History making season~Varsity volleyball 2002

The Techsters volleyball team finished with an UNDEFEATED league record and wins the PIL championship outright for the second season in a row. Lead by 8 seniors, the experience paid off as the volleyball team demonstrated great poise finally losing in the consolation championship at the OSAA state tournament. It was the the highest finish ever for the Lady Techsters at the state level. With a season record of 26 wins and 6 losses for the overrall season. Benson volleyball team also made its mark gaining two spots on the all-state team for Emily Marquez & Mari Nelson. Tremendous teamwork, camaraderie & Skill, the varsity team gained 6 all league honors and was recognized earning the sportsmanship award for PIL. The team of 2002 has forever made their mark at Benson High School. Congratulations!

FOOTBALL

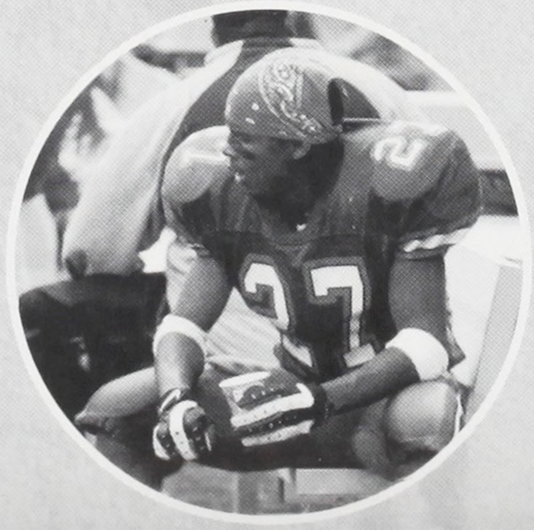

After finishing the season 4-5 last year, we knew we had to make a turn-around. It was a new beginning ,new coach, new system. Lead by a cast of seniors; Drew Dukeshire, Antwaun Sherman, Reggie Kerney, and Lamont Hill. We readied ourselves for the out of league games.

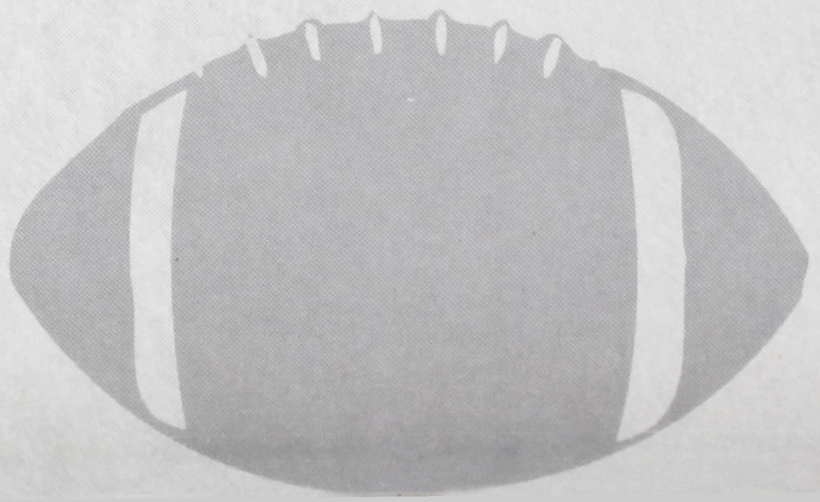

We won, both games, which hasn't been done by a Benson football team for a long time. We roared through the regular season and lost only once to Franklin. Injuries plagued the team at the end of the year which lead to a dissappointing loss to Jefferson. (who we had beat ealier that year by 35 points.) It was a great season, a season we will all remember.

