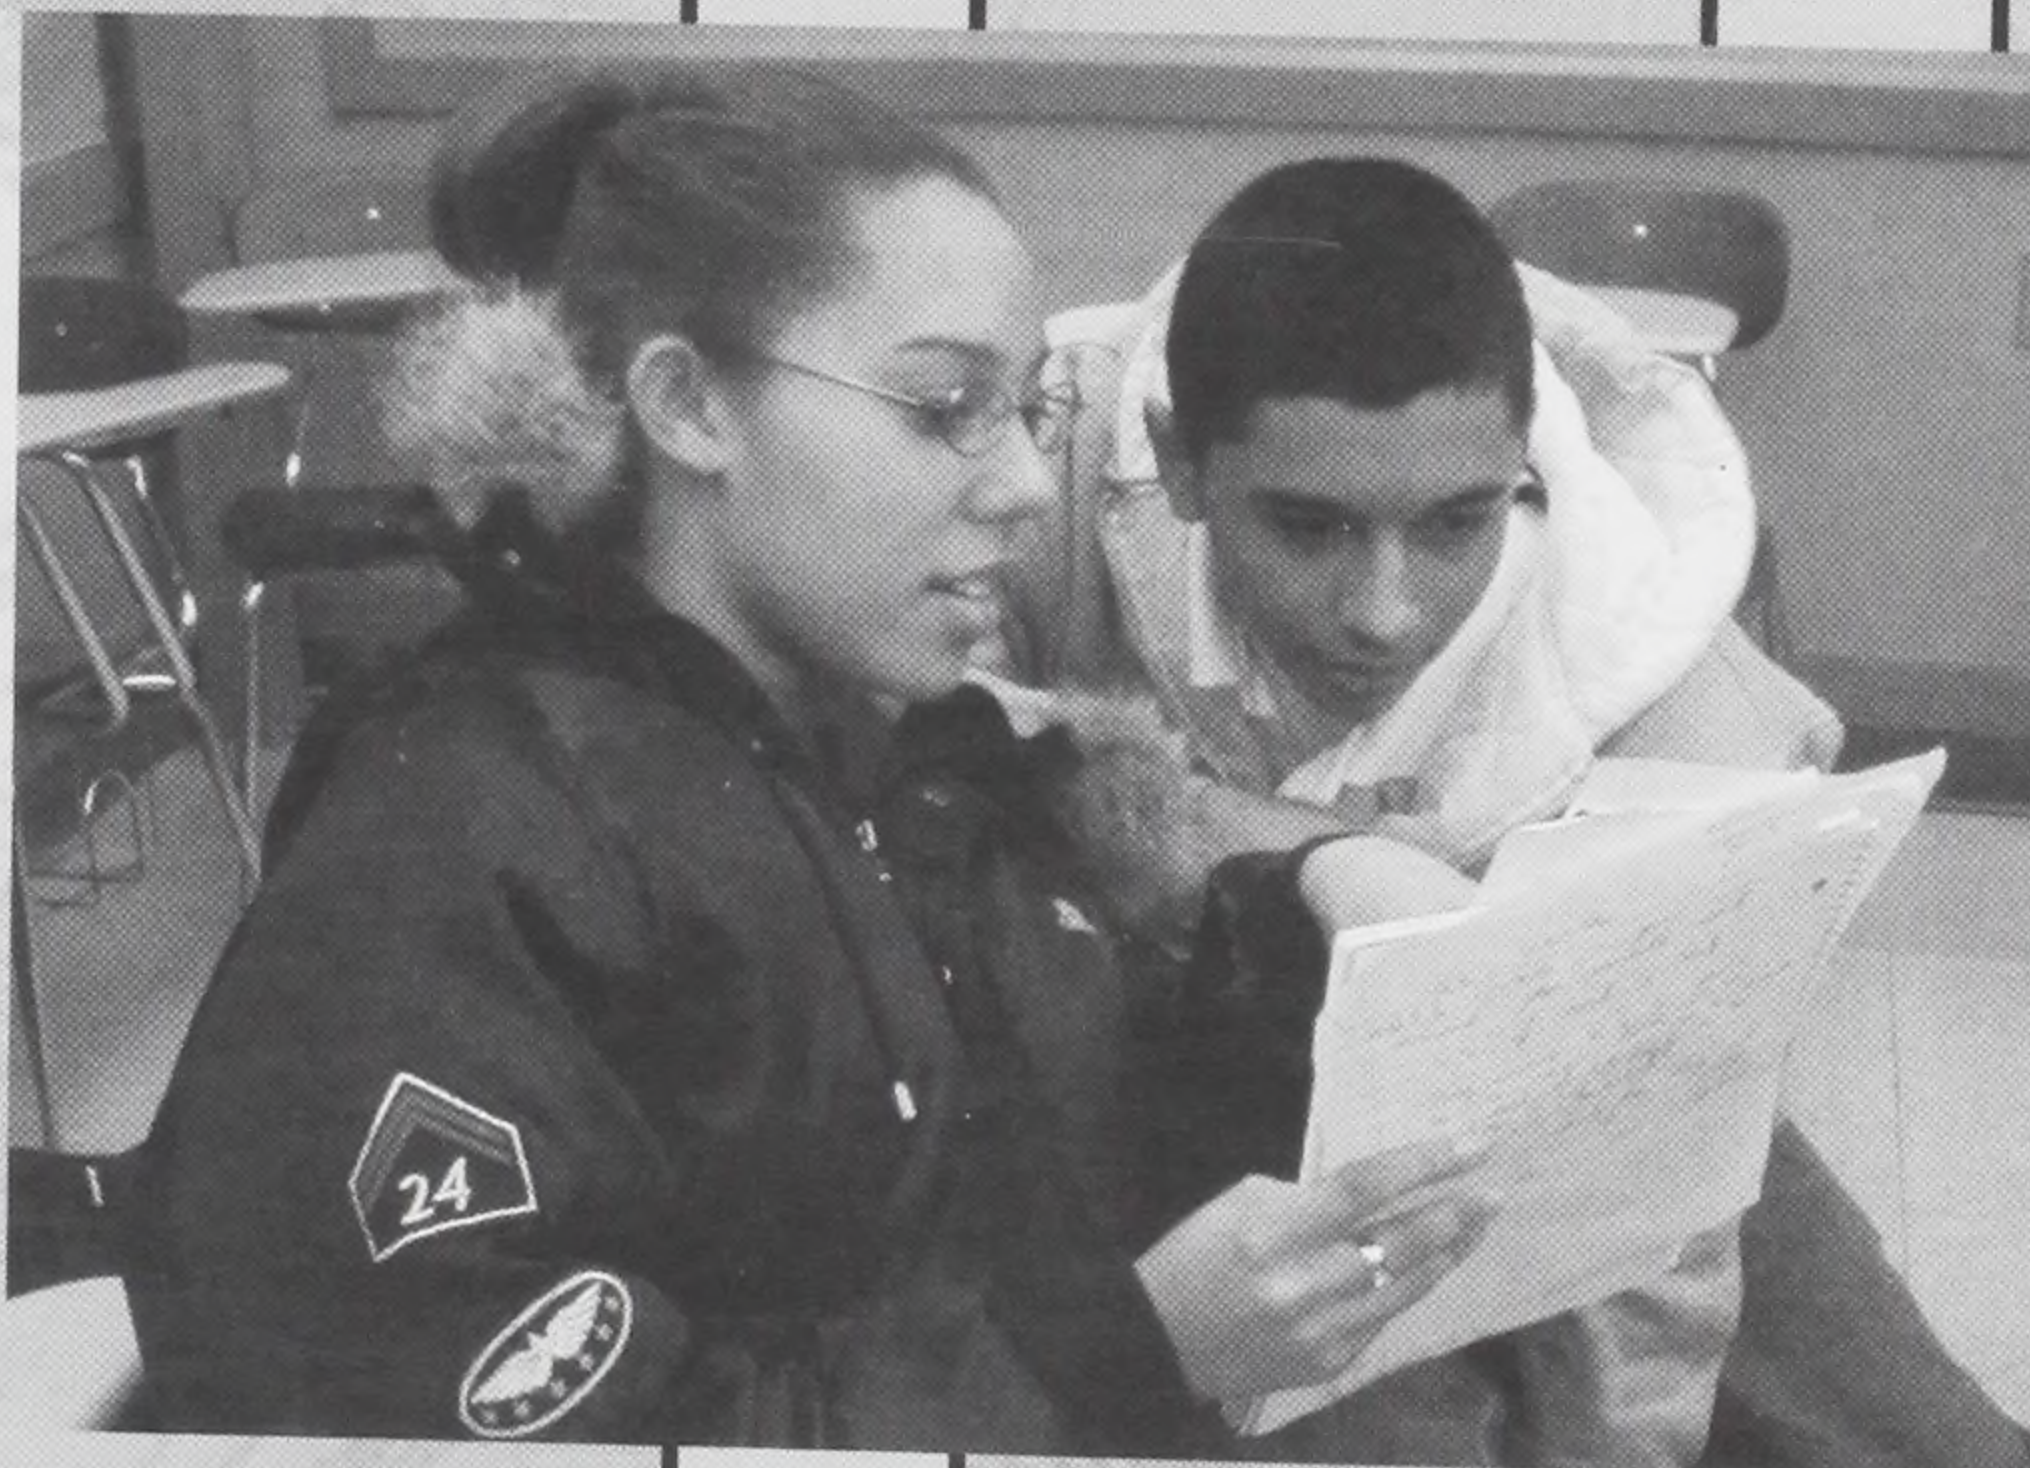

Mathematics

With careers in trades opening rapidly, mathematics have become especially important to all vocational students. Proficiency in math is critical in most technical careers, though it has many applications to medical related professions and jobs of all kinds.

English

*Four years are required of all students
in speaking, reading, writing, and literature*

English is the most widely spoken language in the professional world and the United States. Literacy is critical in becoming successful in any profession, no matter what language. All students take four years of English to become proficient in communication skills, as well as comprehensive skills necessary to use reasoning and understand various cultural references. The United States is diverse in culture, and literature helps students relate to differences of all kinds in this changing world.

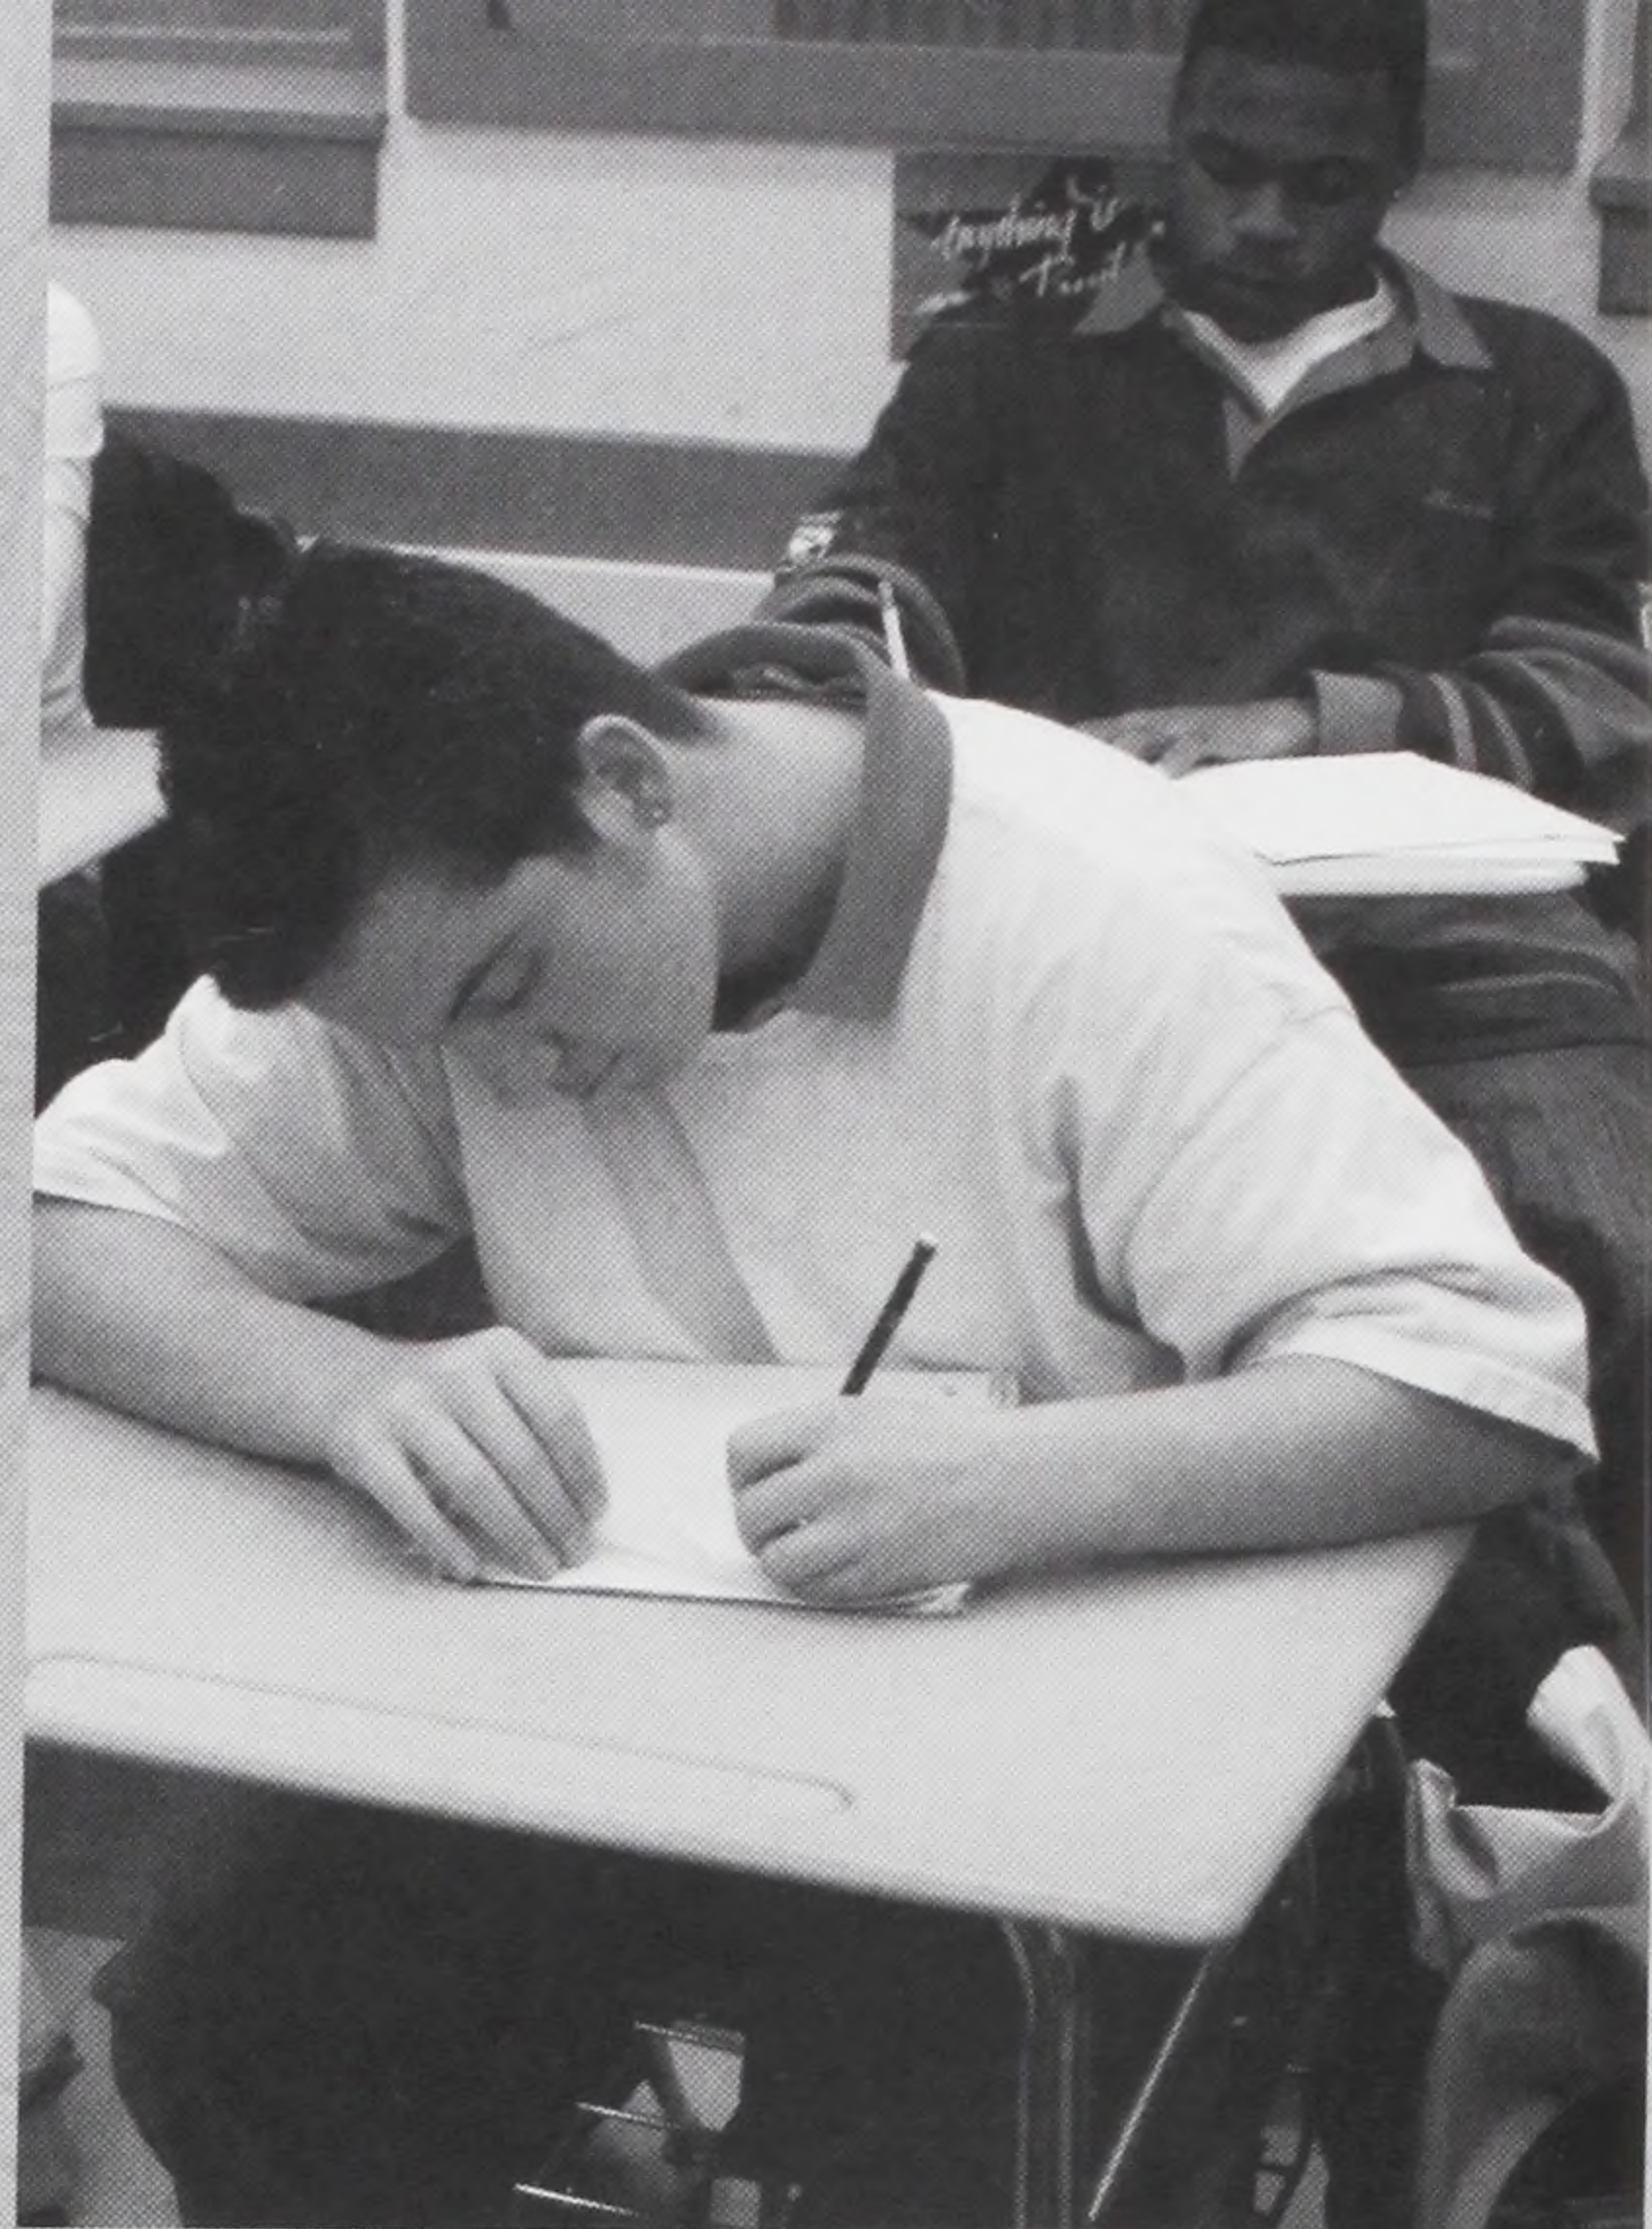

The most studied works of literature in Benson High School are:

Freshman Year:
Romeo and Juliet
The Odyssey

Sophomore Year:
Of Mice and Men
Warriors Don't Cry

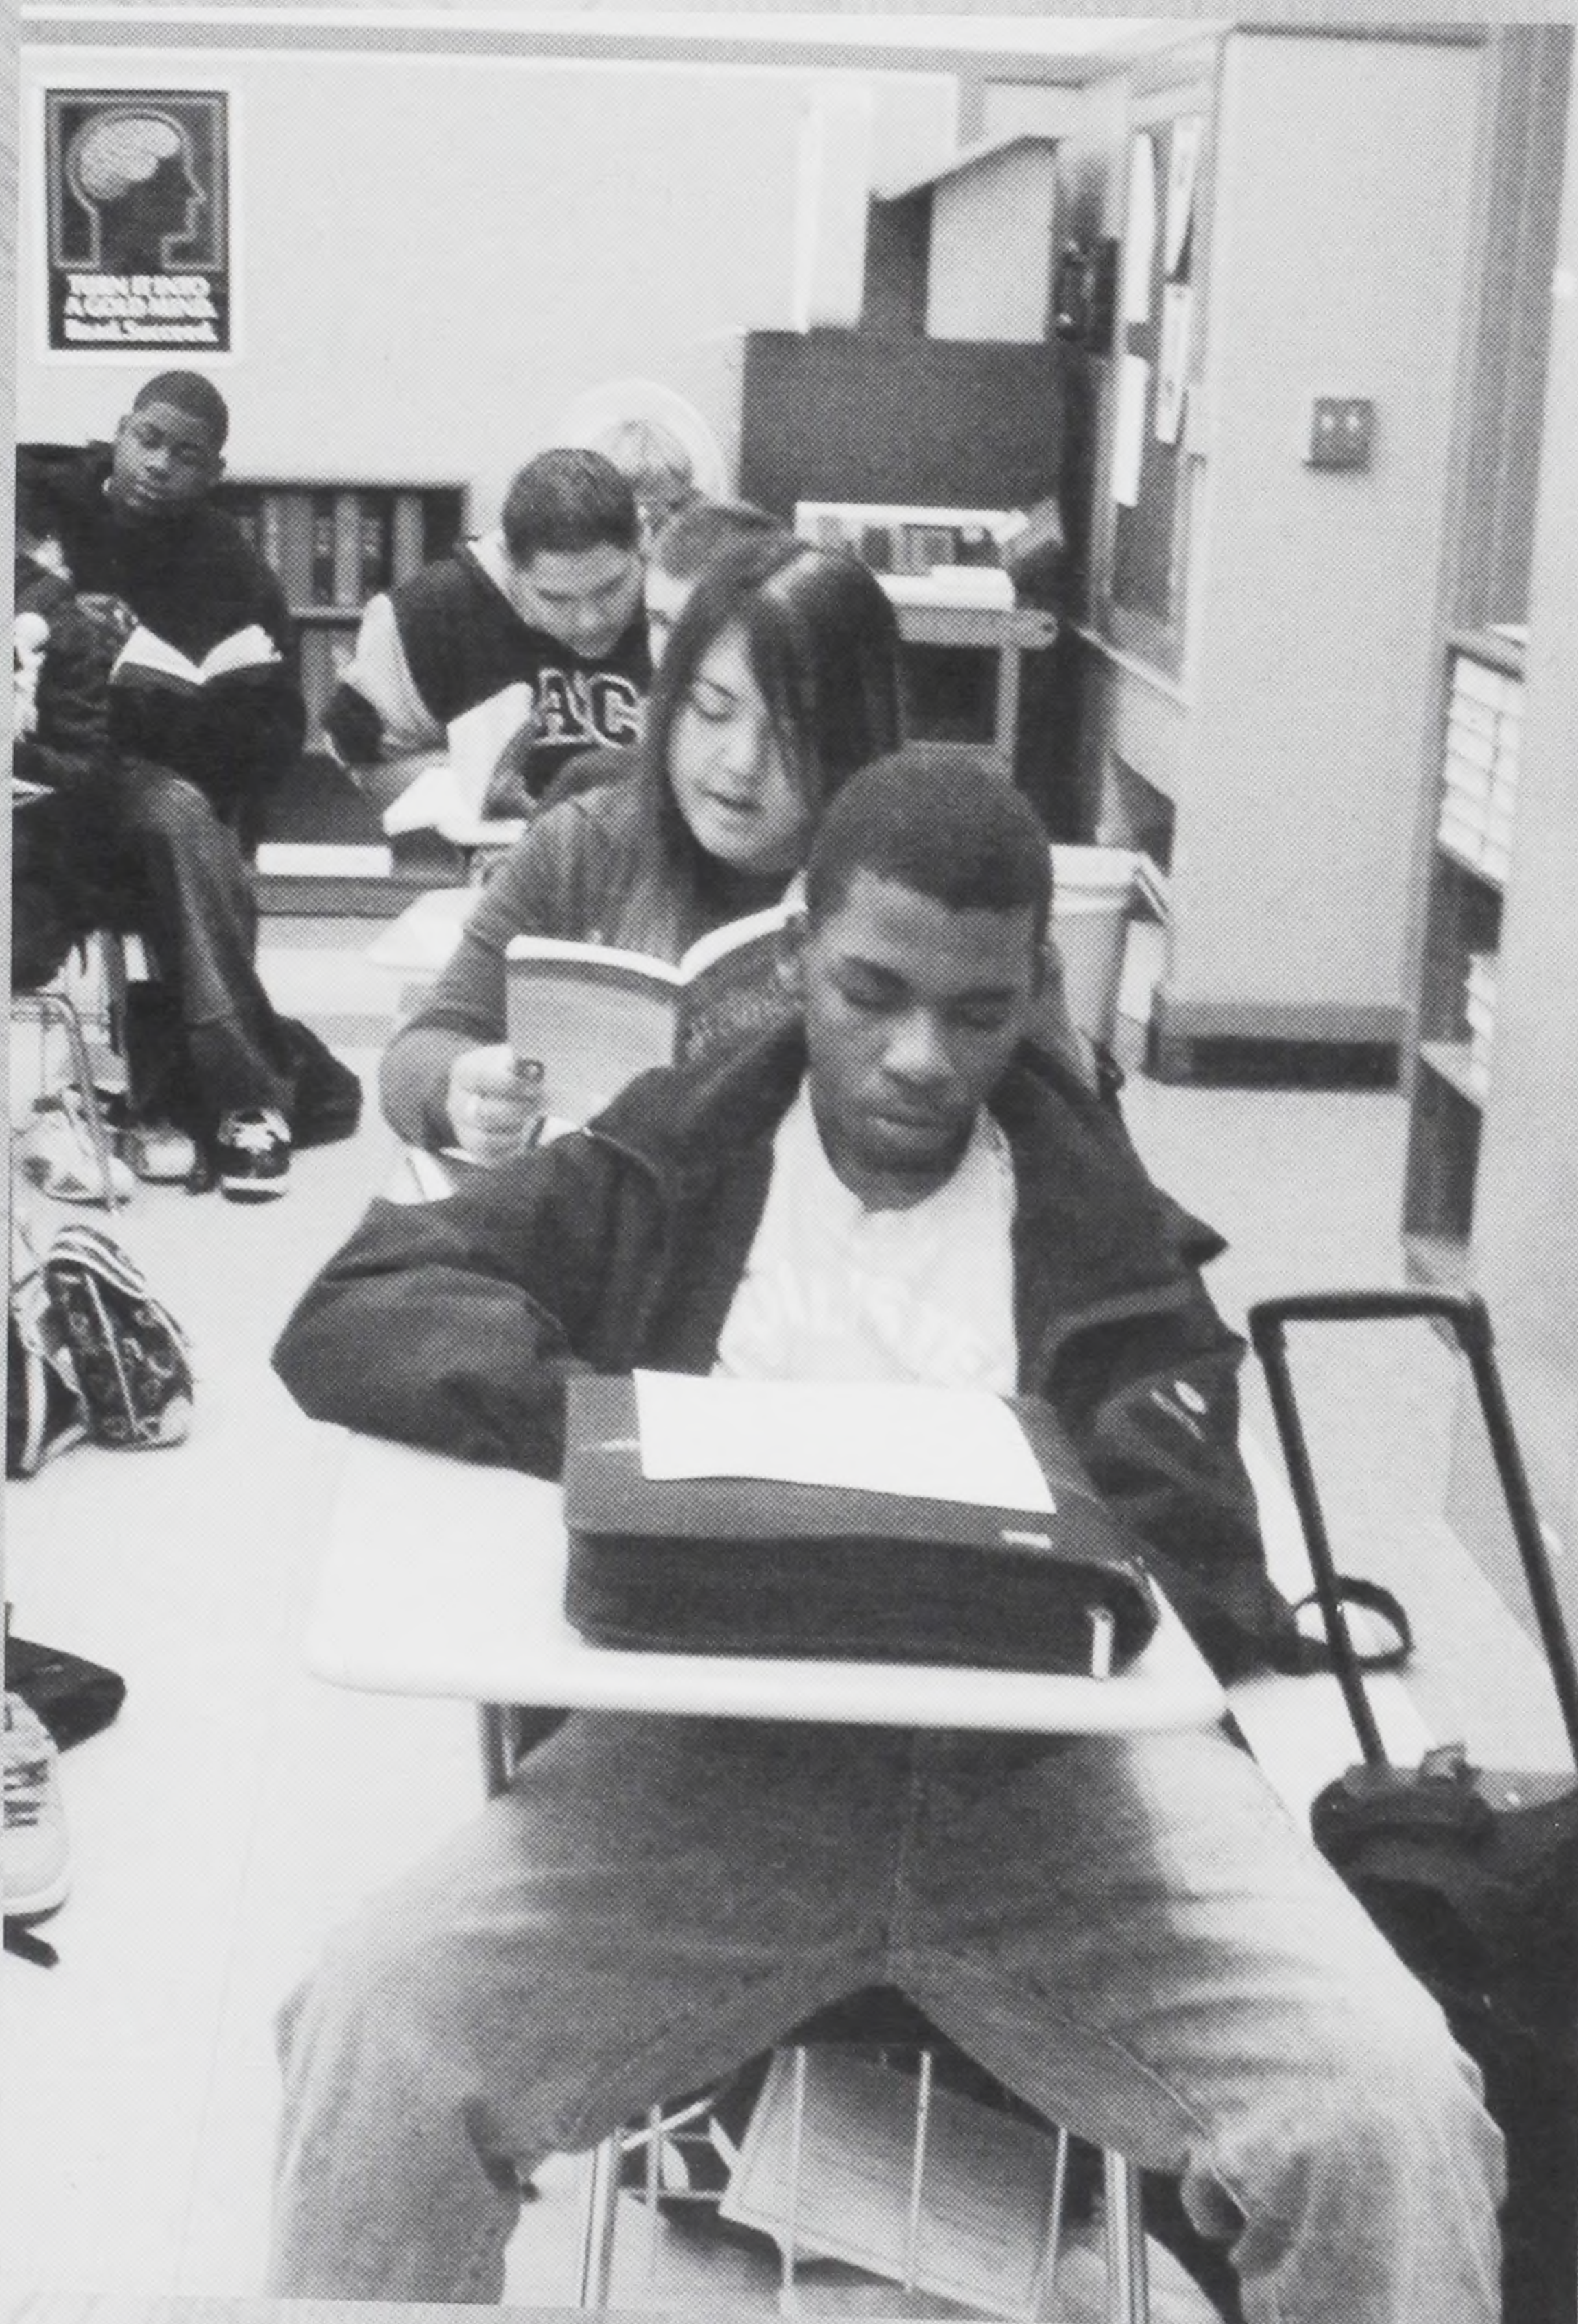

Junior Year:
The Great Gatsby
Their Eyes Were Watching God

Senior Year:
The Kite Runner
Balzac and the Little Chinese Seamstress

Writing

Pierce Woods and Donny Knigge writing an assignment in Mrs. Michael's English class. The forms of writing are imaginary, expository, persuasive, and non-fiction.