2001-2002

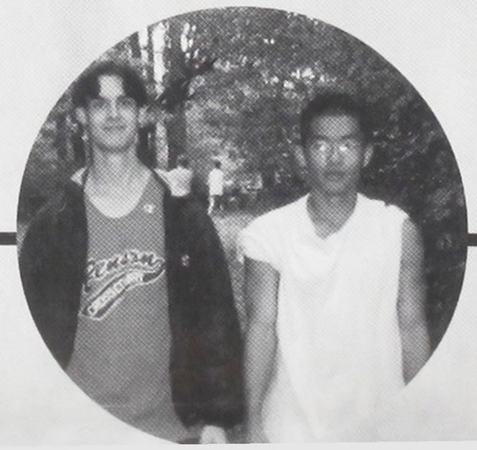

Season Summary

Cross-Country had a sucessful season, concidering we were a young team. With only three seniors on the men's team, we ran to a record of 11-12, and the girls had an incomplete team, but did a great job with with only two members (Sarah Emery and Aimee Dodge). By the end of the season they showed huge improvements While looking impressive on paper, the team unity was perhaps the greatest accomplishment of the season. Senior Captain Steven Ngai did a phenomenol job inspiring us and uniting the team.

Women's Soccer

After losing 11 seniors from last years team, Benson's womens soccer, coached by Kelli Wedin, has worked hard and has been rewarded with a great season. Our 4 returning seniors, 3 new seniors, 3 juniors, 5 sophomores, and 1 freshmen stepped up and all improved tremendously during the pre-season and throughout the entire season.

Again the team strove to compete in the state play-offs. However, we were hindered by an undeserved forfeit to Madison. This ultimately eliminated Benson from the play-offs. But despite this unfortunate draw-back we kept our spirit and heart through the rest of the season.

Finally, we would like to thank everyone that supported Benson's womens soccer-teachers, parents, friends, and family. We want to thank our coach Kelli Wedin for believing in us and helping us to improve, and also the JV coach Bob Bauer fot his confidence in Benson's Womens soccer. WE LOVE YOU ALL!!!!

Women's Basketball

This years team did a great job!!! With only having 4 seniors returning from the year before. Next year the team will miss Seniors; Tess Urban, Coya Goodman, Sherice Green, and Chloe Weirich. The season was neck and neck all the way, finally finishing the season 16-6. A big lesson of the year was heart, they made it to the second round only to lose a very close and good game.

As we send off our four seniors, we had the joy of having one of them sign for the University of Reno. Good luck to Sherice Green. This year again was great and the coaching staff was superb, good luck the next years team, I hope you all do well.

At the start of this season we had only three returning players. I was getting ready for a tough season. The returning players did very well and with the addition of new players we were able to place third in the league.

Due to circumstances beyond our control we placed lower at districts than we expected. I believe this is the best record a Benson Women's Golf team has ever had.

We had the team this year! The past 4 year playing softball were some of the best times I had. Despite inner team problems, we came out of the PIL in 3rd. We had a great time in San Diego and will take many memories away from our softball career, with 6 seniors leading the team this will be a season non of us will forget.