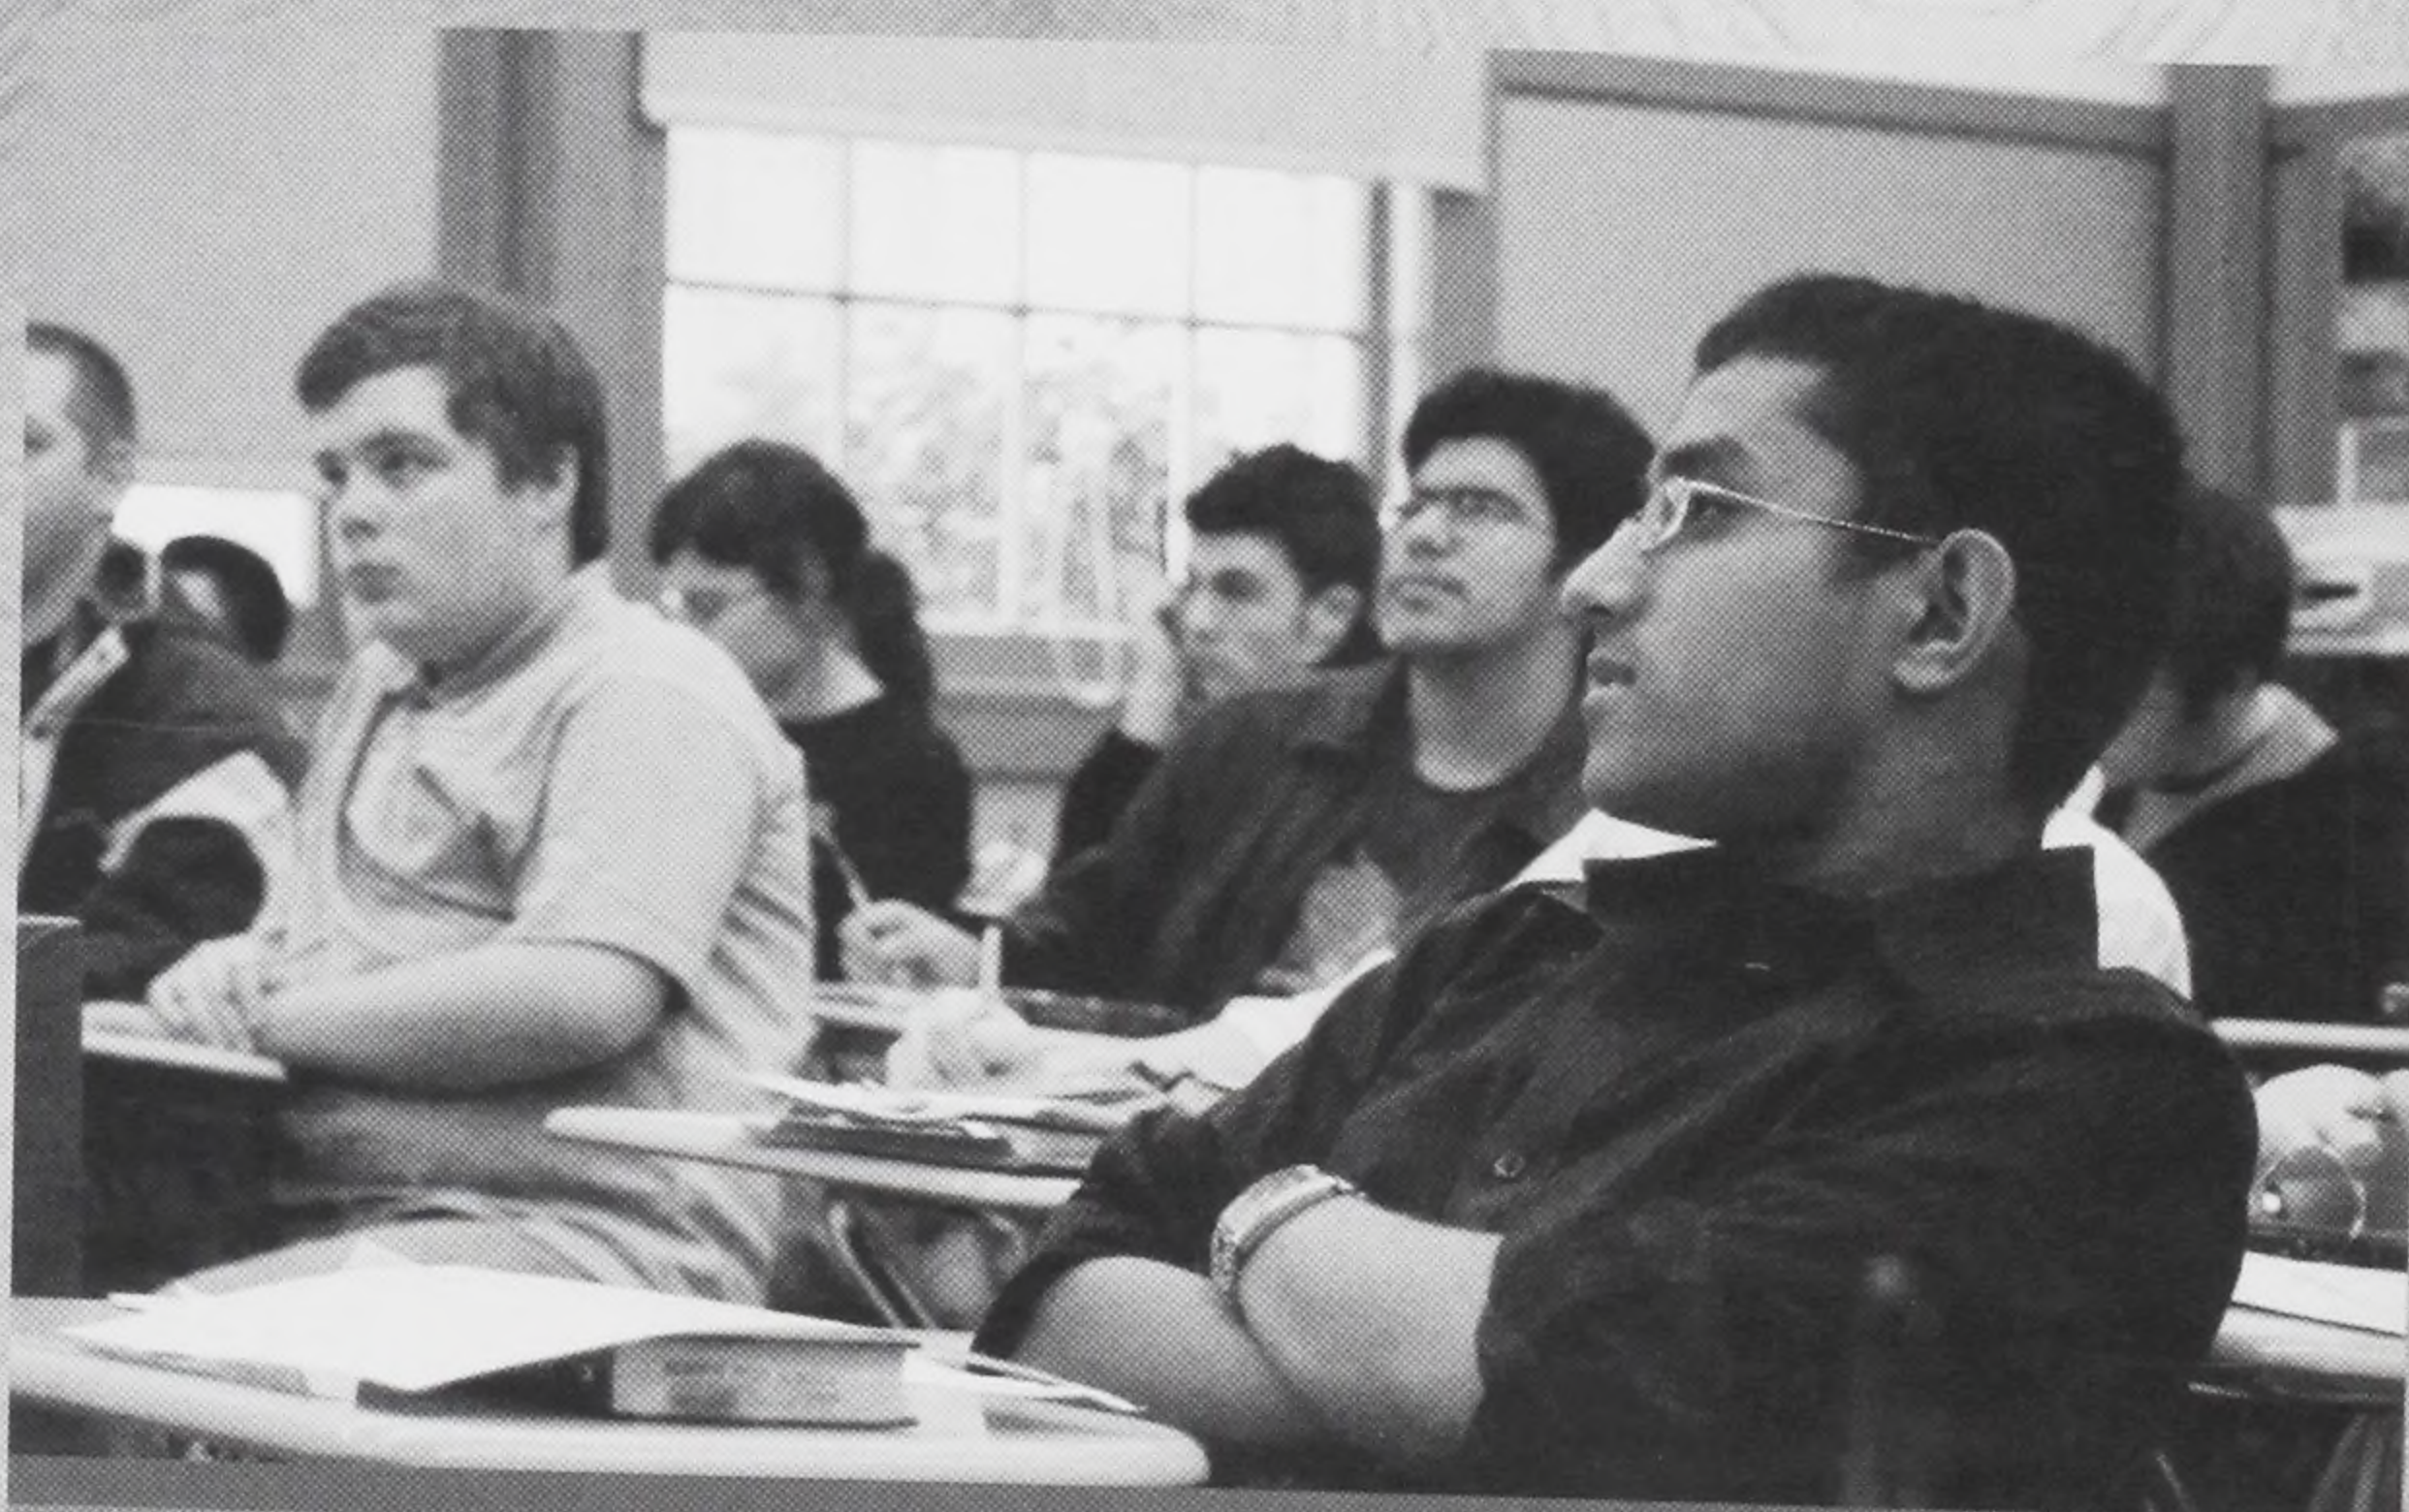

Literature

Mathew Siegrist, Antonio Richard Jr., Michael Meza, Chew Chai Saephan, and Anthony May in Mrs. Scally's freshman English class.

"English is a virtue."

-Stephen Gibson

Advanced Placement

Eric Randall, Miles Cressman, Kat Ivezic, Joe Rudishauser, Josh Rivas, and Nikesh Hajari listen intently in Mrs. Scally's AP English class.

History

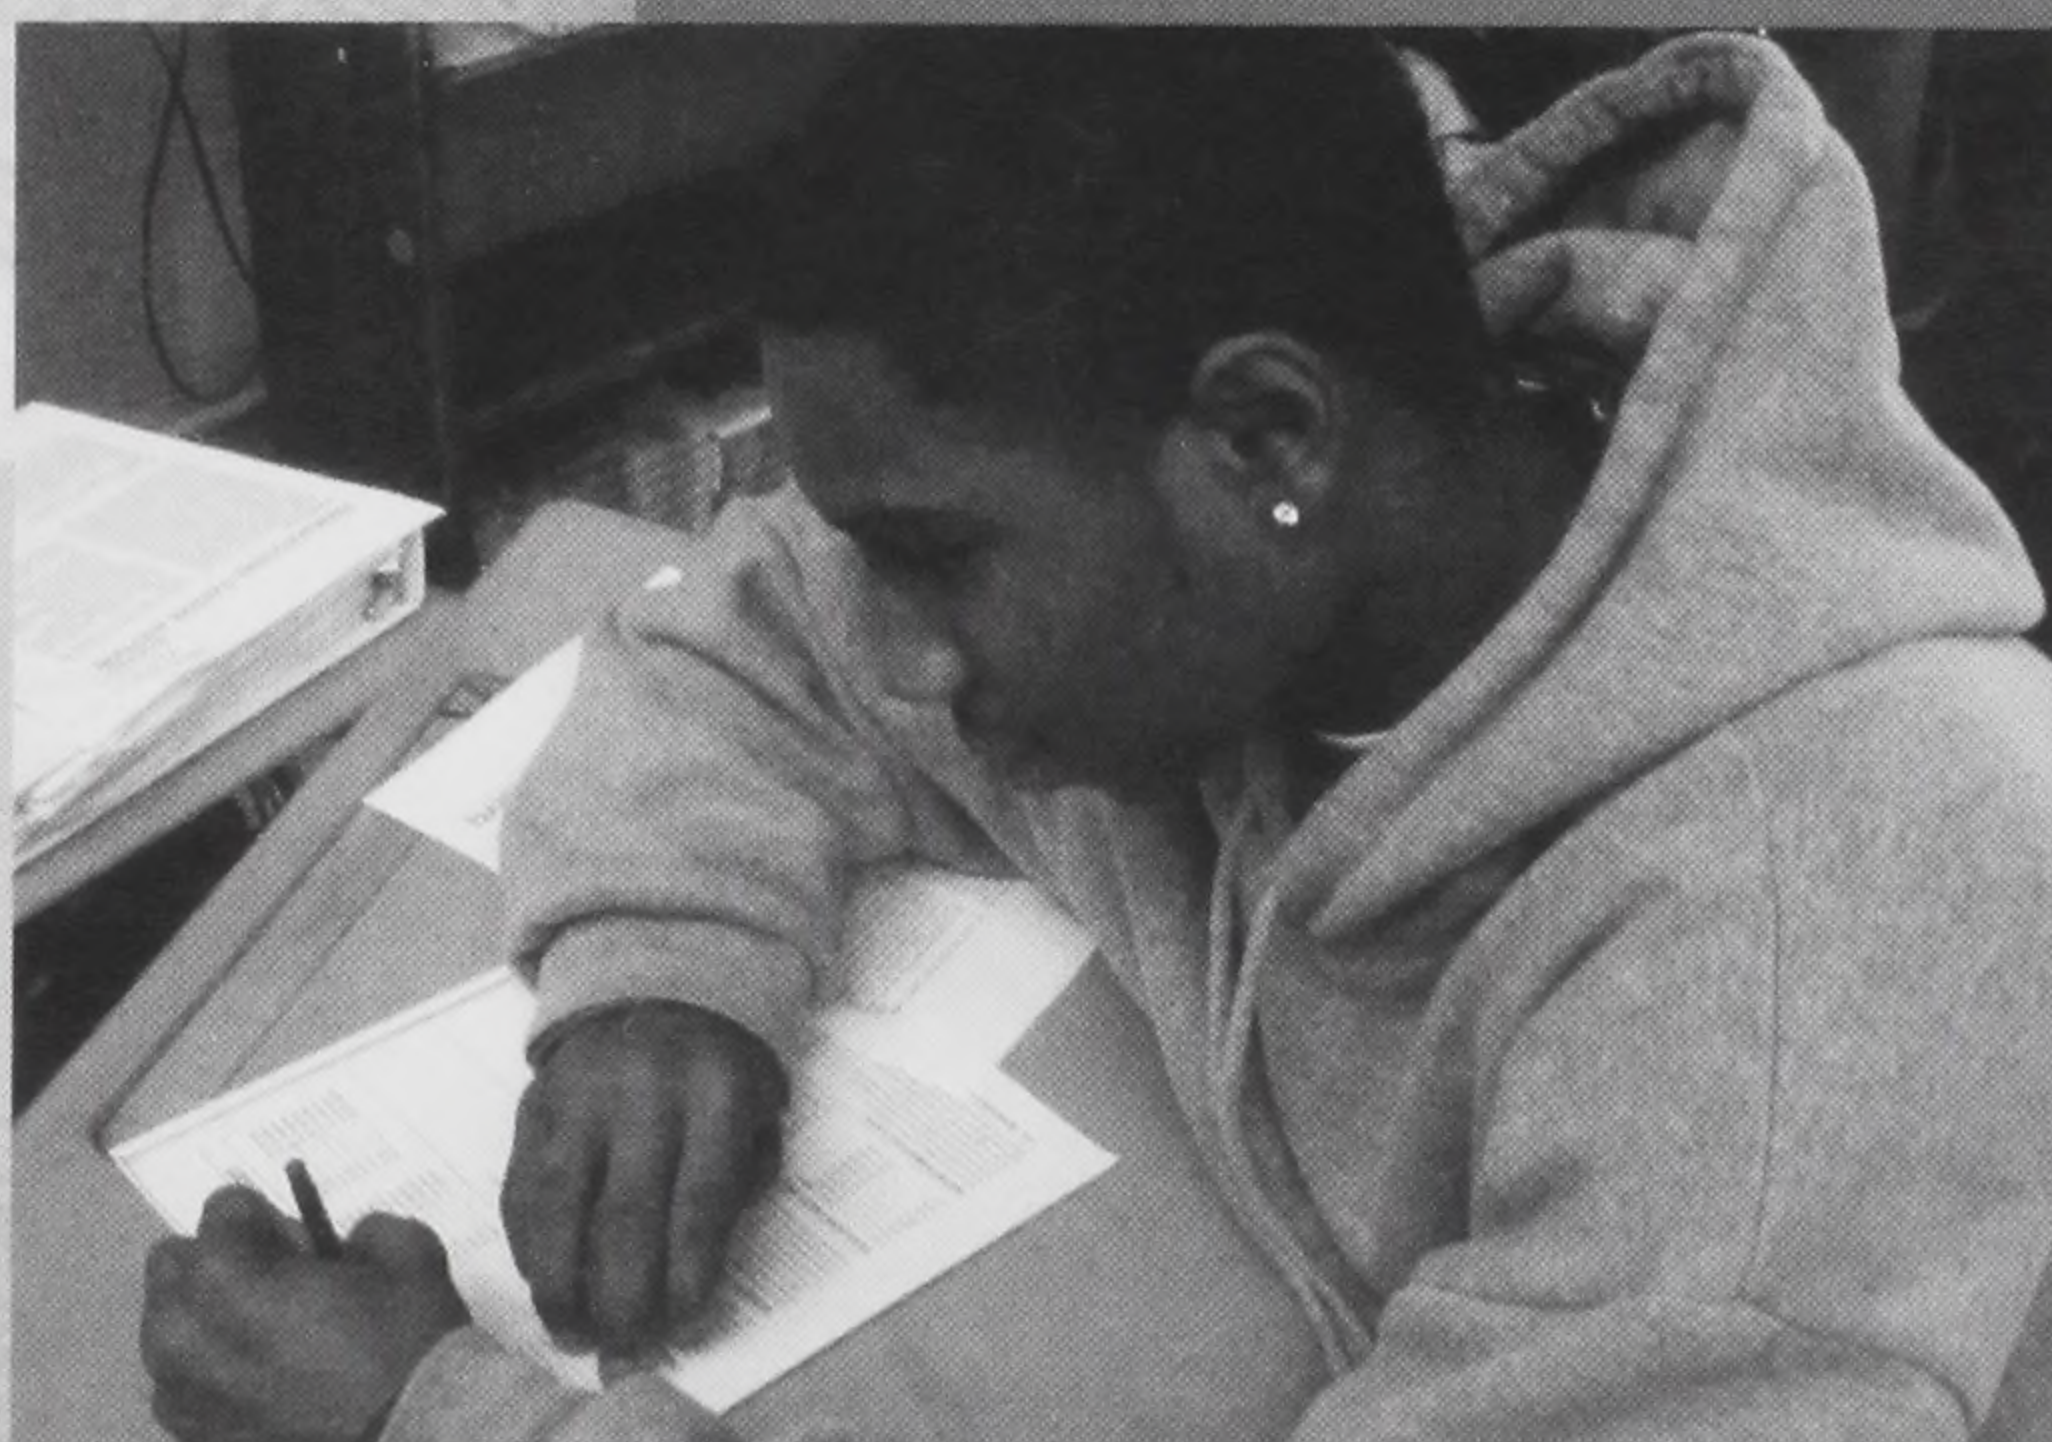

The Social Studies program is designed to teach students about the world. Students will learn about current events, U.S. history, the wars of the world, stock markets, corporations, how the government works, and the justice system and religion. The goal of Benson's Social Studies program is to have students be aware of world events of the past and in the present.

Discussions

Ms. Larsell discusses pregnancy prevention with her class.

Trust

This activity called "Knots" teaches students about team work and cooperation.

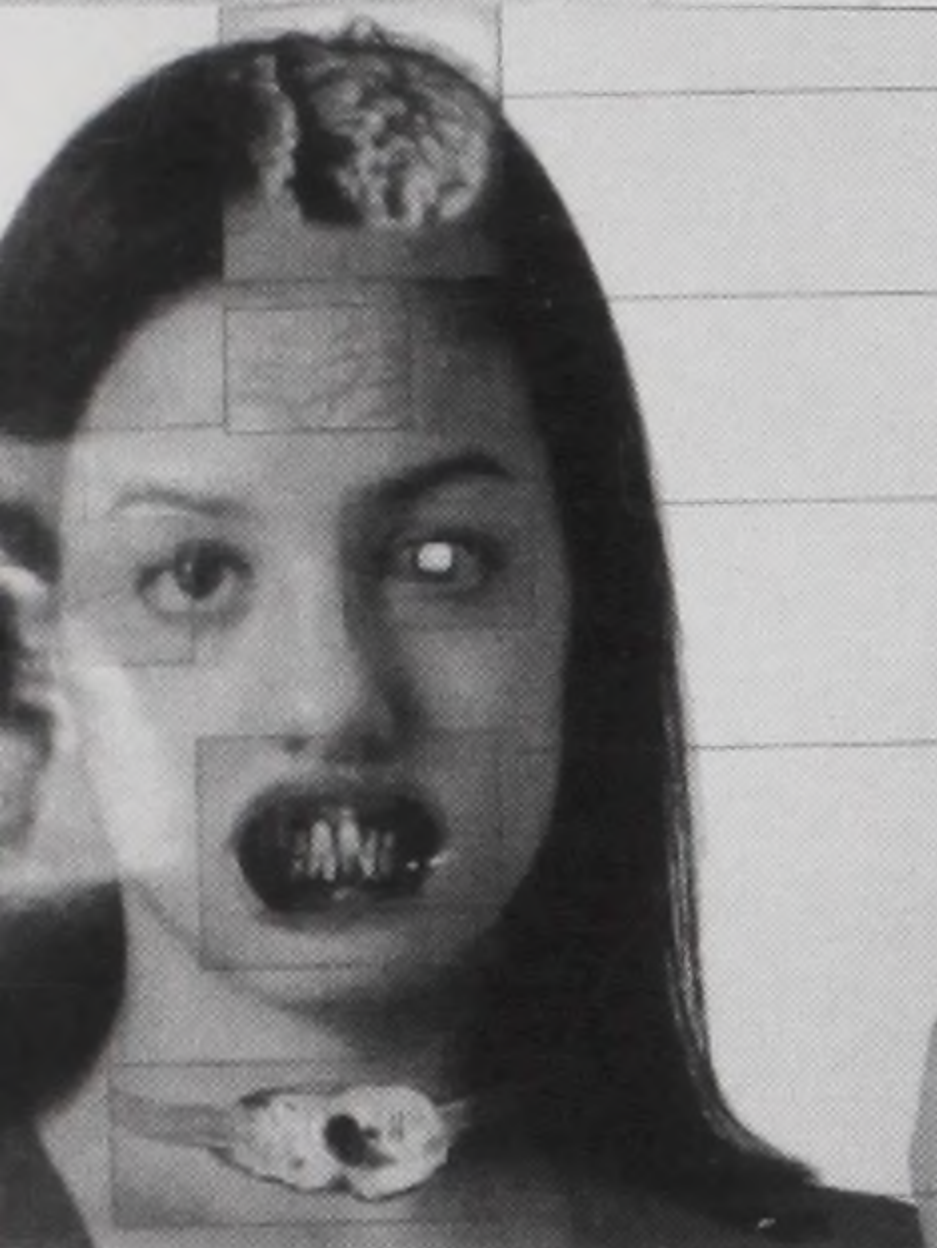

Anatomy

Esperanza Rendon and Fana Habtemariam show off parts of the human anatomy. FUN!

Health

The effects of smoking...scary huh?

Friendship

These students are so engaged...but who wouldn't be?! Health his fun!

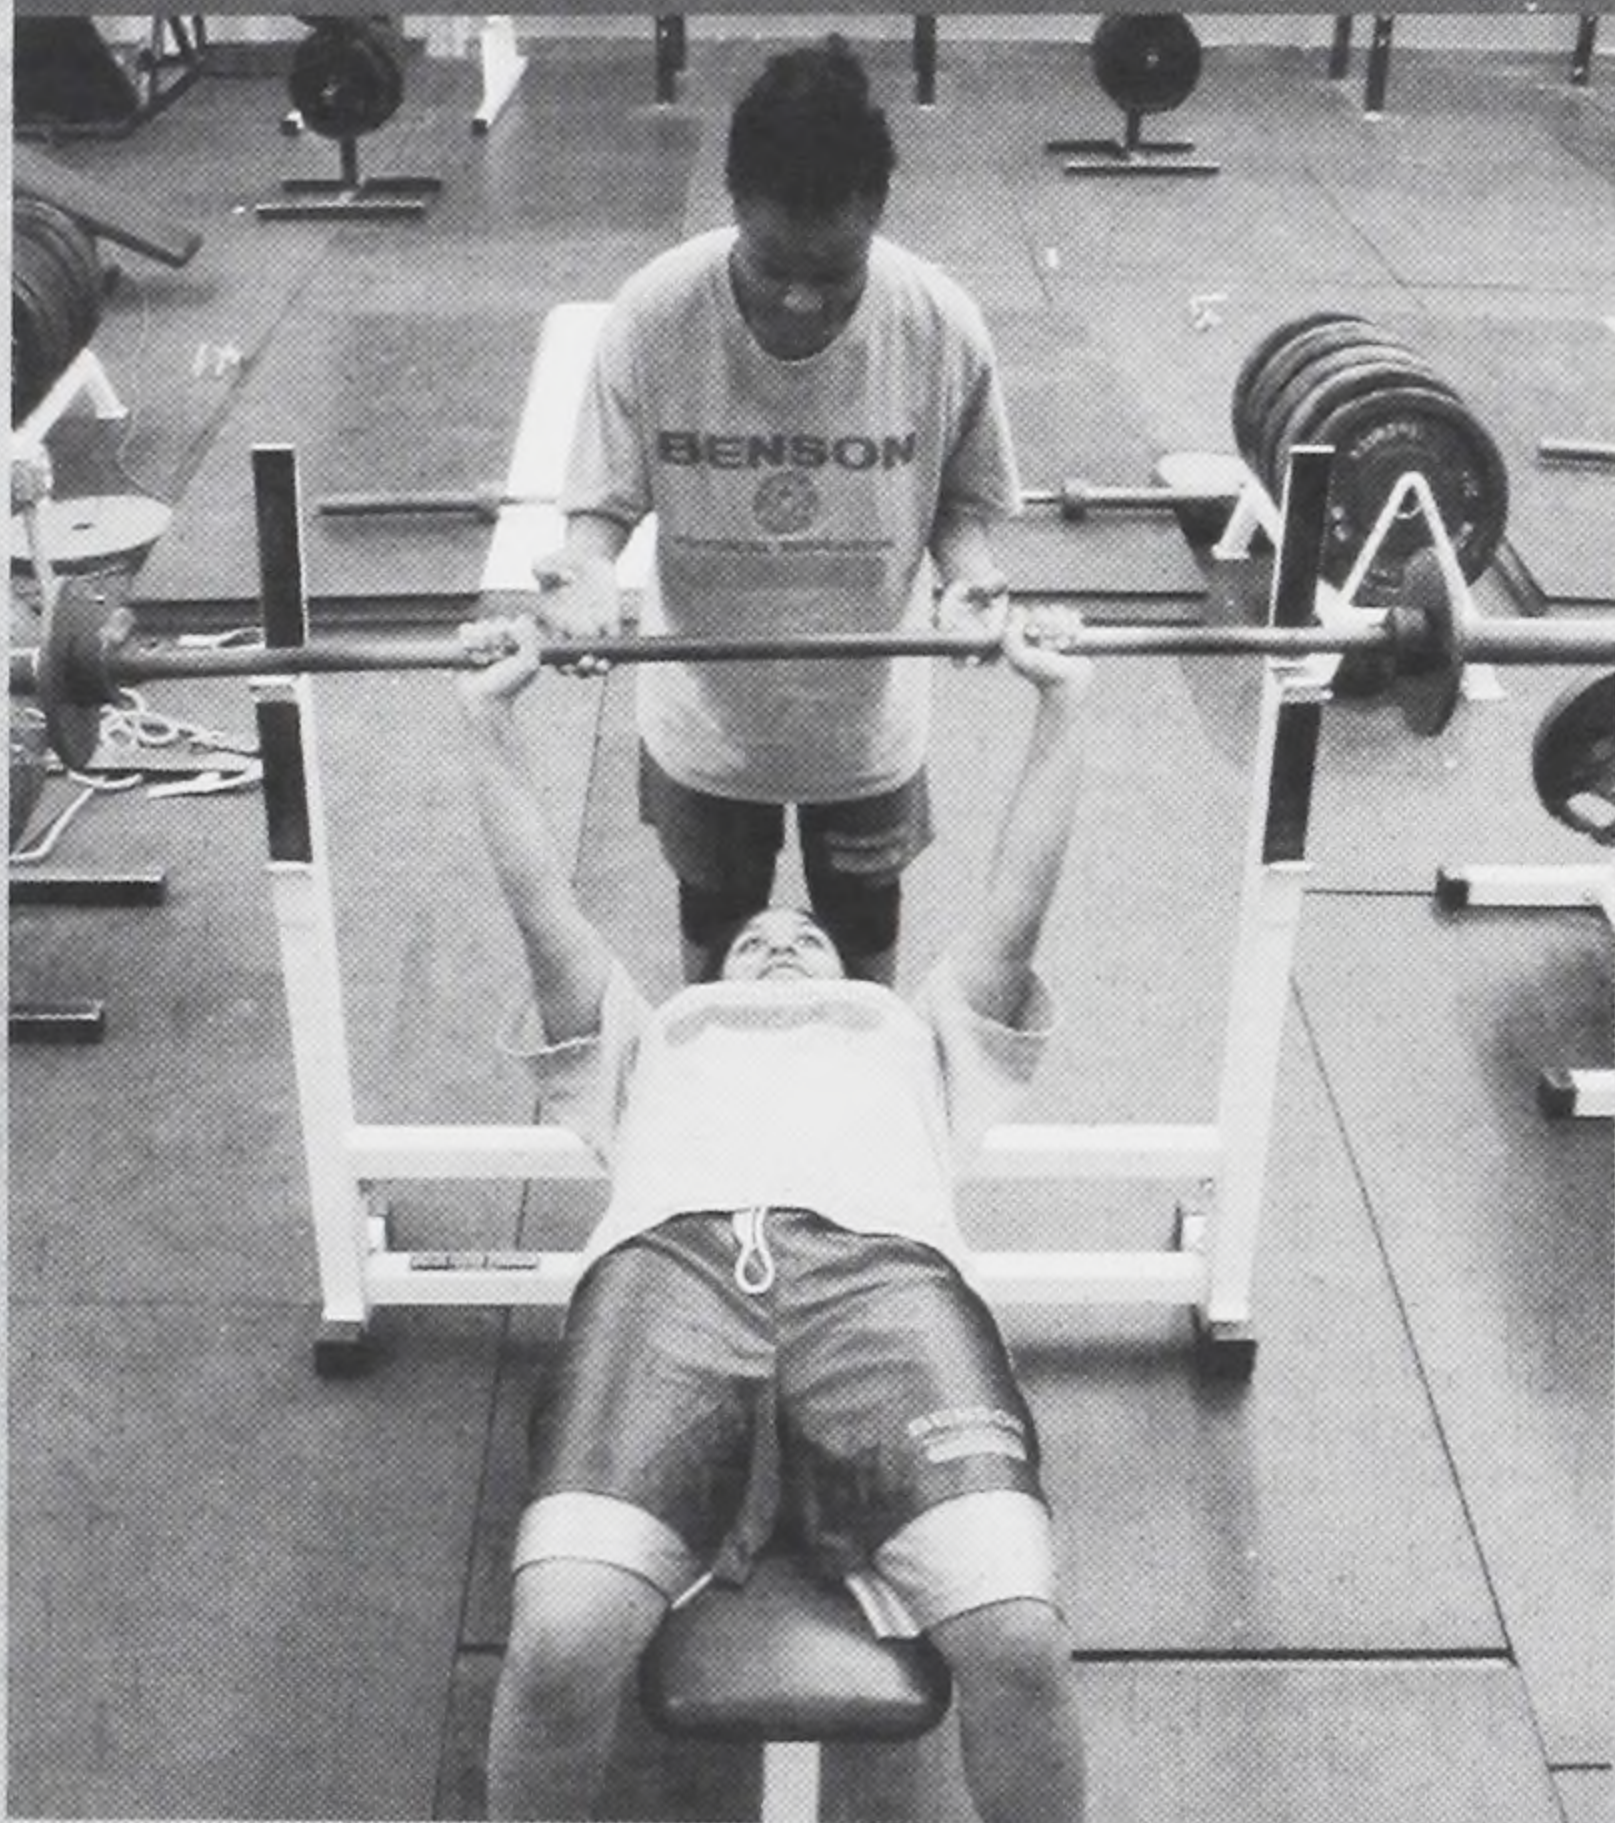

Physical Education

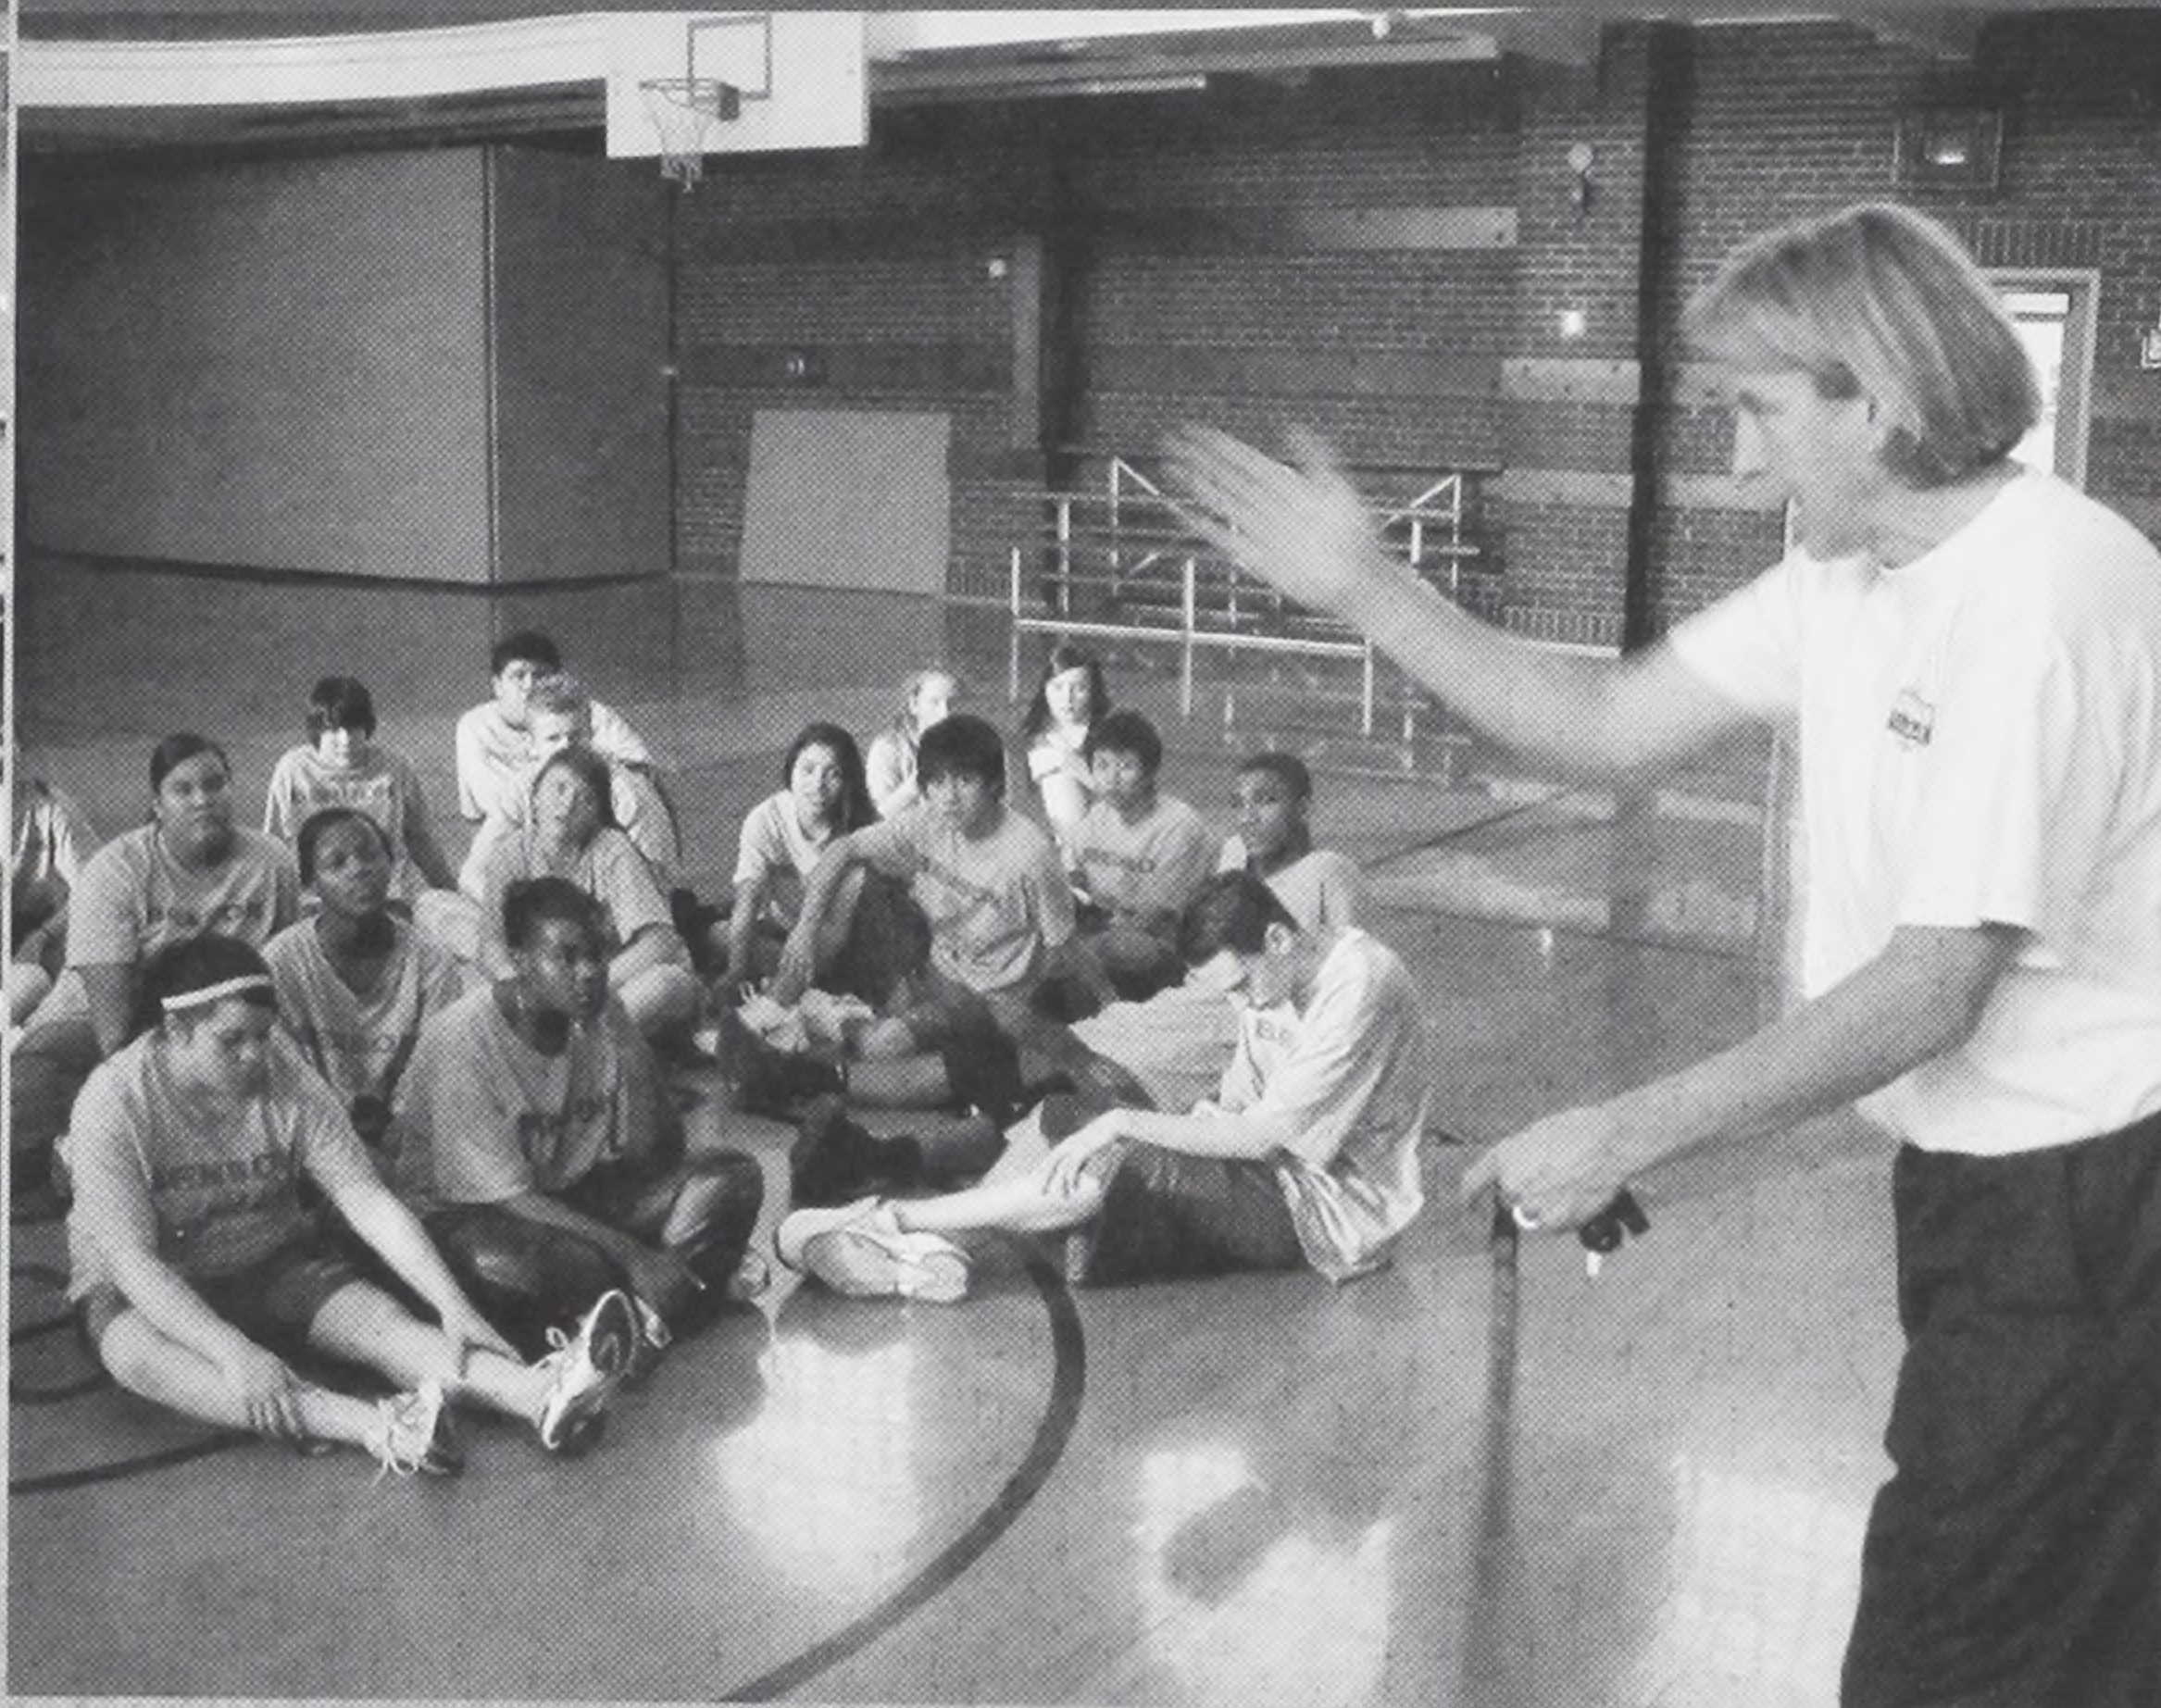

Benson's Physical Education program is one of the best. Students learn how to achieve and maintain a health-enhancing lifestyle, demonstrate responsible personal and social behavior, and understand that physical activity provides opportunities for enjoyment, challenge, self-expression and social interaction.