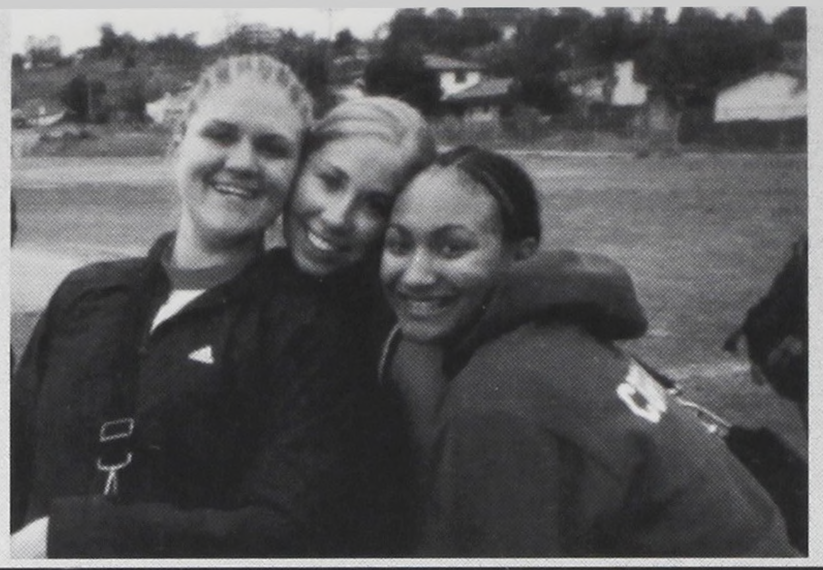

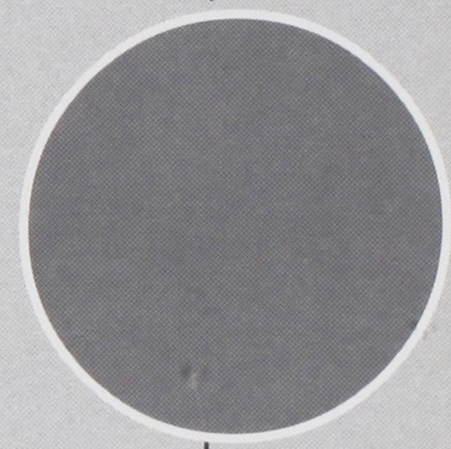

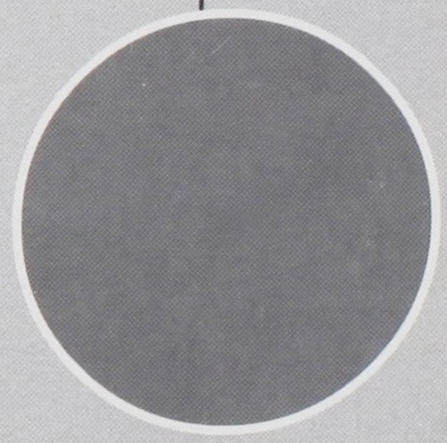

Coach Katie Meyer did an awesome coaching job with us over the years and have developed us iinto the awesome players we have become. With the JV going undefeated the entire season, I'm sure the will have no problems in the future! Good Luck!