Student Government

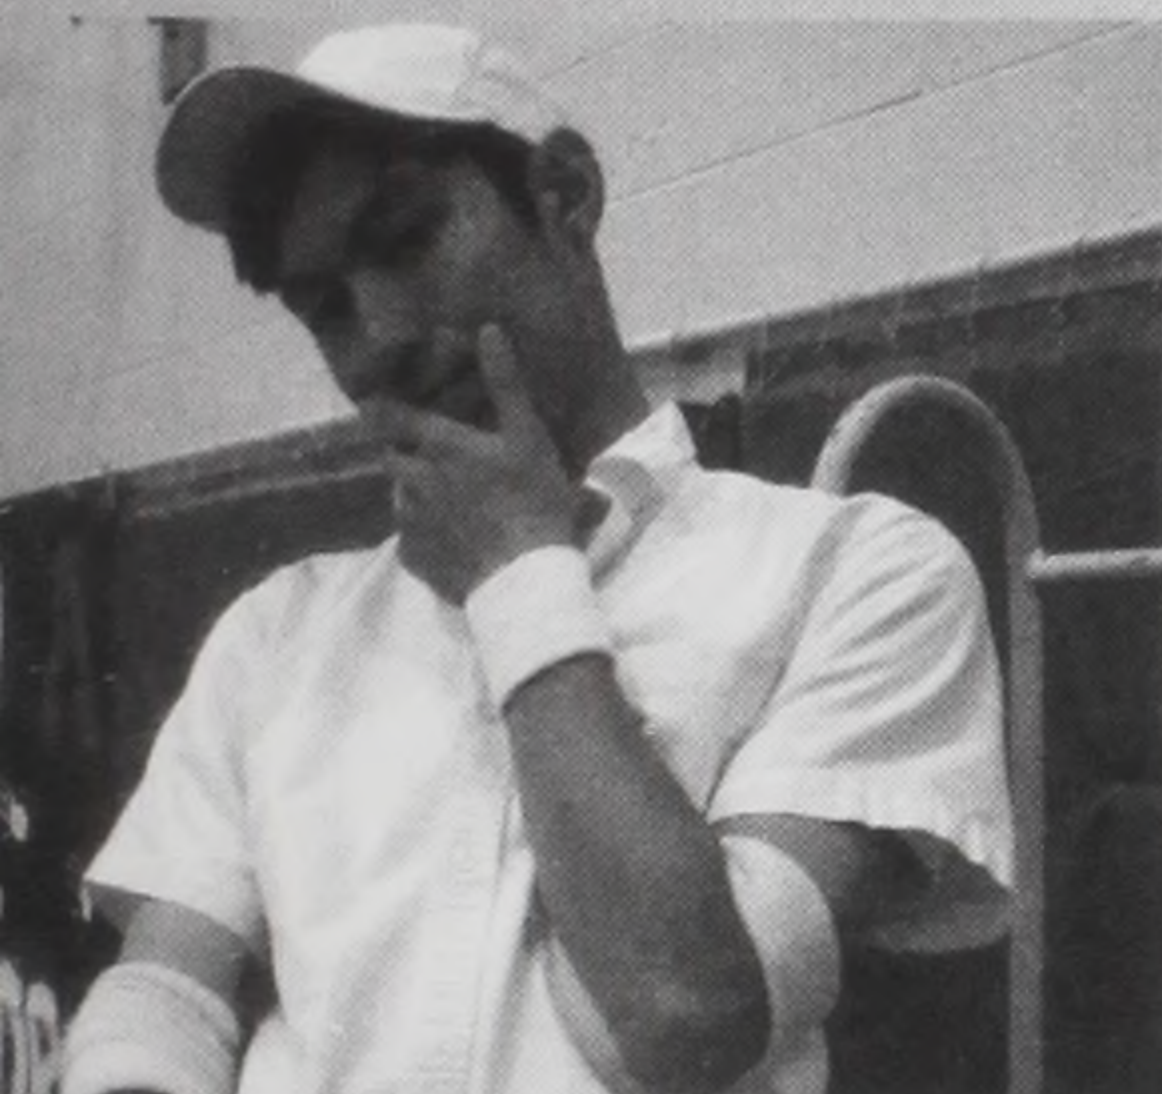

A student council usually includes three or four elected students from each classroom or grade. These students are called representatives.

The election process works sort of like the US Congress. Usually, students nominate other students whom they

think would make good leaders. Then, the school holds an election in which you and your classmates vote for these candidates. Those with the most votes become members of the student council.

The representatives choose officers from their group. Officers usually are president, vice president, secretary, and treasurer.

The entire group meets every week or two with an advisor and talks about things that affect the school.

An Artist is a person innovated by creativity and render their surroundings with a lively imagination. They express their emotions through objects and performances which inspire us all. An artist in my eyes is my father who lives life infatuated by his passion for cooking. At home, he prepares every dish with tender love and care. Decorating each plate with roses made of carrots to the parsley garnish for the finishing touch. Those dishes eventually become so elegant that they were too beautiful to eat.

My father has been a chef for over 30 years and still loves every moment of it. He believes that once you find something you enjoy doing- follow it and never stop. And from his words I found what I enjoyed when I stumbled upon a sketchbook. I was six years old then. My father watched me as I drew flowers, houses, and smiley faces. They most definitely weren't the prettiest flowers but he saw potential in me. He took me to art classes every weekend and bought me more sketchbooks throughout the years. He told me I was a wonderful drawer and encouraged me to persevere in my artistic abilities. I dedicated time to practice drawing so my artwork went from funny looking to something to look at.

To this day, I continue to draw because it has become my sanctuary. With every drawing I finish, I feel I have shared with everyone a visual of what I see. Being able to express my ideas and designs, I let the world see the imaginative side of who I am.

Because of my father, my drawings transformed into artwork. He led me to the path of creativity, innovation, and determination. He taught me not to only see with my eyes but to see with my heart. He, to me, is an artist of individuality and persistence like none other. My inspiration. My motivator. My father.

Finding my passion for drawing, to me, is worth a century of celebrations, so I say to you: Find your passion and follow it because the world is your sketchbook.

Freshmen Rotation

Benson Polytechnic High School is a professional technical school in the Portland Public School District. Students who attend Benson obtain an intense education in a variety of major areas that are grouped into four academies. A Benson education provides the skills, attitudes, and knowledge for graduates to enter into an industry, further their education in an apprenticeship, or continue onto higher education.

The Professional Technical education program at Benson is a multi-year sequence of courses that integrate core academic knowledge with technical skills. Programs are divided into academies that begin a sequence of coursework with a broad freshman and sophomore experience and culminate with junior and senior students majoring in one of the following areas:

Electronics

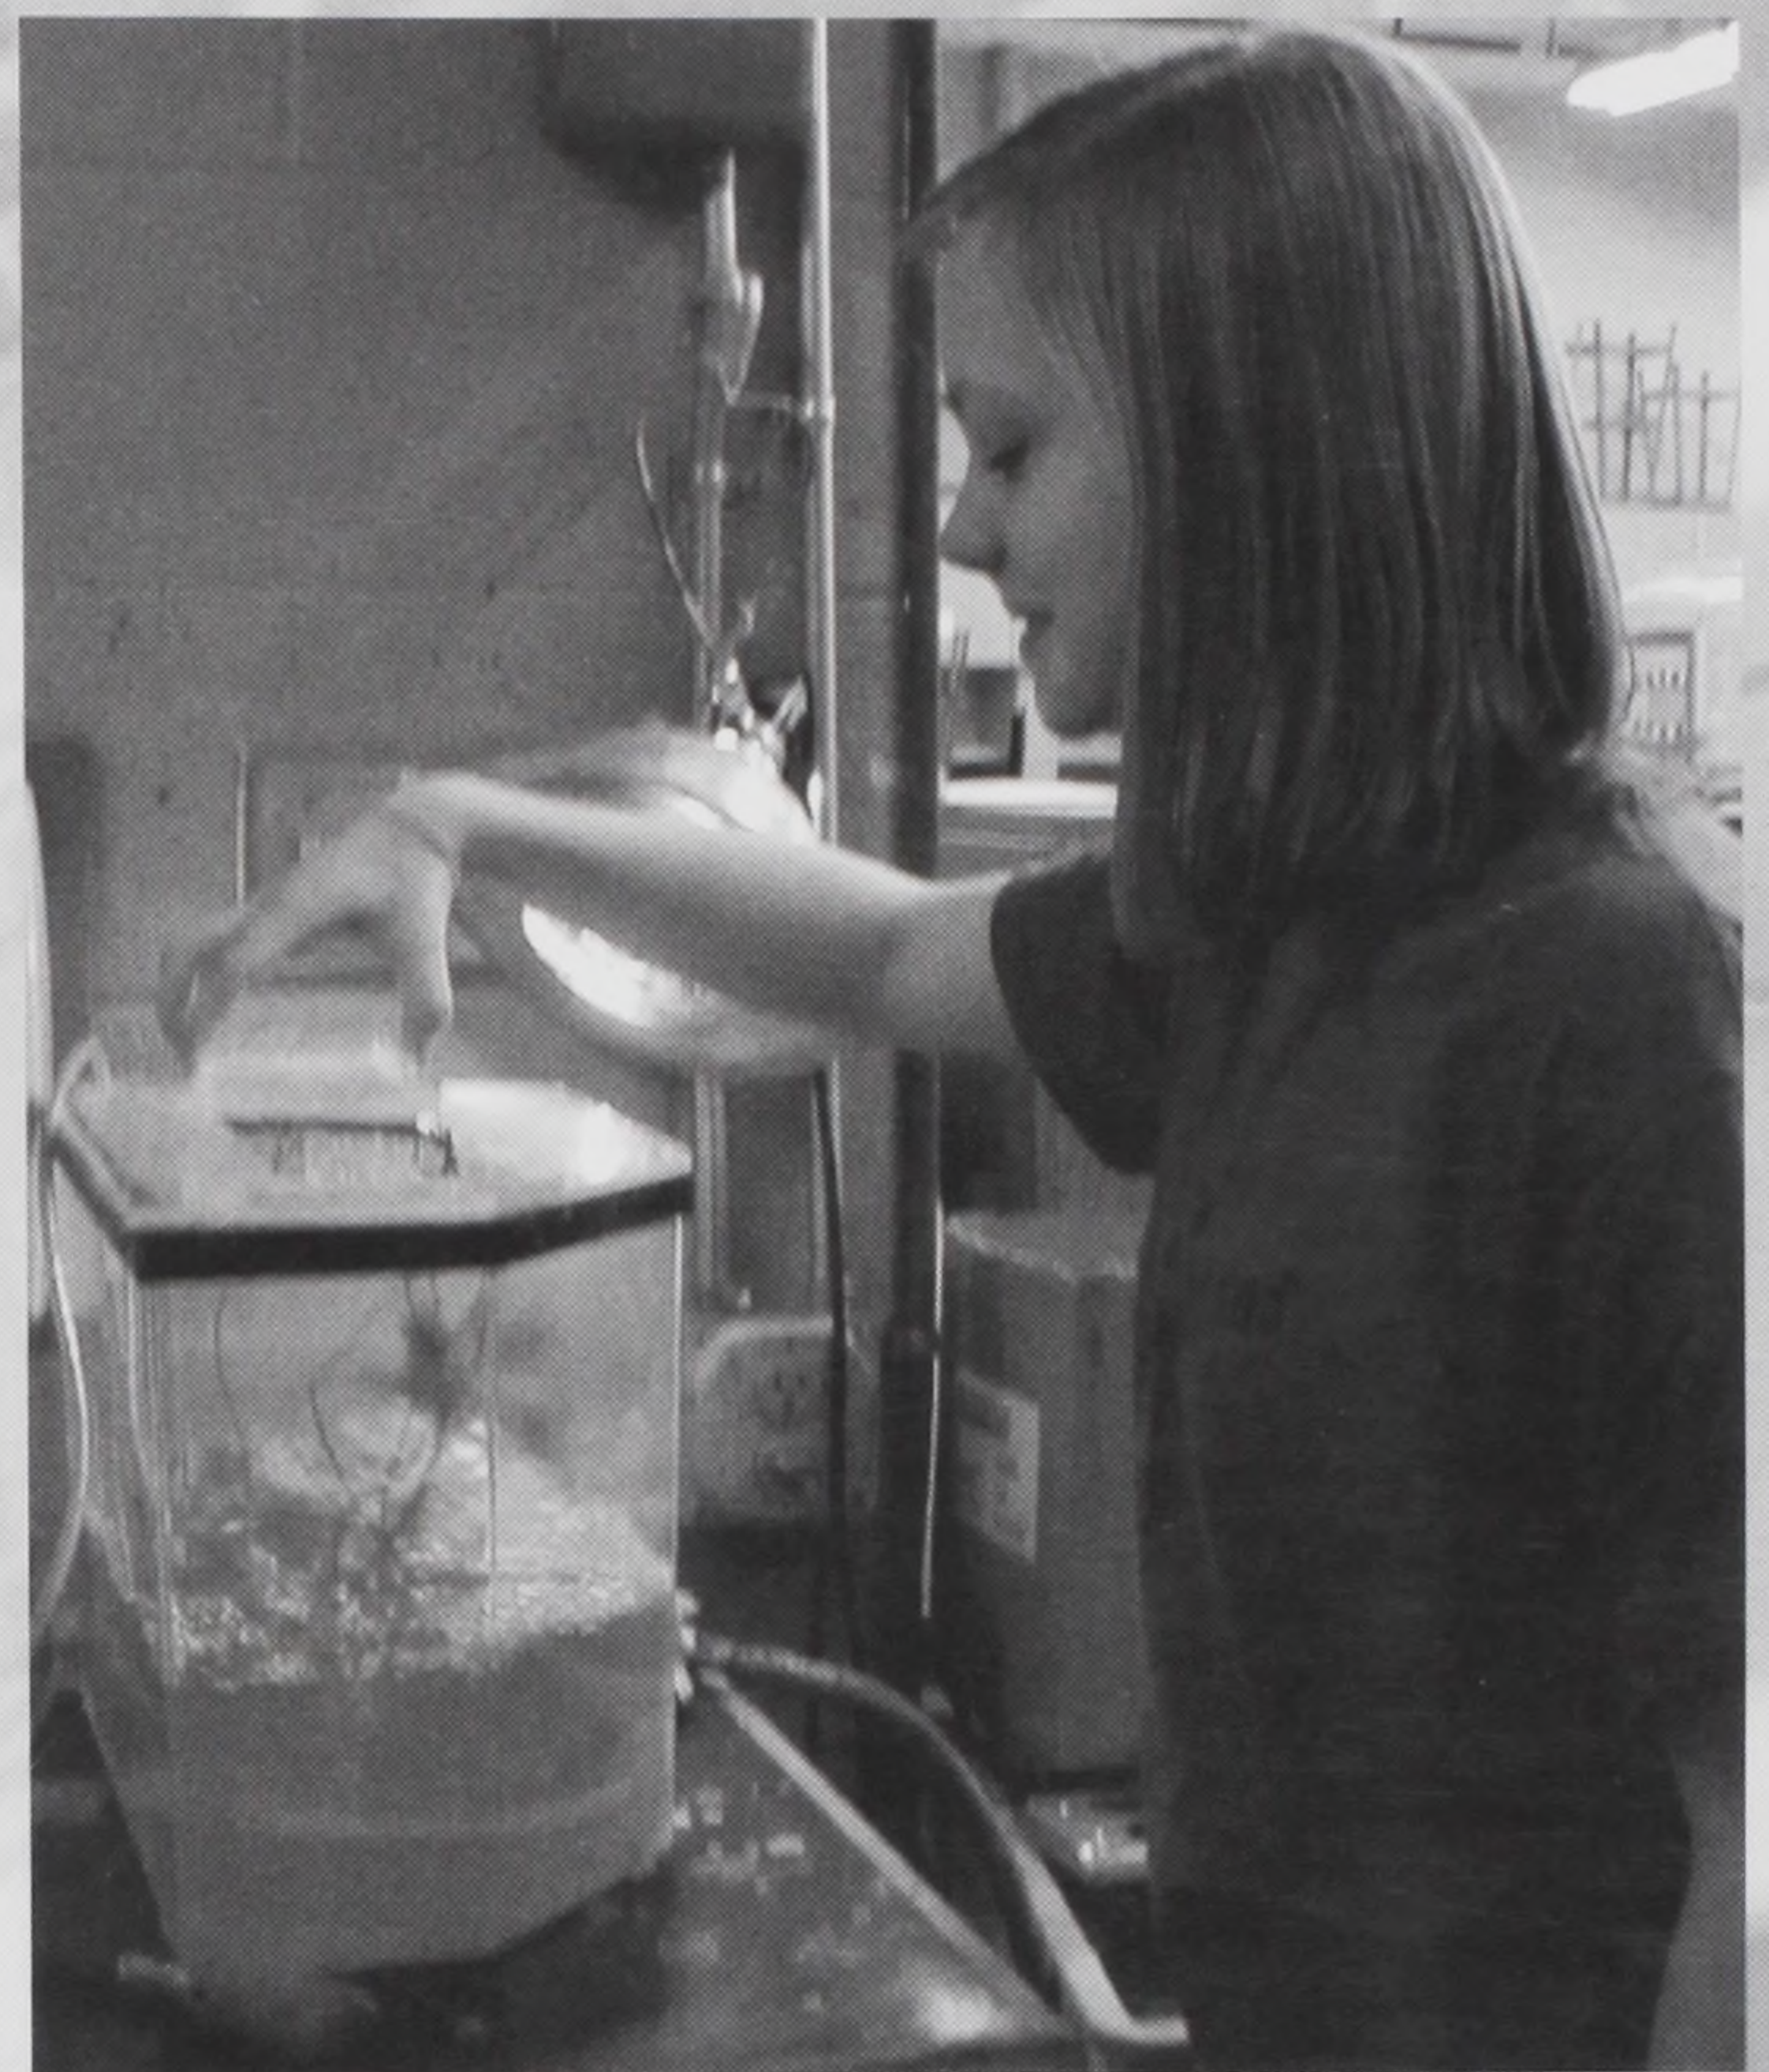

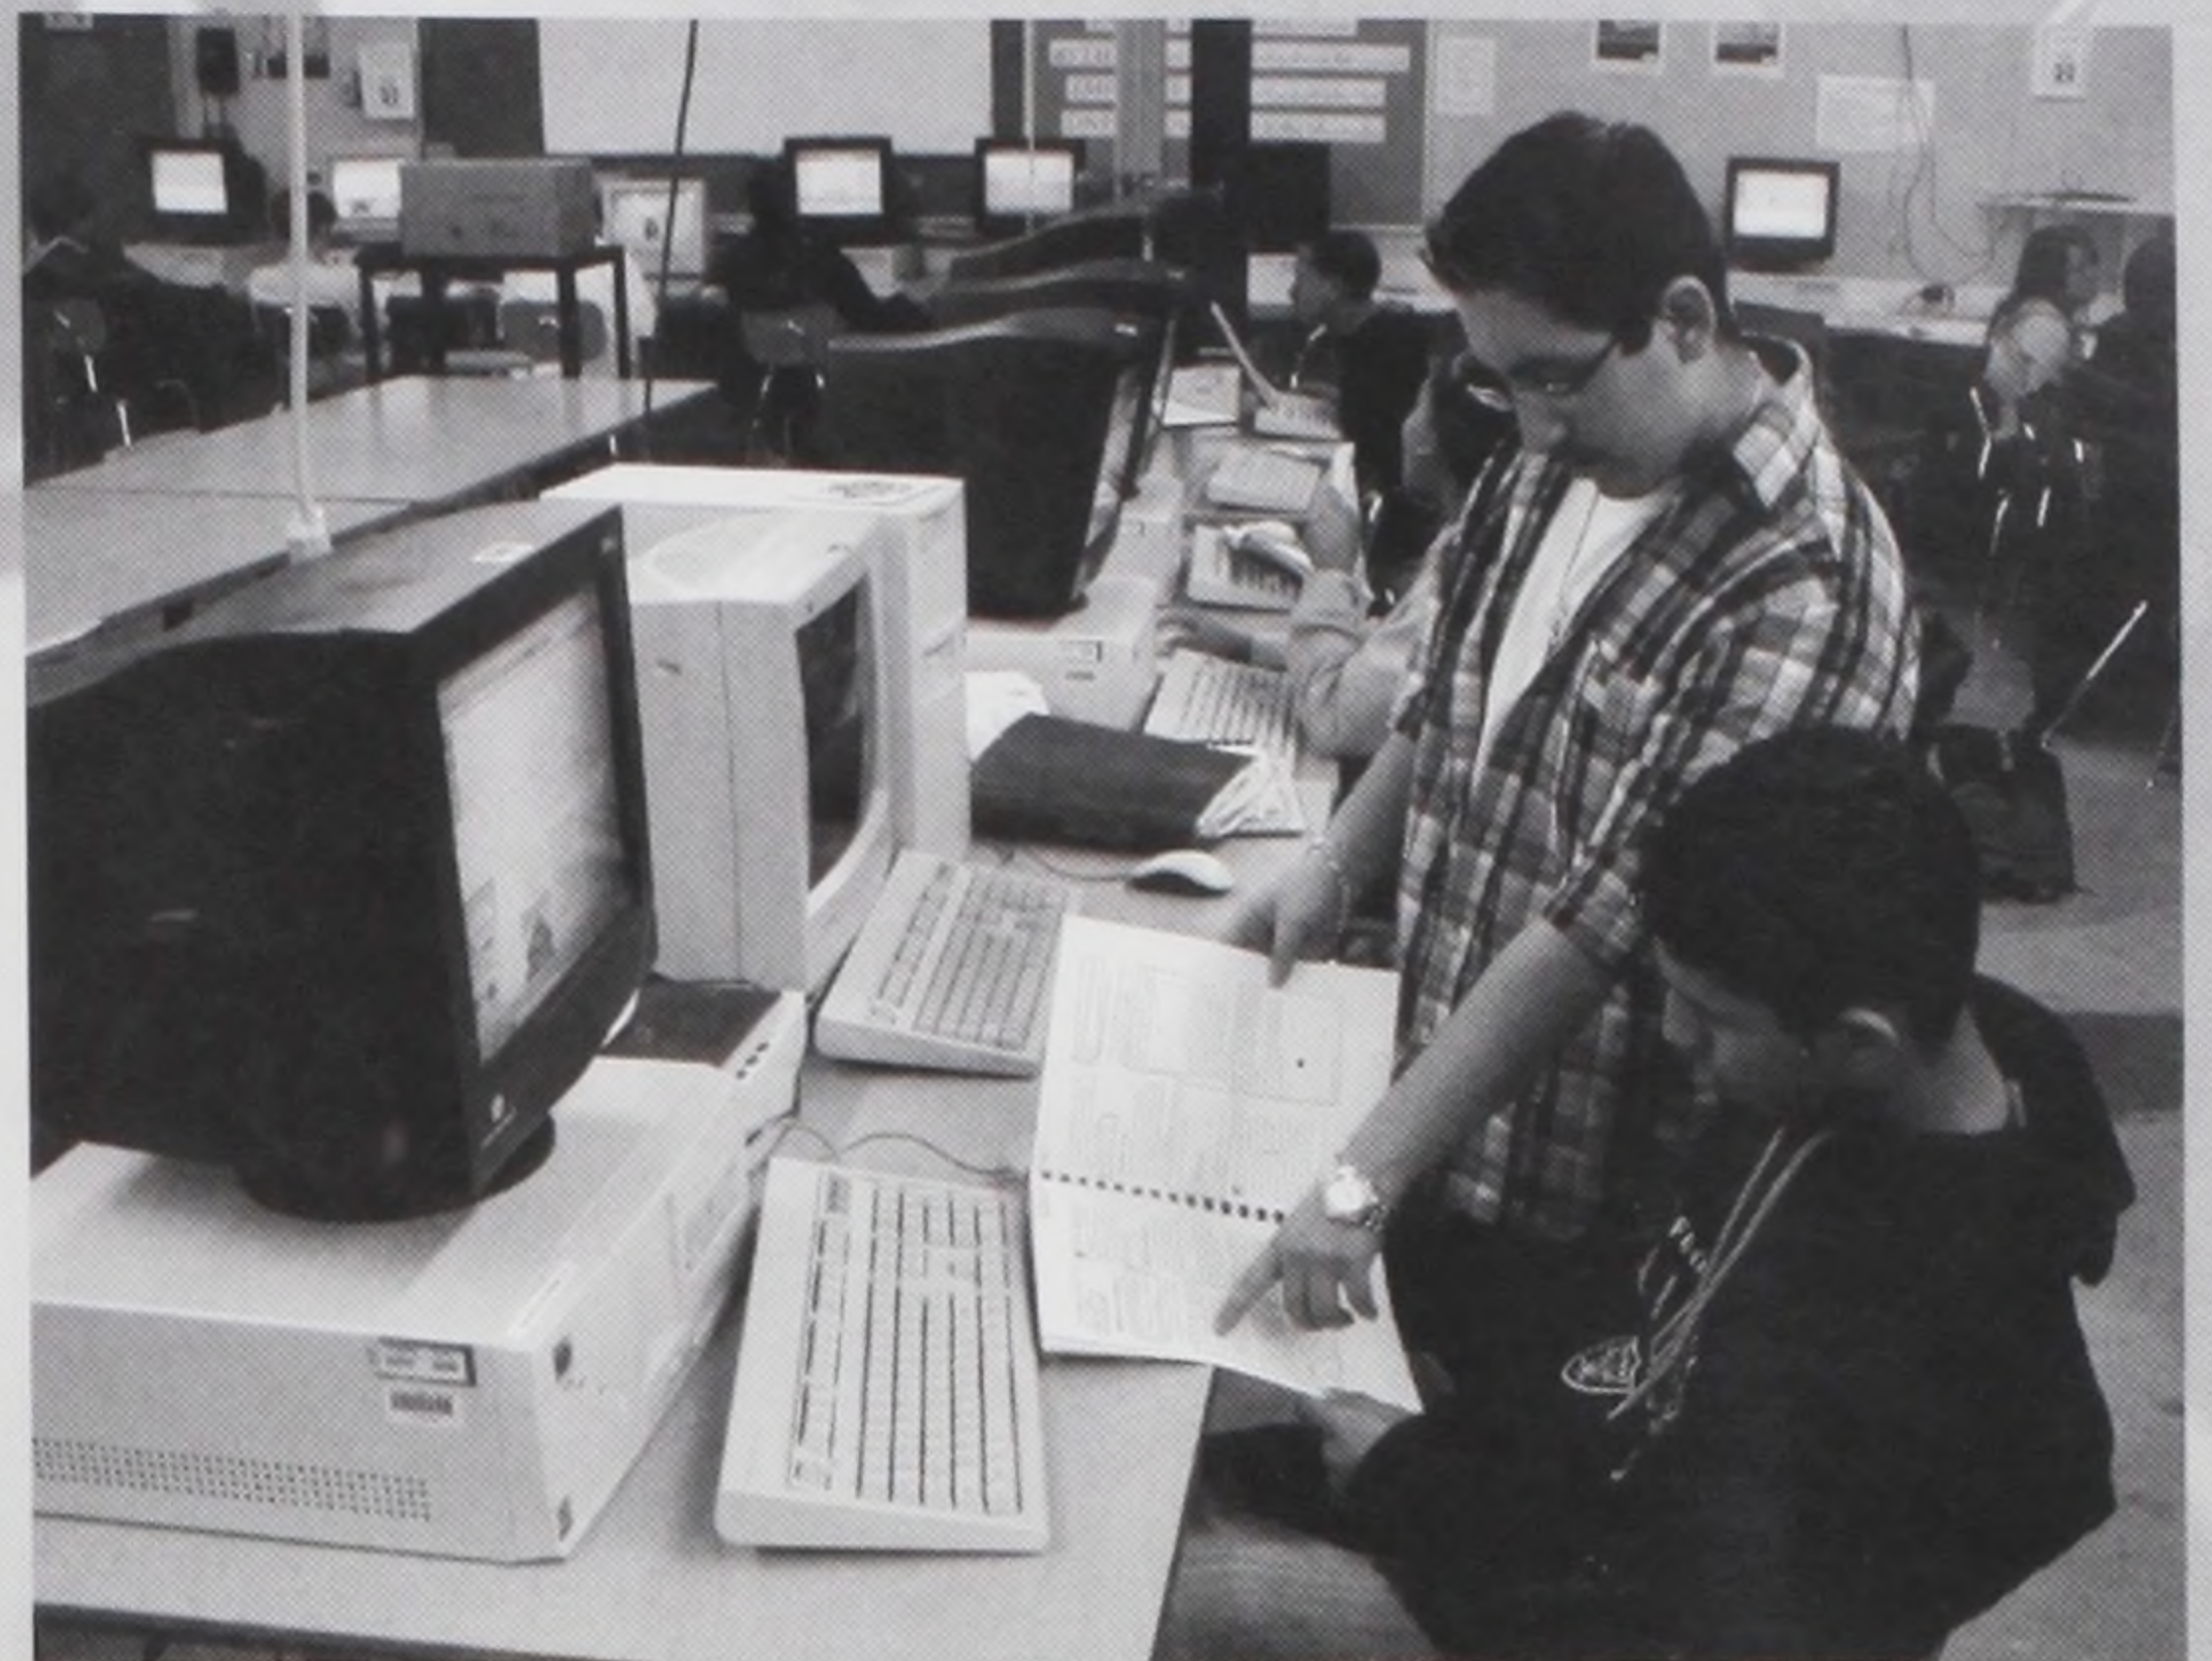

Automotive