Sparkling Stars

Dedicated to Sabastuan

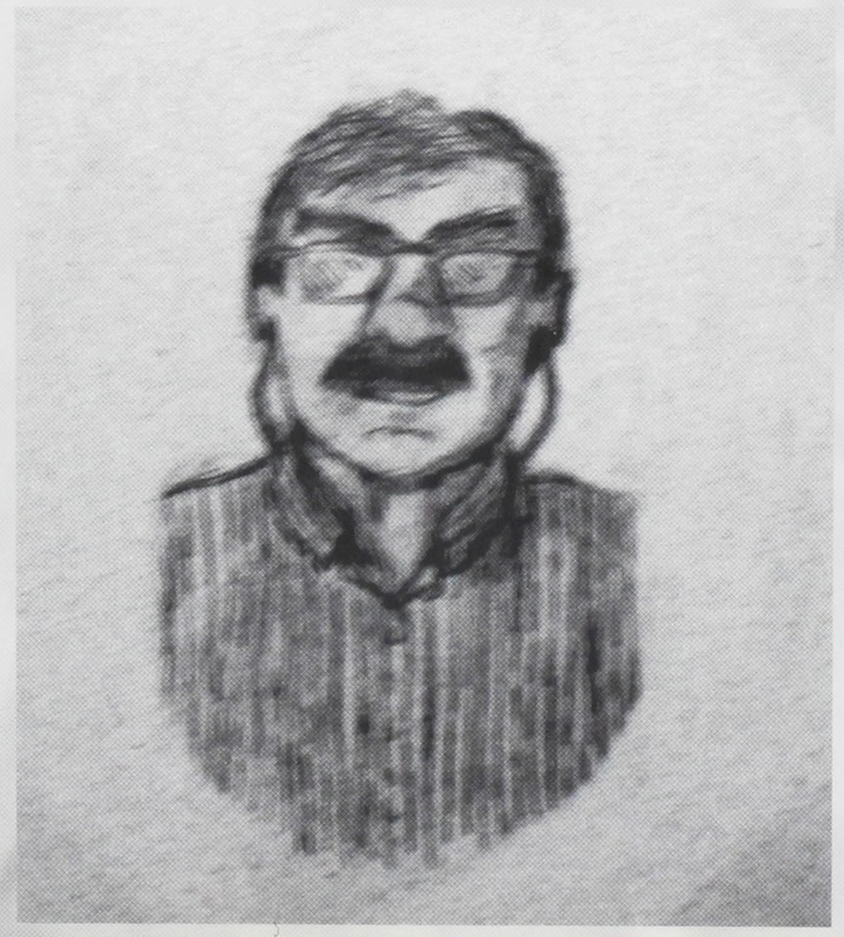

I look at him
Only for a glance
But our eyes meet
And he has me in a trance

Lost in a galaxy of stars
I stare into his eyes
Unable to turn away
For he has me hypnotized

I am mesmerized
When I gaze into his round pools of night
So deep and dark
Yet they glitter with light

Never in all my life
Have I seen such a guy
A temptation that I cannot resist
To look into his midnight eyes

Moving On

You couldn't be safe forever.
One day you would have to step up to the plate of life
Leaving behind enablers, leaving behind your crutches,
Ready to take the world by storm
A cloud of dust behind you for future classes to emerge
It's scary making the move from the world where we are
Not children, but not yet adults
Where the future is only as far as we allow our minds to wander
But it's time. Our work here is done.
We've traveled as far as Benson can take us.
We need to move on to our destiny, to our place in the real world.
The laughter, the friends, the memories will fade from our mind
As the years come
There will be new ones to take their place
But if we keep them close to our hearts
The four years spent within these walls will give us the strength we need
To go wherever the winds of life blow us
Moving on to bigger and better things
Dreams and goals ready to be fulfilled
No, the world is not ready for the class of 2002
But we are ready for it
Because we are moving on

Emergency Medical Services & Public Health

The EMS/Public Health class focuses on emergency care and public health

In the emergency care segment, students do field experience in the emergency room and on the ambulance, they are then eligible to be certified as CPR instructors and first responders, and teach CPR in the school and in the community. They can also receive three college credits for first responder.

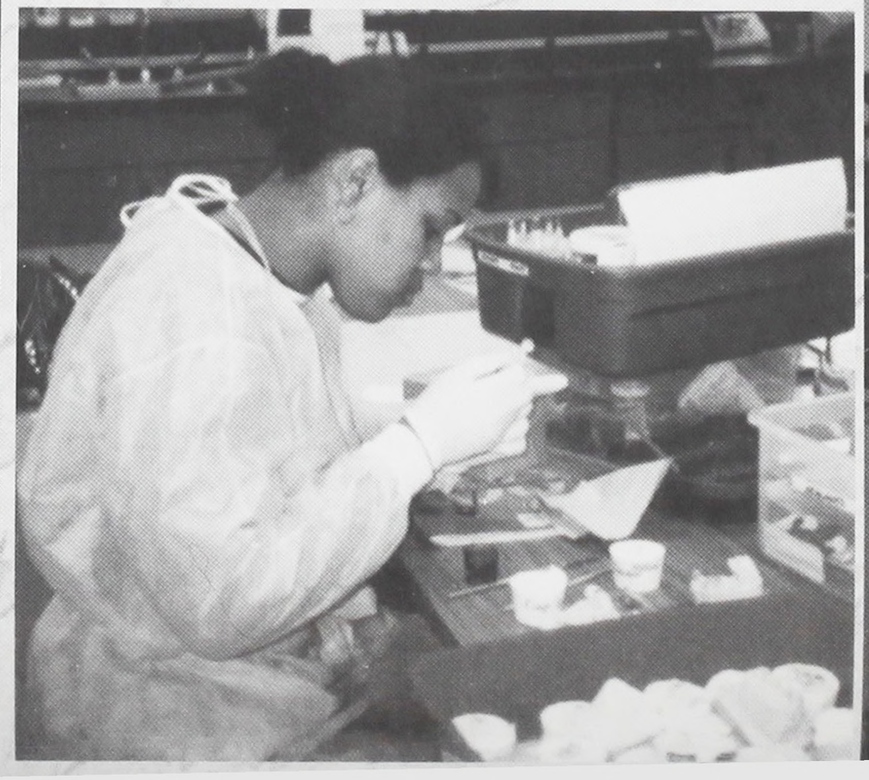

In the public health segment, students become aware of community and world health issues, how age, gender, ethnic and economic differences affect individual and group health, and research issues to find ways to improve the health of individuals and communities. Students go into the community, work with local and government agencies, and present public programs and workshops.

JUNIOR HEALTH OCCUPATIONS

JUNIOR COMMUNICATION SKILLS CLASS AT MT. ST. JOSEPH RESIDENCE & EXTENDED CARE CENTER

In the Communication Skills class, students explore how communication skills can be used to improve interpersonal, intercultural and patient/provider communication. For clinical experience, students travel to a nursing facility, form a personal relationship with one of the geriatric residents, interview and talk to the resident over a series of visits to get to know the resident as a person and also analyze and interpret the resident's medical records to get to know the patient as a medical patient. This allows the students to learn how medical issues and personal issues must be combined to provide total patient care.

Graduation

Dedicated to my senior class

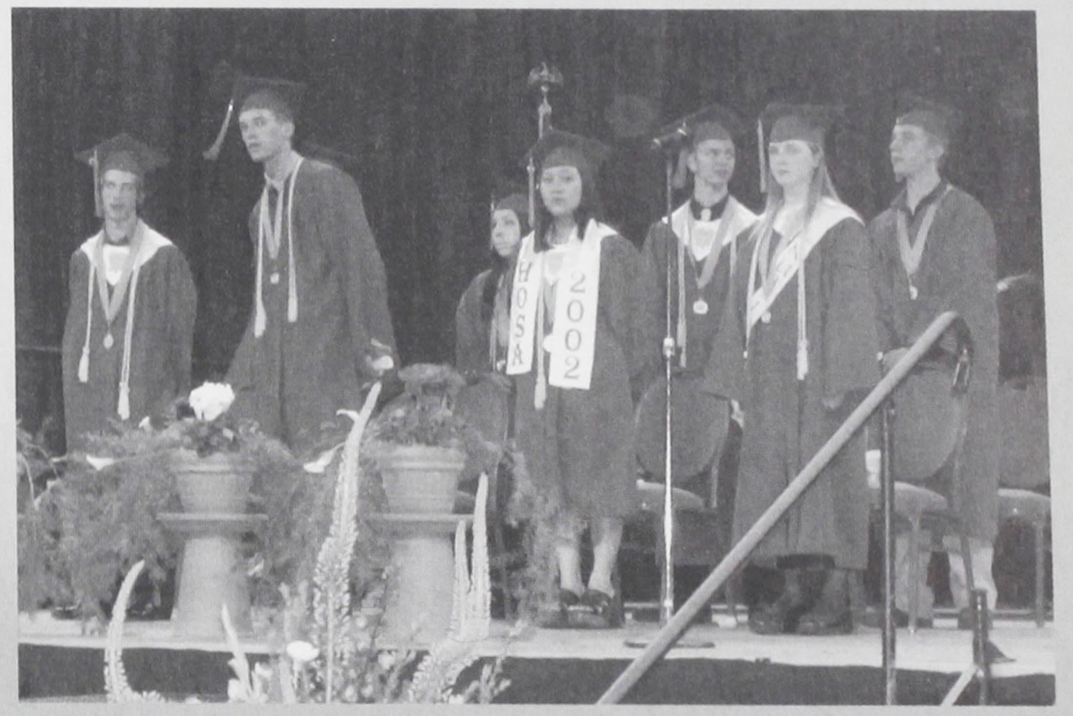

We've made memories
And we've made friends
But now our four years are up
And already at an end