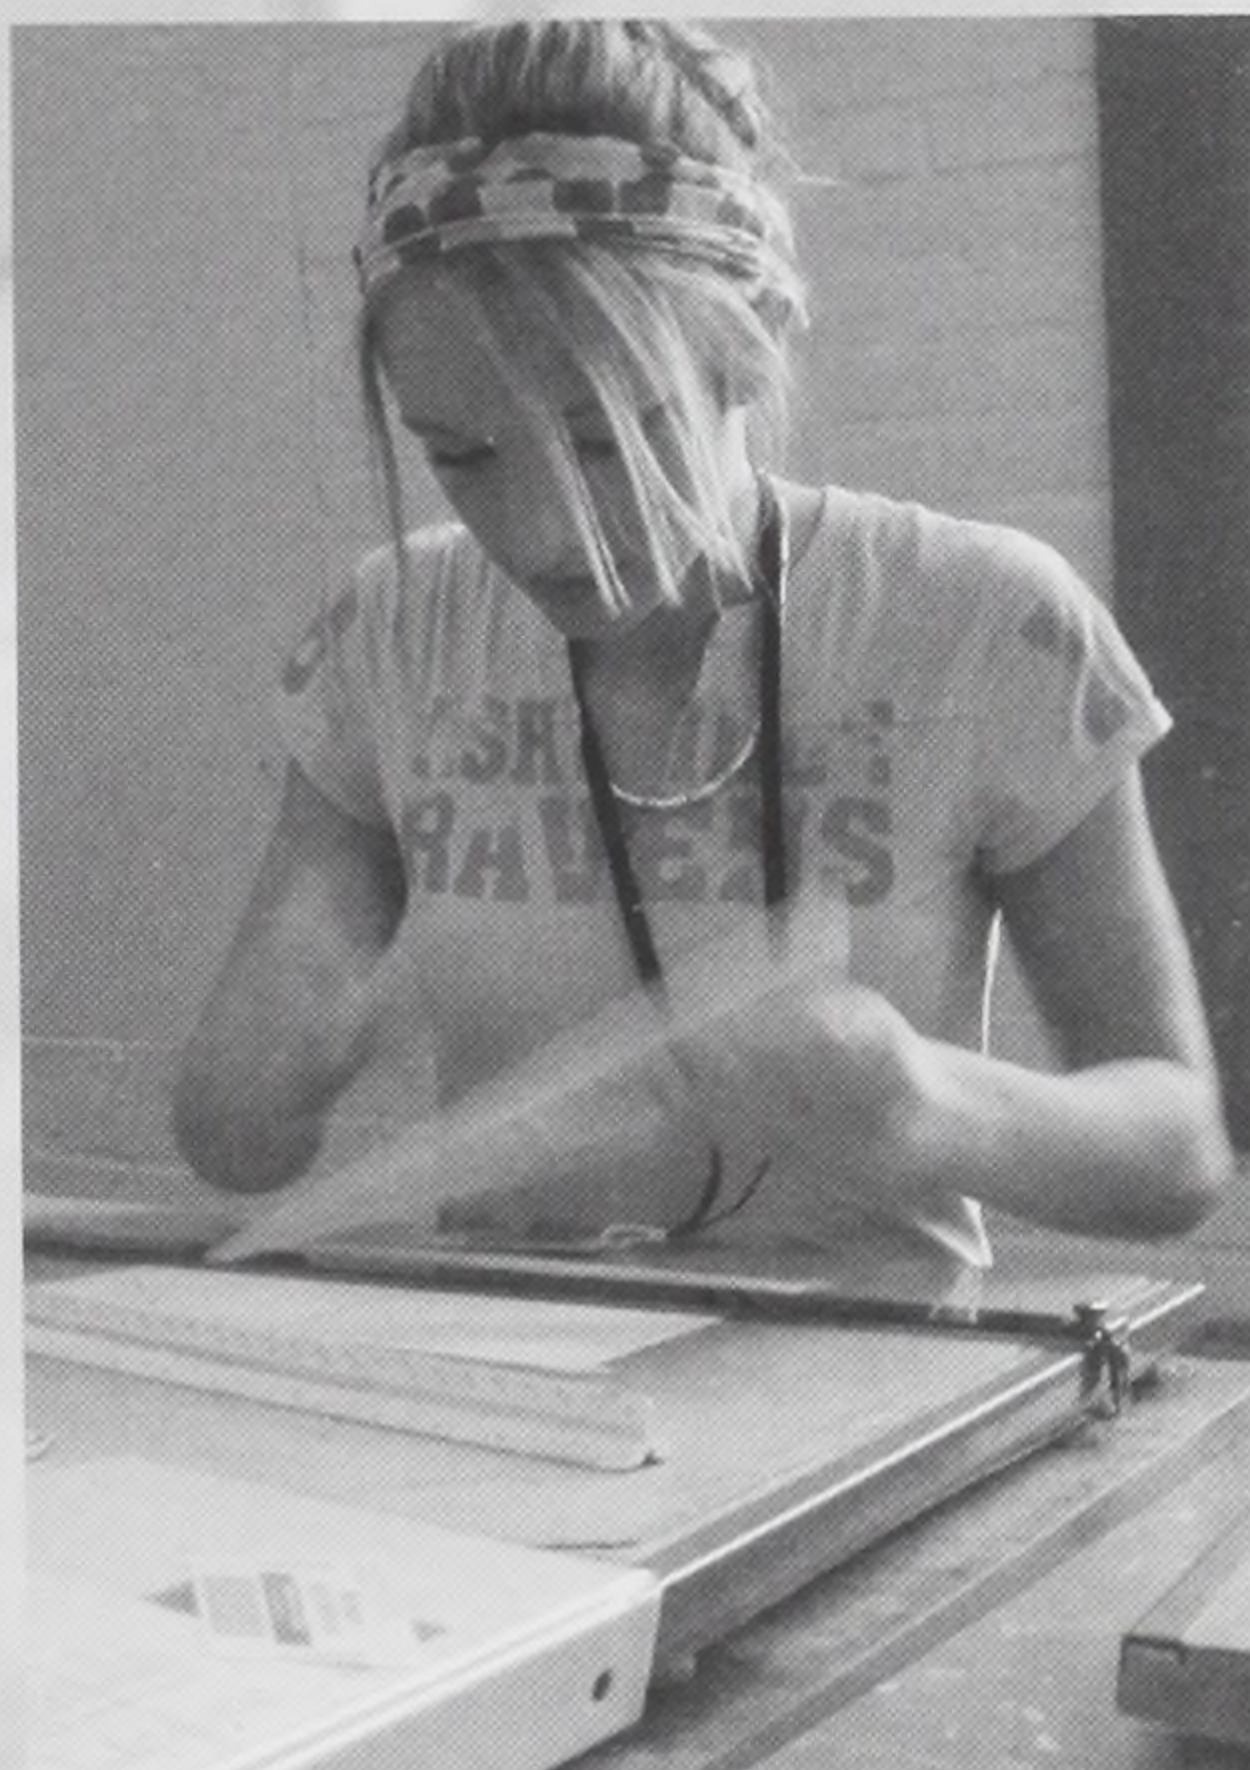

Communications

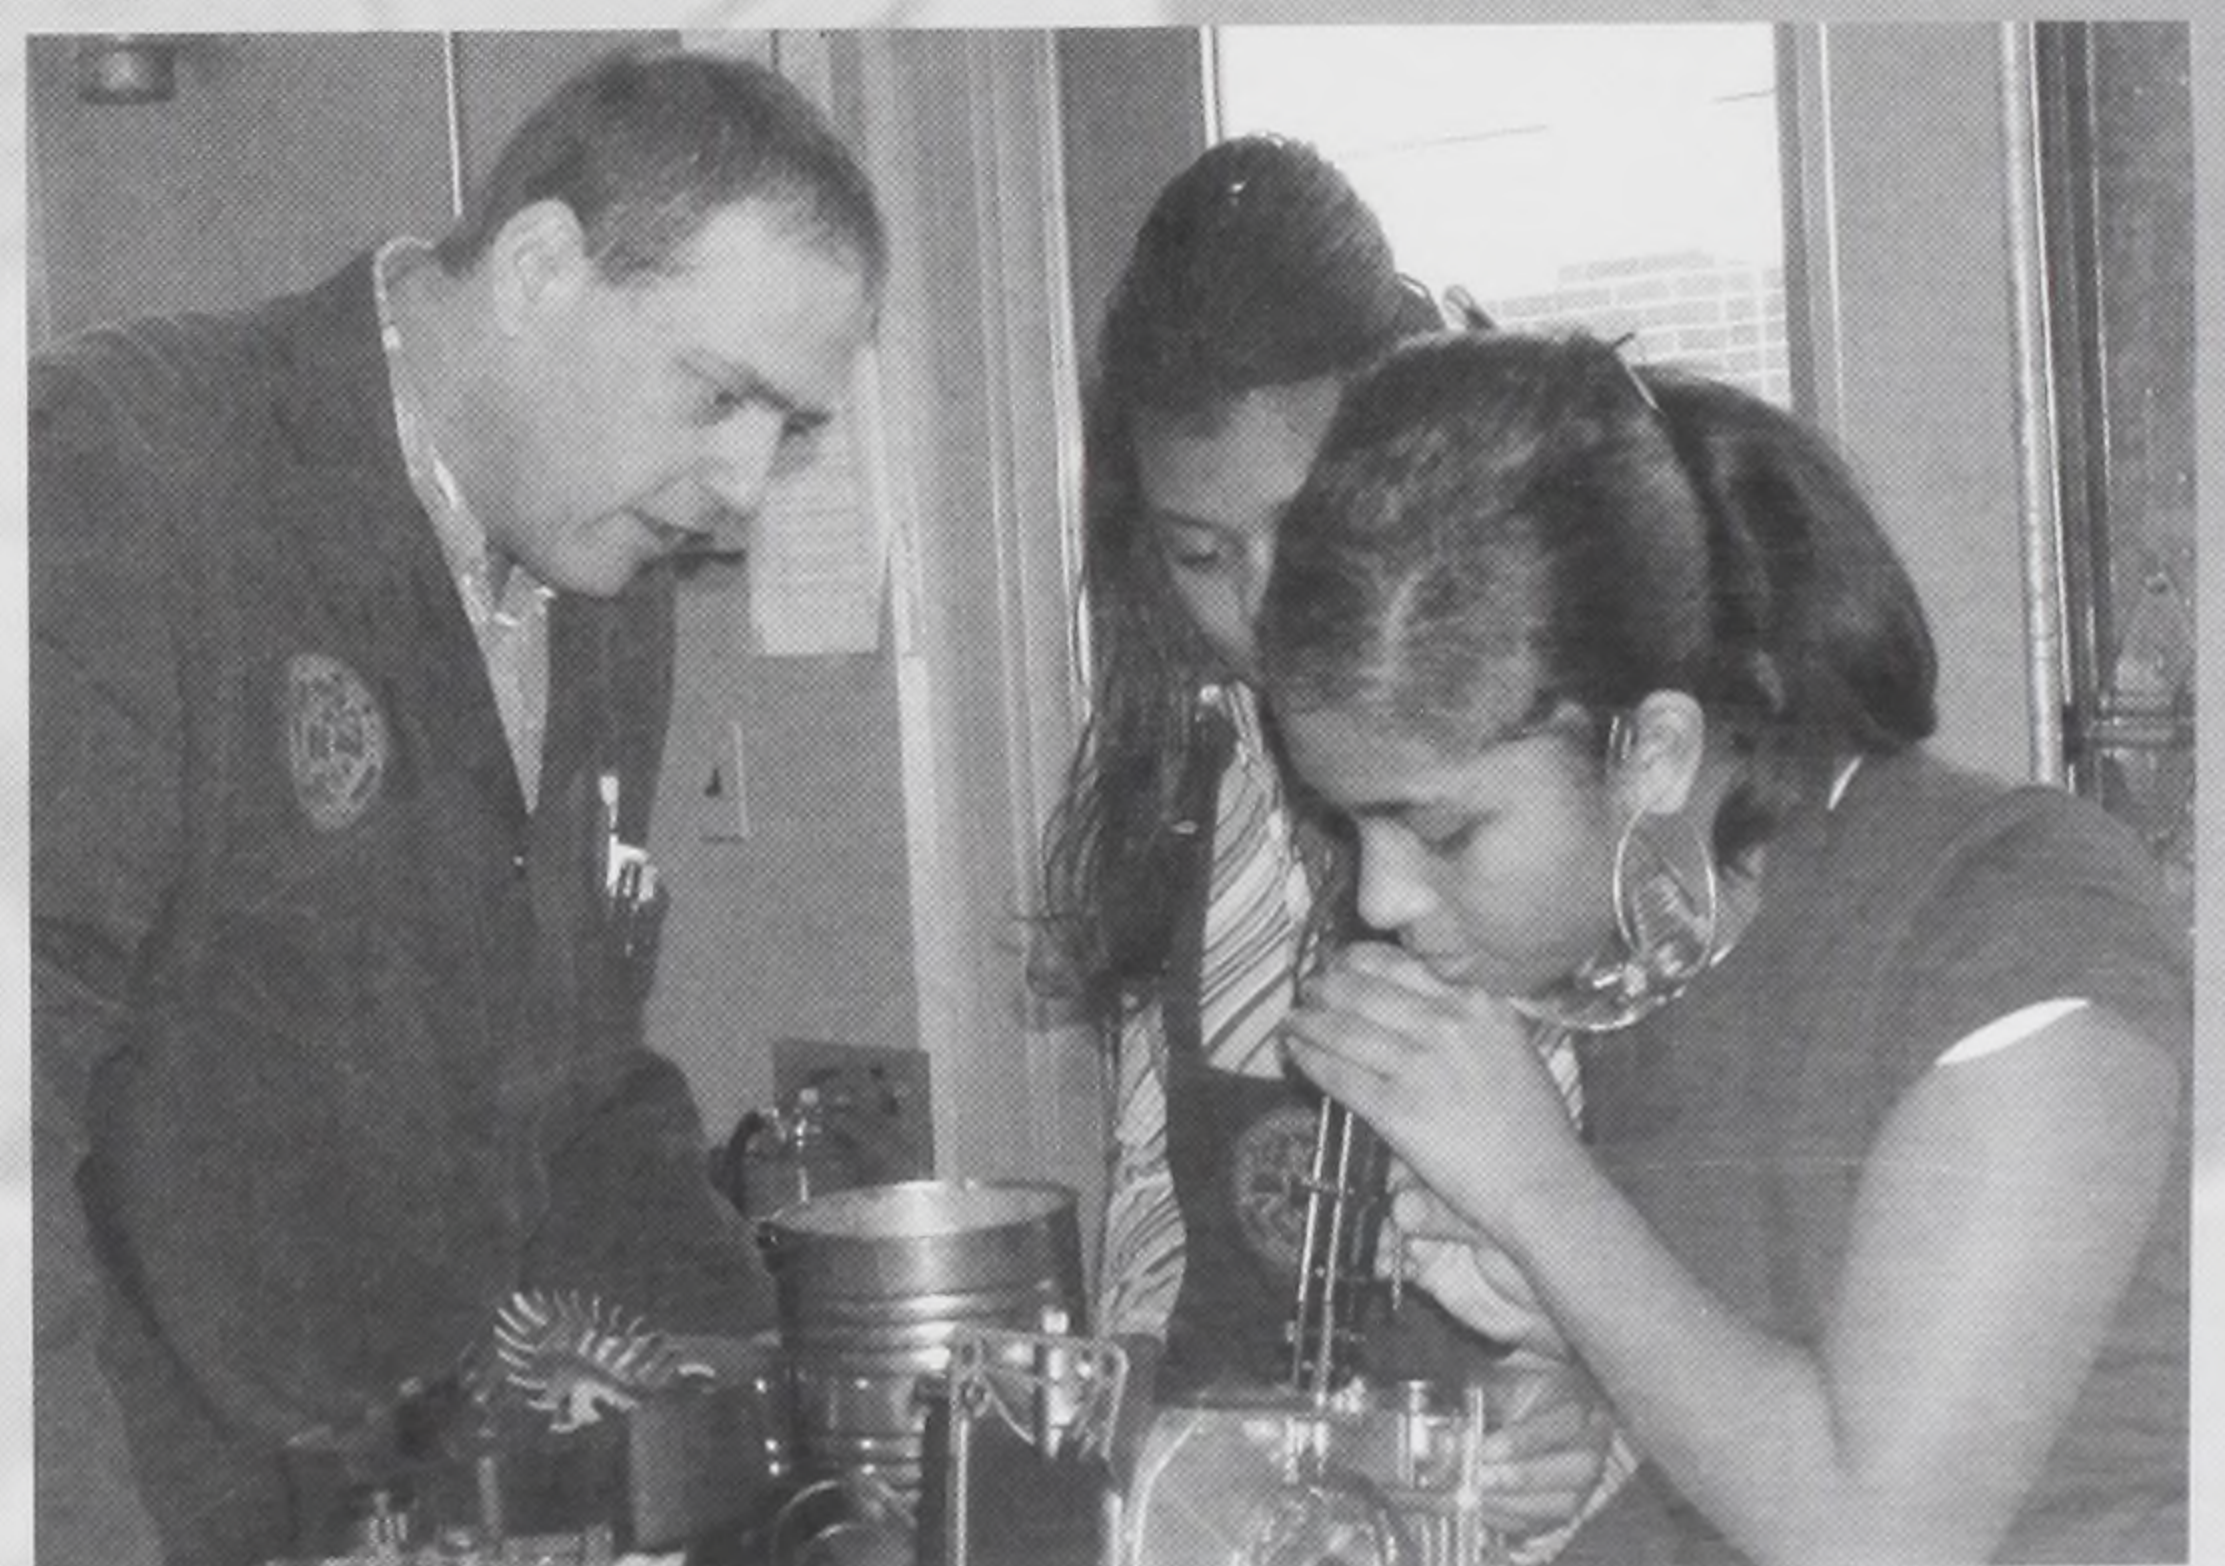

Health Occupations

HAPPY HALLOWEEN!