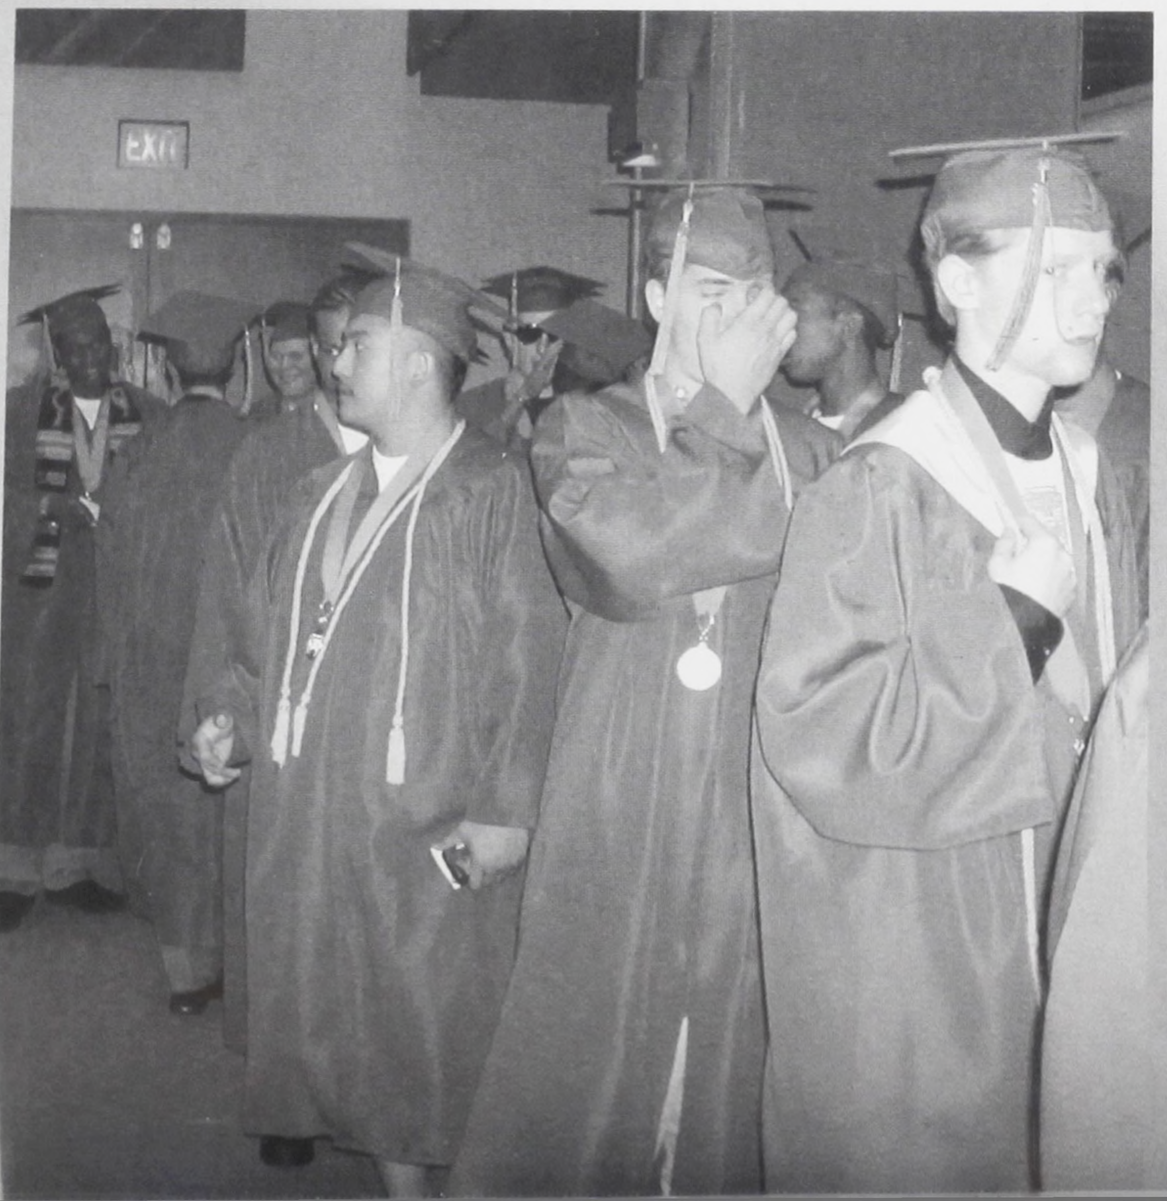

With our cap and our gown on
About to hold diplomas in our hands
We have not only become graduates
But we have also become friends

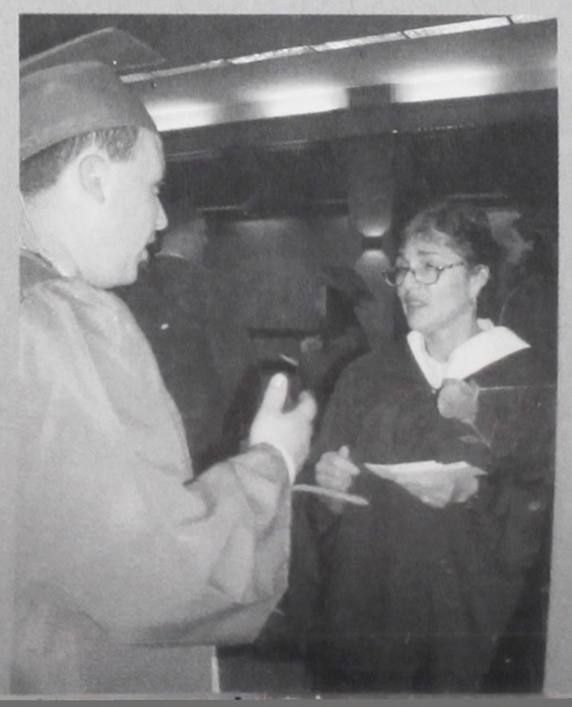

Through thick and thin
With laughter and with tears
We've made it to our graduation
Through these four aching long years

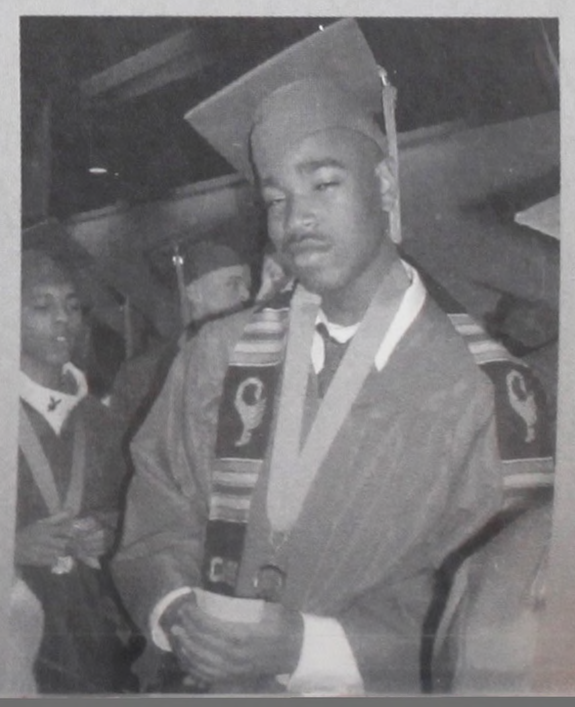

Though we've struggled hard
We pulled it through
We made it together
The graduating class of **2002**!

Be a good friend as you climb the ladder, remember to help others along and never compromise your integrity. You are a very special person, one we have been privileged to know.