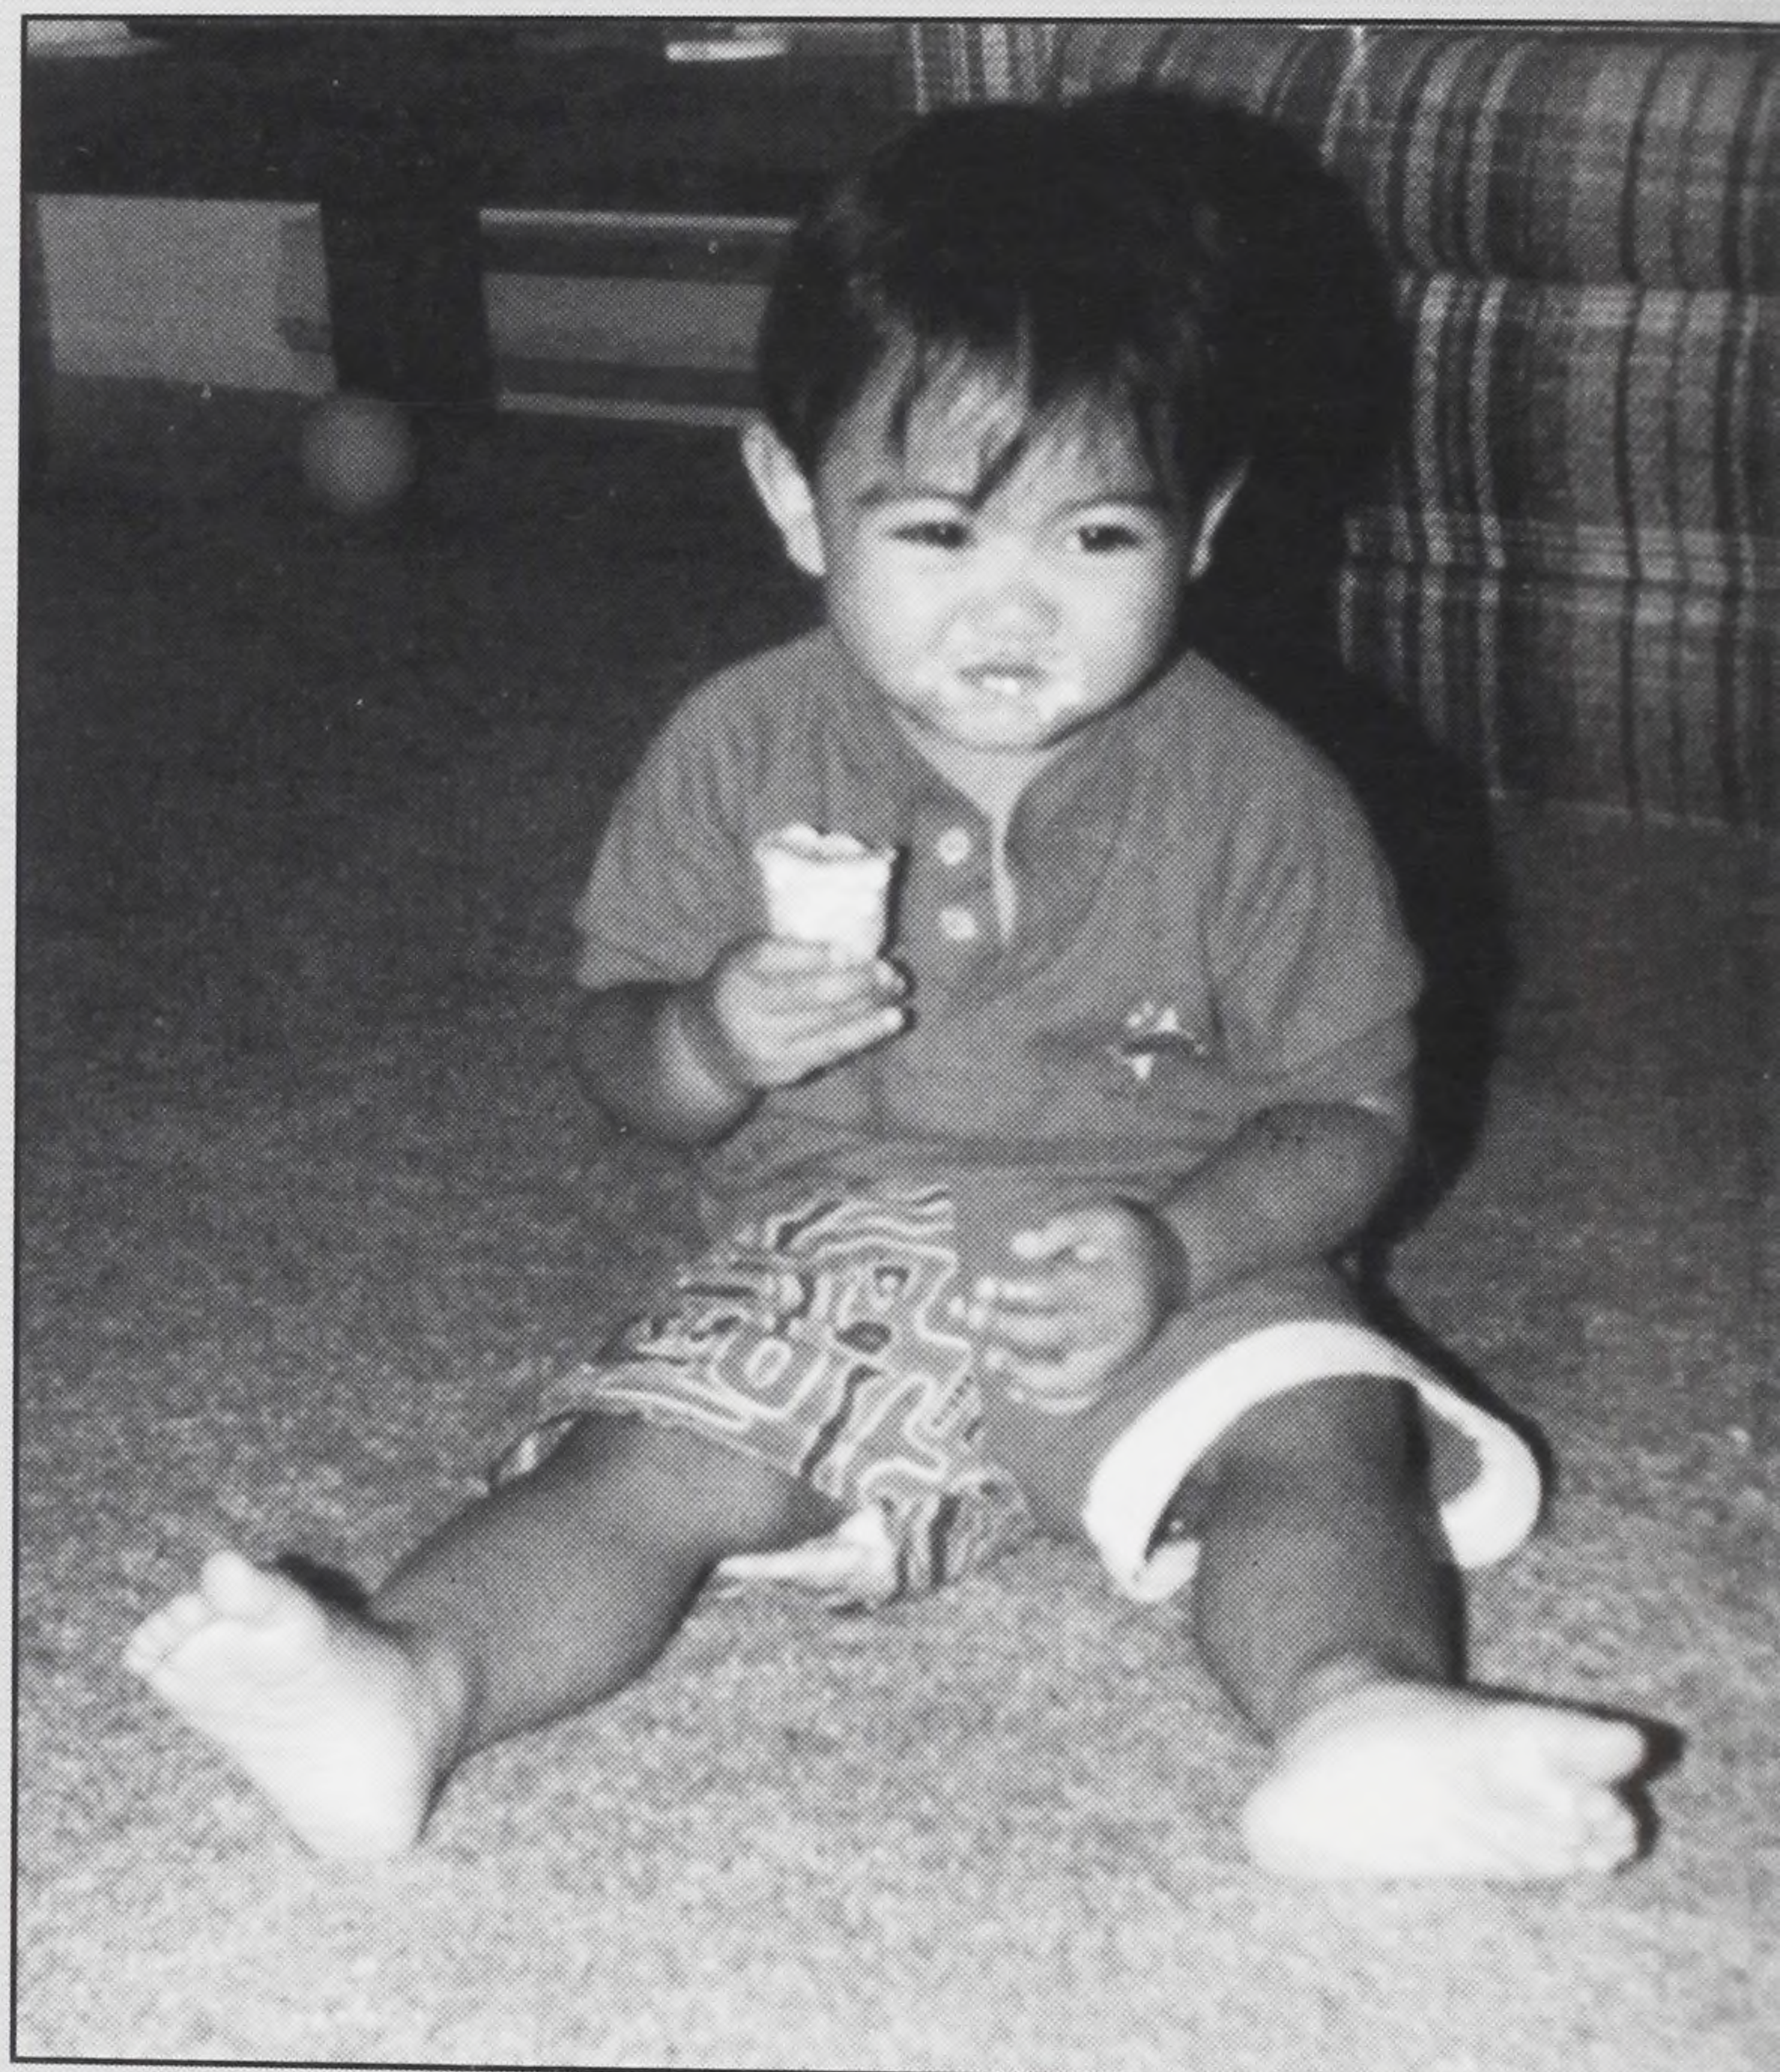

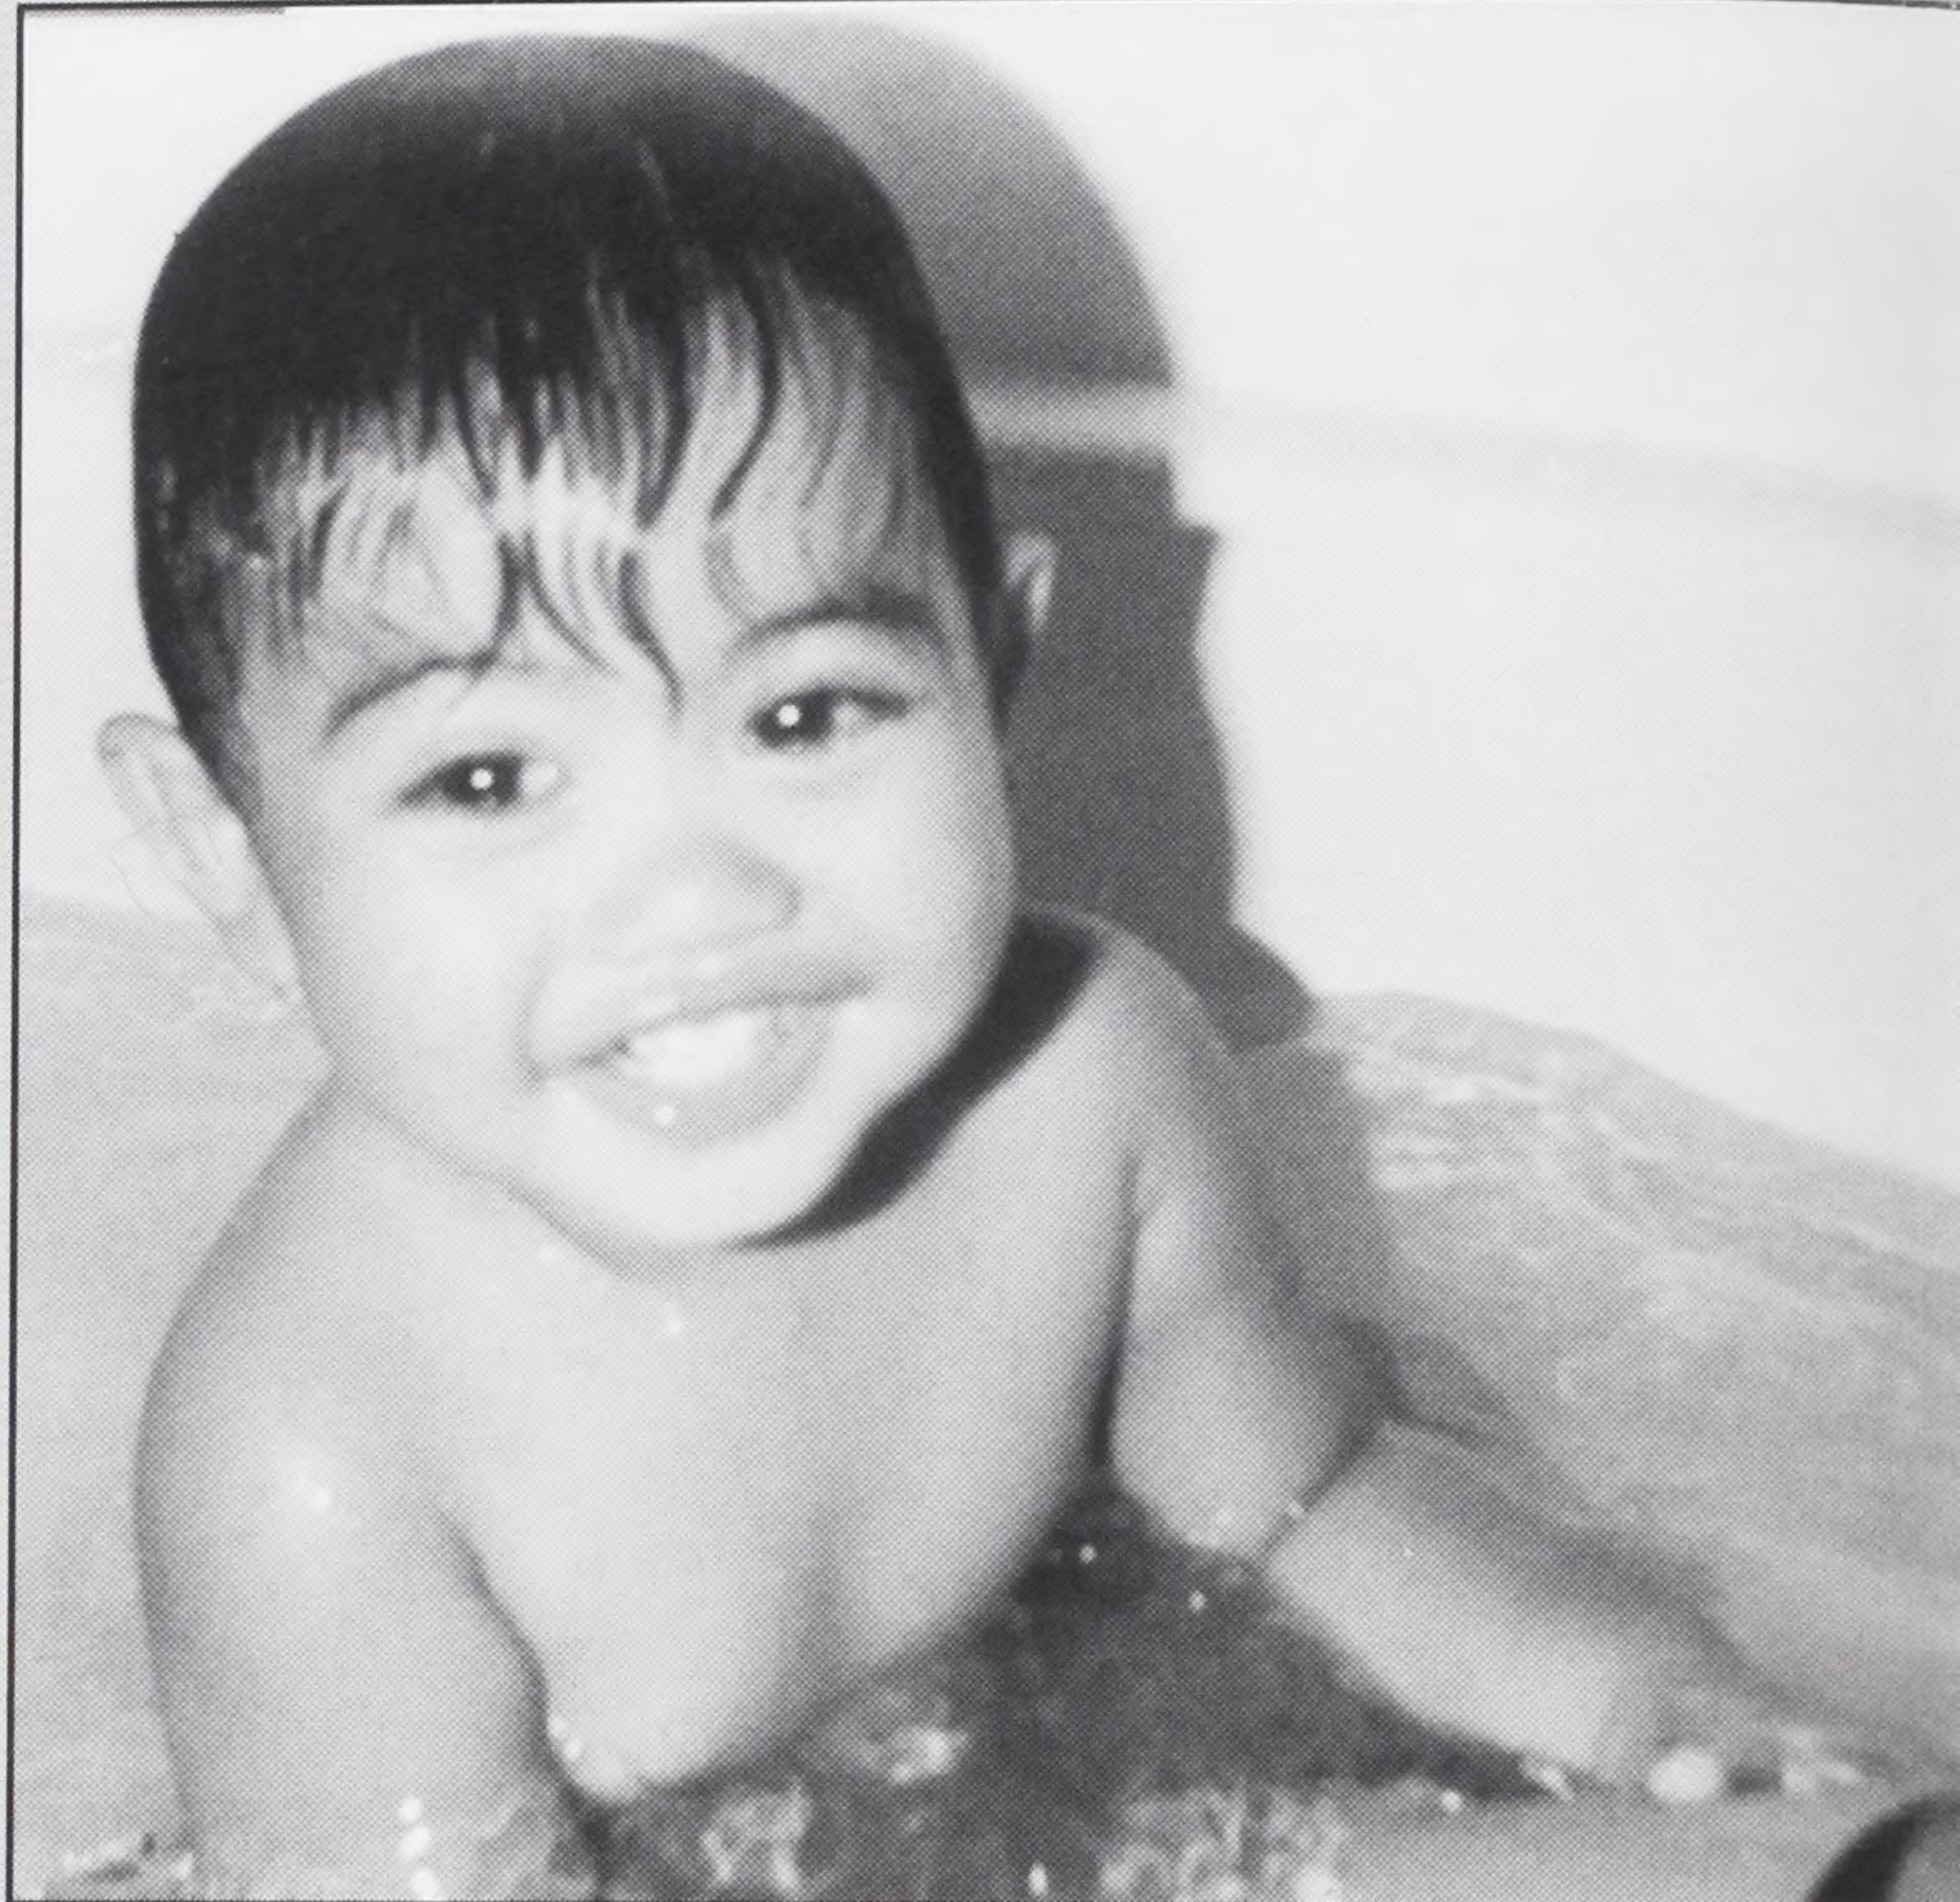

A TRIBUTE TO VIRGINIA TECH

WHEN I SIT AND REFLECT
ABOUT THE MASSACRE AT VIRGINIA TECH,
NOT ONLY DO I CRY, I GET UPSET
BECAUSE I BET,
IT WAS SOMEONE LIKE THE PERSON NEXT TO YOU
WHO AS A CHILD TALKED ABOUT HIS SHOES,
MADE FUN OF HIS CLOTHES,
AND NEVER ACKNOWLEDGED WHAT HE MAYVE WENT THROUGH,
MAYBE HE WAS THE NERD YOU USED WHEN YOU HAD A PAPER TO CHEAT ON,
BUT ONCE YOU PASSED THE TEST, HE WAS NO LONGER NOTICED, JUST OVERLOOKED AND STEPPED ON,
LONELY AND ISOLATED, THEY REMAIN ASIDE FROM THE POPULAR CLICK,
BECAUSE THEY LACK THE CARNAL THINGS OF THIS WORLD
AND WERE MATERIALISTIC.
YOU SEE I CRY AND YOU CRY, HE CRIES AND SHE CRIES,
WE ALL HAVE PAIN BUT WE MUST AVAIT SUNNY DAYS
AND LEARN LESSONS FROM THE RAIN,
THERES SO MUCH DIVISION BECAUSE WE DONT WANT TO MENTION,
WHAT IS TRULY WRONG WITH OURSELVES.
WE HAVE A CRAB-LIKE MENTALITY,
WE ENVY AND BLOCK THOSE WHO HAVE A CHANCE TO SUCCEED,
TO YOU ITS ONLY A GAME OF THE DOZENS,
YEAH YOURE PLAYING, BUT THE OTHER PERSON WASNT,
IN ORDER TO LIFT US UP, WE PUT OTHERS DOWN,
MAYBE THE INTENT WASNT TO HURT, YOU WERE JUST CLOWNING AROUND,
BUT SOMEONE REALLY DOES GET HURT IN THE MIDST OF YOUR JOKING,
YOU LEAVE THAT PERSON ALONE SULKING,
MEDITATING ON THE HURTFUL THINGS THAT YOUVE SAID
CRYING THEMSELVES TO SLEEP, WISHING THEY WERE DEAD,
FANTASIES COLD AND CRUEL
OF SHOOTING THEIR CLASSMATES AND BLOWING UP THE SCHOOL
NO LONGER WANTING TO EXIST, HE WANTS TO DIE
CONTEMPLATING SEVERAL WAYS TO COMMIT SUICIDE
AND ALL THIS BECAUSE YOU MADE THEM CRY,
NOW HES TAKEN INNOCENT LIVES
THOSE WHO LOVED THE VICTIMS ARE NOW DEPRIVED,
THEY NO LONGER HAVE THE PRIVLEDGE TO EXCHANGE THE GREETINGS
HELLO AND GOODBYE
THEY NO LONGER GET TO SPEAK TO THEIR BOYS OR GIRLS,
NOW THEY GRIEVE AND ENDURE THE ALTERING OF THEIR WORLD,
THEIR GOAL ORIENTED CHILDREN, NOW BEING BARRIED
I CANNOT FATHOM THE BURDEN, THEIR FAMILIES NOW CARRY,
IT MUST BE HARD TO PLACE YOUR LOVED ONE IN A GRAVE,
KNOWING ALL THEY DID WAS GO TO CLASS,
WHERE THEY SHOULDVE BEEN SAFE
SINCE WHEN IS COLLEGE A DANGEROUS PLACE TO BE?
I THOUGHT THATS WHERE YOU GO TO EXCEL AND EXCEED,
BUT UNFORTUNATELY, HERE IS WHERE WE LOST INNOCENT SOULS,
MAY THE LORD SEND HIS ANGELS TO CONSOLE,
AND THE HANDS OF THE VICTMS FAMILIES HELL HOLD,
IN THE GUNMANS STORIES, HE PORTRAYED VIOLENCE
AND MOST YEARS OF HIS LIFE HE REMAINED SILENT,
ALL ALONG, A TICKING BOMB, THE EPITOME OF A TYRANT,
WE CONTINUOUSLY OVERLOOK THESE SIGNS,
AND I DONT MEAN TO HARSHLY REMIND,
BUT WE SHOULDVE LEARNED OUR LESSON AFTER COLUMBINE
WE IGNORE WARNINGS,
BECAUSE OF THIS AMERICA IS IN MOURNING,
AS WE WATCH TV, WE WITNESS LOW-SELF ESTEEM
TAKE THE LIVES OF THIRTY THREE
WE CAN NO LONGER BE THE CAUSE OF EACH OTHERS TEARS,
NOR CAN WE AFFORD TO CONTRIBUTE TO ONES FEARS,
BE OPEN MINDED, LISTEN TO THE CRIES OF YOUR PEERS,
WE HAVE TWO EARS, AND ONE MOUTH,
LISTEN MORE, AND TALK LESS,
IF WE HAD, I BET,
THERE WOULDVE NEVER BEEN A MASSACRE AT VIRGINIA TECH,
BUT THERE WAS, AND NOW APPALLED AND DISTRESSED,
WERE LEFT TO REGRET,
MAY THE LIVES OF THE FAMILIES BE BLESSED,
AND IN ETERNAL PEACE, THEIR LOVED ONES WILL REST!

Tooth Fairy Trade-In

Students, trade in your wisdom teeth for a \$40 Gap, Banana Republic or Old Navy Gift certificate. Or you may choose to have a relaxing medical massage to help ease with healing.

Wisdom teeth extractions can be done with our special "sleep formula" to help you feel relaxed. All wisdom teeth extractions get a complimentary Lavender-Echinacea rinse to help with healing.

The background of the page features the silhouettes of five people standing in a row, facing forward. The silhouettes are dark and occupy the upper half of the page. The word "PEOPLE" is printed in a serif font, centered over the silhouettes.

PEOPLE

A rectangular sign with a thick black border and rounded corners is positioned in the lower half of the page. The sign has a light gray, textured background. The word "SMILE" is written in large, bold, black capital letters across the center of the sign.

Trades, in the Atkinson School
11th and Davis

Ninety Nine Years of Excellence

Benson Polytechnic School served not
only the educational needs of the city's
youth, but also the defense needs of a
nation at war.

1909, a course of study for girls was added. The Portland
School of Trades was co-educational until 1913, when the girls'
departments were moved to the Lownsdale School.

a new health occupation wing, a new library, a new
services center, and a new band room were added.
